November 18, 2010

6:00 PM

ALL ITEMS ON THIS AGENDA ARE SCHEDULED FOR ACTION UNLESS SPECIFICALLY NOTED OTHERWISE. UNLESS OTHERWISE STATED, ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Clerk's Bulletin Board, City Hall Plaza, 2nd Floor Skybridge
Clark County Government Center, 500 South Grand Central Parkway
Las Vegas Library, 833 Las Vegas Boulevard North
Grant Sawyer Building, 555 East Washington Avenue
Bulletin Board, City Hall Plaza (next to Metro Records)

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.

3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.

4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.

5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.

6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.

7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.

8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

BUSINESS ITEMS:

1. CALL TO ORDER

2. ANNOUNCEMENT: COMPLIANCE WITH OPEN MEETING LAW

3. ROLL CALL

4. APPROVAL OF THE FINAL MINUTES FOR THE PLANNING COMMISSION MEETING OF OCTOBER 21, 2010

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request to amend a portion of the Southeast Sector Plan of the General Plan from PF (Public Facilities) to C (Commercial) on six non-contiguous parcels located at the northwest corner of Las Vegas Boulevard and Gass Avenue, totaling 2.12 acres. The subject properties are home to the City of Las Vegas Development Services Center and five parking lots. As the City of Las Vegas no longer anticipates long-term civic uses on these sites, staff recommends approval. If these applications are denied, the General Plan designation would remain PF (Public Facilities) and remain inconsistent with the current C-2 (General Commercial) zoning designation.

ISSUES

- No changes to the existing sites are proposed with this request.

ANALYSIS

The subject sites are located within the same block in the Downtown Centennial Plan (Downtown South) Master Plan, Live/Work Overlay District, Las Vegas Boulevard Scenic Byway Overlay District and the Las Vegas Redevelopment Plan Area. Future projects within each master plan and overlay district will be subject to the standards and requirements of the master plan and overlay districts, as well as the existing and approved, but undeveloped Bike Trails. The proposed General Plan Amendment is appropriate, as the City of Las Vegas no longer anticipates long-term civic uses on the sites. The C (Commercial) General Plan designation allows for commercial uses that are normally allowed within the existing C-2 (General Commercial) zoning district; therefore, staff recommends approval. If these applications are denied, the General Plan designation would remain PF (Public Facilities) and remain inconsistent with the current C-2 (General Commercial) zoning designation.

FINDINGS (GPA-39334)

Section 19.18.030(I) of the Las Vegas Zoning Code requires that the following conditions be met in order to justify a General Plan Amendment:

1. **The density and intensity of the proposed General Plan Amendment is compatible with the existing adjacent land use designations,**

   The intensity of the proposed C (Commercial) General Plan designation is compatible with the existing adjacent C (Commercial) and MXU (Mixed Use) land use designations.

2. **The zoning designations allowed by the proposed amendment will be compatible with the existing adjacent land uses or zoning districts,**

   The proposed General Plan designation is compatible with the existing C-2 (General Commercial) zoning district. This district is compatible with the existing adjacent land uses and zoning districts

3. **There are adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed General Plan Amendment; and**

   The subject properties are located within an area of the City where all utilities, fire and police services are currently in place and available. Therefore, there are adequate facilities available to accommodate the uses and densities permitted by the proposed General Plan Amendment.

4. The proposed amendment conforms to other applicable adopted plans and policies that include approved neighborhood plans.

No applicable plans are affected by this request.

RE: Application GPA-39334
Assessor's Parcel Number 139-34-410-149 and 152 through 156

Dear Mr. Gebeke:

In regard to this parcel, staff has determined that the existing General Plan designation and zoning classifications are inconsistent with possible future development. In order to resolve this inconsistency and ensure that future development is compatible with existing development, staff is proposing to change the General Plan Designation of these sites to C (Commercial). Please call me at 229-6882 with any questions.

Planning and Development

1. Approval of the Tentative Map shall be for no more than four (4) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map with four (4) years of the approval of the Tentative Map, this action is void.

2. Street names must be provided in accordance with the City's Street Naming Regulations. Per the Las Vegas Fire & Rescue Department, Street names may not start with the word, "Via". Street names will have to be changed prior to the Final Map being recorded.

3. In conjunction with creation, declaration and recordation of the subject common-interest community, and prior to recordation of the Covenants, Codes and Restrictions ("CC&R"), or conveyance of any unit within the community, the Developer is required to record a Declaration of Private Maintenance Requirements ("DPMR") as a covenant on all associated properties, and on behalf of all current and future property owners. The DPMR is to include a listing of all privately owned and/or maintained infrastructure improvements, along with assignment of maintenance responsibility for each to the common interest community or the respective individual property owners, and is to provide a brief description of the required level of maintenance for privately maintained components. The DPMR must be reviewed and approved by the City of Las Vegas Department of Field Operations prior to recordation, and must include a statement that all properties within the community are subject to assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. Also, the CC&R are to include a statement of obligation of compliance with the DPMR. Following recordation, the Developer is to submit copies of the recorded DPMR and CC&R documents to the City of Las Vegas Department of Field Operations.

4. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

5. All Private streets must be granted as public utility easements (P.U.E.), City of Las Vegas Sewer Easements and Public Drainage Easements to be privately maintained by the Homeowners' Association on the Final Map for this site. Additionally, grant appropriate public easements across Common Lots A, H, and I.

6. The Final Map for this site shall be labeled as a "Merger and Resubdivision".

7. A Homeowner's Association shall be established to maintain all perimeter walls, private roadways, landscaping and common areas created with this development. All landscaping shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

8. The submitted drainage study shall be approved prior to the recordation of a Final Map for this site.

9. A minimum of two lanes of asphalt pavement on Paseo Breeze Drive and Fox Hill Drive adjacent to this site, and a working sanitary sewer connection shall be in place prior to final inspection of any units within this development. Full permanent improvements on Paseo Breeze Drive and Fox Hill Drive, including all required landscaped areas between the perimeter wall and adjacent public street, shall be constructed and accepted by the City prior to issuance of any building permits beyond 50% of all units within this development. All off-site improvements for Paseo Breeze Drive and Fox Hill Drive adjacent to this site, including all required landscaped areas between the perimeter walls and adjacent public streets, shall be constructed and accepted prior to issuance of building permits beyond 75%. The above thresholds notwithstanding, all required improvements shall be constructed within 24 months of approval of construction drawings unless otherwise allowed by the Department of Public Works.

10. The Special Improvement District section of the Department of Public Works must be contacted (229-2136) prior to the recordation of a Final Map or the issuance of any building permits, whichever may occur first. An apportionment report will be prepared following recordation of the Final Map to recalculate and/or redistribute all assessments of record on this site.

11. The design and layout of all onsite private circulation and access drives shall meet the approval of the Department of Fire Services prior to the issuance of any permits.

12. Site development to comply with all applicable conditions of approval for Summerlin Village 23A, CRG-2243 and all other applicable site-related actions.

13. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Tentative Map for an 81-lot single family residential subdivision on 26.9 acres, at the southeast corner of Alta Drive and Fox Hill Drive. As this request conforms to Title 18 and Summerlin Development Standards, staff recommends approval, with conditions.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
03/14/02	The Planning Commission approved a Tentative Map (TMP-0006-02) for a 20-lot subdivision on the southeast corner of Alta Drive and Fox Hill Drive. Staff recommended approval.
04/30/03	The City Referral Group Administratively approved a Community, Village and Neighborhood Entry Monument.
03/25/04	The Planning & Development Department Administratively approved an Extension of Time (EOT-3886) for a previously approved Tentative Map (TMP-0006-02).
02/23/06	The Planning Commission approved a Tentative Map Request (TMP-11173) for a 90-lot single family subdivision on the southeast corner of Alta Drive and Fox Hill Drive. Staff recommended approval. Expired on 02/23/08.

Most Recent Change of Ownership	
12/18/87	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses
No building permits or business licenses are associated with this request.

Pre-Application Meeting	
08/18/10	A pre-application meeting was held where the submittal requirements for a Tentative Map were discussed with the following items: • Tentative Map Submittal checklist to be submitted with application; • Access to site will be off Fox Hill Drive; • Perimeter screen wall height is less than 6 feet.

Neighborhood Meeting
A neighborhood meeting is not required for this application, nor was one held.

Field Check	
10/15/10	Staff inspected the property and found an undeveloped vacant lot with naturally growing desert vegetation.

ANALYSIS

A previous 90-lot Tentative Map Plan (TMP-11173) was approved by the Planning Commission on February 23, 2006 but expired two years later. The applicant states that the economic conditions prevented this project from moving forward under the previous Tentative Map Plan and thus dictates the need for a new one. The proposed Tentative Map is for an 81-lot single family subdivision. The subject site is directly adjacent to undeveloped land on all sides with no Transportation or Recreation Trail alignments within or adjacent to the site. Cross sections show an 81- lot subdivision which does not exceed more than 2% grade.

The proposed street names will have to be reviewed and approved by Las Vegas Fire & Rescue prior to the Final Map being recorded. For safety purposes, streets may not begin with the word, "Via". The five proposed street names will have to be adjusted to meet this requirement.

FINDINGS

The proposed Tentative Map conforms to all requirements of Title 18 and the Summerlin Development Standards; therefore, staff is recommending approval, with conditions.

Re: Summerlin Village 23A Parcel L- Andalusia
Justification Letter – Tentative Map

To whom it may concern:

The Howard Hughes Corporation (THHC), an affiliate of General Growth Properties, Inc. (GGP), requests the resubmittal of the Tentative Map for Village 23A Parcel "L" – Andalusia. The original Tentative Map (TMP-11173) was approved by the City of Las Vegas on February 23, 2006 and has since expired. The layout of the new tentative map has been modified slightly from the original design. The total lot count has been reduced from 90 residential lots to 81 residential lots.

The recent slow-down in the real estate market has removed the impetus for project completion on its original aggressive schedule. It is expected that this work will continue and will be complete within approximately two (2) years.

Please feel free to contact me if you have any questions or concerns.

Cordially,

G. C. WALLACE, INC.

PROJECT DESCRIPTION

This is a request to rezone property at 4200 East Charleston Boulevard from R-1 (Single Family Residential) to C-V (Civic), containing 2.45 acres. Currently, a power sub-station is located on this lot. The lot is already designated for PF (Public Facilities) land uses by the General Plan. As the proposed zoning conforms to the General Plan and the existing use is compatible with the existing surrounding land uses, staff recommends approval. If denied, the lot will remain designated R-1 (Single Family Residential) and the zoning designation will remain inconsistent with the existing land use designation.

ISSUES

- The proposed zoning would allow for conformance with the existing General Plan land use designation for this lot.
- The existing use of the subject site as a power sub-station is a permissible use in the C-V (Civic) zoning district, and is consistent with the existing General Plan designations.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
04/24/63	The City Council approved a Rezoning (Z-0059-63) from R-R (Rural Residence) and R-2 (Two Family Residence) to R-1 (Single Family Residential) at the northwest corner of Lamb Boulevard and Charleston Boulevard. The Planning Commission and Staff recommended approval.
03/12/08	Code Enforcement opened a case (#63339) for temporary signage at 4200 East Charleston Boulevard. The case was resolved 03/20/08.

Most Recent Change of Ownership	
06/12/63	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses
No permits were found for this site.

Pre-Application Meeting	
09/30/10	The requirements for a rezoning application were reviewed with the applicant. No issues were identified.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

ANALYSIS

If approved, this request would rezone the subject site from R-1 (Single Family Residential) to C-V (Civic). Such action would conform to the existing PF (Public Facility) General Plan land use designation on this lot. The C-V (Civic) zoning district is intended to provide for existing public and quasi-public uses and for the development of new schools, libraries, public parks, public flood control facilities, police, fire, and other public utility facilities. Rezoning of this lot is appropriate, as the proposed C-V (Civic) zoning district is consistent with the existing PF (Public Facilities) General Plan designation, the existing power sub-station use is a permissible use in the C-V (Civic) zoning district, and the zoning is compatible with the surrounding adjacent land uses. Staff therefore recommends approval.

FINDINGS (ZON-39754)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. **The proposal conforms to the General Plan.**

   The site is designated PF (Public Facilities) on the Southeast Sector Land Use Plan Map of the General Plan. The proposed C-V (Civic) Zoning designation is in conformance with the existing General Plan designation.

2. **The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.**

   The potential uses allowed in the proposed C-V (Civic) district are appropriate for the area, which is developed with predominantly single-family residential uses.

3. **Growth and development factors in the community indicate the need for or appropriateness of the rezoning.**

   The subject site has a land use designation of PF (Public Facilities). Rezoning of the subject site will allow conformance with the existing land use designation of the subject site.

4. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.**

   Access to this site is provided from Charleston Boulevard, a fully improved 100-foot wide right-of-way and is capable of meeting the access requirements of the property.

RE: Application ZON-39754
Assessors Parcel Number 140-31-802-001

Dear Mr. Gebeke:

In regard to this parcel, staff has determined that the existing General Plan designation and zoning classifications are inconsistent. In order to resolve this inconsistency and ensure that future development is compatible with existing development, staff is proposing to change the zoning classification of this site to C-V (Civic). Please call me at 229-6882 with any questions.

PROJECT DESCRIPTION

This is a request to rezone property at 1301 Michael Way from R-E (Residence Estates) to C-V (Civic), containing 1.35 acres. Currently, an Electric Utility Sub-Station is located on this lot. The lot is already designated for PF (Public Facilities) land uses by the General Plan. As the proposed zoning conforms to the General Plan and the existing use is compatible with the existing surrounding land uses, staff recommends approval. If denied, the lot will remain designated R-E (Residence Estates) and the zoning designation will remain inconsistent with the existing land use designation.

ISSUES

- The proposed zoning would allow for conformance with the existing General Plan land use designation for this lot.
- The existing use of the subject site as an Electric Utility Sub-Station is a permissible use in the C-V (Civic) zoning district, and is consistent with the existing General Plan designations. No changes to the site are proposed at this time.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
07/19/72	The City Council approved an Annexation (A-0001-72) of 10 acres on the southwest corner of Vegas Drive and Michael Way. The Planning Commission and Staff recommended approval.

ANALYSIS

If approved, this request would rezone the subject site from R-E (Residence Estates) to C-V (Civic). Such action would conform to the existing PF (Public Facility) General Plan land use designation on this lot. The C-V (Civic) zoning district is intended to provide for existing public and quasi-public uses and for the development of new schools, libraries, public parks, public flood control facilities, police, fire, and other public utility facilities. Rezoning of this lot is appropriate, as the proposed C-V (Civic) zoning district is consistent with the existing PF (Public Facilities) General Plan designation, the existing Electric Utility Substation use is a permissible use in the C-V (Civic) zoning district, and the zoning is compatible with the surrounding adjacent land uses. Staff therefore recommends approval.

YK

FINDINGS (ZON-37854)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. **The proposal conforms to the General Plan.**

   The site is designated PF (Public Facilities) on the Southeast Sector Land Use Plan Map of the General Plan. The proposed C-V (Civic) Zoning designation is in conformance with the existing General Plan designation.

2. **The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.**

   The potential uses allowed in the proposed C-V (Civic) district are appropriate for the area, which is developed with predominantly single-family residential uses.

3. **Growth and development factors in the community indicate the need for or appropriateness of the rezoning.**

   The subject site has a land use designation of PF (Public Facilities). Rezoning of the subject site will allow conformance with the existing land use designation of the subject site.

4. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.**

   Access to this site is provided from Michael Way, a fully improved 80-foot wide right-of-way and is capable of meeting the access requirements of the property.

PROJECT DESCRIPTION

This is a request to rezone property at 232 Shadow Lane from R-1 (Single Family Residential) to C-V (Civic), containing 1.55 acres. Currently, a NV Energy Electric Utility Substation use is located on this lot. The lot is already designated for PF (Public Facilities) land uses by the General Plan. As the proposed zoning conforms to the General Plan and the existing use is compatible with the existing surrounding land uses, staff recommends approval. If denied, the lot will remain designated R-1 (Single Family Residential) and the zoning designation will remain inconsistent with the existing land use designation.

ISSUES

- The proposed zoning would allow for conformance with the existing General Plan land use designation for this lot.
- The existing use of the subject site as an Electric Utility Substation is a permissible use in the C-V (Civic) zoning district, and is consistent with the existing General Plan designations. No changes to the site are proposed at this time.

ANALYSIS

If approved, this request would rezone the subject site from R-1 (Single Family Residential) to C-V (Civic). Such action would conform to the existing PF (Public Facility) General Plan land use designation on this lot. The C-V (Civic) zoning district is intended to provide for existing public and quasi-public uses and for the development of new schools, libraries, public parks, public flood control facilities, police, fire, and other public utility facilities. Rezoning of this lot is appropriate, as the proposed C-V (Civic) zoning district is consistent with the existing PF (Public Facilities) General Plan designation, the Electric Utility Substation use is a permissible use in the C-V (Civic) zoning district, and the zoning is compatible with the surrounding adjacent land uses. Staff therefore recommends approval.

FINDINGS (ZON-37854)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. **The proposal conforms to the General Plan.**

   The site is designated PF (Public Facilities) on the Southeast Sector Land Use Plan Map of the General Plan. The proposed C-V (Civic) Zoning designation is in conformance with the existing General Plan designation.

2. **The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.**

   The potential uses allowed in the proposed C-V (Civic) district are appropriate for the area, which is developed with predominantly single-family residential uses.

3. **Growth and development factors in the community indicate the need for or appropriateness of the rezoning.**

   The subject site has a land use designation of PF (Public Facilities). Rezoning of the subject site will allow conformance with the existing land use designation of the subject site.

4. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.**

   Access to this site is provided from Shadow Lane, a fully improved 60-foot wide right-of-way and is capable of meeting the access requirements of the property.

1. This Special Use Permit (SUP-2758) shall be reviewed in three (3) years, at which time the City Council may require the Off-Premise Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Sign be removed.

2. The Off-Premise Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Sign.

3. The property owner shall keep the property properly maintained and graffiti-free at all times. Failure to perform required maintenance may result in fines and/or removal of the Off-Premise Sign.

4. If the existing Off-Premise Sign is voluntarily demolished, this Special Use Permit (SUP-2857) shall be expunged and a new Off-Premise Sign shall not be permitted in the same location unless a Special Use Permit is approved for the new structure.

5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Required Review of an approved Special Use Permit (SUP-2758), which allowed a 40-foot high, 14-foot x 48-foot Off-Premise Sign at 1110 South Rainbow Boulevard. The sign is in conformance with all previous conditions of approval, has been permitted and received a final inspection, and the surrounding area has not changed in character since the previous review. Staff recommends approval of this review, subject to conditions, with a required review in three years. If denied, the Off-Premise Sign would be required to be removed.

BACKGROUND INFORMATION

ANALYSIS

This is the third required review for an Off-Premise Sign located at 1110 South Rainbow Boulevard. The sign is in compliance with the original conditions of approval as required by Special Use Permit (SUP-2758) that was approved by the City Council on October 1, 2003.

The Off-Premise Sign was originally addressed at 1110 South Rainbow Boulevard from the Special Use Permit (SUP-2758) and all subsequent required reviews. A building permit (03025821) was issued for the 40-foot tall, 14-foot by 48-foot Off-Premise Sign with the address of 6785 West Charleston Boulevard, but no final inspection was obtained. A building permit (174818) was issued on 10/25/10 for the 40-foot tall, 14-foot by 48-foot Off-Premise Sign and finaled on 10/27/10. The subject Off-Premise Sign shall have the permanent address as 6785 West Charleston Boulevard for all future reviews.

The continued use of the Off-Premise Sign on the subject site is appropriate, in that the vicinity has not changed in land use or character since the last required review and the continuation of the use will be in compliance with the original conditions of approval. In the event that the conditions of the surrounding area change in land use or character such that the Off-Premise Sign no longer meets the required standards, then 19.14.100 allows for the removal of a noncompliant Off-Premise Sign.

