Subject: Westleigh Neighborhood Association

Comments:

As a lifetime resident of the Westleigh neighborhood I strongly oppose the request to designate this as an historical neighborhood. As a child I was raised in this neighborhood (1248 Barnard Dr) and as an adult I purchased a home (1238 Barnard) as I loved the area. I have lived here since 1960. We have upgraded and added to our home and I feel those moving in should be able to do the same without having a board dictating what one can do with their home. That should be left to the planning commission. Had I wanted to live in a neighborhood with an association I would have purchased in such an area. I do not see that this action benefits the residents of this neighborhood in anyway.

Thank You

Jeri Ballew

Comments: I have lived in the Westleigh neighborhood for 40 years, my parents, neighbors and friends still live there. We visit weekly.

I think the community has made it clear that they do NOT wish to have the historical designation forced upon them. The numbers appear to be overwhelming, and yet it seems that their voices go unheard in comparison to the few that want this to go forward.

I don't understand how it can benefit our community or our city to ignore the voice of the majority. As homeowners and voters we like to think that our voices matter to those we elect, and that they are concerned about representing all of us. I hope we will feel that our voices and concerns were heard as the planning commission makes its decision.
