COMMISSIONERS

Steven Evans, Chair
Richard Truesdell, Vice Chair
Byron Goynes
Glenn E. Trowbridge
Vicki Quinn
Gus W. Flangas
Todd L. Moody

Facilities are provided throughout City Hall for convenience of persons with disabilities. For meetings held in the Council Chambers, sound equipment is available for persons with hearing impairments. If you need an accommodation to attend and participate in this meeting, please call the DEPARTMENT DESIGNEE at (702) 229-6301 and advise of your need at least 48 hours in advance of the meeting. The City's TDD number is (702) 386-9108.

April 12, 2011

6:00 PM

ALL ITEMS ON THIS AGENDA ARE SCHEDULED FOR ACTION UNLESS SPECIFICALLY NOTED OTHERWISE. UNLESS OTHERWISE STATED, ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Clerk's Bulletin Board, City Hall Plaza, 2nd Floor Skybridge
Clark County Government Center, 500 South Grand Central Parkway
Las Vegas Library, 833 Las Vegas Boulevard North
Grant Sawyer Building, 555 East Washington Avenue
Bulletin Board, City Hall Plaza (next to Metro Records)

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS AND PAYMENT OF THOSE COSTS SHALL BE MADE UPON FILING OF THE APPLICATION.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.

3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.

4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.

5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.

6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.

7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.

8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

BUSINESS ITEMS:

1. CALL TO ORDER

2. ANNOUNCEMENT: COMPLIANCE WITH OPEN MEETING LAW

3. ROLL CALL

4. APPROVAL OF THE FINAL MINUTES FOR THE PLANNING COMMISSION WORKSHOP MEETING OF FEBRUARY 24, 2011 AND THE PLANNING COMMISSION MEETING OF MARCH 8, 2011

5. Any Items from the Planning Commission, staff and/or the applicant wish to be stricken or held in abeyance to a future meeting may be brought forward and acted upon at this time.

CONSENT ITEMS:

CONSENT ITEMS ARE CONSIDERED ROUTINE BY THE PLANNING COMMISSION AND MAY BE ENACTED BY ONE MOTION. HOWEVER, ANY ITEM MAY BE DISCUSSED IF A COMMISSION MEMBER OR APPLICANT SO DESIRES.

ONE MOTION - ONE VOTE

THE FOLLOWING ARE ITEMS THAT MAY BE CONSIDERED IN ONE MOTION/ONE VOTE. THEY ARE CONSIDERED ROUTINE NON-PUBLIC AND PUBLIC HEARING ITEMS. ALL PUBLIC HEARINGS AND NON-PUBLIC HEARINGS WILL BE OPENED AT ONE TIME. ANY PERSON REPRESENTING AN APPLICATION OR A MEMBER OF THE PUBLIC OR A MEMBER OF THE PLANNING COMMISSION NOT IN AGREEMENT WITH THE CONDITIONS AND ALL STANDARD CONDITIONS FOR THE APPLICATION RECOMMENDED BY STAFF, SHOULD REQUEST TO HAVE THAT ITEM REMOVED FROM THIS PART OF THE AGENDA.

PROJECT DESCRIPTION

This is a request for a Rezoning of property located at 2324 West Charleston Boulevard, from C-D (Designed Commercial) zoning district to C-1 (Limited Commercial) zoning district. The property contains a vacant office building and no new development is being proposed as part of this application. The subject site is one of three parcels zoned C-D, but surrounded by C-1 zoned properties. As the proposed C-1 District conforms to the existing land use designation of SC (Service Commercial) and will be compatible with the surrounding land uses and zoning districts, staff recommends approval. If this application is denied, the zoning designation would remain C-D (Designed Commercial).

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
08/18/71	The Board of City Commissioners approved a request for a Rezoning (Z-0045-71) of property generally located on the north side of Charleston Boulevard between Rancho Road and Shetland Road from R-E (Residence Estates) to C-D (Designed Commercial). The Planning Commission recommended approval.
12/12/91	The Planning Commission approved a request for a Plot Plan and Building Elevation Review (Z-0045-71) for a proposed office building and temporary office trailer on property located at 2324 West Charleston Boulevard. The Department of Planning staff recommended approval.
02/15/92	The City Council approved a request for a Variance (V-0163-91) to allow a proposed office building at 47 percent lot coverage where 30 percent is the maximum lot coverage allowed, and a request to allow a temporary modular trailer office until the permanent office structure is completed on property located at 2324 West Charleston Boulevard. The Board of Zoning Adjustment and staff recommended denial.
05/19/93	The City Council approved a request for an Extension of Time [V-0163-91(1)] which allowed a proposed office building with 47 percent lot coverage where 30 percent is the maximum coverage allowed and allowed a temporary modular trailer office on property located at 2324 West Charleston Boulevard. The Board of Zoning Adjustment and staff recommended approval.
04/20/94	The City Council approved a request for an Extension of Time [V-0163-91(2)] which allowed a proposed office building with 47 percent lot coverage where 30 percent is the maximum coverage allowed and allowed a temporary modular trailer office on property located at 2324 West Charleston Boulevard. The Board of Zoning Adjustment and staff recommended approval.

03/15/95	The City Council approved a request for an Extension of Time [V-0163-91(3)] which allowed a proposed office building with 47 percent lot coverage where 30 percent is the maximum coverage allowed and allowed a temporary modular trailer office on property located at 2324 West Charleston Boulevard. The Board of Zoning Adjustment and staff recommended approval.
03/20/96	The City Council approved a request for an Extension of Time [V-0163-91(4)] which allowed a proposed office building with 47 percent lot coverage where 30 percent is the maximum coverage allowed and allowed a temporary modular trailer office on property located at 2324 West Charleston Boulevard. The Board of Zoning Adjustment and staff recommended approval.

Most Recent Change of Ownership	
09/23/03	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
11/05/96	A building permit (#96020490) was issued for a three story building at 2324 West Charleston Boulevard. The project was completed on 07/29/97.
07/02/04	A building permit (#04016794) was issued for a tenant improvement remodel at 2324 West Charleston Boulevard. The project was completed on 08/27/04.

Pre-Application Meeting	
02/15/11	A pre-application meeting was held with the applicant where the submittal requirements for a Rezoning were discussed.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
03/03/11	A site visit was conducted by staff. The building on site is vacant and is well maintained.

Street Name	*Functional Classification of Street(s)*	*Governing Document*	*Street Width (Feet)*	*Compliance with Street Section*
Charleston Boulevard	Primary Arterial	Master Plan of Streets and Highways	100	Y

ANALYSIS

The subject property contains a vacant office building. The request for rezoning will not result in the change of the physical characteristics of the property. The property is located in the Airport Overlay District with a 175-foot height restriction, which will not be impacted by this request. It is part of the Rancho/Charleston Land Use Study and Strategic Plan, which designates the property for service commercial uses.

The C-1 (Limited Commercial) zoning district is intended to provide most retail shopping and personal services, and may be appropriate for mixed use developments. This district should be located on the periphery of residential neighborhoods and should be confined to the intersections of primary and secondary thoroughfares along major retail corridors. The subject property is adjacent to a shopping center to the north and abuts Charleston Boulevard to the south, a primary arterial, as designated by the Master Plan of Streets and Highways.

The proposed rezoning from C-D (Designed Commercial) zoning district to C-1 (Limited Commercial) zoning district will be consistent with the SC (Service Commercial) land use designation of the 2020 Las Vegas Master Plan (Southeast Sector). The proposed rezoning of this property meets the zoning strategy as specified by the Rancho/Charleston Land Use Study and Strategic Plan, by proposing an appropriate C-1 Zoning District with the SC (Service Commercial). This action would fulfill the recommendations contained within the Rancho/Charleston Land Use Study and Strategic Plan; therefore, staff recommends approval.

FINDINGS (ZON-41006)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. **The proposal conforms to the General Plan.**

   The proposed C-1 (Limited Commercial) zoning district is consistent with the existing SC (Service Commercial) land use designation of the General Plan.

2. **The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.**

   The proposed Rezoning to C-1 (Limited Commercial) will be compatible with the surrounding commercial land uses and zoning districts.

3. **Growth and development factors in the community indicate the need for or appropriateness of the rezoning.**

   The Rancho/Charleston Land Use Study and Strategic Plan designates the subject site for Service Commercial land use. This request to rezone the property to C-1 (Limited Commercial) conforms to the existing land use designation of SC (Service Commercial) of the General Plan and the Rancho/Charleston Land Use study.

4. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.**

The access to the subject site is provided along Charleston Boulevard. This street is adequate in size to meet the requirements of the proposed zoning district.

ZON-41006 – APPLICANT/OWNER: CHARLESTON RANCHO, LLC
2324 WEST CHARLESTON BOULEVARD

03/03/11

February 15, 2011

Mr. Flinn Fagg, Acting Director
City of Las Vegas
Planning and Development Department
330 N. Rancho Dr.
Las Vegas, NV 89106

Re: 2324 W. Charleston Blvd.
APN: 139-32-802-032

Dear Mr. Fagg:

This letter is submitted as justification for an application for Rezoning for the above listed property. The parcel is located in Ward 1, on the north side of Charleston Boulevard, a 100 foot wide primary roadway, approximately 330 feet west of Rancho Drive, a 100 foot wide primary roadway. The surrounding area is primarily commercial and office, with the Las Vegas Medical District located east of Rancho Drive. Single-family residential in the rural to low density range is located to the north and south of the commercial properties along Charleston Boulevard.

The request is to change the existing C-D (Designed Commercial) designation to C-1 (Limited Commercial) to allow the applicant greater flexibility in attracting a tenant for the existing office structure on the site. As you are aware, the C-D district was designed to provide standards for the development of light commercial uses along this section of Charleston Boulevard, while acting as a buffer to the adjacent low density residential properties. In this particular case there is no adjacent residential. In fact, while the two adjacent parcels to the east are similarly zoned C-D, the property to the immediate north and west is the site of a long-standing commercial shopping center zoned C-1. To the west of that property are additional C-D parcels that buffer the closest residential to this site, approximately 150 feet west and 100 feet north of the subject parcel. It should also be noted that in the proposed Unified Development Code, the C-D district is to be converted from a zoning district to an overlay district. Lastly, and possibly most importantly, the Rancho/Charleston Study Area Proposed Future Land Use Plan designates the subject property for Service Commercial use.

As the applicants representative for this application I will be happy to provide any additional information you may require or respond to any questions you may have. Thank you for your consideration.

Respectfully,

Robert S Genzer
Genzer Consulting

1. The Special Use Permit (SUP-3285) shall be reviewed in three (3) years, at which time the City Council may require the off-premise sign to be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Sign be removed.

2. The Off-Premise Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Sign.

3. If the existing Off-Premise Sign structure is removed, this Special Use Permit shall be expunged and a new Off-Premise Sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City Council, or (2) the location is in compliance with all applicable standards of Title 19 of the Las Vegas Municipal Code including, but not limited to, distance separation requirements, or (3) a Variance to the applicable standards of Title 19 has been approved for the new structure by the City Council.

4. All City Code requirements and design standards of all City Departments shall be satisfied.

Staff Report Page One
April 12, 2011 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

This request is for a Required Five Year Review of an approved Special Use Permit (SUP-3825), which allowed a 14-foot by 48-foot Off-Premise Sign at the southeast corner of Highland Drive and Western Avenue. Staff recommends approval, with conditions subject to a Three-Year Review, as the sign continues to meet Title 19.14 requirements and the area has not changed significantly since the previous review. If denied, the Off-Premise Sign must be removed.

ISSUES

- This is the second Required Review since the initial approval of the Special Use Permit (SUP-3825) on 02/04/04.
- Installation of the Off-Premise Sign was completed on 01/12/07 and is addressed as 1703 Western Avenue for the sign permit.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
10/21/92	The City Council approved a Special Use Permit (U-0225-92) to allow an Auto Pawn Business on property located at 1701 Western Avenue. The Board of Zoning Adjustment and staff recommended approval. A Business Licensing inspection conducted on 01/06/03 indicated that the Auto Auction and Sales use was out of business; therefore, the license expired. An automobile towing business is the only current operating business on the subject site.
02/04/04	The City Council approved a Special Use Permit (SUP-3825) for a 40-foot tall, 14-foot by 48-foot Off-Premise Sign at the southeast corner of Highland Drive and Western Avenue, subject to review in two years. The Planning Commission and staff recommended approval.
04/19/06	The City Council approved a Required Two-Year Review (RQR-11565) of an approved Special Use Permit (SUP-3825) for a 40-foot tall, 14-foot by 48-foot Off-Premise Sign at the southeast corner of Highland Drive and Western Avenue, subject to review in five years. The Planning Commission and staff recommended approval.

Most Recent Change of Ownership	
05/21/08	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
08/30/04	A building permit (#04019436) was issued for an Off-Premise Sign at 1703 Western Avenue. The project was completed on 01/12/07.

Pre-Application Meeting
A pre-application meeting is not required, nor was one held.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

Field Check	
03/09/11	A site visit was conducted by staff with the following observations: • The Off-Premise Sign and supporting structure was well maintained. • There are no discernable signs of bird waste or graffiti. • There are no sign protrusions, extensions, or double-faced signage.

Details of Application Request	
Site Area	
Net Acres	1.55

DEVELOPMENT STANDARDS

Pursuant to Title 19.14.100, the following standards apply:

Standards	Code Requirement	Provided	Compliance
Location	No Off-Premise Sign may be located within the public right-of-way. May not be located within the Off-Premise Sign Exclusionary Zone except in exempted areas.	Not within Exclusionary Zone, nor Public Right-of-Way	Y
Zoning	Off-Premise Signs are permitted in the C-1, C-2, C-M and M Zoning Districts only.	Currently the property and surrounding area is zoned M (Industrial	Y

ANALYSIS

This is the second Required Review of an approved Special Use Permit (SUP-3825) to allow a 14-foot by 48-foot Off-Premise Sign. A site visit was conducted on 03/03/11 by the Planning Department, revealing a well-maintained Off-Premise Sign and related equipment. The sign is free of graffiti, bird nuisance, or any modifications from the original approval. This sign is located within the 200-foot Airport Overlay; however, no additional height is proposed and thus the sign continues to meet the requirements of this overlay district.

FINDINGS (RQR-40786)

A final sign inspection for the construction of the Off-Premise Sign at 1703 Western Avenue was completed on 12/09/97. The area has not changed significantly in land use or related development over the review period, and the sign remains in conformance with all other Title 19.14 requirements for the Off-Premise Sign use. Staff recommends approval of this review, subject to a three-year review.

RE: SUP-3285 - SPECIAL USE PERMIT
CITY COUNCIL MEETING OF FEBRUARY 4, 2004

Dear Mr. Christensen:

The City Council at a regular meeting held February 4, 2004 APPROVED the request for a Special Use Permit FOR A PROPOSED 40-FOOT TALL, 14-FOOT BY 48-FOOT OFF-PREMISE ADVERTISING (BILLBOARD) SIGN located adjacent to the southeast corner of Highland Drive and Western Avenue (APN: 162-04-703-001), M (Industrial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on February 5, 2004. This approval is subject to:

Planning and Development

1. Conformance to all Minimum Requirements under Title 19.14 for an Off-Premise Sign use and other applicable sign requirements.

2. The Special Use Permit shall be reviewed in two (2) years at which time the City Council may require the off-premise sign to be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign be removed.

3. The Off-Premise Advertising (Billboard) Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. In addition, the property owner shall keep the property properly maintained at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.

4. Only one advertising sign is permitted per sign face.

5. The entire face-area of both sides of the Off-Premise Advertising (Billboard) Sign shall be signage area or its border framework; none of the supporting structure shall be visible aside from the support pole.

6. If the Off-Premise Advertising Sign structure is removed, this Special Use Permit shall be expunged and a new off-premise advertising sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City Council, or (2) the location is in compliance with all applicable standards of Title 19 of the Las Vegas Municipal Code including, but not limited to, distance separation requirements, or (3) a Variance to the applicable standards of Title 19 has been approved for the new structure by the City Council.

7. All City Code requirements and design standards of all City Departments shall be satisfied.

Public Works

8. The proposed billboard shall not be located within public right-of-way, existing or proposed public sewer or drainage easements, or interfere with Site Visibility Restriction Zones.

Sincerely,

Angela Crolli

5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

Staff Report Page One
April 12, 2011 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request of a Special Use Permit for the proposed Tavern-Limited Establishment use within an existing hotel at 707 Fremont Street. Two previous Special Use Permits were approved allowing the use on this site; however, each of them expired, most recently on 09/05/10 when the Special Use Permit (SUP-33956) was not exercised. As the current request would utilize the same space and amenities as the previously approved facility and can be conducted in a manner that is compatible with the surrounding, staff is recommending approval of this request. If this request is denied, the Tavern-Limited Establishment use cannot operate in this site.

ISSUES

- A Tavern-Limited Establishment use is permitted in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit.
- The subject site is located within Downtown Centennial Plan (Fremont East District).

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
12/16/64	The Board of Commissioners approved a request for a Rezoning (Z-0100-64) from R-1 (Single Family Residential), R-4 (High Density Residential), C-1 (Limited Commercial), C-2 (General Commercial) and C-V (Civic) to C-2 (General Commercial) for approximately 230 acres generally located on property bounded by Main Street to the west, Bonanza Road on the north, Las Vegas Boulevard on the east, and Charleston Boulevard on the south. The subject site was a part of a larger request.
07/07/04	The City Council approved a request for a Special Use Permit (SUP-4366) for a Tavern-Limited Establishment located at 707 Fremont Street. The Planning Commission and staff recommended approval. This Special Use Permit expired on 03/08/09.
01/14/09	A Code Enforcement case (#73719) was processed for having the rear doors open with vagrants inside at 707 Fremont Street. Code Enforcement closed the case on 01/20/09.

02/04/09	A Code Enforcement case (#74309) was processed for assistance to Fire Prevention, who asked for assistance in checking out the night club and the motel for various code violations and have corrections made in a timely manner at 707 Fremont Street. Code Enforcement closed the case on 02/19/09.
07/01/09	The City Council approved a request for a Special Use Permit (SUP-33956) for a Tavern-Limited Establishment located at 707 Fremont Street. The Planning Commission and staff recommended approval. This Special Use Permit expired on 09/05/10.

Most Recent Change of Ownership	
12/22/03	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
01/01/51	A business license (H05-01009) was issued for a Hotel (199 rooms or less) at 707 Fremont Street. The license is still active.
10/04/04	A building permit (#4020366) was issued for a non-work certificate of occupancy for a night club at 707 Fremont Street. The permit was finaled on 10/13/04.
10/14/04	A business license (R09-01262) was issued for a Restaurant (45 or more seats) at 707 Fremont Street. The license was marked out of business on 09/09/08.
	A business license (L38-00001) was issued for a Tavern – Limited Establishment at 707 Fremont Street. The license was marked inactive on 09/08/08.

RG

Projects located within the Las Vegas Downtown Centennial Plan area are not subject to the automatic application of parking requirements. However, the above table should be used to illustrate the requirements of an analogous project in another location in the City. The analysis should take a number of factors into consideration when discussing parking availability, including pedestrian access, nearby parking structures, on-street parking, etc.

ANALYSIS

A Tavern-Limited Establishment use is defined by Title 19.20.020 as "an establishment that is licensed with a tavern-limited license in accordance with LVMC Chapter 6.50." The proposed Tavern-Limited Establishment use will occupy the same space as a Tavern-Limited Establishment use previously approved by Special Use Permit (SUP-4366), which expired when the use was discontinued for more than six months. Subsequently, a second Special Use Permit (SUP-33956) for a Tavern-Limited Establishment use was approved, but no business license was issued within one year of the approval, and it also expired.

The proposed Tavern-Limited Establishment is located in the Downtown Centennial Plan (Fremont East District), Live/Work, Las Vegas Redevelopment Area, and Entertainment Overlay District. The proposed use would not have a negative impact relating to the above mentioned Special Area Plans and Districts. The subject property is adjacent to an existing Downtown Entertainment Trail along Fremont Street and an approved Multi-Use Non-Equestrian Trail, which has not been constructed as of this time. No exterior site modifications are proposed as part of this request. Pursuant to Title 19.06.120, a distance separation from a similar use is not required, and on-site parking requirements are not applicable. The submitted site plan indicates a total of 94 parking spaces on the site, including two handicapped accessible spaces. There are 53 additional parking spaces available in a parking lot across the street from the subject site to the west side of 7th Street. The property across the street is under the same ownership as the subject site, but no record of an off-site parking agreement exists. Staff is recommending approval of this request, as the use is appropriate for the Downtown Entertainment Overlay District, and is compatible with the surrounding land uses.

FINDINGS (SUP-40837)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed Tavern–Limited Establishment is a permitted use in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit, and is the type of use that is encouraged in the Downtown Overlay District. It can be conducted in a manner that is harmonious and compatible with the surrounding land uses, and with the future surrounding land uses.

2. The subject site is physically suitable for the type and intensity of land use proposed.

The subject site is physically suitable for the type and intensity of the proposed Tavern–Limited Establishment. A previously approved Tavern–Limited Establishment was operated on the subject site using the same facilities from 10/14/04 until 09/08/08.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

Access to the site is provided by Fremont Street, and 7th Street. Both of these streets are adequate to meet the requirements of the proposed use.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

The proposed development is subject to permit review and inspection; therefore, appropriate measures will be taken to protect the health, safety and general welfare.

5. The use meets all of the applicable conditions per Title 19.04.

The use meets all applicable conditions of Title 19.04.

Re: Special Use Permit Application for Tavern-Limited License – Justification Letter

Applicant: **G & N, LLC**
APN: **139-34-612-005**
Business Location: **707 Fremont Street**
Las Vegas, NV 89101

Dear Sir/Madam:

This firm represents G & N, LLC, a Nevada limited liability company (the "Applicant").

The Applicant desires to open and operate an upscale tavern and nightclub establishment within the Las Vegas Downtown Centennial Plan, Fremont East District, at the above-referenced business location. The business will apply for a Tavern-Limited License and additional business licenses at the premises.

The business will operate during the hours of 10:00 am to 10:00 pm on Monday - Wednesday and from 10:00 am to 5:00 am on Thursday - Sunday. The business will employ approximately ten (10) employees.

The Las Vegas Zoning Code requires a Tavern-Limited establishment to have one parking space for each 50 square feet of public seating and waiting area and one space for each 200 square feet of the total remaining gross floor area. The business currently provides 94 parking spaces available for business patrons, including disabled parking. The Applicant respectfully requests the City of Las Vegas to issue the Special Use Permit with the current parking allocation.

As an upscale tavern and nightclub, the business will provide a benefit to the community and the neighboring businesses within the Las Vegas Downtown Centennial Plan and add to the Plan's target values of diverse entertainment and unique nightlife. The Applicant is committed to operating and maintaining the business in accordance with local and state law.

The introduction of alcohol sales at the business location will not adversely affect the environment or character of the immediate community, nor will it have a detrimental impact on adjacent properties. The business is sufficiently accessible from Fremont Street and 7th Street to easily

RECEIVED
JAN 31 2011
SUP-40837

accommodate access to the property. No additional public services, utilities, parking or waivers will be necessary to accommodate the Applicant's proposed business operations at the location.

In the event you have any questions with regard to the foregoing, please do not hesitate to contact us. Thank you.

Very truly yours,

KOLESAR & LEATHAM, CHTD.

Benjamin J. Volmer, Esq.

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Massage Establishment use.

2. Conformance to the approved conditions for Rezoning (Z-0071-00), Site Development Plan Review [Z-0071-00(1)] and Site Development Plan Review (SDR-1307).

3. This approval shall be void two years from the date of final approval, unless exercised pursuant to Las Vegas Municipal Code Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit to allow a Massage Establishment use in conjunction with an existing 20,189 square-foot Spa Facility at 8751 West Charleston Boulevard, Suites #150 and #160. The proposed use is located in a 51,167 square-foot shopping center located on a 3.20 acre parcel. The use can be conducted in a manner that is harmonious and compatible with surrounding uses, and staff recommends approval with conditions. If this application is denied, the proposed Massage Establishment use cannot be located within the existing Spa Facility, nor can a business license be obtained for the use at this location.

ISSUES

- A Massage Establishment use is permitted in the C-1 (Limited Commercial) zoning district with the approval of a Special Use Permit.
- Waivers are required to allow no distance separation from a residential use where 400 feet is required and 130 feet from another Massage Establishment where 1,000 feet is required. Staff can support the waivers requested as the use is proposed to be operated in conjunction with an existing spa facility and is located within a shopping center that can accommodate a variety of uses.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
10/18/00	The City Council approved a Rezoning (Z-0071-00) from U (Undeveloped) to C-1 (Limited Commercial) and a Site Development Plan Review [Z-0071-00(1)] for a proposed 58,683 square-foot Retail Shopping Center.
12/04/02	The City Council approved a Site Development Plan Review (SDR-1307) for a proposed 51,718 square-foot two-story retail/office building on a portion of 8.26 acres adjacent to the southeast corner of Charleston Boulevard and Odette Lane. Staff recommended approval of this application which was not considered by the Planning Commission.
10/29/03	The City Council approved a Master Sign Plan (MSP-2858) for an approved retail center on 8.26 acres adjacent to the southeast corner of Charleston Boulevard and Odette Lane. The Planning Commission and staff recommended approval.

Most Recent Change of Ownership	
11/22/02	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
11/17/03	A building permit (03024366) was issued for a Certificate of Completion of a shell building at 8751 West Charleston Boulevard. The permit was finaled on 11/17/04.
05/14/04	A building permit (04012552) was issued for a Certificate of Occupancy at 8751 West Charleston Boulevard. The permit was finaled on 11/18/04.
10/31/05	A building permit (05007656) was issued for a Certificate of Occupancy at 8751 West Charleston Boulevard, Suite #190. The permit was finaled on 01/10/06.

Waivers		
Requirement	***Request***	***Staff Recommendation***
A 400-foot minimum distance separation from a residentially zoned property.	To allow no distance separation.	Approval
A 1,000-foot minimum distance separation from another Massage Establishment.	To allow a 130-foot distance separation.	Approval

ANALYSIS

A Massage Establishment use is defined by Title 19.20.020 as "a facility which is occupied and used for the purpose of practicing massage therapy as defined in LVMC Chapter 6.52. The term does not include the use accessory massage as defined in this Title." As the proposed use will be conducted in five rooms totaling 661 square feet, or approximately three percent of the total floor area, in conjunction with an existing 20,189 square-foot Spa Facility to provide aesthetic and massage therapy services, staff can support the requested Waivers.

The existing shopping center was constructed in 2003. The Massage Establishment use, as proposed, does not meet all of the minimum Title 19 requirements as indicated by the requested Waivers. The use can be conducted in a manner that is harmonious and compatible with surrounding uses, as the site was originally approved as an office, but over time the subject site has transitioned into a shopping center that accommodates a variety of uses. The site is adequately screened from adjacent residential uses. Staff recommends approval with conditions. If denied, the applicant may not operate the Massage Establishment use at this location.

