May 10, 2011

6:00 PM

ALL ITEMS ON THIS AGENDA ARE SCHEDULED FOR ACTION UNLESS SPECIFICALLY NOTED OTHERWISE. UNLESS OTHERWISE STATED, ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Clerk's Bulletin Board, City Hall Plaza, 2nd Floor Skybridge
Clark County Government Center, 500 South Grand Central Parkway
Las Vegas Library, 833 Las Vegas Boulevard North
Grant Sawyer Building, 555 East Washington Avenue
Bulletin Board, City Hall Plaza (next to Metro Records)

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS AND PAYMENT OF THOSE COSTS SHALL BE MADE UPON FILING OF THE APPLICATION.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and

suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.

3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.

4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.

5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.

6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.

7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.

8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

RE: SDR-34997 - SITE DEVELOPMENT PLAN REVIEW

Dear Applicant:

Your request for a Site Development Plan Review FOR A PROPOSED 248 SPACE PARKING LOT, COMMERCIAL WITH WAIVERS OF THE LAS VEGAS MEDICAL DISTRICT LANDSCAPING REQUIREMENTS TO ALLOW A THREE-FOOT LANDSCAPE BUFFER WHERE SIX FEET IS REQUIRED AND A TWO-FOOT SIX-INCH BLOCK WALL WHERE THREE FEET IS REQUIRED AND TO ALLOW A ZERO-FOOT LANDSCAPE BUFFER ALONG THE SOUTH PROPERTY LINE WHERE EIGHT FEET IS REQUIRED on 2.42 acres on the east side of Tonopah Drive approximately 315 feet south of Pinto Lane (APN 139-33-302-026 thru 032), PD (Planned Development) Zone [MD-1 (Medical Support) Las Vegas Medical District Special Land Use Designation], Ward 5 (Barlow), was considered by the Planning Commission on August 13, 2009.

The Planning Commission voted to ***APPROVE*** of your request, subject to the following:

Planning and Development

1. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

2. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 06/25/09, except as amended by conditions herein.

3. Site Development Plan Review (SDR-3054) shall be expunged, if approved.

4. A Waiver from the Landscape Buffer requirements is hereby approved, to allow a zero-foot landscape buffer along the south property line where eight feet is the minimum required, if approved.

5. A Waiver from the Las Vegas Medical District Plan landscaping requirements is hereby approved, to allow a 2.5-foot block wall adjacent to the right-of-way where a three-foot wall is required, if approved.

6. A Waiver from the Las Vegas Medical District Plan landscaping requirements is hereby approved, to allow a three-foot landscape buffer adjacent to the right-of-way where a six-foot buffer is required, if approved.

7. An Exception from the Las Vegas Medical District Plan landscaping requirements is hereby approved, to allow 30 parking fingers where 42 are required, if approved.

8. An Exception from the Las Vegas Medical District Plan landscaping requirements is hereby approved, to allow no landscaping along the southern property line where one tree every 20 feet on-center is required, if approved.

9. The applicant shall work with City staff to determine the most appropriate mapping action necessary to consolidate all existing parcels. The mapping action shall be completed and recorded prior to issuance of any permits.

10. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications.

11. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.

12. Pursuant to the Las Vegas Medical District Plan, all utilities serving new development shall be underground. Above ground utility appurtenances visible from public streets shall be screened. The existing utility boxes on-site shall be placed underground or relocated in accordance with the requirements of the Las Vegas Medical District Plan and Title 19.12.040.

13. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaires. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

14. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

15. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

16. Submit a Reversionary Map for this site or coordinate with the City Surveyor to determine an acceptable mapping method; comply with the recommendations of the City Surveyor.

17. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.

18. No permanent structures or landscaping over 30 inches tall shall be constructed within the existing 20-foot Public Sewer Easement granted by Document #20040407:01657.

19. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

20. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing finished floor elevations and drainage patterns for this site prior to submittal of construction plans or the issuance of any building or grading permits, whichever may occur first. Provide and improve all drainageways as recommended.

21. Site development to comply with all applicable conditions of approval for Zoning Reclassification Z-20-97 and all other applicable site-related actions.

Re: Valley Hospital Parking Lot
SDR-34997 Time Extension Request
Letter of Justification

Site Development Plan Review 34997 to construct a new parking lot to replace a temporary parking lot at 625 S. Tonopah Drive for Valley Hospital was approved on August 13, 2009. The time limit to obtain a permit to begin construction is two years from that date, or August 13, 2011. The seven parcels which make up this parking lot have since been consolidated into one new parcel as was requested by a condition of that approval. That new parcel number is APN 139-33-302-035. Although it is Valley Hospital's intent to proceed with the construction of this parking lot, difficult economic conditions dictate that they would like to request a time extension to delay the construction until it better fits within their financial planning. Therefore, they are requesting that you consider allowing a two year Extension of Time to begin this work. We are not aware of any complaints which have been filed relative to the existing temporary parking lot and its usage as it is currently configured and respectfully request your favorable review of this request. Thank you for your consideration..

Sincerely,

Ned Cole

Subject: Annexation Gilcrease Nature Sanctuary
Southeast Corner of Racel Road and Al Carrison Street
APN 125-09-401-010/018/019

Dear Mr. Fagg:

This Justification Letter requests that the City of Las Vegas approve the Annexation application for the Gilcrease Nature Sanctuary. The site is located south of Racel Road and east of Al Carrison Street, and is currently under the jurisdiction of Clark County. The areas north and south of the site and within one parcel east and west are within the jurisdiction of the City of Las Vegas. The applicant is planning to significantly improve the site by renovating its existing facilities and expanding the compound further east. The annexation process will have a positive impact on the design and construction process and the surrounding community.

The current primary use is a bird sanctuary for a large number of animals that are housed on site. Over the years the sanctuary has obtained most of the birds from homes who have donated animals to the site or in some unfortunate cases abandon and have been found by local organizations. In addition, the property also provides space for other animals, such as deer, emus, mules, donkeys, turtles, and other animals. The Gilcrease Nature Sanctuary, a no kill operation, has a deep vested interest in educating the public on the proper care and treatment of these animals. The facility has been in operation for over 30 years offering tours for school age children, boy scouts, and other social groups. The proposed Master Plan will expand the existing compound to the entire 8 acre site that will accommodate additional animals and expand the variety of animals.

Currently, there is no existing City of Las Vegas Zoning Districts under Title 19 that specifically addresses the land use that is currently operating on the site.

The closest zoning districts are R-A Ranch Acres District, low density residential units located on large lots and conveying a rural environment, and C-V, which is intended for public and quasi-public uses, and maybe operated or controlled by any civic or service organization.

The applicant requests that all three parcels be annexed into the City of Las Vegas for the justifications given above. If you have any questions or need additional information, please contact me at (702) 219-5785.

RE: RQR-26324 – REQUIRED REVIEW
CITY COUNCIL MEETING OF MAY 7, 2008

Dear Mr. Bilbar:

The City Council at a regular meeting held May 7, 2008 APPROVED the Required Review of an approved Special Use Permit (U-0168-92) WHICH ALLOWED A 40-FOOT TALL, 14-FOOT X 48-FOOT OFF-PREMISE ADVERTISING SIGN (BILLBOARD) at 2900 Sirius Avenue (APN 162-08-418-002), M (Industrial) Zone. NOTE: THE CORRECT APN IS 162-08-702-002. THE SIGN IN REVIEW IS LOCATED AT THE NORTHEAST CORNER OF THE PROPERTY. ADDITIONAL NOTE: THE OWNER/APPLICANT IS FISHER BROTHERS LAS VEGAS, LLC.. The Notice of Final Action was filed with the Las Vegas City Clerk on May 8, 2008. This approval is subject to:

Planning & Development

1. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Advertising (Billboard) Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign be removed.

2. The Off-Premise Advertising (Billboard) Sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.

3. The property owner shall keep the property properly maintained and graffiti-free at all times. Failure to perform required maintenance may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign.

4. If the existing off-premise sign is voluntarily demolished, this Special Use Permit shall be expunged and a new off-premise sign shall not be permitted in the same location unless a Special Use Permit is approved for the new structure by the City Council.

RE: RQR-26970 – REQUIRED REVIEW
CITY COUNCIL MEETING OF JUNE 18, 2008

Dear Mr. Clifford:

The City Council at a regular meeting held June 18, 2008 APPROVED the Required Review of an approved Special Use Permit (SUP-3115) WHICH ALLOWED A 40-FOOT TALL, 14-FOOT X 48-FOOT OFF-PREMISE SIGN (BILLBOARD) at 6118 West Sahara Avenue (APN 163-02-802-004), C-1 (Limited Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on June 19, 2008. This approval is subject to:

Planning & Development

1. Conformance to the Conditions of Approval for Special Use Permit (SUP-3115).

2. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Sign (Billboard) be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign is removed.

3. The Off-Premise Sign (Billboard) and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise (Billboard) Sign.

4. The property owner shall keep the property properly maintained and graffiti-free at all times. Failure to perform required maintenance may result in fines and/or removal of the Off-Premise (Billboard) Sign.

RQR-41221

5. If the existing Off-Premise (Billboard) Sign structure is removed, this Special Use Permit shall be expunged and a new Off-Premise (Billboard) Sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City of Las Vegas, or (2) the location is in compliance with all applicable standards of Title 19 including, but not limited to, distance separation requirements, or (3) a Variance to the applicable standards of Title 19 has been approved for the new structure by the City Council.

6. All City Code requirements and design standards of all City departments must be satisfied.

RE: SUP-3115 - SPECIAL USE PERMIT
CITY COUNCIL MEETING OF DECEMBER 3, 2003

Dear Mr. Clifford:

The City Council at a regular meeting held December 3, 2003 considered the Appeal filed by Show Media from the Denial by the Planning Commission of a request for a Special Use Permit FOR A 40-FOOT TALL, 14 FOOT BY 48 FOOT OFF-PREMISE ADVERTISING (BILLBOARD) SIGN located at 6122 West Sahara Avenue (APN:163-02-802-004), C-1 (Limited Commercial) Zone.

The City Council granted the Appeal; thereby APPROVING the Special Use Permit. The Notice of Final Action was filed with the Las Vegas City Clerk on December 4, 2003. This approval is subject to:

Planning and Development

1. Conformance to all minimum requirements and provisions under Title 19.14.100 for the off-premise advertising (billboard) sign use and all other applicable sign requirements.

2. The Special Use Permit shall be reviewed in two years, at which time the City Council may require the off-premise sign to be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the off-premise sign be removed.

3. Any required landscaping removed or displaced by erection of the off-premise sign shall be relocated or replanted to comply with the Landscape, Wall, and Buffer Standards and Title 19.12.

4. If the existing off-premise advertising (billboard) sign structure is removed, this Special Use Permit shall be expunged and a new off-premise sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City Council; or (2) the location is in compliance with all applicable standards of Title 19 including, but not limited to, distance separation requirements; or (3) a Variance to the applicable standards of Title 19 has been approved for the new structure by the City Council.

5. The off-premise advertising (billboard) sign and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the off-premise advertising (billboard) sign.

6. The off-premise advertising sign (billboard) supporting structure shall be redesigned to finish materials to complement the existing on-site building. The entire face-area of both sides of the off-premise advertising (billboard) sign shall be signage area or its border framework; none of the supporting structure shall be visible aside from the support pole.

7. All City Code requirements and design standards of all City departments must be satisfied.

Public Works

8. The proposed billboard shall not be located within public right-of-way, existing or proposed public sewer or drainage easements, or interfere with Site Visibility Restriction Zones.

RE: RQR-27071 – REQUIRED REVIEW
CITY COUNCIL MEETING OF MAY 21, 2008

Dear Mr. Greenwald:

The City Council at a regular meeting held May 21, 2008 APPROVED the Required Two-Year Review of an approved Special Use Permit (U-0237-94) FOR A 40-FOOT TALL, 14-FOOT X 48-FOOT OFF-PREMISE SIGN (BILLBOARD) at 4850 North Rancho Drive (APN 125-35-401-004), C-2 (General Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on May 22, 2008. This approval is subject to:

Planning & Development

1. Conformance to the Conditions of Approval for Special Use Permit U-0237-94.

2. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Advertising (Billboard) Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign is removed.

3. The property owner shall remove any existing graffiti from the Off-Premise Advertising (Billboard) Sign within 30 days of final approval by the City of Las Vegas. Failure to perform the required painting may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign. Thereafter, the sign its supporting structure shall be properly maintained and kept free of graffiti at all times.

4. If the existing Off-Premise Advertising (Billboard) Sign structure is removed, this Special Use Permit shall be expunged and a new Off-Premise Advertising (Billboard) Sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City of Las Vegas, or (2) the location is in compliance

RE: U-0237-94(2) - TWO YEAR REVIEW
CITY COUNCIL MEETING OF MARCH 6, 2002

Dear Mr. Greenwald:

The City Council at a regular meeting held March 6, 2002 APPROVED the Required Two Year Review on an approved Special Use Permit which allowed a 14 foot x 48 foot off-premise advertising (billboard) sign on property adjacent to the east side of Rancho Drive, north of Lone Mountain Road, (APN: 125-35-401-004), C-2 (General Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on March 7, 2002. This approval is subject to:

Planning and Development

1. The Special Use Permit shall be reviewed in two years at which time the City Council may require the off-premise sign to be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the off-premise advertising (billboard) sign is removed.

2. If the existing off-premise advertising sign structure is removed, this Special Use Permit shall be expunged and a new off-premise advertising sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City Council, or (2) the location is in compliance with all applicable standards of Title 19A including, but not limited to, distance separation requirements, or (3) a Variance to the applicable standards of Title 19A has been approved for the new structure by the City Council.

RE: RQR-27071 – REQUIRED REVIEW
CITY COUNCIL MEETING OF MAY 21, 2008

Dear Mr. Greenwald:

The City Council at a regular meeting held May 21, 2008 APPROVED the Required Two-Year Review of an approved Special Use Permit (U-0237-94) FOR A 40-FOOT TALL, 14-FOOT X 48-FOOT OFF-PREMISE SIGN (BILLBOARD) at 4850 North Rancho Drive (APN 125-35-401-004), C-2 (General Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on May 22, 2008. This approval is subject to:

Planning & Development

1. Conformance to the Conditions of Approval for Special Use Permit U-0237-94.

2. This Special Use Permit shall be reviewed in three (3) years at which time the City Council may require the Off-Premise Advertising (Billboard) Sign be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Advertising (Billboard) Sign is removed.

3. The property owner shall remove any existing graffiti from the Off-Premise Advertising (Billboard) Sign within 30 days of final approval by the City of Las Vegas. Failure to perform the required painting may result in fines and/or removal of the Off-Premise Advertising (Billboard) Sign. Thereafter, the sign its supporting structure shall be properly maintained and kept free of graffiti at all times.

4. If the existing Off-Premise Advertising (Billboard) Sign structure is removed, this Special Use Permit shall be expunged and a new Off-Premise Advertising (Billboard) Sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City of Las Vegas, or (2) the location is in compliance

RE: U-0237-94(2) - TWO YEAR REVIEW
CITY COUNCIL MEETING OF MARCH 6, 2002

Dear Mr. Greenwald:

The City Council at a regular meeting held March 6, 2002 APPROVED the Required Two Year Review on an approved Special Use Permit which allowed a 14 foot x 48 foot off-premise advertising (billboard) sign on property adjacent to the east side of Rancho Drive, north of Lone Mountain Road, (APN: 125-35-401-004), C-2 (General Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on March 7, 2002. This approval is subject to:

Planning and Development

1. The Special Use Permit shall be reviewed in two years at which time the City Council may require the off-premise sign to be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the off-premise advertising (billboard) sign is removed.

2. If the existing off-premise advertising sign structure is removed, this Special Use Permit shall be expunged and a new off-premise advertising sign structure shall not be erected in the same location unless: (1) a new Special Use Permit is approved for the new structure by the City Council, or (2) the location is in compliance with all applicable standards of Title 19A including, but not limited to, distance separation requirements, or (3) a Variance to the applicable standards of Title 19A has been approved for the new structure by the City Council.

RE: U-237-94(1) - REQUIRED FIVE YEAR REVIEW

Dear Mr. Greenwald:

The City Council at a regular meeting held January 5, 2000 considered the Appeal filed by YESCO from the Denial by the Planning Commission of a request by Martin Greenwald on behalf of YESCO for a Required Five Year Review on an approved Special Use Permit on property located adjacent to the east side of Rancho Drive, north of Lone Mountain Road which allowed a 14 foot x 48 foot off-premise advertising (billboard) sign, C-2 (General Commercial) Zone, Ward 4 (Brown) [new Ward 6 (Mack)], APN: 125-35-401-004.

The City Council granted the Appeal; thereby APPROVING the Required Five Year Review. The Notice of Final Action was filed with the Las Vegas City Clerk on January 6, 2000. This approval is subject to:

1. This Special Use Permit shall be reviewed in two (2) years at which time the City Council may require the off-premise sign (Billboard) to be removed.

2. If this Special Use Permit is not exercised within one (1) year after the approval, this Special Use Permit shall be void unless an Extension of Time has been granted.

3. All City Code requirements and all City departments' design standards shall be met.

Sincerely,

BARBARA JO RONEMUS

Re: Vacation & Abandonment
138-07-201-001 & 002

To Whom It May Concern,

Please let this letter serve as justification for a vacation and abandonment of the Gilmore Ave. right-of-way, and government patent easements along the boundaries of the above referenced APN's.

Gilmore Avenue improvements currently end at Hualapai. Gilmore will never continue east of the above mentioned parcels due to an existing regional park and existing drainage detention basin. Therefore, the Gilmore right-of-way is not needed to perpetuate the street.

The government patent easements are also no longer needed as all the required street alignments and improvements are already in place.

Any drainage and/or utility easements required as a result of these vacations will be retained.

The approval of this application will not have a negative effect on the environment or surrounding areas. Should you have any questions, please do not hesitate to contact me.

Sincerely,
Baughman & Turner, Inc.

David Turner

RE: Symphony Park (Parcels M1, M2, & M3) Justification Letter
(APN #'s 139-33-511-009, 139-33-511-010, 139-34-211-001)

Dear Planning,

City Parkway V, Inc. and the Symphony Park Master Association, Inc. propose to develop a park within the Symphony Park Development. The site for the park is comprised of three parcels (M1, M2, & M3) located on 2.18 acres of vacant land between Symphony Park Avenue at the intersections of Promenade Place. The M3 parcel is immediately north of the Smith Center for the Performing Arts, which is currently under construction, and the two adjacent parcels (M1 & M2) are to the west. The park will provide an immediate aesthetic complement to the development and is being designed to harmoniously connect these three adjoining parcels.

The Park improvements will include planting, irrigation, decorative hardscape, concessions building with restrooms (pending budget approval), back-stage building (pending budget approval), shade structures (pending budget approval), and multiple opportunities for art and sculpture. A portion of the park is being programmed and designed to accommodate outdoor performances with the required infrastructure included. No on-site parking or vehicular access is planned other than the designated public right-of-way. In accordance with the Symphony Park Master Plan, parking will be accommodated through existing and proposed structures and surface lots off-site.

