A photograph of a Starbucks Coffee building. The building is a single-story structure with a light beige or tan stucco finish. A large, green, three-dimensional sign on the side of the building reads "STARBUCKS COFFEE". To the left of the sign, there are two white, rectangular outdoor light fixtures mounted on the wall. A concrete sidewalk runs along the side of the building, bordered by low-lying green shrubs. A large, dark green pine tree stands to the right of the building, casting a shadow on the wall. In the background, a dark-colored car is parked in a lot. The sky is clear and blue.

STARBUCKS
COFFEE
