(Near Lake Mead Blvd. and Buffalo Dr.)
0.69 Gross Acres**

Mr. Grider:

This serves as a justification letter for the above mentioned parcel for the existing McDonalds restaurant. We are proposing to revise the current drive thru configuration, exterior building elevations and modifications to the interior of the building to meet current McDonald's standards.

We are providing thirty five parking spaces for this project, which does not exceed the required thirty eight parking spaces. A variance request is being submitted concurrently with this application requesting the approval of a reduction in the number of parking spaces required per Title 19.10.

In addition, a variance request for the incidental directional signage height is being requested for signage within the drive-thru that exceeds the allowable 7'-0" allowable height and for externally illuminated signage.

Vehicular access to the property will remain off of Lake Mead Blvd with access to the adjacent parcels to the north. In addition, the intent of this site configuration updates will include designing certain ramps, sidewalks, etc. to meet the current ADA specifications.

The existing driveway configurations off of Lake Mead Blvd will remain the current existing widths as indicated on the Site Plan and Landscape Plans. We are proposing to reconfigure the curb returns for the driveways along Lake Mead Blvd to meet current ADA specifications.

The existing landscaping currently conforms to the City of Las Vegas Development Standards in Title 19. Since we are revising the drive thru configuration, a certain amount of landscaping will be removed. Based off of the landscape plan, we are proposing to replace any removed landscape so that an

equal or greater amount of landscaping is proposed. In addition, to meet the previously approved landscape plan, we are proposing additional trees in order to maintain the previously approved landscape plan on file.

In addition, conceptual renderings indicating the Chocolate Color Scheme with Stone Arcade in Texas Crème are provided for your reference. Please note that the renderings provided are for reference only and may not reflect the elevations that we are proposing within this package.