FINDINGS (SUP-40899)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Massage Establishment use will be located in two suites of an existing shopping center. The proposed use can be conducted in a manner that is harmonious and compatible with the various uses at the existing site and with the commercial uses on adjacent properties.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site is physically suitable for the type and intensity of the proposed use, as the shopping center exceeds the parking requirements of Title 19.10.010.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The site is accessed by Charleston Boulevard and Merialdo Lane. These streets are of sufficient size to accommodate the needs of the proposed Massage Establishment use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of a Special Use Permit for this use at this location will not compromise the public health, safety, or welfare, as the use is subject to licensing and inspections by the City of Las Vegas.

5. **The use meets all of the applicable conditions per Title 19.04.**

   Pursuant to Title 19.04, the Minimum Special Use Permit Requirements for a Massage Establishment use mandate that the use not be located within 400 feet of residential property and 1,000 feet from another Massage Establishment use. Staff supports the requested Waivers, as the use will be operated in conjunction with a Spa Facility, and is located within a shopping center that can accommodate a variety of uses.

From The Desk of Debbie Ritchey

March 7, 2011

Attn: John Grider

Planning Department

To whom it may concern:

Per your request I am formally requesting 5 additional massage rooms at my beauty salon facility located at 8751 West Charleston Ave Suite 150, and 160. We are not asking for a special use permit for suite 190. The additional 4 rooms requested square footage per each room is 130 sq ft., and one room at 141 sq ft.

As we have the largest spa/salon on the west coast located here in Summerlin I am very confident that this new addition to our facility will help increase our revenues as well as the cities tax revenue from our increased new business with the additional massage rooms requested. We noticed a significant increase in our business when we added massage to our 6,000, and 7,000 sq foot spa/salon's located in Henderson (which we obtained a FULL massage establishment licencse). As such we are very bullish on the prospects of the same great outcome for our Summerlin facility.

Respectfully,

Debbie Ritchey

5. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.

6. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

Staff Report Page One
April 12, 2011 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit to allow a Beer/Wine/Cooler On-Sale Establishment use within a proposed 2,946 square-foot Restaurant at 410 South Rampart Boulevard, Suite #120. The proposed use will be located within the Tivoli Village at Queensridge Mixed-Use development that is currently under construction. The Restaurant with a Beer/Wine/Cooler On-Sale Establishment use complies with all Title 19.04 requirements with the exception of the requested waiver, which staff supports, and can be conducted in a manner that is harmonious and compatible with existing surrounding development and land uses; therefore, staff recommends approval with conditions. If this application is denied, the proposed Beer/Wine/Cooler On-Sale Establishment use cannot be located within the proposed restaurant, nor can a business license for alcohol use be obtained for the use at this location.

ISSUES

- A Beer/Wine/Cooler On-Sale Establishment use is permitted in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit.
- A Waiver is required to allow a distance separation of 141 feet from a City Park where 400 feet is required for the Beer/Wine/Cooler On-Sale Establishment use. A Waiver of this requirement is possible due to the location of the proposed use within a mixed-use development in excess of 15 acres and 250,000 square feet of nonresidential floor space.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
01/26/98	The City Council approved a Rezoning (Z-0127-97) from U (Undeveloped) zone, M (Medium Density Residential) and SC (Service Commercial) General Plan Designation, under Resolution of Intent to R-PD16 (Residential Planned Development – 16 Units per Acre), to C-2 (General Commercial) at the northeast corner of the intersection of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.
03/02/05	The City Council approved a request for a Site Development Plan Review (SDR-5657) to allow a Mixed-Use development to include 700,000 square feet of commercial space and 375 residential condominium units in on 10-story and two five-story residential condominium buildings on 30.21 acres adjacent to the northeast corner of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.

03/02/05	The City Council approved a request for a Special Use Permit (SUP-5853) to allow a proposed Mixed-Use commercial and residential development adjacent to the northeast corner of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.
04/19/06	The City Council approved a request for a Variance (VAR-10773) to allow 3,955 parking spaces where 4,961 parking spaces is the minimum number of parking spaces required for a proposed Mixed-Use development on 28.69 acres at 8750 Alta Drive. The Planning Commission recommended approval, but staff recommended denial of the request.
	The City Council approved a request for a Site Development Plan Review (SDR-10770) for a 10-story Mixed-Use development consisting of 699,000 square feet of commercial space and 340 residential units on 28.69 acres 8750 Alta Drive. The Planning Commission recommended approval, but staff recommended denial of the request.
06/06/07	The City Council approved a Review of Condition (ROC-21668) to modify Condition Number 9 of an approved Site Development Plan Review (SDR-10770) which stated that all perimeter landscape buffers shall comply with the minimum requirements listed in Title 19.12. Tree spacing within the buffers shall conform to the minimum requirements listed in Title 19.12. To allow a four-foot landscape buffer along the south property line where eight feet is the minimum required for an approved Mixed-Use development on 28.69 acres at 420 South Rampart Boulevard. Staff recommended approval of the request.
07/12/07	The Planning Commission approved a Tentative Parcel Map (TMP-20197) for a 324 unit Mixed-Use development on 28.62 acres at 302 South Rampart Boulevard. Staff recommended approval of the request.
10/01/08	The City Council approved a request for a Special Use Permit (SUP-28998) for a Supper Club and a Waiver to allow a 141-foot separation from a City Park where 400 feet is the minimum required at the northeast corner of Rampart Boulevard and Alta Drive. The Planning Commission and staff recommended approval of the request.
12/17/08	The City Council approved a request for a Special Use Permit (SUP-30583) for a proposed 12,195 square-foot Supper Club and a Waiver to allow a distance separation from a City Park where 400 feet is the minimum required at 440 South Rampart Boulevard, Suite #8120. The Planning Commission and staff recommended approval of the request.
07/01/09	The City Council approved a request for a Special Use Permit (SUP-34175) for a proposed Liquor Establishment (Tavern) with a Waiver to allow no distance separation from a similar use and a 141-foot distance separation from a City Park where 1,500 feet is the allowed at 330 South Rampart Boulevard, Suite #215. The Planning Commission and staff recommended approval of the request.

09/23/10	The Planning Commission approved a request for a Special Use Permit (SUP-39146) for a Liquor Establishment (Tavern) within a 28.69-acre Mixed-Use development with waivers to allow a distance separation of 141 feet from a City Park and to allow no distance separation from a similar use where 1,500 feet is required at 440 South Rampart Boulevard, Suite #180. The Planning and Development Department staff recommended approval of the request.
10/21/10	The Planning Commission approved a request for a Special Use Permit (SUP-39440) for a Supper Club with a waiver to allow a 141-foot distance separation from a City Park where 400 feet is the minimum required at 420 South Boulevard, Suite #180. The Planning and Development Department staff recommended approval of the request.
10/21/10	The Planning Commission approved a request for a Special Use Permit (SUP-39441) for a Liquor Establishment (Tavern) within a 28.69-acre Mixed-Use development with waivers to allow a distance separation of 141 feet from a City Park and to allow no distance separation from a similar use where 1,500 feet is required at 440 South Rampart Boulevard, Suite #B190. The Planning and Development Department staff recommended approval of the request.
12/16/10	The Planning Commission approved a request for a Special Use Permit (SUP-40087) for a Supper Club with a waiver to allow a 141-foot distance separation from a City Park where 400 feet is the minimum required at 400 South Boulevard, Suite #190. The Planning and Development Department staff recommended approval of the request.
	The Planning Commission approved a request for a Master Sign Plan (MSP-40230) for an approved Mixed-Use development on 28.44 acres at the northeast corner of Alta Drive and Rampart Boulevard. The Planning and Development Department staff recommended approval of the request.
03/08/11	The Planning Commission abeyed a Special Use Permit (SUP-40748) for a Liquor Establishment (Tavern), located at 430 South Rampart Boulevard, Suite #B160 to the 04/12/11 Planning Commission meeting.
	The Planning Commission abeyed a Special Use Permit (SUP-40749) for a Liquor Establishment (Tavern), located at 430 South Rampart Boulevard, Suite #B130 to the 04/12/11 Planning Commission meeting.

Most Recent Change of Ownership	
01/16/04	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
There is no business license history at 410 South Rampart Boulevard, Suite #120, since the building has not received its final certificate of completion.	
02/23/09	A building permit (7002966) was issued for Shell Building #17 located at 410 South Rampart Boulevard. The permit has not been finaled.

Pre-Application Meeting	
02/15/11	A pre-application meeting was held with the applicant, where elements of submitting a Special Use Permit for a Restaurant with Beer/Wine/Cooler On-Sale Establishment use were discussed. The topics included: • A waiver is required due to the proximity of the proposed use within 400 feet from a City Park, pursuant to Minimum Special Use Permit requirement Number 1. • The proposed use is located within a Mixed-Use development.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
03/03/11	A site visit was conducted by staff, at which time it was noted that the subject site is currently under construction.

Requirement	***Request***	***Staff Recommendation***
400-foot distance separation from City Park.	To allow a 141-foot distance separation.	Approval

ANALYSIS

A Beer/Wine/Cooler On-Sale Establishment use is defined by Title 19.20 as "an establishment whose license to sell alcoholic beverages is limited to the sale of beer, wine and coolers for consumption only in connection with a meal on the premises where the same is sold, and is operated in connection with a restaurant in which forty-five or more people may be served with meals at any one time at tables or stools." The applicant is proposing a 2,946 square-foot Gourmet Pizzeria with Beer/Wine/Cooler On-Sale Establishment use. The proposed floor plan indicates seating at the bar, dining area and an outdoor terrace that will accommodate 87 patrons.

Tivoli Village at Queensridge Mixed-Use development is located adjacent to a Pedestrian Path Trail along Rampart Boulevard as designated within the Transportation Trails Element of the Las Vegas 2020 Master Plan. The trail is currently under construction.

The proposed use is compatible with the neighboring commercial and residential uses within the approved Mixed-Use development. The proposed use will be compatible and harmonious with the existing and future surrounding land uses; therefore, staff recommends approval with conditions.

FINDINGS (SUP-41030)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Restaurant with a Beer/Wine/Cooler On-Sale Establishment use is compatible use with the neighboring commercial and residential uses within the approved Mixed-Use development.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

The site is physically suitable for this type of use and the intensity is appropriate in this area of the City. Ample site access is provided and adequate parking is being provided in accordance with the approved Variance (VAR-10773) for the Mixed-Use development. The proposed Restaurant with Beer/Wine/Cooler On-Sale Establishment is appropriate in these types of Mixed-Use developments.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The subject site is accessed by Rampart Boulevard and Alta Drive. Both streets are sufficient to accommodate the amount of vehicular trips associated with the proposed use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of the Special Use Permit is consistent with the General Plan, and will not compromise the public health, safety, or welfare.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed use does not meet all Minimum Special Use Permit requirements pursuant to Title 19.04 due to the proximity to a City Park. The requested Waiver of the minimum distance separation requirement is appropriate for the proposed use within a Mixed-Use development.

Las Vegas, Nevada 89106

Revised: Special Use Permit for on-sale beer and wine within Tivoli Village at Queensridge
Parcel 138-32-601-003

Dear Sir/Madam;

Please consider this request to allow a restaurant that serves beer and wine a Gourmet Pizzeria within the Tivoli Villages mixed use development (SUP-5853). The site is located within a 29 acre commercial and residential development located at the northeast corner of Alta Drive and Rampart Boulevard. The underlying zoning is C-2.

The proposed Pizzeria meets the Title 19 definition of a restaurant with on-premise sale of beer and wine and in conjunction with meals. While there are four stools located at the beer and wine bar, there is also the capacity for more than 100 units of table seating. The parking allocation for this restaurant is grandfathered into the project-wide parking agreement. Please reference VAR-10773 that approved 3,955 spaces where 4,961 would otherwise be required.

This application requires a waiver of separation distance to allow less than 400 feet from the property line of the subject parcel to the property line of the nearest city park. The Tivoli Village mixed use development is situated on a parcel on which the north easternmost corner measures 141 feet from a playground within Angel Park (138-32-501-003). It is important to note that the commercial portion of this 30 acre parcel is on the westernmost side of the mixed use area. Consequently approximately 560 feet of mid-rise residential development is situated between the commercial portion of Tivoli Villages and the subject playground. It is also notable that there are two barriers between this park and Tivoli Village. The first is an approximate 600 foot fence along the northern boundary of the property. The second is a drainage channel that is more than 20 feet deep. As a result, a pedestrian must walk 1655 feet to the park while there is no direct vehicular access. For this reason, the park is suitably protected from this restaurant.

If you have additional concerns please phone me at 598-1408.

Very truly yours,

L U Dreja

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
SUP-41080	Staff recommends APPROVAL, subject to conditions:	

** CONDITIONS **

SUP-41080 CONDITIONS

Planning

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Jewelry Store, Class III use.

2. Conformance to the Conditions of Approval for Rezoning (Z-0080-78), Plot Plan Review [Z-0080-78(1)], and all other site-related actions shall be required, if approved.

3. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

The applicant seeks to add a Jewelry Store, Class III use within a legal, nonconforming 3,078 square-foot Financial Institution, Specified use at 6820 West Charleston Boulevard. The applicant intends to purchase jewelry only for the salvageable materials (precious metals) and does not intend to pawn or make loans against the jewelry. Staff recommends approval of this request, as the proposed use meets all minimum Special Use Permit requirements, and can be conducted in a manner that is compatible with the surrounding uses. If denied, the existing Financial Institution, Specified would remain as it is.

ISSUES

- The Jewelry Store, Class III use requires a Special Use Permit to operate within the C-1 (Limited Commercial) zoning district.
- The Jewelry Store, Class III use allows for the purchase of the jewelry for its precious metals and not for resale.
- The existing Financial Institution, Specified is a legal, nonconforming use as it was operating prior to a requirement for a Special Use Permit.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
11/15/78	The City Council approved a request for Rezoning (Z-0080-78) to R-1 (Single Family Residential) and C-1 (Limited Commercial) as part of a larger request.
11/28/89	The Planning Commission approved a request for a Plot Plan and Building Elevation Review [Z-0080-78(1)] for a Retail Shopping Center on a portion of the overall site.
06/17/92	The City Council approved a request for a Special Use Permit (U-0103-92) to allow the sale of beer and wine in conjunction with an existing Restaurant. The Board of Zoning Adjustment recommended approval.
09/16/92	The City Council approved a request for a Special Use Permit (U-0194-92) to allow five additional coin-operated gaming machines for a total of 20 machines within a Grocery Store. The Board of Zoning Adjustment recommended approval
02/03/93	The City Council approved a request for a Special Use Permit (U-0219-92) to allow 5 additional Coin Operated Gaming Machines (for a total of 20 machines) in an existing Drug Store. The Board of Zoning Adjustment recommended approval.

Most Recent Change of Ownership	
12/28/00	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
12/16/02	A business license (#N02-00101) was issued for a Non-Depository Lender.
04/14/09	A business license (#W10-002241) was issued for a Wire Transfer Service.
09/24/10	A business license (#A23-02430) was issued for Tax Services.

Pre-Application Meeting	
02/16/11	A Pre-Application meeting was held with staff to discuss the requirements for adding a proposed Jewelry Store, Class III use to a legal, nonconforming Financial Institution, Specified use. The applicant was informed of the minimum requirements and application deadlines.

Neighborhood Meeting
A neighborhood meeting is not required for this type of request, nor was on held.

Field Check	
03/09/11	A field check was performed by staff with the following observations made: • The existing Financial Institution, Specified use is well maintained and neat in appearance. • The building housing the proposed use has adequate parking located along three sides and has ample additional parking located within the Shopping Center.

TOTAL SPACES REQUIRED			547		630		Y
Regular and Handicap Spaces Required			11	536	14	616	Y

ANALYSIS

The applicant is requesting a Special Use Permit for a Jewelry Store, Class III use within an existing Financial Institution, Specified at West Charleston Boulevard. The Jewelry Store, Class III use is described by Title 19.04 as, "a store which buys and sells scrap precious metals for marketing as a commodity in bar form or in other than jewelry form, or which buys and sells precious metal bars and coins that are sold as a commodity rather than for numismatic purposes. This may include operations similar to a new jewelry store." The applicant intends operate this use within the limits of this description and buy jewelry with the intent of salvaging the precious metals, with no resale of the acquired items to the general public.

The proposed Jewelry Store, Class III will not increase the parking demand, as the use will occur concurrently with the existing Financial Institution, Specified use. The parking requirement for the existing Financial Institution, Specified, which is located within a large Shopping Center, is one space per 250 square feet. The 3,078 square-foot building requires 13 spaces, for which there are 21 spaces adjacent to the north, east, and west sides. In addition, the Shopping Center provides 630 spaces where 547 are required. The proposed use is compatible with the surrounding areas, as Service Commercial uses exist on three sides of the subject property.

Staff recommends approval, with conditions. If denied, the Financial Institution, Specified use will remain as is.

FINDINGS (SUP-41080)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Jewelry Store Class III use can be conducted in a manner that is harmonious and compatible with the uses in the existing shopping center and with the commercial uses on adjacent properties.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The proposed use will be operated in conjunction with the existing Financial Institution, Specified use. The subject site is physically suitable for the type and intensity of the proposed use.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   Site access is provided from Charleston Boulevard is adequate in size to accommodate the proposed use. The existing site circulation will remain unchanged, as the proposed use will operate in an existing Financial Institution, Specified use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

Approval of the proposed Special Use Permit for a Jewelry Store, Class III use will not compromise the public health, safety and general welfare, as the use will be subject to regular inspections for business licensing.

5. The use meets all of the applicable conditions per Title 19.04.

The proposed use complies with the Minimum Special Use Permit requirements for a Jewelry Store, Class III use. There are no distance separation requirements for a Jewelry Store Class III use.

RE: APN 138-34-814-006, 6820 W. Charleston

Dear Sir or Madam:

Please accept this letter as our request for a Special Use Permit to allow ~~the~~ existing Check City Payday & Auto Title Loan store to purchase gold on the premises. Recently there have been several commercials on TV for gold purchase where the customer requests an envelope, places their broken or discarded gold jewelry in the envelope and send it to the company. In turn, ~~the~~ company send the customer a check for approximately 10-15 cents on ~~the dollar~~.
.
Check City would like to do something similar, only with more controls ~~and~~ a better situation for the customer. The customer brings the jewelry to the store and it is weighed and the customer walks away with a check for approximately 60-65 cents on the dollar-5 times more than if they mailed it. ~~Also~~, the customer has control because they actually hand it over to a person, ~~not~~ a post office. In addition, it is held for 30 days so if the customer changes ~~the~~ir mind they can return and get their jewelry back. Also, every purchase is ~~reported~~ to Metro on a daily basis. There is no resale of the jewelry, it is not a loan ~~but~~ a purchase of the jewelry for the gold. It will be an incidental use to the main business and is considered just another service for the customer.

The shopping center is 139,704 square feet and the parking requirement is 1 space /250 square feet, for a total of 559 parking spaces. The shopping ~~center~~ provides 695, for an excess of 136 spaces. This building is 3000 squ~~are feet~~ in size. Please contact me with any questions regarding this matter. Thank you for your consideration in this matter.

Yours truly,

Lucy Stewart

Planning

1. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

2. All development shall be in conformance with all applicable conditions of approval for Site Development Plan Review (SDR-39457) and all other site-related actions, except as amended by conditions herein.

3. All development shall be in conformance with the building elevations, date stamped 02/23/11 except as amended by conditions herein.

4. Trash enclosure gates shall not open into the alley right-of-way.

5. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 03/02/11. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

6. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

7. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

8. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a major modification to a previously approved Site Development Plan Review (SDR-39457) project that will entail the destruction of the existing office building and the construction of a proposed 48-foot tall, four-story, 112-space parking garage. This is the second phase of this project. There are three significant changes to note in this submittal: first, the addition of another half level increasing the height from 33 feet to 49 feet; second, the addition of 20 parking spaces; and third, the addition of another vehicle entrance off of the public alley on the west side of the garage. Since the proposed project would decrease the intensity of a previously approved parking variance by 16% and is in substantial compliance with previously approved entitlements, staff is recommending approval. If the application is denied, the proposed parking garage would have to be built as previously approved.

ISSUES

- A Site Development Plan Review (Major) is required since the project height and building area have increased by more than ten percent.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc.	
12/16/94	The City Council approved a Rezoning (Z-0100-64) from R-1 (Single Family Residential), R-4 (High Density Residential), C-1 (Limited Commercial), C-2 (General Commercial) and C-V (Civic) to C-2 (General Commercial) for approximately 230 acres generally located on property bounded by Main Street to the west, Bonanza Road on the north, Las Vegas Boulevard on the east, and Charleston Boulevard on the south. The Planning Commission recommended approval on 12/10/94.
11/05/08	The City Council approved a Site Development Review Plan (SDR-29445) for a 39,000 Square Foot Office Building, Variance (VAR-29446) to allow 84 parking spaces where 130 are required and Variance (VAR-29447) to allow a 10-foot front yard setback where 20 feet is required, a five-foot side yard setback where 10 feet is required, a zero-foot corner side setback where 15 feet is required a zero-foot rear yard setback where 20 feet is required, and to allow approximately 83% lot coverage where 50% is the maximum allowed on 0.71 acres at the northwest corner of Charleston Boulevard and 8th Street. The Planning Commission recommended Approval, and Staff recommended denial.

YK

10/21/10	The Planning Commission approved a Site Development Review Plan (SDR-39457) and Variance (VAR-39458) to allow a 10-foot side yard setback where 20 feet is required, a zero-foot side yard setback where 10 feet is required, a six-foot corner side yard setback where 15 feet is required, a five-foot rear yard setback where 20 feet is required and to allow 82% lot coverage where 50% is the maximum allowed for a parking garage on 0.71 acres at the northwest corner of Charleston Boulevard and 8th Street. Staff recommended denial.
10/21/10	The Planning Commission approved a Site Development Review Plan (SDR-39098), Variances (VAR-39100) and (VAR-39099) to allow a 10-foot front yard setback where 20 feet is required, a five-foot side yard setback where 10 feet is required, and a 10-foot corner side yard setback where 15 is required and to allow zero parking spaces where 118 parking spaces are on 0.71 acres at 721 East Charleston Boulevard. Staff recommended denial.

Most Recent Change of Ownership	
11/15/07	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
06/30/94	A Building Permit (#94338242) was issued for an interior remodel at 800 South 8th Street. The permit was finalized on 07/22/94.
08/09/99	A Building Permit (#99015816) was issued for interior demolition. The permit was finalized on 10/26/99.
11/03/99	A Building Permit (#99021186) was issued for tenant improvement at 800 South 8th Street. The permit was finalized on 02/04/00.
11/08/99	A Building Permit (#99021463) was issued for tenant improvement at 800 South 8th Street. The permit was finalized on 02/07/00.
12/28/99	A Building Permit (#99024534) was issued for a sign at 800 South 8th Street. The permit was finalized on 02/15/00.
05/21/01	A Building Permit (#L-3747-01) was issued for a non-work certificate of occupancy at 721 East Charleston Boulevard.

Pre-Application Meeting	
02/16/11	Staff reviewed the proposal with the applicant and the requirements for a Major Amendment to an approved Site Development Plan Review application were provided.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Gass Avenue	N/A	70	Y

ANALYSIS

Previously approved Variances and Waivers for reduced setbacks, maximum lot coverage and perimeter landscape buffers remain with the parcel and have not changed with this proposal. A Major Amendment is required, as the height of the structure and building area has increased by more than ten percent.

A new entrance/exit has been added for access to the alley located on the west side of the property. This addition will improve traffic movement and access throughout the project. The additional 20 parking spaces that will be provided will reduce the intensity of the existing parking Variance (VAR-29446) for the overall project. The additional height will only have a slight change to the aesthetics of the structure.

As the additional parking spaces provided reduces the intensity of the parking Variance, and the structure is in substantial compliance with previously approved entitlements, staff is therefore recommending approval.

FINDINGS (SDR-41023)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The project is compatible with the area as it will add additional parking spaces to the proposed adjacent office building and does not increase intensity of the use. It is also in substantial compliance with previously approved entitlements.

2. **the proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The project is in conformance with the General Plan and Title 19 requirements with the exception of previously approved Variances and Waivers.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   Adequate site access is provided from Eighth Street, an 80-foot right-of-way and a 20-foot wide public alley.

4. **Building and landscape materials are appropriate for the area and for the City;**

   Building materials are appropriate for the area. Previously approved Waivers were granted from Title 19.10 Landscape and Buffer Standards.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The building materials and aesthetics are harmonious and compatible with the area.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed plan will not impact public health, safety or welfare since the development will be subject to City inspections during construction of the addition, as well as routine business license inspections for any commercial activities.

Re: ***Justification Letter,***
Amendment to Site Development Plan
Parking Garage
Legal Aid Center of Southern Nevada
APNs: 139-34-410-244 and a Portion of 139-34-410-245

Dear Mr. Kagafas:

This firm represents Legal Aid Center of Southern Nevada (LACSN) with respect to the development of a four story parking garage located at the southwest corner of Gass Avenue and Eighth Street. The site is within the Downtown Redevelopment Plan with a General Commercial (GC) master plan designation and is currently zoned C-1. This request consists of Major Amendment to Site Development Plan. Note that this application represents a revision of the project, which was previously approved by the City Council (SDR-39457 & Var-39458).

Major Amendment to Site Development Plan

The parking garage is associated with a related project, already approved by the City Council, for an office building on the adjacent parcel to the south, which will serve as the new headquarters for LACSN. The parking garage will serve as the required parking for staff and clients of LACSN's new building.

On October 2010, the Planning Commission approved SDR-39457 for a three-story parking garage with a maximum height of 33'8". The approved parking garage

RECEIVED
FEB 23 2011
SDR-41023

covered 39,400 square feet and provided for 92 permanent parking spaces. At the same time, the Planning Commission approved VAR-39458 regarding setbacks associated with the Parking Garage.

The parking structure will consist of multi-tone grey and white paints while also including metal fabric/mesh along the stairwells. The garage will be open on all sides, except along Eighth Street, and will include a green screen wire trellis system for aesthetics. The entrances to the parking lot on Eighth Street and on the Alley (between Gass Avenue and Charleston Boulevard) will be gated for security during non-business hours.

This amendment proposes a 48,050 square foot parking garage (previously approved as 39,400 square feet), four story structure at a maximum height of 48 feet (previously approved as a three story structure with a maximum height of 33 feet, 8 inches). The amended project will accommodate 112 parking spaces (previously 92 spaces). Additionally, the amended project proposes the addition of a vehicular entrance on the alley way located between Gass Avenue and Charleston Boulevard. The original footprint of the parking garage will not change. Additionally, the proposed amendment makes no changes to VAR-39458. A comparison of the proposed project and the previously approved SDR-39457 & VAR-39458 follows:

SDR Land Use Application (Past Application SDR-39457 & Var-39458)			
	Code	Approved	Proposed
Story	N/A	3 story	4 story
Maximum Height	N/A	33'-8"	48'-0"
Main Garage Height	N/A	28'-0"	35'-6"
Parking Spaces	N/A	92 spaces	112 spaces
Parking Floor Area	N/A	39,400 SF	48,050 SF.
Landscape Buffer			
South	8 ft.	Zero	no change
West (alley)	8 ft.	Zero	no change
North	15 ft.	Zero	no change
East	15 ft.	Zero	no change
Setback			
Front	20 ft.	10 ft. (portion)	no change
Side	10 ft.	zero feet	no change
Corner Side	15 ft.	6 ft.	no change
Rear	20 ft.	5 ft.	no change
Lot Coverage	50%	82%	no change

RECEIVED
FEB 23 2011

SDR-41023

With this amendment, the applicant seeks to reduce the amount of parking variance previously awarded (SDR-39098 & VAR-39099) so as to enhance the project. The increase in height and square footage accommodates a ½ floor increase in the parking structure. When completed, this parking structure will have 112 spaces, representing a 6% reduction in parking or 6 spaces. Notably, the previously approved project was granted a 22% reduction in parking or 26 spaces. The amended project will ultimately provide a superior parking solution than previously approved.