This project, being within the Symphony Park Development is part of the USGBC's LEED ND pilot program – which is the only such project in the State of Nevada, and will therefore utilize sustainable elements and design techniques throughout. The Park is designed to achieve LEED certification for New Construction. Both the Food and Beverage and Backstage buildings will be designed to meet the certified level for LEED-NC. As part of this effort, the site will reduce storm water runoff from pre-development conditions, and utilize xeriscape design principles for the landscape material, including water efficient plantings, and limiting turf areas to only usable space appropriate for a park. A water efficient irrigation system will be used for landscaping and water efficient fixtures will be used in building interiors to achieve an overall project water use reduction. Energy efficiency and ventilation

effectiveness will be achieved through selection of equipment, efficient lighting, and building envelope design. High recycled content, low VOC, and local materials will be used for building construction. Provisions will be made for recycling construction waste and for recycling waste generated from facility use during occupancy. As the site is located on a Brownfield site with soil contamination, vapor mitigation combined with soil remediation or deep foundations will be used.

The M1 parcel consists of existing utility infrastructure, proposed Symphony Park development entry statement sign for the master development, and a drop off/pickup zone in the public right-of-way. An encroachment agreement will be required for the proposed private landscaping located at the northeast and southeast corners of the parcel M1 in public right-of-way. The proposed uses conform to the current zoning designation.

The M2 parcel consists of existing utility infrastructure, a proposed overhead canopy, seat walls and landscaping. The proposed uses conform to the current zoning designation.

The M3 parcel site plan consists of a 4,900 s.f. food & beverage building and restrooms with an adjacent overhead shade canopy (pending budget approval), and natural stone paved pedestrian access and circulation areas on the western portion of the parcel. The eastern portion consists of a covered stage with a 1,500 s.f. attached building (pending budget approval) for the back of the house functions. Connecting the east and west portions will be a turf play area and amphitheater with seat walls surrounded by decorative concrete paved sidewalks and landscaping. The proposed uses conform to the current zoning designation.

Per discussions with City staff (Dennis Moyer – Land Development) to expedite the permitting process, CLV will allow civil improvement plans to be reviewed by Land Development after preliminary drainage review and pending approval. No permits shall be issued until Conditions of Approval from the City Council meeting are met.

The project will comply with all conditions and comments from the Symphony Park Design Review Committee.

This review is for the park only. All architectural components, will be reviewed administratively at a future date.

Re: Zone Change and Site Development Plan Review
APN: 139-34-710-029

To whom it may concern:

The purpose of this letter is a request a Zone Change and Site Development Plan Review for the property located at 424 South 7th Street in Las Vegas, Nevada 89101.

Architectural plans depict 25 covered parking stalls with adjacent landscaping. The applicant's intention is to install surface parking and lease the spaces to the adjacent land owner to support their proposed law office project. In order to develop the site as a satellite parking lot, the parcel will need to be re-zoned from R-3 to C-1. The rezone is consistent with development in the downtown area, as every other parcel on this block has already been re-zoned to C-1.

The applicant has structured a lease agreement with the property owner at 400 S. 7th Street. The lease has a ten year term, with a 9 year option, and first right of refusal to purchase the property.

A driveway entrance will be provided from both 7th Street and the Alley. A waiver of standard is requested for the driveway entrance from 7th Street as shown on the site plan. Please refer to the attached site plan.

Required landscaping, conforming to Title 19, will be provided on the property, and is shown on the landscape plan. A landscape buffer of 8'-0" is provided along the property line to the south where the new development is adjacent to a less intensive use. A waiver for the front landscape setback along 7th Street is requested to allow 13' where 15' is required. Please refer to the attached landscape plan.

We appreciate your assistance in moving forward with these modifications to the previously approved project.

Sincerely,

Scott L. Brown, NCARB

1.0 INTRODUCTION

1.1 Overview

Located at the southeast corner of Rampart Boulevard and Alta Drive, Las Vegas Renaissance ("Renaissance"), a 23.40 acre parcel, was previously a portion of a larger Boca Park Phase III parcel, which was approximately 41.53 acres. The current built out portion of Boca Park Phase III is approximately 18.13 acres.

Renaissance is an enclosed structure that will be developed and operated in conjunction with the adjacent portions of Boca Park together as integral shopping center parts and connect to the adjacent Tivoli Village's outdoor mixed use development via a pedestrian bridge across Alta Drive.

Renaissance will have three large box retail anchors with numerous in-line smaller retailers, some service providers and some food and beverage outlets. Its "renaissance" architecture will be complemented and highlighted by the expansive glass longitudinal and domed atriums that will adorn pedestrian corridors and central juncture points, respectively.

The intent of the enclosed structure concept is to integrate with and complement the existing Boca Park and Tivoli stores and connect all adjacent venues in the area as a synergistic "center of trade".

1.2 Objective

The following Site Plan and Development Standards have been established as the general guideline for Renaissance's development and design.

1.3 City of Las Vegas Requirements

Compliance with City of Las Vegas requirements will be reflected in the conditions of approval prepared by City Staff and approved by City Planning Commission and City Council.

1.4 Parcel Map

The subject property is a legal parcel and is being separated out of the Peccole Town Center commercial subdivision map by virtue of a Parcel Map that has been submitted to the City of Las Vegas March 24, 2011.

2.0 SITE PLAN

2.1 Intent

To provide an enclosed commercial environment that compliments the existing adjacent Boca Park and Tivoli outdoor commercial centers and a residential component all in a site configuration that accommodates strong vehicular and pedestrian connectivity.

RECEIVED
MAR 28 2011

2.2 Component Overview

The Site Plan shows three major structures:

- An enclosed structure of approximately 775,000 square feet on 2-levels, with one of the retail anchors being 3 levels. Below approximately one-half of this enclosed structure, along its west and north portions, lies an underground parking complex.
- A 5-level parking structure between the existing former Great Indoors building and the subject property's easterly boundary.
- A 4-level multi-family residential structure over two levels of parking that lies between the south end of the 5-level parking structure and the subject property's southerly property line. This component will comprise of 80-100 dwelling units. The exact number will be determined based on a mix of unit types which will be determined through the final construction drawings and final market analysis phases which will also determine whether this offering will be a for sale or rental offering. This residential component will offer its residents, many of whom are anticipated will be either employed at or want the convenience of residing in close proximity to a multitude of Boca Park, Renaissance or Tivoli and thus be able to conveniently walk next door to work and to the offerings of these commercial centers.

2.3 Land Use

2.3.1 Renaissance, a planned development (PD), will allow all C1 uses, subject to Developer's approval, and the aforementioned small residential component. Furthermore, this PD will allow taverns which may include tavern applications which require exceptions to normal tavern separations.

2.3.2 Permitted Uses:

2.3.2.1 Multi-Family at 4.27 units per gross acre/62.1 units per net acre or a total number of 100 units

2.3.2.2 Commercial Uses per the C-1 (Limited Commercial) Zoning District as found in the City of Las Vegas Zoning Code except as amended below. Movie and live theaters this will be a permitted use. Also an event center to host catered events will be a permitted use.

2.3.2.2.i Taverns shall be permitted by means of a Special Use Permit. Pursuant to its general authority to regulate the sale of alcoholic beverages, the City Council declares that the public health, safety and general welfare of the City of Las Vegas are best promoted and protected by requiring that:

a. No tavern shall be located within 400 feet of any church, synagogue, school, child care facility licensed for more than twelve children or city park. A waiver of this distance separation maybe sought as part of a Special Use Permit application.

RECEIVED
MAR 28 2011

b. Uses licensed as taverns or other comparable establishments, shall have no specific spacing requirements between similar uses. However, the Las Vegas City Council may consider the concentration and spacing of such uses as part of its deliberation and approval of any requests for such establishments.

c. The distances referred to in paragraphs a. and b. shall be measured in a straight line from the property line of the church, synagogue, school, child care facility or from the nearest property line of a city park to the property line of the proposed liquor premises, and in a straight line from the property line of the proposed tavern to the property line of any existing tavern or comparable establishment, disregarding all intervening obstacles.

d. All businesses which sell alcoholic beverages shall conform to the provisions of LVMC 6.50.

2.4 Building Setbacks

Building setbacks will be as reflected in the Site Plan.

2.5 Connectivity

2.5.1 Design: As a result of both controlling the three corners of this intersection and working with Boyd Gaming, owner of the Suncoast property located at this intersection's northwest corner, it is planned that these combined properties will incorporate some visual consistencies in terms of landscaping, art, walls, and signage making the "whole greater than the sum of its parts".

2.5.2 Pedestrian: The connectivity between Renaissance and the adjacent center Tivoli, with a pedestrian bridge across Alta, will provide convenient pedestrian access all the way from Angel Park Golf Course and Tivoli's north end to and through Renaissance into the existing Boca Park restaurants and shops area. Further, the Suncoast is planning to provide a more pedestrian friendly corridor from its building through its parking lot so as to make it more comfortable for pedestrians to access between the properties. All this pedestrian connectivity will significantly reduce vehicular impacts on adjacent roadways. This pedestrian connectivity will also occur from/to some of the nearby neighborhoods as a result of the new city trail at the north end of Tivoli.

2.5.3 Vehicular: The on-site vehicular connectivity between Boca Park and Renaissance and Tivoli will further serve to reduce the traffic impact on adjacent streets and on the farther removed roadways as patrons will be able to do much more "one stop shopping" between these three properties thereby eliminating the need to drive to numerous locations to accomplish their shopping, dining, service, office and entertainment related needs. This area will become a major destination

RECEIVED
MAR 28 2011

and destinations are known to produce significantly reduced traffic generation than the more "singular" point of service strip/neighborhood centers and general commercial centers.

2.6 Traffic

2.6.1 Traffic Study: The Traffic Study will address traffic flows.

2.6.2 Existing Alta right-in/right-out: The parcel currently has access from Alta via a right-in/right-out entry/exit only. This access will move approximately 100 yards to the east to a full lighted intersection thereby enjoying not only right-in/right-out but left-in/left-out as well substantially increasing the number of vehicles that will have access from Alta to the existing Boca Park shops, restaurants, and parking structure. The additional turning movements provided by the relocated entry/exit will enhance accessibility for the existing Boca Park property and the existing Boca Park parking structure. Furthermore, the new parking garage to be located east of the existing Boca Park parking structure will provide additional parking opportunities for the existing Boca Park businesses.

2.6.3 CC&R's The Boca Park III CC&R's provide for cross easements for parking and access.

2.6.4 Project Accesses: Will be from and through Boca Park, from the Alta lighted intersection, a right entry from Alta and a right entry from Rampart into the parking structure as well as from Rampart at the existing driveway located at the property's northwest corner.

2.7 Site Plan flexibility

2.7.1 Site Plan Modifications: The approval of this site plan needs to recognize and define that during the further design development, construction drawings and leasing phases some minor modifications to this conceptual site plan will be required to accommodate various architectural and operational aspects and tenant's requirements. Such changes will be subject to Title 19.06.050.G.1 Minor Modifications.

2.7.2 Retail Anchor Relocation and Related Square Footage Increase: The site plan's approval will allow the flexibility of the southerly retail anchor building to increase from 2 to 3 levels and the easterly retail anchor building to decrease from 3 to 2 levels. If this occurs, the total square footage will increase by approximately 15,000 square feet due to the difference in the third level floor plate size at these two locations. Such changes will be subject to Title 19.06.050.G.1 Minor Modifications.

RECEIVED
MAR 28 2011

2.7.3 Building Heights: As the elevations and construction drawings are further developed and as pre-leasing of tenants progresses, the site plan's approval of

building heights, because of tenant's floor-to-floor requirements, will need to reflect the flexibility to be able to increase building heights by up to approximately 10'._Such changes will be subject to Title 19.06.050.G.1 Minor Modifications.

2.7.4 Parking: While the statistical Site Information reflects parking provided/required numbers the Developer will work with the City to come up with an appropriate lower parking count, recognizing that:

- A structure with large anchors will have a lower parking need than a shopping center without large anchors.
- Valet will be provided; its stacking mitigates the need for a large percentage of parking.
- The synergies between Boca, Tivoli, Suncoast and Renaissance.
- The Boca Park III CC&R's provide for parking cross easements allowing the convenience of shared parking within the shopping center.
- Mixed Use Development alternative Parking Requirement (19.10.010(H)) will be used to determine parking, or as appropriate by variance therefrom as may be requested and approved by the City of Las Vegas.

2.8 Buffer Zone

The northeast portion of the subject property, where it backs up to Tuscany Hills II subdivision, is subject to a 125' Buffer Zone; and, a 60' setback therefrom for any building structure. The 125' Buffer Zone shall be landscaped pursuant to the approved landscape plan.

There will be no building that will encroach within 15' of the existing parking structure (garage) on Boca Park III.

2.9 Landscape Setback

The easterly property line that backs up to West Mesa Estates I subdivision will have a 15' landscape setback. The 15' landscape setback shall be landscaped pursuant to the approved landscape plan.

2.10 Site Coverage

Maximum 65%.

3.0 SITE ELEMENTS

3.1 Grading

Site grading shall be pursuant to City of Las Vegas approved Civil Engineering drawings.

3.2 Drainage

Site drainage shall be pursuant to City of Las Vegas approved drainage study.

RECEIVED
MAR 28 2011

3.3 Las Vegas Valley Water District 50' Easement Inside The Property's Westerly Boundary:

Las Vegas Valley Water District will need to relocate their pipe that is located within this easement and abandon this easement.

3.4 Landscaping

Addressed in 6.0 below.

3.5 Mechanical

Due to the higher height of surrounding buildings, namely One Queensridge Place, Suncoast and some Tivoli buildings, they will look down on to Renaissance roofs and thus roof mechanical will be visible therefrom. However all mechanical equipment shall be screened from other surrounding properties as viewed from ground level.

4.0 ARCHITECTURE

4.1 Objective

The objective is to develop an enclosed retail center with value-apparent design that is unique and distinctive and yet complimentary to adjacent properties. Its distinctive finishes will incorporate art and architecture in an "old world meets new world" style.

4.2 Architectural Character

The detail of exterior elevations – articulations, colors, textures and reliefs, as can be seen in the conceptual elevations, will predominantly reflect "renaissance" style architecture with special attention to massing, particularly those facing the streets.

The enclosed structure's pedestrian corridors will be canopied with expansive longitudinal glass atriums and at the corridors' junctures these canopies will be large domed glass atriums.

4.3 Building Form and Mass

The exterior elevations of the large retail anchors will be predominant with the one located at the Rampart and Alta corner taking on the look and feel of the front of a large civic building/structure. The other two large retail anchors' exterior elevations will be flat with some relief elements to break up their massing as reflected in the elevations. The exterior elevations of the structure's in-line stores will provide more intricate detail and elements than the large retail anchor facades with some horizontal reliefs and shadow-lines.

The elevations of the multi-family structure will have a residential look and feel with balconies and smaller scale of windows and reliefs in comparison to the commercial structure.

4.4 Building Heights

RECEIVED
MAR 28 2011

The 2-story portions of the structure will not exceed 60 feet tall with the 3-story retail anchor not exceeding 85 feet tall. Rising from the roof line will be the glass atriums as well as other roof line reveals and reliefs not to exceed 50', and parapets not to exceed 20' and other structures to help access roof top mechanical.

Near the Rampart and Alta intersection, as part of the buildings structure will be a large tower that will serve as a focal point from a distance and serve as a "point of arrival". This tower will be similar to that found in European villages at or near their village center. This tower will not exceed 150'.

Building heights will be as reflected in the site plan and the PD is to allow the flexibility of up to 10' of increased height so as to accommodate higher floor to floor requirements of tenants as Developer goes through the leasing process and/or to accommodate design as the design development process and construction drawings are developed and completed. Such changes will be subject to Title 19.06.050.G.1 Minor Modifications.

The parking structure height will be maximum 50 feet, a portion of this structure will be slightly subterranean and its easterly elevation partially relieved with landscaping.

The multi-family residential building's height will be maximum 85 feet.

The not to exceed heights of the parking structure and multi-family, as stated above, will need to provide approximately 10' of flexibility as their exact height cannot be determined until civil engineering, design development and construction drawings are finalized. Such changes will be subject to Title 19.06.050.G.1 Minor Modifications.

4.5 Materials

Materials are illustrated in the elevations. They shall include a combination of various stone finishes and painted stucco applied in a manner which conforms to the intended architectural and design style.

4.6 Roof Form

The structure's roof will be flat with arched and domed atriums and other roof adornments projecting therefrom. The multi-family building's roof will be either flat with parapets and some roof reliefs or pitched. The parking structure's roof will be its 5th level utilized for parking.

4.7 Color

Colors will be of similar palette found in :renaissance" and "baroque" architecture, typically a combination of brighter colors, pastels and earth tones found in the stone, all similar to what can be seen at Tivoli Village.

4.8 Exterior Spaces

Because of the nature of an enclosed structure which is inwardly oriented, the exterior spaces are largely confined to perimeter landscaping, vehicular circulation, and the 125' Buffer Zone along a portion of the property's easterly boundary, all addressed elsewhere herein. The prominence of the building elevations from the perimeter exterior roadways and on-site interior roadways will be the significant visual element and will therefore unify the architecture and architectural details together complimented with the landscaping.

The loading dock areas provide a vital role in the structure's operations, so the dock locations have been optimized for the operations functions with due consideration of the site's constraints.

5.0 LIGHTING

5.1 Purpose

Lighting will be installed that provides functionality; sufficient lighting for safety purposes and that accentuates the architectural aspects of the buildings' and landscaping.

5.2 Illumination Criteria

The City of Las Vegas requirements shall be followed.

5.3 Parking Lot Lighting

All fixtures shall be glare shielded.

6.0 LANDSCAPING

6.1 Landscape Concept and Design

For purposes of symmetry and continuity, the landscape theme will be similar to adjacent north and south properties. It will provide a wide range and variety of plantings that will provide a varying color palette and vertical compliment and relief to the building exteriors. This landscaping will be provided along all external and internal streets.

6.2 Buffer Zone and Landscape Setback

As discussed in Site Plan, 2.8 and 2.9 above.

6.3 Plant Material:

Will be a combination of trees and shrubs to provide both a variety of vertical complement to the architecture and a variety of color as the seasons change. Selections will be those that reinforce the "renaissance" architecture.

6.3 City of Las Vegas Requirements

The landscaping will exceed the City's minimum requirements.

MAR 28 2011

7.0 SIGN CRITERIA

7.1 Purpose

The purpose shall be for merchandising as well as to add additional color, design and architectural aspects to the site and building structures.

7.2 Signage Elements

Some signage will be applied to the actual building structures; other signage will be located on freestanding signage panels and signage towers. Signage towers, with the exception of the Renaissance signature tower element, which will be taller as discussed in 4.4, will not exceed the height of maximum 70'. Perimeter signage will be a combination of fixed signage, reader-boards, and large display screens.

7.3 City of Las Vegas Requirements

The Site Plan's approval will be subject to the future City's approval of Master Sign Plan. The Master Sign Plan will be prepared and submitted to the City prior to the application/installation of any signage.

8.0 CC&R'S

The site is subject to CC&R's dated January 31, 2001, recorded February 12, 2001, attached as Exhibit #1.

GRANT OF RECIPROCAL EASEMENTS AND DECLARATION OF COVENANTS

THIS GRANT OF RECIPROCAL EASEMENTS AND DECLARATION OF COVENANTS ("Declaration") is made to be effective as of January 31, 2001, by Charleston Associates, LLC, a Delaware limited liability company ("Declarant").

RECITALS

A. Declarant is the Owner (as defined below) of all that real property located in the City of Las Vegas, County of Clark, State of Nevada, described in Exhibit A attached hereto and incorporated herein.

B. Declarant intends that the Parcels (as defined below) and buildings be developed and operated in conjunction with each other as integral parts of a shopping center under a general plan and scheme of improvement for the benefit of all of the property and the future owners thereof.

