ANALYSIS

This is a request for a Special Use Permit for a Pawn Shop use within an existing 6,000 square-foot building. The subject site has adequate parking spaces for the proposed Pawn Shop use, which requires one space for each 250 square feet of gross floor area. The Site Plan indicates 24 parking spaces are required, whereas 56 parking spaces are provided. The proposed Pawn Shop is a less intense use compared to the Restaurant use that was previously located on this site.

The minimum Special Use Permit requirements for the proposed Pawn Shop use are the 200-foot distance and a 1,000-foot distance separation from a residentially zoned property and a Financial Institution, Specified use, respectively. The applicant has requested 154-foot and 250-foot distance separation waivers residentially zoned property and Financial Institution, Specified, respectively. Staff is recommending denial of this application because the proposed use cannot be conducted in a manner that is compatible with the surrounding land uses, as is evidenced by the requested waivers of distance separation requirements.

FINDINGS (SUP-37576)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed Pawn Shop use cannot be conducted in a manner that is harmonious and compatible with the existing site due to the waiver requests to allow a 154-foot distance and 250-foot separation distance from residentially zoned property and Financial Institution, Specified uses; respectively.

2.The subject site is physically suitable for the type and intensity of land use proposed.

The proposed use is located directly adjacent to a residential property, and a Financial Institution Specified use is located within 250 feet south of the property. The subject site does not meet the minimum standard set forth in Title 19.04 for a Pawn Shop within a C-1 (Limited Commercial) zoned property. The subject site is not physically suitable for the intensity of the proposed land use, due to the need for waivers of Title 19.04 standards.

3.Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

Site access is provided from Decatur Boulevard, a 100-foot Primary Arterial as designated in the Master Plan of Streets and Highways. This street is adequate in size to accommodate the proposed Pawn Shop use.

4.Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

Approval of the proposed Special Use Permit will not be inconsistent with or compromise the public health, safety and general welfare, as the use will be subject to regular inspections for business licensing.

5.The use meets all of the applicable conditions per Title 19.04.

The proposed Pawn Shop use does not comply with the minimum Special Use Permit requirements. The proposed use will be located within 200 feet of a parcel used or zoned for residential use. In addition, the use will be located within 1,000 feet of a Financial Institution, Specified use. A waiver has been requested from these requirements.
