RE: TCP-38255 \*CORRECTION LETTER\*

Mr. Pistol:

This letter is in response to a previously sent letter dated May 13<sup>th</sup>, 2010 that incorrectly reference the appeal process as noted within Title 19.18.100. The letter should have read as follows:

“This letter is in response to a request for temporary commercial permit on property at 1238 S Las Vegas Boulevard in Las Vegas with Assessor’s Parcel Number of 162-03-112-012.

Planning has made a finding that the proposed special event with dunk tank is not compatible or harmonious with existing development within the surrounding area; therefore this application has been denied.

Per 19.18.100 (E) – Appeal, ‘The applicant may appeal a decision of the Director to the Planning Commission by filing a written request with the Department of Planning and Development. Any appeal pursuant to this section must be filed within 10 days after the date of the decision that is the subject of the appeal. The decision of the Planning Commission is final, unless appealed to the City Council as in the case of a Variance.’

If you have any questions concerning this matter, please contact me at (702) 229-4693.”