FINDINGS

A site inspection was conducted on October 15, 2010, and photos were taken of the Off-Premise Sign. The inspection revealed the sign is in good physical condition and free of graffiti. Staff recommends approval of this review, with conditions. This Off-Premise Sign use will be subject to review in three years.

RE: RQR-18626 – REQUIRED REVIEW
CITY COUNCIL MEETING OF JUNE 6, 2007

Dear Mr. Bilanzich:

The City Council at a regular meeting held June 6, 2007 APPROVED the Required One Year Review of an approved Special Use Permit (SUP-2758) WHICH ALLOWED A 40-FOOT TALL, 14-FOOT X 48-FOOT OFF-PREMISE ADVERTISING (BILLBOARD) SIGN at 1110 South Rainbow Boulevard (APN 163-02-101-002), C-1 (Limited Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on June 7, 2007. This approval is subject to:

Planning & Development

1. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Advertising (Billboard) Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign is removed.

2. The Off-Premise Advertising (Billboard) Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.

3. The property owner shall keep the property properly maintained and graffiti-free at all times. Failure to perform required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.

4. If the existing off-premise sign is voluntarily demolished, this Special Use Permit shall be expunged and a new off-premise sign shall not be permitted in the same location unless a Special Use Permit is approved for the new structure by the City Council.

5. Bird deterrent devices shall be installed on the sign within 30 days of final approval by the City of Las Vegas.

RQR-39371

6. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

7. There shall be no video or digital display.

PROJECT DESCRIPTION

This application is a Required Review of an Approved Special Use Permit (SUP-3061) which allowed a 40-foot high, 12-foot x 24-foot Off-Premise Sign at 1571 North Decatur Boulevard. The sign is in conformance with all previous conditions of approval, has been permitted and received a final inspection, and the surrounding area has not changed in character since the previous review. Staff recommends approval of this review, subject to conditions, with a required review in three years. If denied, the Off-Premise Sign would be required to be removed.

ANALYSIS

This is the third required review for an Off-Premise Sign located at 1571 North Decatur Boulevard. The sign is in compliance with the original conditions of approval as required by Special Use Permit (SUP-3061) that was approved by the City Council on December 3, 2003. The Off-Premise Sign meets the minimum 300-foot distance separation requirement from another Off-Premise Sign and residentially zoned properties. The Off-Premise Sign is located in the A-O (Airport Overlay) District and meets the height restriction of 105 feet. The Off-Premise Sign is also located in the Las Vegas Redevelopment Plan Area; the existing sign does not impact the Las Vegas Redevelopment Plan Area. There is an existing on street bike lane located along the northern property line, the existing sign does not impact the on street bike lane.

The continued use of the Off-Premise Sign on the subject site is appropriate, in that the vicinity has not changed in land use or character since the last required review and the continuation of the use will be in compliance with the original conditions of approval. In the event that the conditions of the surrounding area change in land use or character such that the Off-Premise Sign no longer meets the required standards, then 19.14.100 allows for the removal of a noncompliant Off-Premise Sign.

FINDINGS

A site inspection was conducted on October 15, 2010, and photos were taken of the Off-Premise Sign. The inspection revealed the sign is in good physical condition and free of graffiti. Staff recommends approval of this review, with conditions. This Off-Premise Sign use will be subject to review in three years.

RE: RQR-24404 – REQUIRED REVIEW
CITY COUNCIL MEETING OF NOVEMBER 21, 2007

Dear Mr. Fong:

The City Council at a regular meeting held November 21, 2007 APPROVED the Required One Year Review of an approved Special Use Permit (SUP-3061) WHICH ALLOWED A 40 FOOT TALL, 12-FOOT X 24-FOOT OFF-PREMISE ADVERTISING (BILLBOARD) SIGN at 1571 North Decatur Boulevard (APN 138-25-503-003), C-1 (Limited Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on November 21, 2007. This approval is subject to:

Planning & Development

1. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Advertising (Billboard) Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign is removed.

2. The Off-Premise Advertising (Billboard) Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.

3. The property owner shall keep the property properly maintained and graffiti-free at all times. Failure to perform required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.

4. If the existing off-premise sign is voluntarily demolished, this Special Use Permit shall be expunged and a new off-premise sign shall not be permitted in the same location unless a Special Use Permit is approved for the new structure by the City Council.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a Required Review of a previously approved Special Use Permit (SUP-38242) for a Secondhand Dealer use located within an existing 2,300 square-foot Jewelry Store at 1300 East Sahara Avenue. The Special Use Permit was approved by the Planning Commission with a condition for a 90 day review. Staff recommends approval with conditions, as the Secondhand Dealer use meets all conditions of approval of the Special Use Permit and requirements pursuant to Title 19.

ISSUES

- Approval of a final inspection of sign permits is required by condition within 30 days of final approval.

ANALYSIS

A business license for a Secondhand Dealer use has been issued at 1300 East Sahara Avenue. A site visit by staff noted that the property conforms to all minimum requirements under Title 19.04.010 for a Secondhand Dealer use. The landscaping buffer between Sahara Avenue and the sidewalk has four new trees planted within it. The existing freestanding pole sign contains signage related to the on-premise use. The applicant has applied for a building permit (#167033) for the unpermitted signs, but a recent final inspection for the wall signage was failed by Building and Safety Department on October 28, 2010. As the applicant is working with staff to address the noted deficiencies, a condition of approval has been added to require approval of a final inspection within 30 days of final approval. Staff recommends approval with conditions, as the Secondhand Dealer use meets all conditions of approval of SUP-38242 and Title 19 requirements and has been shown to be compatible with surrounding land uses.

RE: SUP-38242 - SPECIAL USE PERMIT
PLANNING COMMISSION MEETING OF JUNE 24, 2010

Dear Mr. Habashi:

Your request for a Special Use Permit FOR A SECONDHAND DEALER USE (JEWELRY) WITHIN AN EXISTING 2,300 SQUARE-FOOT JEWELRY STORE at 1300 East Sahara Avenue (APN 162-02-410-095), C-1 (Limited Commercial) Zone, Ward 3 (Reese), was considered by the Planning Commission on June 24, 2010.

The Planning Commission voted to ***APPROVE*** your request, subject to the following:

Planning and Development

1. Conformance to the approved conditions for the Reclassification of Property and Plot Plan Review (Z-0078-71).

2. There shall be a review at a Planning Commission hearing 90 days after issuance of a business license for a secondhand dealer use.

3. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Secondhand Dealer use.

4. This approval shall be void two years from the date of final approval, unless a business license has been issued to conduct the activity. An Extension of Time may be filed for consideration by the City of Las Vegas.

5. All signage shall conform to Title 19 standards. Sign permits shall be obtained for all unpermitted signage within 30 days of final approval, or removed.

RECEIVED
SEP 13 2010
RQR-39575

6. Pursuant to Title 19.14.140, the sign face of the existing freestanding pole sign shall be replaced with signage related to the on-premise use, or with a blank sign face, within 30 days of final approval. In addition, if the sign is not used to display signage relating to the on-premise use, the sign shall be deemed to be an abandoned sign, and shall be removed within one year of final approval.

7. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

This action by the Planning Commission is final. The notice of final action was filed with the City Clerk on ***June 25, 2010***.

Sincerely,

Steve Gebeke

Staff Report Page One
November 18, 2010 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

The subject site, which is located at 3100 and 3222 East Sahara Avenue, contains an existing Motor Vehicles Sales (New) establishment. In August 2010, modifications were approved for the development that will require new signage and replacement or relocation of existing signage. Current as well as new signage will be included within a master sign plan. As the existing nonconforming signage is compatible with surrounding development and the proposed signage is in compliance with Title 19.14 sign standards, staff recommends approval with conditions. If denied, approval of a new master sign plan would be necessary to allow any new signage on the site, as the master sign plan was required as a condition of approval of SDR-38855.

ISSUES

- Title 19.14 requires commercial developments of greater than 15 acres in size to have an approved master sign plan in place prior to installation of on-premise signage.
- In addition to the Title 19.14 requirement, Site Development Plan Review (SDR-38855) requires approval of a Master Sign Plan prior to the issuance of any sign permits for any additional signage in the development.
- Several of the existing signs included in the master sign plan are nonconforming and will be allowed to continue in use pursuant to Title 19.14.160.

Pre-Application Meeting	
09/24/10	A pre-application meeting was held with the applicant, where submittal requirements for a Master Sign Plan application were discussed. Other major issues discussed included the following: • Several existing signs on the site are believed to be legally nonconforming. • The applicant was concerned that signage proposed for a canopy would not meet Title 19 area standards. The applicant was informed that a variance would be required for signs not in compliance with Title 19. • Existing signage that is not listed on the sign plan will be removed at the time of site construction. • Changes to signage after approval of the Master Sign Plan will require a minor review.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

Field Check	
10/15/10	A field check was conducted, where the following items were noted: • The Motor Vehicle Sales (New) establishment is under renovation. • There are six existing on-premise freestanding signs along Sahara Avenue, in addition to directional, wall and canopy signage on the interior. • There are numerous signs posted on streetlights along Sahara Avenue, as well as pennants and banners.

ANALYSIS

Title 19.14.130 requires approval of a master sign plan for any nonresidential project on a site larger than 15 acres prior to installation of any on-premise signage. The most recent Site Development Plan Review (SDR-38855) approval also required the master sign plan pursuant to Title 19.14.

Two of the existing freestanding signs located along Sahara Avenue are taller than what is currently allowed by Code. At the time of their construction, Las Vegas Municipal Code did not specify a height restriction for on-premise signs in the C-2 (General Commercial) District. As nonconforming signs, they are allowed to continue in use pursuant to Title 19.14.160. In particular, sign copy may be changed as long as the change does not increase the area of the sign face. The applicant indicates that no changes will be made to any of the six existing freestanding signs. Additionally, Sign "F" slightly encroaches into the required five-foot setback as shown on the site plan. The governing code at the time of construction allowed sign encroachment up to the property line and into the right-of-way, provided that signs remain at least three feet from the street curb. Two Variances (V-0023-71 and V-0071-72) also allowed more signs along the Sahara Avenue street frontage than code allowed. The current zoning code allows the current spacing of the existing freestanding signs along Sahara Avenue.

The two existing directional signs are nonconforming with respect to height and sign area. Sign "D" is about nine percent taller than currently allowed by Code, and the height of Sign "H" deviates by about 30 percent. Sign "H" is also 225 percent larger than currently allowed. These signs are still useful for directing traffic and do not pose any harm to the public good.

All proposed signs are in full compliance with Title 19.14.060(F) sign standards for the C-2 (General Commercial) zoning district.

No sign submitted in the proposed master sign plan is subject to the Residential Protection Standards in Title 19.14.070. Property zoned for single-family residential use is 340 feet from the nearest sign on the subject property.

Numerous other signs currently exist on the property. Those not listed in the proposed master sign plan will be removed at the time of construction. This includes signage currently on structures proposed to be removed or replaced.

The proposed master sign plan is compatible with the scale and arrangement of buildings on the site. The signage does not interfere with site circulation, parking or loading requirements. For these reasons, staff recommends approval of the master sign plan with conditions. Any future amendments to the approved signage within the Master Sign Plan in conformance with Title 19 standards may be reviewed and approved administratively by the Planning and Development Department. All new signage proposed must be in conformance with Title 19.14 standards; otherwise, a variance is required.

RE: APN: 162-01-801-022
Re: A. Master Sign Plan

To whom it may concern:

We are submitting a Master Sign Plan for review to complement the new façade upgrades and expansion to the existing GMC/Buick showroom, a new Chevrolet showroom and parts building, a new service writer's building and an addition to the service building. Fairway Chevrolet and Fairway GMC/Buick auto dealerships are located on an existing 17.01 acre site at 3100 and 3222 E. Sahara (APN 162-01-801-022). We feel this project will be a tremendous catalyst to help jumpstart the revitalization of the eastern end of Sahara in Las Vegas.

Architecture
Engineering
Planning
Interiors
Landscape

This project is part of the General Motors dealership improvement program and will be completed in phases so that the major operations of the dealerships can remain intact during construction.

Freestanding Signs: Currently there are (6) six freestanding signs along Sahara. The street frontage is 1056.77' and would allow (5) five signs under the current code, but these (6)six signs would be legally non-conforming since they are existing.

Directional Signs: There are (3) two directional signs. Two signs are existing along Sahara stating "Parts/Service" and "Entrance". These existing signs are legally non-conforming due to their size. There is (1) one other sign, with directions to different departments on site. This sign will be within the allowable standards.

Canopy Signs: There will be (8) seven canopy signs. The total sf of the canopy signs is within the allowable standards.

Wall Signs: There will be (14) wall signs. The area of the signs is within the allowable standards.

We feel this project meets and supports existing city regulations for Master Sign Plans. This development is being upgraded aesthetically to be compatible with other development in the area and it is generally consistent with Title 19 standards. We have made every attempt to follow City of Las Vegas Title 19. Please join us in our attempt to bring much-needed high caliber product to Las Vegas residents.

Respectfully Submitted,

Kristen G. Neuman

Planning and Development

1. Approval of a General Plan Amendment (GPA-38579) and Rezoning (ZON-38580); and approval of and conformance to the Conditions of Approval for Variance (VAR-38576) and Site Development Plan Review (SDR-38577) shall be required.

2. Special Use Permit SUP-37892 shall be expunged.

3. This approval shall be void two years from the date of final approval, unless a business license has been issued to conduct the activity. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

5. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

6. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

SDR-38577 CONDITIONS

Planning and Development

1. Approval of a General Plan Amendment (GPA-38579) and Rezoning (ZON-38580); and approval of and conformance to the Conditions of Approval for Variance (VAR-38576) and Special Use Permit (SUP-38574) shall be required.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site plan and landscape plan, date stamped 10/28/10 and building elevations, date stamped 10/18/10, except as amended by conditions herein.

4. A Waiver from Title 19.12.040(A) is hereby approved to allow a three-foot landscape buffer along the south property line where 15 feet is required and a zero-foot landscape buffer along the east and west property lines where eight feet is required.

5. A Waiver from Title 19.08.040(F) is hereby approved to allow a zero-foot landscape buffer between back of curb and sidewalk along Cheyenne Avenue where a minimum of five feet is required along arterial streets.

6. An Exception from Title 19.08.040(B) is hereby approved, to allow six trees along portions of the west and east property lines where eight additional trees are required.

7. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

8. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

9. The applicant shall file a "Notice of Proposed Construction or Alteration" with the Federal Aviation Administration or submit to the Director of the Clark County Department of Aviation a "Property Owner's Shielding Determination Statement" and request written concurrence from the Clark County Department of Aviation prior to issuance of a building permit.

10. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 10/28/10. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

11. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. The technical landscape plan shall include the following changes from the conceptual landscape plan: All required perimeter buffer trees shall be 24-inch box size and shall include four (4) five-gallon shrubs per required tree.

12. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

13. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

14. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

15. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

16. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

17. Prior to the submittal of a building permit application, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.

18. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

19. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site.

20. Prior to the issuance of any building permits, abandon the existing septic tank system per Southern Nevada Health District regulations and connect to the public sewer line in Cheyenne Avenue. Alternatively, provide a letter from the Southern Nevada Health District stating that the existing septic tank is acceptable.

21. The location of the crash gate and ADA gate are acceptable as shown as long as no part of the gates, either in the opened or closed position, intrude into the public right of way and it meets all requirements of the Fire Department.

22. Obtain an Occupancy Permit from the Nevada Department of Transportation for all landscaping and private improvements in the Cheyenne Avenue public right-of-way adjacent to this site.

23. Meet with the Traffic Engineering Representative for assistance in the possible redesign of the proposed driveway access, on site circulation and parking lot layout prior to the submittal of any construction plans or the issuance of any permits, whichever may occur first. The driveway accessing this site from Cheyenne Avenue shall also receive written approval from the Nevada Department of Transportation.

24. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing finished floor elevations and drainage paths for this site prior to submittal of construction plans, the issuance of any building or grading permits, or the submittal of a map for this site, whichever may occur first. Provide and improve all drainage ways as recommended.

** STAFF REPORT **

PROJECT DESCRIPTION

The site at 6640 West Cheyenne Avenue consists of a 0.90-acre parcel containing an existing 3,508 square-foot single-family residential dwelling. There are two existing shade canopies with existing parking spaces in the rear yard. The rear yard also contains an unpermitted 1,200 square-foot masonry building, a storage container, and some stored vehicles. The applicant obtained approval for a 10-bed group residential care facility (now termed Community Residence by Title 19) on the site, in which some additional landscaping was required. The Special Use Permit (SUP-37892) for the group residential care facility shall be expunged if the current proposal is approved and exercised. The previous request to increase the scope of the project by turning it into a Convalescent Care Facility/Nursing Home was tabled by the Planning Commission at the applicant's request.

The applicant has submitted a revised site plan that is somewhat scaled back from the previous proposal. The plan shows one additional single-story building (11,240 square feet) on the northern portion of the site that would add 21 additional beds. The garage of the existing residence will also be converted into living space as a part of this request. Because a Convalescent Care Facility is a commercial use, land use and zoning classifications must be changed from residential to commercial. The proposed change in land use is appropriate, as it is situated on a primary arterial street that mainly contains commercial uses to the east and west. Staff therefore recommends approval of the General Plan Amendment and Rezoning requests. As proposed, the site is overbuilt, which triggers the need for landscape waivers and a residential adjacency variance. Therefore, staff recommends denial of the associated Variance, Special Use Permit and Site Development Plan Review. If the applications are denied, the site will remain residentially designated with an approved 10-bed Community Residence use.

ISSUES

- A Special Use Permit for a proposed 31-bed, 15,114 square-foot Convalescent Care Facility in the C-1 (Limited Commercial) zoning district is required for approval of a Site Development Plan Review. Title 19.04 requires a Special Use Permit for this use in the C-1 (Limited Commercial) Zoning District. There are no minimum use conditions.
- A General Plan Amendment is required to amend the Centennial Hills Sector Plan of the General Plan from a land use designation of DR (Desert Rural Density Residential) to SC (Service Commercial) to allow the appropriate commercial zoning districts on the site. If denied, the site will remain residentially designated.
- A Rezoning is required from R-E (Residence Estates) to C-1 (Limited Commercial) to allow the Convalescent Care/Nursing Home use on the site.

- A Variance to allow a 10-foot side yard setback where residential adjacency standards require a 30-foot setback from the east property line is required for approval of the Site Development Plan Review.
- Waivers of perimeter landscape buffer requirements are required to allow a three-foot buffer along the south perimeter where 15 feet is required and zero-foot buffers along a portion of the east and west perimeters where eight feet is required.
- A Waiver is required to allow a zero-foot buffer where a five-foot landscape buffer between back of curb and sidewalk along Cheyenne Avenue is required.
- If the proposed Special Use Permit for a Convalescent Care Facility/Nursing Home use on this site is approved and exercised, the previous Special Use Permit approval for a Group Residential Care Facility will be expunged.
- The applicant is required to file documentation notifying the Federal Aviation Administration of the project. This requirement is noted as a condition of approval of the Site Development Plan Review.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
04/03/74	A three-lot Parcel Map that included the subject lot was recorded on property generally located at the northwest corner of Cheyenne Avenue and Garehime Avenue (Street).
07/14/94	The Planning Commission approved the Annexation (A-0013-94) of approximately 1.05 gross acres located at 6640 West Cheyenne Avenue. Staff recommended approval. The annexation became effective 10/14/94.
07/21/10	The City Council approved a request for a Special Use Permit (SUP-37892) for a 3,508 square-foot Group Residential Care Facility (10 senior citizens) within an existing residence with a Waiver to allow a 1,481-foot distance separation from another Group Residential Care Facility where 1,500 feet is the minimum required at 6640 West Cheyenne Avenue. The Planning Commission and staff recommended approval. The approval is subject to a one-year administrative required review following issuance of a business license for the use.
07/29/10	The Planning Commission accepted the applicant's request to abey a General Plan Amendment request (GPA-38579) to amend the land use designation of this site from DR (Desert Rural Density Residential) to SC (Service Commercial) and a request for a Rezoning (ZON-38580) from R-E (Residence Estates) to C-1 (Limited Commercial) on this site to the 08/26/10 Planning Commission meeting.
08/26/10	The Planning Commission accepted the applicant's request to table GPA-38579 and ZON-38580, and requests for a Variance (VAR-38576) to deviate from residential adjacency standards, a Special Use Permit (SUP-38574) for a proposed 47-bed, 17,777 square-foot Convalescent Care Facility/Nursing Home and a Site Development Plan Review (SDR-38577) for a proposed two-story, 17,777 square-foot Convalescent Care Facility/Nursing Home and a Waiver of the perimeter buffer standards to allow four feet along the south perimeter where 15 feet is required, zero feet along a portion of the west and east perimeters where eight feet is required and zero feet between the sidewalk and back of curb where five feet is required adjacent to arterial streets on 0.90 acres at 6640 West Cheyenne Avenue. Staff had recommended denial of VAR-38576, SUP-38574 and SDR-38577 and approval of GPA-38579 and ZON-38580.