NOW, THEREFORE, Declarant hereby declares that all of the property described in Exhibit A shall be held, sold, conveyed, hypothecated, encumbered, leased, rented, used, occupied and improved subject to the following easements, restrictions, covenants and conditions, which are for the purpose of protecting the value and desirability of, and which shall run with, the above described real property and be binding on all parties having any right, title or interest in the described property or any part thereof, their heirs, successors and assigns, and which shall inure to the benefit of each Owner thereof.

SECTION 1
DEFINITIONS

Each reference in this Declaration to any of the following terms shall mean:

1.1 ADJACENT CENTER

Those parcels of real property described on Exhibit C attached hereto and incorporated herein.

1.2 ANCHOR USER

Any retail Occupant in the Shopping Center occupying more than Twenty Five Thousand (25,000) square feet of leasable area or as otherwise specifically designated by Declarant from time to time.

RECEIVED
MAR 28 2011

1.3 BUILDING AREA

Those areas shown on the Site Plan to be utilized for construction of buildings and related drive-thru facilities and improvements intended for use by Occupants; provided, however, that the areas for buildings and improvements may change from the building areas shown on the Site Plan, so long as such change is approved in advance by Declarant and the parking and access between Parcels, the Common Area, the Adjacent Center and Shopping Center are not materially and adversely affected. Once the buildings to be constructed on each Parcel are complete, the Building Area shall be the areas of the Parcel on which the respective buildings and related drive-thru facilities actually sit.

1.4 COMMON AREA

All portions of the Shopping Center other than the Building Areas. Without limiting the generality of the foregoing, the Common Area shall include all parking fields and multi-level parking facilities ("Parking Structures"). The designation of any portion of a Parcel as Common Area shall not prohibit the subsequent development thereon of a building so long as all requirements of this Declaration are complied with in connection with such development.

1.5 DECLARANT

Charleston Associates, LLC, a Delaware limited liability company, its successors and assigns, if such successors and assigns should acquire all or substantially all of the then Declarant's property in the Shopping Center and such successors or assigns assume the obligations of Declarant hereunder.

1.6 OCCUPANT

Any Person or Persons from time to time entitled to the use and occupancy of any portion of the Shopping Center through ownership, lease or exclusive license thereof.

1.7 OWNER

Each of the Persons owning the fee interest in a Parcel, or any portion thereof. Declarant shall be deemed an Owner with respect to each Parcel it owns, if any.

1.8 PARCEL

Any separate lot within the Shopping Center created in accordance with Nevada law. Initially, the Shopping Center will consist of one (1) Parcel, owned by Declarant.

1.9 PERSON OR PERSONS

Individuals, partnerships, firms, associations, corporations, trusts, governmental agencies, administrative tribunals, or any other forms of business or legal entity.

1.10 SHOPPING CENTER

All of the real property described on Exhibit A attached hereto and incorporated herein.

RECEIVED
MAR 28 2011

1.11 SITE PLAN

The site plan attached hereto as Exhibit B and incorporated herein, provided, however, that the areas for buildings and improvements as shown on the Site Plan may change, and upon completion of the Shopping Center Declarant may record a new site plan as an amendment hereto.

1.12 THE GREAT INDOORS

Sears, Roebuck and Co., a New York corporation, doing business as "The Great Indoors".

SECTION 2
GRANT OF RECIPROCAL EASEMENTS

2.1 COMMON AREA EASEMENTS

The Common Area on each Parcel shall be used only for the following purposes related to the businesses and activities conducted in the Shopping Center:

(a) *Ingress and Egress.* Ingress and egress by vehicles and pedestrians.

(b) *Parking.* Parking of motor vehicles in designated parking places within the Shopping Center; provided, however, that Declarant may require that employee's of Occupants park in designated areas and Declarant may restrict portions of the parking areas for use for valet parking for the buildings designated on the Site Plan as "Retail 1", "Retail 2" and "Retail 3".

(c) *Public Utilities.* Installation, maintenance and operation of public utilities and services for the Shopping Center, the Adjacent Center, Common Area and/or Building Areas, including, without limitation, vaults, manholes, meters, pipelines, valves, hydrants, sprinkler controls, conduits, sewage facilities and all other utility-related facilities, all of which shall whenever and wherever reasonably feasible be located below the surface of the Common Area, or the surface of any other above ground improvements located thereon; provided, however, that in any event, (i) all of the foregoing permitted public utilities and installations which are located above the surface of the Common Area shall be placed so as not to interfere with, restrict, or impede other uses of Common Area or Building Area provided for herein, and (ii) no such public utilities and installations which must be located above the surface of the Common Area shall be placed upon any Parcel without the prior written consent of the Declarant.

(d) *Comfort and Convenience.* Subject to the requirements of the Architectural Guidelines (as defined in Section 3.8 below), comfort and convenience of Occupants by installation of those minor convenience facilities, such as lighting, landscaping, mailboxes, public telephones and benches, which Declarant may from time to time deem appropriate to construct or permit to be constructed; provided, however, that no such minor convenience facilities shall interfere with, restrict or impede other uses of the Shopping Center, the Adjacent Center, Common Area or the Building Area provided for herein and such facilities shall be maintained in a first class manner by the Owner of the Parcel on which they were installed.

(e) *Temporary Construction Activities.* Construction, maintenance, repair, replacement, rearrangement and remodeling of buildings and improvements within Building Areas and of landscaping, pedestrian walkways and other improvements in the Common Area not substantially affecting or changing the Common Area except as permitted or required herein. All such work shall be conducted in the most expeditious manner reasonably possible to minimize the interference with the use of the Common Area and

RECEIVED MAR 28 2011

the business operations of the Owners and Occupants within the Shopping Center. All such work shall be diligently prosecuted to completion. The Common Area may be utilized for ingress and egress of vehicles transporting construction materials and equipment and persons employed in connection with any work provided for herein and temporary storage of materials being utilized in connection with such construction, subject to all of the other terms of this Section 2.1(e) and this Declaration, provided no material, equipment or temporary storage facilities may be located upon the Common Area of any Parcel without the express written consent of such Parcel's Owner and Declarant.

(f) *Service and Delivery Vehicles.* Ingress, egress, and temporary parking of delivery and service vehicles for the delivery of goods, wares, merchandise, furniture, fixtures, supplies and equipment, and the rendition of services to any Occupant in the loading areas at the rear of each Building Area; provided, however, that deliveries may be made at the front of Building Areas for security purposes (such as deliveries or pick-ups made by armored vehicles) and for those buildings without service access in the rear of the building, as depicted on the Site Plan.

(g) *Pylon and Monument Signs.* The construction, repair, maintenance and replacement of (i) pylon signs identifying Occupants in the Shopping Center, and (ii) monument signs either identifying Occupants in the Shopping Center or providing directions, or both, which signs Declarant may, in its sole discretion, construct and operate within the Common Area.

2.2 CREATION OF EASEMENTS AND EQUITABLE SERVITUDES

Subject to the restrictions provided for elsewhere in this Declaration, there are hereby created non-exclusive easements and equitable servitudes, appurtenant to and for the benefit of each Parcel and the Shopping Center, over, across, in, under and through the Common Area for the uses and purposes set forth in Section 2.1. There are hereby also further created non-exclusive easements and equitable servitudes for the benefit of each Parcel and the Shopping Center for ingress, egress and access to the Common Area located over, along and under the Common Area for the purpose of effectuating any necessary repairs, maintenance and replacement of the Common Area located on the Parcels as provided herein.

2.3 NO WALLS, FENCES OR BARRIERS

No walls, fences or barriers of any sort or kind shall be constructed or erected in the Shopping Center, or any portion thereof, which shall prevent or impair the use or exercise of any of the easements granted herein, or the free access and movement of Occupants, including without limitation, pedestrians and vehicular traffic between the various Parcels and between, within and throughout the Shopping Center, the Parcels and the Adjacent Center; provided, however, curb stops and other reasonable traffic controls, including, without limitation, stop signs, directional barriers and parking stops, as may be necessary to guide and control the orderly flow of traffic consistent with the Site Plan, may be installed by an Owner on its Parcel with the prior written consent of Declarant to the extent such controls do not materially adversely affect any other Parcel or Owner, or any Occupant of the Shopping Center. Notwithstanding the foregoing, an Owner or Occupant may install temporary traffic controls in the event of an emergency condition.

2.4 CREATION OF EASEMENTS FOR THE ADJACENT CENTER

Subject to the restrictions provided elsewhere in this Declaration, there are hereby created, for the benefit of the Adjacent Center and the occupants thereof, and such occupants' Permittees (as defined below), a non-exclusive easement for the passage of vehicles over and across the driveway areas of the Shopping Center, as the same may from time to time be constructed and maintained for such use, and for the passage and

RECEIVED
MAR 28 2011

accommodation of pedestrians over and across the parking, driveways and sidewalk areas of the Shopping Center, as the same may from time to time be constructed and maintained for such use.

2.5 RESTRICTIONS AND RESERVATIONS

All easement rights granted in this Declaration shall be subject to the following reservations as well as any other provisions contained in this Declaration:

(a) Each Owner further reserves the right to close off the portion of the Common Area owned by such Owner for a reasonable period of time as may be legally necessary, in the opinion of such Owner's counsel, to prevent the acquisition of prescriptive rights by anyone; provided, however, that prior to closing off any portion of the Common Area, as herein provided, such Owner shall give written notice to Declarant and the other Owners of its intention to do so, and shall attempt to coordinate such closing with the other Owners so that no unreasonable interference in the passage of pedestrians or vehicles shall occur; and

(b) Each Owner reserves the right at any time and from time to time to exclude and restrain any Person who is not a Permittee from using the Common Area owned by such Owner. As used herein, a "Permittee" shall mean all Occupants of the Shopping Center and Adjacent Center and the officers, directors, employees, agents, contractors, vendors, suppliers, visitors, invitees, licensees, subtenants, and concessionaires of such Occupants insofar as their activities relate to the intended development, use and occupancy of the Shopping Center and Adjacent Center. Persons engaged in civic, public or political activities within the Shopping Center (including without limitation, (i) distributing handbills, booklets or circulars, (ii) exhibiting any signs, placards or notices, (iii) picketing, parading or demonstrating, and (iv) failing to follow the regulations established by the Declarant for use of the Common Area) shall not be considered Permittees.

SECTION 3
CONSTRUCTION AND DEVELOPMENT

3.1. UTILITIES

(a) Any work performed by a Person to connect to, repair, relocate, maintain or install any storm drain, utility-line, sewer, water-line, gas-line, telephone conduits or any other public utility service shall be subject to all conditions of this Declaration and in addition shall be performed without interference with the provision of such services to any other Occupant or Person. Any work of installation, alteration, replacement or repair of utility installations which requires interference with the paving in the parking lots or driveways in the Common Area shall be undertaken with particular care so as to minimize the impact upon traffic circulation within the Common Area and access to the various business establishments in the Shopping Center.

(b) The Shopping Center contains master water meters and it is from these master water meters only that the local water district conducts its readings for the basis of its periodic billing for water consumption. As of the date hereof, the master water meters are maintained in the name of Declarant, who shall be billed directly by the local water district for the Shopping Center's consumption. Therefore, each Parcel Owner, and upon request by Declarant, any Occupant, shall install a separate sub-meter (or check meter) from the applicable master water meter, at such Parcel Owner's or Occupant's expense. Declarant, or its designated successor in interest, may bill each Parcel Owner or, in Declarant's sole discretion, each Occupant, for its actual water consumption during such period, plus an administrative fee of ten percent (10%). The owner of each Parcel agrees to pay or cause to be paid the water bills attributable to its use upon

RECEIVED
MAR 28 2011

demand. Such charges shall be in addition to, and not a part of, the Common Area Maintenance Cost (as defined below).

3.2 EMINENT DOMAIN

Should any portion of the Shopping Center be taken for any public or quasi-public use by any lawful power or authority by the right of condemnation or of eminent domain or by agreement between any Owner and those having the authority to exercise such right ("Taking"), then after such Taking the Owner of the Parcel that is the subject of the Taking shall restore the Parcel as completely as reasonably possible to its condition before the Taking. After and as a result of such restoration, such Owner or party shall use reasonable efforts to ensure that reasonable access exists between Parcels, the Adjacent Center and the Shopping Center and that driveways, entryways and parking areas are configured to allow the free flow of pedestrian and vehicular traffic into, out of and through the Parcels, the Adjacent Center and Shopping Center.

3.3 MAINTENANCE OF PARCELS BY OWNERS AND OCCUPANTS

Each Owner shall maintain the Building Area on its Parcel, and all improvements on such Building Area, in a first-class manner so that such Building Area shall be in a good and clean condition and repair.

3.4 INTENTIONALLY OMITTED

3.5 SELF-HELP

Should any Owner fail to take any action as required by Sections 3.3, 3.10 or 5.3(i or ii) hereof to be taken by it, then such party shall be in default and Declarant or any non-defaulting Owner may take such reasonable action on behalf of the defaulting Owner after giving the Owner of such Parcel and Declarant thirty (30) days initial written notice of the non-defaulting party's intent to do so and a second written notice of such intent no less than five (5) days prior to taking said action. At any time within such notice periods, Declarant may, but shall have no obligation to, notify such non-defaulting Owner that Declarant will take such reasonable action as to cure the default of the defaulting Owner, in which case the non-defaulting Owner shall take no action. Any such work shall be in a first-class and good and workmanlike manner. The defaulting Owner shall reimburse the Declarant or non-defaulting Owner for all reasonable sums so paid and for all reasonable costs and expenses incurred by Declarant or the non-defaulting Owner in connection with the performance of any such act, plus a fee equal to ten percent (10%) of all such costs and expenses incurred. If the defaulting Owner begins to undertake the required action within such thirty (30) day period and diligently pursues such action to completion, then the default shall be cured and Declarant or the non-defaulting Owner shall take no action.

3.6 REPAYMENT

Any reasonable sums actually paid and all reasonable costs and expenses actually incurred by Declarant or a non-defaulting Owner pursuant to Section 3.5 above on behalf of the defaulting Owner shall be due and payable by and upon written demand given to the Owner of such Parcel, together with invoices for work performed in connection therewith and reasonable evidence of the payment of the same, and unconditional lien releases from all Persons who performed such work. All sums due shall not bear interest if paid within thirty (30) days of the date such demand is made, but all sums not paid on or before thirty (30) days from such demand shall bear interest at ten percent (10%) per annum in excess of the Prime Rate from the date when due until paid. The term "Prime Rate" shall mean the rate (or the average of rates, if more

RECEIVED
MAR 28 2011

than one rate appears) from time to time inserted in the blank of the "Money Rate" section of the Wall Street Journal (National Edition) in the section reading "Prime Rate". All payments on account shall be applied first to interest then to principal first due.

3.7 LIEN

All sums owed pursuant to the terms of this Declaration and not paid within the time periods as required hereby shall be a lien on the Parcel of the defaulting Owner. The Declarant or Owner that completed work on the defaulting Owner's Parcel may bring an action at law or in equity against such defaulting Owner obligated to pay the same, or foreclose the lien against the Parcel owned by such defaulting Owner. The provisions of Sections 116.3116 to 116.31168 of the Nevada Revised Statutes or any successor statute or statutes are hereby adopted and incorporated herein for the purpose, among other things, of establishing the manner in which any charges referred to herein shall become a lien against the Parcel possessed by the defaulting Owner owning or possessing the same, the priority of such liens, and the manner in which they are enforced. Any reference in such statute to a planned unit development shall be deemed for the purposes hereof to be a reference to the applicable Parcel and any reference therein to an organization shall be deemed a reference to the Declarant or non-defaulting Owner. Any lien so created shall also secure reasonable attorneys' fees incurred by the Declarant or non-defaulting Owner incident to the collection of such charges or the enforcement of such lien. Such lien may also be enforced in any manner permitted by law. No lien created pursuant to this Section 3.7 shall defeat, render invalid, diminish or impair the lien of any mortgage or deed of trust made in good faith and for value.

3.8 INITIAL CONSTRUCTION

Each building in the Shopping Center shall be of first-class quality construction and architecturally designed so that its exterior elevations (including, without limitation, signs and color) will be architecturally and aesthetically compatible and harmonious with all other buildings in the Shopping Center and will not be materially inconsistent with the architectural scheme of the Shopping Center established by Declarant. Such requirements shall be conclusively presumed satisfied for improvements approved or built by or for Declarant. All initial construction of improvements within the Shopping Center shall be subject to the prior approval of Declarant. Such approval shall not be required for any improvement constructed by or for Declarant. Each Owner other than Declarant shall submit to Declarant all plans, drawings and specifications of the planned improvements for the Parcel for review and approval by Declarant before their submission to the City of Las Vegas or any political subdivision thereof. All such plans, drawings and specifications shall comply with the sign plan, landscape plan and architectural plan for the Shopping Center (collectively, the "Architectural Guidelines"), which shall be created, implemented and revised by Declarant, in its sole discretion, and which Architectural Guidelines shall be as provided to each Owner by Declarant from time to time upon request. Changes in the Architectural Guidelines shall not apply to completed work or work to be completed pursuant to plans previously approved by Declarant (provided that such work otherwise complies with the terms of this Declaration), but shall apply to subsequent modifications as provided in Section 3.9 below. Once approved by Declarant, there shall be no material changes to an Owner's plans, drawings or specifications. Neither Declarant nor any agent or employee thereof shall be liable to any Owner or any other party for any damage, loss, or prejudice suffered or claimed on account of (a) the approval or disapproval of any plans, drawings or specifications, or (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications. Notwithstanding anything to the contrary contained herein, this Section 3.8 shall not be applicable to The Great Indoors.

MAR 28 2011

3.9 MODIFICATION OF BUILDINGS

The exterior of any building shall not be modified in any material way (including, without limitation, signs and color) without the prior approval of Declarant. Further, any modification or remodeling of a building or structure shall comply with the then-current Architectural Guidelines and all plans, drawings and specifications for such modifications shall be approved by Declarant before their submission to the City of Las Vegas or any political subdivision thereof. Before the modification or remodeling of any building is commenced, sufficient information shall be sent to Declarant to enable Declarant to make a reasonable determination as to the architectural and aesthetic compatibility of the proposed modification with all other buildings in the Shopping Center. Declarant must approve or disapprove the proposal within thirty (30) days after receipt of the proposal, and, if Declarant disapproves the proposal, it shall provide a written explanation of its general reasons for disapproval. If Declarant fails to respond to a proposal within the thirty (30) day period, or rejects or disapproves the proposal but fails to provide the required explanation within the thirty (30) day period, Declarant shall be deemed to have approved same; provided, however, that under no circumstances shall such plans and specifications be deemed approved if they contain a violation of any applicable law, rule or regulation, including, without limitation, applicable building codes. If the proposal is not approved by Declarant as provided herein, then an alternate proposal may be submitted, which alternate proposal shall be handled in the same manner as the initial proposal. The approvals and submittals required hereby shall not apply to any work undertaken by or at the direction of Declarant. Neither Declarant nor any agent or employee thereof shall be liable to any Owner or any other party for any damage, loss, or prejudice suffered or claimed on account of (a) the approval or disapproval of any plans, drawings or specifications, or (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications. Notwithstanding anything to the contrary contained herein, this Section 3.9 shall not be applicable to The Great Indoors.

3.10 CONSTRUCTION RULES

The following rules shall apply to all construction on a Parcel, whether the initial construction on the Parcel or otherwise:

(a) After initial construction on a Parcel is complete, any additional construction shall be commenced within six (6) months after obtaining a building permit for the improvements to be made.

