Facilities are provided throughout City Hall for convenience of persons with disabilities. For meetings held in the Council Chambers, sound equipment is available for persons with hearing impairments. If you need an accommodation to attend and participate in this meeting, please call the DEPARTMENT DESIGNEE at (702) 229-6301 and advise of your need at least 48 hours in advance of the meeting. The City's TDD number is (702) 386-9108.

August 9, 2011

6:00 PM

ALL ITEMS ON THIS AGENDA ARE SCHEDULED FOR ACTION UNLESS SPECIFICALLY NOTED OTHERWISE. UNLESS OTHERWISE STATED, ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON. TWO OR MORE AGENDA ITEMS FOR CONSIDERATION MAY BE COMBINED; AND ANY ITEM ON THE AGENDA MAY BE REMOVED OR RELATED DISCUSSION MAY BE DELAYED AT ANY TIME.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Clerk's Bulletin Board, City Hall Plaza, 2nd Floor Skybridge
Clark County Government Center, 500 South Grand Central Parkway
Las Vegas Library, 833 Las Vegas Boulevard North
Grant Sawyer Building, 555 East Washington Avenue
Bulletin Board, City Hall Plaza (next to Metro Records)

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS AND PAYMENT OF THOSE COSTS SHALL BE MADE UPON FILING OF THE APPLICATION.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.

3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.

4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.

5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.

6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.

7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.

8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

BUSINESS ITEMS:

1. CALL TO ORDER

2. ANNOUNCEMENT: COMPLIANCE WITH OPEN MEETING LAW

3. ROLL CALL

4. PUBLIC COMMENT

5. FOR POSSIBLE ACTION TO APPROVE THE FINAL MINUTES FOR THE PLANNING COMMISSION MEETING OF JULY 12, 2011

6. FOR POSSIBLE ACTION - Any Items from the Planning Commission, staff and/or the applicant wish to be stricken or held in abeyance to a future meeting may be brought forward and acted upon at this time.

CONSENT ITEMS:

CONSENT ITEMS ARE CONSIDERED ROUTINE BY THE PLANNING COMMISSION AND MAY BE ENACTED BY ONE MOTION. HOWEVER, ANY ITEM MAY BE DISCUSSED IF A COMMISSION MEMBER OR APPLICANT SO DESIRES.

ONE MOTION - ONE VOTE

THE FOLLOWING ARE ITEMS THAT MAY BE CONSIDERED IN ONE MOTION/ONE VOTE. THEY ARE CONSIDERED ROUTINE NON-PUBLIC AND PUBLIC HEARING ITEMS. ALL PUBLIC HEARINGS AND NON-PUBLIC HEARINGS WILL BE OPENED AT ONE TIME. ANY PERSON REPRESENTING AN APPLICATION OR A MEMBER OF THE PUBLIC OR A MEMBER OF THE PLANNING COMMISSION NOT IN AGREEMENT WITH THE CONDITIONS AND ALL STANDARD CONDITIONS FOR THE APPLICATION RECOMMENDED BY STAFF, SHOULD REQUEST TO HAVE

THAT ITEM REMOVED FROM THIS PART OF THE AGENDA.

Las Vegas, NV

Re: Justification Letter for Special Use Permit

To whom it may concern:

Pancit Adobo Filipino Restaurant seeks a special use permit in efforts of attaining a beer and wine license through the City. Pancit Adobo is an established full service restaurant located on 2131 Rock Springs Dr that has been open since the last week of October, 2010. Currently the hours of operation are from 10:30 am to 9 pm daily serving breakfast, lunch, dinner, desserts and party trays. Patrons have the option of taking out food or dining in with seating approximately amounting to 170 which include additional seating in a private banquet room.

The purpose of on-site sale of beer and wine is to increase daily revenue as well as foot traffic to keep the restaurant afloat during these economic times. There will be some entertainment at night such as singing and karaoke on selected nights and live music on other nights which start at 9:00 pm. All beer and wine /wine coolers will be sold with meals/food. No additional development to the facility is required since the business is already functioning. The anticipated schedule of operation will be daily from 11 am to 3 am. To facilitate the later hours, additional staff will be hired. There are two on-site managers, one of which will always be on the premises at any given time.

