RE: Branch Location – **Futura Envia**
3882 W. Sahara
Las Vegas, NV 89102

Dear Planning Commission:

As President of Futura Envia, with Corporate Office located at 331 SE 10th Ave., Hillsboro, Oregon 97123, I am writing this JUSTIFICATION LETTER, to express our business reasons for the application of this **Special Use Permit for Check Cashing** at the above mentioned property. **Futura is currently licensed by the Department of Financial Institutions as a Money Transmitter, and Check Casher** and is licensed by the City of Reno and Sparks as an Authorized Check Casher. Futura is also an Authorized Delegate of Money Gram, for which we offer through them the sale of money orders and bill payment services. Our customers constantly walk into our business with their payroll checks expecting to cash and use the funds to pay bills, purchase money orders to pay for their rent and even wire money to their families abroad.

Our current **neighbors "Food 4 Less"**, constantly send their customers to our office to try to cash their payroll checks in order to purchase produce. Since this is not possible, customers have to go elsewhere for their shopping, affecting all businesses in this shopping area. We strongly believe that being able to provide this check cashing service to our customers will help us create a more stable and profitable environment for all the businesses in this shopping area because it will help us maintain our local customers. Our company is dedicated to providing the best service to our customers and plans to cash **only payroll checks** (no third party, personal or out of state checks).
