CHAIR TRUESDELL declared the Public Hearing open.

Using the PowerPoint submitted for the record, MARGO WHEELER, Director of Planning and Development, updated the Commission on the Citizens Academy. A series of courses will be available throughout the year, and outreach will be through volunteers who apply for the program. Other cities, such as San Jose, CA and Phoenix, AZ have similar programs, which provide citizens an opportunity to acquire a better understanding of planning, zoning and entitlement process and current trends. These classes are at no cost to the applicant or the City.

MS. WHEELER gave details on the courses offered, timeline and website information. She concluded by stressing the importance of understanding planning and its impact throughout the community.

COMMISSIONER TROWBRIDGE looked forward to the program's success.

CHAIR TRUESDELL declared the Public Hearing closed.