In order to accommodate the additional traffic flow, the amended proposed project includes a vehicular entrance on the alley way located between Gass Avenue and Charleston Boulevard. This entrance will ensure easier access for LACSN staff and customer, and will ensure better circulation within the structure as demonstrated on the enclosed site plan.

Notably, the need for the additional parking was created by a partnership between the City of Las Vegas and the applicant. At the City's request, the applicant has agreed to house the City of Las Vegas Senior Citizen Law Project. This partnership will provide senior citizens in our community the ability to access comprehensive legal assistance from one central location. The additional parking requested by this amendment will further this goal.

When completed this project will add a vibrant, new structure to Charleston Boulevard and the Downtown Redevelopment area that will set a standard for small-sized office buildings. Moreover, it will allow LACSN to continue providing legal access to the poor, indigent, elderly and immigrant communities in southern Nevada at a location that is accessible to all citizens of our community. The proposed amendment will further this cause.

Thank you in advance for your time and consideration regarding this application. Please feel free to contact me should you have any questions or need additional information.

Sincerely,

Alisa D. Nave-Worth, Esq.

SDR-41035 CONDITIONS

Planning

1. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

2. All development shall be in conformance with the site plan and building elevations, date stamped 02/24/11, except as amended by conditions herein.

3. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

4. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit

5. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

6. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

7. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

8. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

9. No temporary signs such as banners, pennants, inflatable objects, streamers, flags, or other similar attention gaining item or devices shall be displayed upon the subject property or a vehicle displayed for sale in the parking lot of the subject property without the appropriate permits. Existing temporary signage located at the site shall be permitted pursuant to Title 19.14, or removed within 10 days of final approval.

10. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

11. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

12. Remove all substandard sidewalk improvements, if any, adjacent to this site and replace with new sidewalk meeting current City Standards concurrent with on-site development activities as shown on the approved Site Plan.

13. An update to the previously approved Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any grading or building permits or submittal of any construction drawings, whichever may occur first. Provide and improve all drainageways as recommended in the approved drainage plan/study.

14. Comply with all applicable previous conditions of approval for SD-31-97 and all other site-related actions.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request is for a Major Amendment to an approved Site Development Plan Review (SD-0031-97) for a proposed 7,300 square-foot showroom addition to an existing 89,490 square-foot Motor Vehicle Sales (New) use located on 5501 Drexel Road. The applicant is proposing to enclose an existing covered patio area to create a showroom with multiple sales offices. The proposed design of the facility substantially complies with the previously approved elevations; therefore, staff recommends approval of this request, with conditions. If denied, the site will remain as it is.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
07/05/89	The City Council approved a petition for Annexation (A-0006-89) for three parcels totaling 31 acres located on the east side of Rancho Drive and south of Ann Road. The Planning Commission and staff recommended approval. The effective date was 07/14/89.
02/12/98	The Planning Commission approved a Site Development Plan Review (SD-0031-97) for an 89,490 square-foot Automobile Dealership located on the southwest corner of Drexel Road and Ann Road. The Planning Department staff recommended approval.
02/16/00	The City Council approved a Site Development Plan Review [(SD-0031-97) (1)] to permit two freestanding ground signs (47 feet and 60 feet tall) at 5501 Drexel Road. The Planning Commission recommended denial and staff recommended approval.

Most Recent Change of Ownership	
08/31/10	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
04/22/99	A building permit (99007732) was issued for Building A (Showroom, Office, Parts Department and Service Bays) at 5501 Drexel Road. The permit was finaled on 06/20/00.
	A building permit (99007735) was issued for Building D (Deliveries) at 5501 Drexel Road. The permit was finaled on 06/20/00.

04/22/99	A building permit (99007734) was issued for Building C (Security Booth) at 5501 Drexel Road. The permit was finaled on 06/20/00.
	A building permit (99007733) was issued for Building B (Greeter Booth) at 5501 Drexel Road. The permit was finaled on 06/20/00.
03/28/00	A business license (A16-01219) was issued for Automobile Sales at 5501 Drexel Road. The license was marked out of business on 03/02/09.
06/12/01	A business license (A28-01031) was issued for Automobile Leasing at 5501 Drexel Road. The license was marked out of business on 03/18/09.
06/12/02	A building permit (02010368) was issued for a 783 square-foot addition at 5501 Drexel Road. The permit was finaled on 09/20/02.
05/05/05	A building permit (107514) was issued for an 830 square-foot addition to the parts department. The permit was finaled on 03/04/09.
12/05/08	A business license (A16-01299) was issued for Automobile Sales at 5501 Drexel Road. The license is active.
	A business license (A28-01038) was issued for Automobile Leasing at 5501 Drexel Road. The license is active.

Pre-Application Meeting	
02/10/11	A pre-application meeting was held with the applicant where elements of submitting a Major Amendment to an approved Site Development Plan Review (SD-0031-97) were discussed. The proposed expansion does not appear to affect landscape or building setback requirements, but the site plan will need to demonstrate compliance with development standards for the C-2 (General Commercial) zoning district. The required setbacks for C-2 zoning district: 20' front yard (Ann Road); 10' side yard (U.S.95); 15' corner side (Drexel Road); and 20' rear yard (south Property Line).

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
03/03/11	During a site visit, staff noted multiple advertisement signs installed in the landscape buffer along Drexel Road and an unpermitted banner facing U.S. 95.

Pursuant to Title 19.04 and 19.10, the following parking standards apply:

Parking Requirement							
Use	***Gross Floor Area or Number of Units***	***Required***			***Provided***		***Compliance***
		Parking Ratio	*Parking*		*Parking*		
			Regular	Handi-capped	Regular	Handi-capped	
Motor Vehicle Sales (New)	96,790 SF	1/500 SF	194				
TOTAL SPACES REQUIRED			194		1,009		
Regular and Handicap Spaces Required			188	6	1,002	7	Y

ANALYSIS

The request is to enclose an existing covered patio to create a 7,300 square-foot automobile showroom. The patio was constructed in 2000. The proposed showroom will also provide sales offices for the existing Motor Vehicle Sales (New) facility. The proposed showroom will not increase the height of the existing structure, as it is presently a covered patio that is attached to the main building located at 5501 Drexel Road. The applicant is proposing no other changes to the existing Motor Vehicle Sales (New) facility. A condition has been added to address the existing temporary signage, which shall be removed or brought into compliance with Title 19.14. As the proposed showroom addition is compatible with the existing facility and with development in the area, staff recommends approval of this proposal, with conditions.

FINDINGS (SDR-41035)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed 7,300 square-foot automobile showroom is compatible with the surrounding commercial development to the south and east, as it is an expansion of an existing use within the existing site.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The project is in conformance with the General Plan and Title 19 requirements.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   The site is accessed by Drexel Road. This street is of sufficient size to accommodate the needs of the proposed Automobile Showroom use.

4. **Building and landscape materials are appropriate for the area and for the City;**

   No additional landscaping is proposed as part of this request.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The proposed elevations are well-integrated with the established aesthetic of the existing Motor Vehicle Sales (New) facility and are appropriate for the area and for the City.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed automobile showroom is subject to Building Permit and Business License review and inspection prior to occupancy; therefore, appropriate measures will be taken to protect the health, safety and general welfare.

Re: **Justification Letter - 5501 Drexel, Llc - dbd: Ed Bozarth Chevrolet**

To Whom It May Concern:

In reference to the above-mentioned project, we provide the following Justification Letter to accompany our application.

Issue
Construct and maintain an addition to the existing Ed Bozarth Chevrolet Dealership at 5501 Drexel Road. The addition is at the south end of the facility and will increase the showroom size by 7,300 Square feet. The addition will cause minor modifications to a portion of the exterior façade.

Information
As it is an existing facility and business, the number of employees will remain the same. The existing hours of operation, owners, managers and licenses will be unchanged.

Findings
This project is compatible with the adjacent businesses in the area as it is an existing facility. All city policies and standards are met; they are unchanged from what is already in place. There will be no negative impact to neighborhood traffic or adjacent roadways. All building and landscape materials are consistent with what is already in place. Again, all design characteristics are the same and will remain harmonious with the surrounding developments and neighborhoods. And, all measures ensuring the public health, safety and welfare will remain in place with this existing facility.

Please contact me with any further clarifications you may require.

Sincerely,

Richard J. Youngblood, A.I.A.
President

** CONDITIONS **

VAR-40491 CONDITIONS

Planning

1. Approval of Rezoning (ZON-40490) shall be required and the approval of and conformance to the Conditions of Approval for Site Development Plan Review (SDR-40492) shall be required, if approved.

2. This approval shall be void two years from the date of final approval unless a building permit has been issued for the change in building occupancy. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

4. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

5. A revised site plan shall be submitted to and approved by the Planning and Development Department, prior to the time application is made for a building permit, to depict three parking spaces on the site; two spaces under the existing carport and one van accessible handicap accessible space to the north of the access drive off of Santa Paula Drive. All parking spaces and drive aisles must meet the minimum requirements of Title 19.10 and spaces may neither be located within the public right-of-way, nor be located so that vehicles must back out onto a public street.

6. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

SDR-40492 CONDITIONS

Planning

1. Approval of Rezoning (ZON-40490) shall be required and the approval of and conformance to the Conditions of Approval for Variance (VAR-40491) shall be required, if approved.

2. This approval shall be void two years from the date of final approval unless a building permit has been issued for the change in building occupancy. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site and landscape plan date stamped 02/09/11 and floor plans and building elevations date stamped 12/23/10, except as amended by conditions herein.

4. A Waiver from Title 19.12 is hereby approved, to allow no landscape buffer along the north and east perimeter where a 15-foot wide buffer is required and to allow no landscape buffer along the south and west perimeter where an eight-foot wide buffer is required.

5. An Exception from 19.08.050 is hereby approved, to allow curbside refuse pick-up in lieu of a trash enclosure. The applicant shall provide a letter from the waste service provider to the Department of Planning prior to the issuance of a building permit indicating that curb-side pickup of trash is acceptable after the conversion of the site to commercial use.

6. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 02/09/11. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

7. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

8. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

9. A revised site plan shall be submitted to and approved by the Planning and Development Department, prior to the time application is made for a building permit, to depict three parking spaces on the site; two spaces under the existing carport and one van accessible handicap accessible space to the north of the access drive off of Santa Paula Drive. All parking spaces and drive aisles must meet the minimum requirements of Title 19.10 and spaces may neither be located within the public right-of-way, nor be located so that vehicles must back out onto a public street.

10. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

11. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

12. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

13. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

14. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

15. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

16. Remove all substandard sidewalk improvements and unused driveway cuts adjacent to this site and replace with new sidewalk meeting current City Standards concurrent with on-site development activities as shown on the approved Site Plan. The existing "pan" style driveways may remain. All existing public improvements damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.

17. No onsite parking shall be allowed to back into the public right-of-way.

18. Provide proof of joint access with the adjacent parcel to the west (APN# 162-03-311-001) prior to occupancy of this site.

19. All landscaping and private improvements, if any, installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

20. Submit an Encroachment Agreement for all landscaping and private improvements, if any, located in the Oakey Boulevard and Santa Paula Drive public rights-of-way adjacent to this site prior to occupancy of this site. The installation and maintenance of all landscaping in the public right of way shall be the responsibility of the adjacent property owner(s) and shall be transferred with the sale of the property for the entire term of the Encroachment Agreement

** STAFF REPORT **

PROJECT DESCRIPTION

The subject site consists of an existing 1,632 square-foot residential duplex at 528 East Oakey Blvd. The applicant proposes to rezone the site from R-4 (High Density Residential) to P-R (Professional Office and Parking) and complete a Site Development Plan Review in order to convert the existing duplex into a professional office. The front and side yards are paved with asphalt and a seven-foot tall detached accessory structure (carport) is located in the rear corner side yard. The site currently contains minimal landscaping with some planters at the front and side of the building, but no new landscaping has been proposed to be added along the perimeter. A Variance to allow three parking spaces where six spaces are required accompanies this request. Staff recommends approval of the requested Rezoning as it is appropriate for the site and will conform to the existing General Plan designation; however, denial of the requested Site Development Plan Review and Variance is recommended. If denied, the site would remain a single-family residence, and a new Site Development Plan Review would be required to convert the site to a commercial use.

ISSUES

- The existing C (Commercial) land use designation supports the requested Rezoning from R-4 (High Density Residential) to P-R (Professional Office and Parking).
- A Variance from Title 19.04 is required to allow three parking spaces where six spaces are required (50% deviation).
- The requested Site Development Plan Review is required due to the change in building occupancy from Residential to Commercial.
- The applicant is proposing no alterations to the existing building or site; therefore a Waiver to the required Perimeter Landscape Buffer Requirement to allow no landscape buffers along all property lines has been requested.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
04/23/81	The Board of Zoning Adjustment approved a Variance (V-0021-81) to allow a parking cover two feet from the side property line where a five-foot setback is required. Staff recommended approval.

Most Recent Change of Ownership	
12/09/03	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
1950	A 1,632 square-foot Residential Duplex was constructed.
07/01/83	A Business License (#Q01-00925) was issued for a Real Estate Firm. This license went inactive on 10/27/08.

Pre-Application Meeting	
08/11/10	A pre-application meeting was held to discuss the requirements for the conversion of an existing residential structure for a commercial occupancy.
03/21/11	Staff communicated with the applicant via email regarding potential additional landscaping. The submitted sketch showed additional plants within the encroachment area and did not specify size or type of plants. No formal landscape plans were submitted.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

Field Check	
01/26/11	Staff conducted a field check on the indicated date. The following items were noted: • The existing building is currently vacant, the entire site is paved with no parking stripes, and there is one mature Date Palm located at the corner of Santa Paula Drive and Oakey Boulevard. • There is a covered parking structure large enough for two standard parking spaces. • There are curbs cuts located on Oakey Boulevard and Santa Paula Drive. • There are currently two separate power meters for each residential unit.

Exceptions		
Requirement	***Request***	***Staff Recommendation***
Refuse collection areas and dumpsters shall be provided in sufficient size and numbers to meet the needs of the development.	To allow curbside pick-up of refuse on a regular schedule.	Denial

ANALYSIS

The surrounding neighborhood land use has been transitioning from residential to commercial over the years, and the underlying C (Commercial) General Plan designation reflects this. Staff recommends approval of the requested rezoning because it is supported by the designated commercial land use. However, an approved Rezoning to the P-R (Professional Office and Parking) zoning district will only change the permitted uses and development standards; therefore, an approved Site Development Plan Review and subsequent completion of a building permit is the process for changing the existing building occupancy. The existing residential duplex, without any internal modifications to the building or any external modifications to the site, cannot operate in a suitable or code-compliant commercial manner in its current state.

The project is accompanied by a Variance to allow three parking spaces where six spaces are required. While public parking within the right-of-way is permissible, the parking spaces within the right-of-way cannot count towards the total number of parking spaces required for onsite parking at this site, as it may be taken away at any time. Three of the required six parking spaces are provided in the corner side yard of the property and are accessed from Santa Paula Drive. The result reflects a 50% reduction in the required parking. This Variance request does not meet the minimum requirements for a variance in that it is a self-imposed hardship. The applicant could provide additional spaces or offset the parking deficiency with shared parking agreements or offsite parking arrangements. Therefore, staff does not support the requested Variance as presented.

The applicant is not proposing any changes to the existing structure or the site and has requested a Waiver to allow no perimeter landscape buffers along the north and east perimeters where 15 feet is required and along the south and west perimeters where eight feet is required. The one mature Date Palm located at the corner of Oakey Boulevard and Santa Paula Drive is within the public right-of-way. Alterations to the building and the site are strongly recommended in order to make the transition from the residential duplex to a professional office building more compatible with the surrounding neighborhood.

In addition to the requested Waiver, an Exception to Title 19.08.050(E)(4)(b) has been requested to allow no dedicated refuse collection area (trash enclosure). The applicant will be required to demonstrate that all refuse will be collected curbside on a regularly scheduled pick-up.

Because of the reluctance to make any significant improvements to the site, staff recommends denial of the Site Development Plan Review and accompanying Variance as requested. If denied, the property will retain the residential occupancy it currently maintains, but will not be allowed to be leased or occupied as a commercial property until a new Site Development Plan Review is approved and exercised.

FINDINGS (ZON-40490)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. **The proposal conforms to the General Plan.**

   The subject site currently maintains the MXU (Mixed Use) General Plan land use designation, which supports the requested P-R (Professional Office and Parking) zoning. Approval of the requested zoning change will change the permitted uses and development standards; however, an approved Site Development Plan Review will only be considered exercised upon the issuance of a building permit demonstrating appropriate building code compliance.

2. **The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.**

   The proposed Office, Other than Listed use is permitted by right within the requested P-R (Professional Office and Parking) zoning district and is compatible with the adjacent P-R zoned properties to the west and south and the neighboring commercial uses to the north and east.

3. **Growth and development factors in the community indicate the need for or appropriateness of the rezoning.**

   The C (Commercial) land use and the ongoing transformation of the residential properties to office uses demonstrate the appropriateness for the requested Rezoning to the P-R (Professional Office and Parking) zoning district.

4. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.**

   Access to the site is provided by Oakey Boulevard and Santa Paula Drive. A cross-access agreement is in place to allow the utilization of the driveway on Oakey Boulevard on the adjacent property to the west. However, the primary access to the site is from Santa Paula Drive as the only suitable area for vehicular parking is located on the east side of the property.

FINDINGS (VAR-40491)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

"Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by not providing any alterations to the site to accommodate the greater demand created by the requested conversion of a residential duplex to an Office building. Alternative site layouts and parking arrangements such as a shared parking agreement or an offsite parking arrangement would allow conformance to the Title 19 requirements. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of Variances.

FINDINGS (SDR-40492)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The requested Rezoning (ZON-40490) to P-R (Professional Office and Parking) is suited for professional office development and these types of uses are anticipated by the General Plan. The residential architectural character of the neighborhood will be maintained to ensure the compatibility with the adjacent development in the area.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The proposed site, with approval of a request to rezone the lot at 758 Oakey Avenue to P-R (Professional Office and Parking), will be in conformance with the existing C (Commercial) General Plan land use designation on the site. Waivers of perimeter landscaping buffers are required for approval of the site as proposed. Staff supports the requested request for Rezoning but does not support the Site Development Plan Review or Variance due to the lack of any mitigating design alternatives being presented.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   Site access is provided via driveways along Santa Paula Drive and Oakey Boulevard. The parking will be accessed off of Santa Paula Drive and will not have a negative impact on the surrounding streets. There is a shared-access agreement in place with the western adjacent property to utilize the driveway along Oakey Boulevard; however, due to the proximity of the public right-of-way and the resulting depth of the front yard, onsite parking is severely limited, if not impossible, at the north end of the site.

4. Building and landscape materials are appropriate for the area and for the City;

There have been no proposed alterations to the existing building or site. The building materials are not appropriate as no improvements are proposed, and the existing structure is somewhat in disrepair. Landscaping materials cannot be considered appropriate as no new materials have been proposed and what is present is considerably deficient in amounts and size. The successful conversion of the existing residential duplex to an office building should incorporate moderate improvements to the building's appearance and the inclusion of landscaping at this time; therefore, staff recommends denial of this requested Site Development Plan Review.

5. Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;

There are no proposed accommodations for commercial property other than what is currently provided for the residential duplex. Staff finds that the lack of any site or façade improvements provides little to support in the way of creating an orderly or aesthetically pleasing environment for a successful Office building conversion.

6. Appropriate measures are taken to secure and protect the public health, safety and general welfare.

The proposed conversion of the existing residential duplex is subject to permit review and inspection. Appropriate measures must be met prior to the certification of building occupancy in order to protect the health, safety and general welfare.

Las Vegas, Nevada 89101

Justification Letter

Re: **Site Development Review**
Variance
Rezoning

Bartsas Office Building
528 E Oakey Blvd., Las Vegas, NV 89104
APN # 162-03-311-002

Proposed Use

The site is currently located with the General Plan designation which is Commercial (C). No change is proposed. The proposed Rezoning proposed is from existing R-4 (High Density Residential) to the proposed P-R (Professional Office and Parking).

The proposed is for Professional office.

The subject site is located within the Beverly Green/Southridge neighborhood. The subject site is also located within the Las Vegas redevelopment project area.

The proposed Rezoning of the site will be consistent and in conformity with the immediate surrounding uses which are professional office uses. The properties located at 520 East Oakey Blvd (Immediately west of the subject site) and 1704 Santa Paula Avenue (Immediately south of the subject site) are have a zoning designation of PR (Professional Office).

A part of this action, we request the following:

1. Variance for parking.
2. Waiver of landscaped buffer.

SDR 40492
Mary Bartsas 19 LLC

528 E. Oakey Avenue

Existing 1.632 thousand square foot office building.

Traffic produced by the development:

Curent Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	1.632	11.01	18
AM Peak Hour			1.55	3
PM Peak Hour			1.49	2

(heaviest 60 minutes)

Existing traffic on all nearby streets:

Las Vegas Blvd.

Average Daily Traffic (ADT)	24,163
PM Peak Hour	1,933

(heaviest 60 minutes)

Oakey Dr.

Average Daily Traffic (ADT)	5,901
PM Peak Hour	472

(heaviest 60 minutes)

Traffic Capacity of adjacent streets:

	Existing Street Capacity
Las Vegas Blvd.	34,500
Oakey Dr.	13,040

This project currently adds approximately 18 trips per day on Las Vegas Blvd., Oakey Rd. and Santa Paula Dr. Las Vegas is currently at about 70 percent of capacity and Oakey is currently at about 45 percent of capacity. This project does not significantly impact these capacities. Counts are not available for Santa Paula Rd., but it is believed to be under capacity.

Based on Peak Hour use, this development adds roughly 3 additional cars into the area; which works out to about one every twenty minutes.

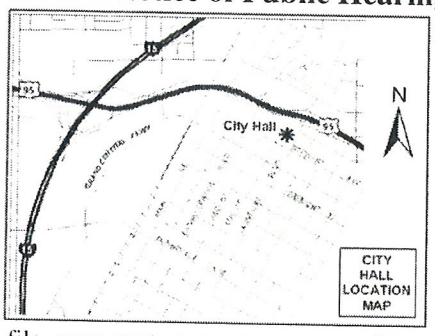

Note that this report assumes all traffic from this development uses all named streets.

Attention: John Grider

Re: Request for abeyance from April 12, 2011 Planning Commission meeting

Dear Mr. Grider,

Please be advised that this firm represents the property owner, of the Tivoli Villages mixed use property. Items SUP-40748 and SUP-40749 are requests for tavern use permits. Since the time the application was filed, each lessee has requested more floor area within Tivoli Village. As a result, the floor plans are being modified. In order to allow your staff sufficient time to review the pending modifications, we request the items be deferred to the May 10, 2011 Planning Commission hearing.

If you have additional concerns please phone me at 598-1408.

Very truly yours,

Lora Dreja

** STAFF RECOMMENDATION(S) **

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
SUP-40748	Staff recommends APPROVAL, subject to conditions:	N/A

** CONDITIONS **

SUP-40748 CONDITIONS

Planning

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Liquor Establishment (Tavern) use.

2. Conformance to the approved conditions for Rezoning (ZON-5653), Special Use Permit (SUP-5853) and Site Development Plan Review (SDR-10770).

3. This approval shall be void two years from the date of final approval, unless a business license has been issued to conduct the activity. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. Approval of this Special Use Permit does not constitute approval of a liquor license.

5. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.

6. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit for a 6,044 square-foot Liquor Establishment (Tavern) use at 430 South Rampart Boulevard, Suite #B160. The proposed use will be located within the Tivoli Village at Queensridge Mixed-Use development that is currently under construction. The Liquor Establishment (Tavern) use complies with all Title 19.04 requirements and can be conducted in a manner that is harmonious and compatible with existing surrounding development and land uses; therefore, staff recommends approval with conditions. If this application is denied, the proposed Liquor Establishment (Tavern) cannot be located within the subject site, nor can a business license be obtained for the use at this location.

ISSUES

- A Liquor Establishment (Tavern) use is permitted in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit.
- Waivers are required to allow no distance separation from another Liquor Establishment (Tavern) where 1,500 feet is required and 141 feet from a City Park where 400 feet is required for approval of the Special Use Permit for the Liquor Establishment (Tavern) use. Waivers of these requirements are possible due to the location of the proposed use within a mixed-use development in excess of 15 acres and 250,000 square feet of nonresidential floor space.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
01/26/98	The City Council approved a Rezoning (Z-0127-97) from U (Undeveloped) zone, M (Medium Density Residential) and SC (Service Commercial) General Plan Designation, under Resolution of Intent to R-PD16 (Residential Planned Development – 16 Units per Acre), to C-2 (General Commercial) at the northeast corner of the intersection of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.
03/02/05	The City Council approved a request for a Site Development Plan Review (SDR-5657) to allow a Mixed-Use development to include 700,000 square feet of commercial space and 375 residential condominium units in on 10-story and two five-story residential condominium buildings on 30.21 acres adjacent to the northeast corner of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.

03/02/05	The City Council approved a request for a Special Use Permit (SUP-5853) to allow a proposed Mixed-Use commercial and residential development adjacent to the northeast corner of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.
04/19/06	The City Council approved a request for a Variance (VAR-10773) to allow 3,955 parking spaces where 4,961 parking spaces is the minimum number of parking spaces required for a proposed Mixed-Use development on 28.69 acres at 8750 Alta Drive. The Planning Commission recommended approval, but staff recommended denial of the request.
	The City Council approved a request for a Site Development Plan Review (SDR-10770) for a 10-story Mixed-Use development consisting of 699,000 square feet of commercial space and 340 residential units on 28.69 acres 8750 Alta Drive. The Planning Commission recommended approval, but staff recommended denial of the request.
06/06/07	The City Council approved a Review of Condition (ROC-21668) to modify Condition Number 9 of an approved Site Development Plan Review (SDR-10770) which stated that all perimeter landscape buffers shall comply with the minimum requirements listed in Title 19.12. Tree spacing within the buffers shall conform to the minimum requirements listed in Title 19.12. To allow a four-foot landscape buffer along the south property line where eight feet is the minimum required for an approved Mixed-Use development on 28.69 acres at 420 South Rampart Boulevard. Staff recommended approval of the request.
07/12/07	The Planning Commission approved a Tentative Parcel Map (TMP-20197) for a 324 unit Mixed-Use development on 28.62 acres at 302 South Rampart Boulevard. Staff recommended approval of the request.
10/01/08	The City Council approved a request for a Special Use Permit (SUP-28998) for a Supper Club and a Waiver to allow a 141-foot separation from a City Park where 400 feet is the minimum required at the northeast corner of Rampart Boulevard and Alta Drive. The Planning Commission and staff recommended approval of the request.
12/17/08	The City Council approved a request for a Special Use Permit (SUP-30583) for a proposed 12,195 square-foot Supper Club and a Waiver to allow a distance separation from a City Park where 400 feet is the minimum required at 440 South Rampart Boulevard, Suite #8120. The Planning Commission and staff recommended approval of the request.
07/01/09	The City Council approved a request for a Special Use Permit (SUP-34175) for a proposed Liquor Establishment (Tavern) with a Waiver to allow no distance separation from a similar use and a 141-foot distance separation from a City Park where 1,500 feet is the allowed at 330 South Rampart Boulevard, Suite #215. The Planning Commission and staff recommended approval of the request.

