October 6, 2009

My name is Alvy Cook, I live at 1117 Strong Dr, two houses down from 2511 West Charleston on Strong Drive. I strongly object to this variance for the business at 2511 West Charleston. The reason for this objection is because I constantly have people either parked or sitting in their cars in front of my house and the surrounding houses on a daily basis. There has been times I have had to maneuver around cars just to get into my driveway. This business does not have adequate parking the way it is now, and this variance would just make the parking situation worse. We have been trying to get signs for resident parking for approximately a year or so. But it doesn't seem to get done. No one buys a home with the hopes of having complete strangers parked out in front of it on a daily basis.

Not that this has much to do with the variance, but my wife did go to the business to talk to them about this issue, only to be told that before this business moved in the neighborhood, the neighborhood was a ghetto, and we should be happy they moved in. Well ghetto or not we do not want this business to use our house as their parking lot.

Please do not let this variance go through, and if possible please put up signs that would makes the area where there are homes strictly residential parking between 8am and 5pm.

Thank you for you consideration,

Alvy Cook
