COMMISSIONERS

Richard Truesdell, Chair
Steven Evans, Vice Chair
Byron Goynes
Glenn E. Trowbridge
Vicki Quinn
Gus W. Flangas
Todd L. Moody

Facilities are provided throughout City Hall for convenience of persons with disabilities. For meetings held in the Council Chambers, sound equipment is available for persons with hearing impairments. If you need an accommodation to attend and participate in this meeting, please call the DEPARTMENT DESIGNEE at (702) 229-6301 and advise of your need at least 48 hours in advance of the meeting. The City's TDD number is (702) 386-9108.

November 18, 2010

6:00 PM

ALL ITEMS ON THIS AGENDA ARE SCHEDULED FOR ACTION UNLESS SPECIFICALLY NOTED OTHERWISE. UNLESS OTHERWISE STATED, ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Clerk's Bulletin Board, City Hall Plaza, 2nd Floor Skybridge
Clark County Government Center, 500 South Grand Central Parkway
Las Vegas Library, 833 Las Vegas Boulevard North
Grant Sawyer Building, 555 East Washington Avenue
Bulletin Board, City Hall Plaza (next to Metro Records)

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.
3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.
4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.
5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.
6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.
7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.
8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

BUSINESS ITEMS:

1. CALL TO ORDER
2. ANNOUNCEMENT: COMPLIANCE WITH OPEN MEETING LAW
3. ROLL CALL
4. APPROVAL OF THE FINAL MINUTES FOR THE PLANNING COMMISSION MEETING OF OCTOBER 21, 2010
5. Any Items from the Planning Commission, staff and/or the applicant wish to be stricken or held in abeyance to a future meeting may be brought forward and acted upon at this time.

CONSENT ITEMS:

CONSENT ITEMS ARE CONSIDERED ROUTINE BY THE PLANNING COMMISSION AND MAY BE ENACTED BY ONE MOTION. HOWEVER, ANY ITEM MAY BE DISCUSSED IF A COMMISSION MEMBER OR APPLICANT SO DESIRES.

ONE MOTION - ONE VOTE

THE FOLLOWING ARE ITEMS THAT MAY BE CONSIDERED IN ONE MOTION/ONE VOTE. THEY ARE CONSIDERED ROUTINE NON-PUBLIC AND PUBLIC HEARING ITEMS. ALL PUBLIC HEARINGS AND NON-PUBLIC HEARINGS WILL BE OPENED AT ONE TIME. ANY PERSON REPRESENTING AN APPLICATION OR A MEMBER OF THE PUBLIC OR A MEMBER OF THE PLANNING COMMISSION NOT IN AGREEMENT WITH THE CONDITIONS AND ALL STANDARD CONDITIONS FOR THE APPLICATION RECOMMENDED BY STAFF, SHOULD REQUEST TO HAVE THAT ITEM REMOVED FROM THIS PART OF THE AGENDA.

6. TMP-39472 - TENTATIVE MAP - VILLAGE 23A PARCEL L ANDALUSIA - APPLICANT/OWNER: THE

**Re: Summerlin Village 23A Parcel L- Andalusia
Justification Letter – Tentative Map**

To whom it may concern:

The Howard Hughes Corporation (THHC), an affiliate of General Growth Properties, Inc. (GGP), requests the resubmittal of the Tentative Map for Village 23A Parcel "L" – Andalusia. The original Tentative Map (TMP-11173) was approved by the City of Las Vegas on February 23, 2006 and has since expired. The layout of the new tentative map has been modified slightly from the original design. The total lot count has been reduced from 90 residential lots to 81 residential lots.

The recent slow-down in the real estate market has removed the impetus for project completion on its original aggressive schedule. It is expected that this work will continue and will be complete within approximately two (2) years.

Please feel free to contact me if you have any questions or concerns.

Cordially,

G. C. WALLACE, INC.

Josh Johnson, PE, LEED AP
Vice President

RE: Application ZON-39754
Assessors Parcel Number 140-31-802-001

Dear Mr. Gebeke:

In regard to this parcel, staff has determined that the existing General Plan designation and zoning classifications are inconsistent. In order to resolve this inconsistency and ensure that future development is compatible with existing development, staff is proposing to change the zoning classification of this site to C-V (Civic). Please call me at 229-6882 with any questions.

