RE: *Application for Special Use Permit*

To Whom It May Concern:

I am writing on behalf of Walgreen Co. in support of the application for a special use permit and waiver of the distance restrictions to allow for the addition of accessory "off-sale" packaged beer, wine, and liquor at the premises of Walgreens at 7599 West Lake Mead Boulevard. The location is currently operating and licensed as a drug store.

This location is zoned C-1, Limited Commercial. The proposed sale of packaged liquor will not adversely affect surrounding properties, as this store is intersected by two major thoroughfares – Buffalo and Lake Mead – and is surrounded by commercial uses. There are other businesses in the general area that sale alcohol, so the proposed use would not be unique to the area. The location also currently complies with all other requirements pursuant to the City of Las Vegas Municipal Code.

However, Walgreen Co. understands that there is a City park located within 400 feet of the larger commercial subdivision. Accordingly, the Applicant hereby respectfully requests a waiver of the distance restrictions since the Walgreens has less than 20,000 square feet of retail floor space and is separated from the park by a right-of-way that is at least 100 feet in width. Here, the Walgreens is located at the southeast

end away from the City park and is separated from the park by Lake Mead Boulevard, a street at least 100-feet in width.

With this special use permit, Walgreens will remain competitive with similar businesses by offering patrons the option to purchase packaged beer, wine, or liquor for consumption off-premises. Since this use is commonly found at similar drug and retail grocery stores in Las Vegas, there would be no variable impact on other businesses by allowing Walgreens to sell alcohol for the convenience of its customers.

Walgreens will continue to maintain its high-level standard of operations, and the design, hours of operation, traffic generation, lighting, and noise at this location will remain unchanged with the issuance of a special use permit to allow for accessory packaged beer, wine, and liquor sales. Also, the location will not devote more than 10% of the retail floor space to the display or merchandising of alcoholic beverages.

Furthermore, Walgreen Co. is a well-established national company with shares traded on the New York Stock Exchange. The company has over 60 stores in southern Nevada that maintain a low impact on neighboring properties. This Walgreens location has 36 full-time and 5 part-time employees and operates on a 24-hour basis.

As Walgreens is currently operating and the addition of packaged beer, wine, and liquor for sale is compatible with the surrounding area, we respectfully request a special use permit and waiver of the distance restriction to a City park to allow for the addition of accessory "off-sale" packaged beer, wine, and liquor sales.

Please call me if you have any questions or need additional information.

Sincerely,

Jennifer Roberts