09/23/10	The Planning Commission approved a request for a Special Use Permit (SUP-39146) for a Liquor Establishment (Tavern) within a 28.69-acre Mixed-Use development with waivers to allow a distance separation of 141 feet from a City Park and to allow no distance separation from a similar use where 1,500 feet is required at 440 South Rampart Boulevard, Suite #180. The Planning and Development Department staff recommended approval of the request.
10/21/10	The Planning Commission approved a request for a Special Use Permit (SUP-39440) for a Supper Club with a waiver to allow a 141-foot distance separation from a City Park where 400 feet is the minimum required at 420 South Boulevard, Suite #180. The Planning and Development Department staff recommended approval of the request.
10/21/10	The Planning Commission approved a request for a Special Use Permit (SUP-39441) for a Liquor Establishment (Tavern) within a 28.69-acre Mixed-Use development with waivers to allow a distance separation of 141 feet from a City Park and to allow no distance separation from a similar use where 1,500 feet is required at 440 South Rampart Boulevard, Suite #B190. The Planning and Development Department staff recommended approval of the request.
12/16/10	The Planning Commission approved a request for a Special Use Permit (SUP-40087) for a Supper Club with a waiver to allow a 141-foot distance separation from a City Park where 400 feet is the minimum required at 400 South Boulevard, Suite #190. The Planning and Development Department staff recommended approval of the request.
	The Planning Commission approved a request for a Master Sign Plan (MSP-40230) for an approved Mixed-Use development on 28.44 acres at the northeast corner of Alta Drive and Rampart Boulevard. The Planning and Development Department staff recommended approval of the request.
03/08/11	The Planning Commission voted to hold a Special Use Permit (SUP-40749) for a Liquor Establishment (Tavern), located at 430 South Rampart Boulevard, Suite #B130 in abeyance to the April 12, 2011 Planning Commission meeting

Most Recent Change of Ownership	
01/16/04	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
There is no business license history at 430 South Rampart Boulevard, Suite #B160, since the building has not received its final certificate of completion.	
02/23/09	A building permit (#07002847) was issued for a renewal of a permit for a certificate of completion for Building #9 at 430 South Rampart Boulevard.

Pre-Application Meeting	
01/10/11	A pre-application meeting was held with the applicant where elements of submitting a Special Use Permit for a Liquor Establishment (Tavern) use were discussed. The topics included: • A waiver is required due to the proximity of the proposed use within 400 feet from a City Park and zero feet from another Liquor Establishment (Tavern), pursuant to Minimum Special Use Permit requirement Number 5d. • The proposed use is located within a Mixed-Use development.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
01/26/11	A site visit noted that the subject site for this application is currently under construction.

JG

ANALYSIS

The Liquor Establishment (Tavern) use is defined by Title 19.20 as "a facility which sells alcoholic beverages for consumption on the premises where the same are sold and authorizes the sale, to consumers only and not for resale, of alcoholic beverages in original sealed or corked containers, for consumption off the premises where the same are sold." The applicant is proposing a 6,044 square-foot lounge/nightclub with a DJ and a stage for live entertainment.

Tivoli Village at Queensridge Mixed-Use development is located adjacent to a Pedestrian Path Trail along Rampart Boulevard as designated within the Transportation Trails Element of the Las Vegas 2020 Master Plan. The pedestrian sidewalk is currently under construction.

The applicant is requesting Waivers to allow no distance separation from a Liquor Establishment (Tavern) use where 1500 feet is required and a 141-foot distance separation from a City Park where 400 feet is required, pursuant to Minimum Special Use Permit requirement Number 5d. The first waiver results from taverns located at the adjacent Angel Park Golf Club and also within the subject Mixed-Use development, as approved through Special Use Permits (SUP-34175 and SUP-39146). The second Waiver is for a City Park located to the north of the mixed-use development.

As the proposed Liquor Establishment (Tavern) will be located within a mixed-use development in excess of 15 acres and 250,000 square feet of nonresidential floor space, the distance separation requirement can be waived per Title 19.04. The development has a net site area of 28.44 acres. The proposed Liquor Establishment (Tavern) is a compatible use with neighboring commercial and residential uses within the approved Mixed-Use development. The proposed use will be compatible and harmonious with the existing uses and future surrounding land uses; therefore, staff recommends approval with conditions.

FINDINGS (SUP-40748)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Liquor Establishment (Tavern) use is a compatible use with neighboring commercial and residential uses within the approved Mixed-Use development.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

The site is physically suitable for this type of use and the intensity is appropriate in this area of the City. Ample site access is provided and adequate parking is being provided in accordance with the approved Variance (VAR-10773) for the Mixed-Use development. The proposed Liquor Establishment (Tavern) is appropriate in these types of Mixed-Use developments.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

The subject site is accessed by Rampart Boulevard and Alta Drive. Both streets are sufficient to accommodate the amount of vehicular trips associated with the proposed use.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

Approval of the Special Use Permit is consistent with the General Plan, and will not compromise the public health, safety, or welfare.

5. The use meets all of the applicable conditions per Title 19.04.

The proposed use does not meet all Minimum Special Use Permit requirements pursuant to Title 19.04 due to the proximity to a City Park and another Liquor Establishment (Tavern). The requested Waivers of the minimum distance separation requirement are appropriate for the proposed use within a Mixed-Use development.

Re: Special Use Permit with separation waivers for Liquor Establishment within Tivoli Village at Queensridge Parcel 138-32-601-003, Building 9, Unit B 160 and 170

Dear Sir/Madam;

Please consider this request to allow a Liquor Establishment within a previously approved mixed use development (SUP-5853). Specifically in the basement and on the first level of 430 S. Rampart Boulevard. The site is located within a 29 acre commercial and residential development located at the northeast corner of Alta Drive and Rampart Boulevard. The proposed lounge is accessed from the promenade into a 2566 SF area. Another 6044 SF of the lounge is located subgrade, beneath building nine in the mixed use development. The total area is therefore 8610 SF.

Sofa by Santos Lounge has a lounge/nightclub atmosphere. Under the provisions of Title 19 it is classified as a liquor establishment within a mixed use district. The lease allows the tenant the option to serve food.

Please refer to ordinance 6013 that permits an applicant to request a waiver for the 1500 foot minimum separation requirement between Liquor Establishment and protected uses when the proposed tavern is located in a mixed use district. This Use Permit request requires the application of ordinance 6013 in order for Sofa to operate one the same property as previously approved taverns within Tivoli Village. This request also requires the application of ordinance 6013 to allow this tavern a 0 foot separation between to the liquor establishment located on Angel Park Golf Course that is the adjacent property. A third waiver is required to allow this tavern to be located approximately 141 feet from the boundary of a children's play ground located at Angel Park. This distance is measured property line to property line. The actual walking distance from the proposed tavern is more than 1500 feet and the pathway is encumbered by numerous other buildings, fences and drainage channels. There is not a direct route to drive from this establishment to the park.

If you have additional concerns please phone me at 598-1408.

Very truly yours,

Lora Dreja

Application Information

SUP-40748 - SPECIAL USE PERMIT - PUBLIC HEARING - APPLICANT/OWNER: GREAT WASH PARK, LLC - Request for a Special Use Permit FOR A LIQUOR ESTABLISHMENT (TAVERN) WITHIN A 28.44-ACRE MIXED-USE DEVELOPMENT WITH WAIVERS TO ALLOW A DISTANCE SEPARATION OF 141 FEET FROM A PARK WHERE 400 FEET IS REQUIRED AND NO DISTANCE SEPARATION FROM A SIMILAR USE WHERE 1,500 FEET IS REQUIRED at 430 South Rampart Boulevard, Suite #B160 (APN 138-32-601-003), C-2 (General Commercial) Zone, Ward 2 (Wolfson).

The residential condos did not need another bar as a neighbor. Please do not allow this usage in our neighborhood. I appose this special use permit.

Application Location

The proposed project may not pertain to the entire highlighted project site.

Public Hearing Information

Meeting:	Planning Commission
Date:	***March 08, 2011***
Time:	6:00 P.M.
Location:	City Council Chambers 400 Stewart Avenue Las Vegas, Nevada

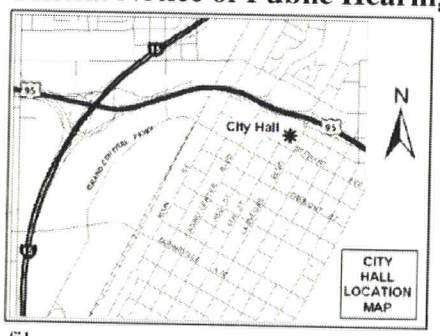

Any and all interested persons may appear before the City Planning Commission either in person or by representative and object to or express approval of this request; or may, prior to this meeting, file a written objection thereto or approval thereof with the Department of Planning, Case planning Division, Development Services Center, 333 North Rancho Drive, 3rd Floor, Las Vegas, Nevada 89106. Final Action on General Plan Amendments and Rezonings will be determined by the City Council. Other public hearing items may be deemed Final Action by the Planning Commission or forwarded to the City Council. The date of the City Council meeting, if applicable, will be announced at the Planning Commission meeting after the discussion of the item. For further information, including the full staff report, please call (702) 229-6301 (TDD 386-9108) or go to http://www.lasvegasnevada.gov.

Just To Use Durango – How Inconsiderate To The Tax Payers Of This Area. Triple Five Got Away Without Building The Wall Bethany

Our Neighborhood (West Mesa). I But you forgot about that one.

You allowed Queens Ridge to Build ugly Gothic looking Buildings that have Destroyed the look of Our Neighborhood.

You allowed a Big ugly stacked up Buildings to Be Built over a RECEIVED Golfers (once naturally Beautiful). MAR - 3 2011

The Buildings are sitting to close to the street (Alta Side) & Now We are possibly looking at a Bridge across Alta ???

It Now takes me approximately six Minutes from Alta & Bogo to Get to the Durango-25 onramp.

Can't Imagine what it will Be like once your New Vision of this area is Fully Operational.

In this economy our once Nice Quiet Neighborhood will look like the Strip as a Ghost Town.

I Guess We can Salvage it as a Ghost Town & it can Become a New Attraction for Tourist — But that again — You Don't want To Lose any Business on the Strip. Meanwhile We'll all Be Waiting at Alta & Durango for Traffic.

Attention: John Grider

Re: Request for abeyance from April 12, 2011 Planning Commission meeting

Dear Mr. Grider,

Please be advised that this firm represents the property owner, of the Tivoli Villages mixed use property. Items SUP-40748 and SUP-40749 are requests for tavern use permits. Since the time the application was filed, each lessee has requested more floor area within Tivoli Village. As a result, the floor plans are being modified. In order to allow your staff sufficient time to review the pending modifications, we request the items be deferred to the May 10, 2011 Planning Commission hearing.

If you have additional concerns please phone me at 598-1408.

Very truly yours,

Lora Dreja

** STAFF RECOMMENDATION(S) **

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
SUP-40749	Staff recommends APPROVAL, subject to conditions:	N/A

** CONDITIONS **

SUP-40749 CONDITIONS

Planning

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Liquor Establishment (Tavern) use.

2. Conformance to the approved conditions for Rezoning (ZON-5653), Special Use Permit (SUP-5853) and Site Development Plan Review (SDR-10770).

3. This approval shall be void two years from the date of final approval, unless a business license has been issued to conduct the activity. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. Approval of this Special Use Permit does not constitute approval of a liquor license.

5. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.

6. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit for a 6,898 square-foot Liquor Establishment (Tavern) use at 430 South Rampart Boulevard, Suite #B130. The proposed use will be located within the Tivoli Village at Queensridge Mixed-Use development that is currently under construction. The Liquor Establishment (Tavern) use complies with all Title 19.04 requirements and can be conducted in a manner that is harmonious and compatible with existing surrounding development and land uses; therefore, staff recommends approval with conditions. If this application is denied, the proposed Liquor Establishment (Tavern) cannot be located within the subject site, nor can a business license be obtained for the use at this location.

ISSUES

- A Liquor Establishment (Tavern) use is permitted in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit.
- Waivers are required to allow no distance separation from another Liquor Establishment (Tavern) where 1500 feet is required and 141 feet from a City Park where 400 feet is required for approval of the Special Use Permit for the Liquor Establishment (Tavern) use. Waivers of these requirements are possible due to the location of the proposed use within a mixed-use development in excess of 15 acres and 250,000 square feet of nonresidential floor space.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
01/26/98	The City Council approved a Rezoning (Z-0127-97) from U (Undeveloped) zone, M (Medium Density Residential) and SC (Service Commercial) General Plan Designation, under Resolution of Intent to R-PD16 (Residential Planned Development – 16 Units per Acre), to C-2 (General Commercial) at the northeast corner of the intersection of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.

03/02/05	The City Council approved a request for a Site Development Plan Review (SDR-5657) to allow a Mixed-Use development to include 700,000 square feet of commercial space and 375 residential condominium units in on 10-story and two five-story residential condominium buildings on 30.21 acres adjacent to the northeast corner of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.
	The City Council approved a request for a Special Use Permit (SUP-5853) to allow a proposed Mixed-Use commercial and residential development adjacent to the northeast corner of Alta Drive and Rampart Boulevard. The Planning Commission and staff recommended approval of the request.
04/19/06	The City Council approved a request for a Variance (VAR-10773) to allow 3,955 parking spaces where 4,961 parking spaces is the minimum number of parking spaces required for a proposed Mixed-Use development on 28.69 acres at 8750 Alta Drive. The Planning Commission recommended approval, but staff recommended denial of the request.
	The City Council approved a request for a Site Development Plan Review (SDR-10770) for a 10-story Mixed-Use development consisting of 699,000 square feet of commercial space and 340 residential units on 28.69 acres 8750 Alta Drive. The Planning Commission recommended approval, but staff recommended denial of the request.
06/06/07	The City Council approved a Review of Condition (ROC-21668) to modify Condition Number 9 of an approved Site Development Plan Review (SDR-10770) which stated that all perimeter landscape buffers shall comply with the minimum requirements listed in Title 19.12. Tree spacing within the buffers shall conform to the minimum requirements listed in Title 19.12. To allow a four-foot landscape buffer along the south property line where eight feet is the minimum required for an approved Mixed-Use development on 28.69 acres at 420 South Rampart Boulevard. Staff recommended approval of the request.
07/12/07	The Planning Commission approved a Tentative Parcel Map (TMP-20197) for a 324 unit Mixed-Use development on 28.62 acres at 302 South Rampart Boulevard. Staff recommended approval of the request.
10/01/08	The City Council approved a request for a Special Use Permit (SUP-28998) for a Supper Club and a Waiver to allow a 141-foot separation from a City Park where 400 feet is the minimum required at the northeast corner of Rampart Boulevard and Alta Drive. The Planning Commission and staff recommended approval of the request.
12/17/08	The City Council approved a request for a Special Use Permit (SUP-30583) for a proposed 12,195 square-foot Supper Club and a Waiver to allow a distance separation from a City Park where 400 feet is the minimum required at 440 South Rampart Boulevard, Suite #8120. The Planning Commission and staff recommended approval of the request.

07/01/09	The City Council approved a request for a Special Use Permit (SUP-34175) for a proposed Liquor Establishment (Tavern) with a Waiver to allow no distance separation from a similar use and a 141-foot distance separation from a City Park where 1,500 feet is the allowed at 330 South Rampart Boulevard, Suite #215. The Planning Commission and staff recommended approval of the request.
09/23/10	The Planning Commission approved a request for a Special Use Permit (SUP-39146) for a Liquor Establishment (Tavern) within a 28.69-acre Mixed-Use development with waivers to allow a distance separation of 141 feet from a City Park and to allow no distance separation from a similar use where 1,500 feet is required at 440 South Rampart Boulevard, Suite #180. The Planning and Development Department staff recommended approval of the request.
10/21/10	The Planning Commission approved a request for a Special Use Permit (SUP-39440) for a Supper Club with a waiver to allow a 141-foot distance separation from a City Park where 400 feet is the minimum required at 420 South Boulevard, Suite #180. The Planning and Development Department staff recommended approval of the request.
10/21/10	The Planning Commission approved a request for a Special Use Permit (SUP-39441) for a Liquor Establishment (Tavern) within a 28.69-acre Mixed-Use development with waivers to allow a distance separation of 141 feet from a City Park and to allow no distance separation from a similar use where 1,500 feet is required at 440 South Rampart Boulevard, Suite #B190. The Planning and Development Department staff recommended approval of the request.
12/16/10	The Planning Commission approved a request for a Special Use Permit (SUP-40087) for a Supper Club with a waiver to allow a 141-foot distance separation from a City Park where 400 feet is the minimum required at 400 South Boulevard, Suite #190. The Planning and Development Department staff recommended approval of the request.
	The Planning Commission approved a request for a Master Sign Plan (MSP-40230) for an approved Mixed-Use development on 28.44 acres at the northeast corner of Alta Drive and Rampart Boulevard. The Planning and Development Department staff recommended approval of the request.
03/08/11	The Planning Commission will hear a Special Use Permit (SUP-40748) for a Liquor Establishment (Tavern), located at 430 South Rampart Boulevard, Suite #B160.

Most Recent Change of Ownership	
01/16/04	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
There is no business license history at 430 South Rampart Boulevard, Suite #B130, since the building has not received its final certificate of completion.	
02/23/09	A building permit (#07002847) was issued for a renewal of a permit for a certificate of completion for Building #9 at 430 South Rampart Boulevard.

Pre-Application Meeting	
01/10/11	A pre-application meeting was held with the applicant where elements of submitting a Special Use Permit for a Liquor Establishment (Tavern) use were discussed. The topics included: • A waiver is required due to the proximity of the proposed use within 400 feet from a City Park and no distance seperation from another Liquor Establishment (Tavern), pursuant to Minimum Special Use Permit requirement Number 5d. • The proposed use is located within a Mixed-Use development.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
01/26/11	A site visit noted that the subject site for this application is currently under construction.

400-foot distance separation from City Park.	To allow a 141-foot distance separation.	Approval

ANALYSIS

The Liquor Establishment (Tavern) use is defined by Title 19.20 as "a facility which sells alcoholic beverages for consumption on the premises where the same are sold and authorizes the sale, to consumers only and not for resale, of alcoholic beverages in original sealed or corked containers, for consumption off the premises where the same are sold." The applicant is proposing a 6,898 square-foot Irish Pub with dart boards, billiard tables, televisions with live sporting events and a stage for live entertainment.

Tivoli Village at Queensridge Mixed-Use development is located adjacent to a Pedestrian Path Trail along Rampart Boulevard as designated within the Transportation Trails Element of the Las Vegas 2020 Master Plan. The pedestrian sidewalk is currently under construction.

The applicant is requesting Waivers to allow no distance separation from a Liquor Establishment (Tavern) use where 1500 feet is required and a 141-foot distance separation from a City Park where 400 feet is required, pursuant to Minimum Special Use Permit requirement Number 5d. The first waiver results from taverns located at the adjacent Angel Park Golf Club and also within the subject Mixed-Use development, as approved through Special Use Permits (SUP-34175 and SUP-39146). The second Waiver is for a City Park located to the north of the mixed-use development.

As the proposed Liquor Establishment (Tavern) will be located within a mixed-use development in excess of 15 acres and 250,000 square feet of nonresidential floor space, the distance separation requirement can be waived per Title 19.04. The development has a net site area of 28.44 acres. The proposed Liquor Establishment (Tavern) is a compatible use with neighboring commercial and residential uses within the approved Mixed-Use development. The proposed use will be compatible and harmonious with the existing uses and future surrounding land uses; therefore, staff recommends approval with conditions.

FINDINGS (SUP-40749)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Liquor Establishment (Tavern) is a compatible use with neighboring commercial and residential uses within the approved Mixed-Use development.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The site is physically suitable for this type of use and the intensity is appropriate in this area of the City. Ample site access is provided and adequate parking is being provided in accordance with the approved Variance (VAR-10773) for the Mixed-Use development. The proposed Liquor Establishment (Tavern) is appropriate in these types of Mixed-Use developments.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The subject site is accessed by Rampart Boulevard and Alta Drive. Both streets are sufficient to accommodate the amount of vehicular trips associated with the proposed use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of the Special Use Permit is consistent with the General Plan, and will not compromise the public health, safety, or welfare.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed use does not meet all Minimum Special Use Permit requirements pursuant to Title 19.04 due to the proximity to a City Park and another Liquor Establishment (Tavern). The requested Waivers of the minimum distance separation requirement are appropriate for the proposed use within a Mixed-Use development.

Re: Special Use Permit with separation waivers for Liquor Establishment within Tivoli Village at Queensridge Parcel 138-32-601-003, Building 9, Unit B 130 and 140

Dear Sir/Madam;

Please consider this request to allow a Liquor Establishment within a previously approved mixed use development (SUP-5853). Specifically, the building located at 430 S. Rampart Boulevard. The site is located within a 29 acre commercial and residential development located at the northeast corner of Alta Drive and Rampart Boulevard. The proposed lounge is has a 3500 SF access by the outdoor promenade then 6898 SF located subgrade, beneath building nine in the mixed use development.

Brickell is an Irish Pub featuring a full menu of Burgers, entrees and appetizers. Patrons are entertained by dart boards, billiard tables and several televisions that broadcast domestic sports as well as overseas football and rugby. A stage for live entertainment is available as allowed in a C-2 district.

Please refer to ordinance 6013 that permits an applicant to request a waiver for the 1500 foot minimum separation requirement between Liquor Establishment and protected uses when the proposed tavern is located in a mixed use district. This Use Permit request requires the application of ordinance 6013 in order for Sofa to operate one the same property as previously approved taverns within Tivoli Village. This request also requires the application of ordinance 6013 to allow this tavern a 0 foot separation between to the liquor establishment located on Angel Park Golf Course that is the adjacent property. A third waiver is required to allow this tavern to be located approximately 141 feet from the boundary of a children's play ground located at Angel Park. This distance is measured property line to property line. The actual walking distance from the proposed tavern is more than 1500 feet and the pathway is encumbered by numerous other buildings, fences and drainage channels. There is not a direct route to drive from this establishment to the park.

If you have additional concerns please phone me at 598-1408.

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
GPA-40839	Staff recommends APPROVAL.	N/A
SUP-41115	Staff recommends APPROVAL, subject to conditions:	GPA-40839
SDR-41114	Staff recommends APPROVAL, subject to conditions:	GPA-40839 SUP-41115

** CONDITIONS **

SUP-41115 CONDITIONS

Planning

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for an Auto Repair Garage, Major use.

2. Approval of and conformance to the Conditions of Approval for Site Development Plan Review (SDR-41114) shall be required.

3. Conformance to the approved conditions for Rezoning (Z-0003-76), except as amended herein.

4. This approval shall be void two years from the date of final approval, unless exercised pursuant to Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

5. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

6. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

7. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

SDR-41114 CONDITIONS

Planning

1. Approval of a General Plan Amendment (GPA-40839) from PF (Public Facilities) to GC (General Commercial) and conformance to the Conditions of Approval for Special Use Permit (SUP-41115) shall be required, if approved.

2. Conformance to the Conditions of Approval of Site Development Plan Review (Z-0003-76), except as amended herein.

3. This approval shall be void two years from the date of final approval, unless exercised pursuant to Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 03/23/11, except as amended by conditions herein.

5. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 03/23/11. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

6. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Department.

7. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

8. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.

9. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

10. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

11. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

12. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

13. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

14. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

15. Remove all substandard sidewalk improvements adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site. The existing "pan" style driveways accessing this site from McLeod Street may remain.

16. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request to amend the general Plan designation from PF (Public Facilities) to GC (General Commercial) at 2301 McLeod Street. The purpose for the General Plan Amendment is to amend the land use designation to be consistent with the existing C-2 (General Commercial) Zoning District of the property. The site was previously utilized by a government entity, but has since transitioned to private commercial use. As a result, the PF (Public Facilities) land use designation is no longer appropriate. Staff recommends approval as the intensity of the proposed General Plan land use designation is compatible with the existing zoning designation. If this application is denied, the General Plan land use designation would remain PF (Public Facilities), with a non-conforming C-2 zoning district.

The applicant is requesting a companion Special Use Permit (SUP-41115) to convert a 4,800 square-foot building, previously approved for an Auto Repair Garage, Minor use to an Auto Repair Garage, Major use at this location. The subject property of the proposed use is to be operated in conjunction with two properties located at 3000 and 3030 East Sahara Avenue, which has been entitled for Motor Vehicle Sales (Used). Staff is recommending approval of the request, as the use is compatible with surrounding development. If denied, the proposed use will not be permitted at the proposed location.

The applicant is requesting a companion Site Development Plan Review (SDR-41114) for a Major Amendment to a previously approved Site Development Plan Review (Z-0003-76) for a proposed Auto Repair Garage, Major within an existing 4,800 square-foot building formerly used for Auto Repair Garage, Minor. Staff recommends approval, as the proposed use is compatible with the surrounding Commercial zoning. If this application is denied the subject site would remain vacant.

ISSUES

- An Auto Repair Garage, Major use is permitted in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit.
- This item has been deemed a Project of Regional Significance. No comments were received in response to this.
- Improvements to the site are proposed for buffering, landscaping and building aesthetics.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
03/03/76	The Board of City Commissioners approved a request for Rezoning (Z-0003-76) from R-1(Single Family Residential) to C-2 (General Commercial), with a proposed use of a Federal Motor Pool facility on property generally located on the east side of McLeod Street between Sahara Avenue and Holly Hill Avenue. The Planning Commission and staff recommended approval.

Most Recent Change of Ownership	
07/12/04	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
04/14/76	A building permit (1922) was issued for a 4,780 square-foot Motor Pool at 2301 McLeod Street. The permit was finaled on 08/27/76.
05/13/76	A building permit (2806) was issued for a 6-foot high by 60-foot long block wall at 2301 McLeod Street. The permit was finaled on 08/27/76.
No business licenses are associated with the subject property.	

Pre-Application Meeting	
12/02/10	A pre-application meeting was held with the applicant, where the submittal requirements for a General Plan Amendment, Special Use Permit and Site Development Plan Review were discussed.