RE: RQR-18626 – REQUIRED REVIEW
CITY COUNCIL MEETING OF JUNE 6, 2007

Dear Mr. Bilanzich:

The City Council at a regular meeting held June 6, 2007 APPROVED the Required One Year Review of an approved Special Use Permit (SUP-2758) WHICH ALLOWED A 40-FOOT TALL, 14-FOOT X 48-FOOT OFF-PREMISE ADVERTISING (BILLBOARD) SIGN at 1110 South Rainbow Boulevard (APN 163-02-101-002), C-1 (Limited Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on June 7, 2007. This approval is subject to:

Planning & Development

1. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Advertising (Billboard) Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign is removed.
2. The Off-Premise Advertising (Billboard) Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.
3. The property owner shall keep the property properly maintained and graffiti-free at all times. Failure to perform required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.
4. If the existing off-premise sign is voluntarily demolished, this Special Use Permit shall be expunged and a new off-premise sign shall not be permitted in the same location unless a Special Use Permit is approved for the new structure by the City Council.
5. Bird deterrent devices shall be installed on the sign within 30 days of final approval by the City of Las Vegas.

RE: RQR-24404 – REQUIRED REVIEW
CITY COUNCIL MEETING OF NOVEMBER 21, 2007

Dear Mr. Fong:

The City Council at a regular meeting held November 21, 2007 APPROVED the Required One Year Review of an approved Special Use Permit (SUP-3061) WHICH ALLOWED A 40 FOOT TALL, 12-FOOT X 24-FOOT OFF-PREMISE ADVERTISING (BILLBOARD) SIGN at 1571 North Decatur Boulevard (APN 138-25-503-003), C-1 (Limited Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on November 21, 2007. This approval is subject to:

Planning & Development

1. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Advertising (Billboard) Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign is removed.
2. The Off-Premise Advertising (Billboard) Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.
3. The property owner shall keep the property properly maintained and graffiti-free at all times. Failure to perform required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.
4. If the existing off-premise sign is voluntarily demolished, this Special Use Permit shall be expunged and a new off-premise sign shall not be permitted in the same location unless a Special Use Permit is approved for the new structure by the City Council.

**RE: SUP-38242 - SPECIAL USE PERMIT
PLANNING COMMISSION MEETING OF JUNE 24, 2010**

Dear Mr. Habashi:

Your request for a Special Use Permit FOR A SECONDHAND DEALER USE (JEWELRY) WITHIN AN EXISTING 2,300 SQUARE-FOOT JEWELRY STORE at 1300 East Sahara Avenue (APN 162-02-410-095), C-1 (Limited Commercial) Zone, Ward 3 (Reese), was considered by the Planning Commission on June 24, 2010.

The Planning Commission voted to **APPROVE** your request, subject to the following:

Planning and Development

1. Conformance to the approved conditions for the Reclassification of Property and Plot Plan Review (Z-0078-71).
2. There shall be a review at a Planning Commission hearing 90 days after issuance of a business license for a secondhand dealer use.
3. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Secondhand Dealer use.
4. This approval shall be void two years from the date of final approval, unless a business license has been issued to conduct the activity. An Extension of Time may be filed for consideration by the City of Las Vegas.
5. All signage shall conform to Title 19 standards. Sign permits shall be obtained for all unpermitted signage within 30 days of final approval, or removed.

6. Pursuant to Title 19.14.140, the sign face of the existing freestanding pole sign shall be replaced with signage related to the on-premise use, or with a blank sign face, within 30 days of final approval. In addition, if the sign is not used to display signage relating to the on-premise use, the sign shall be deemed to be an abandoned sign, and shall be removed within one year of final approval.
7. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

This action by the Planning Commission is final. The notice of final action was filed with the City Clerk on June 25, 2010.

RE: APN: 162-01-801-022

Re: A. Master Sign Plan

To whom it may concern:

Architecture

Engineering

Planning

Interiors

Landscape

We are submitting a Master Sign Plan for review to complement the new façade upgrades and expansion to the existing GMC/Buick showroom, a new Chevrolet showroom and parts building, a new service writer's building and an addition to the service building. Fairway Chevrolet and Fairway GMC/Buick auto dealerships are located on an existing 17.01 acre site at 3100 and 3222 E. Sahara (APN 162-01-801-022). We feel this project will be a tremendous catalyst to help jumpstart the revitalization of the eastern end of Sahara in Las Vegas.

