RE: TXT-37525 - TEXT AMENDMENT

Dear Mr. Gebeke:

I would like to request that case number TXT-37525 be held in abeyance for 30 days at the April 22, 2010 Planning Commission Meeting. Holding this item for 30 days (to the May 27th meeting) will allow staff additional time to address concerns that have been raised since this item was placed on the Planning Commission agenda. Please let me know if there are any questions.

Sincerely,