Most Recent Change of Ownership	
04/14/10	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
c. 1977	The subject residence was constructed.
02/04/97	A building permit (#97002442) was issued to reroof the main dwelling unit at 6640 West Cheyenne Avenue. A final inspection was completed 02/11/97.
01/22/98	A business license (C11-03277) was issued for an excavating contractor at 6640 West Cheyenne Avenue in conjunction with a home occupation permit (HO-0107-98). The license is still active.

Pre-Application Meeting	
06/09/10	A pre-application meeting was held with the applicant, where submittal requirements for General Plan Amendment, Rezoning, Variance, Special Use Permit and Site Development Plan Review applications were discussed. The following items were also discussed: • The existing site has two driveways from Cheyenne Avenue. The applicant met with NDOT, which required the west driveway to be gated. • Variances of Residential Adjacency standards are required for building setback, proximity slope setback and trash enclosure setback, unless the plans are revised to meet Title 19 requirements. • Waivers of perimeter landscape standards are required to allow less than 15 feet of buffer width along Cheyenne and zero buffer width along the east and west property lines. • Exceptions of landscape requirements for tree spacing and parking lot landscaping will be required. • Business licensing requirements were discussed, including licensing for additional activities to take place within the proposed convalescent facility.
10/13/10	At the applicant's request, the applicant met with staff to discuss submittal of revised plans showing only single-story buildings. The applicant was advised to hold an additional neighborhood meeting to discuss the changes.

Neighborhood Meeting	
07/14/10	A neighborhood meeting was held at 3300 North Buffalo Drive. Four members of the public, two city staff members and four members representing the applicant were in attendance. The following concerns were voiced regarding the proposed project: • The proposed structure is too close to the property lines. • The two-story height of the structure will eliminate the privacy of the residential properties that abut the subject site, and residents of the care center will be looking into the adjoining back yards. • The proposed use will change the residential character of the neighborhood and decrease property values by introducing a commercial use adjacent to residential properties. • Landscape buffers will not be adequate to screen the proposed structure from the abutting residential properties. • A couple of the attendees were of the opinion that a restricted office use would be an appropriate commercial use of the property, provided any structures would be limited to one story in height and located adjacent to Cheyenne Avenue; the remainder felt that the residential land use should be maintained. • Residents expressed frustration with repeated attempts in the area by developers to rezone residential properties for commercial uses.

Field Check	
07/22/10	A field check was conducted on the subject site. The following items were noted: • The site contains a well maintained single family residence. • A large storage container in the rear yard was visible from the public right-of-way. • A recreational vehicle and dump truck were being stored on the site.

ANALYSIS

The project site is located on a primary arterial street in a predominantly low density, single-family neighborhood. This lot is adjacent to a convenience store to the west; all other neighboring lots have single-family residential uses, including a lot to the west within the jurisdiction of Clark County. The adjacent lot to the east contains a single-family dwelling and also has frontage along Cheyenne Avenue. Lots along the south side of Cheyenne Avenue are exclusively single-family residential in this area. However, there is a precedent for rezoning residential property for commercial uses along the north side of Cheyenne Avenue. Commercial uses that could be allowed on this site would be compatible with the existing commercial and residential uses in this area. Staff therefore recommends approval of the General Plan Amendment and Rezoning requests.

The subject site is located within the North Las Vegas Airport Overlay District. The ultimate height of the proposed buildings will be well below the 140-foot height restriction in this area; however, the Clark County Department of Aviation has noted that the proposed development will exceed a slope of 100:1 for a distance of 20,000 feet from the nearest point of any airport runway. As a result, the applicant is required to file documentation notifying the Federal Aviation Administration of the project. This requirement is noted as a condition of approval of this Site Development Plan Review request.

The site receives access from a 28-foot driveway from Cheyenne Avenue. A crash gate is proposed on the west driveway to comply with Nevada Department of Transportation requirements. Circulation around the site is adequate and will allow for emergency vehicle access to all buildings. However, in order to accommodate the path of circulation, a portion of the east and west perimeter landscape buffers have been eliminated, requiring waivers of Title 19.12. Additionally, a waiver is required to allow a zero-foot buffer between the sidewalk and back of curb where five feet containing drought-tolerant plant materials is required. Staff cannot support these waivers because they reflect overbuilding of the site and adequate justification has not been shown for their approval. While additional trees along the north perimeter and the northern portion of the east and west perimeters have been provided to make up for the lack of trees adjacent to commercial and residential properties, an exception is necessary to allow this configuration.

Sufficient parking is provided to meet Title 19 requirements for the use, given a maximum of seven employees on the largest shift. It is noted that four spaces are eight-foot wide compact spaces.

The revised site plan shows a proposed single-story, 11,240 square-foot building (Building 1) to be located at the rear of the property. This configuration improves upon the previous plan, which showed a two-story building on the east side of the site, and a one-story building with a partial second story on the west side. All other existing structures except the existing residence will be removed to allow for the new building. The overall floor area has decreased slightly to 15,114 square feet, a 15% decrease. While the proximity slope setback requirement has been eliminated because of the reduction in height, residential adjacency standards still require Building 1 to be set back at least 30 feet from the neighboring residential property line. As the proposed site remains overbuilt relative to the size of the property, staff recommends denial of the associated Variance, Special Use Permit and Site Development Plan Review requests. If these requests are denied, the site will retain its entitlement for a Community Residence on a single-family residential lot. If approved and exercised, the existing Special Use Permit approval will be expunged.

The submitted elevations show that the existing residence (Building 2) will be altered to create dormers at each window along the south elevation, as well as to convert the existing garage to living space. Most of the façade will consist of stucco, with masonry reserved for accents. Building 1 will have a similar appearance to Building 2, but will not contain the dormers. Building 2 will contain 10 residential rooms and approximately 375 square feet of common area. Building 1 will contain 21 residential rooms and 970 square feet of common area. This facility is also proposed to contain a nurse station, kitchen, salon, office, physical therapy room, storage room, two dining rooms and space for meeting rooms or recreation.

FINDINGS (GPA-38579)

Section 19.18.030(I) of the Las Vegas Zoning Code requires that the following conditions be met in order to justify a General Plan Amendment:

1. **The density and intensity of the proposed General Plan Amendment is compatible with the existing adjacent land use designations,**

   The intensity of the proposed amendment to an SC (Service Commercial) land use designation is compatible with existing Service Commercial property to the west. Some mitigation of negative effects may be necessary from adjacent residentially designated properties.

2. **The zoning designations allowed by the proposed amendment will be compatible with the existing adjacent land uses or zoning districts,**

   The proposed amendment to SC (Service Commercial) would allow zoning districts that permit new and converted offices, neighborhood services and light retail and other

commercial uses. These uses will be compatible with the existing commercial and residential uses on adjacent properties.

3. **There are adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed General Plan Amendment; and**

The subject property is located within an area of the City where all utilities, fire and police services are currently in place and available. Cheyenne Avenue, a 100-foot wide Primary Arterial street, provides adequate access to any proposed commercial use. Thus, there are adequate facilities available to accommodate the uses and densities permitted by the proposed General Plan Amendment.

4. **The proposed amendment conforms to other applicable adopted plans and policies that include approved neighborhood plans.**

   There are no special area plans that include this site or neighboring parcels.

FINDINGS (ZON-38580)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. **The proposal conforms to the General Plan.**

   With approval of an associated request proposing to amend the General Plan on this site from DR (Desert Rural Density Residential) to SC (Service Commercial), the request to rezone from R-E (Residence Estates) to C-1 (Limited Commercial) would conform to the General Plan.

2. **The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.**

   The wide range of commercial uses that would be allowed on this site will be compatible with the surrounding land uses and zoning districts, which include a C-1 (Limited Commercial) property to the west and O (Office) to the east.

3. **Growth and development factors in the community indicate the need for or appropriateness of the rezoning.**

   There is precedence for rezoning existing residential properties for commercial use along the north side of Cheyenne Avenue; rezoning of the subject property will not result in leapfrog development.

4. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.**

   Cheyenne Avenue, a 100-foot Primary Arterial street, provides access to the property. This street provides adequate capacity to meet the needs of development on the subject parcel.

FINDINGS (VAR-38576)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by proposing to overbuild the site. An alternative design would allow conformance to the Title 19 requirements. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of Variances.

FINDINGS (SUP-38574)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Convalescent Care Facility cannot be conducted in a manner that is harmonious and compatible with the adjacent low density residential uses, unless it is reduced in size.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   At 0.90 acre, the site cannot accommodate the size of the buildings proposed without approval of applicable landscape waivers and a variance of residential adjacency standards. The land use type may be appropriate if the project were designed for fewer residents.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   Cheyenne Avenue, a 100-foot Primary Arterial street, provides access to the property. This street provides adequate capacity to meet the needs of development on the subject parcel.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   The proposed Convalescent Care Facility will be subject to building and licensing inspection and will not compromise the public health, safety and welfare.

5. **The use meets all of the applicable conditions per Title 19.04.**

   There are no minimum Special Use Permit requirements for a Convalescent Care Facility/Nursing Home use located within a commercial zoning district.

FINDINGS (SDR-38577)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed 15,114 square-foot Convalescent Care Facility is not adequately buffered from protected residential uses and its scale of development is out of character with existing development in the area.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The proposed Convalescent Care Facility requires a variance from residential adjacency setback requirements and waivers from perimeter landscape buffer requirements.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   Site access is provided by one driveway from Cheyenne Avenue, a 100-foot Primary Arterial. A second driveway access is provided for emergency vehicles and is proposed to be gated. The circulation designed for the site is adequate and should not impede neighborhood traffic.

4. **Building and landscape materials are appropriate for the area and for the City;**

   Buildings contain stucco exteriors and masonry accents with concrete tile roofs, typical of other residential, office and retail buildings in this area. Landscape materials cover a variety of drought-tolerant species and are appropriate for the area.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The building elevations are suitable for the use and create an orderly and pleasing environment that is harmonious and compatible with adjacent single-family residential development.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed project will be subject to licensing and building inspections and maintenance, thereby securing the public health, safety and general welfare.

To Whom It May Concern:

We are applying for a General Plan Amendment from DR (Desert Rural Density Residential) to SC (Service Commercial) and rezoning from R-E (Residence Estates) to C-1 (Limited Commercial) for a proposed single story Convalescent Care Facility/Nursing Home, per Title 19, located at 6640 W. Cheyenne Avenue, Las Vegas, NV 89108. The home will be called Ohana (Family) Care Manor and will house 31adults and will employ approximately 23 staff members. More specifically: 1 Activity Director, 2 Cooks, 1 Pantry Helpers, 1 Kitchen Helper, 1 Dishwasher, 1 Registered Dietician (can be contracted), 10 Caregivers, 1 Medication Technician, 1 Maintenance Person, 1 Laundry, 1 Transportation, 1 Administrator, and 1 Office Clerk. It will have the ability to accommodate 31 adults and be open 24 hours a day, 7 days a week. The ages of the senior citizens will start from 55 years and older only. This facility will only be used as a care center for seniors. The care facility will be professionally managed by a licensed administrator, who has been my consultant, and is currently managing a facility with over 100 beds, and manages it magnificently. Our philosophy is to hire the best qualified people in all phases of our employment. Our number 1 goal is to earn the greatest reputation for care, quality and service.

We request a waiver of 3 feet where 15 feet is the minimum landscape buffer zone depth adjacent to the right of way along Cheyenne Avenue. We also request a waiver for 0 feet where 5 feet is required. We feel that this request is warranted as there are businesses along Cheyenne Avenue that are currently not meeting the minimum requirements and have had City approval as they are existing businesses in operation and we request the same consideration. More specifically, 2 doors to the East of our location at the Beauty Salon, next door at the Day Spa, and the Church and Veteran's building at Sisk and Cheyenne. We will meet the City's requirements for our landscaping. We are proposing to plant various types of trees and shrubs which will provide much shade and screen barriers for beautification. We have 17 parking spaces, including 1 handicap spaces available. This meets the requirements for 1 space per 6 beds (31÷6=6). We also have 7 spaces for our 7 employees on the largest shift. We also have 3 spaces available for medical professionals. This totals 16 spaces which meets the requirement.

We are also requesting a waiver for a portion of the East/West perimeter of zero feet where 8 feet is required. There are two areas of the property that we are requesting this for as we propose our edge of driveways to be 24" from this area of the property line. On the East property line coming North from back of sidewalk on Cheyenne approximately 60' is the starting point, continuing 60' to the North. The West property line from back of sidewalk at Cheyenne coming North approximately 50' is the starting point and continuing North approximately 50' to the North. So we are requesting these two areas to be 2' from property line to the edge of driveway instead of the 8' requirement.

We request to leave the existing 24" tall block wall and brick pillars. We will have to make adjustments to this area to accommodate the 30' driveway coming in from Cheyenne Avenue as the two existing brick pillars may need to be moved to the East a few feet to accommodate a new commercial driveway.

According to the April 2nd, 2010 issue of the Las Vegas Sun, it states that Nevada is due for an influx of seniors. Experts say the state is unprepared because of limited resources. The U.S. Census Bureau projects that the fastest growing segment of Nevada's population over the next 10 years will be senior citizens, and the prospect has policy makers on edge. In 2008, although Nevada's population grew 1.4 percent that year, the Census Bureau estimated that the number of residents age 65 and older increased by 3.9 percent. In short, this article addresses the immediate and upcoming urgent need for adult care facilities such as the one we are proposing. See attached article.

We feel that given the location of our proposed facility on Cheyenne Avenue, that it will impact the community in a positive manner. There will be none or a minimal increase in traffic to the area. Street elevations will be vastly improved and add to the value and attractiveness of the neighborhood. The landscaping will be such that it will be very attractive and enhance the surrounding neighborhood. We will plant above and beyond the amount of trees and shrubs required by city specifications. There will be meandering pathways for walking, sitting, visiting and lush vegetation, some of which will be small palm trees and asparagus ferns. This landscaping will be similar to what you would see at the Mirage Resort where various species of plants enhance a Polynesian atmosphere. We will install within the courtyard area a pond, water feature, misting systems and areas for meditation. Some of the amenities this facility will include are pets, koi ponds, garden areas, walking paths, beauty salon, group exercise and shuttle service. This facility will be as energy efficient as practical using professional guidance for energy benefits. The manor will also provide employment opportunities at a time when so many in the work force are being let go or laid off. This will help at a time when employment is at an all time low and will provide our economy with a boost in moral and encouragement. This will certainly help our current economy with added jobs. JOBS!!

The surrounding properties consist of a Chevron Gas Station, the 2 properties to the East are owned by one family and we have enclosed a letter that concurs with our proposal. See attached letter.

Please consider our request as there will come a time that our parents, grandparents and even ourselves will need some assistance as we become senior citizens.

Thank you in advance for your consideration of this project.

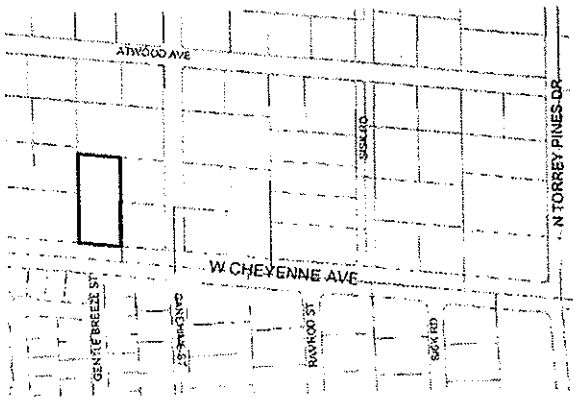
What are These dishonest applicants TRICKS now ??
They are playing with minutia of zoning, whereas a 2 story facility (1) is too large for the lot shown. (2) is architecturally incongruent with surroundings 3) abuts an all-night gas station - not quiet/peaceful

Application Location



The proposed project may not pertain to the entire highlighted project site.

I oppose any application that deals with changing R-E to C-1. Businesses do not belong in residential estates zoned areas!

PROJECT DESCRIPTION

This is a request for a Special Use Permit for a Pawn Shop within a portion of an existing building with waivers to allow a zero-foot distance separation from residentially zoned property and a Financial Institution, Specified where 200 feet and 1000 feet, respectively, are required at 8400 West Cheyenne Avenue. The proposed Pawn Shop use will occupy 9,650 square feet of the building space with a 2,900 square-foot outdoor patio. Staff is recommending denial of this request because the proposed use cannot be conducted in a manner that is compatible with the surrounding land uses, as is evidenced by the requested waivers of distance separation requirements. If this request is denied, the Pawn Shop use will not be allowed to operate at this location.

ANALYSIS

This is a request for a Special Use Permit for a Pawn Shop use within a portion of an existing 21,733 square-foot building in the Northshore Plaza Shopping Center, which is a parking impaired site. The Site Plan indicates 623 parking spaces are required, whereas only 600 parking spaces are provided, as depicted in approved civil plans for this commercial center. The Shopping Center parking requirement is one space per 250 square feet, regardless of the use.

The minimum Special Use Permit requirements for the proposed use are a 200-foot distance separation from adjacent residential property and a 1,000-foot distance separation from a Financial Institution, Specified use. The applicant has requested waivers of these requirements. Due to the waiver requests, the proposed use is not compatible with this commercial center and the surrounding area; therefore, staff recommends denial of this request.

FINDINGS

The following findings must be made for a Special Use Permit:

1. **"The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan."**

   The proposed Pawn Shop use cannot be conducted in a manner that is harmonious and compatible with the existing site due to the waiver requests to allow a zero-foot distance separation from residential property and a Financial Institution, Specified use.

2. **"The subject site is physically suitable for the type and intensity of land use proposed."**

   The proposed use is located directly adjacent to a residential property and a Financial Institution Specified use is located within the same shopping center. The subject site does not meet the minimum standards set forth in Title 19.04 for a Pawn Shop within a C-1 (Limited Commercial) zoned property. The subject site is not physically suitable for the intensity of the proposed land use, due to the need for waivers of Title 19.04 standards.

3. **"Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use."**

   Site access is provided from Cheyenne Avenue and Durango Drive. These streets are adequate in size to accommodate the proposed Pawn Shop use.

4. **"Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan."**

   Approval of the proposed Special Use Permit will not be inconsistent with or compromise the public health, safety and general welfare as the use will be subject to regular inspections for business licensing.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed Pawn Shop use does not comply with the minimum Special Use Permit requirements. The proposed use will be located within 200 feet of a parcel used or zoned for residential use. In addition, the use will be located within 1,000 feet of a Financial Institution, Specified use. A waiver has been requested from these requirements.

Re: ***Request to Place SUP-37362***
Cash America – 8400 West Cheyenne Avenue

Dear Mr. Rankin:

We respectfully request that SUP-37362 be placed on a City of Las Vegas Planning Commission agenda. This item was tabled at the March 25, 2010 Planning Commission hearing. We are enclosing a check in the amount of $500.00 to cover re-notification fees. At this time, we have no changes to the plans that are currently on file with the City of Las Vegas.

It is our understanding that this item will be placed on the October 21, 2010 agenda for the Planning Commission.

If you need any additional information, please do not hesitate to contact me.