(b) All construction shall be carried out in an orderly and timely manner and once construction has commenced shall be diligently pursued to completion within one (1) year. Any construction envisioned to require more than one (1) year for completion shall require the prior written approval of the Declarant before commencement of construction and all other construction in progress actually requiring more than one (1) year for completion shall require the written approval of the Declarant before continuation beyond the one-year period is permitted (which approval, in the case of extensions, shall not be unreasonably withheld or delayed if the Owner can demonstrate that completion within the one-year period was not accomplished due to causes over which it had no reasonable control and to which it did not contribute, financial inability, imprudent management and negligence excepted).

(c) All construction sites shall be enclosed with a lockable chain link fence, kept in a neat and good condition at all times and locked whenever construction is not actually being performed. Stored building materials shall be appropriately hidden from view, to the extent deemed reasonably necessary by the Declarant.

RECEIVED
MAR 28 2011

(d) All portable toilets shall be located a minimum of twenty-five feet (25') from areas to which the general public has access and shall be emptied as often as required to ensure the containment of any noxious odors.

(e) Dust from all construction sites shall be controlled at all times by watering down the construction site. Any sandblasting activities shall be restricted to the water-type application. The Owner of the Parcel on which or for whose benefit construction is being performed shall be responsible for maintaining the Common Area and adjacent public streets (or causing the same to be maintained) in a clean, dust-free and mud-free condition on a daily basis, and shall be responsible for complying with or causing compliance with dust and pollution laws and regulations.

(f) All Common Areas or utilities that are damaged due to the construction process on a Parcel shall be repaired, to the reasonable satisfaction of the Declarant, at the sole expense of such Parcel's Owner or the Occupant undertaking such construction activity. The damaged Common Area shall be repaired within seven (7) days after the damage occurs; damaged utilities shall be repaired within twenty-four (24) hours after the damage occurs.

(g) Any landscaping materials or sprinkler systems in the Shopping Center damaged in the course of construction on a Parcel shall be replaced or repaired within two (2) days after damage is detected, to the reasonable satisfaction of the Declarant, at the sole expense of such Parcel's Owner or the Occupant undertaking such construction activity.

(h) Construction, delivery and other vehicles operated or utilized in connection with construction activities upon a Parcel shall be parked only upon such Parcel or, with the prior written consent of the Owner of another Parcel, upon such other Parcel.

(i) If any damage required to be repaired by a Parcel's Owner pursuant to this Section 3.10 is not repaired to the reasonable satisfaction of the Declarant or applicable public or private utility within the time periods specified, the Declarant may, at its option, cause the damage to be repaired in accordance with the provisions of Section 3.5.

(j) Compliance with all applicable laws, rules, regulations and building codes.

SECTION 4
COMMON AREA MAINTENANCE

4.1 MAINTENANCE OF COMMON AREA

Declarant shall operate, maintain and keep in good condition and repair the Common Area, including, but not limited to parking fields and Parking Structures, entryways, roads, sidewalks, landscaping, drainage, public utilities and lighting facilities so that all areas of the Common Area shall be in a good and clean condition and repair as determined in Declarant's reasonable discretion. Such maintenance shall include, without limitation, maintaining, repairing, restriping and resurfacing, as necessary, all paved surfaces and maintaining all landscaping and plant material in a healthy and first class manner.

4.2 COMMON AREA MAINTENANCE COST

(a) "Common Area Maintenance Cost" shall mean the cost of managing, operating, insuring, equipping, lighting, repairing, replacing and maintaining the Common Area in accordance with

RECEIVED
MAR 28 2011

Section 4.1 above, along with the cost of all expenses incurred for the benefit of the Shopping Center, including, without limitation, insurance costs, taxes, security and utility costs, all as determined by Declarant in its reasonable discretion. Common Area Maintenance Cost shall be reduced by the amount contributed by (an) Anchor User(s) for such services and maintenance. Each Owner's "Proportionate Share" shall mean the ratio that the total square feet of gross area of floor space of all buildings on the Parcel owned by such Owner bears to the total square feet of gross area of floor space of all buildings in the Shopping Center from time to time, less the gross area of the floor space of any Anchor User, all as determined in Declarant's reasonable discretion. For the purposes of this Section 4.2(a), "buildings" shall not include any Parking Structures. Floor space shall be measured from the exterior line of the exterior walls and from the center line of any party or common interior walls without deduction for columns, walls or other structural or non-structural components, as determined in Declarant's reasonable discretion.

(b) As compensation for the operation and maintenance of the Common Area as specified in this Section 4, Declarant shall receive an administrative fee equal to fifteen percent (15%) of the total of all other Common Area Maintenance Costs, exclusive of insurance, real property taxes and costs of onsite management, if any. The Owner of each Parcel shall each pay its Proportionate Share of the fee in accordance with the provisions of this Section 4.2.

(c) All costs incurred in the operation and maintenance of the Common Area shall be promptly paid timely by Declarant when incurred.

(d) Commencing with the first day of each calendar month during the term of this Declaration, and on the first day of each month thereafter, each Owner shall pay to Declarant an amount estimated by Declarant to be such Owner's Proportionate Share of Common Area Maintenance Cost. Each Anchor User or the Owner of the Parcel occupied by such Anchor User shall pay Common Area Maintenance Cost directly to Declarant in such amounts and on such terms as is mutually agreeable to such Anchor Tenant, the Owner of such Parcel and Declarant.

(e) Such estimated charge may be adjusted by the Declarant from time to time on the basis of its experience and anticipated costs of maintaining the Common Area hereunder. After the end of each quarter of the calendar year, or at the option of the Declarant, the end of each calendar year, the Declarant shall submit a statement to each Owner for its respective Proportionate Share of the actual costs and expenses paid or incurred by the Declarant for the previous quarter or year. Such statement shall set forth the total Common Area Maintenance Cost for the previous quarter or year, the amount of such Owner's Proportionate Share of Common Area Maintenance Cost for such calendar quarter or year, and the total estimated payments made by such Owner with respect to such period under this subsection (e). If an Owner's Proportionate Share of Common Area Maintenance Cost exceeds that Owner's estimated payments, that Owner shall pay to the Declarant the deficiency within fifteen (15) days after receipt of such statement. If such estimated payments exceed that Owner's Proportionate Share of Common Area Maintenance Cost, that Owner shall be entitled to offset the excess against payments next thereafter due the Declarant under this subsection (e) until such overpayment is exhausted.

(f) Any Owner may require any tenant or Occupant of such Owner's Parcel to pay Common Area Maintenance Costs directly to the Declarant. Such arrangement shall not relieve Owner of any obligation hereunder and shall not reduce the total amount of Common Area Cost otherwise due from Owner. Owner shall continue to be primarily liable for the payment of such Owner's Proportionate Share of Common Area Maintenance Cost hereunder.

4.3 ALTERNATIVE MAINTENANCE CHARGES

Declarant may, in its discretion, incorporate the Common Area maintenance obligations of the Shopping Center into contractual arrangements covering all or any portion of the Adjacent Center; provided that all such costs are allocated between the Shopping Center and Adjacent Center based upon the benefit received, in Declarant's reasonable discretion.

4.4. OPERATING AGREEMENT

Notwithstanding any other provision to the contrary contained in this Section 4, Declarant may enter in to an agreement at reasonable market rates and terms with a third party operating entity for the operation and maintenance of the Common Area as provided in this Section 4, which third party may be affiliated with the Declarant.

SECTION 5
INSURANCE AND INDEMNIFICATION

5.1. INDEMNITY

Each Owner shall indemnify, defend and hold the other Owners and Declarant harmless from and against all claims, expenses, liabilities, loss, damage and costs, including any actions or proceedings in connection therewith and including reasonable attorneys' fees, incurred in connection with, arising from, due to or as a result of (i) the death of, or any accident, injury, loss or damage, howsoever caused, to any Person or loss of or damage to the property of any Person as shall occur in or about any portion of such Owner's Parcel, (ii) the death of, or any accident, injury, loss or damage to any Person or damage to the property of any Person resulting from the negligence or willful act or omission of an Owner or its Occupants, wherever the same may occur, or (iii) by reason of injury to or death of persons, damage to property or claims of lien for work or labor performed, materials or supplies furnished arising out of or in connection with use by an Owner or its Occupants of the easements granted hereunder or exercise of the rights granted herein, except claims resulting from the negligence or willful act or omission of the indemnified Owner or any Occupant of such Owner's Parcel, wherever the same may occur.

5.2. PUBLIC LIABILITY INSURANCE

Each Owner shall at all times during the term hereof maintain or cause to be maintained comprehensive public liability and property damage insurance covering all buildings on its Parcel to protect against any liability to the public arising out of or related to the use of or resulting from any accident occurring in or upon such Owner's Parcel, with limits of liability of not less than the following in Constant Dollars: (i) Five Million Dollars ($5,000,000.00) combined single limit for injury or death of one or more persons, and (ii) Two Million Dollars ($2,000,000.00) for property damage. For the purposes of this Section 5.2, "Constant Dollars" means the present value of dollars. An adjustment shall occur on January 1 of the sixth (6th) calendar year following the date of this Declaration, and thereafter at five (5) year intervals. Constant Dollars shall be determined by multiplying the dollar amount to be adjusted by a fraction, the numerator of which is the Current Index Number and the denominator of which is the Base Index Number. The "Base Index Number" shall be the level of the Index for the month during which this Declaration is dated; the "Current Index Number" shall be the level of the Index for the month of September of the year preceding the adjustment year; the "Index" shall be the Consumer Price Index for All Urban Consumers, U.S. City Average, All Items published by the Bureau of Labor Statistics of the United States Department of Labor (base year 1982-84=100), or any successor index thereto. If the Index ceases to be published, then

RECEIVED
MAR 28 2011

the Declarant shall select a substitute index and method of measuring Constant Dollars in its reasonable discretion.

5.3. PROPERTY INSURANCE

Each Owner shall at all times carry, or cause to be carried, comprehensive all risk property insurance upon all buildings and improvements located upon its Parcel in an amount not less than the full replacement cost thereof (excluding foundations or excavations). The loss, if any, covered by such insurance shall be paid to the respective Owner, provided that if the mortgagee or beneficiary under any mortgage or deed of trust has agreed in writing that insurance proceeds shall be available for use for the purpose of compliance with this Section 5.3, such insurance may name such mortgagee or beneficiary as an additional insured as its interest may appear. Each Owner shall have the power to adjust and settle any loss with its insurer. In the event of any damage to or destruction of any buildings on a Parcel, the affected Owner shall (i) repair (or cause to be repaired) any such damage or destruction and reconstruct the building or (ii) demolish and dispose of the damaged or destroyed improvements and clear away the rubble, either of the foregoing (i) or (ii) must be accomplished in accordance with the concept of an integrated shopping center and the provisions of Sections 3.9 and 3.10 of this Declaration. The proceeds of all insurance and condemnation awards shall be used by the affected Owner in payment for such restoration and reconstruction or demolition. The affected Owner shall commence (or cause to be commenced) restoration, reconstruction or demolition as herein provided as soon as reasonably possible after the damage or destruction, regardless of receiving insurance or condemnation proceeds, and shall use all due diligence to repair or reconstruct within a reasonable period of time thereafter not exceeding one hundred eighty (180) days.

5.4. MUTUAL RELEASE

Each Owner for itself, and, to the extent it is legally possible for it to do so, on behalf of its insurer and without affecting the coverage provided by insurance required to be maintained by any other Owner hereunder, hereby releases and waives any right to recover against Declarant, the other Owners and Occupants for any liability for (a) damages for injury to or death of persons, (b) any loss or damage to property, including, without limitation, the property of any Owner or Occupant located upon or in the Shopping Center, (c) any loss or damage to buildings or other improvements in the Shopping Center or the contents thereof, or (d) claims arising by reason of any of the foregoing, to the extent that such damages and/or claims are covered by insurance carried or required to be carried by or on behalf of each Owner. The provisions of this Section 5.4 are intended to restrict each Owner (to the extent permitted by law) to recovery against insurance carriers to the extent of such coverage, and waive fully, and for the benefit of each, any rights and/or claims that might give rise to a right of subrogation in any insurance carrier.

5.5. GENERAL PROVISIONS

All policies required to be maintained pursuant to the terms of this Declaration shall be written on an occurrence basis and issued by companies having a A.M. Best's rating of not less than A-VII, and which are authorized to do business in Nevada. Each Owner shall deliver (or cause to be delivered) to the Declarant copies of policies or certificates of insurance required hereunder showing that said policies are in effect. All policies providing for self-insurance or "deductibles" may permit one or more of the named insureds to assume the right to defend or adjust claims that reasonably appear to be susceptible of settlement or final resolution within the limits of the self-insurance. All policies shall provide primary insurance. The coverage provided by policies shall not be limited, reduced or diminished by virtue of the subrogation waiver contained in Section 5.4. Should any Owner fail to acquire, maintain or renew any insurance required to be maintained by it under this Declaration, or to pay the premium therefor (or cause the foregoing to be done),

RECEIVED
MAR 28 2011

then and in any of said events, the Declarant, upon written notice, may procure such insurance if such failure is not cured within ten (10) days of receipt of such notice, and any sums expended by it to procure any such insurance shall be forthwith repaid upon demand plus fifteen percent (15%) of the sums paid. Each Owner shall obtain (or cause to be obtained) written undertakings from each insurer under policies required to be maintained by it to notify all insureds thereunder at least thirty (30) days prior to cancellation or modification. Any policy required to be maintained hereunder by any Owner may be maintained under a so-called "blanket policy" insuring other parties and other locations so long as the amount of insurance and the scope of coverage required to be provided hereunder are not thereby diminished and in any event, any blanket commercial liability insurance policies shall not contain a general policy aggregate of less than Twenty Million Dollars ($20,000,000) in Constant Dollars. An Owner may self insure its insurance obligations under this Declaration; provided, however, that (i) at all times during such periods of self insurance, such Owner maintains a net worth of no less than One Hundred Million Dollars ($100,000,000) in Constant Dollars (exclusive of such Owner's interest in the Shopping Center or improvements thereon), and (ii) such Owner shall provide Declarant a copy of an annual financial statement audited by an independent certified public accountant within thirty (30) days after such statement has been prepared, and such other financial statements as may be reasonably requested by Declarant from time to time.

SECTION 6
EFFECT OF BREACH UPON PURCHASERS AND MORTGAGEES

The breach of this Declaration shall not entitle Declarant or any Owner, Occupant or other Person to cancel, rescind or otherwise terminate its obligations hereunder. No breach hereof shall defeat, render invalid, diminish or impair the lien of any mortgage or deed of trust made in good faith and for value, but the covenants and restrictions, easements and conditions herein contained shall be binding upon and effective against the Owner of any Parcel, or any portion thereof, whose title thereto is acquired by foreclosure, trustee's sale or otherwise.

SECTION 7
COVENANTS AND RECORDATION

All of the provisions, agreements, rights, powers, covenants, conditions and obligations contained in this Declaration shall be perpetual and shall be binding upon and shall inure to the benefit of the Owners and Occupants. All of the provisions of this Declaration shall be covenants running with the land and equitable servitudes pursuant to applicable law. This Declaration shall become effective and binding upon recordation of this Declaration in the Office of the Recorder of Clark County, Nevada.

SECTION 8
AMENDMENTS

8.1 AMENDMENTS

Except as otherwise herein expressly provided, this Declaration may be amended by an instrument signed by Declarant, with the written consent of The Great Indoors, as long as The Great Indoors is an Occupant of the Shopping Center, which consent shall not be unreasonably withheld, conditioned or delayed as long as the amendment shall not: (i) abrogate any easement unless consented to by the Owners of all affected Parcels, (ii) permit any Parcel to be used in a manner prohibited under Section 9.3 or (iii) materially and adversely affect The Great Indoors. Notwithstanding anything contained in the foregoing sentence to the contrary, Declarant may amend this Declaration without the written consent of The Great Indoors, in the

RECORDED MAR 28 2011

event that such amendment to this Declaration shall only impose a Permitted Use restriction, pursuant to Section 9.1 below, and/or grant an Exclusive Use, pursuant to Section 9.2 below, so long as The Great Indoors shall not be bound by such Exclusive Use. Any amendment must be recorded in the Office of the Recorder of Clark County, Nevada. No amendment to this Declaration shall be valid that would tend to defeat the priority position of a first mortgagee, deed of trust beneficiary or sale-leaseback lessor with respect to its lien or interest or which would make such mortgage, deed of trust, or lease illegal under then applicable governmental regulation unless consent is obtained in writing from such mortgagee, beneficiary or lessor. No amendment shall impose a materially greater obligation on or materially impair a right of an Owner without the consent of such Owner, except as otherwise set forth in Section 9.2 below.

8.2 SUPPLEMENTS

Declarant may, without the approval of any other Owner, from time to time cause to be recorded supplements hereto affecting only that portion of the Shopping Center then owned by Declarant. Such supplements may, among other things, allocate assessments imposed pursuant hereto among the different Parcels then owned by Declarant, further restrict the use thereof, and impose such other burdens and give such other rights as Declarant may elect with respect to the Parcels then owned by Declarant, provided that no such supplement shall (i) abrogate any easement unless consented to by the Owners of all affected Parcels, (ii) permit any Parcel to be used in a manner prohibited hereunder, or (iii) materially and adversely affect any Occupant. Notwithstanding the foregoing and Section 9, Declarant may amend this Declaration to allow gaming on a Parcel; so long as such gaming (a) shall be ancillary to the primary use of such Parcel as a food store, drug store, restaurant, bar or tavern; and (b) shall not exceed fifteen (15) gaming devices per establishment.

SECTION 9
USE

9.1 Permitted Use.

In conjunction with the sale of Parcels or the leasing of portions thereof by Declarant, Declarant may require an Owner or Occupant to use its Parcel or the portion thereof that it occupies for a specific use and no other ("Permitted Use"). Such Permitted Uses may be recorded as amendments to this Declaration in the sole discretion of the Declarant if authorized by written agreement between Declarant and such affected Owner or prospective Owner, and may not be amended without the consent of Declarant and the Owner to which the Permitted Use applies. When a Parcel is subject to a Permitted Use, it shall be used for such Permitted Use and no other without the consent of the Declarant, which consent may be granted or denied in Declarant's sole and absolute discretion. When a Parcel is not subject to a Permitted Use, then it may be used for any purpose not otherwise prohibited by this Declaration.

9.2 Exclusive Uses.

In conjunction with the sale of Parcels or the leasing of portions thereof by Declarant, Declarant may grant an Owner or Occupant the exclusive right within all or a portion of the Shopping Center to use its Parcel or the portion thereof that it occupies (the "Benefited Parcel") for a specific purpose ("Exclusive Use"). Such Exclusive Uses may be recorded as amendments to this Declaration in the sole discretion of the Declarant. Notwithstanding anything in Section 8 to the contrary, no Exclusive Use may be amended without the consent of the Owner or Occupant (or its successor or assign) for whose benefit the Exclusive Use was granted. No Parcel or portion thereof within the Shopping Center shall be used for any Exclusive Use (other than the Benefited Parcel) so long as the Benefited Parcel is used for that Exclusive Use. Should

RECEIVED
MAR 28 2011

such Benefited Parcel cease to be used for such Exclusive Use, then such Exclusive Use shall terminate and be of no further force or effect. By purchasing or leasing property within the Shopping Center, each Owner and Occupant agrees to be bound by each Exclusive Use added from time to time by Declarant as amendments to this Declaration, but only to the extent that such Exclusive Use does not violate such Owner's or Occupant's Exclusive Use or primary use of its Parcel or materially interferes with such Owner's or Occupant's actual use of its Parcel, as such use exists at the times of recordation of such amendments. Notwithstanding anything to the contrary contained herein, this Section 9.2 shall not be applicable to The Great Indoors and The Great Indoors will not be bound by any Exclusive Use granted.

