Las Vegas Planning Commission
RQR-39215

Dear Commissioners:

I am the manager and owner of Sahara Jones Plaza, and sold the corner property in 1985 to Southland Corporation for the Seven-Eleven development.

Southland and I have an agreement that they will not modify their property or place any signage without my approval. They ignored this agreement when they approached the Planning Commission to build this sign originally.

This sign is highly detrimental to the struggling businesses behind it in that it obscures them and creates a visual barrier. The sign is unrelated to the Seven-Eleven retail business, and is not appropriate in this location.

I respectfully request that this sign not be approved for renewal, in the interests of the businesses behind this sign.