Re: Second Revised Justification Letter – Special Use Permit to Allow for a Pawn Shop & Waiver of Separation Requirements
8400 W. Cheyenne (APN: 138-09-420-005)

To Whom It May Concern:

Please be advised this office represents Cash America/SuperPawn (the "Applicant"). The Applicant is seeking a special use permit for a pawn shop in the above referenced location (the "Site"). The Site is zoned C-1. Pawn shops are allowed in a C-1 zone with the approval of a special use permit. Additionally, the Applicant is seeking a waiver for: (i) the 200 foot distance requirement to a residential use and (ii) the 1000 foot distance requirement from any other payday use.

The Applicant is a well established and highly regarded pawn shop operator throughout the Las Vegas valley. The Applicant is proposing to locate in an existing building, formerly occupied by a Sears Hardware Store. The building is approximately 9,650 square feet with an additional 2,900 square foot existing outdoor storage area. The existing building is part of a large commercial center with an Albertson's, Blockbuster, and CVS.

The Applicant is requesting a use permit to allow for a pawn shop. Accessory uses such as jewelry sales, payday loans/cash checking services and second hand sales will be included. Since the Applicant is proposing to locate in an existing building, waivers of the distance requirements are necessary. The property line of the existing building abuts an apartment complex. However, the actual distance is approximately 120 feet measured from the rear existing building to the closest apartment unit. The existing building and the apartment units are separated by drive aisles for both the shopping center and the apartment complex. The entrance into SuperPawn would be about 260 feet from the nearest apartment unit. Additionally, the Applicant is seeking a waiver from the required distance to another payday loan use. Similar to the residential separation, the property line from the existing building to the payday loan use abut each other. However, the actual distance between the proposed SuperPawn and the existing payday loan use is about 170 feet. There are no existing pawn shops within the required distance separation.

03/25/10 PC

SuperPawn would be an appropriate business in the vacant building. The hours of operation would be 9:00 a.m. to 7:00 p.m. Therefore, the limited hours of operation would not be detrimental to the residential use and would be compatible with the existing shopping center's hours of operation.

Thank you, in advance, for your consideration of this request. If you need any additional information, please do not hesitate to contact me.

This is not a business that is needed in the neighborhood. There are others near the area for use by anyone who needs them. The residential neighborhood needs to be kept as it is. Residential area should remain as it is w/o the waiver.

I object strongly to this zoning change which will bring a criminal element and trashy people to our neighborhood and will certainly lower property values which are already very low. We already have a pawn shop in close proximity at Cheyenne and Rainbow and don't need another one.

We have Section 8 individuals living in Desert Shores begging for money in the Albertsons parking lot already, our property values have taken a dramatic free fall and now you are requesting to place a Pawn Shop in our back door. This request does not comply with City ordinance. Please, council members, deny this request and stop further degradation of our neighborhood.

If you wish to file your protest or support on this request, check the appropriate box below and return this card in an envelope with postage to the Planning & Development Department at the address listed above or fax this side of this card to (702) 385-7268. Our house value is already down 65%. Allowing this permit and subsequent Pawn Shop would make our home nearly worthless due to the perception of increased crime associated with these establishments.

Planning Commission Meeting of 10/21/2010

I oppose this request. These zoning laws exist for a reason. Why have such laws on the books if they arent going to be enforced. There is already a Super Pawn location 2.3 miles directly east of this location. I hope the council will take the interests of residents into consideration and uphold the integrity of our neighborhood.

** STAFF REPORT **

PROJECT DESCRIPTION

The applicant is proposing to locate a 50,600 square-foot Cleaners, Commercial/Industrial business in the westerly portion of a 141,419 square-foot building in the Las Vegas Technology Center at 7350 Prairie Falcon Road. The use is permitted in the center with an approved Special Use Permit. This proposal also requires a Variance for parking to allow zero spaces where 44 additional spaces are needed. Evidence has been provided that the site can accommodate the proposed use, and will not negatively impact the existing uses on site or in the surrounding area. Therefore, staff recommends approval, with conditions. If denied, the business would not be permitted to operate at this location.

ISSUES

- A Cleaners, Commercial/Industrial Use is permitted in a C-PB (Planned Business Park) with the approval of a Special Use Permit.
- A Variance is required for reduced parking to allow no additional spaces where 44 are required.

ANALYSIS

The site contains a 141,419 square-foot building, 45,098 square feet for a Commercial Recreation/Amusement (Indoor) Facility and the remaining 96,321 square feet utilized for warehouse space. A previously approved Variance (VAR-34603) was required to allow 176 parking spaces where 331 were required at the time that the recreational facility was established. Upon further review, it has been determined that the previous variance is inconsistent with current site conditions, and that 188 parking spaces are available on site, as verified by staff during a site visit. In addition, handicap parking required for the site was incorrectly added to the overall total required. Therefore, the change in use for 50,600 square feet of warehouse to commercial cleaners results in a net increase in required parking by 44 spaces.

The previous Variance approval was based on the use of the facility as a Commercial Recreation Facility (Indoor), with a parking requirement of one space per 200 square feet of gross floor area. The majority of the floor area is race track, with limited access. A submitted parking demand analysis for a similar 32,771 race track located in Murrieta, California indicated a peak parking demand of 44 spaces, well below the 64 spaces required for that location.

In addition, the applicant states that no more than 15 employees will be present on any shift and that many of them are expected to utilize public transportation. A bus stop is located on Tenaya Way, immediately to the east of the subject site. Approximately two-thirds of the floor space will be occupied by cleaning equipment. Furthermore, no traffic or parking issues have been reported on the site since the previously approved parking Variance. Parking for delivery vehicles can be accommodated within the loading dock area, which is not included in the number of parking spaces for the site. Deliveries for the proposed use will take place overnight, and will not conflict with the normal business hours of the existing uses.

For these reasons, staff supports the Variance and Special Use Permit requests, and recommends approval, with conditions.

FINDINGS (VAR-39804)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

Evidence has been provided that the site can accommodate the proposed use, and will not negatively impact the existing uses on site or in the surrounding area.

FINDINGS (SUP-39801)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Cleaners, Commercial/Industrial Use can be conducted in a manner that is harmonious and compatible with the uses in the existing shopping center and with the uses on adjacent properties.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site is physically suitable for the type and intensity of the proposed use.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The site is located within the center of the Las Vegas Technology Center and adjacent to three public streets. These streets provide adequate access to and from the subject property.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of the proposed Special Use Permit will not compromise the public health, safety and general welfare, as the use will be subject to regular inspections for business licensing.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed use complies with the Minimum Special Use Permit requirements. There are no distance separation requirements for Cleaners, Commercial/Industrial Use.

Re: APN: 138-15-310-048

Dear Ms. Wheeler:

This letter is submitted as justification for Special Use Permit and Variance applications for the above listed property located in the Las Vegas Technology Center at 7350 Prairie Falcon Road. The property was originally developed for a printing company but has more recently been divided into three spaces, one of which is currently occupied by an indoor amusement facility containing a go-kart track and related retail uses which by code are parking intensive and which, on August 19, 2009, received approval from the City Council to allow 176 parking spaces where 327 spaces are required. While there is nothing to indicate that that approval has caused any issues on the site, it does necessitate any new use in the remaining portions of the building to also apply for a parking variance because the parking calculation is based on the various uses within the total square footage of the building.

The applicant, Western Linen Services, is requesting approval to locate a commercial/industrial cleaning facility in the westerly 50,600 square feet of the overall 141,419 square foot building which is located in the virtual center of the tech park, with access to two streets, which makes the location ideal for a facility of this type. Per the Land Use Table in the Retail & Personal Services section of Chapter 19.04 a commercial laundry requires a Special Use Permit when located in the C-PB zone. In regard to the determinations for approval of a SUP, all work will be conducted within the facility and all equipment, such as hot water and air tanks and an air compressor system will be located within the building, thus eliminating any potential noise from equipment from being heard on adjacent properties. An existing block at the rear of the west edge of the building and running northerly to the rear driveway will help block the view of the existing loading docks from traffic on Crimson Canyon Drive.

VAR-39804
SUP-39801
REVISED

Based on the parking standard for this type of use a total of 101 spaces is required, not including spaces for delivery vehicles which will be located at the rear of the building. The applicant has indicated that a maximum of 50 employees will work at this facility with an average of 15 employees per shift. The applicant has further indicated that of the 15 employees per shift, a significant number of those use public transportation to get to and from work, further reducing the need for the required number of spaces. It is also important to note that while the code requires parking spaces based on the total square footage of the facility, approximately two-thirds of the interior space is utilized for machinery. In regard to the determinations needed for approval of a Variance, as indicated in paragraph one above, this request is clearly not self-imposed because the previous Variance approved by the City Council created a unique circumstance in which any new use in any remaining portion of the building will require an additional Variance.

As the applicants representative on these applications I will be happy to provide any additional information you may require or respond to any questions you may have. Thank you for your consideration.

Respectfully,

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
VAR-39813	Staff recommends DENIAL, if approved subject to conditions:	

** CONDITIONS **

VAR-39813 CONDITIONS

Planning and Development

1. Conformance to the approved conditions for Rezoning (ZON-1520 and ZON-2184) and the Cliff's Edge Master Development Plan and Design Guidelines.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the construction of a single family residence on one of the specified lots. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. A three-foot side yard setback and a three-foot rear yard setback for 50% of the structure with a seven-foot rear yard setback for the remaining half of the structure may be utilized for the following 31 interior and perimeter lots: 115 through 118; 135 through 137; 395 through 402; 489 through 494; 444 and 445; 448 and 449; 452 and 453; 460 and 461; 529 and 530 of Cliff's Edge Pod 115, 116, and 117 Subdivision.

4. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

5. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for a building permit.

6. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

The requested Variance is to allow a three-foot side yard setback for seven Medium Low Density Residential Perimeter Lots where the Cliff's Edge Master Development Plan and Design Guidelines require a 10-foot side yard setback for two-story models. Three of these perimeter lots are located along the south side of Poplar Park Avenue and the remaining four are located along the south side of Jolly Hill Avenue. Included in this Variance is a request to allow a 3-foot rear yard setback for 50% of structure with a seven-foot rear yard setback for remaining half of the structure for 31 undeveloped Medium Low Density Residential Lots where the Cliff's Edge Master Development Plan and Design Guidelines require a 15-foot rear yard setback for 50% of structure with a 10-foot rear yard setback for the remaining half of the structure. All 31 lots are within a 20-acre, 205-lot single family residential subdivision located at the northwest corner of Elkhorn Road and Egan Crest Drive. Because the hardship is self-imposed, staff recommends denial, with conditions is approved. If this application is denied, the residential subdivision will continue development with the approved model home plans that comply with the established setbacks.

ISSUES

- The applicant is proposing to apply the setbacks established for the Residential Small Lot (RSL) Development Standards to properties that maintain the Medium Low Density Residential Land Use.
- The Variance is required for a proposed two-story model home plan to provide a full-depth driveway (18-feet) for 31 existing lots by means of decreased side and rear yard setbacks.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
03/19/03	The City Council approved the "Cliff's Edge Master Development Plan" to regulate development and the provision of infrastructure in the area around the subject site. The Planning Commission and staff recommended approval.
04/16/03	The City Council approved a Rezoning (ZON-1520) from U (Undeveloped) Zone [PCD (Planned Community Development) General Plan Designation] to PD (Planned Development) Zone on 297.50 acres and to establish a Master Plan for the Cliff's Edge Development adjacent to the south side of Grand Teton Drive, between Hualapai Way and Puli Road. The Planning Commission recommended approval on 02/13/03.

07/16/03	The City Council approved a request for a Rezoning (ZON-2184) from U (Undeveloped) Zone [PCD (Planned Community Development) General Plan Designation] to PD (Planned Development) Zone on approximately 704 acres covering 21 separate parcels in the Cliff's Edge area, and approved amendments to the approved Cliff's Edge Master Development Plan. The Planning Commission and staff recommended approval on 06/12/03.
12/04/03	A Minor Modification (MOD-3189) to the Cliff's Edge Master Development Plan and Design Guidelines was administratively approved by the Planning and Development Department, subject to a number of conditions.
02/18/04	The City Council approved a Development Agreement (DIR-3451) between the City of Las Vegas and Cliff's Edge, Limited Liability Company, for the Cliff's Edge Master Planned Community. The Planning Commission recommended approval on 01/08/04. Staff recommended approval of this application.
02/18/04	The City Council approved a request for a Rezoning (ZON-3241) from U (Undeveloped) Zone [PCD (Planned Community Development) General Plan Designation] to PD (Planned Development) Zone on approximately 90 acres covering 20 separate parcels in the Cliff's Edge area. The Planning Commission recommended approval on 01/08/04. Staff recommended approval of this application.
03/11/04	The Planning Commission approved a Tentative Map (TMP-3798) for a 35-lot mixed-use subdivision on 922.96 acres generally located adjacent to the south side of Grand Teton Drive, between Hualapai Way and Puli Road. This Tentative Map is to serve as the guiding map for the further subdivision of land within the Cliff's Edge Master Development Plan Area.
05/05/04	The City Council approved a Major Modification (MOD-3955) to the Cliff's Edge Master Development Plan to change land use designations from Village Commercial to Medium Low Density Residential and Medium Residential; from Medium Residential to Residential Small Lot; and from Medium Low Density Residential to Public Facilities; to modify Section 6.2.3 regarding retaining walls; and to modify Table 1 (Section 2.2) to reflect changes to the land use categories on 40 total acres within the Cliff's Edge Master Development Plan area. The Planning Commission and staff both recommended approval.
06/16/04	The City Council approved an amendment to the Master Plan of Streets and Highways (MSH-4197) to add major roads within the Cliff's Edge Master Development Plan area, generally located between Grand Teton Drive and Clark County 215, and between Puli Road and Hualapai Way. The preparation and submission of this request was a condition of approval of the Cliff's Edge parent Tentative Map, as approved by the Planning Commission on 03/11/04.

07/20/05	The City Council approved a Waiver of Title 18.12.160 (WVR-6704) to allow a minimum of 51 feet between internal street intersections where 125 feet is the minimum distance separation required for a proposed Single-Family Residential Development on 94.18 acres adjacent to the northwest corner of Hualapai Way and Elkhorn Road. The Planning Commission recommended approval on 06/23/05.
08/03/05	The City Council approved a Major Modification (MOD-6279) to the Cliff's Edge Master Development Plan to change land use designations from: ML (Medium Low Density Residential) to: L (Low Density Residential) and RSL (Residential Small Lot); from: L (Low Density Residential) to: ML (Medium Low Density Residential); and from: RSL (Residential Small Lot) to: ML (Medium Low Density Residential); and to modify the following sections of the Master Development Plan: Sections 2.2, 2.3.5, 2.3.6 and 2.3.7; to modify or add to the Design Guidelines as follows: section 3.1.1, 3.2.3b, 5.10, 5.10.1, 6.2.1, 6.2.2, 6.2.3, 7 and exhibits 2, 7a,7b, 8a, 14a, 14b, 14c, 15 and 17 on 1,156 acres generally located adjacent to the south side of Grand Teton Drive, between Hualapai Way and Puli Road. ANALYSIS

The applicant states that the requested Variance is necessary in order to accommodate a proposed 1,585 square-foot, two-story model home plan with a goal to provide a full-depth (18-foot) driveway. The Master Developer, through the Providence Design Review Committee (DRC), has approved the applicant's request for the proposed 1,585 square-foot, two-story model home plan, but no compelling justification for the resulting three-foot wide side and rear yard setbacks has been given.

The typical lot size in this Medium Low Density Residential subdivision is 40 feet wide by 55 feet deep. The proposed model home plan for the 31 selected lots is too large to conform to the Cliff's Edge Design Guidelines for the Medium Low Density Residential Land Use and would constitute a 70 percent deviation from the Side and Rear Setbacks Standards. As the developer has selected a model home for the single-family subdivision that does not conform to the development standards, the hardship is self-preferential in nature and cannot be supported by staff.

Presently 72 homes of the 205 lots have been constructed and, if approved, this request would allow the requested Variance to apply to 31 of the remaining 133 undeveloped lots. A three-foot setback does not provide adequate space from the rear or side property line for useful space, and there are public safety concerns regarding the limited access created by the narrow yards. If denied, the applicant would still be allowed to proceed with model home plans that comply with the established setbacks.

Additionally, this Variance operates in the spirit of a Major Modification to the Cliff's Edge Master Development Plan and Design Guidelines by applying the Residential Small Lot Design Standards to select lots in a neighborhood that maintains the Medium Low Density Residential Land Use.

FINDINGS (VAR-39813)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by proposing a model home plan that does not provide adequate side and rear yard setbacks within the mapped lots. The approved model home plans allow conformance to the Cliff's Edge Master Development Plan and Design Guidelines requirements, whereas the proposed 1585 Model floor plan does not. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of Variances.

RE: Cliff's Edge Pod 115, 116 & 117 – Request for rear setback reduction

To Whom It May Concern:

Greystone Nevada LLC would like to add a new house plan into the existing Arbor Ridge community located within Providence Pod 116. The plan is a 1585 square foot two story home that conforms architecturally to the Providence Design Guidelines. This plan will incorporate an 18 foot front setback to the garage, while the existing approved plans have a front setback of 5 feet to the garage. By adding this plan, the street scene will be enhanced and the amount of on-street parking will be reduced. This will be a great benefit to the entire community.

The typical lot size in Arbor Ridge is 40' wide by 55' deep. The existing plans were designed to conform to modified residential medium setback standards including rear setbacks of 8 feet for 50% of the home and 12' for the remainder. We are requesting to modify the rear setbacks for the remaining home sites in this community (approximately 100 homesites). A site plan has been included which depicts the remaining homesites within the community. The requested setback modification would be consistent with the residential small lot setback standards which include rear setbacks of 3' for 50% and 7' for the remainder. These modified setbacks would only be incorporated when the proposed 1585 plan was constructed.

We are excited to offer a full-depth driveway in the Arbor Ridge community. The Master Developer supports this request, and we are respectfully requesting your approval to reduce the rear setback development standards for the remaining homesites in order to accommodate our proposed plan.

Please do not hesitate to contact me at 702-821-4627 if you have any questions.

Sincerely,

RE: Providence Master Plan Community
Project Plan: Rear Yard Setback Waiver
POD: 116 – Arbor Ridge
Plan Date: Received September 13, 2010

Dear Steve:

The Providence Design Review Committee (DRC) is in receipt of your request to the reduce the rear yard setback to 3' for 75% for plan 1585 in the Arbor Ridge community

The DRC **approves** your request for the above referenced POD. Approval of this request will not have an adverse impact on the residents of the community. The private open space requirement is still being met be a combination of the side and rear yard. The model will also have an 18' driveway in a community that currently only has 5' driveways.

Unless specifically waived, all elements within Providence must comply with the terms and conditions of the Design Guidelines and other governing documents. The approval granted herein applies only to the specific items as noted above, and does not constitute an approval of every specific element of the submittal, nor does it constitute a waiver of Providence's rights to enforce compliance with the Design Guidelines and other governing documents. Should an element of the submittal not comply with the Design Guidelines or other governing documents, and is not specifically approved, Providence reserves all of its rights with respect to enforcement of the terms and conditions of such documents as to the non-conforming element. All non-conforming elements must be specifically noted and a specific waiver must be submitted with respect thereto.

If you have any questions, please do not hesitate to contact our office.

Sincerely,
Providence Design Review Committee

** STAFF REPORT **

PROJECT DESCRIPTION

The subject site is currently undeveloped and abuts the north side of the Las Vegas Beltway right-of-way. Entitlements were approved for a 6,126 square-foot Auto Repair Garage (Minor) on the site, with a portion of the adjacent lot to the east to be used for access and parking. The east half of Juliano Road will be vacated to allow for the access and parking. Although the two lots are under the same ownership, they are not required to be combined through a separate mapping action. However, without such action, the proposed building would be located one foot from the east property line, encroaching nine feet into the required setback for SC-TC designated properties. A variance is therefore required. As the hardship is self-imposed, staff recommends denial of the variance request with conditions if approved. If denied, remapping of the site will be required for development of the property in conformance to the previously approved Site Development Plan Review, or a new Site Development Plan Review will be required.