9.3 Prohibited Uses.

No portion of the Shopping Center shall be occupied or used, directly or indirectly, for any of the following: (1) the sale of paraphernalia for use with illicit drugs; (2) a massage parlor (but not including massage services provided in connection with the operation of a first class day spa, beauty salon or medical office); (3) an adult bookstore or any other purposes which includes the display or sale of pornographic or obscene material or entertainment, or any other form of sexually oriented business; (4) a flea market; (5) a second-hand store (but not including a first class establishment selling art, antiques and collectibles, estate jewelry, the incidental sale of used audio or visual media at a video or music store, or used "play it again" type sports equipment); (6) a blood/plasma donor facility; (7) an auction house; (8) outside storage of materials or goods (except that Declarant may grant to an Owner or Occupant the right to operate an outdoor sales area in Declarant's sole and absolute discretion); (9) the emission of smoke, fumes, odors, gases, vapors, steam, dust, dirt, cinders and other particles or substances into the atmosphere that are detectable outside of the boundaries of the Building Area where located (except for fumes and odors normally incident to the normal operation of a restaurant), or which may be detrimental to the health, safety, welfare or comfort of any Occupant or Owner, or any other person; (10) a tattoo parlor; (11) gaming ; (12) the violation of any applicable statute, ordinance, rule, regulation, permit or other validly imposed requirement of any governmental body or agency; (13) emission of noise or sounds that are objectionable due to intermittence, beat, frequency, shrillness or loudness; (14) use, in whole or in part, for the warehousing, dumping or disposing of garbage or refuse (except as is ancillary to the operation of a business otherwise permitted hereby); (15) operation for gasoline refining or twenty-four (24) hour manufacturing operations; (16) a public or private nuisance; (17) automotive or R.V. repair or sales facility; (18) a warehouse or "club" store (by way of example only, and not as a limitation, a "Sam's Club", "Costco", or "Super Wal-Mart"); (19) so long as The Great Indoors operates a "The Great Indoors" store in retail building number 4 as shown on the Site Plan (except that such use shall be permitted in such building), a home furnishings and décor superstore or an appliance superstore; (20) before October 22, 2008, and so long as a Target store is operated in the Adjacent Center, operation of a discount retail store containing a floor area in excess of 100,000 square feet, provided that the foregoing shall not prohibit the operation of a home supply retailer such as a Home Depot type operation, (21) before June 1, 2009, and so long as a Vons store is operated in the Adjacent Center, operation of a full-line supermarket such as Smith's, Albertson's or Lucky's; or (22) before March 22, 2020, and only so long as a McDonald's is operated in the Adjacent Center along Rampart Boulevard, for all buildings with frontage on Rampart Boulevard as shown on the Site Plan, a "Fast Food Restaurant", which shall mean any type of food service establishment that serves any amount of hamburgers, cheeseburgers or any other type of beef products served in sandwich form; or ground meat or meat substitute, or a combination of ground meat and meat substitute, or any other type of meat products, any of which are served in sandwich form; provided that the definition of Fast Food Restaurant shall not include any food service establishment that offers as the primary method of service, for all meal times, food and drink orders taken by and served by a waiter or waitress at the customer's table. In addition, and not by way of example, the following restaurants operating under the listed trade names, Arby's, Burger King, Carl's Junior, Del Taco, Hardee's, In N' Out Burger, Jack-in-the-Box, Rally's and Wendy's or operating under any successor trade names, are prohibited from operating at such buildings.

SECTION 10
NOTICES

10.1 Notice

Any and all notices and demands required or desired to be given hereunder shall be in writing and shall be validly given only if personally delivered, deposited in the United States mail, certified or registered, postage prepaid, return receipt requested, or if made by Federal Express or similar delivery service which keeps records of deliveries and attempted deliveries, or if made by facsimile machine (receipt of which is acknowledged or if a copy thereof is delivered by one of the other delivery methods permitted by this Section 10.1). Service shall be conclusively deemed made on the first business day delivery is attempted or upon receipt, whichever is sooner, and addressed to each Owner or Occupant at the building on its respective Parcel, and as follows:

To Declarant: Charleston Associates, LLC
9510 W. Sahara Avenue, Suite 200
Las Vegas, Nevada 89117
Attn: Legal Department
Telephone: (702) 242-6937
Facsimile: (702) 242-6941

10.2 CHANGES

Any of the above addresses may be changed by the addressee for the purpose of receiving notices or demands as herein provided by a written notice given in the manner aforesaid to the other addressees, which notice of change of address shall not become effective, however, until the actual receipt thereof by such addressee.

SECTION 11
MISCELLANEOUS

11.1. NOT A PUBLIC DEDICATION

Nothing herein contained shall be deemed a gift or dedication of any portion of the Shopping Center or of any Parcel or portion thereof to the general public or for any public use or purpose whatsoever, it being the intention and understanding that this Declaration shall be strictly limited to and for the purposes herein expressed solely for the benefit of the Declarant, Owners and Occupants. Declarant or any Owner may take such action as may be necessary to prevent any such public dedication or appropriation, including, without limitation, temporary closure of the Shopping Center by barriers at entrance-ways on non-business holidays or other appropriate times not disruptive to the businesses of the Occupants. In no event shall such closure exceed the minimum reasonable time required to prevent such dedication or appropriation and such closures shall be carried out so as to minimize any adverse impact on the operation of the business of any Occupant.

11.2. SEVERABILITY

If any term, provision, covenant or condition of this Declaration, or any application thereof, should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all provisions, covenants and conditions of this Declaration and all applications thereof not held invalid, void or unenforceable, shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

11.3. CAPTIONS

The captions preceding the text of each section hereof are included only for convenience of reference and shall be disregarded in the construction and interpretation of this Declaration.

11.4. LITIGATION EXPENSES

This Declaration may be enforced by action by Declarant or any Owner or Occupant. If Declarant or any Owner or Occupant shall bring an action against Declarant or any other Owner or Occupant by reason of the breach of any covenant, term or obligation hereof, or otherwise arising out of this Declaration, the prevailing Declarant, Owner or Occupant in such suit shall be entitled to its costs of suit and reasonable attorneys' fees, which shall be payable whether or not such action is prosecuted to judgment.

11.5. PRONOUNS

In this Declaration, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

11.6. GOVERNING LAW; VENUE

The laws of the State of Nevada shall govern the validity, construction, performance and effect of this Declaration. Any action regarding this Declaration shall be brought in the State or Federal courts located in Clark County, Nevada.

11.7 ENVIRONMENTAL HAZARDS INDEMNIFICATION

Each Owner ("Indemnitor") shall defend, indemnify and hold harmless each other Owner and Declarant regarding government or third party claims and awards against any such indemnified party for any environmental contamination occurring, or hazardous materials existing, on the Parcel owned or occupied by Indemnitor, which were generated (i) by such Indemnitor or its agents, successors or assigns, (ii) in connection with the operation of Indemnitor's business, or (iii) as a result of or arising from the use of the Indemnitor's Parcel.

11.8 ASSIGNMENT OF DECLARANT'S RIGHTS AND OBLIGATIONS

Upon sale or transfer by the Declarant of its interest in the Shopping Center with a concurrent or subsequent transfer of its obligations as Declarant to the purchaser or transferee and the purchaser's or transferee's assumption of such obligations, Declarant shall be released from the obligations as the Declarant under this Declaration arising after purchaser's or transferee's assumption of such obligations (while remaining liable for its obligations arising before such time), and such transferee or purchaser shall then become the Declarant hereunder as if originally named as the Declarant hereunder.

RE: Justification Letter for Renaissance (23 Acres SEC Rampart / Alta)
APN: 138-327-23-001

To Whom It May Concern:

Request:
To rezone from PD and current approved site plan to PD with new site plan, copy attached.

The Property:
The referenced vacant property was purchased in late 2010 by an EHB Companies affiliate, RA Southeast Land Company LLC. This purchase was made so as to continue to add significant value to the properties at the Rampart/Alta intersection and to bring additional commercial offerings/services and some residential and their related conveniences to the immediate neighborhood and greater market area. This property will be developed with the same unique, distinctive and quality design and architecture that other EHB Companies' affiliates did when developing One Queensridge Place at this intersection's SWC and is doing with its development of Tivoli Village at this intersection's NEC.

This development is named Las Vegas Renaissance. The property will be developed as an enclosed mall, consisting of approximately 773,000sf with three major retail anchors and numerous in-line retail stores, some restaurants, and some service providers. It will be accompanied by the appropriate parking and a small multi-family residential component.

Some tenants' business philosophy does not lend itself to being in an outdoor center such as the adjacent Tivoli Village and therefore Renaissance's enclosed mall environment will very substantially complement Tivoli's offering thereby significantly expanding the dynamic of these combined developments. Further, with teir adjacency and connectivity to the added offerings at Suncoast and Boca Park, these properties will, combined, anchor the "trade area" of the west valley. This area's offerings - size, distinctiveness and diversity will draw from the entire valley including being extremely attractive to the Las Vegas tourist as well – it will be an amazing attraction and destination – a must see!

There will be a multi-family residential component of 80 to 100 units. The exact number will be determined based on a mix of unit types which will be determined through the construction.

drawing and final market analysis phases. This residential component will offer its residents, many of whom we anticipate will be employed at Tivoli, Renaissance, Suncoast or Boca, to be able to conveniently walk next door to work.

Connectivity:

- Design: As a result of the applicant and its affiliates, both controlling the three corners of this intersection and working with Boyd Gaming, owner of the Suncoast property located at this intersection's NWC, it is planned that these combined properties will incorporate some visual consistencies in terms of landscaping, art, walls, and signage making the "whole greater than its parts". Also these properties will plan and coordinate certain merchandising, marketing and events to help maximize synergies.
- Pedestrian: The connectivity between Tivoli and Renaissance, with a pedestrian bridge across Alta, will provide convenient pedestrian access all the way from Angel Park Golf Course and Tivoli's north end to and through Renaissance into Boca Park. Further, the Suncoast is planning to provide a more pedestrian friendly corridor from its buildings through its parking lot so as to make it more comfortable for pedestrians to access between the properties. This connectivity will significantly reduce vehicular impacts on adjacent roadways.
- Vehicular: The on-site vehicular connectivity between Boca Park and Renaissance will further serve to reduce the traffic impact on adjacent streets and on the farther removed roadways as patrons will be able to do much more "one stop shopping" then having to drive to numerous locations to accomplish their shopping, dining and office related needs. This area will become a major destination and destinations are known to produce significantly reduced traffic generation than strip centers and general commercial centers.

Design and Architecture:
Renaissance's design, architecture and landscaping will compliment Tivoli's. Renaissance's walkways will be canopied with expansive longitudinal glass atriums and at the walkways' junctures these canopies will be large domed glass atriums. These glass atriums will be reminiscent of those at the spectacular Galleria Vittorio Emanuele II in Milan (photo enclosed) and will arch above the indicated roof lines.

The detail of exterior elevations – articulations, colors, textures and reliefs, as can be seen in the conceptual elevations will predominantly reflect Baroque style architecture with special attention to massing, particularly facing the streets, to create the pinnacle of architecture and art in this trade area to compliment, enhance and beautify the entire complex of adjacent properties.

The applicant's principals have demonstrated their ability to construct distinctive and unique elevations respectful of surroundings and that enhance the trade area. This can be seen at both their adjacent Tivoli Village and One Queensridge Place developments. The elevations in this application are conceptual; the applicant requests the right to field modify the elevations to

respect masses, colors, mediums, architecture, reflectivity, and both impact and compatibility with the entire environment.

This development is LAS VEGAS RENAISSANCE – its time is now! It will resonate a sign of new life - resurgence, renewal and optimism. It will generate millions of man-hours of work. It will be the first enclosed new non-casino, non-strip mall in Las Vegas in approximately 20 years.

Site Pan:

- History: The entitlement history of this property reflects the most recent site plan submitted by the previous property owner, which was withdrawn by the applicant as the economic recession was commencing. That site plan comprised 1,616,281 square feet made up of:
  - Office – 113,714 sf (on 3rd story over 2 levels of retail)
  - Retail – 948,141sf (2 and 3 stories)
  - Residential – 555,016sf (320 units in two 16 story towers above 2 levels of retail)
  - Parking – 4,784 spaces in multi-level(5+) parking structures and 2-levels below grade
- This Application: This submittal's very significantly reduced square footage is by far more suitable to this site and the surrounding neighborhood than that submitted previously by the prior owner. This application contemplates approximate 773,000sf commercial in 2 and 3-story structures, approximately 2,650 parking spaces (in a combination of underground, partially recessed 5-level parking structure and some at grade) and a 4-story multi-family residential component containing 80-100 units.
- Site plan flexibility:
  - The approval of this site plan needs to incorporate that during the construction drawings and leasing phases some minor modifications to this conceptual site plan will be required to accommodate various architectural and operational aspects.
  - In respect of the neighbors to the east, we are attempting to relocate the Anchor, who we are in negotiations with, from the easterly Retail Anchor location, they require 3-levels, to the southerly Retail Anchor location. Accordingly, the site plan's approval needs to allow the flexibility of the southerly Retail Anchor building to increase from 2 to 3-levels and the easterly Retail Anchor building to decrease from 3 to 2-levels. If this occurs, the square footage will increase by approximately 15,000 square feet.
  - As the elevations and construction drawings are further developed and as pre-leasing of tenants occurs, the site plan's building heights, because of tenant's requirements, will need to reflect the flexibility to be able to increase heights by up to approximately 5'.
  - While the statistical Site Information reflects parking provided of 2,652, the developer wishes to work with the City to come up with an appropriate lower amount, recognizing that a mall with large Anchors will have a lower parking need then a shopping center without large Anchors. Further, the need for the required parking at Renaissance will be lower because of the synergy between Tivoli, Renaissance, Suncoast and Boca.

Hours of operation:
Will be commensurate with typical mall operations.

Employees:
During an estimated 2-year construction period, an approximate 500 workers will be employed. Upon opening, approximately 500+ employees will be required for on-going operations.

We look forward to working with the City of Las Vegas on this application. Please do not hesitate to contact us regarding any questions or comments regarding this project. Thank you for your consideration and we look forward to collaborating with the City to make another another EHB Companies' development.

Yours truly,

Re: Major Amendment to SDR-39121 for a Law Office Building
APN: 139-34-701-009

To whom it may concern:

The purpose of this letter is a request to modify the previously approved SDR-39121 for the proposed Law Office Building located at 400 South 7th Street in Las Vegas, Nevada 89101.

The original design for this project had two (2) levels of subterranean parking extending down to a depth of 25' below street level. During the design development stage, a geotechnical (soils) report was completed for this parcel. Groundwater was encountered at an extremely shallow depth of -10' below the surface. The project then went out to bid and it was quickly realized that the lowest parking level was economically unfeasible to construct.

As a result, the applicant structured a deal with the neighboring property owners to use their lots for parking. The parking garage was then reduced from four (4) levels to three (3) levels: one (1) subterranean level and two (2) levels above grade. To accommodate the additional parking spaces required, all three (3) remaining levels of the parking garage were extended 50' to the south onto the 420 S. 7th street property. Please refer to the attached floor plans. The applicant will prepare a reversionary parcel map to combine the additional property into one property on which the building will be located.

The new parking garage houses 178 spaces where 184 were previously approved. In addition, per Z-72-80, 17 satellite parking spaces were approved on 420 S. 7th for the use of the office building located at 415 S. 6th Street. The new parking garage will have to accommodate the existing spaces as well as the required spaces for the EVAPS Law Office. Therefore, 201 spaces are required where only 178 are provided. A parking variance is requested for this deficiency of 23 parking spaces. The applicant will prepare a perpetual parking easement within the parking garage for the 17 spaces signed by both property owners.

To alleviate this reduction in parking, the applicant has also structured a lease agreement with the property owner at 424 S. 7th Street. The lease has a ten year term, with a 9 year option, and first right of refusal to purchase the property. This site will be surfaced parked and contain 25 parking spaces. A separate application will be submitted for an SDR and Zone change for this property.

By a separate application we are also requesting a variance for the required setbacks and site coverage. The proposed design requires zero lot setbacks on all sides. This meets the spirit and a language of the urban area. Zero setbacks as an element of urban site development is a requirement in the adjacent downtown centennial office core district. Site coverage of 86% is proposed (where 50% is allowed by code) and meets the spirit of code language for urban areas. In this context setback and lot coverage code conformance would result in substantially less viable project.

We appreciate your assistance in moving forward with these modifications to the previously approved project.

Sincerely,

Scott L. Brown, NCARB
Principal

re: APN 163-06-610-002; Tower Consulting, Inc., site TCI-028 Peccole Ranch

To Whom it May Concern:

Pursuant to Section 19A.04.040(C) of the Zoning Code of the City of Las Vegas, enclosed please find an application for Conditional Use Permit and Variance for a proposed facility at 9501 Red Hills Road, Las Vegas, Nevada, the location of the Peccole Ranch Community Center. TCI proposes to construct a "monopine-type," multi-user tower. I have enclosed drawings that illustrate the proposal and photographs of the location.

The proposal qualifies for administrative approval for the following reasons:

- Variance to allow 12' high chain link fence to match existing
- *"No residential use may exist on the property."* The property is used exclusively as a recreation and community center for the Peccole Ranch development.
- Because the tower is designed to appear as a pine tree, it is *"a wireless communication facility that is designed to blend into the surrounding environment…*[such as] *tower alternative structures…*[and] *other camouflaging techniques…."*
- The proposed facility is not *"within an area designated as a Historic Preservation District…."* The subject parcel is zoned R-PD7.
- *"The design and location of the proposed facility must be deemed by the Director to be compatible with surrounding uses, and the facility must include appropriate screening and landscaping to ensure such compatibility."* TCI proposes to construct a facility that appears as a pine tree. This design was selected to blend with the natural pine trees on the property. TCI's ground equipment would be located within a chain link fence with fabric screening to match the existing tennis court fencing height and style.

Please contact me if I may assist your consideration in any way.

Sincerely,

Damien Huggard

City of Las Vegas
Attn: Planning Department
Re: Hostel Cat Justification Letter for Variance

Dear Sirs:

Please consider this request for a reduction in both the seperation and setback for a proposed streetside pole sign for Hostel Cat business located at: 1236 S. Las Vegas Blvd.

Hostel Cat is requesting approval to install a double sided neon illuminated cabinet atop of the existing pole located at 1236 S. Las Vegas Blvd. The dimensions of the proposed cabinet is 95" x 80" wide with an overall height of 26'.

Due to the fact that most signs in this corridor are in line and no setback from right of way, there are visibility issues with placing this sign any further back on the property than what is permtted currently for the surrounding properties. Therefore, a request for a 3 ½" setback from the standard 5' setback.

The parcel contains two separate businesses, one being the Hostel Cat. There is an existing sign on the south side of the parcel and within 92' of the existing pole that Hostel Cat wishes to utilize for its sign and requests consideration to allow for a reduced seperation from 100' which is standard code for two signs on one parcel, to 85'. The existing sign is owned by the second business located on the parcel.

We feel these variances from the standard are not substantial, and the benefits of approving this request will allow for a new sign that will revitalize the property, give it an newer look, a positive visual impact and is cohesive with the Las Vegas Blvd. Scenic By-way Overlay Districts intent of revitalizing the area. This will also encourage others to revitalize as well.

