Minutes:

CHAIR TRUESDELL declared the Public Hearing open.

ANDY REED, Planning and Development, stated that the Planning Commissioners were given
the updated Safety and Seismic Safety Element and because of its size, it would be appropriate to
give the Commissioners a month to review. Therefore, he requested an abeyance until April 22,
2010.

CHAIR TRUESDELL discussed with MR. REED that the Seismic Element is part of the 2020
Plan, and they have now been combined so that all the policies will be in one document.

CHAIR TRUESDELL declared the Public Hearing closed.