This project is part of the General Motors dealership improvement program and will be completed in phases so that the major operations of the dealerships can remain intact during construction.

Freestanding Signs: Currently there are (6) six freestanding signs along Sahara. The street frontage is 1056.77' and would allow (5) five signs under the current code, but these (6)six signs would be legally non-conforming since they are existing.

Directional Signs: There are (3) two directional signs. Two signs are existing along Sahara stating "Parts/Service" and "Entrance". These existing signs are legally non-conforming due to their size. There is (1) one other sign, with directions to different departments on site. This sign will be within the allowable standards.

Canopy Signs: There will be (8) seven canopy signs. The total sf of the canopy signs is within the allowable standards.

Wall Signs: There will be (14) wall signs. The area of the signs is within the allowable standards.

We feel this project meets and supports existing city regulations for Master Sign Plans. This development is being upgraded aesthetically to be compatible with other development in the area and it is generally consistent with Title 19 standards. We have made every attempt to follow City of Las Vegas Title 19. Please join us in our attempt to bring much-needed high caliber product to Las Vegas residents.

Respectfully Submitted,

Kristen G. Neuman, AIA

October 4, 2010

Ms. Margo Wheeler, Director
City of Las Vegas
Planning and Development Department
731 S. Fourth St.
Las Vegas, NV 89101

Re: APN: 138-15-310-048

Dear Ms. Wheeler:

This letter is submitted as justification for Special Use Permit and Variance applications for the above listed property located in the Las Vegas Technology Center at 7350 Prairie Falcon Road. The property was originally developed for a printing company but has more recently been divided into three spaces, one of which is currently occupied by an indoor amusement facility containing a go-kart track and related retail uses which by code are parking intensive and which, on August 19, 2009, received approval from the City Council to allow 176 parking spaces where 327 spaces are required. While there is nothing to indicate that that approval has caused any issues on the site, it does necessitate any new use in the remaining portions of the building to also apply for a parking variance because the parking calculation is based on the various uses within the total square footage of the building.

The applicant, Western Linen Services, is requesting approval to locate a commercial/industrial cleaning facility in the westerly 20,131 square feet of the overall 141,419 square foot building which is located in the virtual center of the tech park, with access to two streets, which makes the location ideal for a facility of this type. Per the Land Use Table in the Retail & Personal Services section of Chapter 19.04 a commercial laundry requires a Special Use Permit when located in the C-PB zone. In regard to the determinations for approval of a SUP, all work will be conducted within the facility with only a few pieces of equipment such as hot water and air tanks and an air compressor system located outside at the rear of the building and fully screened by a 8 foot high chain link fence with privacy slats, ensuring that this equipment cannot be seen from adjacent streets or properties. An existing block at the rear of the west edge of the building and running northerly to the rear driveway will block the view of the proposed chain link fence from traffic on Crimson Canyon Drive.

RECEIVED

OCT 04 2010

VAR-39804
SUP-39801

Based on the parking standard for this type of use a total of 41 spaces is required, not including spaces for delivery vehicles which will be located at the rear of the building. The applicant has indicated that a maximum of 50 employees will work at this facility with an average of 15 employees per shift. The applicant has further indicated that of the 15 employees per shift, a significant number of those use public transportation to get to and from work, further reducing the need for the required number of spaces. In regard to the determinations needed for approval of a Variance, this request is clearly not self-imposed as indicated in paragraph one above because the previous Variance has created a unique circumstance for the remainder of the building.

As the applicants representative on these applications I will be happy to provide any additional information you may require or respond to any questions you may have. Thank you for your consideration.

Respectfully,

Robert S Genzer
Genzer Consulting

RE: Providence Master Plan Community
Project Plan: Rear Yard Setback Waiver
POD: 116 – Arbor Ridge
Plan Date: Received September 13, 2010

Dear Steve:

The Providence Design Review Committee (DRC) is in receipt of your request to the reduce the rear yard setback to 3' for 75% for plan 1585 in the Arbor Ridge community

The DRC **approves** your request for the above referenced POD. Approval of this request will not have an adverse impact on the residents of the community. The private open space requirement is still being met be a combination of the side and rear yard. The model will also have an 18' driveway in a community that currently only has 5' driveways.