Thank you for your time in this matter,

Sincerely,

John Yurik

GENERAL STRUCTURAL NOTES

1 CODE:
2006 International Building Code
2002 American Iron and Steel Institute Handbook of Cold-Formed Steel Design

2 Loads:
Roof Live Load = 20 PSF

Basic Wind Speed = 90 mph , Importants Factor (I) = 1.0 , Exposure = C

Seismic Use Group = I, Seismic Design Category = D, R = 3.5
Basic Seismic – force – resisting System:
Lateral : Light framed walls with shear panels.
Longitudinal: Light framed walls with shear panels.
Analysis Proceedure: Equivalent Lateral Force Procedure

3 Foundations:
Allowable soil bearing value is 1000 PSF at 12" below finish grade or existing natural grade, whichever is the lower elevation. Round or square column footing embedment depths for footings do not apply to locations where walls of the hole will not stand without supplemental support, or where UNCOMPACTED fill of organic fill material exists. Design lateral soil pressure per IBC section 1804.2 for Class 5 soils.

Note:
In lieu of 4" A.B.C., the slab may be built upon an adequate base material that is properly compacted. Undersigned Engineer assumes no responsibility for the adequacy of the sub base.

4 Concrete:
All concrete herein required shall be done in accordance with ACI Standard 318–05, "Specifications for Structural Concrete for Buildings", which is hereby made a part of these documents, with the following modifications:

Para 2.1.2 Cement shall comply with ASTM C150, Type II, and shall contain no flyash.
Para 3.2 F'c shall be 2,500 PSI minimum for all concrete at 28 days for all concrete.
Para 4.1.3 The use of earth cuts for forms is permitted.
Para 5.2 Reinforcing shall be new billeted steel complying with ASTM A615, Grade 40.

Concrete shall be thoroughly consolidated by suitable means during placement and shall be thoroughly worked around reinforcement and embedded fixtures and into corners of the forms.
Curing of concrete shall be in accordance with sections 1905.11.1 through 1905.11.3.

5 Structural Steel:
All structural steel shall be ASTM A36 (Fy=36,000 PSI) or ASTM A 572 GRADE 50 (Fy=50,000PSI); All pipe shall be ASTM A 501 (Fy= 36,000 PSI) or ASTM A53, Type 'E' or 'S' grade 'B' (Fy= 36,000 PSI). All tubular steel shall be ASTM a500 (Fy=46,000 PSI). All bolts shall be ASTM A325. Latest AISC and AWS codes apply. All construction per latest AISC handbook. All expansion bolts to have current I.C.C.E.S. approval.

All welding to be performed at Absolute Steel's fabrication shop by welders holding valid certificates, and having current experience in welding as required. Certificates shall be those issued by an accepted testing agency. All welding per American Welding Society Standards.
All welding by E70 series low hydrogen rods. (Use E90 for ASTM A706 – grade 40 reinforcing bars).

DO NOT DRILL, NOTCH, OR FIELD WELD ANY STEEL MEMBERS WITHOUT PRIOR APPROVAL OF THE STRUCTURAL ENGINEER.

6 Drawing sealing requirement
These drawings are to be wet sealed by the engineer. All copies shall bear wet seals.
If a copy of this drawing is disturbed without the proper wet seal the drawing is considered invalid. The duplication or copying of this drawing could mean the original drawing has been modified from its original content. All liability is removed from the below wet sealed.

7 Steel Decking / Screw Fasteners:
Steel roof deck shall conform to the specifications of the steel deck institute. FY = 80 KSI.
Screw connections to framing members shall be not less than noted below:
1. All Panel End Laps use (6) #12–14 screws per sheet. All Panel Intermediate supports use (3) #12–14 screws per sheet.
2. Panel to run continuous over minimum two spans
3. Minimum spacing of screws shall not be less than 3 diameters.
4. The head of the screw or washer shall have a diameter, de of not less than 5/16" washers shall be at least 0.05 "thick"
5. Wall Construction: #12 screws @ 9" o.c. field, and 4 1/2" o.c. edges (ICC–ES APPROVED).

All screws shall conform to SAE J78 provisions of structural screws.

8 Light Gauge Structural Steel Framing:
All structural steel framing material and its erection shall be in accordance with the latest edition of the American Iron and Steel Institute "Specifications for the Design of Cold Formed Steel Structural Members".

All welding to be performed at Absolute Steel's fabrication shop by welders holding valid certificates, and having current experience in welding as required. Certificates shall be those issued by an accepted testing agency. All welding per American Welding Society Standards.

DO NOT DRILL, NOTCH, OR FIELD WELD ANY STEEL MEMBERS WITHOUT PRIOR APPROVAL OF THE STRUCTURAL ENGINEER.

Structural steel members are furnished to a specified minimum yield point greater than 55 KSI. The grade and the ASTM specification number or other specification designation shall be indicated by painting, decal, tagging or other suitable means on each lift or bundle of fabricated elements.

9 Contractor:
The contractor must submit in writing any requests for modifications to the plans and specifications and no structural changes from the approved plans shall be made in the field, unless prior to making changes, written approval is obtained from the engineer. Shop drawings submitted the engineer for review do not constitute "in writing" unless it is noted that specific changes are being requested. If changes are made without written approval, such changes shall be the legal and financial responsibility of the contractor or sub–contractors involved and it shall be their responsibility to replace or repair the condition as directed by the engineer.

Contractor shall provide all temporary bracing, shoring, guying or other means to avoid excessive stresses and to hold structural elements in place during erection. The provisions shall remain in position until sufficient permanent members are erected to insure the safety of the partially erected structures. The contract structural drawings and specifications represent the finished structure. Observation visits to the site by the structural engineer shall not include inspection of the above items.

The above notes and specifications shall meet or exceed all state and local code requirements before erection.

The undersigned engineer will not supervise the fabrication or erection of this structure.

RE: Justification letter
Property location: 1125 Cashman Drive
Las Vegas, Nv 89102

To Whom It May Concern:

This letter is to serve as the justification for the non attached steel shade building on the North side of my house.

This structure is for shade of my vehicles and to take them from the driveway thereby making the front of my house look nicer without the clutter of vehicles.

Should you have any questions please do not hesitate to contact me at 702-327-3953.

Sincerely,

Johnny J Pappas

1. LANDSCAPING REQUIRED, EXCEPT FOR MINES, GRAVEL PITS, TEMPORARY USES, PUBLIC FACILITIES WITHOUT BUILDINGS, AND THE REAR YARDS OF SINGLE FAMILY DWELLINGS, ANY DISTURBED AREA OF A DEVELOPED PROPERTY NOT OCCUPIED BY OUTSIDE ACTIVITY AREAS / STORAGES AREAS, PARKING, DRIVEWAYS, DRIVE AISLES, AND SIDEWALK SHALL BE LANDSCAPED AND MAINTAINED IN A CLEAN CONDITION. DISTURBED AREAS DESIGNATED FOR FUTURE DEVELOPMENT NEED NOT HAVE LIVE LANDSCAPING.
2. ALL REQUIRED LANDSCAPING SHALL BE PLANTED WITH LIVE PLANTS. FOR PROPERTY WHICH HAS AN ELEVATION OF 4,000 FEET ABOVE SEE LEVEL OR MORE, NATURAL AND NATIVE LANDSCAPING IS ENCOURAGED TO BE PRESERVED AND INCLUDED INTO LANDSCAPE AREA.
3. TREES SHALL NOT BE PLANTED WITHIN 3' OF A DEDICATED RIGHT-OF - WAY
4. ANY TREE WITHIN 5' OF A SIDEWALK OR WALL SHALL BE PLANTED WITH A ROOT SHIELD DESIGNED TO DIRECT ROOT GROWTH DOWNWARD.

MAINTENANCE:

1. FENCES, WALLS AND LANDSCAPED AREAS SHALL BE MAINTAINED
2. LANDSCAPED AREAS SHALL NOT BE USED FOR PARKING OF VEHICLES, DISPLAY OF MERCHANDISE OR OTHER USES DETRIMENTAL TO THE LANDSCAPING. HOWEVER, SIGNS ARE PERMITTED
3. ANY REQUIRED PLANT MATERIAL THAT DOES NOT SURVIVE, OR SUSTAINS SEVERE DAMAGE, SHALL BE REPLACED WITHIN 90 DAYS
4. LANDSCAPING REQUIRED OUTSIDE DECORATIVE FENCES AND WALLS SHALL BE MAINTAINED BY A MAINTENANCE AGREEMENT, AND SHALL BE DESIGNATED BY NATION, EASEMENT, OR COMMON LOT ON ANY MAJOR OR MINOR SUBDIVISION MAP
5. IF A SIDEWALK IS ESTABLISHED BEHIND LANDSCAPING, OR IF THE SIDEWALK MEANDERS, A PUBLIC ACCESS EASEMENT MUST BE GRANTED AND THE SIDEWALK AND ANY LANDSCAPING SHALL BE SUBJECT TO THE PROVISION OF MAINTENANCE ASSOCIATION AND A LICENSE AND MAINTENANCE AGREEMENT APPROVED BY THE DEPARTMENT OF PUBLIC WORKS.

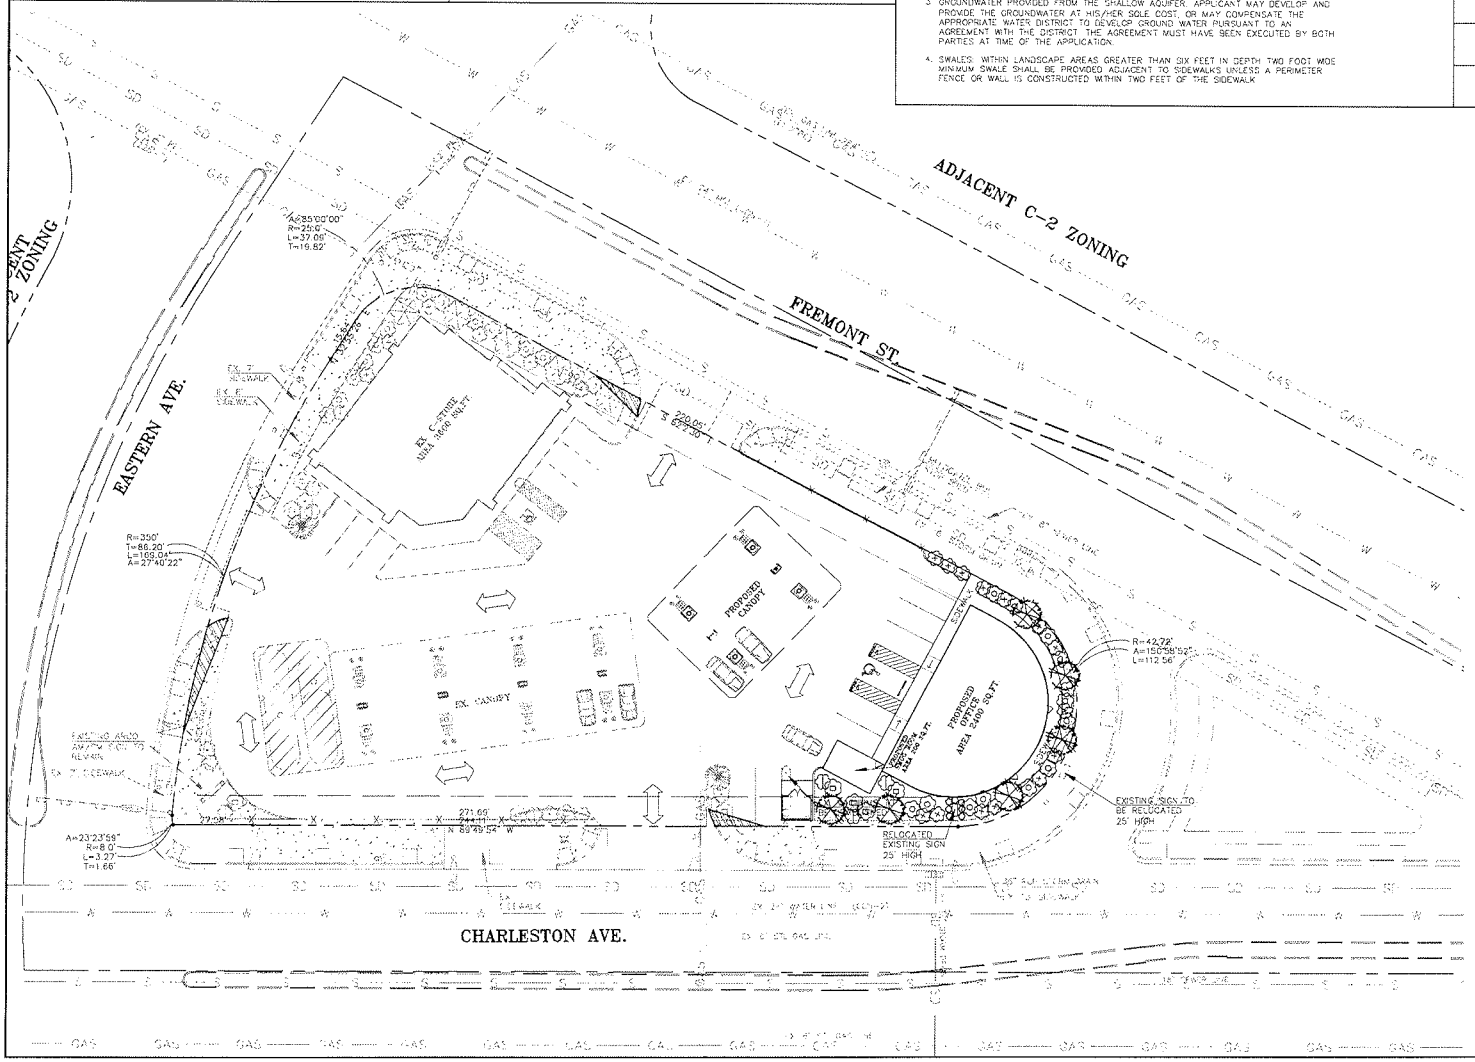

IRRIGATION:

A WATER CONSERVING IRRIGATION SYSTEM IS REQUIRED FOR ALL LANDSCAPING. DRIP OR SIMILAR SYSTEMS WITH NO OVER SPRAY SHALL BE USED WHEN IRRIGATION NO-TURF VEGETATION. IRRIGATION SYSTEM SHALL BE MAINTAINED IN GOOD OPERATION CONDITION. THE USE OR IRRIGATION SYSTEMS WHICH UTILIZE RECLAIMED WASTEWATER IS PREFERRED, AND REQUIRED FOR GOLF COURSES AS SOON AS A SOURCE OF RECLAIMED WASTEWATER IS AVAILABLE. RESTRICTIONS FOR OVER SPRAY SHALL NOT APPLY WHEN WATER USED WILL BE PROVIDED BY ONE OR MORE OF THE FOLLOWING METHODS:

1. WATER IS PROVIDED FOR THE APPLICANT'S OWN WELLS OR APPURTENANT OR TRANSFERRED WATER RIGHT WHICH CAN BE LEGALLY USED TO IRRIGATE THE PROPERTY ON WHICH A GOLF COURSE IS DEVELOPED
2. WATER IS PROVIDED BY THE WATER PURVEYOR; HOWEVER, THE APPLICANT MUST CONTRIBUTE TO AN EXTERIOR WATER EFFICIENCY RETROFIT PROGRAM APPROVED BY THE WATER PURVEYOR TO OFFSET THE IMPACTS ON WATER RESOURCES AND SYSTEM DELIVERY CAPACITY IN AN AMOUNT EQUIVALENT TO TWO TIMES THE AMOUNT OF WATER USED TO IRRIGATE TURF
3. GROUNDWATER PROVIDED FROM THE SHALLOW AQUIFER. APPLICANT MAY DEVELOP AND PROVIDE THE GROUNDWATER AT HIS/HER SOLE COST, OR MAY COMPENSATE THE APPROPRIATE WATER DISTRICT TO DEVELOP GROUND WATER PURSUANT TO AN AGREEMENT WITH THE DISTRICT. THE AGREEMENT MUST HAVE BEEN EXECUTED BY BOTH PARTIES AT TIME OF THE APPLICATION.
4. SWALES: WITHIN LANDSCAPE AREAS GREATER THAN SIX FEET IN DEPTH TWO FOOT WIDE MINIMUM SWALE SHALL BE PROVIDED ADJACENT TO SIDEWALKS UNLESS A PERIMETER FENCE OR WALL IS CONSTRUCTED WITHIN TWO FEET OF THE SIDEWALK

RE: APN: 139-35-805-001 Justification Letter for SDR #41235, SUP #41236 and Additional SUP and 2 Variance Requests

Dear Steve,

We are submitting this request for an additional 4 fueling pumps at the Arco AM/PM gas station located at 2320 E. Fremont Street in Las Vegas. Additionally, the owners are wishing to construct a 1-story, 2400 square foot office building on this same property of which 1500 sq. ft. will be occupied by a financial institution. A 200 sq. ft auto smog check facility is also being requested. In order to facilitate the addition of these pumps, the financial institution, and the auto smog check facility, the existing car wash structure will be demolished. The car wash structure is old and does not match the newer development in the surrounding area. With the removal of the car wash structure, these new improvements will actually have a positive impact on existing site congestion. The removal of the car wash structure and addition of the canopy with 4 fueling pumps will create a smoother flow of traffic on the site. The owners are also trying to enhance the appearance and value of their property with these improvements.

These site enhancements will require 2 Special Use Permits:

- SUP 41236 for the proposed financial institution. The building or portion thereof that is dedicated to the use shall have a minimum of 1500 square feet. The remaining 900 sq. ft. of this building will be utilized by the owners as a private office for the convenience store operation. The hours of operation for the financial institution will be from 8:00 a.m. to 11:00 p.m., seven days per week. There is a 1000 foot distance requirement from any existing financial institution. The distance from the proposed financial institution is 190 feet. A waiver is being requested for this 810 ft. difference. The financial institutions are separated by a major street. There is a required 200 foot distance from any residentially zoned property. This site is 130 feet from a residential property; however no home currently exists on this property. A waiver is being requested for the 70 foot shortage. The site is surrounded by 3 major streets (Charleston Blvd., Fremont Street and Eastern Avenue) which buffer this site from the residential parcel.

- SUP for Auto Smog Check. The owner is requesting an SUP for an Auto Smog Station that has 200 sq. ft. of covered facility with no stacking lane where code conditionally allows a stacking lane that will accommodate at least 3 cars without using any required site parking spaces for this use. All amenities will be available at the C-Store at all times while the auto smog check is in operation.

These site enhancements will also require 2 Variance requests:

- A variance to allow a rear yard setback of 10 feet where 20 feet is required in the C-2 zoning district. The uniqueness of this triangular site makes it difficult to meet the conditional setbacks. Additionally, the area directly behind the rear yard setback for the proposed financial institution is a public-right-of-way which goes between Fremont Street and E. Charleston Blvd. This right-of-way is typically used by customers of the C-store to go around the block from Fremont to E. Charleston. There is not a heavy traffic flow through this right-of-way except for customers to this site.

