PROJECT DESCRIPTION

This is a request for a Special Use Permit for a 6,044 square-foot Liquor Establishment (Tavern) use at 430 South Rampart Boulevard, Suite #B160. The proposed use will be located within the Tivoli Village at Queensridge Mixed-Use development that is currently under construction. The Liquor Establishment (Tavern) use complies with all Title 19.04 requirements and can be conducted in a manner that is harmonious and compatible with existing surrounding development and land uses; therefore, staff recommends approval with conditions. If this application is denied, the proposed Liquor Establishment (Tavern) cannot be located within the subject site, nor can a business license be obtained for the use at this location.

ISSUES

- A Liquor Establishment (Tavern) use is permitted in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit.
- Waivers are required to allow no distance separation from another Liquor Establishment (Tavern) where 1,500 feet is required and 141 feet from a City Park where 400 feet is required for approval of the Special Use Permit for the Liquor Establishment (Tavern) use. Waivers of these requirements are possible due to the location of the proposed use within a mixed-use development in excess of 15 acres and 250,000 square feet of nonresidential floor space.

ANALYSIS

The Liquor Establishment (Tavern) use is defined by Title 19.20 as “a facility which sells alcoholic beverages for consumption on the premises where the same are sold and authorizes the sale, to consumers only and not for resale, of alcoholic beverages in original sealed or corked containers, for consumption off the premises where the same are sold.” The applicant is proposing a 6,044 square-foot lounge/nightclub with a DJ and a stage for live entertainment.

Tivoli Village at Queensridge Mixed-Use development is located adjacent to a Pedestrian Path Trail along Rampart Boulevard as designated within the Transportation Trails Element of the Las Vegas 2020 Master Plan. The pedestrian sidewalk is currently under construction.

The applicant is requesting Waivers to allow no distance separation from a Liquor Establishment (Tavern) use where 1500 feet is required and a 141-foot distance separation from a City Park where 400 feet is required, pursuant to Minimum Special Use Permit requirement Number 5d. The first waiver results from taverns located at the adjacent Angel Park Golf Club and also within the subject Mixed-Use development, as approved through Special Use Permits (SUP-34175 and SUP-39146). The second Waiver is for a City Park located to the north of the mixed-use development.

As the proposed Liquor Establishment (Tavern) will be located within a mixed-use development in excess of 15 acres and 250,000 square feet of nonresidential floor space, the distance separation requirement can be waived per Title 19.04. The development has a net site area of 28.44 acres. The proposed Liquor Establishment (Tavern) is a compatible use with neighboring commercial and residential uses within the approved Mixed-Use development. The proposed use will be compatible and harmonious with the existing uses and future surrounding land uses; therefore, staff recommends approval with conditions.

FINDINGS (SUP-40748)

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed Liquor Establishment (Tavern) use is a compatible use with neighboring commercial and residential uses within the approved Mixed-Use development.

- 2. The subject site is physically suitable for the type and intensity of land use proposed.**

**Staff Report Page Seven
April 12, 2011 - Planning Commission Meeting**

The site is physically suitable for this type of use and the intensity is appropriate in this area of the City. Ample site access is provided and adequate parking is being provided in accordance with the approved Variance (VAR-10773) for the Mixed-Use development. The proposed Liquor Establishment (Tavern) is appropriate in these types of Mixed-Use developments.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

The subject site is accessed by Rampart Boulevard and Alta Drive. Both streets are sufficient to accommodate the amount of vehicular trips associated with the proposed use.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

Approval of the Special Use Permit is consistent with the General Plan, and will not compromise the public health, safety, or welfare.

5. The use meets all of the applicable conditions per Title 19.04.

The proposed use does not meet all Minimum Special Use Permit requirements pursuant to Title 19.04 due to the proximity to a City Park and another Liquor Establishment (Tavern). The requested Waivers of the minimum distance separation requirement are appropriate for the proposed use within a Mixed-Use development.