Neighborhood Meeting	
03/22/11	A neighborhood meeting was held at 3333 Fremont Street, Sunrise Manor, NV 89104 at 5:30 p.m. There were three representatives for the applicant, a member of the Planning department staff and no members of the public present. The applicant and staff remained at the meeting location until 6:00 p.m.

Field Check	
03/03/11	A site visit by staff noted the subject property is clean and free of debris. It has an existing chain link fence along the west, south, north and a portion of the east property lines. A freestanding canopy and accessory structure are located to the east of the main building. (No building permits were located for either structure). Landscape islands that are filled with concrete and light poles that exceed Title 19.08 lighting standards were observed.

TOTAL SPACES REQUIRED			29				
Regular and Handicap Spaces Required			27	2	135	2	Y

ANALYSIS

The PF (Public Facilities) category is intended to provide for existing public and quasi-public uses and for the development of new schools, libraries, and public parks, in addition to any public or quasi-public use operated or controlled by any recognized religious, fraternal, veteran, civic or service organization. As the subject site is currently under private ownership, the existing land use designation is no longer appropriate. However, the GC (General Commercial) category is consistent with the existing C-2 zoning district and generally allows retail, service, wholesale, office and other general business uses of a more intense commercial nature. These uses may include outdoor storage or display of products or parts, noise, lighting or other characteristics not generally considered compatible with adjoining residential areas without significant transition. The proposed amendment is compatible with the surrounding uses; therefore, staff recommends approval of this request.

An Auto Repair Garage, Major is defined by Title 19.20.020 as "a facility for the repair or reconditioning of any type of motorized vehicle, other than the types of repair and service authorized to be performed in a minor auto repair garage. The term includes a facility which performs any repairs to vehicles with a gross vehicle weight over ten thousand pounds." The applicant is proposing an Auto Repair Garage, Major use on property that was formally the Federal Motor Pool facility, that was approved for an Auto Repair Garage, Minor use. The proposed hours of operation would be from 10:00 a.m. to 8:00 p.m. Monday through Thursday, from 8:30 a.m. to 8:30 p.m. Friday and Saturday and closed on Sunday. The proposed use complies with Title 19.04 minimum Special Use Permit Requirements and can be conducted in a manner that is compatible with existing and surrounding land uses; therefore, staff recommends approval with conditions.

The applicant is requesting a Major Amendment to a previously approved Site Development Plan Review (Z-0003-76) to convert an existing 4,800 square-foot building that was approved for an Auto Repair Garage, Minor use to an Auto Repair Garage, Major use. The applicant is proposing site improvements that will increase compatibility with the residential neighborhood to the north. This includes the removal of the existing 60-foot light poles, which will be replaced with 30-foot light poles that meet the current Title 19.08 lighting requirements, the removal of the unpermitted accessory and canopy structures are to be removed from the site, and additional perimeter landscaping to buffer the use.

The submitted landscape plan depicts a new landscape buffer along the north perimeter abutting single family residences with nine 24-inch box trees and 32-five gallon shrubs. No buffer was previously provided or required at this location. The applicant is upgrading the landscaping buffer along McLeod Drive, with 13, 24-inch box Chaste trees and 51 five-gallon shrubs. Previously, only pine trees at eight feet on center were provided. The proposed parking lot landscaping will consist of a 24-inch box tree and four five-gallon shrubs in each parking lot island, where five gallon shrubs were originally approved.

Staff supports the improved landscaping as the applicant has provided adequate landscape materials where possible. This is an improvement over the previously approved landscape plan, which provided no shrubbery along the perimeter landscape buffer areas, and limited trees in perimeter landscape buffer areas.

The applicant is proposing to upgrade the existing building by adding windows, paint and architectural elements to enhance the building exterior. The building materials are appropriate for the area and city and will improve the aesthetics of the existing building from a spartan governmental building.

Comments were received from the Las Vegas Valley Water District, and include the following: An existing 11/2" meter with 1/12" RPPA. This property does not have a fire line, just domestic. If fire sprinklers will be needed, plans will need to be submitted to LVVWD.

The proposed development is compatible with the development in the area; therefore, staff is recommending approval of the Site Development Plan Review with conditions, along with the General Plan Amendment and Special Use Permit.

FINDINGS (GPA-40839)

Section 19.18.030(I) of the Las Vegas Zoning Code requires that the following conditions be met in order to justify a General Plan Amendment:

1. **The density and intensity of the proposed General Plan Amendment is compatible with the existing adjacent land use designations,**

   The proposed amendment is compatible with the surrounding uses as the properties to the south and east has the existing GC (General Commercial) land use designation.

2. **The zoning designations allowed by the proposed amendment will be compatible with the existing adjacent land uses or zoning districts,**

   The zoning designations allowed by the proposed amendment to GC (General Commercial) are compatible with the existing adjacent land uses and zoning districts.

3. **There are adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed General Plan Amendment; and**

   The subject property is located within an area of the City where all utilities, fire and police services are currently in place and available. Therefore, there are adequate facilities available to accommodate the uses and densities permitted by the proposed General Plan Amendment.

4. **The proposed amendment conforms to other applicable adopted plans and policies that include approved neighborhood plans.**

   No applicable plans are affected by this request.

FINDINGS (SUP-41115)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed use will be located on a former Auto Repair Garage, Minor site. The proposed use can be conducted in a manner that is harmonious and compatible with the existing and future surrounding land uses as conditioned.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site has ample area for on-site parking, circulation and required landscaping which makes it physically suitable for the proposed Auto Repair Garage, Major use.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   The site is accessed by McLeod Street, which is of sufficient size to accommodate the needs of the proposed Auto Repair Garage, Major use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of a Special Use Permit for this use at this location will not compromise the public health, safety, or welfare, as the use is subject to licensing and inspections by the City of Las Vegas.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed use complies with the minimum Special Use Requirements for an Auto Repair Garage, Major use.

FINDINGS (SDR-41114)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The property is located in a C-2 (General Commercial) Zoning District. While there are residential properties to the north, the additional landscaping and parking lot lighting modification will provide adequate buffering to minimize the negative impact of the development.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The proposed development is consistent with the General Plan and Title 19.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   The site is accessed by existing driveways from McLeod Drive and will not have a negative impact on the adjacent residential neighborhood.

4. **Building and landscape materials are appropriate for the area and for the City;**

   The building materials are appropriate for the area and for the city and will be enhanced by the proposed improvements. The landscape materials as conditioned are appropriate for the area and the city.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The existing single story structure will remain, but aesthetic improvements are proposed to ensure the structure is compatible with the development in the area.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed development is subject to permit review and inspection; therefore, appropriate measures will be taken to protect the health, safety and general welfare.

Re: Amended Justification Letter for Applicant DriveTime Car Sales Company, LLC (Parcel No. 162-01-801-013)

As you know, this firm represents DriveTime Car Sales Company, LLC ("DriveTime"). DriveTime has entered into an agreement to purchase the above-referenced parcel number which is located at 2301 McLeod Street, at the intersection of McLeod Street and East Sahara Avenue (the "Property").

DriveTime intends to use the Property for the service and repair of used motor vehicles to complement the sale of used motor vehicles on its adjacent property located at 3000 and 3030 East Sahara Avenue (the "Sahara Property"). DriveTime will simply utilize the existing buildings on the Property as an auto body and service facility in support of the used motor vehicle sales operations on the Sahara Property. Currently, the Property is classified as Public Facilities (PF) for the General Plan, and is designated as a General Commercial (C-2) zoning district. Pursuant to Las Vegas Municipal Code Title 19.18.03(I), in order to approve a General Plan Amendment, the Planning Commission and City Council must determine, among other factors, that, "[t]he density and intensity of the proposed General Plan Amendment is compatible with the existing adjacent land use designations," and "[t]he zoning designations allowed by the proposed amendment will be compatible with the existing adjacent land uses or zoning districts." Therefore, because the General Plan and Zoning designations for the property are currently not compatible, DriveTime submits this General Plan Amendment application in order for the General Plan and Zoning designations to be compatible with one another as required.

DriveTime intends to have 25 employees at the Sahara Property, and the proposed hours of operation are Monday through Thursday from 10:00 a.m. to 8:00 p.m., Friday and Saturday from 8:30 a.m. to 8:30 p.m., and closed on Sundays, with the proposed hours for the subject Property varying depending upon need and demand. DriveTime will obtain the requisite used

motor vehicle dealer license issued by the Nevada Department of Transportation, Motor Vehicle Division in order to operate.

DriveTime also operates two similar used car sales dealerships located at 3333 East Fremont Street (opened in 1996) and a used car sales dealership at 1616 South Decatur (opened in 2004). Pictures of both locations, as well as the Department of Motor Vehicles Dealer Licenses for both locations have previously been submitted.

Title 19.18.03(I) of the Las Vegas Municipal Code sets forth various issues for the Planning Commission and City Council to consider when determining whether or not to approve a General Plan Amendment. In order to approve a General Plan Amendment, the Planning Commission and City Council must determine that: (1) the density and intensity of the proposed General Plan Amendment is compatible with the existing adjacent land use designations; (2) the zoning designations allowed by the proposed amendment will be compatible with the existing adjacent land uses or zoning districts; (3) there are adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed General Plan designation; and (4) the proposed amendment conforms to other applicable adopted plans and policies.

DriveTime is able to satisfy all of the above criteria. Although the property is currently vacant, it was previously operated as a new and used car dealership and service facility. As such, the subject site is physically suitable for the density and intensity of land use being proposed since the previous use was for a similar purpose. Furthermore, much of the surrounding property areas are also used for the same purpose (*i.e.* the sale of motor vehicles), which indicates that DriveTime's intended use would be compatible with the surrounding land uses and zoning districts. The Property is located at the intersection of McLeod Street and East Sahara Avenue, both major thoroughfares, and is easily accessible via Boulder Highway and other alternative routes to accommodate future customers. Lastly, approval of a General Plan Amendment to allow DriveTime to service used motor vehicles on the Property would in no way compromise public health or safety, as DriveTime's intended use is consistent with the surrounding areas and previous use of the Property.

DriveTime is also proposing numerous improvements to the currently vacant Property, as depicted on the revised plans, including, but not limited to, the following:

1. Replace and upgrade existing landscaping to include irrigated 24" box trees and 5 gallon shrubs;
2. Add landscaping to the north property line to include irrigated 24" box trees and 5 gallon shrubs;
3. Add landscaping to existing, but obstructed light pole planters;

GPA-40839 SUP-41115
SDR-41114 REVISED

4. Add windows, paint and articulation elements to improve existing building facade;
5. Replace existing 60' light poles with 30' shielded light poles;
6. Remove existing unpermitted structure and canopy; and
7. Restripe to provide accessible parking, handicap parking and route.

Based on the foregoing, DriveTime's intended use of the property as a service facility for the repair and service of used motor vehicles is justified. Please feel free to contact me should you have any questions or require additional information.

Very truly yours,

Snell & Wilmer L.L.P.

D. Neal Tomlinson

** CONDITIONS **

SDR-40998 CONDITIONS

Planning

1. Approval of Rezoning (ZON-40999) shall be required, if approved.

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 03/09/11, except as amended by conditions herein.

4. A Waiver from Title 19.12 is hereby approved, to allow a zero-foot landscape buffer along the west perimeter and to allow a five-foot wide perimeter landscape buffer on the north and east perimeters.

5. An Exception from Title 19.10 is hereby approved, to allow no parking lot screening.

6. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 03/09/11. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

YK

7. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

8. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

9. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

10. Remove all substandard sidewalk improvements adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site. The existing "pan" style driveway accessing this site from "N" Street may remain.

11. Sign and record a Covenant Running with Land agreement for the future installation of half-street improvements (including sidewalks, streetlighting, and possibly fire hydrants) on "N" Street adjacent to this site prior to occupancy of this site.

12. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

** STAFF REPORT **

PROJECT DESCRIPTION

The applicant was issued a violation notice for an illegal commercial parking lot by City of Las Vegas Code Enforcement. To remedy the situation, the owner has applied to rezone the property to C-1 (Limited Commercial) to allow a commercial parking with an approved site development plan review application. In addition, the applicant is proposing to rezone the parcel adjacent to the south in conjunction with the rezoning application.

Staff is recommending approval of the Rezoning (ZON-40999) application, as it would conform to the General Plan designation. However, staff is recommending denial of the Site Development Plan Review (SDR-40998), as the project is not designed to meet minimum Title 19 development standards. If denied, a new Site Development Plan Review shall be required prior to development or use of the site.

ISSUES

- A Rezoning application is required for a commercial parking lot.
- Waivers are required to allow a zero-foot perimeter landscape buffer along the west side where eight feet is required and a five-foot wide perimeter landscape buffer along the north and east sides where 15-foot buffers are required.
- An Exception is required to allow no parking lot screening where one is required.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
04/20/94	The City Council denied an appeal of Variance (V-0022-94) for a 40 foot high, 12-feet by 24-feet off premise sign on the east side of Martin L. King Boulevard, south of Owens Avenue. The Board of Zoning Adjustment and staff recommended denial.
06/20/05	The Code Enforcement Division issued a violation (#31492) for a junk vehicle on a vacant lot on the east side of Martin L. King Boulevard, south of Owens Avenue. Case was resolved on 06/25/05.
08/08/05	The Code Enforcement Division issued a violation (#33397) for trash and high weeds on a vacant lot on the east side of Martin L. King Boulevard, south of Owens Avenue. Case was resolved on 08/27/05.
07/24/10	The Code Enforcement Division issued a violation (#93029) for an illegal commercial parking lot on a vacant R-E (Residence Estates) zoned lot on the east side of Martin L. King Boulevard, south of Owens Avenue. Case remains open.

YK

09/29/10	The Code Enforcement Division issued a violation (#94976) for trash on a vacant lot on the east side of Martin L. King Boulevard, south of Owens Avenue. Case was resolved on 10/15/10.

Most Recent Change of Ownership	
06/08/93	A deed was recorded for a change in ownership for both parcels.

Related Building Permits/Business Licenses
No activity on file.

Pre-Application Meeting	
08/18/10	Staff met with the applicant and found that a Rezoning and a Site Development Plan Review application would be required. The Site Development Plan Review is only required for APN 139-28-501-002.

Neighborhood Meeting
No Neighborhood Meeting was required nor held.

Field Check	
03/03/11	Staff visited the site and found the proposed parking lot has already been paved, but not to code standards. The vacant lot to the south was generally clean but had a few piles of dirt dumped on it and weeds were widely scattered.

Parking lots shall be screened from adjacent roadways by a low wall or berm with a maximum height of thirty inches, or a solid living hedge with an approximate maximum height of thirty-six inches.	To allow no screening.	Denial

YK

ANALYSIS

The two parcels are designated as C (Commercial) under the General Plan. The request to rezone the two undeveloped parcels from R-E (Residence Estates) to C-1 (Limited Commercial) will bring these two parcels into conformance with the General Plan, and will be consistent with surrounding commercial zoning districts, and therefore staff supports the request.

The applicant has also requested a Site Development Plan Review for a commercial parking lot on the northern portion of parcel 139-28-501-002. This lot has been used as both parking and a driveway to the adjacent convenience store. The owner has been notified by Code Enforcement that the paved area was not developed to minimum Title 19 standards and that it is a residentially zoned parcel. The owner had previously paved the area as a dust control measure.

The applicant is now applying for a Site Development Plan Review with Waivers of the Landscape Buffer requirements and an Exception for parking lot screening to develop a portion of the parcel as a commercial parking lot. Staff supports the requested Waiver for a zero-foot perimeter landscape buffer along the west, as the proposed parking lot will be utilized to serve the convenience store on the adjacent lot. However, the proposed Waiver to limit the perimeter landscape buffers along the rights-of-way to five feet where fifteen feet is required is not supported by staff. The applicant has stated that the reason for requesting the Waivers and Exception is due to the fact that the parking lot has already been built with a five-foot wide landscape buffer. The parcel has ample room to be developed as a large parking lot meeting all Title 19 standards. Therefore, staff recommends denial of the Site Development Plan Review application. If denied, a new Site Development Plan Review shall be required prior to development or use of the site.

FINDINGS (ZON-40999)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. **The proposal conforms to the General Plan.**

   The General Plan Land Use designation is C (Commercial) that allows C-1 (Limited Commercial) zoning designation. The West Las Vegas Plan also designates these parcels for future commercial development.

2. **The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.**

   A commercial parking lot is a permitted use under the C-1 (Limited Commercial) zoning designation and is compatible with the surrounding uses.

3. **Growth and development factors in the community indicate the need for or appropriateness of the rezoning.**

   The recent widening of Martin Luther King Boulevard is conducive to the redevelopment of these two parcels for commercial use.

4. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.**

   The parcels can be accessed off of both Martin Luther King Boulevard and "N" Street, which are fully developed public rights-of-way.

FINDINGS (SDR-40998)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed commercial parking lot is compatible with adjacent developments.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The General Plan designation for the site is C (Commercial). The proposal doesn't meet Title 19 development standards for a commercial parking lot. The proposal is consistent with the West Las Vegas Plan.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   The parking lot is accessed off N Street, a 50-foot right-of-way. The parking lot can also be accessed from the adjacent lot to the west with direct access off both Martin Luther King Boulevard and Owens Avenue.

4. **Building and landscape materials are appropriate for the area and for the City;**

   The proposed Blue Mexican Palm and Acacia Aneura Mulga trees and Texas Sage are appropriate for the area.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The proposal does not meet the minimum right-of-way perimeter landscape buffer requirements. The lack of required screening will make the parking lot unsightly, and have a negative impact on the surrounding area.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed parking lot will be subject to inspection and will therefore not compromise the public health, safety and general welfare.

To Whom It May Concern,

Case #93029 Locations: 13928501002 & 13928501003

Please accept this correspondence as a request of "Waiver for the width on Landscaping Buffer".

We would also like to a request a width-waiver on the 120.6 feet, the required 8 ft. wide landscaping buffer, reduce to the width to exciting 5 feet wide landscaping buffer.

The 90.6 feet length on the north side of the property, the side adjacent to "West Owens Ave", and the 30.0 feet on the east side of the property, that curved around adjacent to "N" Street. We already have an existing 5 feet wide landscaping buffer.

The lot was a vacant undeveloped land, covered by dirt and gravels, and the public was using it as thoroughfare, driveway, and parking lot – which stirred up a lot of dust and pollution. In order to diminish the dust and pollution, we paved the 90.6ft x 108ft and converted it into a paved lot.

On 07/24/2010, City of Las Vegas Code Enforcement cited us for illegal parking lot - land use violation 19.04.010.

We are requesting rezoning Vacant R-E lot to C2 – to reverse the enforcement issue.

Sincerely

Wai Chun Ginn

DEPARTMENT: PLANNING
ITEM DESCRIPTION: APPLICANT/OWNER: MARGARITA OJEDA

** STAFF RECOMMENDATION(S) **

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
VAR-40797	Staff recommends DENIAL, if approved subject to conditions:	N/A

** CONDITIONS **

VAR-40797 CONDITIONS

Planning

1. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

2. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

3. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

4. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

Public Works

5. Connect to public sewer in Bradley Road and abandon the existing Individual Sewage Disposal System (ISDS) according to Southern Nevada Health Department (SNHD) regulations unless documentation is provided from the SNHD allowing the existing ISDS to remain.

6. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing final grade elevations and drainage patterns for this site prior to submittal of construction plans or the issuance of any building or grading permits, whichever may occur first. Provide and improve all drainageways as recommended.

Staff Report Page One
April 12, 2011 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

This request is for a Variance to allow a maximum 1,048 square feet of combined floor area where 1,011 square feet is the maximum allowed, to allow the proposed Accessory Structure (Class II) with a six-foot side yard setback, where 15 feet is required in the R-E (Residence Estates) zoning district, and a proposed 484 square-foot Accessory Structure (Class II) on an existing single family residential lot at 5313 Patricia Avenue. The subject property contains a 2,022 square-foot Single Family Dwelling and two existing Accessory Structures (Class II). Staff recommends denial, as the use does not comply with Title 19 requirements for an Accessory Structure (Class II) use. The proposed Class II accessory structure will be six feet from the side property line on a corner lot. The combined floor area of the existing and proposed accessory structures is greater than 50 percent of the primary dwelling. If this application is denied, the proposed Accessory Structure (Class II) will not be permitted to be located on the property.

ISSUES

- A building permit (#176731) was issued 02/24/11 for a 567 square-foot addition to the residence. Once constructed and all final inspections are completed, the Variance for the building area will no longer apply, as the total area allowed for accessory structures will be 1,295 square feet. The building setback variance will still be required.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
10/28/76	The Board of Zoning Adjustment approved a request for a Variance (V-0077-76) to allow a 30-foot front yard setback where 50 feet is required on 69 proposed lots on property generally located on the south side of Craig Road between Jones Boulevard, and Thom Boulevard.

Most Recent Change of Ownership	
04/24/09	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
01/17/77	A building permit (#227) was issued for a Single Family Dwelling at 5313

	Patricia Avenue. The residence was completed on 03/21/78.

02/17/11	A plan check review (#40800) was approved for Single Family Dwelling room addition, a storage shed and free standing patio cover at 5313 Patricia Avenue.
02/24/11	A building permit (#176731) was issued for a Single Family Dwelling room addition at 5313 Patricia Avenue. The building permit has not been finaled.
	A building permit (#180154) was issued for an Accessory Structure (Class II) and free standing patio cover at 5313 Patricia Avenue. The building permit has not been finaled.

Pre-Application Meeting	
01/06/11	A pre-application meeting was held with the applicant where the submittal requirements for a Variance were discussed.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held

Field Check	
03/04/11	A site visit by staff noted a well maintained Single Family Dwelling.

Patricia Avenue	Local	N/A	51	N/A
Bradley Road	Collector	N/A	80	N/A

ANALYSIS

The subject property is located within the Airport Overlay District with a 105-foot height restriction and Rural Preservation Overlay District. The proposed development conforms to the requirements of these districts.

An Accessory Structure (Class II) use is defined by Title 19.20.020 as "an accessory structure which is located on the same lot as a principal structure, is detached therefrom, is incidental or subordinate thereto, and does not qualify as an Accessory Structure (Class I)." The applicant is proposing a 484 square-foot detached Class II accessory structure that will be utilized as an automobile garage and will be accessed via a driveway from Patricia Avenue. The property contains an existing 2,022 square-foot Single Family Dwelling. The rear yard of the property contains a 420 square-foot freestanding accessory structure and 144 square-foot storage shed.

The request for a Variance is required, as the combined floor area of the two existing Class II accessory structures, and the proposed Class II accessory structure, exceeds 50 percent of the floor area of the principal dwelling. Pursuant to Title 19.08.040, the total area of all accessory structures shall not exceed 50 percent of the principal dwelling, which is 2,022 square feet. The maximum area allowed for all accessory structures is 1,011 square feet.

A building permit (#176731) was issued 02/24/11 for a 567 square-foot addition to the residence. Once constructed and all final inspections are completed, the Variance for the building area will no longer apply, as the total area allowed for accessory structures will be 1,295 square feet. The building setback variance will still be required.

In addition, the proposed class II accessory structure side yard setback is six feet from the property line along Bradley Road. Pursuant to Title 19.08.040, accessory structures in the rear yard of corner lots may not be located closer to the side property line than that required for the primary dwelling. In the R-E (Residence Estates) zoning district, the side yard setback is 15 feet. No characteristics of the property prevent the Accessory Structure (Class II) from being designed to meet Title 19 standards; therefore, staff recommends denial of the request for a Variance. If this request is approved, it is subject to conditions.

FINDINGS (VAR-40797)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by proposing an Accessory Structure (Class II) that exceeds the building floor area allowed by Title 19.08 and is proposed to be located six feet from the property line on a corner lot. Reduction and relocation of the proposed Class II accessory structure would allow conformance to the Title 19 requirements. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of Variances.

*The application will not be deemed complete until the submitted materials have been reviewed by the Department of Planning for consistency with applicable sections of the Zoning Ordinance.

1. Note: Fireblocking shall be provided to cut off all concealed draft openings (both vertical and horizontal) and to form an effective fire barrier between stories, and between a top story and the roof space. Fireblocking shall be provided in wood-frame construction in the following locations. (R602.8)
   1. In concealed spaces of stud walls & partitions, including furred spaces & parallel rows of studs or staggered studs, as follows:
      1.1 Vertically at the ceiling & floor levels.
      1.2 Horizontally at intervals not exceeding 10-feet.
   2. At all interconnections between concealed, vertical and horizontal spaces such as occur at soffits, drop ceilings and cove ceilings.
   3. In concealed spaces between stair stringers at the top and bottom of the run.
   4. At openings around vents, pipes, and ducts at ceiling and floor level, with an approved material to resist the free passage of flame and products of combustion.
   5. For the fireblocking of chimneys and fireplaces, comply with IRC Section R1003.19.
   6. Fireblocking of cornices of a two-family dwelling is required at the line of dwelling unit separation.
2. Note: Cement, fiber-cement or glass mat gypsum backers in compliance with ASTM C 1288, C 1325 or C 1178 and installed in accordance with manufacturer's recommendations shall be used as backers for wall tile in tub and shower areas and wall panels in shower areas. (R702.4.2)
3. Note: Bathtub and shower floors and walls above bathtubs with installed shower heads and in shower compartments shall be finished with a nonabsorbent surface. Such wall surfaces shall extend to a height of not less than 6 feet above the floor. (R307.1 as amended)
4. If textured ceiling, provide 5/8" gypsum board at ceiling or ½" slag resistant gypsum board.
5. Note: In every kitchen, family room, dining room, living room, parlor, library, den, sunroom, bedroom, recreation room, or similar room or area of dwelling units, receptacle outlets shall be installed in accordance with the general provisions specified in the following articles. Spacing NEC Article 210.52(A) (1), Wall Space NEC Article 210.52(A) (2) as amended & Floor Receptacles NEC Article 210.52(A) (3) as amended.
6. Note: The following fastened-in-place appliances are required to have a separate minimum 20-ampere circuit: dishwasher, trash compactor, microwave oven, range hood, clothes washer and hydro-massage bathtub.