ISSUES

- The unused right-of-way to the east is approved to be vacated to allow development of parking and access to the subject site. Site Development Plan Review (SDR-36953) was approved with the understanding that the vacated area would become part of the subject site. Instead, the applicant has requested that the vacated right-of-way become part of the lot to the east, which is also owned by the applicant.
- An associated Variance (VAR-36954) to allow 25 parking spaces over the full development where 36 spaces are required was approved with the same understanding as SDR-36953. Under the current circumstances, the subject site will be deficient 11 parking spaces. A condition of approval will require recordation of an offsite parking agreement prior to the issuance of any building permits for development related to SDR-36953.
- The site plan indicates that the size of the proposed Auto Repair Garage (Minor) building has decreased two percent from the approved floor area.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
07/03/96	The City Council approved the Annexation (A-0002-96) of approximately 115.72 acres generally located south of Deer Springs Way between El Capitan Way and Durango Drive, including current APN 125-20-801-005. The Planning Commission and staff recommended approval. The annexation became effective 07/12/96.
02/05/03	The City Council approved the Annexation (A-0038-02) of approximately 495 acres, including current APN 125-20-802-003. The Planning Commission and staff recommended approval. The annexation became effective 02/14/03.
03/03/10	The City Council approved a Major Modification (MOD-36955) of the Centennial Hills Town Center Land Use Plan to change the Special Land Use Designation from UC-TC (Urban Center Mixed-Use – Town Center) to SC-TC (Service Commercial – Town Center) on 0.35 acres on the south side of Rome Boulevard, approximately 640 feet west of Riley Street. The Planning Commission recommended approval. Staff recommended denial.
	The City Council approved a Rezoning (ZON-36949) from U (Undeveloped) [TC (Town Center) General Plan Designation] to T-C (Town Center) on 5.93 acres at the southwest corner of Rome Boulevard and Riley Street. The Planning Commission and staff recommended approval.
	The City Council approved Variances (VAR-36954 and VAR-37101) to allow 25 parking spaces where 36 are required and to allow a one-foot rear yard setback where 20 feet is required on 0.35 acres on the south side of Rome Boulevard, approximately 640 feet west of Riley Street. The Planning Commission recommended approval. Staff recommended denial.
	The City Council approved a Special Use Permit (SUP-36950) to allow a proposed 6,126 square-foot Auto Repair Garage (Minor) with service bay openings facing a public right-of-way on the south side of Rome Boulevard, approximately 640 feet west of Riley Street. The Planning Commission recommended approval. Staff recommended denial.
	The City Council approved a Petition to Vacate (VAC-37100) a portion of the south side of Rome Boulevard between Juliano Road and Clark County 215 and a portion of the east side of Juliano Road between Rome Boulevard and Clark County 215. The Planning Commission and staff recommended approval. The Vacation has not yet recorded.

03/03/10	The City Council approved a Site Development Plan Review (SDR-36953) for a proposed 6,126 square-foot Auto Repair Garage (Minor) with Waivers of the Town Center Development Standards to allow zero percent build-to-line where 80 percent is required, to allow the parking area to encroach seven feet into the front landscape planter where a maximum of five feet is allowed, a Waiver of Town Center Parking Lot Landscaping Standards and Waivers of Title 19 Landscape Buffer Standards to allow a zero-foot landscape buffer along portions of the side property lines where eight feet is required on a portion of 5.93 acres on the south side of Rome Boulevard, approximately 640 feet west of Riley Street. The Planning Commission recommended approval. Staff recommended denial.

Most Recent Change of Ownership	
06/10/09	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
08/12/10	Civil improvement plans (39167) for a 6,008 square-foot Auto Repair Garage (Minor) on the subject site were submitted for review by City staff. The plans are in the blueline review stage and have not been approved.
08/12/10	A plan check (39169) for a 6,008 square-foot Auto Repair Garage (Minor) on the subject site was initiated by City staff. The plans have been reviewed but have not been approved.
No business licenses have been issued for the subject site.	

Pre-Application Meeting	
09/30/10	A pre-application meeting was held, where submittal requirements for a setback Variance were discussed. There were no major issues discussed.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

Field Check	
10/15/10	A field check was conducted on the subject site. The following items were noted: • The site is undeveloped and is free of trash and debris. • The north side of the cul-de-sac in Rome Boulevard is improved and contains a five-foot landscaped amenity zone and five-foot sidewalk.

ANALYSIS

The site is located within the Town Center Master Plan area; the portion of the site containing the Auto Repair Garage (Minor) use is designated SC-TC (Service Commercial – Town Center), while the remaining portion is designated UC-TC (Urban Center Mixed Use – Town Center) and MS-TC (Main Street Mixed Use – Town Center). Rome Boulevard, currently developed on the north half, is to be built out to Town Center Tertiary Street specifications, which include a five-foot sidewalk (trail) and five-foot amenity zone with alternating flowering and shade trees around the cul-de-sac bulb adjacent to the site. These requirements were specified in a previous action (SDR-36953). Building plans for the Auto Repair Garage site have been submitted for review, but no permits have been issued.

The subject site encompasses two lots, a small triangular parcel on which the approved Auto Repair Garage (Minor) is situated, and a large parcel of which only a small portion will be developed for access and parking along the west property line. In a previous action the vacation of the city's interest in the east half of Juliano Road between the two parcels was approved. Because the owner wishes the vacated right-of-way to attach to the eastern parcel, the property line of the western triangular parcel will not shift once the vacation records. This circumstance creates two issues: the proposed building, which would have met Town Center setback requirements, will now encroach nine feet into the required side yard setback area (a 90 percent deviation from the Town Center Development Standards) because the vacated right-of-way will be attached to the eastern parcel; and onsite parking will be reduced by 11 spaces (a 56 percent deviation from the approved parking variance).

Although the western parcel is irregularly shaped, staff recommended denial of the Site Development Plan review for this site in part because the building proposed was too large to be placed on the site in accordance with Title 19 and Town Center standards. Without movement of the property line to the east, the western parcel becomes even more constricted. In response, the applicant has reduced the building size by two percent to 6,006 square feet. The reduction is not enough to meet the setback requirement. To address the onsite parking deficiency, the applicant has drafted an offsite parking agreement pursuant to Title 19.10.010(H). The agreement is under review but has not yet been recorded. A condition of approval will require recordation of the parking agreement prior to issuance of permits for any development related to Site Development Plan Review (SDR-36953).

Given that the applicant had the opportunity to add vacated right-of-way to the western parcel and redesign the building to meet Town Center setback requirements, the hardship is self-created and staff cannot recommend approval.

FINDINGS (VAR-39815)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by designing a building within the side yard setback area. Remapping to move the property line east to encompass the whole of the development would allow conformance to the Title 19 requirements. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of

Variances.

RE: Sun Devil Auto, Petition for Variance, APN 125-20-801-005

Doug,
We are petitioning for a variance to allow building encrouchment in the required 10' side yard setback along our east property line at the vacated Juliano Rd.

The site plan is the same as approved on March 3, 2010 by the City Council and indicates the intended property boundary after the vacation of the Juliano Rd. ROW while including various regulatory and utility requirements. The City of Las Vegas development department was working under the assumption the boundary line would be moved east thirty feet (30') to include the vacated Juliano Rd. ROW thus not requiring a variance for the side yard setback. The vacated Juliano Rd. ROW will become part of the parcel to the east and therefore requires our project to request the side yard setback variance.

Our project is on an odd shaped parcel and the site plan is designed to accommodate the parking, ingress/egress, Las Vegas Valley Water District, site drainage, and Fire Dept. access requirements. The position of the building has not been modified from the previously approved site plan SDR-36953.

The Project has previously been approved for the following Waivers/Variances: Major Modification MOD-36955, Re-Zone ZON-36949, Site Development Review SDR-36953, Building Setback Variance VAR-37101, Parking Variance VAR-36954, and a Special Use Permit for a Repair Garage SUP-36950.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Variance to allow a one-foot, six inch side yard setback for a proposed 19-foot by 32-foot two-car carport at 305 Rosemary Lane. A ranch style single family dwelling currently exists on site and the carport is proposed to be attached to the south side of the dwelling. Staff recommends denial, as no characteristic of the property prevents the carport from being designed to meet Title 19 standards. If this request is denied, the carport will not be permitted to be built within the required setback.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
06/19/02	The City Council approved a request a General Plan Amendment (GPA-0047-01) to amend portions of the Southeast Sector map of the General Plan in the general vicinity of the Charleston Boulevard/Rancho Drive intersection from SC (Service Commercial) to O (Office); from R (Rural Density Residential) to DR (Desert Rural Density Residential); from O (Office) to DR (Desert Rural Density Residential) and from L (Low Density Residential) to DR (Desert Rural Density Residential) in accordance with the recommendations of the Rancho Charleston Land Use Study and Strategic Plan. The Planning Commission recommended denial and staff recommended approval.

Most Recent Change of Ownership	
06/15/10	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
05/10/63	A building permit (#17908) was issued for a Single Family Residence at 305 Rosemary Lane. The project was completed on 11/07/63.
10/15/63	A building permit (#21962) was issued for a Swimming Pool at 305 Rosemary Lane. The project was completed on 12/30/63.
05/07/74	A building permit (#16534) was issued for a Garage Conversion for living space at 305 Rosemary Lane. The project was completed on 11/21/74.
04/27/79	A building permit (#3495) was issued for a Brick Veneer at 305 Rosemary Lane. The project was completed on 06/01/79.

Pre-Application Meeting	
09/21/10	A pre-application meeting was held with the applicant, where elements of submitting a Variance for the side yard setback for a proposed carport were discussed. The topics included: • The materials to be used for the carport must be fire rated with a setback less than five feet from property line. • If enclosure of the proposed carport is planned in the future, another Variance is required due to requirements of the dwelling side yard setback. • The setback requirement for the proposed carport is the same as the patio cover standards of Title 19.08, which is 15 feet from the rear and side property lines in the R-E (Residence Estates) zoning districts.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

ANALYSIS

The subject property is located within the Airport Overlay District with a 140-foot height restriction and the height of the proposed carport is measured to the mid-point of a gabled roof at 11 feet, with the roof line even with the existing dwelling; therefore, the proposed height will not exceed the allowed height. The property is located within the RPOD (Rural Preservation Overlay District). The intent of the RPOD is to ensure that the rural character of each rural preservation neighborhood is preserved.

The proposed 19-foot by 32-foot two-car carport will be attached on the south side of the existing single family dwelling. The carport is classified as a Patio Cover per Title 19.08, and may encroach within 15 feet from the rear and side property lines in the R-E (Residence Estates) zoning district. The setback shall be measured from the supporting post; however, the overhang of the patio cover may not extend closer than three feet from a property line. The proposed

carport supporting post is within three and a half feet from the property line and the overhang is one and a half feet from the property line. The proposed carport is therefore not in compliance with the requirements of Title 19.08. The submitted elevation did not specify whether the carport structure has the fire resistance rating as required by the Building and Safety Department for a structure that is less than five feet from the property line. Therefore, a condition of approval has been added that the carport structure shall be fire resistance rated to comply with all requirements of the Building and Safety Department. If this request is approved, building permits for the proposed carport must be obtained from the Building and Safety Department.

As there is no hardship associated with the physical characteristics of the site, failure to meet code requirements with regard to the proposed carport is self-imposed and staff cannot recommend approval.

FINDINGS (VAR-39816)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by proposing a carport that has an eave that is within one-foot, six inches from the property line**.** The site plan indicates a new Porte Cochere to be located within the front yard attached onto the existing dwelling, and this is a viable alternative that would allow conformance to the Title 19 requirements. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of Variances.

Re: Variance application for 305 Rosemary Lane

Dear Planning Department:

My client, Charles "Dee" Hopper, is applying for a variance at his residence to build a carport attached to his home at 305 Rosemary Lane (APN: 139-32-214-034). We are requesting a waiver for the side building setback to 1.5 feet where 15 feet is required.

Mr. Hopper would like to build a carport attached to the south side of his property that would match the existing roofline of the home and would extend to 1.5 feet of his neighbor to the south. The home is zoned R-E.

I was informed by the planning department that this carport would fall under the category of "Patio Cover" in the Las Vegas Municipal Code.

Section 19.08.040(4)(a) of the LVMC requires a patio cover to have a side yard setback of five feet in most residential areas, however in R-E it calls for a 15-foot setback.

The home is located in the Rancho Nevada Estates neighborhood, north of Alta between Rancho Drive and Valley View Boulevard. This neighborhood differs significancly from many R-E zoned areas. LVMC 19.02.040(A)(2) defines the purpose of R-E districts as "to provide for low density residential units located on large lots and conveying a rural environment."

This neighborhood is located near the center of the City of Las Vegas and does not convey a rural environment. It is a conventional neighborhood of primarily single-story ranch-style houses on lots of approximately 18,000 square feet or greater that was developed in the 1960s. The homes were built long before the R-E designation and requirements were imposed on the neighborhood.

VAR-39816

REVISED

Currently, more than 90 homes in the neighborhood have less than a 15-foot side yard setback from neighboring properties. In many instances, it is actually the home itself, rather than a garage, carport or accessory structure, which is built closer than 15 feet from its neighbor.

You will notice the plans also call for a porte cochere to be built in the front of the home. This porte cochere conforms with the Code's requirement for a 15-foot front yard setback.

Allowing a carport to be built within 1.5 feet of the home's southern neighbor would not be incompatible with neighborhood. In fact, the property to the immediate south, which would be most affected by this carport, has a carport on its southern side that is less than 15 feet from the neighboring property and is at a height well above the home's roofline.

If Mr. Hopper were to build the carport, or a garage, with a six-foot separation from his home, LVMC 19.08.040(B) would allow him to build to a height of 35 feet and with a three-foot side yard setback. However, separating the carport from the home could be less aesthetically pleasing to the neighbors and less compatible with the community.

Because the addition of a carport 1.5 feet from the southern property line and with a roofline matching the home would be consistent with the other homes in the neighborhood, we ask your support in granting these variances.

Regards,

Trevor Hayes

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit for a proposed Beer/Wine/Cooler On-Sale Establishment within an existing restaurant at 3175 North Rainbow Boulevard. The restaurant is 2,400 square feet in size with seating for 85 people. The Beer/Wine/Cooler On-Sale use will be ancillary to the existing restaurant. The proposed use will not require additional parking beyond that which is required for the principal use on the site. This project is located within a 32.53 acre shopping center, which is able to accommodate a variety of uses. Staff recommends approval of this request and the accompanying distance separation waiver, with conditions as the use can be conducted in a manner that is compatible with the surrounding uses. If this application is denied, the restaurant would not be allowed to sell alcoholic beverages.

ISSUES

- A Beer/Wine/Cooler On-Sale Establishment use is permitted in the C-1 (Limited Commercial) zoning district with an approval of a Special Use Permit.
- A Waiver to allow a 390-foot distance separation where 400 feet is required between the proposed use and a religious facility is needed for approval of a Special Use Permit for the Beer/Wine/Cooler On-Sale Establishment.

ANALYSIS

A Beer/Wine/Cooler On-Sale Establishment use is defined by Title 19.20.020 as "an establishment whose license to sell alcoholic beverages is limited to the sale of beer, wine and coolers to consumers only in connection with a meal on the premises where the same is sold, and is operated in connection with a restaurant in which thirty or more people may be served with meals at any one time at tables or stools."

The proposed use requires a Waiver of the minimum 400-foot distance separation requirement from a religious facility (Church Lutheran Holy Spirit) in order to comply with all minimum Special Use Requirements of Title 19.04 requirements for a Beer/Wine/Cooler On-Sale Establishment. No additional parking is required for the proposed use. The proposed Beer/Wine/Cooler On-Sale Establishment use is located in the A-O (Airport Overlay) District and meets the height restriction of 140 feet. A condition has been added to address the unpermitted signage. Staff recommends approval of these requests, with conditions. The proposed use will be operated in conjunction with an existing restaurant; the requested Waiver is minimal, and can it be conducted in a manner that is compatible with the surrounding uses.

FINDINGS (SUP-39745)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Beer/Wine/Cooler On-Sale Establishment use will be located within a 2,400 square-foot restaurant and will be ancillary to the existing restaurant. The proposed use can be conducted in a manner that is harmonious and compatible with the uses on the existing site and with the commercial uses on the adjacent properties.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site is located within a commercial shopping center, and is suitable for the type and intensity of land use proposed. The proposed use will not require additional parking beyond that which is required for the principal use on the site.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The site is accessed by Cheyenne Avenue and Rainbow Boulevard. These streets are of sufficient size to accommodate the needs of the proposed Beer/Wine/Cooler On-Sale Establishment use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of a Special Use Permit for this use at this location will not compromise the public health, safety, or welfare, as the use is subject to licensing and inspections by the City of Las Vegas.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed Beer/Wine/Cooler On-Sale Establishment use meets the applicable conditions per Title 19.04, with the exception of the requested Waiver; which is minimal. The Beer/Wine/Cooler On-Sale Establishment use is located within a shopping center and will be operated in conjunction with an existing restaurant.

Planning and Development Dept. city of Las Vegas

To whom it may concern,

I have recently signed a lease agreement from 06/30/2010 to 06/30/2020 with KIMCO REALTY/ PK1 CHEYENNE COMMONS LLC to lease the old china restaurant at 3175 N. Rainbow (parcel no. 13815502003),

I am appling for a beer and wine use permit for my new restaurant, Bangkok 9.

I am leasing the space "as is" and plan to open the new restaurant without any construction/ development changes.

The attached site and floor plans are therefore consistent with the old china king plans and do not show any changes for Bangkok 9.

My contact information is given below, and I thank you in advance for your attention in this matter.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit to allow a 15 square-foot Retail Establishment with Accessory Package Liquor Off-Sale use within an existing 2,400 square-foot Convenience Store located at 2339 North Jones Boulevard. The use will be ancillary to the existing Convenience Store. The proposed use is less than 10% of the total retail floor space of the establishment and will not require additional parking beyond that which is required for the principal use on the site. This project is located within a 1.47-acre retail center, which is able to physically accommodate a variety of uses; however, the close proximity to a religious facility (Agape Bible Fellowship Christian Center) is not harmonious or compatible with the proposed use. Staff recommends denial of this request and the accompanying distance separation waiver, as the use cannot be conducted in a manner that is compatible with the surrounding uses. If this application is denied, the Convenience Store would not be allowed to conduct the Accessory Package Liquor Off-Sale use on the premises.

ISSUES

- A Retail Establishment with Accessory Package Liquor Off-Sale use is permitted in the C-1 (Limited Commercial) zoning district with the approval of a Special Use Permit).
- A Waiver to allow a 100-foot distance separation where 400 feet is required between the proposed use and a religious facility is needed for approval of the Special Use Permit.

BACKGROUND INFORMATION

ANALYSIS

A Retail Establishment with Accessory Package Liquor Off-Sale use is defined by Title 19.20.020 as "a retail establishment:

(1) Whose license to sell alcoholic beverages authorizes their sale to consumers only and not for resale, in original sealed or corked containers, for consumption off the premises where the same are sold; and

(2) In which the sale of alcoholic beverages is ancillary to the retail use, and in which no more than ten percent of the retail floor space is regularly devoted to the display or merchandising of alcoholic beverages.

The term includes an establishment that provides on-premises wine, cordial and liqueur tasting if the licensee also holds a wine, cordial and liqueur tasting license for that location."

The proposed use requires a Waiver of the minimum 400-foot distance separation requirement from a religious facility (Agape Bible Fellowship Christian Center) in order to comply with all minimum Special Use Requirements of Title 19.04 requirements for a Retail Establishment with Accessory Package Liquor Off-Sale use. No additional parking is required for the proposed use. The proposed Retail Establishment with Accessory Package Liquor Off-Sale use is located in the A-O (Airport Overlay) District and meets the restriction of 105 feet. The proposed Retail Establishment with Accessory Package Liquor Off-Sale use has an existing on street bike lane located along the northern property line, the proposed Retail Establishment with Accessory Package Liquor Off-Sale use has no impact to the on street bike lane. Staff recommends denial of this request, due to the proximity of a religious facility. A similar application for a Special Use Permit (SUP-2329) was denied on August 23 2003.