- A variance to allow 16 parking spaces where 25 are required. Once again, due to the odd, triangular shape of this site the parking layout does not always work for the best advantage. The owner has observed that the peak time for customer flow into the C-store is between 5 a.m. to 7 a.m. and again from 4:30 p.m. to 6:00 p.m. The auto smog check facility and the proposed financial institution are not open for business during the 5 a.m. to 7 a.m. time frame. Additionally, the owner has run a pump usage report for the month of March which shows that in a 14 hour time period from 5 a.m. to 7 p.m. the total pumping time for 1 pump was 40 minutes in the 14 hour period. I have attached this report for reference. It has also been the owner's experience that during peak hours cars remain parked for 3 to 4 minutes on the average. Additionally, cars entering the site have 24 fueling pump positions to pull into and customers can stay parked at the fueling pump while conducting their business on the site.

These site enhancements will require the following waiver and exception to the SDR #41235:

- A waiver from the perimeter landscape buffer width requirements is required along the east property line to allow 0' where 15' is required. The odd shape of this lot does not allow for this landscape buffer to exist on this site.

- An exception to the required design standard per Title 19.18.050 (E) (4) where trash container shall be located away from the street front and screened from view of the right-of-way. The odd shape of this lot and the addition of the auto smog check facility does not allow for this requirement to be met and the trash enclosure is located in view of the right-of-way.

This development will act to benefit the public welfare, as the proposed product will upgrade aesthetics on Eastern Avenue, Fremont Street and Charleston Avenue as well meeting City of Las Vegas development standards.

Sincerely,

To Whom It May Concern:

This letter is written in order to request approval for a special use permit for Beverly Palms located at 218 S 6th Street, Las Vegas, NV 89101. We respectfully request this allowance as this property provides an opportunity for resident of the community to have affordable housing options at this time in this very challenging economic climate.

By allowing the special use permit, it keeps the cost of housing affordable for the customers who wish to remain as residents of the property.

With approval of this special permit, the following modifications will be made to ensure required accommodations are provided:

1) The property is a building with a common bath/shower area and laundry room. These features will remain the same.
2) A common are kitchen will be added in what is currently room #111. This space is 12'3"x 9'9". Please see site plan for planned location.
3) Handicap parking (3) will be specifically located at the side of the building with access thru the rear door of the building.
4) Common parking is available to residents on the street as well as in parking lots/garages located in the immediate business area.

I look forward to meeting with you in order to further discuss the need for this allowance. I can be reached directly at 702-755-7478 with any questions you may have.

Thank you in advance for your support and consideration.

RE: 1715FREMONT ST. UNITS 110-150 LAS VEGAS
APN: 139-35-315-007 ; 139-35-315-006

Overview

The property located at 1715-1735 Fremont St. Las Vegas has been an automotive complex for more than 20 years. Bel-Air RG LLC et als purchased the property in June 2007, which is commonly referred to as Downtown Vegas property. Previous tenants were Mendoza Auto Sales, Vallarta Auto Sales, Bruce Transmission, P & P Brake. As the economy worsens, these tenants left the premises without any prior notice or approval from the Landlord.

In June 2009, the City issued a new Naming and Address Assignment to properly separate each unit for proper identification.

Special Use Permit

As per City's requirements, we would like to secure a special use permit for:

Address:	1715 Fremont unit 110,120,130,140,150
Location:	The units or bays are located within the complex. It is not visible from Fremont St. or Bruce St. Access is through the Bruce St. driveway and from the alley.
Square Ft:	355.2sf #110; 343.2sf #120; 412.49sf #130; 595.3sf #140; 1121.4sf #150
Use:	**Auto Body repair - major**

Hours of operation will be from 9am to 6pm. Days of operation shall depend on the tenants.

We would appreciate if you grant special use permit for the property at the soonest possible time. For any clarification, feel free to call our office at phone number 213-927-2700.

Truly,
The Management

Special Use Permit
124 So. 6th St. Suite 170 & 180
Las Vegas, NV 89101
APN: 139 34 611 051

Ladies and Gentlemen:

GK³ Architecture, on behalf of Izzat Hussain Shakir, is requesting the review and approval of a Special Use Permit for the Good Times Smoke & Chew convenience store. The store is located at the North West corner of Carson and 6th street. Currently the shop occupies suite 170. The proposed project is to join suite 170 with suite 180 and offer beer/wine/cooler off sale. The project is located in the Down Town Centennial Plan overlay district: Freemont East.

The proposed use conforms with the development pattern in the surrounding area and this is an appropriate use for the site. The benefits for the project are to support the goals of the Centennial Plan by creating a diversity of land uses in the downtown area. The businesses located in the same building include a barber shop, art retail shop, insurance office and a hotel. The store will offer convenience to local residents and adjacent tenants. The shop support's the city's goals to create a pedestrian friendly environment. A majority of the patrons are walk-in's. The uses are supportive and compatible with the neighboring land uses and this project will be an asset to the area.

The approval of the proposed design would not constitute a grant of any special privilege. The building would not allow a use or activity which is not permitted in the C-2 Zone, with a special use permit, and would pose no adverse effect to public health, safety, or welfare.

Thank you for your consideration of these matters.

Sincerely,

Gemie Knisely

RE: Special Use Permit
Secondhand Sales @ 4450 North Tenaya Way, Suite 100, Las Vegas, NV 89129

Issue -
Kymtec, LLC a Nevada corporation dba Northwest Arms is requesting a Special Use Permit at its Las Vegas location. Northwest Arms has currently signed a lease at 4450 N. Tenaya Way, Suite 100, Las Vegas, Nevada 89129 and submitted applications with the City of Las Vegas Business Licensing for a Sporting Goods (general retail) and a Pistol Permit. Northwest Arms has also requested temporary licenses until the Application process is completed. Northwest Arms intends to sell new firearms, rifles, ammunition and accessories, including but not limited to apparel, scopes, holsters, targets, etc. Northwest Arms also takes firearms in on trade as secondhand sales from previous customers or new customers who want to obtain a different type of firearm. All new and used firearms are called into NHP/NICS for a background check before the customer obtains the firearm.

Licensees play a critical role in protecting America from violent firearms crime through responsible and lawful distribution of firearms and accurate recordkeeping which assists ATF in tracing guns used to commit crimes. By complying with Federal law, licensees prevented the sale of more than 870,000 firearms to prohibited persons from November 1998 through September 2005. An untold number of lives have been saved and countless crimes have been prevented by stopping such transactions from taking place. (*Federal Firearms Regulations Reference Guide 2005*). Currently, there are no full service firearm retailers in the Northwest Las Vegas quadrant.

Information -
Northwest Arms intends to employ three (3) persons upon opening of the store and will increase the number of employees as demand increases. The hours of operation will be 10:00 AM to 6:00 PM unless otherwise specified at the store. Northwest Arms has an existing similar use owned

and operated by Kymtec, LLC a Colorado Corporation at its Mesquite location - 50 South Arrowhead Lane, Suite B, Mesquite, Nevada. Kymtec, LLC a Colorado Corporation has been in business for over seven (7) years at this location.

The required state licenses specific to our use is a Sporting Goods License (general retail for new rifles, ammunition, accessories, etc); a Pistol Permit (retail new firearms; Federal Firearms License (firearms, rifles, Class III); and a Special Use Permit for Secondhand Sales Use (used, trade-in's or estate collections).

Findings -

1. "The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan."

Northwest Arms is located within a shopping center that can accommodate a variety of uses including retail sales, medical and professional offices, personal services, and restaurants. The addition of a Firearms Retailer within this shopping center is compatible with the existing and future land uses as specified by the SC (Service Commercial) General Plan designation and CC&R's.

2. "The subject site is physically suitable for the type and intensity of land use proposed."

Northwest Arms is located within a shopping center that was designed to accommodate a variety of uses, including retail use, and conforms to both the General Plan and Title 19 land use designations of the site with the approval of a Special Use Permit.

3. "Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use."

The proposed Firearm Retailer is located within a C-1 shopping center that is adequately served by Craig Road, a 100-foot Primary Arterial, and Tenaya Way, a 60-foot Collector Street, as designated by the Master Plan Streets and Highways.

4. "Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan."

The proposed Special Use Permit will not be inconsistent with or compromise the public health, safety or welfare as a secondhand dealer is subject to licensing and inspections by the City of Las Vegas; BATFE, Bureau of Alcohol Tobacco Firearms and Explosives (pursuant to the Federal Firearms Regulations Reference Guide 2005, Gun Control Act, National Firearms Act, Arms Export Control Act); National Instant Criminal Background Check System; and the Las Vegas Metropolitan Police Department.

Northwest Arms is located three (3) miles from the Clark County Shooting Range and will allow customers access to regulated safe shooting. Currently, the Clark County Shooting Range offers a limited supply of ammunition and accessories that Northwest Arms can augment. The proposed site will reduce the length of trips of our customers to other shops in Las Vegas, thus reducing traffic trips and congestion in the core of the city. Opening Northwest Arms in Las Vegas fills vacant commercial property and improves the appearance of the business park and will generate sales tax revenues and additional employment for the city.

Michelle Gordon, Managing Member

RE: Parcel Number 138-22-302-008

City of Las Vegas
Planning and Development
333 N. Rancho Rd.
Las Vegas, NV 89101

To Whom It May Concern,

Attached is an application for a Special Use Permit that is being submitted for your approval. The parcel for which the Special Use Permit is being sought currently houses a Koster's Cash Loans location that is licensed to do High-Interest Loans. Koster's would like to expand our services to include Check Cashing, Deferred Deposit and Title Loans at this site.

Koster Finance, LLC d/b/a Koster's Cash Loans would like to request a waiver of the 1000 foot separation requirement as this location is 970 feet from an existing Title Loan use. Koster's would also like to request a waiver of the requirement that the portion of the building dedicated to this use be 1,500 sq. ft. or greater, as this location is 1,400 sq. ft.

The hours of operation will not extend beyond the hours of 08:00 and 23:00, and no additional parking is required for this site pursuant to Title 19.04.

Should you require anything further, please do not hesitate to call me. I can be reached at my office (702-248-0110) or on my cell phone (702-296-6324).

Respectfully,

Paul M. Smith

RE: Parcel Number 139-35-501-001

City of Las Vegas
Planning and Development
333 N. Rancho Rd.
Las Vegas, NV 89101

To Whom It May Concern,

Attached is an application for a Special Use Permit that is being submitted for your approval. The parcel for which the Special Use Permit is being sought currently houses a Koster's Cash Loans location that is licensed to do High-Interest Loans. Koster's would like to expand our services to include Check Cashing, Deferred Deposit, and Title Loans at this site.

Koster Finance, LLC d/b/a Koster's Cash Loans would like to request a waiver of the 1000 foot separation requirement as this location is 100 feet from an existing Title Loan use. Koster's would also like to request a waiver to allow no distance separation from Residential zoned property, where 200 feet is required.

The hours of operation will not extend beyond the hours of 08:00 and 23:00, and no additional parking is required for this site pursuant to Title 19.04.

Should you require anything further, please do not hesitate to call me. I can be reached at my office (702-248-0110) or on my cell phone (702-296-6324).

Respectfully,

Paul M. Smith
Executive Admin. Assistant

RE: ***Application for Special Use Permit***

To Whom It May Concern:

I am writing on behalf of Walgreen Co. in support of the application for a special use permit for the addition of accessory "off-sale" packaged beer and wine at the premises of Walgreens at 2421 East Bonanza Road. The location is currently operating and licensed as a drug store.

This location is zoned C-1, Limited Commercial. The proposed sale of packaged liquor will not adversely affect surrounding properties, as this store is located an intersection of two major thoroughfares – Bonanza Road and Eastern Avenue – and there are many commercial uses at this intersection. There are also other businesses in the general area that sale alcohol, so the proposed use would not be unique to the area.

With this special use permit, Walgreens will remain competitive with similar businesses by offering patrons the option to purchase packaged beer and wine for consumption off-premises. Although there is a 7-11 at this site, Walgreens does not compete with convenience stores, as their customers often seek mostly food and beverage items for immediate consumption and Walgreens will not be selling single cans of beer or single bottles of wine coolers. Since alcohol sold for off-sale consumption is commonly found at similar drug and retail grocery stores in Las Vegas,

RECEIVED
MAR 23 2011

SUP-41273

there would be no variable impact on other businesses by allowing Walgreens to sell alcohol for the convenience of its customers.

Walgreens will continue to maintain its high-level standard of operations, and the design, hours of operation, traffic generation, lighting, and noise at this location will remain unchanged with the issuance of a special use permit to allow for accessory packaged beer and wine. Also, the location will not devote more than 10% of the retail floor space to the display or merchandising of alcoholic beverages.

Furthermore, Walgreen Co. is a well-established national company with shares traded on the New York Stock Exchange. The company has over 60 stores in southern Nevada that maintain a low impact on neighboring properties.

As Walgreens is currently operating and the addition of packaged beer, wine, and liquor for sale is compatible with the surrounding area, we respectfully request a special use permit for the addition of accessory "off-sale" packaged beer and wine sales.

Please call me if you have any questions or need additional information.

Sincerely,

Jennifer Roberts

To Whom it May Concern:

Re: Prospective tenant Jackson Hamilton - "Innocent Bail Bonds Inc."

This justification letter is written in response to the Planning Departments pre-application conference request form for a special use permit.

In looking at all the foreclosures, bankruptcies and un-employment, I realize that landlords such as myself need to take advantage of any opportunity to rent a vacant space. Fortunately Mr. Jackson Hamilton, owner of "Innocent Bail Bonds" has chosen to relocate his office to my center replacing "Escretorio Publico" an accountant who had occupied the space for many years.

The on-site parking requirement is the same 4 spaces. Total tenant parking requirements indicate 30 spaces are needed, twenty seven are available. The fact that the Mason's lodge and Alcoholics Anonymous only meet in the evening when other businesses are closed mitigates parking demand.

Sincerely,

Brain Albiser

RE: APN 140-29-802-009, 631 N. Nellis ***Major Amendment to SUP for 24 hour service SUP19645***

Dear Sir or Madam:

Please accept this letter as our request for a Special Use Permit to allow an existing Check City Payday & Auto Title Loan store to request a major amendment to the special use permit for the financial institution, other, to allow 24 hour operation at this location. Check City has been in business at this location for 9 years. When the business opened in 2002, the hours of operation varied, depending on the demand, anywhere from 6-12:00 to 24 hours.

The City of Las Vegas amended its zoning ordinance in 2003 to regulate financial institutions, including regulating the hours of operation. Because the store was in existence before the City changed the code regarding payday loan businesses (financial institution, specified per the zoning ordinance), it became a legal non-conforming use. In 2007 we applied for a use permit to expand and improve the existing store at the NWC of Nellis and Bonanza. That application modernized the façade to the company's current prototype, with earth tone colors and stone work.

The business has operated with expanded business hours and as a 24 hour business for over 9 years with no issues at all. We did not realize that when we were approved for the new use permit the new

RECEIVED
MAR 24 2011

SUP-41289

restrictive hours of operation would apply, otherwise we would have asked for a waiver at that time. Code enforcement has been targeting all payday loan businesses regarding their signage, and when they came to the 611 N. Nellis store they noticed the signage for 24 hours, and gave them a notice of violation. Check City would like to maintain the 24 hour operation to retain their clients and to be competitive with Money Tree down the street that is also 24 hours. Since the business has been operating for so long, with no impact to adjacent properties and neighbors, this amendment will have no impact on the area.

Please contact me with any questions regarding this matter. Thank you for your consideration in this matter.

Yours truly,

Lucy Stewart

Dear Ladies/Gentlemen:

Please accept this as the required justification letter for a special use permit to allow a service bar (beer and wine) at the Panini Cafe, APN 163-07-501-012, together with a waiver of the required separation from a child care facility (reduction to zero) and to a synagogue (approximately 360' separation).

1. The use is permitted in the district subject to a special use permit, and is a normal incidental use to an Italian restaurant.

2. The surrounding development is entirely commercial; the adjacent child care facility has indicated they do not object to the proposal.

3. No external change to the existing building is contemplated. Internal changes will only be as needed to meet city codes.

RE: Parcel Number 163-03-501-012

City of Las Vegas
Planning and Development
333 N. Rancho Rd.
Las Vegas, NV 89101

To Whom It May Concern,

Attached is an application for a Special Use Permit that is being submitted for your approval. The parcel for which the Special Use Permit is being sought currently houses a Koster's Cash Loans location that is licensed to do High-Interest Loans. Koster's would like to expand our services to include Check Cashing, Deferred Deposit, and Title Loans at this site.

Koster Finance, LLC d/b/a Koster's Cash Loans would like to request a waiver of the 1000 foot separation requirement as this location is 150 feet from an existing Financial Institution Specified use. Koster's would also like to request a waiver of the requirement that the portion of the building dedicated to this use be 1,500 sq. ft. or greater, as this location is 1,040 sq. ft.

The hours of operation will not extend beyond the hours of 08:00 and 23:00, and no additional parking is required for this site pursuant to Title 19.04.

Should you require anything further, please do not hesitate to call me. I can be reached at my office (702-248-0110) or on my cell phone (702-296-6324).

Reference: Zoning Approval Request
T-Mobile Site VG08690B

Spectrum Surveying & Engineering, on behalf of T-Mobile USA, is submitting a request for a Special Use Permit to allow the construction of a telecommunications facility on a Industrial District (M) zoned parcel. The proposed site location is at 2400 Highland Drive, parcel number 162-04-402-004. This geographic location was selected by T-Mobile USA as a desirable location to work within their existing network of antennas and towers. T-Mobile USA proposes to construct an 80' monopole type multi-user telecommunications tower within an 8' block wall compound. The subject parcel is an existing automobile towing facility. Per the provisions in the City of Las Vegas code, this tower is being proposed as a multi-use tower in order to accommodate additional carriers that will most likely seek additional coverage in the area after the proposed I-15 widening project.

The proposed antennas are required to provide adequate coverage to customers using wireless services in the area. Businesses, governments, emergency services and the general public are all users of cellular technology. The installation of this facility will enhance service coverage and reliability for users in the City of Las Vegas. The Federal Communications Commission determined the wireless system serves the national interest and directly and indirectly benefits all members of the public.

The approval of this application is consistent with the zoning code and does not grant any special privileges above and beyond those of other properties in the vicinity. In addition the approval will not be detrimental to the health, safety or general welfare of persons residing or working in the neighborhood, or injurious to property, resources, or improvements in the vicinity, nor will create any additional impact to the traffic system in the area.

Sincerely,
Spectrum Surveying & Engineering

Damien Huggard
Project Manager

Parking Ratios for Suncoast Casino

Currently the Suncoast Casino and Hotel as **5500** parking spaces. The Hotel is allowing us 5 spaces.

The square footage of the hotel and casino is 96,000 square feet and the formula the city wanted was 90 divided into the square footage that gives us 1,067 spaces. The facility has ample parking.

Re: Special Use Permit for a Martini Lounge / Liquor Establishment within Tivoli Village at Queensridge Parcel 138-32-601-003 Building 9 units 150 and 230.

Dear Sir/Madam;

Please consider this request to allow a Liquor Establishment (tavern) within a previously approved mixed use development (SUP-5853). The site is located within a 29 acre commercial and residential development located at the northeast corner of Alta Drive and Rampart Boulevard.

This Martini bar uses a unique two-story design. The first story has both standard table seating as well as a lounge area. The second story offers an outdoor terraced seating area that overlooks the Tivoli Village entry feature and the commercial promenade below. The second story indoor area provides 15 gaming machines and additional seating area. The second story outdoor area is integrated into the Tivoli Village second story promenade. It is designed to facilitate thoroughfare for both patrons of the establishment as well as the general public. Furniture is permanently affixed to the mezzanine and will accommodate patrons of the establishment as well as the larger mixed use district.