   The clothes washer circuit may serve one (1) additional outlet in the laundry area. (NEC Article 210.23(E)(4) as amended)
7. Note: Countertops in kitchen and dining rooms of dwelling units, receptacle outlets for counter spaces shall be installed in accordance with the following articles. Wall Counter Space NEC Article 210.52(C)(1), Island Counter Space NEC Article 210.52(C)(2) as amended, Peninsular Counter Space NEC Article 210.52(C)(3) as amended, Separate Spaces NEC Article 210.52(C)(4) & Receptacle Outlet Locations NEC Article 210.52(C)(5). (NEC Article 210.52(A))
8. Note: In the kitchen, pantry, breakfast room, dining room, or similar area of a dwelling unit, the two or more 20-ampere small-appliance branch circuits required by 210.11(C)(1) shall serve all wall and floor receptacle outlets covered by 210.52(A), all countertop outlets covered by 210.52(C), and receptacle outlets for refrigeration equipment. (NEC Article 210.52(B)(1))
9. Note: No more than (5) duplex receptacle outlets serving the required countertop receptacles shall be installed on any small appliance branch circuit. (NEC Article 210.23(E)(3) as amended)
10. Note: The maximum number of outlets on a 20-ampere, 125-volt circuit used either exclusively for receptacles or exclusively for lighting fixtures or for any combination of receptacles and lighting fixtures shall be 12. (See exceptions) (NEC Article 210.23(E)(2) as amended)
11. Note: A receptacle installed outdoors in a location protected from the weather or in other damp locations shall have an enclosure for the receptacle that is weatherproof when the receptacle is covered (attachment plug cap not inserted and receptacle covers closed). (NEC Article 406.8(A))
12. Note: 15- and 20-ampere, 125- and 250-volt receptacles installed in a wet location shall have an enclosure that is weatherproof whether or not the attachment plug cap is inserted. (NEC Article 406.8(B)(1))
13. Note: Luminaires in clothes closets shall be installed in accordance with NEC Article 410.8.
14. Note: All luminaires (fixtures) installed in damp locations shall be marked, "Suitable for Wet Locations" or "Suitable for Damp Locations." (NEC Article 410.4(A))
15. Unless prohibited by structural design a wall switch shall be located within 6-feet of the point of entry, and shall not be located behind an active door in the fully open position. (NEC Article 210.70(A)(1) as amended)
16. Note: Plumbing shall comply with the 2006 Uniform Plumbing Code and local amendments.
17. Note: Water heaters shall be anchored or strapped to resist horizontal displacement due to earthquake motion. Strapping shall be at points within the upper one-third and lower one-third of its vertical dimensions. At the lower point, a minimum distance of four inches shall be maintained above the controls with the strapping. (UPC 508.2)
18. Note: Water heaters are required to have a heat trap. Exception: if the trap is integral to the water heater or if part of hot water circulating system. (2006 IECC)
19. All building water supply systems in which quick acting valves are installed shall be provided with devices to absorb the hammer caused by high pressures resulting from the quick closing of valves. (i.e. dishwashers, washing machines) (UPC 609.10)

City of Las Vegas
Department of Planning
333 W. Rancho Drive
Las Vegas, NV

Attention: **Planning Department**
Subject: **Justification Letter**

Dear to whom this may concern:

The purpose of this letter is to allow a new 5'-0" to 6'-0" side setback inside a 20'-0" easement for a detached garage. Also, the owner would like to verify the 50% accessory structure to main house variance. Currently, the existing state of the house is in excellent condition. However, the owner needs a garage close to his main house for loading purposes. By allowing this variance, the owner can maneuver quickly into the house his residential as opposed to locating detached garage in the back of property.

Should you have any further questions regarding this matter, please do not hesitate to contact me at (702) 340-7927.
Sincerely,
Larry J. Sanchez, PE

Planning

1. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of Las Vegas Municipal Code Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

2. All necessary building permits for the subject wall shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

3. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

4. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Variance to allow the installation of two feet of razor wire on top of an existing eight-foot high steel wall, where eight feet is the maximum height allowed for walls at an existing Recycling Collection Center located at 1701 Western Avenue. The subject site is currently surrounded by an eight-foot high steel wall that has proven ineffective against problems with site trespassing and vandalism, as the property is located adjacent to a railroad corridor that provides greater access to the site while limiting the ability to monitor activity from the public right-of-way. The applicant proposes to increase the eight-foot high steel wall by installing two feet of razor wire on top in order to prevent unauthorized site access. Staff recommends approval of this request. If denied, the applicant will be unable to incorporate the razor wire to the steel fence for site security.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
05/07/06	The City Council approved a General Plan Amendment (GPA-9219) to change the Future Land Use designation for various parcels located in the Las Vegas Redevelopment Plan Area to Commercial, Mixed-Use, Industrial or Public Facilities, which includes the subject parcels as part of a larger request. The Planning Commission and staff recommended approval.

Most Recent Change of Ownership	
05/21/08	A deed was recorded for a change in ownership at APN 162-04-703-001.
05/21/08	A deed was recorded for a change in ownership at APN 162-04-703-002.
08/12/08	A deed was recorded for a change in ownership at APN 162-04-703-003.

Related Building Permits/Business Licenses	
C.1956	The structures at 1701 Western Avenue were constructed.
07/18/97	A building permit (97014775) was issued for a metal building at 1701 Western Avenue. The permit was finaled on 08/27/97.
10/30/02	A business license (A29-00053) was issued for a Towing Company at 1701 Western Avenue. The license was marked out of business on 03/04/10.
06/29/10	A building permit (166376) was issued for demolition at 1701 Western Avenue. The permit was finaled on 10/01/10.

07/21/10	A building permit (167156) was issued for a 4,671 square-foot Tenant Improvement Certificate of Occupancy at 1701 Western Avenue. The permit was finaled on 09/24/10.
08/23/10	A building permit (170176) was issued for Ornamental Iron on top of the existing block wall at 1701 Western Avenue. The permit has not been finaled.
12/07/10	A business license (R04-00003) was issued for a Commercial Recycler at 1701 Western Avenue. The license is currently active.

Pre-Application Meeting	
02/09/10	A pre-application meeting was held on the indicated date where the requirements for a Variance were discussed, as the existing 8-foot high perimeter wall will increase two feet beyond the allowed height.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

Field Check	
03/03/11	Staff conducted a field check on the indicated date and noted. A Recycling Collection Center that is clean of trash and debris. The north and west perimeter wall contains graffiti. A partially destroyed chain link fence along the northern property line.

DEVELOPMENT STANDARDS

Pursuant to 19.12.075, the following standards apply:

	Allowed	**Proposed**
Wall Height	8 Feet (96 inches)	10 Feet (120 inches)
Percent Deviation	N/A	20 %

Street Name	*Functional Classification of Street(s)*	*Governing Document*	*Street Width (Feet)*	*Compliance with Street Section*
Western Avenue	Secondary Collector	Master Plan of Streets and Highways	80	N*

*Actual street width is 60 feet.

ANALYSIS

The Variance request is necessary pursuant to Title 19.12.075, which limits walls and fences to eight feet in height. The subject site is currently surrounded by an eight-foot high steel wall that has proven ineffective against problems with site trespassing and vandalism, as the property is located adjacent to a railroad corridor that provides greater access to the site while limiting the ability to monitor activity from the public right-of-way. The proposed two-foot razor wire extension will increase the level of site security without creating a public safety hazard, as the razor wire will not be visible from the adjacent rights-of-way. The requested Variance constitutes a 20% deviation from the eight-foot wall height permitted by Title 19.12.075. Staff recommends approval of this request with conditions. If denied, no permit to allow razor wire can be issued.

JG

FINDINGS (VAR-41002)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

Evidence of a unique or extraordinary circumstance has been presented, in that the applicant has demonstrated that the location of the site in proximity to a railroad corridor that allows access to the site while limiting the ability to monitor the site from the public right-of-way has resulted in an ongoing issue with unauthorized site access and vandalism to the Recycling Collection Center holdings. It is concluded that the applicant's hardship is not preferential in nature, and it is within the realm of NRS Chapter 278 for granting of Variances.

SA Recycling

February 18, 2011

Las Vegas Planning Department

Attn: To Whom It May Concern

Subject: Justification Letter for Razor Wire to be installed at SA Recycling, Recycling Center - 1701 Western Ave. Las Vegas, NV 89102

SA Recycling is requesting that it be allowed to install "Razor Wire" on top of its permitted 8 foot perimeter fence. The purpose of the "Razor Wire" is to safeguard SA Recycling's property. Because of the nature of our business, the "Razor Wire" will protect the property but will also act as a deterrent to any prospective thieves. We are requesting that "Razor Wire" only be added to three of the four perimeter walls, excluding the west frontage wall facing Western Ave. The "Razor Wire" will be added to the top of the existing wall or fence following all guidelines set forth by the City of Las Vegas.

** CONDITIONS **

VAR-41060 CONDITIONS

Planning

1. Approval of and conformance to the Conditions of Approval for Variance (VAR-41216) and Site Development Plan Review (SDR-41059) shall be required, if approved.

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

4. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

VAR-41216 CONDITIONS

Planning

1. Approval of and conformance to the Conditions of Approval for Variances (VAR-41060 and VAR-41216) and Site Development Plan Review (SDR-41059) shall be required, if approved.

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

4. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

SDR-41059 CONDITIONS

Planning

1. Approval of and conformance to the Conditions of Approval for Variances (VAR-41060 and VAR-41216) shall be required, if approved.

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 02/28/11, except as amended by conditions herein.

4. A Waiver from Title 19.12.040 is hereby approved, to allow no landscape buffers along the north, south, east and west perimeters.

5. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 02/28/11. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

6. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

7. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

8. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.

9. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

10. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

11. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

12. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

13. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

14. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

15. Prior to the issuance of any permits for this site, provide proof of a perpetual 24-foot wide legal access across parcel #138-24-803-033 and parcel #138-24-803-032 for the proposed fire access road. Additionally, to ensure the required fire access to this site, walls or barriers shall not be allowed between assessor parcel numbers #138-24-803-033 and #138-24-803-032 for the entire width of the approved fire access route. Alternatively, the proposed building shall be sprinkled and meet the requirements of the Fire Department.

16. Remove all substandard sidewalk improvements, if any, adjacent to this site and replace with new sidewalk meeting current City Standards concurrent with on-site development activities as shown on the approved Site Plan. The existing "pan" style driveways may remain until they are reconstructed to align with Laurelhurst Drive.

17. The owner shall sign a Covenant Running with Land agreement for the future construction of a single driveway per Uniform Standard Drawing #222a that will be aligned with Laurelhurst Drive and will accommodate the future signalization of this driveway prior to the approval of construction drawings for this site or the recordation of a map, whichever may occur first. Provide traffic signal easements as required per the Traffic Engineering Section of the Department of Public Works to accommodate the future signalization of this driveway.

18. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

19. Contact the City Engineer's Office at 229-6272 to coordinate the development of this project with the Vegas Storm Drain project and any other public improvement projects adjacent to this site. Comply with the recommendations of the City Engineer.

20. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing finished floor elevations and drainage paths for this site prior to submittal of construction plans, the issuance of any building or grading permits, or the submittal of a map for this site, whichever may occur first. Provide and improve all drainage ways as recommended.

Staff Report Page One
April 12, 2011 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

The applicant has submitted a request to install a 2,880 square-foot modular structure at the rear of the parcel with a zero-foot rear yard setback. After conducting research of the site, staff determined that the existing use was never issued a Building & Safety Department Certificate of Occupancy for a Church and therefore is not legal. The result is that the project will be reviewed in its entirety as a proposed new use. This finding resulted in the need for two Variances and a Site Development Plan Review with two Waivers and three Exceptions.

The applicant has informed staff that they have agreements with the owners of adjacent parcels to the east and west of the site for additional parking. However, the parcel to the east is not developed for a commercial parking lot and thus cannot be utilized for parking. The parcel to the west only has four legal parking spaces and doesn't have any excess parking spaces to permit overflow parking for the church. Staff recommends denial of all three applications, as the facts clearly indicate that the site is not large enough to accommodate the proposed use. If denied, the church would not be permitted to operate at this location and the accessory structure would not be allowed to be installed.

ISSUES

- A Variance is required to allow a zero foot rear setback where 20 feet is required.
- A Variance is required to allow 11 parking spaces where 21 are required.
- Waivers are required to allow for zero perimeter landscape buffers along the north, west and east perimeters and to allow a five foot wide landscape buffer along the south perimeter where 15-feet are required.
- Exceptions are required to allow zero perimeter trees where three are required along the south perimeter landscape buffer, to allow no parking lot screening where parking lot screening from the right-of-way is required and to allow zero landscaped islands in the parking lot where four are required.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
07/21/04	The City Council approved a Special Use Permit (SUP-4382) for a Social Service Provider at 4944 Vegas Drive. The Planning Commission and Staff recommended approval. The permit was not acted on and no Extension of Time application was made therefore the permit expired on 07/21/05.

YK

07/21/04	The City Council approved a Variance (VAR-4397) to allow 11 parking spaces where 16 are required for a Kinder Care Business at 4944 Vegas Drive. The Planning Commission and Staff recommended approval. The Variance expired on 07/21/04 when on action was taken.

Most Recent Change of Ownership	
06/01/06	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses
No relative permits are on file.

Pre-Application Meeting	
02/09/11	Staff reviewed requirements for installing a modular structure on the rear of the parcel. A Variance is required to allow a zero rear setback and Waivers of the perimeter landscape buffers on the north, west and east sides. A floor plan of the primary structure is required to evaluate the parking requirements. The modular will be required to be sprinkled per Fire Department unless the rear was paved along with an access road to the modular structure. Upon further review it was determined a Variance would be needed for parking as no Building Department Certificate of Occupancy was ever issued for a Church use on the site.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
03/03/11	Staff visited the site and found the church is utilizing the parcel to the east as an illegal parking and storage lot.

To install one tree for every 30 linear feet along the south perimeter landscape buffer.	To allow no trees where three are required.	Denial

ANALYSIS

The applicant states they operate a Church on the proposed site. However, no Certificate of Occupancy for a Church Use at 4944 Vegas Drive has ever been applied for by the applicant or issued by the City of Las Vegas Building and Safety Department and therefore is an illegal use. With this fact, the application is therefore being reviewed for a Site Development Plan Review for a Church with the addition of an accessory structure consisting of four modular units. The proposed Church use requires 21 parking spaces per Title 19.04. Since only 11 parking spaces are provided, a 50% Variance for parking is required. The applicant is proposing to install the modular accessory structure on the rear property line. This will require an additional Variance to allow a zero-foot rear yard setback where a minimum of 20 feet is required.

During discussions with the applicant and subsequent site visits, it was discovered that the Church has agreements with adjacent property owners on both the east and west sides for additional parking. Neither of these parcels is currently able to legally allow this parking to take place. The parcel on the west only has four parking spaces to handle the office and storage uses on that site. There are no excess spaces available for additional uses. The parcel on the east is an undeveloped vacant lot. In order for this parcel to legally be available for commercial use, a Site Development Plan Review would need to be approved for a commercial parking lot. No plans have been submitted as of this submittal and therefore the parking taking place on this site is illegal.

The existing parking lot does not meet Title 19 design standards. Specifically, there is no screening from the right-of-way and no landscaped islands for every six parking spaces. In addition to not meeting the minimum parking standards, the site does not meet the minimum perimeter landscape buffers or have the required trash enclosure. The mechanical equipment is not screened and is visible from the Vegas Drive right-of-way. If these Exceptions are not approved, the required perimeter landscape shall be installed, the trash enclosure shall be enclosed with a roof or trellis and the landscape islands shall be installed in the parking lot.

The applicant notes that they are in the process of acquiring the landlocked parcel to the north. Although this parcel is not included in this request, Public Works has the following comment:

> We note that this Site Plan incorporates parcel # 138-24-803-032 (northerly parcel) which is a land locked parcel and is not owned by River of Life Word Ministries at this time. We also note that this Site Plan proposes fire access across parcel #138-24-803-033 (northeasterly parcel) which they also do not own at this time. If perpetual legal access across parcel #138-24-803-033 and parcel #138-24-803-032 cannot be obtained, the Fire Department will require the proposed building to be sprinkled. If parcel #138-24-803-032 can be obtained, we recommend that the Planning Department impose the conditions that states "The applicant shall coordinate with the City Surveyor and other city staff to determine the most appropriate mapping action necessary to consolidate the existing lots. The mapping action shall be completed and recorded prior to the issuance of any building permits."

Condition fifteen has been added to address this concern.

The addition of the modular units would only compound the parking shortage. Instead of the modular units being added to the site, the proposed area could be used as additional parking thus alleviating the parking shortage for a Church.

The proposed Church Use is too intense for the size of the parcel. The requested Site Development Plan Review with Waivers, Exceptions and two Variances clearly illustrates that this is not an appropriate site for the use. Staff recommends denial of all three applications.

FINDINGS (VAR-41060)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by proposing to install a modular structure that is too large for the parcel. A smaller modular structure that would allow conformance to the Title 19 requirements. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of Variances.

FINDINGS (VAR-41216)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

No evidence of a unique or extraordinary circumstance has been presented, in that the applicant has created a self-imposed hardship by proposing a Church Use that does not have adequate parking for the use on the parcel. Alternative would be to propose a smaller assembly area that would allow conformance to the Title 19 requirements or to add additional parking in the rear of the building. In view of the absence of any hardships imposed by the site's physical characteristics, it is concluded that the applicant's hardship is preferential in nature, and it is thereby outside the realm of NRS Chapter 278 for granting of Variances.

FINDINGS (SDR-41059)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed use is not compatible with adjacent development in that it would create a demand for more parking then the site can accommodate. This could create parking pressures on adjacent parcels.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   This project is not consistent with Title 19 which is illustrated by the multiple Variance, Waiver and Exceptions being requested.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

The lack of required parking could have a negative impact on adjacent roadways and neighborhood traffic during peak demand periods when Church services and events take place.

4. **Building and landscape materials are appropriate for the area and for the City;**

   The lack of appropriate landscape plants and materials will have a negative effect on the area.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The modular units are not aesthetically compatible with the primary structure on the site.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed Church and accessory structure is subject to permit review and inspection. Appropriate measures must be met prior to the certification of building occupancy in order to protect the health, safety and general welfare.

Re: River of Life Word Ministries, APN 139 24-803-022
Justification Letter for Variance & Waiver

This letter is a formal request for approval of a variance for a zero lot line setback on the rear property line of the parcel at 4944 Vegas Drive. This letter is also a request for a waiver for zero (0') foot landscaping where eight (8') feet is required on the 30' of exposed North property line and for 50' on the East & West property lines. To offset this request, two trees will be installed in the area not included in the waiver.

The adjacent properties (APN: 139-24-803-032 and 033) were created for right-of-way purposes but were never dedicated. The property owner, Nevada Escrow Services Inc., is a defunct business and the property is now addressed as Clark County, 500 S. Grand Central Parkway, Las Vegas, NV. Clark County has confirmed it is not right-of-way and suggested the Church file for adverse possession which the Church is currently doing.

The approval of the zero lot line set back and the landscape waiver will permit the existing lot to be more fully utilized.

The applicant will be providing new landscaping in the rear of the property.

We request this variance be approved.

Sincerely,
DWYER ENGINEERING, INC.

David A. Dwyer, P.E.
Principal

Re: River of Life Word Ministries, APN 139-24-803-022
Justification Letter for Parking Variance

Dear Sirs:

We formally request a variance to the parking requirements to allow the existing parking lot to remain in use. Currently the parking lot is used when services are held in the sanctuary.

The addition of the modular units in back will not place any additional burden on the parking lot as the modular units will be used at a different time than when the sanctuary is used.

We request this variance be approved.

Sincerely,
DWYER ENGINEERING, INC.

AGENDA MEMO - PLANNING

PLANNING COMMISSION MEETING DATE: APRIL 12, 2011
DEPARTMENT: PLANNING
ITEM DESCRIPTION: APPLICANT: OVATION DEVELOPMENT - OWNER: LONE MOUNTAIN APARTMENTS I, LLC

** STAFF RECOMMENDATION(S) **

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
VAR-41197	Staff recommends APPROVAL, subject to conditions:	
SUP-41039	Staff recommends APPROVAL, subject to conditions:	VAR-41197
SDR-41043	Staff recommends APPROVAL, subject to conditions:	VAR-41197 SUP-41039

** CONDITIONS **

VAR-41197 CONDITIONS

Planning

1. Approval of and conformance to the Conditions of Approval for Special Use Permit (SUP-41039) and Site Development Plan Review (SDR-41043) shall be required, if approved.

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

4. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

SUP-41039 CONDITIONS

Planning

1. Approval of and conformance to the Conditions of Approval for Variance (VAR-41197) and Site Development Plan Review (SDR-41043) shall be required.

2. Conformance to the approved conditions for Special Use Permit (SUP-37601), except as amended herein.

3. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

SDR-41043 CONDITIONS

Planning

1. Approval of and conformance to the Conditions of Approval for Variance (VAR-41197) and Special Use Permit (SUP-41039) shall be required, if approved.

2. Site Development Plan Review (SDR-37602) shall be expunged.

3. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

4. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 03/15/11, except as amended by conditions herein.

5. A Waiver from 19.12.040(A) is hereby approved, to allow a zero-foot perimeter landscape buffer along portions of the east and south property lines where six feet is required.

6. An Exception from Title 19.10.010(J.11) is hereby approved, to allow zero landscape islands and one tree within the parking area where one island and eight trees are required.

7. An Exception from Title 19.08.040(B) is hereby approved, to allow 13 trees within the perimeter buffer along the south property line where 17 trees are required.

8. An Exception from Title 19.08.040(B) is hereby approved, to allow trees within the west perimeter buffer to be aligned to the eastern edge of the buffer where they are required to be planted in the center of the buffer.

9. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 03/15/11. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

10. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

11. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

12. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.

13. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

14. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

15. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

16. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property

lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

17. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

18. A Comprehensive Construction Staging Plan shall be submitted to the Department of Planning Department for review and approval prior to the issuance of any building permits. The Construction Staging Plan shall include the following information: Design and location of construction trailer(s); design and location of construction fencing; all proposed temporary construction signage; location of materials staging area; and the location and design of parking for all construction workers.

19. Prior to the submittal of a building permit application, the applicant shall meet with Department of Planning Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.

20. Sign and record a deed restriction with language determined to be satisfactory by the City Attorney which restricts the use of the site to an age-restricted community for those persons 55 years of age or older, to the full extent of the law.

21. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

22. Grant a multi-use non equestrian trail easement for all portions of the required trail outside the Lone Mountain Road public right-of-way concurrent with development of this site.

23. Construct all incomplete half-street improvements on Lone Mountain Road and Rainbow Boulevard adjacent to this site and construct the multi-use non-equestrian trail west of the Lone Mountain Road driveway in accordance with Multi-Use Non-Equestrian Trail Standards and conditions as amended herein concurrent with development of this site. Extend widened pavement east to eliminate the potential for a "saw tooth" condition on Lone Mountain Road concurrent with the on site development activities.

24. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site.

25. The driveway to Lone Mountain Road shall be an exit only. The proposed exit gate shall be signed exit only to prevent vehicles from attempting to enter the site from Lone Mountain Road and shall be set back a sufficient distance so as not to impede any pedestrian access on Lone Mountain road. The installation of either swing gates or rolling gates are acceptable as long as no part of the gates, either in the opened or closed position, intrude into the public right of way and non-equestrian trail easement.

26. Contact the City Engineer's Office at 229-6272 to coordinate the development of this project with the Gowan Outfall, Lone Mountain Branch project and any other public improvement projects adjacent to this site. Comply with the recommendations of the City Engineer. We note that the proposed driveway as shown on the site plan may conflict with the future storm drain drop inlet per CLV Gowan Outfall, Lone Mountain Capital Improvement Project.

27. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

28. Meet with the Fire Protection Engineering Section of the Department of Fire Services to discuss fire requirements for the proposed use of this facility. The design and layout of all onsite private circulation and access drives shall meet the approval of the Department of Fire Services.

29. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits or submittal of any construction drawings, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site.

** STAFF REPORT **

PROJECT DESCRIPTION

A three-story, 75-unit Senior Citizen Apartment complex is proposed on 1.77 acres of undeveloped land at the southeast corner of Rainbow Boulevard and Lone Mountain Road. This project is being scaled back from the 152-unit Senior Citizen Apartment complex previously approved, which included this site and the parcel to the east of the subject site. Because the project is redesigned to function on a smaller, irregularly shaped site, a parking variance, a perimeter landscape buffer waiver and several exceptions have been requested, which staff can support. The complex as proposed is compatible with existing development in the area and remains aesthetically similar to what was previously approved. Staff therefore recommends approval of all requests with conditions. If denied, the approval for a 152-unit Senior Citizen Apartment will remain until its expiration.

ISSUES

- A Major Amendment of the previously approved Special Use Permit (SUP-37601) for a Senior Citizen Apartment complex is required, pursuant to Title 19.18.060. The number of units is proposed to be reduced by more than 50 percent, and the project is limited to only one of the two parcels for which it was approved. The original waivers approved as part of this action will be retained.
- If this request is approved, the previously approved Site Development Plan Review (SDR-37602) will be expunged, as the project is proposed to be limited to a smaller site than the one previously approved.
- A Waiver of Title 19.12.040(A) is required to allow a zero-foot wide landscape buffer at two points along the south and east perimeters where six feet is required. Staff can support this waiver, since additional buffer area is included along the southeast corner of the site adjacent to provided parking spaces.
- An Exception of Title 19.10.010(J.11) is required to allow no landscape islands and one tree within the parking area where one island and eight trees are required. Staff can support this request, as the spacing of the uncovered parking spaces does not warrant the practical placement of islands and trees, and additional trees would obstruct access to the trash enclosure.
- An Exception of Title 19.12 is required to allow 13 trees within the perimeter buffer along the south property line where spacing requires 17 trees. Staff supports this waiver, as the buffer area must narrow to allow for adequate driveway width and throat depth.
- An Exception of Title 19.12 is also required to allow trees within the west perimeter buffer to be aligned to the eastern edge of the buffer where they are required to be planted in the center of the buffer. Staff can support this exception, as an NV Energy easement disallows trees in the center of the proposed buffer area due to existing overhead power lines.

- A multi-use non-equestrian trail is approved for the south side of Lone Mountain Road adjacent to the north side of the subject site. A bus turnout is also located adjacent to the site along Lone Mountain Road. The trail path and landscaping on the interior side of the path will be provided by the applicant; however, the landscaping on the street side of the path cannot be provided, due to the provision of the bus turnout. The Transportation Trails Element of the Las Vegas 2020 Master Plan allows for the path to encroach to the edge of the trail in this instance without the provision of landscaping.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
06/05/63	The Board of Commissioners approved a request for Annexation (A-0003-63) of approximately 150 acres of land generally located on the south side of Gowan Road, between Tonopah Highway (now Rancho Drive) and Decatur Boulevard. The Planning Commission and staff recommended approval. The annexation became effective on 06/14/63.
04/02/03	The City Council approved a General Plan Amendment (GPA-1363) to change portions of the Centennial Hills Sector Plan and the Southwest Sector Map from GC (General Commercial), SC (Service Commercial) and DR (Desert Rural) to GC (General Commercial), O (Office), PF (Public Facility), ML (Medium-Low Density Residential) and DR (Desert Rural Density Residential) on property located on, or in close proximity to, both sides of Rancho Drive from Vegas Drive to the northern City limits at Moccasin Road. The Planning Commission and staff recommended approval.
03/10/05	A Parcel Map (PMP-5221) for three residential lots on 20.39 acres located on the southeast corner of Rainbow Boulevard and Lone Mountain Road was recorded.
11/17/10	The City Council approved a General Plan Amendment (GPA-37599) to amend the land use designation from GC (General Commercial) to SC (Service Commercial) on 1.25 acres adjacent to the south side of Lone Mountain Road, approximately 120 feet east of Rainbow Boulevard. The Planning Commission and staff recommended approval.
	The City Council approved a Rezoning (ZON-37600) from C-2 (General Commercial) to C-1 (Limited Commercial) on 3.02 acres at the southeast corner of Lone Mountain Road and Rainbow Boulevard. The Planning Commission and staff recommended approval.
	The City Council approved a Special Use Permit (SUP-37601) for a Senior Citizen Apartment use with Waivers to allow apartments on the ground floor where none are permitted, a primary resident or guest entryway in conjunction with commercial uses and a front elevation that does not highlight the difference in uses at the southeast corner of Lone Mountain Road and Rainbow Boulevard. The Planning Commission and staff recommended approval.