Unless specifically waived, all elements within Providence must comply with the terms and conditions of the Design Guidelines and other governing documents. The approval granted herein applies only to the specific items as noted above, and does not constitute an approval of every specific element of the submittal, nor does it constitute a waiver of Providence's rights to enforce compliance with the Design Guidelines and other governing documents. Should an element of the submittal not comply with the Design Guidelines or other governing documents, and is not specifically approved, Providence reserves all of its rights with respect to enforcement of the terms and conditions of such documents as to the non-conforming element. All non-conforming elements must be specifically noted and a specific waiver must be submitted with respect thereto.

If you have any questions, please do not hesitate to contact our office.

Sincerely,
Providence Design Review Committee

Calvin Champlin
Senior Vice President of Entitlements

VARIANCE JUSTIFICATION LETTER

October 4, 2010

Attn: Doug Rankin
Planning Manager
City of Las Vegas
731 S. First Street
Las Vegas, NV 89101

RE: Sun Devil Auto, Petition for Variance, APN 125-20-801-005

Doug,

We are petitioning for a variance to allow building encroachment in the required 10' side yard setback along our east property line at the vacated Juliano Rd.

The site plan is the same as approved on March 3, 2010 by the City Council and indicates the intended property boundary after the vacation of the Juliano Rd. ROW while including various regulatory and utility requirements. The City of Las Vegas development department was working under the assumption the boundary line would be moved east thirty feet (30') to include the vacated Juliano Rd. ROW thus not requiring a variance for the side yard setback. The vacated Juliano Rd. ROW will become part of the parcel to the east and therefore requires our project to request the side yard setback variance.

Our project is on an odd shaped parcel and the site plan is designed to accommodate the parking, ingress/egress, Las Vegas Valley Water District, site drainage, and Fire Dept. access requirements. The position of the building has not been modified from the previously approved site plan SDR-36953.

The Project has previously been approved for the following Waivers/Variations: Major Modification MOD-36955, Re-Zone ZON-36949, Site Development Review SDR-36953, Building Setback Variance VAR-37101, Parking Variance VAR-36954, and a Special Use Permit for a Repair Garage SUP-36950.

Re: Variance application for 305 Rosemary Lane

Dear Planning Department:

My client, Charles "Dee" Hopper, is applying for a variance at his residence to build a carport attached to his home at 305 Rosemary Lane (APN: 139-32-214-034). We are requesting a waiver for the side building setback to three feet where 15 feet is required.

Mr. Hopper would like to build a carport attached to the south side of his property that would match the existing roofline of the home and would extend to three feet of his neighbor to the south. The home is zoned R-E.

I was informed by the planning department that this carport would fall under the category of "Patio Cover" in the Las Vegas Municipal Code.

Section 19.08.040(4)(a) of the LVMC requires a patio cover to have a side yard setback of five feet in most residential areas, however in R-E it calls for a 15-foot setback.

The home is located in the Rancho Nevada Estates neighborhood, north of Alta between Rancho Drive and Valley View Boulevard. This neighborhood differs significantly from many R-E zoned areas. LVMC 19.02.040(A)(2) defines the purpose of R-E districts as "to provide for low density residential units located on large lots and conveying a rural environment."

This neighborhood is located near the center of the City of Las Vegas and does not convey a rural environment. It is a conventional neighborhood of primarily single-story ranch-style houses on lots of approximately 18,000 square feet or greater that was developed in the 1960s. The homes were built long before the R-E designation and requirements were imposed on the neighborhood.

COOPER LEVENSON APRIL NIEDELMAN & WAGENHEIM, P.A.

City of Las Vegas
Planning and Development
October 5, 2010
Page 2

Currently, more than 90 homes in the neighborhood have less than a 15-foot side yard setback from neighboring properties. In many instances, it is actually the home itself, rather than a garage, carport or accessory structure, that is built closer than 15 feet from its neighbor.

Allowing a carport to be built within three feet of the home's southern neighbor would not be incompatible with neighborhood. In fact, the property to the immediate south, which would be most affected by this carport, has a carport on its southern side that is less than 15 feet from the neighboring property and is at a height well above the home's roofline.

If Mr. Hopper were to build the carport, or a garage, with a six-foot separation from his home, LVMC 19.08.040(B) would allow him to build to a height of 35 feet and with a three-foot side yard setback. However, separating the carport from the home could be less aesthetically pleasing to the neighbors and less compatible with the community.

Because the addition of a carport three feet from the southern property line and with a roofline matching the home would be consistent with the other homes in the neighborhood, we ask your support in granting these variances.