This establishment expects to have more alcohol sales than food sales and therefore should be considered a Liquor Establishment. The parking allocation for this restaurant is grandfathered into the project-wide parking agreement. Please reference VAR-10773 that approved 3,955 spaces where 4,961 would otherwise be required. Please also refer to ordinance 6013 that waives a separation requirement between taverns that are located in a mixed use district.

This application requires a waiver of separation distance to allow less than 1,500 feet from the property line of the subject parcel to the property line of the nearest city park. The Tivoli Village mixed use development is situated on a parcel on which the north easternmost corner measures 160 feet from a playground within Angel Park (138-32-501-003). It is important to note that the commercial portion of this 30 acre parcel is on the westernmost side of the mixed use area. Consequently approximately 560 feet of mid-rise residential development is situated between the commercial portion of Tivoli Villages and the subject playground. Further, the subject suite is at the opposite end of the mixed-use parcel thereby providing more than 1000 feet from the front door of the supper-club to the property line of the playground. It is also notable that there are two barriers between this park and Tivoli Village. The first is an approximate 600 foot fence along the northern boundary of the property. The second is a drainage channel that is more than 20 feet

deep. As a result, a pedestrian must walk more than 2600 feet to the park while there is no direct vehicular access. For this reason, the park is suitably protected from this liquor establishment. If you have additional concerns please phone me at 598-1408.

Very truly yours,

Lora Dreja

RE: "Covenant of Love" Behavioral Services Center
1100 N. Martin Luther King Blvd Ste. # C
Las Vegas, NV 89106

This request is to license a Center for Cognitive & Behavioral Services:

Mission
"Covenant of Love" mission: is to promote spiritual consciousness, an awareness of skills mentally and physically that teach individuals to go beyond the conditioned limits that restrict life. Enhancing and creating new ambitions for living life with sober-minded purposes.

Vision: Insight for Living Life: Cognitive and behavioral changes that last a life-time----

Justification Statement:
This project {**Cognitive and Behavioral Services**} will provide supportive services to disable individuals not excluding individuals suffering with mental health issues:

The objective is to identify and provide preventive measures, including effective mentoring, coaching, skill building and treatment for individuals with mental health disorders, substance abuse issues, domestic violence and anger management tendencies. The program will assist the justice system, mental health facilities, and other referring agencies to support the well-being of our community by engaging and addressing behavioral problems.
The services provided will reduce recidivism, substance abuse relapse, the use of costly hospital services, and domestic violent re-offending.

Activities on site:

A. Assessments
B. Support groups of (6) persons/2x times a week
C. Counseling sessions (clients)
D. Staff Supervision
E. Staff interviewing clients for services, preparing treatment plans; and writing case notes, and billing assignments.

Individuals will be exposed to information, and techniques of direct new awareness's, coping, anger management, substance abuse, mental health and employment skills. The program will employ professions with counseling, case management specialties, and a team of ~~physicians and~~ clinical specialists, so best practice and quality care is provided.

This facility will operated six-days a week, Monday through Friday from 9am until 7pm, and Saturday 10am until 3pm and closed on Holidays and Sundays.

If there are questions to be answered, feel free to contact the President, and Program Administrator: Charlene W. Bynum at 702-810-4830

Respectfully

CORRECTED LETTER

Mr. Gareth Spicer
708 South Jones Boulevard
Las Vegas, Nevada 89015

RE: SDR-35518 - SITE DEVELOPMENT PLAN REVIEW

Dear Mr. Spicer:

Your request for a Site Development Plan Review FOR THE PROPOSED CONVERSION OF A SINGLE FAMILY RESIDENCE TO A 1,688 SQUARE-FOOT OFFICE BUILDING WITH WAIVERS OF THE PERIMETER LANDSCAPE BUFFER REQUIREMENTS TO ALLOW A TEN-FOOT BUFFER ALONG THE WEST PERIMETER WHERE 15 FEET IS REQUIRED AND A ZERO-FOOT BUFFER ALONG PORTIONS OF THE NORTH PERIMETER WHERE FIVE FEET IS REQUIRED on 0.15 acres at 708 South Jones Boulevard (APN 138-36-316-007), P-R (Professional Offices and Parking) Zone, Ward 1 (Tarkanian), was considered by the Planning Commission on September 25, 2009.

The Planning Commission voted to ***APPROVE*** your request, subject to the following:

Planning and Development

1. The building elevation and free-standing sign shall be painted earth-tone, subject to approval of Planning and Development staff.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the floor plan date stamped 08/07/09 and the site plan and landscape plan date stamped 08/28/09, except as amended by conditions herein.

4. A Waiver from Title 19.12.040 is hereby approved, to allow a ten-foot wide landscape buffer along the west property line where fifteen feet is required and to allow a zero-foot wide landscape buffer along a portion of the north property line where five feet is required.

5. An Exception from Title 19.12.040 is hereby approved, to allow a stone walking path within the north and south perimeter landscape buffers where trees, shrubs, and groundcover is required.

6. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications.

SDR-41037

7. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.

8. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

9. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

10. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

11. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

12. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

13. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

14. Coordinate with the City Surveyor to determine whether a Reversionary Map or other map is necessary; comply with the recommendations of the City Surveyor.

15. Remove all substandard public street improvements, if any, adjacent to this site and replace with new improvements meeting current City Standards concurrent with on-site development activities.

16. If on-street parking is not already prohibited adjacent to this site, submit a written request to the City Traffic Engineer to eliminate parking on Jones Boulevard adjacent to this site prior to the issuance of any permits.

17. Landscape and maintain all unimproved right-of-way on Jones Boulevard adjacent to this site. Alternatively, hard surface all unimproved right-of-way on Jones Boulevard if allowed by the Planning and Development Department and/or required by the Nevada Department of Transportation prior to the issuance of a business license. Maintain all such improvements in perpetuity. All landscaping and private improvements installed with this project shall be situated and maintained so as not to create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

18. Obtain an Occupancy Permit from the Nevada Department of Transportation for all landscaping and private improvements in the Jones Boulevard public right-of-way adjacent to this site.

19. This site will be subject to the traffic signal impact fee as required by Ordinance No. 5644 at the time permits are issued.

20. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing final grade elevations and drainage patterns for this site prior to submittal of construction plans or the issuance of any building or grading permits, whichever may occur first. Provide and improve all drainageways as recommended.

This action by the Planning Commission on **September 24, 2009** is final unless a written appeal is filed with the City Clerk within ten days of the date of the Planning Commission's decision or there is a review action filed by the City Council within the same time period. The Notice of Final Action was filed with the Las Vegas City Clerk on ***September 25, 2009***.

To Whom it may concern at the City of Las Vegas:

We respectfully request that our SDR is moved to the May 10th agenda. We will be complying with all landscape requirements by the city and have already complied with the "color of the building" requirement. However we will be requesting that the 5' area in the NDOT right of way located on Jones Blvd frontage be paved in NDOT approved sidewalk as all businesses have done as they have converted their zoning. For at least 5 miles in both north and south directions on Jones , all business have concreted their side walk directly in front of their buildings. Percentage wise, our landscape architect has stated there is more than enough landscape area to meet city standards without landscaping the sidewalk. We are not asking any different than what all of the other properties have done along Jones Blvd. Thank you.

Sincerely

Gareth Spicer

Re: Site Development Plan Review for a Sexually Oriented Business within the *South District* of the *Downtown Centennial Plan.*

Dear Sir/Madam;

Please consider this request to expand the existing Olympic Garden property by way of a Major Site Development Review. The property is in a C-2 zone and currently holds entitlements for a Sexually Oriented Business (SOB), Tavern and a parking deviation allows a minimum 75 parking spaces for the existing uses. This request exercises the recently approved ordinance TXT-39658 which allows for an expansion and alteration of a Sexually Oriented Business when it is located within in the Downtown Centennial Plan area. The applicant proposes removing the existing building previously approved at 31,679 square feet and constructing a new three story 69,290 SF building with a fourth level roof deck (elevation 54 feet).

The floor plans indicate the new building the primary use of the building is an adult entertainment cabaret with ancillary uses including a tavern, beauty salon, 150 SF area massage treatment room and outdoor recreational area and spa. The revised design includes three stories of fully enclosed area (61,220 SF). The fourth story has a 9,400 SF indoor day spa paired with an 8,770 SF outdoor patio that includes a swimming pool and bar area. Areas allowing on-premise consumption of alcohol (tavern) has increased from 31,679 SF to 47,507. This represents a 50% increase and is in conformance with 19.16.030 *Nonconforming Use of a Conforming Building.*

The site is located within the Downtown South District of the *Downtown Centennial Plan.* In this area the long term plan makes concessions to parking via the assumption that this area relies less on cars and more by taxi's, public transit and pedestrian traffic as compared to outlying neighborhoods. As such, Title 19 parking standards are not automatically applied (*see also Ordinance 6080*). Previous entitlements have established a minimum 75 parking spaces for the SOB property. The proposed site plan provides 162 on-premise spaces.

While not submitted as part of the current Site Plan Review, it should be noted that the applicant controls two parcels (162-03-202-002,003) located within 200 feet of the parcel that Olympic Gardens occupies. These parcels can accommodate 196 additional spaces. In the event the on-site spaces are not sufficient, a separate design review may be considered for the ancillary lot.

Design guidelines published in the *Downtown Centennial Plan – South District* were incorporated into the design for the streetscape, landscape and streetside building façade. The building design requests the following waivers of Architectural Design Standards

Waiver item 5.b of Architectural Design Standards requires an articulated roof line or cornice as a major feature. The Centennial Plan provides a sample illustration of art deco features surrounding doorways and columns. The design of Olympic Gardens is mindful of providing visual interest versus a monolithic building. It is for this reason that the rooflines of the building includes a stepped profile that represents an attractive building form. The façade allows large openings on the fourth level to provide views to roof-top trees and vegetative forms. The trees and open space provided meet the intent of the code by providing visual interest. Guardrails, beams and support columns are also visible. This method is preferable to ornamental attachments as trees and rails are more functional and match the modern character of the building.

Waiver Item 5.d Arcades, awnings and canopies The face of the building on the second story reaches the ROW line. As a result, pedestrians are comfortably shaded along Las Vegas Boulevard and the shades and canopies are not needed. Also, the main entrance of this night club is accessed from the parking lot versus the street side. This configuration is preferable as it directs slowing vehicular traffic onto the site, and the location of the entrance is more discreet considering the adult nature of the building. The use of canopies, overhangs and entrances along Las Vegas boulevard would disorient both traffic and pedestrians.

In lieu of doorways along the ROW the architect will provide graphics along the 1st story wall of the building to ensure visual interest within the streetscape.

Waiver item 5.g Architectural details should be carried on all sides of the building. This parcel shares a property line with a residential use. While the building facades adjacent to streets and parking lots have windows balconies and insets, the façade fronting the residential has a small (approx 1 foot) inset has smaller windows. On the third story the window are placed more than 5.5 feet above floor level and recessed to ensure patrons cannot look downward into neighboring properties. The entire wall of the fourth level is recessed and windows are placed more than two feet from the outside shell of the building. Again, this is to provide natural light inside the facility while ensuring that patrons cannot look downwards to neighboring properties. This is a conscious attempt by the applicant to ensure privacy of the adjacent neighborhood.

If you have additional concerns please phone me at 598-1408.

Very truly yours,

Lora Dreja

RE: EL CORTEZ – OGDEN HOUSE ENCROACHMENT OF ALLEYWAY

To Whom it May Concern:

This office represents the applicant, IKE Gaming, Inc. f/k/a Exber, Inc., d/b/a El Cortez Hotel and Casino in the above-referenced matter. This application is for an encroachment of an alleyway. This encroachment is requested because some of the desired improvements and beautification items being constructed by the El Cortez on its adjacent properties encroach into, or are to, the alley. The entire project is designed to compliment the already completed renovation of the Ogden House, now rebranded Cabana Suites. The encroachment is necessary for the beautification of the streetscape. It will tie into any future expansion and development of the El Cortez adjacent parking lot. That parking lot participates in this beautification.

These improvements, which results in the encroachment, are viewed as the second step in the expansion process. The first step was the redevelopment of the Cabana Suites f/k/a the Ogden House. IKE Gaming spent Eight Million Dollars ($8M) completing this first phase of the project. This work consisted of an entire renovation of the interior and exterior of the Ogden House, and the re-branding of the property to Cabana Suites. The third step in the El Cortez redevelopment may be a pool and patio project built on the valet parking lot adjacent to the Cabana Suites.

The area for which applicant is seeking an encroachment is generally described as: approximately 20 feet in width x 75 feet in depth, measured from the curb, heading north from Ogden Street into the alleyway running between Stewart Street and Ogden Street, parallel to 6th and 7th Streets ("Encroachment Area"). That area is marked by hand on the attached assessor's parcel map, Attachment #1. It is also identified on the survey by LOCHSA SURVEYING, Attachment #2.

Real Property Impacted by Proposed Encroachment. As a preliminary manner, there will be two uses of the alley: 1) the Encroachment Area running between the parcels owned by IKE Gaming on which the courtyard improvements beautifying the streetscape are constructed, and linking the two El Cortez parcels (APN 139-34-512-027 and 139-34-612-003) ("Courtyard"); and 2) the remainder of the alley, which is not improved and continues to be used as a public alleyway.

The unimproved portion of the alley is adjacent to parcels owned by S&J Group, Inc. (APN 139-34-512-029); Henry J PPTYS Las Vegas LLC (APN 139-34-512-028); JASSA Inc. (APN 139-34-612-001 and 002); Neighborhood Housing Services of Southern Nevada (APN 139-34-512-030); (collectively "Adjacent Landowners") and IKE Gaming (whose parcel abuts the entire western edge of the alley) (APN 139-34-512-027).

A. Courtyard. The Encroachment Area will be beautified by improvements to the alley and the two adjacent parcels, both owned by IKE Gaming (APN 139-34-512-027 and 139-34-612-003). We refer to its purpose and concept as the "Courtyard." A schematic drawing of the Proposed Improvement is attached hereto as Exhibit "A". The concept drawings for the Courtyard are enclosed as drawings Exhibit "B". Both indicate the nature of the improvements. Exhibit "C" displays the materials and finishes being used.

B. Unaffected Public Alleyway. With respect to the public alleyway which is not part of the improvement project, the eastern portion is abutted by property owned by the above-referenced Adjacent Landowners. The entire western side is owned by IKE Gaming.

To be clear, the visual barrier being built does not block access. This is not a closure of the alleyway.

C. Easements & Utilities. All existing utility easements remain in place. Given the existing intensive utility use of the alleyway, IKE Gaming previously dedicated a utility easement on its parcel APN 139-34-512-027 to facilitate expansion of the El Cortez Hotel and Casino and Cabana Suites. That dedication included IKE Gaming (at its expense) burying the power line in that newly dedicated underground easement. That dedication limits design choices for the gate.

We don't believe there are any street lights that need relocation or removal. One street light was relocated when the utilities were relocated underground as discussed above.

D. Adjacent Landowners. The Adjacent Landowners have been contacted on several occasions, most recently by certified mail, and verbal support has been received from 3 of the 4. We will seek letters of support, if necessary.

MAR 22 2011

SDR-41257

E. Development Standards. At the present time IKE Gaming is not requesting any setbacks, utilities or other waivers with reference to the Courtyard, because no approvals for it are being requested. No parking study has been conducted because existing parking is not affected, and no additional parking needs are created by the encroachment.

F. Further Justification. The Cabana Suites renovation vastly improved the surrounding streetscape. Its "hip" designed room renovation is designed to attract a younger, different, more affluent clientele to the downtown. That appeal fails when a hotel guest steps out the front door and is confronted with a rundown alleyway, patched asphalt and potholes, visible unattended dumpsters, and scattered trash. Because of the guests' and El Cortez's security concerns related to the alley, the El Cortez has posted 24 hour security at the Cabana Suites. Turning the adjacent alleyway into the Courtyard will mitigate the security concerns, while creating a much more attractive streetscape and sense of "arrival". The Courtyard will also compliment the existing courtyard across Ogden at the El Cortez, and upgrade the visitor appeal to this portion of Ogden Street. (See Sheet 1 of the Burnett Haase site plan attachment).

G. Fees. Enclosed with this letter are two checks - $500, plus $500 for notification and advertising.

H. Application. In addition to the attachments and exhibits referred to herein, enclosed are: 1) City of Las Vegas Department of Planning Pre-Application Conference Notes; 2) Department of Planning Submittal Checklist (along with the plans referenced therein); 3) the Application/Petition Form with Statement(s) of Financial Interests from Michael J. Nolan and Alan J. Woody, the persons in charge of managing this project.

I. Grant Deeds. Attached as Exhibits "D" and "E" are copies of the vesting deeds for the IKE Gaming properties abutting the alleyway.

J. Encroachment Agreement. The El Cortez also attaches as Exhibit "F" to its application a proposed Encroachment Agreement that describes the improvements and commits the El Cortez to maintain and repair the improvements that encroach upon the alley. It provides for a bond to secure that performance. It gives the City the power to enforce and remove the improvements if they are not maintained.

K. Additional Materials Provided. Pursuant to the Site Development Plan Review Submittal Requirements the following are attached: 1) Site Plan (6 folded and 1 rolled); and 2) Building Elevations (1 folded and 1 rolled).

L. Council Hearing Requested. The El Cortez requests that this matter receive a full public hearing with the City Council at its June 15, 2011, meeting. The El Cortez also requests that the Encroachment Agreement be approved at that meeting.

M. In Closing. The Courtyard will facilitate the revitalization and redevelopment of downtown Las Vegas. It creates a sense of arrival for vehicular and pedestrian users of Ogden Street, the visitors at the El Cortez, and for the guests at the newly renovated Cabana Suites f/k/a Ogden House. This type of pedestrian patio and passageway is needed to complete the Ogden streetscape vision created by the $8 million renovation of the Cabana Suites. It benefits the entire downtown.

Thank you for your consideration of this matter and please feel free to contact myself or Mike Nolan directly should you have any questions or concerns.

Sincerely,

Bruce A. Leslie, Chtd.

Re: Justification Letter – Site Development Plan Review for a Temporary Parking Lot
Nevada State Bank
APN # 139-34-610-023 & 031

To Whom It May Concern:

This office represents the applicant in the above-referenced matter. This application is a site development plan review for a temporary parking lot on approximately .85 acres generally located on the southeast corner of Carson and 4th Street.

The site is currently owned by Nevada State Bank ("Bank"). The Bank foreclosed on the property and demolished the improvements as they were blighted and essentially condemnable. As the Bank is not in the business of developing property, they have been attempting to sell the site since they were forced to recover the asset. However, to date, the Bank has not been able to sell the property. Consequently, the Bank is proposing to utilize the site on an interim basis as a 112 stall temporary parking lot.

The Bank is aware that the City is working to address the parking demands in Downtown Las Vegas and the proposed use would aide in the solution until it is sold and redeveloped. Further, the Bank is not a developer and in the event the site is not utilized as a parking lot it will remain a vacant lot, and despite the Bank's best efforts invariably become an attraction for trash disposal and loitering. Even if the Bank secures the site, eliminating these nuisances is nearly impossible.

The Bank is further proposing to waive the requirements of the Downtown Centennial Plan with respect to landscaping and offsite improvements. Again, the proposed use is temporary and compliance with the Downtown Centennial Plan can be required at the time redevelopment occurs. The Bank is only proposing the parking lot use as a temporary solution to aide in addressing current parking demands and prevent the site from becoming an undesirable nuisance. The Bank is willing to accept a condition that this use be reviewed on a regular basis to insure the property is appropriately maintained.