11/17/10	The City Council approved a Site Development Plan Review (SDR-37602) for a proposed three-story, 37-foot tall, 152-unit Senior Citizen Apartment complex on 3.02 acres at the southeast corner of Lone Mountain Road and Rainbow Boulevard. The Planning Commission and staff recommended approval.

Most Recent Change of Ownership	
09/03/04	A deed was recorded for a change in ownership on APN 138-02-101-015.

Related Building Permits/Business Licenses
There are no building permits or business licenses pertaining to the subject site.

Pre-Application Meeting	
02/16/11	A pre-application meeting was held, where requirements for submittal of applications for a Special Use Permit and Site Development Plan Review were discussed. The key issues discussed included the following: • A major amendment of the previously approved Special Use Permit will be required, as the project will be limited to a smaller site and the number of units will be reduced beyond 50 percent of the approved units. • The previously approved Site Development Plan Review will be expunged. • A Waiver of the perimeter landscape buffer standards is required where parking spaces encroach into the required landscape buffer area. • Exceptions are required for missing parking lot landscape islands and trees, and also trees missing from the perimeter buffer areas due to utility installations. • Based on the plans shown at the meeting, vehicular access and onsite circulation may be difficult, especially for refuse and delivery vehicles; these vehicles cannot turn around on the site, while smaller vehicles would only be able to turn around only if there is at least one vacant space at the end of the parking row. Traffic Engineering requested that a turnaround be provided on the site or that access to Lone Mountain Road be designated as egress only. • Two of the parking spaces as shown on the plans are not functional. • Access to fire hydrants must be provided.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

Field Check	
03/03/11	A field check was conducted on the site. The site is vacant and free of trash and debris. A chain link fence is located along the west property line and encloses a portion of the interior. A fire hydrant is located at the corner of the site near the street intersection.

Title 19.10.010(J.11): One landscape island and eight trees within the parking area	To allow zero islands and one tree	Approval

ANALYSIS

The proposed development is located within the Airport Overlay District with a 140-foot height restriction, with which the development is in conformance. No other special plan areas or overlay districts apply to this site.

It is noted that a multi-use transportation trail is required along the south side of Lone Mountain Road adjacent to this site. The site plan depicts the required 10-foot wide bi-directional concrete path, as well as five feet of landscaping on either side of the path except where adjacent to a required bus turnout lane. The Transportation Trails Element of the Las Vegas 2020 Master Plan states that when adjacent to a bus turnout lane, the 10-foot wide concrete path is allowed to abut the right-of-way without an intervening landscape buffer. A general plan amendment to amend the Transportation Trails Element is therefore not required. The Department of Public Works will require dedication of an easement for all portions of the trail outside of the right-of-way concurrent with site development.

Access to the site is provided by a driveway at Rainbow Boulevard with an exit only to Lone Mountain Road. The gate restricted entry previously approved has been removed from the site plan. Circulation continues around the perimeter of the site, with covered parking available to the north and west of the access drive. Six additional parking spaces are also available at the southeast corner of the site. The parking and circulation layout is adequate, given the irregular shape of the site.

In regards to the use of the property, despite the reduction in area, the building size and number of units have also reduced, allowing for a decrease in density from 51 dwelling units per acre to about 42 dwelling units per acre. The height of the apartment building also decreased slightly, from 37 feet to 35 feet. The use will still be exclusively residential and retain the previously

approved waivers to eliminate the ground-level commercial component. The use will continue to be appropriate for this site and compatible with the adjacent land uses.

There are several deficiencies in the development for which a variance, waiver and exceptions are required. The site can safely provide no more than 56 parking spaces as designed. A hardship has been demonstrated in that the additional space necessary to meet the required number would have been provided given a more rectilinear site. The landscape waiver stems from the necessary provision of parking at the southeast corner of the site. Staff supports this waiver, since additional buffer area is provided along the southeast corner of the site adjacent to the parking spaces. The landscape exceptions are necessary to honor an existing power line easement along Rainbow Boulevard and to allow for safer ingress to the site. Landscape islands, though required, are not practical, given the locations of parking canopies and the trash enclosure.

The proposed elevations for the Senior Citizen Apartments have changed slightly, but have retained the same color scheme and overall character established by the Site Development Plan Review (SDR-37602) approval. The exterior staircase shown on the previously approved east elevation has been enclosed on the proposed elevation. The same one and two bedroom floor plans as were previously approved are proposed.

FINDINGS (VAR-41197)

In accordance with the provisions of Title 19.18.070(B), Planning Commission and City Council, in considering the merits of a Variance request, shall not grant a Variance in order to:

1. Permit a use in a zoning district in which the use is not allowed;
2. Vary any minimum spacing requirement between uses;
3. Relieve a hardship which is solely personal, self-created or financial in nature."

Additionally, Title 19.18.070(L) states:

> "Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution."

The proposed site is triangularly shaped, which only allows for a limited number of parking spaces to be provided along the perimeter of the building. The reduction of required parking by a single space represents only a two percent deviation from the requirement and will allow for the safest configuration of parking spaces at the southeast corner of the site. A hardship has

therefore been demonstrated that is not preferential and is within the realm of NRS Chapter 278 for granting of Variances.

FINDINGS (SUP-41039)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Senior Citizen Apartment use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses and with future surrounding land uses. The proposed use will be an appropriate buffer between the existing multi-family residences to the south and the commercial properties to the north and east.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The site is suitable for the reduced density Senior Citizen Apartment complex, as compared to the previously approved complex. Access and circulation have been altered to accommodate the shape of the site and to increase safety.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   Lone Mountain Road and Rainbow Boulevard are both built to capacity and are adequate in size to meet the requirements of the Senior Citizen Apartment use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   The site will be subject to permitting, inspections and licensing by the City of Las Vegas, and will not compromise the health, safety, and welfare, or the overall objectives of the General Plan.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed Senior Citizen Apartment use is consistent with the requirements of LVMC Title 19.04, except for those requirements that were waived per the approval of SUP-37601, which included allowing apartments on the ground floor where none are permitted, a resident or guest entryway in conjunction with commercial uses, and a front elevation that does not highlight the difference between residential and commercial uses.

FINDINGS (SDR-41043)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed development is compatible with adjacent development and development in the area. In particular, the development will provide a buffer between the existing residences to the south and the existing commercial development to the north.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The proposed development is consistent with the proposed SC (Service Commercial) General Plan designation. A Variance to allow a reduction in the amount of required parking, a minimal landscape waiver and several landscape exceptions are necessary for approval of this site, which staff supports. The proposed development is in conformance with all other Title 19 requirements.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   Site access is provided by a driveway at Rainbow Boulevard with an exit only to Lone Mountain Road. The parking and circulation layout is adequate, given the irregular shape of the site, and will not negatively impact the adjacent roadways.

4. **Building and landscape materials are appropriate for the area and for the City;**

   The building elevations and landscape materials are similar to those previously approved for this site and remain appropriate for this area of the city.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The building elevations are not unsightly or obnoxious, and will be compatible with development in the area.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The site will be subject to permitting, inspections and licensing by the City of Las Vegas, and will not compromise the health, safety, and welfare of the public.

Re: Justification Letter for
Lone Mountain Senior Apartments, SUP, SDR, Waivers, & Variance

To Whom it May Concern:

Impulse Civil Engineering represents Ovation Development (the Applicant). We are respectfully requesting a site development plan review, special use permit, exceptions, waivers, and a variance for a proposed senior housing project generally located on the southeast corner of Lone Mountain Road and Rainbow Boulevard, particularly known as APN: 138-02-101-015 (the Site). The Site is approximately 1.77 acres with a proposed 75 unit building. In conjunction with the site development plan review, the Applicant is seeking a special use permit, waivers and a variance.

Special Use Permit to Allow Senior Housing

The Applicant is proposing a senior housing project. Senior housing is an appropriate use within a C-1 zoned district with a use permit. There is a multi-family, R-3 development located just south of the Site. A senior housing development located near commercial uses and other multi-family uses are compatible. The Applicant is seeking a waiver from the following special use permit requirements. Since there is a shortage of senior housing in the Las Vegas Valley, these waivers are appropriate because the project will be primarily residential with no commercial uses open to the public.

- "The use shall be developed and operated only in connection with ground-level nonresidential development. In the case of a multi-floor structure, the apartments themselves must be located above the ground floor, but access ways, entryways and community rooms may be located on the ground floor."
- "The primary resident or guest entryway to the apartments must be independent of ground floor commercial uses, and must be directly accessible from and oriented to a street."
- "The overall architecture of the front elevation shall highlight the difference in uses through variations in volume and proportion, and shall be treated as a cohesive whole through finishes and colors."

SUP-41039
SDR-41043

Site Development Plan Review

The Applicant is proposing a 75 unit senior housing project. Approximately 23 units will be located on the first floor and approximately 26 units will be located on the second and third floors, respectively. The proposed development provides easy access off of Rainbow Boulevard with an "exit only" sliding gate onto Lone Mountain Road. The Applicant is proposing to reconfigure the west bound left turn lane in Lone Mountain Road at Rainbow Boulevard to facilitate the proposed configuration. The multi-family building will be three (3) stories and approximately 39' in height. The building will have elevator access to the living units. The site design and architecture are consistent with the existing multi-family units to the south. Additionally, the Site will provide amenities such as a pool and spa, facilities for meetings and social gatherings, a game room, a salon, exercise room and a library/computer room. There will also be a common area kitchen available for residents' use during social events.

The Applicant is seeking exceptions for the following requirements:

- Parking lot landscaping. In order to reduce parking deficiencies, the Applicant cannot provide landscape diamonds within the parking lot.

- Landscape buffer along Rainbow Boulevard. There is an existing NV Energy easement 21.5 feet wide along Rainbow Boulevard behind the curb with existing overhead power facilities. NV Energy will not allow trees within their easement. We are providing a 30-foot setback to facilitate the required 24" box trees at 20-feet on center, they just will not be located within the landscape buffer.

The Applicant is also seeking the following waivers:

- Multi-Use Trail Landscaping requirement on Lone Mountain Road. Due to the bus turn out transition and existing Site conditions, there are areas where the Multi-Use Trail will not provide the five foot (5') transition strip. However, the ten foot (10') public transportation trail path and the five foot (5') private landscape strip are provided on Lone Mountain Road between Rainbow Boulevard and the property line.

- Reduced landscape buffer. Due to the parking requirements and the odd shape of the site, the six foot (6') landscape buffer cannot be maintained throughout the site. It is reduced to three feet (3') where the entrance flares out and to zero feet (0') where the parking stalls are adjacent to the property line at the southeast corner. This comprises of approximately fifty linear feet (50 lf) where a reduced landscape buffer is requested resulting in a reduction of approximately one hundred and fifty square feet (150 sf) of landscape area. In the southeast corner of the site, we have an opportunity to provide additional landscape area with the

RECEIVED
MAR 15 2011

VAR-41197
SUP-41039
SDR-41043

parking configuration, resulting in approximately one thousand nine hundred square feet (1,900 sf) of landscape area beyond the six foot (6') landscape requirement.

Variance for Parking

The Applicant is requesting a variance to the parking requirement. We are providing 56 parking spaces where 57 are required. Due to the odd shape of the site, a parking configuration that provides 57 spaces is not supportable. This request is a reduction of less than 2% of the required parking. The required number of handicapped stalls are being provided.

We thank you in advance for your time and consideration of this matter. Should you have any questions or concerns, please feel free to contact me.

Sincerely,
Impulse Civil Engineering

Peter J. Laas, P.E.
Principal

Planning

1. Conformance to the approved conditions for Rezoning Z-0102-86, Master Sign Plan (MSP-0011-02) and Site Development Plan Review Z-0102-86(1).

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 02/01/11, except as amended by conditions herein.

4. Any changes based upon right-of-way, traffic or drainage studies or street improvements required by the city or public utilities shall not reduce the widths of perimeter landscape buffers, height of walls or quantities of plant materials from that on submitted landscape plans date stamped 02/01/11. Any changes based upon subsequently submitted studies must be accommodated elsewhere on the site.

5. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

6. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

7. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.

8. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

9. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

10. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

11. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

12. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

13. An update to the previously approved Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any grading or building permits or submittal of any construction drawings, whichever may occur first. Provide and improve all drainageways as recommended in the approved drainage plan/study.

14. Remove and replace handicapped ramps on the nearest driveway accessing Durango Drive to meet Americans with Disabilities Act and current City Standards, concurrent with onsite development.

15. Site development to comply with all previous conditions of approval for Z-34-81(4) and all other site-related actions.

Staff Report Page One
April 12, 2011 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

The applicant proposes to construct a 1,000 square-foot automated Car Wash, Full Service facility at the south end of an existing 2,000 square-foot Convenience Store located at 8601 West Charleston Boulevard. The proposed use will be ancillary to the Convenience store and is located within a commercial subdivision that features 162,049 square feet of various commercial uses. Staff recommends approval of this request, with conditions, as it meets the Minimum Special Use Permit requirements and the proposed design minimizes the visual and auditory impact typically associated with Car Wash uses. If denied, the site will remain as is.

ISSUES

- A Car Wash, Full Service use is permitted in the C-1 (Limited Commercial) zoning district with the approval of a Special Use Permit.
- A Site Development Plan Review is required for the addition of the proposed 1,000 square-foot Car Wash, Full Service facility to the south end of the existing Convenience Store.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
06/19/85	The City Council approved a Plot Plan Review [Z-34-81(4)] of property generally located south of Charleston Boulevard, west of Durango Drive, N-U (under Resolution of Intent to R-PD8). The Planning Commission recommended approval with staff recommending denial.
02/04/87	The City Council approved a Rezoning (Z-0102-86) of approximately 68 acres of land from N-U to R-1 and C-1 for a single-family residential subdivision and a commercial shopping center. The Planning Commission and staff recommended approval.
01/24/95	The Planning Commission approved a Special Use Permit (U-0327-94) for Beer and Wine sales in conjunction with a Convenience Store with a Gas Station. Staff recommended approval.
01/26/95	The Planning Commission approved a plot plan and building elevation review (Z-0102-86) (1) for a Convenience Store with Gas Station. Staff recommended approval.
12/16/99	A Site Development Plan Review (Z-0102-86) (3) for a 2,804 square-foot Restaurant with Drive-Through was approved by the Planning Commission. Staff recommended approval.

05/09/02	A Site Development Plan Review (Z-0102-86) (6) for a 133,284 square-foot Shopping Center addition to approximately 24,000 square feet of existing Retail uses (157,284 square feet total) was approved administratively.
11/21/02	A Master Sign Plan (MSP-0011-02) was approved for this shopping center by the Planning Commission for two 40-foot tenant panel signs, one along Durango Drive and the other along Charleston Boulevard, along with wall signs on each building.
04/16/06	The City Council approved a Special Use Permit (SUP-11638) for Secondhand Dealer Use at 8621 West Charleston Boulevard, Suite 110. The Planning Commission and staff recommended approval.
09/20/06	The City Council approved a Special Use Permit (SUP-15028) for a Secondhand Dealer Use at 8621 West Charleston Boulevard, Suite 150. The Planning Commission and staff recommended approval.

Most Recent Change of Ownership	
03/26/96	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
11/03/95	A business license (#C15-00194) was issued for a Convenience Store.
	A business license (#L10-00144) was issued for Liquor Sales.
	A business license (#C05-01736) was issued for Cigarette Sales.
12/15/95	Business licenses (#C20-01706 & #G01-01706) were issued for Gaming.

Pre-Application Meeting	
11/23/10	A pre-application meeting was held with staff to discuss the requirements for adding a 1,000 square-foot automated car wash to the rear of an existing Convenience Store. The applicant was informed of the submittal requirements for a Special Use Permit to allow the Car Wash, Full Service use and concurrent Site Development Plan Review for the car wash facility.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held for this type of application.

Field Check	
03/09/11	A field check was performed by staff with the following observations made: • The existing Convenience Store includes eight gas pumps located under a canopy at the northeast corner of the property. • The area of the proposed car wash has curbing, landscape planters,

	and provides adequate space for vehicle stacking in excess of six cars.

TOTAL SPACES REQUIRED			656		797		Y
Regular and Handicap Spaces Required			639	17	817	20	Y

ANALYSIS

The proposed 1,000 square-foot Car Wash, Full Service facility will be attached to the south end of a Convenience Store, which was originally approved as a general retail tenant suite from Site Development Plan Review [(Z-0102-86(1)]. The location of the facility, in combination with its moderate size and landscape buffer, diminishes the adverse impacts that this use may have on the residentially-zoned properties that are located over 400 feet to the south of this proposal. In between the proposed car wash and the residential properties are an existing 28,000 square-foot General Retail building, a 20-foot wide landscape buffer with mature pine trees planted 20-feet on center, and an eight-foot high screen wall.

The required parking for the Car Wash, Full Service use is one space per 150 square-feet of gross floor area, independent of the six required stacking lanes. From the original approval of the Shopping Center, which includes the Convenience Store, there are 871 parking spaces provide onsite, with 671 spaces required of the original review. With the seven additional parking spaces for the Car Wash, Full Service use added to the existing 649 spaces onsite, the 817 parking spaces for the site is deemed adequate.

As a Minimum Requirement for the Special Use Permit, each wash bay must provide a stacking lane that will accommodate at least six cars. A continuous 18-foot wide queuing lane over 120 feet in length is located along the west side of the Convenience Store, providing a stacking lane that will accommodate more than six vehicles.

Staff recommends approval of both requests as the use can be conducted in a manner that is compatible with the surrounding uses. If denied, the site will remain as it is.

FINDINGS (SUP-40843)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Car Wash, Full Service use can be operated in a manner that is compatible with the existing commercial subdivision, which includes a Convenience Store, Restaurants, and other General Retail uses, with neighboring residential development to the south and east. Title 19.04.050 requires compliance with specific conditions to ensure the appropriateness of the use, which the applicant has adequately demonstrated.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The requested Site Development Plan Review (SDR-40836) accompanying this request will have minimal impact to the overall site with the introduction of a Car Wash. The original Site Development Plan Review [(Z-0102-86(1)] approved a 158,454 square-foot commercial subdivision, to include the Convenience Store that the proposed Car Wash will be attached to.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

The site is accessed from Durango Drive to the east and Charleston Boulevard to the north. Both streets are adequate in size and capacity to meet the requirements of the proposed Car Wash, Full Service use.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   The applicant will be required to obtain all of the necessary development permits, including Department of Building and Safety requirements prior to the issuance of a business license in order to ensure the protection of the public health, safety and general welfare.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The requested Car Wash, Full Service use, as presented in this proposal, meets the Minimum Special Use Permit Requirements listed in Title 19.04. Staff supports the requested use, as the facilities are small and screened by existing structures from the public rights-of-way and from residentially zoned properties to the south.

FINDINGS (SDR-40836)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed 1,000 square-foot Car Wash facility is compatible in size, scope, and location with the area as it will add additional services for patrons of the existing Convenience Store with minimal impact on the surrounding neighborhood.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The proposed development is in conformance with the General Plan and Title 19 requirements. There is stacking for six vehicles provided along the west side of the Convenience Store, meeting the Minimum Special Use Permit Requirements.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

Site access will remain unchanged as the proposed 1,000 square-foot facility is located at the rear of the existing Convenience Store. Site circulation will not be negatively impacted because the area used for vehicle stacking is not essential for cross-access to adjoining lots.

4. **Building and landscape materials are appropriate for the area and for the City;**

   The building materials and landscape materials are compatible in scale and finish with the surrounding Shopping Center. The proposed Car Wash facility has been designed to match seamlessly with the existing Convenience Store.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The aesthetics of the proposed additional 1,000 square-foot Car Wash facility is compatible with the existing 2,000 square-foot Convenience Store and the surrounding Shopping Center.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed Car Wash, Full Service facility will not impact public health, safety or welfare since the development will be subject to building permit review, site inspections during construction, as well as business license inspections for the proposed commercial activity.

RE: Justification Letter
Car Wash addition to existing Convenience Store
Located at 1801 W. Charleston Blvd.
Las Vegas, Nevada 89117

Please accept this application for the referenced project. The original approved application number is Z-102-86(4).

We feel that this area is underserved with respect to a service of this type. The project is master planned with major retail and shopping centers fronting Charleston Blvd. The existing service building is located on an accessible corner. The Automatic Car Wash will be located on the south side of the C-Store where accessibility and stacking exist. With water usage becoming an increased concern, services such as this offer an opportunity to recycle and save a valuable resource.

The project includes 3,000 sf of building on 162,049sf of total land development. The building uses have not changed with respect to the original submittal.

Please accept this amendment to the original submittal. We are happy to answer any questions you have.

Respectfully,

Jeffrey J. Smith

Planning

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Tavern-Limited Establishment use.

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. Approval of a Minor Site Development Plan Review is required for outdoor dining areas, pursuant to the Downtown Centennial Plan. Approval of an Encroachment Agreement is also required for dining located within the right-of-way.

4. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

5. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

6. Approval of this Special Use Permit does not constitute approval of a liquor license.

7. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.

8. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request for a Special Use Permit for a Tavern-Limited Establishment use and restaurant with seating for 22 people at 523 Fremont Street. The restaurant is 981 square feet, with an additional 1,013 square feet of outdoor seating and dining area. Of the outdoor seating, 369 square feet is located on Fremont Street frontage with the remaining 644 square feet located at the rear of the building. The applicant will provide live entertainment a minimum of four nights per week. Staff recommends approval of this request, as it can be conducted in a manner that is compatible with the surrounding uses. If this application is denied, a Tavern Limited Establishment could not be licensed on the site.

ISSUES

- The proposed use is permitted in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit.
- Pursuant to the Downtown Centennial Plan, approval of a Minor Site Development Plan Review shall be required for the outdoor dining area, and an Encroachment Agreement may be required from Public Works for the use of sidewalks in the Fremont Street right-of-way.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
12/16/64	The City Council approved a Rezoning (Z-0100-64) to reclassify property in the area generally bounded by Main Street, Bonanza Road, Las Vegas Boulevard and Charleston Boulevard from R-1 (Single Family Residential), R-4 (High Density Residential), C-1 (Limited Commercial) and C-V (Civic) to C-2 (General Commercial).
04/20/88	The City Council approved a Variance (V-0023-88) to allow a Class III Secondhand Dealership for retail sales of used slot machines at 523 Fremont Street. The Board of Zoning Adjustment recommended approval. Staff recommended denial.

Most Recent Change of Ownership	
11/06/06	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
11/06/07	Code Enforcement issued a violation (59604) for trash and debris in the rear of the property at 523 Fremont Street. Case was resolved on 11/19/07.
08/23/07	Code Enforcement issued a violation (57043) for signage at 523 Fremont Street. Case was resolved on 08/27/07.
02/14/08	The Building and Safety Department issued a permit (108394) for non-structural interior demolition at 523 Fremont Street. Permit was not closed.
11/24/10	The Building and Safety Department issued a permit (176760) to replace existing 200 amp service. Permit was not closed.

Pre-Application Meeting	
02/22/11	Staff reviewed the requirements for a Tavern-Limited Establishment Special Use Permit application.

Neighborhood Meeting
No neighborhood meeting was required nor was one held.

Field Check	
03/03/11	Staff conducted a site visit and found no outstanding issues. The property was vacant and properly secured.

* Projects located within the Las Vegas Downtown Centennial Plan area are not subject to the automatic application of parking requirements. However, the above table should be used to illustrate the requirements of an analogous project in another location in the City. The analysis should take a number of factors into consideration when discussing parking availability, including pedestrian access, nearby parking structures, on-street parking, etc.

YK

ANALYSIS

A Tavern-Limited Establishment is permitted in the C-2 (General Commercial) zoning district with an approved Special Use Permit. The project is located within the Downtown Centennial Plan area which allows for deviation from the standard parking requirements. This project is located on Fremont Street within a block of two public parking garages, two major public bus routes and several large hotels. In addition, public parking meters are located on surrounding streets. This combination allows for ample parking for the proposed use.

The proposed Tavern Limited Establishment will be operated primarily as a restaurant during the hours of 10:30 a.m. to 10:00 p.m. Monday through Thursday, and 10:30 a.m. to 3:00 a.m. Friday and Saturday. Live entertainment for patrons 21 and over will be provided in an outdoor area toward the rear of the structure that may have a somewhat negative impact on the surrounding uses.

Approval of a Minor Site Development Plan Review and an Encroachment Agreement is required in order to have outdoor seating within the Fremont Street right-of-way. There appears to be ample room to allow for the proposed seating area and maintain ADA required sidewalk access.

This project is located within the Entertainment District Overlay area and will enhance the effort to provide a variety of entertainment options, since the applicant is proposing to provide live entertainment four days a week.

The Las Vegas Valley Water District (LVVWD) had the following comment:

> The existing 2" meter with 2" DCVA; 3/4" meter with 1" DCVA Backflow prevention is incorrect for this use, per NAC 445A.67195. Civil plans will need to be submitted to Las Vegas Valley Water District (LVVWD).

Staff recommends approval as this is an appropriate use within the Entertainment District.

FINDINGS (SUP-41036)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed use will be located within the Entertainment District. The use can be conducted in a manner that is harmonious and compatible with the uses on adjacent properties.

2. The subject site is physically suitable for the type and intensity of land use proposed.

The subject site is physically suitable for the type and intensity of the proposed use. The proposed Tavern-Limited Establishment use is located in the Downtown Centennial Plan (Fremont East District) and the Entertainment Overlay District; as such, the parking standards of Title 19 are not automatically applied.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

Site access is provided from Fremont Street, an 80-foot Secondary Collector as designated in the Master Plan of Streets and Highways and 6th Street, an 80-foot right-of-way. These streets are sufficient in size to accommodate the needs of the proposed use.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

Approval of the proposed Special Use Permit will not compromise the public health, safety and general welfare, as the use will be subject to regular inspections and is subject to licensing restrictions.

5. The use meets all of the applicable conditions per Title 19.04.

The proposed use complies with the minimum Special Use Requirements for a Tavern-Limited Establishment.

RE: ***Special Use Permit: Tavern –Limited Establishment with Restaurant at 523 Fremont ST, Downtown, Las Vegas***

To whom it may concern,

This letter is being submitted on behalf of the applicant, Daniel J. Coughlin, for approval of a Special Use Permit for a Tavern-Limited License with Restaurant at 523 Fremont St, just east of the Fremont Street Experience. The existing building is currently vacant, but did have a previous tenant that was a restaurant establishment just prior to its vacancy.

Mr. Coughlin intends to run his Thai restaurant, Le' Thai, during the hours of 10:30 am to 10:00 pm, Monday thru Thursday and 10:30 am to 3:00 am Friday and Saturday, and closed on Sunday's. In the future if business shows profitable and demand grows, then the owner will look at opening Sundays for limited hours. The restaurant will employ in total 9 to 12 employees and expects during the busy shifts having a total of 4 to 8 employees working. It is also the intention of the applicant to have Live Entertainment Venues in the back "over 21 years of age" Outdoor Area anywhere from 3 to 4 times per week.