Regards,

Trevor Hayes

**RE: Cell Facility for AT&T Mobility (APN 139-28-502-004) located at
1311 West Owens Avenue: SDR-38623**

Dear Mr. Frayer:

Planning and Development Department staff has reviewed the proposed plans to remove three (3) existing antennas at the 70-foot centerline and replace them with three (3) new antennas with the top of the antennas at 72 feet of an existing Wireless Communication Facility, Non-Stealth Design (Monopole) located at 1311 West Owens Avenue. The determination has been made that this request cannot be approved administratively.

A Special Use Permit application will be required prior to submittal of building permits. A copy of this letter must be included in the permit package.

If you have any questions, please contact me at (702) 229-6895.

RE: AT&T Mobility Project LSVG NVL070 MLK 1311 W. Owens
APN# 139-28-502-004 Special Use Permit

To Planning and Development:

AT&T Mobility is asking for the following to be reviewed by the City of Las Vegas Planning Department for AT&T project LSVG NVL070 MLK 1311 W. Owens. The site is an existing non-stealth monopole with three wireless providers already on the tower and AT&T believes that the impact of its proposed modification to change out its existing array for upgraded technology to expand its wireless network to be minimal.

- What AT&T is seeking to complete is a modification upgrade to the cell site to allow for greater use and expanded technology. As you can see from the photo simulations and the plans, AT&T looks to replace three (3) existing Powerwave 7752 antennas at position 2 (one each sector) with three (3) new Powerwave 7755 antennas is to be located in the same place as the existing antennas on the tower. AT&T is also looking to move the existing antenna at position four (4) to position three (3); but retain the existing antenna. Finally, AT&T is also requesting antenna change outs on antennas at positions one (1) and four (4) from Powerwave 7752 to new Kathrein 800-10766 K antennas. The only difference is all the new antennas are no more than two (2') feet longer than the existing antennas. The top of the existing antennas are at 70' and AT&T is asking to increase that height with the new antenna array to 72'. The tower itself is not being proposed to increase in tower height; just the antennas.
- AT&T cannot lower the bottom of the antennas to bring the top of the new antenna in line with the existing antennas because of the existing Sprint antennas below AT&T's radar center. It would cause interference and virtually overlap Sprint's and AT&T's antennas.
- There are no changes to the operating equipment located in the shelter and the minor changes to the antennas will not be noticed by the general public. The new antenna will match the existing ones (as stated on the plans), as to fade into the background as the existing equipment does.

702-460-8926 Office 6 Sunset Way Suite B108 702-614-4650 Fax Henderson, Nevada 89014

SUP-39709

RECEIVED
at&t
SEP 24 2010

For this project:

- It encourages co-location by staying on the existing tower.
- No residential use exists on the property.
- This existing tower is designed to be co-locatable and currently houses two additional telecommunication providers besides AT&T on the property.
- There is no tower lighting or signals currently on the monopole.
- All ground level equipment is screened by an existing block wall.
- The property is zoned commercial.

AT&T believes that this modification will not be detrimental to the surrounding area. It is in an area away from the general public; generally going unnoticed by the public at large and necessary for the increased operations of AT&T's telecommunications facility coverage necessities. This is but one carrier on the existing tower that houses three (3) carriers.

Please let me know if the City of Las Vegas has any questions or comments for AT&T's project LSVGNVL070 MLK.

Thanks,
Jason Frayer

Jostification letter

07/23/2010

Planning and Development Dept. city of Las Vegas

To whom it may concern,

I have recently signed a lease agreement from 06/30/2010 to 06/30/2020 with KIMCO REALTY to lease the old china restaurant at 3175 N. Rainbow (parcel no. 13815502003),
PKI CHEYENNE COMMONS LLC

I am applying for a beer and wine use permit for my new restaurant, Bangkok 9.

I am leasing the space "as is" and plan to open the new restaurant without any construction/ development changes.

The attached site and floor plans are therefore consistent with the old china king plans and do not show any changes for Bangkok 9.

My contact information is given below, and I thank you in advance for your attention in this matter.