FINDINGS (SUP-39812)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Retail Establishment with Accessory Package Liquor Off-Sale use will be located within a 2,400 square-foot Convenience Store and will be ancillary to the existing Convenience Store. The proposed use cannot be conducted in a manner that is harmonious and compatible with the uses on the existing site and with the religious use on the adjacent properties.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site is physically suitable for the type and intensity of the proposed use. There is no additional parking requirement for a Retail Establishment with Accessory Package Liquor Off-Sale use other than that which is required for the principal use.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The site is accessed by Smoke Ranch Road and Jones Boulevard. These streets are of sufficient size to accommodate the needs of the proposed Retail Establishment with Accessory Package Liquor Off-Sale use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of the proposed Special Use Permit will not compromise the public health, safety and general welfare, as the use will be subject to regular inspections for business licensing.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed Retail Establishment with Accessory Package Liquor Off-Sale use meets the applicable conditions per Title 19.04, with the exception of the requested Waiver. Staff recommends denial of the request as the Retail Establishment with Accessory Package Liquor Off-Sale use, as indicated by the required waiver.

Re: Use Permit to allow sale of Off-sale Accessory Packaged Liquor

Please be advised that this firm represents Allstar Minimart located at 2339 North Jones Blvd. The convenience store is within the northernmost unit of a commercial center located at the southeast corner of Jones Blvd at Smoke Ranch Road. The property is currently zoned C-1 which allows the sale of accessory packaged liquor with a use permit. This will require a Use Permit per 19.04 Retail and Personal Services (*see Retail Establishment with Accessory Package Liquor off-sale*.)

The area designated for the packaged liquor is approximately 15 square feet in area and is located behind the payment counter. As such, only employees of the store can access the packaged liquor products.

Title 19 stipulates a 400 foot separation between this use and protected uses as measured from the nearest points of each property line .The subject parcel is approximately 105 feet from a property line of a parcel that leases to a religious institution. The religious institution is within a strip mall located at 6010 Smoke Ranch Road. The code allows for a waiver in situations where a 100 foot street separates the parcel lines. Being that Smoke Ranch Road is a 100 foot right-of-way, we request a waiver of separation requirements.

Please call me at (702) 384-5563 if you have additional concerns.

Very truly yours,

L U Dreja

SUP-39819 CONDITIONS

Planning and Development

1. Approval of and conformance to the Conditions of Approval for Site Development Plan Review (SDR-39818) shall be required.

2. Conformance to the approved conditions for Special Use Permits (U-0109-99 and SUP-36436) and Site Development Plan Review (SD-0063-01 and SDR-36434), except as amended by conditions herein.

3. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the new construction. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

5. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

6. Approval of this Special Use Permit does not constitute approval of a liquor license.

7. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.

8. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

SDR-39818 CONDITIONS

Planning and Development

1. Approval of and conformance to the Conditions of Approval for Special Use Permit (SUP-39819) shall be required, if approved.

2. Conformance to the approved conditions for Special Use Permits (U-0109-99 and SUP-36436) and Site Development Plan Reviews (SD-0063-01 and SDR-36434), except as amended by conditions herein.

3. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the new construction. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. All development shall be in conformance with the site plan and landscape plan, date stamped 10/05/10, and building elevations, date stamped 10/05/10 and 10/27/10, except as amended by conditions herein.

5. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 10/05/10. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

6. Prior to a final inspection for the requested additions, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

7. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

8. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device. The technical landscape plan shall include the following changes from the conceptual landscape plan: ten (10) 24-inch box shade trees shall be planted within the north perimeter buffer; one (1) 24-inch box shade tree shall be planted in landscape islands or at the ends of each parking row; palm trees depicted in these planters shall be replaced by 24-inch box shade or evergreen trees; and four (4) five-gallon shrubs shall be planted for each tree depicted in parking lot islands or perimeter landscape buffers.

9. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

10. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

11. Site development to comply with all applicable conditions of approval for SDR-36434 and all other site-related actions.

** STAFF REPORT **

PROJECT DESCRIPTION

The subject property currently contains an existing 25,417 square-foot Sexually Oriented Business, parking area and signage. The applicant amended the approved entitlement in January 2010 to add 11,734 square feet to the existing building and expand the existing Tavern use on the site. The applicant has requested an additional 7,399 square feet of floor area to be added, which includes modifications to the first and second stories and a new third story with a roof deck. The expansion would bring the total gross building area to 44,550 square feet. Because of this expansion, the Special Use Permit must also be amended for the use to include the new area. A portion of the adjacent parking lot is also proposed to be amended to include a drop-off area as part of this request. The additions and modifications are compatible with the existing structure and the surrounding area, and expansion of the Tavern use can be conducted in a manner that is harmonious and compatible with the surrounding land uses. Staff therefore recommends approval of the Major Amendments to the approved Special Use Permit and Site Development Plan Review, with conditions. If denied, the extent of the use and building would be limited to the floor area approved on 01/06/10.

ISSUES

- A Major Amendment of a previously approved Special Use Permit (U-0109-99) is required to allow expansion of the tavern use on the subject site.
- A Major Amendment of a previously approved Site Development Plan Review (SD-0063-01) is required to allow expansion of the existing Sexually Oriented Business building and site.
- The proposed amendments are in addition to, not replacing, the previously approved amendments to the Special Use Permit and Site Development Plan review approved in January 2010.
- A mapping action to ensure that the site containing the Tavern use maintains at least a 1,500-foot distance separation from another Tavern has not yet been submitted to the City of Las Vegas for review. As a condition of approval of SDR-36434, this map shall be recorded prior to issuance of building permits.
- Condition of Approval Number 6 of SDR-36434 requires recordation of an offsite parking agreement prior to issuance of a certificate of occupancy. This agreement has not yet been recorded.

ANALYSIS

The site remains in substantial conformance with the previously approved plan. The expansion will add about 27 feet to the height of the building; this height remains well below the 175-foot Airport Overlay restriction and remains compatible with surrounding development. The overall site will lose a total of 46 parking spaces as a result of the expansion, and although the parking requirement has increased, the site will still be overparked by 24 spaces. With the exception of trees provided along the north perimeter of the site, perimeter buffer landscaping is provided to meet the requirements of previously approved Site Development Plan Review (SDR-36434). The deficiency will be addressed in a condition of approval. The parking lot landscaping has been altered to accommodate a proposed drop-off area at the south end of the lot. It is noted that three trees within the interior parking field required by SDR-36434 are missing from the landscape plan, and one tree on the end of a parking row in the amended area has been omitted; these trees must be shown on a revised landscape plan at the time of permits. In addition, only deciduous or evergreen tree species are allowed in parking areas. Several of the deciduous trees approved on the previous landscape plan have been replaced by palm trees. A condition of approval will address this issue.

The new additions will be located at the northwest side of the previously approved expansion, facing Interstate 15 and the existing parking lot. The first and second floor plans will be amended to expand the approved north lobby and to provide additional restrooms. The proposed third floor will contain club area, new restrooms and a 3,695 square-foot outdoor deck. The deck will face the parking lot to the north and east. A series of covered booths (cabanas) will be located at the south end of the deck. A 2.5-foot parapet wall with a three-foot decorative balustrade will surround the deck. A drawing has been submitted showing the sight lines to the deck in all directions. The existing tavern use is proposed to be expanded to capture the increased floor area. Expansion will not affect any previously approved waiver of distance separation. A new mechanical area enclosure will be located at the southwest corner of the property, approximately 10 feet from the west property line. The equipment and enclosure meet Title 19 mechanical and screening requirements. Due to the proposed addition to the existing building, civil improvement plans are required to be submitted to the Las Vegas Valley Water District to verify adequate domestic and fire flow can be met.

The existing parking lot is proposed to be modified to create a drop-off area north of the expanded building area. The two lanes will be able to accommodate stacking for at least five buses or limousines. Two of the parking islands at the north side of the lot are proposed to be modified to accommodate a 24-foot wide fire lane around the site.

The additions and modifications are compatible with the existing structure and the surrounding area, and expansion of the Tavern use can be conducted in a manner that is harmonious and compatible with the surrounding land uses. Staff therefore recommends approval of the Major Amendments to the approved Special Use Permit and Site Development Plan Review, with conditions.

FINDINGS (SUP-39819)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed expansion of the Liquor Establishment (Tavern) use is compatible with the existing use and with the surrounding land uses in the area.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site is physically suitable for a Liquor Establishment (Tavern) use, and can accommodate the proposed expansion.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   Access to the site provided from Westwood Drive is adequate to facilitate the traffic generated by the proposed expansion of the Liquor Establishment (Tavern) use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of this Special Use Permit will not compromise the public health, safety, or welfare, as the proposed expansion of the existing Liquor Establishment (Tavern) use will be subject to regular inspections.

5. **The use meets all of the applicable conditions per Title 19.04.**

   A Waiver of Title 19.04 minimum distance separation requirements to allow 300 feet from a similar use where 1,500 feet is the minimum distance required was approved through a previous action (SUP-36436). The waiver remains in effect and is not affected by expansion of the use on the same parcel.

FINDINGS (SDR-39818)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed addition to the existing Sexually Oriented Business is compatible with development in the area. The expanded area will face Interstate 15 and the parking lot to the north.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   Proposed changes in parking lot landscaping do not conform to Title 19 or the previous approval, nor does the number of trees located in the landscape buffer along the north perimeter. A condition of approval will require conformance to Title 19 standards. All other development conforms to Title 19 requirements.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   There is adequate space on the site to accommodate vehicles without conflicts. The access from Westwood Drive will not negatively impact neighborhood industrial traffic.

4. **Building and landscape materials are appropriate for the area and for the City;**

   Building materials are similar to those used for the previous expansion and are compatible with the existing building. The proposed landscape materials, as conditioned, are appropriate for the area and for the City. Palm trees in the parking area shall be replaced by deciduous or evergreen trees in conformance with Title 19 requirements.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The proposed building elevations will be harmonious with the existing and approved portions of the Sexually Oriented Business and will be compatible with adjacent development in the area.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed addition to the existing Sexually Oriented Business will be subject to final Building and Safety and Planning and Development inspections; therefore this development will not compromise the public health, safety or welfare.

JUSTIFICATION LETTER

AMENDMENT to SUP-36436 & SDR-36434

Project: TREASURES GENTLEMEN'S CLUB

Location: 2805 Westwood Drive
Las Vegas, Nv. 89109

APN: #16208604001, #16209102004

Owner: D 2801 Westwood, Inc.

Treasures is an existing Gentlemen's Club located at 2805 Westwood drive immediately east of I-15 freeway and south of Sahara Blvd. There is currently an approved SUP-36435 and SDR-36434 for a two story addition to the existing building.

The proposed amendment to the current SUP and SDR is for the addition of a third floor roof deck and lounge space above the approved two story addition. The proposed third floor addition will add 2,748 sf of lounge area with 3,695 sf of roof top deck area, and miscellaneous adjustments at the first and second floor to facilitate the new third floor.

The total area will be approximately as follows:

Total first floor addition	7,365
Total second floor addition	5,325
Total third floor addition	2,748
Total bldg addition floor area	15,438
Total roof deck addition	3,695
Total Addition area	19,133
Existing Building area	25,417
Total combined building area	44,550

A property line adjustment in the previously approved SUP / SDR remains unchanged. This adjustment has been submitted to CLV Public Works and is awaiting approval and recordation. A vehicle "drop-off" lane has been added to facilitate a required fire lane and allow ease of on site vehicle flow. Required parking has increased to 179 spaces, however the provided 203 spaces still exceeds that requirement.

All Building "set back" requirements, landscaping conditions, access locations, and conditions for approval for the previously approved SUP / SDR remain in effect and unchanged.

RE: *SUP-39821 – Application for Special Use Permit and Waivers of the Distance to Residential; Distance to a Financial Institution, Specified; and the Condition on Hours of Operation*

Dear Mr. Grider:

I am writing on behalf of Monctryee, Inc., concerning its application for a special use permit and waivers of the distances to residential and another financial institution, specified, and of the condition on hours of operation for the addition of auto title loan use to its existing financial institution, specified operations at 2950 West Sahara Avenue (APN #162-05-816-006).

The application is currently scheduled for hearing before the Planning Commission on November 18, 2010. This letter serves as a request to hold the application in abeyance until the March 2011 Planning Commission hearing. Moneytree understands that clarification on the parking will be required prior to the hearing date.

Please let me know if you have any questions or require additional information.

** STAFF RECOMMENDATION(S) **

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
SUP-39821	Staff recommends DENIAL, if approved subject to conditions:	N/A

** CONDITIONS **

SUP-39821 CONDITIONS

Planning and Development

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for an Auto Title Loan use.

2. Conformance to the approved conditions for Rezoning (Z-0108-63) and Site Development Plan Review [Z-0108-63(32)].

3. This approval shall be void two years from the date of final approval unless a business license has been issued to conduct the activity. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit for an Auto Title Loan use within an existing 3,093 square-foot nonconforming Financial Institution, Specified at 2950 West Sahara Avenue. Staff is recommending denial of this application because the proposed use cannot be conducted in a manner that is harmonious and compatible with existing surrounding land uses, as evidenced by the required waivers of distance separation requirements and hours of operation allowed. If this request is denied, the Auto Title Loan cannot be permitted on this site.

ISSUES

- An Auto Title Loan use is permitted in the C-1 (Limited Commercial) zoning district with the approval of a Special Use Permit.
- A Waiver to allow a 90-foot distance separation from a residential property, where 200 feet is required is needed for approval of the Special Use Permit.
- A Waiver to allow a 990-foot distance separation from another Financial Institution, Specified use, where 1,000 feet is required is needed for approval of the Special Use Permit.
- A Waiver to allow hours of operation from: 7:00 a.m. to 11:00 p.m., where 8:00 a.m. to 11:00 p.m. is allowed is needed for approval of the Special Use Permit.
- The existing Financial Institution, Specified is nonconforming as it was established at the location prior to the requirement for a Special Use Permit. As such, it is not subject to the requirements of distance separation and restricted hours of operation.

ANALYSIS

The proposed Auto Title Loan use will allow a business whose primary function is to lend money on the security of the title to a motor vehicle rather than the security of the vehicle itself. A nonconforming Financial Institution, Specified use currently exists within the building where the proposed Auto Title Loan is to be located. The required parking for the proposed use is the same as the existing Financial Institution, Specified, and no additional spaces are required. No vehicular storage is allowed at the site in conjunction with this use. The subject property is located within the Airport Overlay District with a 200-foot height restriction. The application for an Auto Title Loan use proposes no change to the height of the building.

The minimum Special Use Permit requirements for the proposed Auto Title Loan use include a 200-foot distance separation from residential property, a 1,000-foot distance separation from any other Financial Institution, Specified and hours of operation from 8:00 a.m. to 11:00 p.m. The applicant has requested waivers to allow a 90-foot distance separation from residential property, a 990-foot distance separation from another Financial Institution, Specified and to allow hours of operation from 7:00 a.m. to 11:00 p.m. Staff is recommending denial of this application because the proposed use cannot be conducted in a manner that is compatible with the surrounding land use, as is evidenced by the requested waivers of distance separation and hours of operation. The applicant has not provided sufficient evidence that would warrant the granting of waivers to allow reduced distance separation and increase in the hours of operation.

FINDINGS (SUP-39821)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed use cannot be conducted in a manner that is harmonious and compatible with the uses in the existing site and with the commercial uses on adjacent properties, due to waivers of the distance separation from residentially zoned property, from another Financial Institution, Specified and proposed increase of the hours of operation.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site is physically suitable for the type and intensity of the proposed Auto Title Loan use, as the suite where the proposed Auto Title Loan use is to be located is 3,093 square feet, exceeding the minimum Special Use Permit requirement of 1,500 square feet dedicated to the use.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The subject site is accessed by Sahara Avenue and Richfield Boulevard. Both streets are sufficient to accommodate the amount of vehicular trips associated with the proposed use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

Approval of the Special Use Permit is consistent with the General Plan, and will not compromise the public health, safety, or welfare.

5. The use meets all of the applicable conditions per Title 19.04.

The proposed use does not meet all Minimum Special Use Permit Requirements pursuant to Title 19.04. Waivers are required to allow a 90-foot distance separation from a residential property where 200 feet is required, to allow a 990-foot distance separation from another Financial Institution, Specified where 1,000 feet is required, and to allow hours of operation from 7:00 a.m. to 11:00 p.m., where 8:00 a.m. to 11:00 p.m. is allowed.

RE: ***Application for Special Use Permit and Waivers of the Distance to Residential; Distance to Financial Institution, Specified; and the Condition on Hours of Operation***

To Whom It May Concern:

I am writing on behalf of Moneytree, Inc., in support of the application for a special use permit for the addition of auto title loan use to an existing Moneytree location at 2950 West Sahara Avenue (APN #: 162-05-816-006). Moneytree also seeks waivers of the separation requirement from residential use and another financial institution, specified, as well as the hours of operation condition.

This location is zoned C-1, Limited Commercial. The addition of the auto title loan use would not adversely affect surrounding properties, as this store is surrounded by commercial uses and is located along the major commercial corridor of Sahara Avenue. Although the commercial center lot containing the Moneytree site touches a parcel with residential use, requiring a waiver of the 200-foot distance separation requirement to allow a 90-foot distance separation, the Moneytree is buffered by other commercial buildings and parking, as well as a street that separates the residential and commercial uses. Moreover, although the Moneytree may be more than 1,000 feet away from another auto title loan; auto pawn; or financial institution, specified, use when measured building to building, a waiver of the distance separation to allow 900

RECEIVED
OCT 0 - 2010
SUP-39821

feet distance between such uses when 1,000 feet is required when measured property line to property line.

As the auto title loan use is also consistent with the current financial institution, specified, operations that exist at the location, there would be no variable impact by addition of auto title loans. Thus, Moneytree will continue to maintain its standard of operations, and the design, traffic generation, lighting, and noise at this location will remain the same. Moreover, the addition of the proposed use would not contribute in any adverse way to traffic, fire safety, or citizen safety.

Moneytree has been in business at this location since October 2002 and currently operates from 7:00 a.m. to 11:00 p.m., Monday through Saturday, and 9:00 a.m. to 9:00 p.m. on Sunday. In order to maintain its current operational standards, Moneytree respectfully requests a waiver of the condition that the auto title loan use be limited to the hours of 8:00 a.m. to 11:00 p.m.

Moneytree is an established company with operations throughout southern Nevada that are aesthetically discreet and that maintain a low impact on neighboring properties. The company is an excellent corporate citizen that has contributed to local charitable organizations. Moneytree has also worked with the Nevada State Legislature during past sessions to enact regulations that prohibit predatory lending practices.

In this current economy, banks have often been unwilling to extend short-term loans. An auto-title loan allows customers seeking such financing the opportunity to obtain immediate, necessary funds while allowing the use of their vehicle to continue. Moneytree is looking to offer auto-title loans so that customers have the option of utilizing a variety of short-term loan that is most convenient to them.

Because Moneytree is an existing establishment that is compatible with the surrounding area and the addition of the auto title use is consistent with current operations at this location, the company respectfully requests a special use permit to add auto title loan use with waivers of the distance to residential; distance to another auto title loan, auto pawn, or financial institution, specified, use; and the hours of operation condition.

Please call me if you have any questions or need additional information.

Sincerely,

Jennifer Roberts

SDR-39810 CONDITIONS

Planning and Development

1. Approval of and conformance to the Conditions of Approval for Rezonings (Z-0108-88) and (Z-0037-93) shall be required, except as amended herein.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the landscaping on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the landscape plan date stamped 10/20/10, except as amended by conditions herein.

4. An Exception from Title 19.12.040 (B) is hereby approved, to allow 191 trees where 418 trees are required and to allow 1,097 existing shrubs where 1,672 shrubs are required.

7. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

8. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time as Final Map submittal. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.