It is anticipated that roughly 60% of the business of Le' Thai will be from pedestrian traffic and the other 40% from local vehicular or mass transit traffic. A number of parking facilities in the area including Fremont St. parking garage, El Cortez parking garage and various metered street side parking will be able to accommodate this expected traffic.

Mr. Coughlin is no stranger to owning a Thai Restaurant business around the Downtown area as he was the previous owner of Mix Zone Café at Charleston and Rancho. His food has not only seen rave reviews from many local food buffs but has also been featured in local magazines such as the *Las Vegas Weekly*. He owned this business from 2007 to 2010 when he decided to sell and open up Le' Thai in the heart of Downtown. Mr. Coughlin looks forward to becoming the newest business on East Fremont Street and is excited to be able to call downtown his new home.

Sincerely,

Shawn Mitchell
Sr. Project Manager

** STAFF REPORT **

PROJECT DESCRIPTION

An Urban Lounge use is proposed within an existing Antique/Collectible Store use located at 1106 South 3rd Street. This location currently sells collectible guitars and would continue with the retail operations during daytime hours. The applicant is seeking approval of a Special Use Permit to operate the proposed Urban Lounge use during the evening hours, at which time no minors would be permitted within the establishment. The Urban Lounge use is sought in order to augment retail operations. The proposed use can meet all minimum requirements for an Urban Lounge and can be conducted in a manner that is harmonious and compatible with the surrounding land uses; therefore, staff recommends approval, with conditions. If denied, the Urban Lounge use would not be allowed at this location.

ISSUES

- The Special Use Permit is required for the Urban Lounge use for C-1 (Limited Commercial) zoned property within the Las Vegas Arts District.
- The site plan must be revised to show the appropriate Van Accessible Parking Space. A condition has been added for this requirement.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
03/25/82	The Board of Zoning Adjustment approved a Variance (V-0019-82) to allow eight parking spaces for a proposed restaurant and other commercial uses where 22 parking spaces are required at this site. Staff recommended denial.

Most Recent Change of Ownership	
12/30/03	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
08/05/10	A Business License (#S20-00539) was issued for a Secondhand Dealer, Class IV (Antiques/Collectibles) at 1106 South 3rd Street.
08/17/10	A Business License (#M17-00268) was issued for New Guitar Sales at 1106 South 3rd Street.
09/29/10	A Building Permit (#170643) was issued for a Tenant Improvement, which includes a coffee bar.

Pre-Application Meeting	
02/08/11	A pre-application meeting was held with staff to discuss the submittal requirements for a Special Use Permit to operate an Urban Lounge within a General Retail use. Staff briefed the applicant regarding the particular requirements for this type of use in 18b The Las Vegas Arts District.

Neighborhood Meeting
A neighborhood meeting is not required, nor was one held.

Field Check	
03/03/11	A field check was performed by staff with the following observations made: • The existing Antique/Collectible Store is located between two other retail suites and maintains a neat and clean appearance. • The alleyway behind the proposed Urban Lounge has access restricted with wrought iron gates.

Parking Requirement - Downtown							
Use	***Gross Floor Area or Number of Units***	***Base Parking Requirement***			***Provided***		***Compliance***
		Parking Ratio	*Parking*		*Parking*		
			Regular	Handi-capped	Regular	Handi-capped	
Commercial Retail	3,225 SF	1:300	11				
Urban Lounge	1,160 SF	-	-				
TOTAL SPACES RECOMMENDED			11		6		
Regular and Handicap Spaces Required			1	10	0	5	Y*

*Projects located within the Las Vegas Downtown Centennial Plan area are not subject to the automatic application of parking requirements. However, the above table illustrates the requirements of the typical parking requirements within the Downtown Area. This request has been recommended for approval, subject to a condition of approval requiring revised site plans showing the required Van Accessible Parking Space.

ANALYSIS

The following three Special Use Permit Minimum Requirements for an Urban Lounge use must be met for approval: The proposed use must be within the boundaries of the Las Vegas Arts District; there must be two seats within a lounge area for each seat at the bar; and the use is to be subject to the provisions of Chapter 6.50 relating to liquor control. Regarding the first requirement, the proposed location for the Urban Lounge is within the boundaries of 18b, The Las Vegas Arts District. The floor plan shows no seats shown at the bar with 20 seats dispersed throughout the lounge area. The requirement for a three-foot wide pathway for emergency egress for public safety prohibits the placement of stools at the bar counter; hence, the absence of bar seating.

In regards to onsite parking, there are a number of factors that have been taken into consideration. The City of Las Vegas Board of Zoning Adjustment approved a Variance (V-0019-82) to allow eight parking spaces where the proposed commercial uses require 22 spaces on March 25th, 1982. Since this approval, this property has become part of the Las Vegas Centennial Plan, which does not automatically apply the parking requirements. The parking availability will meet parking demand, as this site has substantial pedestrian access to the Downtown Transportation Center, is located one block to the east of the Strip & Downtown Express – Bus Rapid Transit (BRT) Line, and has plenty of on-street parking within walking distance of this property. Additional consideration has been taken into account for the changing parking demands from the daytime retail uses to a nighttime Urban Lounge use. A condition of approval has been made requiring the applicant to revise the site plans to show a Van Accessible Parking Space with the correct loading area dimensions, as required by Title 19.10.

Comments were received from the Las Vegas Valley Water District, and include the following: There is an existing 1-inch meter with 1-inch DCVA and no fire line. Backflow prevention is required per NAC 445A.67195. Civil plans will need to be submitted to LVVWD.

Regarding the required compliance to Chapter 6.50 of the Municipal Code, a condition of approval has been added and the Department of Business and Finance ensure compliance during the business licensing review process.

Staff recommends approval of this request, as the use meets the objectives of the Downtown Centennial Plan and is an appropriate means for extending the pedestrian nightlife sought after in 18b The Las Vegas Arts District.

FINDINGS (SUP-41046)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

   The proposed Urban Lounge is a suitable use for the surrounding C (Commercial) land use and meets the goals and objectives listed in the Downtown Centennial Plan to establish a pedestrian-friendly use of public sidewalks and similar pedestrian areas while providing economic opportunities for ground floor retail.

2. **The subject site is physically suitable for the type and intensity of land use proposed.**

   The subject site is physically suitable for the proposed Urban Lounge use. The proposed Urban Lounge use is located in the Downtown Centennial Plan (18b Las Vegas Arts District) which supports this type of proposal in order to create interesting pedestrian environments. The applicant will have to restrict access to minors in order to operate the bar portion of the Urban Lounge.

3. **Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

   Site access is provided primarily from Third Street, a 72-foot wide right-of-way. Adequate access to and from the subject property is provided from these three streets.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

   Approval of the proposed Special Use Permit will not compromise the public health, safety and general welfare, as the use will be subject to regular inspections.

5. **The use meets all of the applicable conditions per Title 19.04.**

   The proposed lounge meets all applicable requirements for an Urban Lounge and complies with the minimum Special Use Permit Requirements.

Re: Special Use Permit Justification Letter for Downtown Guitar Bar, LLC

To Whom It May Concern:

I represent Downtown Guitar Bar, LLC in the above captioned matter. The purpose of this correspondence is to provide an explanation to the city of Las Vegas planning department of the project contemplated by Downtown Guitar Bar, LLC ("Guitar Bar"), located at 1106 S. 3rd Street, Las Vegas (the "Property"), for which Guitar Bar is seeking a Special Use Permit (the "Permit").

Issue

Guitar Bar is seeking the Permit so that it can serve alcoholic beverages on the Property. Currently, the Property is a retail shop owned by Downtown Vintage Guitars, LLC ("Downtown Vintage") which sells guitars and guitar related equipment. Downtown Vintage and Guitar Bar have entered into an agreement that allows Guitar Bar to operate the Property as a lounge after the retail shop's close of business. Guitar Bar, which is owned by an experienced bartender, is a separate legal entity from Downtown Vintage and will manage the lounge. Currently, the plans reflect a standing bar (without seating) and lounge seating for 20 people.

Information

Downtown Vintage contemplates that the Project will have two employees, and will operate from 7:00 p.m. until 2:00 a.m. on Fridays, Saturdays and Mondays. Guitar Bar has applied for an Urban Lounge License from the city of Las Vegas.

Findings

The Project is an Urban Lounge as contemplated by Title 6.50.255. The Project will sell alcoholic beverages to consumers only for consumption on the premises. The Project is located within the Las Vegas Arts District (the "Arts District"), and, as described above, there will be a standing bar (without seating) and lounge seating for 20 people, which exceeds the minimum 2:1 lounge seating to bar seating ratio prescribed by the statute.

SUP-41046
REVISED

seating) and lounge seating for 20 people, which exceeds the minimum 2:1 lounge seating to bar seating ratio prescribed by the statute.

Special Use Permit Determinations

The Project can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan. The Project is located in the Arts District, and will be an active participant in Arts District events, such as First Friday. The Project will operate after normal business hours, and only on three days during the week and will not disrupt the Property's neighbors (currently a hair salon/clothing boutique and beef jerky retailer). The Project will be managed by an experienced bartender, and will provide a lounge setting for the consumption of alcoholic beverages.

The Property is physically suitable for the Project's intended use. The Property has room for a bar area with, as well as for lounge seating away from the bar area. The Property is large enough to accommodate the 2:1 ratio of lounge seating to bar seating required by Title 6.50.255, as evidenced by the attached plans which show a standing only bar and lounge seating for 20 people.

The street facilities providing access to the Property are adequate in size to meet the requirements of the Project. Currently, there is plenty of access for both vehicle and foot traffic on South 3rd Street, which runs in front of the Property. The ACE rapid transit system also runs down South 3rd Street in front of the Property, and the Property is within walking distance to most of its clientele. The majority of the Property's customers will access the property through public transportation or by foot.

Approval of the Permit will not be inconsistent with or compromise the public health, safety and welfare or the overall objectives of the General Plan. As discussed above, the Project will operate only after normal business hours, and only on three days during the week. The Project will be managed by an experienced bartender, will be wholly separate from the retail business and will provide an urban lounge setting for the consumption of alcoholic beverages.

Please let me know if you require additional information.

Sincerely,

MILLER & WRIGHT, PLLC

Erika M. Wright, Esq.

CASE NUMBER	*RECOMMENDATION*	*REQUIRED FOR APPROVAL*
SDR-41049	Staff recommends APPROVAL, subject to conditions:	N/A

** CONDITIONS **

SDR-41049 CONDITIONS

Planning

1. Conformance to the Conditions of Approval for Special Use Permits (SUP-27046, SUP-27047 and SUP-27049) and Site Development Plan Reviews (SDR-27051 and SDR-30027) shall be required, except as amended herein.

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.18. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the overall site plan date stamped 03/24/11, enlarged site plan 03/24/11 date stamped, overall landscape plan date stamped 03/24/11, enlarged landscape plan date stamped 03/28/11, Floor Plan date stamped 03/28/11 and building elevations date stamped 02/24/11, except as amended by conditions herein.

4. A Waiver from the Town Center Development Standard Manual Section C.2.B (8a) is hereby approved, to allow parking landscape island placement for every seven uncovered parking spaces, where an island is required for every six uncovered spaces.

5. Prior to occupancy, all necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

6. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

7. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device. The technical landscape plan shall include the following changes from the conceptual landscape plan: The planter islands shall include a two-inch layer of ground cover or rock mulch, a minimum of five shrubs of five gallon size, and five shrubs or plants of one gallon size minimum per each 24-inch box tree provided.

8. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

9. All existing offsite improvements damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.

10. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

11. An update to the previously approved Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any grading or building permits or submittal of any construction drawings, whichever may occur first. Provide and improve all drainageways as recommended in the approved drainage plan/study.

12. Comply with all applicable previous conditions of approval for SDR-30027, the Village at Centennial Hills and all other site-related actions.

Staff Report Page One
April 12, 2011 - Planning Commission Meeting

** STAFF REPORT **

PROJECT DESCRIPTION

The proposed development would add an 8,775 square-foot Auto Repair Garage (Minor) on an undeveloped pad of an existing Shopping Center located at the northwest corner of Deer Springs Way and Durango Drive. As the proposed garage is located within a shopping center designed to accommodate a variety of uses, and this use can be conducted in a manner that is compatible with the surrounding uses, staff recommends approval with conditions. If this request is denied, the subject property shall be developed in accordance with Site Development Plan Reviews (SDR-27051 and SDR-30027).

ISSUES

- The proposed development requires a Major Amendment of a Site Development Plan Review (SDR-27051) was previously approved SDR-27051 for a 41,471 square-foot Shopping Center, which includes the subject pad for the proposed Auto Repair Garage (Minor).
- A Minor Site Development Plan Review (SDR-30027) was previously approved for a 45,895 square-foot Shopping Center, including the subject pad for the proposed Auto Repair Garage (Minor).
- A waiver of the Town Center Development Standards Manual is required to allow one landscape island for every seven uncovered parking spaces where one is required for every six spaces. Staff can support this waiver, since the landscape island placement is a minimal deviation from Town Center Development Standards and the required number of trees are being provided.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
02/13/03	The City Council approved a Rezoning (ZON-1620) of the subject property from U (Undeveloped) Zone [UC-TC (Urban Center Mixed-Use - Town Center) General Plan designation] to T-C (Town Center), a Special Use Permit (SUP-1569) for a 6,622 square-foot Tavern on a portion of the subject property, and a Site Development Plan Review (SDR-1741) for a proposed 6,622 square-foot Tavern on a portion of the subject site. The Planning Commission recommended approval and staff recommended denial of these requests.

06/15/05	The City Council approved a request for a Site Development Plan Review (SDR-6317) for a proposed Mixed-Use Development consisting of two 24-story towers containing 474 residential units and 144,200 square feet of commercial space of which 102,744 square feet is office space, and Special Use Permits (SUP-6323, SUP-6326, and SUP-6330) for a proposed 5,200 square-foot tavern, a proposed 7,256 square-foot supper club, and a proposed mixed use development in excess of 12 stories, respectively, on 5.21 acres adjacent to the northwest corner of Deer Springs Way and Durango Drive. The Planning Commission and staff recommended approval of these requests.
07/11/07	The City Council denied Extension of Time (EOT-22312, EOT-22313, EOT-22314, EOT-22315) requests for Site Development Plan Review (SDR-6317) for a proposed Mixed-Use Development consisting of two 24-story towers containing 474 residential units and 144,200 square feet of commercial space of which 102,744 square feet is office space, and Special Use Permits (SUP-6323, SUP-6326, and SUP-6330) for a proposed 5,200 square-foot tavern, a proposed 7,256 square-foot supper club, and a proposed mixed use development in excess of 12 stories, respectively, on 5.21 acres adjacent to the northwest corner of Deer Springs Way and Durango Drive. The Planning Department staff recommended approval.
06/04/08	The City Council approved a Request for a Major Modification (MOD-27044) of the Town Center Land Use Plan from UC-TC (Urban Center Mixed Use – Town Center) to GC-TC (General Commercial – Town Center) Special Land Use designation, a Special Use Permit (SUP-27046) for a proposed 5,376 square-foot Liquor Establishment – Tavern, a Special Use Permit (SUP-27047) for a proposed 3,200 square-foot Restaurant with Drive Through, a Special Use Permit (SUP-27049) for a proposed Beer/Wine/Cooler Off-Sale Establishment in Conjunction with a Convenience Store, and a Site Development Plan Review (SDR-27051) for a 41,741 square-foot Retail and Office development with Waivers to allow an eight-foot landscape buffer where a 15-foot buffer is required on Durango Drive, a 15-foot setback where a 20-foot setback is required for a Gas Station, and Town Center landscape finger requirements within the parking area on 5.1 acres at the northwest corner of Durango Drive and Deer Springs Way. The Planning Commission recommended approval of these items, staff recommended denial. Additionally, the City Council accepted a Withdrawal Without Prejudice of a request for a Special Use Permit (SUP-27048) for a proposed 3,275 square-foot Convenience Store with Fuel Pumps t the northwest corner of Durango Drive and Deer Springs Way. The Planning Commission recommended approval of this item, whereas staff recommended denial.
10/24/08	The Planning Department administratively approved a Site Development Plan Review (SDR-30027), for a Major Amendment to Site Development Plan Review (SDR-27051) for a 45,895 square-foot retail and office development where 41,741 square feet was previously approved on 5.1 acres at the northwest corner of Durango Drive and Deer Springs Way.

09/01/10	The City Council approved an Extension of Time (EOT-38453) of a previously approved Special Use Permit (SUP-27047) for a proposed 3,200 square-foot Restaurant with drive through at 6803 North Durango Drive. The Planning Department staff recommended approval.
09/01/10	The City Council approved an Extension of Time (EOT-38454) of a previously approved Special Use Permit (SUP-27046) for a proposed 5,376 square-foot Liquor Establishment (Tavern) at 6803 North Durango Drive. The Planning Department staff recommended approval.

Most Recent Change of Ownership	
10/18/10	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses
No relevant building permit and licensing history.

Pre-Application Meeting	
01/12/11	A pre-application meeting was held with the applicant, where the submittal requirements for a Site Development Review were discussed.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
03/03/11	A site visit by staff noted a vacant pad within the commercial subdivision for the proposed site for an Auto Repair Garage (Minor).

A landscape island is required for every six uncovered parking spaces.	To allow an island at every seven uncovered parking spaces	Approval

ANALYSIS

Projects located within the Town Center area are subject to the Town Center Development Standards Manual, as well as Title 19 where the Town Center Development Standards Manual is silent.

RG

This request is to add a proposed Auto Repair Garage (Minor) within the undeveloped portion of the shopping center. The City Council adopted Ordinance 6116 on November 3, 2010, which amended the Town Center Development Standards Manual to correct the Permitted Use Matrix regarding minor auto repair garages. The subject property is located in the GC-TC (General Commercial – Town Center) special land use area and a Special Use Permit is not required for the proposed use. Although the use is permitted in the GC-TC special land use area, the surrounding area is UC-TC (Urban Center) Land Use Designation of Town Center in which Minor Automotive Repair is not permitted. East of the site is the Montecito Town Center which allows for Automobile Maintenance with an approved Special Use Permit.

This site layout is similar to the previously approved layout. A 10,400 square-foot Office building, a 14,490 square-foot Retail Store and a 2,925 square-foot Restaurant with Drive-Through remains in their previously approved configurations. This request proposes to add the Auto Repair Garage (Minor) on the undeveloped pad of the shopping center, north of the existing retail store (Walgreens).

Access to the site is provided by two 36-foot driveways off Durango Drive, spaced approximately 147 feet apart, and one 36-foot wide driveway on Deer Springs Way and Hitt Family Court.

The overall landscape plan submitted depicts the existing and proposed landscaping of this site. Also submitted was an enlarged landscape plan providing the detail of the proposed landscaping located to the north of the proposed Auto Repair Garage (Minor) as part of the parking lot landscaping, and along the south side of the proposed building. The enlarged landscape plan depicts a parking lot island for every seven parking spaces where one for every six spaces is required. The proposed parking lot island placement is a minimal deviation from the Town Center Development Standards C.2.B. (8a), and staff can support the waiver. Pursuant to the Town Center Development Standards C.2.B. (8e), the planter islands shall include a two inch layer of ground cover and rock mulch, a minimum of five shrubs of five gallon size, and five shrubs or plants of one gallon size minimum per each 24-inch box tree provided. The overall landscape plan indicates the landscape ground cover to be at one inch and the provided shrubs are not in compliance with Town Center Development Standards; therefore, a condition of approval has been added to ensure compliance.

The approved elevations from Site Development Plan Reviews (SDR-27051 and SDR-30027) for the retail store, office and restaurant depict the use of stucco as the primary façade material with manufactured stone veneer and decorative metal screens on the pilasters and concrete tile roofs. The submitted elevation plan for the proposed Auto Repair Garage (Minor) depicts a split face concrete masonry with Brandywine and Antique White colors. The roof material will consist of metal finish with a Sierra Tan color and the proposed metal canopies will match the roof at the north and east elevations. An Exterior Insulation Finish System is provided around the building below the roof line with Row House Tan color. The Town Center Development Standards Manual prohibits mirrored glass, wood and asphalt shingles, corrugated fiberglass, exposed, unfinished tilt-up concrete, plastic laminate, and neon, which the applicant has not proposed. The elevation plan has included a wall sign, which is not part of this request.

The submitted floor plan consists of nine service bays and a service bay for an alignment service. All of these service bays are facing away from the right-of-way and all repair and service work will be performed within an enclosed building. An inventory room is provided within the interior of the building, along with a used or discarded parts room, by meeting the minimum conditional use requirements for the Auto Repair Garage (Minor). The proposed garage is located within a shopping center designed to accommodate a variety of uses, and be conducted in a manner that is compatible with the surrounding uses; therefore, staff recommends approval with conditions.

Comments were received from the Las Vegas Valley Water District (LVVWD), and included the following: "Existing ¾" meter and 1" mater with 8" DCDA. The backflow prevention is incorrect for this use per NAC 445A.67195. Civil Plans will need to be submitted to LVVWD."

FINDINGS (SDR-41049)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed development consisting of auto repair garage, office and retail uses will be compatible with the surrounding retail, medical and office uses located in the general area.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

   The proposed development is consistent with the Town Center Development Standards Manual and the previously approved Waivers through Site Development Plan Review (SDR-27051) as conditioned. Staff supports a minimal waiver of parking lot landscaping standards.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   The site is access by existing driveways to Deer Springs Way, designated as Town Center Arterial/Secondary Collector, Durango Drive, designated as Town Center Parkway Arterial and Hitt Family Court, designated as Town Center Tertiary. These streets will provide adequate access to the development.

4. **Building and landscape materials are appropriate for the area and for the City;**

The building and landscape materials for the proposed development meet the requirements of the Town Center Development Standards Manual.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The building elevations proposed depict appropriate site and building design and architectural features that are consistent with the Town Center Development Standards Manual.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The project will be subject to permit review and inspections; therefore, appropriate measures will be taken to protect public health, safety and general welfare.

RE: Firestone Auto Care Center – Deer Springs & Durango
Justification Letter

Dear Romeo,

On behalf of the applicant and owner, we respectfully review and approval of the attached application for Site Development Plan Review Amendment. The project site is located at the northwest corner of Deer Springs and Durango in Town Center. The subject portion of the site is proposed for development as an auto repair center. The entire commercial subdivision consists of approximately 4.71 acres; is zoned GC-TC and its land use designation is MS-TC. The proposed amendment to the previously approved Site Development Plan Review (SDR-27051) is to reconfigure the middle portion of the site with two buildings, where three were approved. This revised site layout enhances internal access and complements the existing buildings.

We are requesting review and approval of an Auto Repair Garage (Minor) within the GC-TC zoning district, which is a conditional use within this zoning district. The proposed use is compatible with the existing uses in the center and with the surrounding neighborhood in terms of architecture, height, landscaping, intensity and site design. The proposed use will occupy approximately .92 acres of the commercial subdivision.

Firestone Complete Auto Care offers a wide variety of automobile repair and maintenance services that fit within the City's definition of this use. Services offered include, but are not limited to maintenance tune-ups, filter replacement, oil changes, air conditioning repair and maintenance, vehicle inspections, tire repair and replacement services, brake-related services, and the sale and installation of minor parts and accessories. Transmission services are offered, but are limited to the normal maintenance functions related to fluid replacement. Neither installation nor major overhaul of engines and transmissions is proposed, nor is body work. All work is conducted within the confines of the building.

REVISED

209 S. Stephanie Street Suite B-128 Henderson, Nevada 89012 T: 702.451.3510 F: 702.451.4988

The proposed use conforms to the standards set forth in the Zoning Code and the Town Center Design Standards. As to the Site Development Plan Review Amendment, no new waivers are being requested but we respectfully request that any previously approved waivers for the center remain in effect.

We look forward to presenting these items to the Planning Commission on April 12, 2011. Please contact our office if you have any questions or comments. Thank you for your kind consideration of this matter.

Very truly yours,

Barbara Baird

** STAFF REPORT **

PROJECT DESCRIPTION

This is a request to amend Table 1 of the Town Center Development Standards to add an Auto Sales Showroom Use. The Auto Sales Showroom Use is proposed to be permitted as of right in the GC (General Commercial) and the EC (Employment Center) Districts and permitted in the SC (Service Commercial) and UC (Urban Center Mixed Use) Districts with approval of a Special Use Permit.

BACKGROUND INFORMATION

Related Relevant City Actions	
11/07/01	The City Council adopts Bill No. 2001-100 that created the Town Center Development Standards Manual.
10/04/06	The City Council adopts Bill No. 2006-53 that revised the Town Center Development Standards Manual to provide for greater consistency with Title 19.
01/19/11	The City Council adopted Ordinance #6128, for a similar use outside of Town Center.

Currently, the Motor Vehicle Sales (New) and Motor Vehicle Sales (Used) uses are permitted in GC (General Commercial) and EC (Employment Center) Districts with conditions only. There is no separate use category in Town Center Development Standards that restricts the sale, display and storage of motor vehicles to indoor locations only.

ANALYSIS

The proposed amendment would create a new use entitled “Auto Sales Showroom” along with requirements of the use. This use would allow for the display, storage and sales of new and used motor vehicles only within completely enclosed buildings, without ancillary facilities for repair and detailing. A similar use was added to the list of permitted uses within the Arts District in the Downtown Centennial Plan in 2007 with approval of a Special Use Permit. An amendment to Title 19 was approved by City Council on January 19, 2011 that permits this use in C-2 (General Commercial), C-M (Commercial/Industrial) and M (Industrial) zones and in C-1 (Limited Commercial) and C-PB (Planned Business Park) zones with a Special Use Permit.

The proposed amendment would permit the Auto Sales Showroom use with approval of a Special Use Permit in the SC (Service Commercial) and UC (Urban Center), which would allow uses to be reviewed on a case-by-case basis. These districts allow most conventional retail uses, but currently do not allow automobile and truck sales. In the GC (General Commercial) and EC (Employment Center) Districts where motor vehicle sales are already allowed, the Auto Sales Showroom use would be a permitted use as long as the requirements are satisfied. The requirements of Auto Sales Showroom are intended to prohibit onsite outdoor display, storage and sales of vehicles, and any onsite vehicle service or maintenance, whether indoor or outdoor. For these activities, a more appropriate motor vehicle sales use shall be used.

The parking requirement for the proposed use is one space per 250 square feet of gross floor area, matching the requirement for the Shopping Center use and many other Title 19 retail uses.

FINDINGS

The proposed text amendment will achieve the following:

- Establish a new use in the Town Center entitled Auto Sales Showroom that will be permitted as of right in the GC (General Commercial) and EC (Employment Center) Districts and a permitted use in the SC (Service Commercial) and UC (Urban Center) Districts with approval of a Special Use Permit.

The following table summarizes proposed changes:

Code Requirements	Existing Regulations	Proposed Regulations
Town Center Development Standards Manual Table 1 Permitted Uses	N/A	Create a Use entry for Auto Sales Showroom.