Re: Use Permit to allow sale of Off-sale Accessory Packaged Liquor

Please be advised that this firm represents Allstar Minimart located at 2339 North Jones Blvd. The convenience store is within the northernmost unit of a commercial center located at the southeast corner of Jones Blvd at Smoke Ranch Road. The property is currently zoned C-1 which allows the sale of accessory packaged liquor with a use permit. This will require a Use Permit per 19.04 Retail and Personal Services (*see Retail Establishment with Accessory Package Liquor off-sale.*)

The area designated for the packaged liquor is approximately 15 square feet in area and is located behind the payment counter. As such, only employees of the store can access the packaged liquor products.

Title 19 stipulates a 400 foot separation between this use and protected uses as measured from the nearest points of each property line. The subject parcel is approximately 105 feet from a property line of a parcel that leases to a religious institution. The religious institution is within a strip mall located at 6010 Smoke Ranch Road. The code allows for a waiver in situations where a 100 foot street separates the parcel lines. Being that Smoke Ranch Road is a 100 foot right-of-way, we request a waiver of separation requirements.

Please call me at (702) 384-5563 if you have additional concerns.

Very truly yours,

Lora Dreja

RECEIVED
OCT 0 5 2010

JUSTIFICATION LETTER

AMENDMENT to SUP-36436 & SDR-36434

Project: TREASURES GENTLEMEN'S CLUB

Location: 2805 Westwood Drive
Las Vegas, Nv. 89109

APN: #16208604001, #16209102004

Owner: D 2801 Westwood, Inc.

Treasures is an existing Gentlemen's Club located at 2805 Westwood drive immediately east of I-15 freeway and south of Sahara Blvd. There is currently an approved SUP-36435 and SDR-36434 for a two story addition to the existing building.

The proposed amendment to the current SUP and SDR is for the addition of a third floor roof deck and lounge space above the approved two story addition. The proposed third floor addition will add 2,748 sf of lounge area with 3,695 sf of roof top deck area, and miscellaneous adjustments at the first and second floor to facilitate the new third floor.

The total area will be as follows:

Total first floor addition	7,365
Total second floor addition	5,325
Total third floor addition	<u>2,748</u>
Total bldg addition floor area	15,438
Total roof deck addition	<u>3,695</u>
Total Addition area	19,133
Existing Building area	<u>25,417</u>
Total combined building area	44,550

A property line adjustment in the previously approved SUP / SDR remains unchanged. This adjustment has been submitted to CLV Public Works and is awaiting approval and recordation. A vehicle "drop-off" lane has been added to facilitate a required fire lane and allow ease of on site vehicle flow. Required parking has increased to 179 spaces, however the provided 203 spaces still exceeds that requirement.

All Building "set back" requirements, landscaping conditions, access locations, and conditions for approval for the previously approved SUP / SDR remain in effect and unchanged.

RE: *Application for Special Use Permit and Waivers of the Distance to Residential; Distance to Financial Institution, Specified; and the Condition on Hours of Operation*

To Whom It May Concern:

I am writing on behalf of Moneytree, Inc., in support of the application for a special use permit for the addition of auto title loan use to an existing Moneytree location at 2950 West Sahara Avenue (APN #: 162-05-816-006). Moneytree also seeks waivers of the separation requirement from residential use and another financial institution, specified, as well as the hours of operation condition.

This location is zoned C-1, Limited Commercial. The addition of the auto title loan use would not adversely affect surrounding properties, as this store is surrounded by commercial uses and is located along the major commercial corridor of Sahara Avenue. Although the commercial center lot containing the Moneytree site touches a parcel with residential use, requiring a waiver of the 200-foot distance separation requirement to allow a 90-foot distance separation, the Moneytree is buffered by other commercial buildings and parking, as well as a street that separates the residential and commercial uses. Moreover, although the Moneytree may be more than 1,000 feet away from another auto title loan; auto pawn; or financial institution, specified, use when measured building to building, a waiver of the distance separation to allow 900-

OCT 6 2010
SUP-39821

feet distance between such uses when 1,000 feet is required when measured property line to property line.

As the auto title loan use is also consistent with the current financial institution, specified, operations that exist at the location, there would be no variable impact by addition of auto title loans. Thus, Moneytree will continue to maintain its standard of operations, and the design, traffic generation, lighting, and noise at this location will remain the same. Moreover, the addition of the proposed use would not contribute in any adverse way to traffic, fire safety, or citizen safety.

Moneytree has been in business at this location since October 2002 and currently operates from 7:00 a.m. to 11:00 p.m., Monday through Saturday, and 9:00 a.m. to 9:00 p.m. on Sunday. In order to maintain its current operational standards, Moneytree respectfully requests a waiver of the condition that the auto title loan use be limited to the hours of 8:00 a.m. to 11:00 p.m.

