Re: property at 222 Bruce where applications filed incl; SDR-37569 - GPA-37567

It is our understanding this property was an illegal conversion to a duplex for residential purposes which caused excessive occupancy and behavioral patterns, neighborhood disturbances, illegal activities and eventually a 2008 property foreclosure.

The current applications indicate an effort to upgrade the property for professional purposes only and thereby improving the neighborhood. It is our understanding that the request for a reduction in parking spaces from six to four spaces allows the developer/applicant to perform a lesser amount of landscaping. It would appear that these renovations would greatly improve this property from its present condition. We would ask and encourage the applicant to select a suitable exterior paint job that blends in with the existing neighborhood surroundings and not look like a property in downtown Havana, Cuba or Tijuana, Mexico.

At this time we see no further involvement or attendance required by this organization in regards to this property mentioned or its applicants.

Sincerely,
Donald Fondriasopolous/President-Resident Agent.
