Re: Justification letter for SKYVIEW PINES
Apn# 139-27-502-003
Approx. 4.86+/- acres

Dear Staff:

On behalf of our client, Nevada Hand Inc., we are pleased to provide this justification letter to provide information on a Site Development Plan Review being submitted for consideration on the above referenced project.

We are asking for this request to develop approximately 4.86 acres of property located on the south side of Owens Avenue and west of North main Street. This development will consist of 144 affordable family apartment units with a density of 29.38 units/acre, this site will feature a recreational building and pool with open space areas for the enjoyment of the residents.

We feel that the development we are proposing is compatible with the surrounding area and will be an enhancement to the neighborhood. With this in mind, we would respectfully request staff's recommendation of approval and support of this Site Development Plan Review. If you have any questions or concerns, please contact this office at your convenience.

Sincerely,
L. R. NELSON CONSULTING ENGINEERS, INC.