Moneytree is an established company with operations throughout southern Nevada that are aesthetically discreet and that maintain a low impact on neighboring properties. The company is an excellent corporate citizen that has contributed to local charitable organizations. Moneytree has also worked with the Nevada State Legislature during past sessions to enact regulations that prohibit predatory lending practices.

In this current economy, banks have often been unwilling to extend short-term loans. An auto-title loan allows customers seeking such financing the opportunity to obtain immediate, necessary funds while allowing the use of their vehicle to continue. Moneytree is looking to offer auto-title loans so that customers have the option of utilizing a variety of short-term loan that is most convenient to them.

Because Moneytree is an existing establishment that is compatible with the surrounding area and the addition of the auto title use is consistent with current operations at this location, the company respectfully requests a special use permit to add auto title loan use with waivers of the distance to residential; distance to another auto title loan, auto pawn, or financial institution, specified, use; and the hours of operation condition.

Please call me if you have any questions or need additional information.

Sincerely,

Jennifer Roberts

Re: Justification Letter for Landscape Improvements around Perimeter Landscape Buffer at Rancho Alta Mira

Dear Sir:

Rancho Alta-Mira home owners association (HOA) is located in the City of Las Vegas bordering Craig road on the South, Lone Mountain Road on the North, Jones Boulevard on the West, and Decatur Boulevard on the East. This community sits on approximately 330 acres and houses 1,353 single family residences. The community was built in 1990 and completed in 1996.

Rancho Alta-Mira HOA has a landscape buffer zone surrounding the community on all streetscapes. The existing plant material consists of large pine trees, large shrubs, accents, groundcover, decorative rock mulch, boulders, and an automatic irrigation system.

The reason for this letter is to justify replacing all (190) existing pine trees in the perimeter landscape buffer area that are overgrowing into the perimeter walls and sidewalks causing damage. There are approximately 90 areas documented where damage to the walls and sidewalk have occurred. It is our intent to repair the damaged walls and sidewalks and to remove and dispose of all the pine trees in (3) phases and to replace them with 24-inch box trees that potentially have a smaller root system, and are slower growing, to protect the walls and sidewalks from further damage, enhancing the visual aesthetic and providing shade.

As required by title 19.12 the residential perimeter landscape buffer shall have a 24-inch minimum box tree and shall be placed at one per 30 linear feet with (4) 5-gallon shrubs per tree. The total tree and shrub count per the requirement is (418) trees and (1,672) shrubs, an increase of the existing trees and shrubs on-site to (228) 24-inch box trees and (561) 5-gallon shrubs. This increase of trees and shrubs would more than double the cost of the project, increase the cost of maintenance, and triple the water consumption and bill resulting in a approximately 8% increase in homeowner's dues. Therefore Rancho Alta-Mira HOA is requesting an exception for the required number of trees (418) and (561) shrubs based on the title 19 requirement and to only replace the (190) existing pine trees.

For the reasons listed above we are requesting approval for these landscape improvements.

Keman Clute RLA #804

C.C. Chris Jaramillo

C.C. Kristen Remhoff

Z-0037-93, Condition #5, "Install 24 inch box trees with shrubs and ground cover in the landscape planter along Decatur Boulevard as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged."

Z-0066-94, Condition #2, "Install 24 inch box evergreen trees 30 feet on center with shrubs and ground cover in the 13 foot wide landscape planter along Camino Del Oro as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged."

Z-0068-94, Condition #2, "Install 24 inch box trees 30 feet on center with shrubs and ground cover in the landscaped planters outside the walls along Camino Del Oro and Orono Lane as required by the Department of Community Planning and Development. The use of drought tolerant landscaping is encouraged."

RECEIVED
OCT 05 2010
SDR-39810

Pursuant to Title 19.12 (B) (1), the residential perimeter landscape buffer shall have a 24-inch minimum box trees and shall be placed at one per 30 linear feet. The tree placement conditions are pursuant to Title 19 landscaping standards. The Required Trees shown above indicates 418 required trees per Title 19 landscaping standards for the landscape buffers at the locations shown above. During the site visit conducted by staff has noted 190 trees currently exists within the perimeter landscaping buffer. The proposed landscaping plan is a change in the tree material to replace the same number of the existing trees.
