RE: Justification Letter –Variance & Accompanying Special Use Permit
APN: 139-32-405-008, 009, 011, 012

Dear Planning and Development Department,

Enclosed is an application for a Variance & Special Use Permit for an Accessory Structure for that property generally located north of the northeast corner of Charleston Blvd. & Campbell Drive, more specifically described as APN's: 139-32-405-008, 139-32-405-009, 139-32-405-011, & 139-32-405-012 (specific street address not yet assigned). This Variance & Special Use Permit will be contingent upon these four parcels being consolidated into a single parcel. Construction of the primary dwelling will commence before that of the accessory structures.

The property consists of approximately 2.5 acres of land zoned R-E (Residence Estates). The Accessory Structures are going to be +/- 6,783 sq ft for a "shed-row" horse barn and +/- 1,200 sq ft for a hay shelter. The primary dwelling, of which these structures are to be accessory to, is to be +/- 2,616 sq ft. The floor area ratio of primary dwelling to accessory structures is +/- 32.77%.

The Variance is needed because our planned Accessory Structure's ratio of square footage to primary dwelling square footage exceeds that allowed by code. The Special Use Permit is needed because the Variance does not meet the Conditional use requirements; specifically Conditional Use Regulation #3 under the Horse Corral or Stable (Private) use in the Land Use Table of Chapter 19.04, "Barns and other structures shall conform to the standards for accessory buildings".

The property owner/applicant has spoken to all directly adjacent property owners who are all excited that the land is finally being developed, glad that it is going to be the proposed use (single family residence with horses), and are in general support of this variance for accessory structure.

The property owner/applicant is passionate about horses. She competes in barrel racing competitions and spends most hours of the day loving and caring for her horses. The

property owner owns and personally maintains all of the horses that will reside on the subject property. We ask for approval so that she may build a barn and accompanying hay shelter appropriate for the proper care and shelter for these beautiful animals.

Thank you,