9. No turf shall be permitted in the non-recreational common areas, such as medians and amenity zones in this development.

10. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

11. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

12. All new landscaping installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

13. Vegetation that will ultimately grow to over three feet tall shall not be allowed within Public Sewer Easements. Public Sewer Easements are located between Craig Road and Crimson Leaf Drive, between Craig Road and Norte Circle, between Lone Mountain Road and Gonzalez Drive, and between Lone Mountain Road and Standing Bluff Way.

14. Remove and replace all substandard sidewalk improvements adjacent to this site along Craig Road, Jones Boulevard, Lone Mountain Road, and Decatur Boulevard. Any existing sidewalk damaged or removed by the removal of landscaping shall be repaired and restored at its original location concurrent with the installation of new landscaping for this site. Permits for all work in the public right-of-way shall be issued prior to commencing any work in the right-of-way.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Major Amendment to previously approved Rezonings (Z-0108-88) and (Z-0037-93). The request is to replace existing 191 Mondel Pine trees in the perimeter landscape buffer by different types of trees with the same quantity surrounding the Rancho Alta Mira Subdivision. The perimeter landscaping buffer trees were not planted in accordance with Title 19, of the required one tree per 30 linear feet when the residential subdivision was developed. The existing shrubs will not be affected by this request. Staff recommends denial.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
12/07/88	The City Council approved the request for a Rezoning (Z-0108-88) located on property bounded by Decatur Boulevard, Craig Road, Jones Boulevard and Lone Mountain Road, from R-E (Residence Estates) to R-PD5 (Residential Planned Development – 5 Units per Acre), R-PD7 (Residential Planned Development – 7 Units Per Acre), R-PD18 (Residential Planned Development – 18 Units Per Acre), C-1 (Limited Commercial). The Planning Commission and staff recommended approval.
02/27/89	The City Council approved the request for a clarification of certain conditions of approval and for ratification of those conditions required to be brought back to the City Council (Z-0108-88) on property bounded by Decatur Boulevard, Craig Road. Staff recommended approval.
11/22/89	The City Council approved the required review of the Conditions, Covenants and Restrictions for the Rancho Alta Mira project located on property bounded by Decatur Boulevard and Craig Road.
04/24/90	The Planning Commission approved a request for a Building Elevation Review (Z-0108-88) regarding proposed single family dwellings on property located on the southeast corner of Lone Mountain Road and Jones Boulevard. The Planning and Development Department staff recommended approval.
12/05/90	The City Council denied a request for a Plot Plan and Building Elevation Review (Z-0108-88) of a proposed condominium project on property located on the west side of Camino Del Oro, south of Lone Mountain Road. The Planning Commission and staff recommended approval.

10/02/91	The City Council approved the request of VTN on behalf of Rancho Alta Mira for a Review of Condition of Approval (Z-0108-88) Number 28, which required that all off-site improvements on Craig Road, Jones Boulevard and Lone Mountain Road be installed no later than 24 months after the first permit is issued for the first phase. Staff had no objection – subject to all improvements being completed within 30 days of the completion of the Craig Road project.
05/20/92	The City Council approved the request for a Review of Condition of approval (Z-0108-88), which required installation of all off-site improvements on Craig Road, Decatur Boulevard and Lone Mountain Road project, whichever comes first, in relation to Phase 2 of the Rancho Alta Mira development. Staff recommended approval.
06/03/92	The City Council approved a Review of Condition of approval [Z-0108-88(5)] to allow a portion of original Parcel Number 10 to be re-designated from Area 3 to Area 2, which will allow 6,000 square foot minimum lots and 1,250 square-foot minimum homes where 6,500 square-foot minimum lots and 1,500 square-foot minimum homes were required on property generally located on the southwest corner of Decatur Boulevard and Lone Mountain Road. The City Council approved reduction in the minimum square footage of the homes to 1,420 square feet; however, the minimum lot size of 6,500 square feet shall be maintained. Staff recommended denial.
08/05/92	The City Council approved the request for a Plot Plan and Building Elevation Review [Z-0108-88(6)] of proposed condominium development on property generally located on the west side of Camino Del Oro, south of Lone Mountain Road. The Planning Commission and staff recommended approval.
01/20/93	The City Council withdrew at the request of the applicant the request for a Review of Condition of approval (Z-0108-88), which required minimum square footage of homes to be 1,250 square feet in Area #2, located on the southeast corner of Lone Mountain Road and Jones Boulevard, to be amended to allow one model to be a minimum of 1,075 square feet in an R-PD5 zone.
06/02/93	The City Council approved the request for a Rezoning (Z-0037-93) located on the northwest corner of Decatur Boulevard and Camino Del Rancho, from R-E (Residence Estates) to R-PD7 (Residential Planned Development – 7 Units per Acre). The Planning Commission and staff recommended approval.
02/16/94	The City Council approved the request for a Plot Plan and Building Elevation Review [Z-0108-88(9)] of proposed single family detached dwelling units on property located on the southeast corner of Camino Del Rancho and Camino Del Oro. The Planning Commission and staff recommended approval.
	The City Council approved the request for a Plot Plan and Building Elevation Review [Z-0108-88(10)] of proposed single family detached dwelling units on property located on the northwest corner of Orono Lane and Camino Del Oro. The Planning Commission and staff recommended approval.

08/03/94	The City Council approved the request for Rezoning (Z-0066-94) located on the southeast corner of Camino Del Oro and Camino Del Rancho, from R-E (Residence Estates) – under Resolution of Intent to R-PD17, to R-PD6 (Residential Planned Development – 6 Units per Acre). The Planning Commission and staff recommended approval.
	The City Council approved the request for Rezoning (Z-0068-94) located on the northwest corner of Camino Del Oro and Orono Lane, from R-E (Residence Estates) – under Resolution of Intent to R-PD17, to R-PD4 (Residential Planned Development – 4 Units per Acre). The Planning Commission and staff recommended approval.
11/16/94	The City Council approved the request for reclassification of property (Z-0124-94) located on the north side of Camino Del Rancho, approximately 700 feet west of Decatur Boulevard, from R-E (Residence Estates) to R-PD6 (Residential Planned Development – 6 Units per Acre). The Planning Commission and staff recommended approval.

Most Recent Change of Ownership	
04/05/94	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses
There are no building permits issued for the existing perimeter landscaping buffer.

Pre-Application Meeting	
06/16/10	A pre-application meeting was held with the applicant, where elements of submitting a Site Development Plan Review for the tree replacement within the Rancho Alta Mira subdivision perimeter landscape buffer were discussed. The topics included: • The Title 19 planting requirement is 24-inch box minimum tree per 30 feet on center; the existing trees planted within the perimeter landscape buffer do not comply with these standards. There are 191 existing trees within the perimeter landscaping buffer where 418 are required. • A Major Amendment for Rezonings (Z-0108-88) and (Z-0037-93 will be required, due to the applicant's requests to change out the same tree quantity. • Submittal of the phasing plan will be required in addition to, the proposed landscaping plan.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
10/15/10	A site visit by staff noted that two segments of the perimeter block wall are damaged. One segment includes the wall along Jones Boulevard in proximity to the Jones Boulevard and Lone Mountain Road intersections. The other damaged wall is located along Decatur Boulevard in proximity to the Decatur Boulevard and Lone Mountain Road intersections.

ANALYSIS

Rancho Alta Mira subdivision is bounded by Lone Mountain Road, Craig Road, Jones Boulevard and Decatur Boulevard. The subdivision was approved under Rezonings (Z-0108-88) and (Z-0037-93). The subdivision is adjacent to an existing off-street Bike Path located along Lone Mountain Road, and the Bike Path is part of the Trails Element of the General Plan. The subdivision is located within the Airport Overlay District with a 140-foot height restriction and the request for landscaping modification will not affect the status of the trail or the height restrictions.

The submitted landscape plan consists of the existing and proposed planting plan. The existing landscape plan shows that the existing perimeter landscaping buffer contains Mondel Pine trees planted along Lone Mountain Road, Craig Road, Jones Boulevard, and Decatur Boulevard. The applicant is proposing to replace the existing Mondel Pine Trees with four different tree types: Swan Hill Olive, Chaste Tree, Holly Oak, and Carob Tree. The existing Mondel Pine trees within the landscape buffer were not planted in accordance with the landscaping standards at the time of original approval regarding tree spacing requirement of one per 30 linear feet. Currently, there are 191 Mondel Pine trees and 1,097 existing shrubs consisting of 17 different shrub types within the perimeter landscaping buffer. The existing shrubs will not be affected by the tree replacement and the number will remain the same. The applicant has requested an Exception of Title 19.12.040 (B) to allow 191 perimeter trees where 418 trees were required and 1,097 existing shrubs where 1,672 shrubs are required. A condition of approval has been added addressing the exception request, if approved.

An exhibit was submitted to illustrate different phases of the perimeter landscaping modification. The first phase will include the perimeter landscape buffer along Jones Boulevard and Lone Mountain Road east to Casa Del Oro. The second phase will be from Casa Del Oro east along Lone Mountain Road and Decatur Boulevard. The third phase will be entire segments of Craig Road.

The existing landscape buffer is inconsistent with the Landscape, Wall and Buffer Standards in place of at the time of approval, and the existing trees and shrubs are not planted as required. Staff is therefore recommending denial of this request, with conditions if approved.

The Las Vegas Valley Water District (LVVWD) has requested that final landscape plans be submitted to them for a courtesy review to verify that the location of the proposed trees do not conflict with the existing meters on site.

FINDINGS (SDR-39810)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The existing subdivision is compatible with adjacent development and development in the area.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The existing landscape buffer is inconsistent with the Landscape, Wall and Buffer Standards in place at the time of approval and the existing trees and shrubs are not planted as required.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   The site is an existing subdivision; therefore, site access and circulation do not negatively impact adjacent roadways or neighborhood traffic.

4. **Building and landscape materials are appropriate for the area and for the City;**

   Landscaping materials are appropriate, but not provided in sufficient quantities to conform to the requirements in place at the time of approval.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   No buildings are proposed as part of this request.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The landscaping plan will be subject to plan check review by the City of Las Vegas and the Las Vegas Valley Water District.

Re: Justification Letter for Landscape Improvements around Perimeter Landscape Buffer at Rancho Alta Mira

Dear Sir:

Rancho Alta-Mira home owners association (HOA) is located in the City of Las Vegas bordering Craig road on the South, Lone Mountain Road on the North, Jones Boulevard on the West, and Decatur Boulevard on the East. This community sits on approximately 330 acres and houses 1,353 single family residences. The community was built in 1990 and completed in 1996.

Rancho Alta-Mira HOA has a landscape buffer zone surrounding the community on all streetscapes. The existing plant material consists of large pine trees, large shrubs, accents, groundcover, decorative rock mulch, boulders, and an automatic irrigation system.

The reason for this letter is to justify replacing all (191) existing pine trees in the perimeter landscape buffer area that are overgrowing into the perimeter walls and sidewalks causing damage. There are approximately 90 areas documented where damage to the walls and sidewalk have occurred. It is our intent to repair the damaged walls and sidewalks and to remove and dispose of all the pine trees in (3) phases and to replace them with 24-inch box trees that potentially have a smaller root system, and are slower growing, to protect the walls and sidewalks from further damage, enhancing the visual aesthetic and providing shade.

As required by title 19.12 the residential perimeter landscape buffer shall have a 24-inch minimum box tree and shall be placed at one per 30 linear feet with (4) 5-gallon shrubs per tree. The total tree and shrub count per the requirement is (418) trees and (1,672) shrubs, an increase of the existing trees and shrubs on-site to (228) 24-inch box trees and (575) 5-gallon shrubs. This increase of trees and shrubs would more than double the cost of the project, increase the cost of maintenance, and triple the water consumption and bill resulting in a approximately 8% increase in homeowner's dues. Therefore Rancho Alta-Mira HOA is requesting an exception for the required number of trees (418) and (575) shrubs based on the title 19 requirement and to only replace the (191) existing pine trees.

For the reasons listed above we are requesting approval for these landscape improvements.

PLANNING COMMISSION MEETING DATE: OCTOBER 21, 2010
DEPARTMENT: PLANNING AND DEVELOPMENT
ITEM DESCRIPTION: APPLICANT/OWNER: CITY OF LAS VEGAS

** PROPOSED AMENDMENT(S) **

1. Title 19.14.100(B) is hereby amended to define the approval process for building wrap signage which incorporates off-premise messages:

Title 19.14.100 OFF-PREMISE SIGNS

(B) SPECIAL USE PERMIT REQUIRED

(1) Except as otherwise provided in Subsections (F) and (G) of this Section a Special Use Permit is required for all off-premise signs prior to the construction, placement, erection or modification of the sign in accordance with the requirements of this Chapter. A Special Use Permit application shall be processed in accordance with Section 19.18.060. Furthermore, the property owner(s), owner(s), of the structure or other responsible person shall maintain in force, at all times, a sign certificate for the sign in accordance with the requirements of this Chapter.

(2) The Special use Permit requirement set forth in Paragraph (1) is in addition to and independent of any locational provision or limitation contained in this Section. In determining whether to approve or deny a Special use Permit under this Section, the Planning Commission and City Council may consider the aesthetic impact of the sign on the area and all other aspects of the sign's compatibility with the surrounding area, including the existence or nonexistence of other signage in the area.

(3) Building wrap signage which incorporates off-premise messages, as described in Section 19.14.XXX, shall require the approval of a Special Use Permit. Building wrap signage shall be exempt from the separation and distance requirements, right-of-way setback requirements, size limitations, and height limitations set forth herein, and shall be subject to the requirements contained in Section 19.14.XXX.

~~(3)~~(4) In connection with the approval of a Special Use Permit under this Section, the Planning Commission or City Council may impose a time limit on the approval or require a periodic review of the sign as a condition of approval, provided that:

(a) In the case of a time limit, the limit is not less than three years; and

(b) In the case of a periodic review, the review is not sooner than three years after the approval.

~~(4)~~(5) After conducting a review, the City Council may require removal of the sign if it is demonstrated that conditions in the surrounding area have changed in such a manner that the sign no longer meets the standards established in Section 19.18.060(L).

2. Title 19.14 is hereby amended to add a new section, to be entitled "Building Wrap Signage," as follows below:

Title 19.14.XXX BUILDING WRAP SIGNAGE

(A) BUILDING WRAP SIGN DEFINED

A large-format sign, consisting of an image printed on vinyl, mesh or other material with or without written text, supported and attached to a wall by an adhesive and/or by using stranded cable and eye-bolts and/or other materials or methods. A building wrap sign may also include an electronic message unit that otherwise meets the provisions of this Section.

(B) GENERAL PROVISIONS

(1) Building wrap signage shall be limited to properties where there is a Gaming Establishment, Non-Restricted use with an active business license.

(2) Building facades on which the building wrap signage is to be located shall have a minimum height of 50 feet.

(C) LOCATIONAL PROVISIONS

(1) Building wrap signage is limited to the following locations:

(a) The Downtown Centennial Plan Overlay District, as defined in Section 19.06.060, except as otherwise excluded herein.

(b) Outside of the Downtown Centennial Plan Overlay District, building wrap signage may be permitted for any property with a Gaming Establishment, Non-Restricted use which directly abuts

the rights-of-way of Interstate 15, Interstate 515 or the U.S. 95 freeways except as otherwise excluded herein.

(2) Building wrap signage shall not be permitted within the following areas:

(a) The Las Vegas Boulevard Scenic Byway Overlay District, as defined in Section 19.06.140; and

(b) The Off-Premise Sign Exclusionary Zone, as defined in Section 19.14.100.

(D) DIMENSIONAL AND OTHER STANDARDS

(1) Minimum area. Building wrap signage shall have a minimum area of 2,400 square feet.

(2) Maximum area. None.

(3) Maximum height. Building wrap signage shall not extend above the roof or parapet of the building to which it is attached. Building wrap signage shall be located a minimum height of 15 feet above the grade of the abutting sidewalk or the average finished grade of the subject property, whichever is greater.

(4) Maximum Projection. Building wrap signage shall not project more than two feet from the facade of the building to which it is attached.

(5) Maximum number. One building wrap sign is permitted per building elevation, not to exceed a maximum of four building wrap signs per property.

(6) Orientation.

(a) Downtown Centennial Plan Overlay District: Building wrap signage may be oriented in any direction.

(b) Outside of the Downtown Centennial Plan Overlay District: Building wrap signage shall only be located on the building elevation that is most directly parallel to the freeway which abuts the property.

(7) Illumination.

(a) Building wrap signage may be illuminated internally or externally.

(b) Building wrap signage located within the boundaries of the Downtown Casino Overlay District and the Downtown Entertainment Overlay District, as defined in Title 19.06, shall be exempt from the requirement for 75% neon illumination.

(c) Illuminated building wrap signage shall be subject to the Residential Protection Standards contained in Section 19.14.070.

(E) REVIEW AND APPROVAL PROCEDURES

(1) Certificate Required. All building wrap signage shall require the approval of a sign certificate. No building wrap signage shall be installed unless a sign certificate has been obtained.

(2) Downtown Centennial Plan Overlay District. Within the boundaries of the Downtown Centennial Plan Overlay District, applications for building wrap signage shall be submitted to the Planning & Development Department for review and approval by the Downtown Design Review Committee (DDRC). The DDRC shall not have the ability approve waivers from the dimensional standards and location provisions contained herein.

(3) Off-Premise Messages. Building wrap signage that is to be utilized for off-premise messages shall require the approval of a Special Use Permit in accordance with the procedures listed in Section 19.14.100(B), in addition to the approval procedures listed above. Building wrap signage with off-premise messages shall be exempt from the separation and distance requirements, right-of-way setback requirements, size limitations, and height limitations set forth in Section 19.14.100.

3. Title 19.20.020 is hereby amended to add the following definitions as follows:

Title 19.20.020 WORDS AND TERMS DEFINED

Building Wrap Sign. A large-format sign, consisting of an image printed on vinyl, mesh or other material with or without written text, supported and attached to a wall by an adhesive and/or by using stranded cable and eye-bolts and/or other materials or methods. A building wrap sign may also include an electronic message unit that otherwise meets the provisions of this Section.

Building Façade. That portion of any exterior elevation on the building extending from grade to top of the parapet, wall, or eaves and the entire width of the building elevation.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request to amend Title 19.14 and Title 19.20 to define standards for building wrap signage. This signage is proposed to be permitted only in conjunction with non-restricted gaming facilities

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
08/28/08	The Planning Commission recommended approval of TXT-26651, which proposed the creation of a new district within the Downtown Centennial Plan, and would have allowed the installation of building wrap signage within the new district. The text amendment was stricken from the 11/05/08 City Council agenda.

ANALYSIS

The amendment as proposed would create a new type of sign called "building wrap signage," which is defined as large-format signage that is affixed or adhered to a building façade. The new sign type would be limited to properties with an active Non-Restricted Gaming license.

The following table summarizes the proposed requirements for building wrap signage:

Location:	**Requirements**
Where permitted:	• Downtown Centennial Plan: All Non-Restricted Gaming properties • Outside Centennial Plan: Non-Restricted Gaming properties w/ direct freeway frontage only
Exclusions:	• Not permitted in the Scenic Byway Overlay • Not permitted in the Off-Premise Sign Exclusionary Zone
Dimensional Standards:	**Requirements**
Minimum qualifications:	• 50' building height minimum
Minimum sign area:	• 2,400 SF
Maximum sign area:	• None

Maximum height:	• Cannot extend above roof/parapet • Must be minimum of 15' above grade
Maximum #:	• 1 per building facade
Projection:	• 2' max from building facade
Orientation	• Centennial Plan: No orientation requirements • Outside Centennial Plan: Signage may be located on freeway façade only
Illumination:	**Requirements**
Illumination	• Internal or external illumination permitted • Exempt from neon illumination requirement in Downtown Casino Overlay District
Approval Process:	**Requirements**
Downtown Casino Overlay District	• Building wrap signage must be reviewed by the DDRC (Downtown Design Review Committee)
All other areas	• Sign certificate only
Off-premise advertising	• SUP required • Separation, size & other billboard limitations not applied

FINDINGS

The proposed text amendment will achieve the following:

- Establish
- The sign type is restricted to the Downtown Centennial Plan area and limited areas along freeways, thereby reducing impacts to single-family neighborhoods;

ANALYSIS

Introduction:

Title 19 of the Las Vegas Municipal Code, which is the city's zoning regulations, was last revised in 1997. As the city continues to grow and mature, codes must be updated to reflect changing conditions and adopted initiatives. Consequently, Planning & Development staff has initiated revisions to Title 19 to reflect current development patterns and incorporate new initiatives, such as sustainability and transit-oriented development. A form-based code approach has been selected as the appropriate graphic format for the code revision, as a means to promote understanding and application of zoning regulations. A form-based code is characterized by the following two qualities: the use of diagrams and visual examples to explain regulations, and an emphasis on regulating the form of the built environment. This form-based approach has been hybridized with current text standards in the creation of the proposed Unified Development Code.

