Subject: Abeyance request

Mr. Gebeke,

Please consider this a formal request to hold in abeyance items 29 and 30 from the April 22, 2010 Planning Commission agenda. Specifically, items GPA 37823 and ZON 37824. The owners, CT-1 LLC, would like to respectfully request that these items be considered at the May commission meeting so that the site development review may be considered at the same time.

Please let me know if you need any additional information.

Sincerely,

Warren B Hardy II

Comments: Please deny this application. There are plenty of opportunities for commercial development along Craig, east of Tenaya. By changing this parcel to commercial, it opens up for more development along Craig, west of Tenaya. There is mostly RE zoning in this area, and commercial zoning or more dense zoning is not appropriate in this area. Please leave this parcel as residential, as it is currently zoned. When this parcel was annexed into the City, it was done so without promise of zone change. Please abide by that decision and do not approve this change. Thank you