Draft Organization:

Staff is proposing to organize the revision into generalized chapters that address the requirements of both the current subdivision regulation and zoning code as one comprehensive title. The merging of these two titles (Title 18 and 19) will create a Unified Development Code (UDC) for the city that will provide greater assurance that development is occurring in conformance with the master plan. UDCs streamline the development process by weaving development standards together, reducing conflicts between standards and providing staff and the community a single point of reference for standards and regulations related to development.

At this time staff is presenting draft chapters for Chapter 19.00 – General Provisions, Chapter 19.02 – Subdivision Design, Construction and Improvement Requirements, Chapter 19.04 – Complete Street Standards, Chapter 19.06 – Residential Districts - Purpose and Development and Design Standards, Chapter 19.08 – Commercial and Industrial Districts – Purpose and Development and Design Standards, Chapter 19.10 – Special Area and Overlay Districts - Purpose and Development and Design Standards, Chapter 19.12 – Permitted Uses, Chapter 19.14 – Nonconforming Uses and Structures, Chapter 19.16 – Applications and Procedures, and Chapter 19.18 – Definitions and Measures. The following table summarizes the substantive changes reflected in these four chapters from their corresponding existing regulations:

Chapter 19.00 – General Provisions:

Cosmetic Changes	Substantive Changes
• Greater use of graphics, figures, and tables to illustrate standards	• Merged Title 18 and 19 elements related to the stated purpose, reference title, administration, interpretation, enforcement and fee schedule
	• Relocated Official Zoning Map sections

What has changed since the original Planning Commission presentation of this material:

Chapter 19.02 – Subdivision design, Construction and Improvement Requirements:

Cosmetic Changes	Substantive Changes
• Reorganization of material	• No substantive changes have been made

Chapter 19.04 – Complete Street Standards:

Cosmetic Changes	Substantive Changes
• Reorganization of material	• Introduction of street tree section
• Greater use of graphics, figures, and tables to illustrate standards	• Clear definition of the expectations for the amenity zone
	• Consolidation of requirements for streetscape and street trees
	• Introduction of land use matrix

Chapter 19.06 - Residential Districts - Purpose and Development and Design Standards:

Cosmetic Changes	Substantive Changes
• Reorganization of material (e.g. standards present per district vs. summary comprehensive table with applicable standards spread through-out chapter)	• Streamlined the number of residential districts by merging several districts as follows: o Retire R-PD, PD and T-D o Remove R-CL from undesirable status ▪ Consolidate R-A into R-E ▪ Consolidate R-D into R-1 ▪ Consolidate R-3 into R-4 • Address standards within those new combined districts to ensure they are still compatible and properly transitioned
• Greater use of graphics, figures, and tables to illustrate standards	• Standards for signage, parking, and landscaping related to residential development placed in chapter
	• Added a Single Family Attached (R-TH) district as an additional zoning option to the development community

What has changed since the original Planning Commission presentation of this material:

Chapter 19.08 – Commercial and Industrial Districts - Purpose and Development and Design Standards:

Cosmetic Changes	Substantive Changes
• Reorganization of material	• Streamlines the number of commercial districts o Merger of C-PB into O/M (as appropriate) o Convert C-D from zoning district to overlay district o Convert N-S to C-1
• Greater use of graphics, figures, and tables to illustrate standards	• Reduced building setbacks in the C-1 district
• Renaming of P-R district to P-O district	• Increased allowable lot coverage in commercial districts and updated parking lot design standards to allow for landscape

Chapter 19.10 - Special Area and Overlay Districts - Purpose and Development and Design Standards:

Cosmetic Changes	Substantive Changes
• Reorganization of material	• Added maps (as appropriate) to connect the text of these districts where the text is applicable
• Greater use of graphics, figures, and tables to illustrate standards	• C-V district has graphics and modified text to better detail expectations for development within this district
	• C-V use information moved to the Permitted Uses chapter

What has changed since the original Planning Commission presentation of this material:

Chapter 19.12 – Permissible Uses:

Cosmetic Changes	Substantive Changes
• Reorganization of material	• Reorganized Permitted Uses Table by eliminating the categorical listing and alphabetizing the uses
• Greater use of graphics, figures, and tables to illustrate standards	• Separated the use/district matrix from the description/requirements text associated with each use
	• No substantive changes from currently adopted non-conformity provisions

What has changed since the original Planning Commission presentation of this material:

Chapter 19.14 – Nonconforming Uses and Structures:

Cosmetic Changes	Substantive Changes
• Reorganization of material	• No substantive changes from currently adopted non-conformity provisions

What has changed since the original Planning Commission presentation of this material:

- Non-conforming sign language moved from current 19.14.160 (Sign Standards - Non-conforming Signs) to new subchapter in UDC 19.14 (Nonconforming Uses and Structures)
- Language related to lots made non-conforming due to city action moved from current 19.08.030(G) (Development Standards – General: Non-Conformity Resulting from City Action) to new subchapter in UDC 19.14 (Nonconforming Uses and Structures)

Chapter 19.16 - Applications and Procedures:

Cosmetic Changes	Substantive Changes
• Merged Title 18 and 19 applications and refined various common application elements	• Added sections for actions not previously addressed (e.g. Extensions Of Time, etc.)
	• Added flow charts for each application type to visually represent the typical work flow for said application

What has changed since the original Planning Commission presentation of this material:

Chapter 19.18 – Definitions & Measures:

Cosmetic Changes	Substantive Changes
• New format to how information is presented	• Merged Title 18 and 19 elements related to how terms and phrases are defined
• Greater use of graphics, figures, and tables to illustrate standards	• Addressed a number of inconsistent definitions and added many illustrations to provide greater clarity
	• Added a Subchapter to address how measurements and calculations are intended to be done

What has changed since the original Planning Commission presentation of this material:

Partnerships:

Staff has worked with a wide variety of stakeholders in the review of the proposed revisions. As the draft document is completed and moves through the adoption process staff will continue to work with these groups to address the concerns and questions of the public and development industries. Department staff has worked with the following groups:

- ***Customer Feedback Group*** – Staff has worked with representatives of the development community and other stakeholder groups to review various aspects of the proposed code revision. This group consists of representatives of various community and professional organizations, including the Southern Nevada Home Builders Association (SNHBA), NAIOP, Regional Transportation Commission (RTC) and Clark County School District (CCSD). Additionally, the group contains land use attorneys, architects and private sector planning professionals.

- ***Southern Nevada Home Builders Association (SNHBA)*** – In addition to the Customer Feedback Group, staff has worked with representatives of the SNHBA's Community Development Subcommittee in reviewing their industry's specific concerns.

- ***Regional Transportation Commission (RTC)*** – As mentioned above, staff has reviewed the RTC's transportation plans in connection with proposed street sections and transit-oriented development (TOD) standards. Staff continues to work with the RTC regarding the location of future transportation infrastructure projects, such as the Downtown Transit Center, and how the city can capitalize on those improvements in the planning for future TOD districts, corridors or projects.

- ***City of Las Vegas Departments*** – The revisions anticipated as a part of this project extend beyond the Planning and Development Department. Staff has been working closely with members of the city's Public Works and Fire and Rescue Departments and the Office of Sustainability to ensure that goals and proposed changes are achievable across the range of interests represented by these various departments.

    - **Public Works** - Areas where the staff has been working collaboratively include the merge of Titles 18 and 19 into a UDC, addressing street widths and streetscapes as a part of the improved streets effort, and working on site development standards that integrate Low Impact Development (LID) principles as a part of the city's stormwater management program.

    - **Fire and Rescue** - Staff has been working collaboratively to address and resolve concerns related to street widths as a part of the improved streets effort.

- **Sustainability** - Areas where the staff has been working collaboratively include the merge of Titles 18 and 19 into a UDC, addressing the elimination of barriers to sustainable development practices, and working on additional improvements to promote sustainable development.

- **City Attorney's Office** – Staff from the City Attorney's Office have attended the special workshops, joint meetings and Planning Commission meetings where the revisions have been presented and various drafts have been discussed and distributed. Additionally, the CAO has been including in the routing process for the draft review process.

Timeline*:

- Upcoming events:

o 1st Quarter 2011	Based on the recommendation of the Planning Commission, the City Council will receive the revised code in ordinance form for their action.
o 2nd Quarter 2010	Provided the City Council adopts the revisions, staff training and public outreach regarding any changes and how to use the new code will be conducted.

* All time frames are tentative based on the current available information and resources; anticipated action by the Commission and Council and staff's progress so far on this project. Any changes could advance or delay the occurrence of these events.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for discussion and possible action to amend Section II(D) Linkages to add language relating to the Nevada Department of Transportation's plans to widen I-515/U.S. 95 on the north side. This proposal also includes a request to amend Section VII(D)(2) Permitted Uses of the Downtown Centennial Plan, to include Bed & Breakfast Inn, Auction House (Special Use Permit), Bakery, Beer/Wine/Cooler Off-Sale Establishment, (Special Use Permit), Convenience Store, Custom & Craft Work, Grocery Store and Internet Café in the 18b Las Vegas Arts District.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc.	
07/05/00	The City Council adopted the Las Vegas Downtown Centennial Plan. The Planning Commission recommended the document be adopted at its meeting on 04/27/00.
08/05/09	The City Council adopted Bill No. 2009-29, to adopt a revised Downtown Centennial Plan. The Planning Commission and Staff recommended approval.
11/04/09	The City Council adopted Bill No. 2009-42, to adopt a revised Downtown Centennial Plan. The Planning Commission and Staff recommended approval.
06/24/10	The Planning Commission recommended approval of Text Amendment (TXT-37903) to update sections of the Downtown Centennial Plan. Staff recommended approval.
10/20/10	The City Council held the second reading of Bill No. 2010-43 (TXT-37903).

ANALYSIS

Since the adoption of the Las Vegas Downtown Centennial Plan in 2000, there have been numerous updates and changes to Title 19. These changes often affected the language that is found in the Las Vegas Downtown Centennial Plan. However, some of these changes were never made. In addition, some previously approved Land Uses allowed in the 18b Arts District were mistakenly removed from the Plan. This amendment will correct these errors.

The proposed land uses to be added to the permitted Land Uses in the 18b Arts District are the following: Auction House, Bakery, Bed & Breakfast Inn, Beer/Wine/Cooler Off-Sale Establishment, Convenience Store, Custom & Craft Work, Grocery Store, and Internet Café. These uses are consistent with the goals of creating a vibrant, thriving arts community in downtown Las Vegas.

It is also important to know about major changes outside the Downtown Centennial Plan boundaries that may impact the plan area. As a result, language is being added to the Linkage Section about pending plans to widen I-515/U.S. 95 that forms the northern boundary of the Downtown Centennial Plan. Plans call for a 450-foot wide addition to the northern side of the existing right-of-way.

FINDINGS

The proposed amendment will further the goals of developing a thriving arts district by allowing additional Land Uses in the emerging 18b Arts District in downtown Las Vegas. This proposal will also provide additional information about the transportation network adjacent to the Downtown Centennial Plan area.

CITY OF LAS VEGAS
PLANNING COMMISSION

R U L E S A N D R E G U L A T I O N S

I. NAME:

In accordance with the provisions of Nevada Revised Statues 278.030 and 278.040, and Title II, Chapter 2, Section 44 of the Las Vegas Municipal Code, the name of this Commission shall be the City Planning Commission of the City of Las Vegas, Nevada (hereinafter the Planning Commission).

II. MEMBERSHIP:

A. In accordance with the provisions of Title II, Chapter 2, Section 44 of the Las Vegas Municipal Code, the Planning Commission shall consist of seven (7) members, one recommended by each member of the City Council and approved by the City Council.

B. The term of each Planning Commission member shall be four years or until his/her successor takes office, running concurrent with the term of the elected official recommending their appointment, and any vacancy occurring otherwise than through the expiration of the term must be filled for the unexpired term. All members must be City residents.

C. No incumbent Planning Commission member, or former Planning Commission member who has served at least two consecutive full four-year terms, shall be eligible for appointment to a further term until at least two years have elapsed since the expiration of his/her current term or the most recent term, as the case may be.

D. Members of the Planning Commission may be removed after a public hearing, by a majority vote of the City Council, for inefficiency, neglect of duty, or malfeasance in office.

E. A member of the Commission desiring to resign shall submit in writing a letter of resignation to the City Clerk's Office with copies to the City Council, the Chair, and the Planning & Development Department Director. The resignation shall be effective upon receipt by the City Clerk's Office.

F. Planning Commissioners shall comply with the Code of Ethical Standards as set forth in NRS 281.481 et seq. as applicable and amended.

It shall be the duty of the Vice-Chair to act as presiding officer at any regular or special meeting of the Planning Commission in the absence of the Chair.

C. Secretary:

The Director of the Department of Planning & Development, as appointed by the City Manager, shall serve as Secretary of the Planning Commission, and as such shall be responsible for the administration of the affairs of the Planning Commission. The Secretary shall be the custodian of all official records of the Planning Commission. In the event that both the Chair and Vice-Chair are incapacitated or otherwise unable to attend any regular or special meeting, the Secretary shall appoint another member to act as Chair for that particular meeting. In the absence of the Vice-Chair, the most senior member of the Commission shall act in that capacity. If multiple members have the same term, the Secretary shall appoint.

DRAFT

VI. MEETINGS:

A. Regular:

The Commission shall hold regular meetings generally on the ~~second Thursday and fourth Thursday~~ second Tuesday of every month at 6:00 p.m. in the City Hall, or other times and locations as the Planning Commission, by majority vote at a regular meeting, shall designate. Whenever this regular meeting date is in conflict with an official holiday, the regular meeting shall be convened on a different meeting day as designated by a majority vote of the Planning Commission at a previously convened regular meeting. A calendar of all meetings for the year shall be placed on ~~the~~ an agenda ~~the first meeting of November~~ for approval by the Planning Commission.

B. Special:

Special meetings shall be held on the call of the Chair with three (3) working days notice to all Planning Commission members as required under the Open Meeting Law. Upon petition of three (3) members, the Chair shall be required to call a special meeting. In the event a special meeting is officially called by the Chair, the Secretary shall use all reasonable means at his/her disposal to make certain that all members of the Planning Commission are notified of the date, hour, and place of the special meeting and the specific purpose for which it is called.

VII. QUORUM:

The attendance by four (4) members of the Planning Commission constitutes a quorum at any regular of special meeting, for purposes of convening a meeting.

VIII. ACTIONS:

All determinations by the Planning Commission shall be made on the basis of a majority vote of the members present and voting except as specifically noted elsewhere in these Rules. The adoption of the Master Plan or of any amendment, extension, or addition thereto, shall be carried by the affirmative votes of not less than two-thirds of the total membership of the Commission pursuant to NRS 278.210. Decisions on public hearing items shall be determined by a roll call vote or through use of an electronic voting device. A tie vote shall constitute failure of a motion and a new motion shall be made on the question at the same meeting. A tie vote after the second motion shall constitute no recommendation of the agenda item by the Planning Commission. A second to a motion duly made is not required and all motions shall be voted upon. Robert's Rules of Orders shall prevail in all cases that are not otherwise provided for in these By-Laws.

IX. VOTING PRIVILEGES:

All members of the Planning Commission shall be entitled to vote on all motions or resolutions presented before the Commission except as specifically noted in these Rules. Any member shall have the right to make a motion except the Chair.

X. CONFLICTS OF INTEREST:

A. A member of the commission shall not approve, disapprove, vote, or otherwise act upon any matter regarding which he has accepted a gift, loan, or other financial interest as defined in NRS 281.501, as applicable and amended, which would reasonably be affected by his/her commitment in a private capacity to the interest of others, or in which he/she has a pecuniary interest, without disclosing the nature and extent of the gift, loan, commitment or interest at the time the matter is considered.

   A member of the Commission shall consider refraining from approving, disapproving, voting, or otherwise acting upon any matter regarding which a member of his/her immediate family or relative has accepted a gift, loan, or other financial interest as defined in NRS 281.501, as applicable and amended without disclosing the full nature and extent of the gift, loan, commitment or interest at the time the matter is considered.

B. Abstentions: A member who decides to abstain whether because of a conflict of interest or otherwise must state his/her reasons for doing so on the record at the time the matter is considered and before the vote is taken. The abstaining member may absent himself or herself from the presence of non-abstaining members during the Commission's consideration of the matter in question.

XI. ATTENDANCE:

A. Each Commissioner who will be unable to attend a meeting of the Commission shall notify the Secretary at the earliest opportunity, but not later than 5:00 p.m. on the day prior to the date of the meeting. The Secretary shall notify the Chair if the projected absence(s) will produce a lack of quorum.

B. If a member of the Planning Commission without excuse fails to attend at least 75% of the meetings held within the previous 12 months or misses three consecutive meetings, the member shall be subject to removal from office at the discretion of the City Council.

C. Planning Commissioners, who were unable to attend a meeting at which an agenda item was heard but no substantive action was taken, may become informed about the agenda item by reviewing all submissions and either the video or audio tape of the proceedings, if any. After a full review of the materials related to the agenda item, and if otherwise, eligible to vote, the Planning Commissioners may vote on the agenda item simultaneously with the other Planning Commissioners.

XII. ADDRESSING THE COMMISSION:

A. Every Planning Commissioner desiring to speak shall address the Chair and, upon recognition by the Chair, shall confine himself or herself to the question under debate, avoiding all personalities and indecorous language.

B. A Planning Commissioner, once recognized, shall not be interrupted when speaking unless it is to call the Planning Commissioner to order. If a Planning Commissioner, who is speaking, is called to order, the Planning Commissioner shall cease speaking until the question of order is determined, and if in order, shall be permitted to proceed.

C. Any person wishing to address the Planning Commission shall first secure permission of the Chair to do so.

D. Oral presentations given during the Citizens' Participation portion of the agenda or any other agenda item should not be repetitious and shall be confined to three minutes maximum duration, unless the Chair or quorum of the Commission grants additional time. No action shall be taken on issues raised under the Citizens' Participation portion of the agenda.

XIII. USE OF CITY STAFF:

A. Planning Commissioners should always feel free to go to the Planning Director. Commissioners will provide ongoing feedback, information, and perceptions to the Planning Director. When a Commissioner has a concern with the Planning & Development Department, the concern should be discussed with the Planning Director.

B. Planning Commissioners shall make all requests for staff time to the Planning Director, who is authorized to approve or deny such requests.

C. Planning Commissioners may and should seek clarifying information from the Planning Director. Direct communication with employees of the Planning & Development Department is allowed at the discretion of the Director.

D. Planning Commissioners shall address legal questions regarding matters before the Commission to the City Attorney's Office and inform the Planning Director.

XIV. ADOPTION AND AMENDMENTS:

A. Adoption:

These Rules shall be adopted by a majority vote of the entire Planning Commission.

B. Amendments:

These Rules may be amended from time to time by a majority vote of the entire Planning Commission provided such Amendments are not inconsistent with or in conflict with the City Charter or any Ordinance of the City of Las Vegas or the Nevada Revised Statutes and provided further that any proposal to amend the Rules shall be presented to the Planning Commission at a regular meeting, discussed and tabled, and be included on the Agenda for action by the Planning Commission at the next regular meeting.