Hopefully, you will grant us the required Special Use Permit soon. Should you need more information, please don't hesitate to contact me at (702) 452-3626 or (702) 372-3585.

Sincerely,

Gloria Rosell-Ensler

Manager

VAC-42053

To whom it may concern:

The Department of Public Works requests a Petition of Vacation of excess public rights-of-way on 4th Street, north of Stewart Avenue, adjacent to the current City Hall. The City is in the process of transferring ownership of the City Hall parcel to private ownership, and this petition will clean up the right-of-way boundaries to coincide with the actual roadway improvements.

Thank you,

DEPARTMENT OF PUBLIC WORKS SURVEY SECTION	BLM RIGHT-OF-WAY GRANT N-77772 VACATION
DATE: 06/22/2011 DRAWN BY: MK SHEET: 1 OF 1	EXHIBIT TO ACCOMPANY LEGAL DESCRIPTION

RECEIVED
JUN 23 2011
City of Las Vegas

VAC-42250

To whom it may concern:

The Department of Public Works requests a Petition of Vacation of portions of the Sheep Mountain Parkway right-of-way grant that it currently possesses. Through negotiations between the City and KAG Properties, LLC it has been determined that portions of the City's BLM grant N-77772 may be relinquished contingent upon KAG Properties, LLC performing certain obligations outlined in their Development Agreement. If approved, the City will only vacate its interest that are outside the future boundaries of the revised Sheep Mountain Parkway footprint and will only do so after the exact right-of-way footprint is dedicated to the City by KAG Properties, LLC and is recorded on their Final Map.

Thank you,

Randy Fultz

RE: Symphony Park (Parcels M1 & M2) Justification Letter
(APN #'s 139-33-511-009 & 139-33-511-010)

Dear Planning,

The Symphony Park Master Association, Inc. proposes to develop a park within the Symphony Park Development. The site for the park is comprised of two parcels (M1 & M2) located on .58 acres of vacant land between Symphony Park Avenue at the intersections of Promenade Place. These parcels are located northwest of the Smith Center for the Performing Arts, currently under construction. The park will provide an immediate aesthetic complement to the development and is being designed to harmoniously connect with the adjoining M3 parcel.

The Park improvements will include planting, irrigation, decorative hardscape, and opportunities for art and sculpture. No on-site parking or vehicular access is planned other than the designated public right-of-way. In accordance with the Symphony Park Master Plan, parking will be accommodated through existing and proposed structures and surface lots off-site.

This project, being within the Symphony Park Development is part of the USGBC's LEED ND pilot program – which is the only such project in the State of Nevada, and will therefore utilize sustainable elements and design techniques throughout. As part of this effort, the site will reduce storm water runoff from pre-development conditions, and utilize xeriscape design principles for the landscape material, including water efficient plantings. A water efficient irrigation system will be used for landscaping. Provisions will be made for recycling construction waste.

The M1 parcel consists of existing utility infrastructure, proposed Symphony Park development entry statement sign for the master development, and a drop off/pickup zone in the public right-of-way. An encroachment agreement will be required for the proposed private landscaping located at the northeast and southeast corners of the parcel M1 in public right-of-way. The proposed uses conform to the current zoning designation.

RECEIVED
JUN 23 2011

SDR-42260

JW ZUNINO
LANDSCAPE ARCHITECTURE

Plan | Design | Grow

The M2 parcel consists of existing utility infrastructure, and landscaping. The proposed uses conform to the current zoning designation.

Per discussions with City staff (Dennis Moyer – Land Development) to expedite the permitting process, CLV will allow civil improvement plans to be reviewed by Land Development after preliminary drainage review and pending approval. No permits shall be issued until Conditions of Approval from the City Council meeting are met.

The project will comply with all conditions and comments from the Symphony Park Design Review Committee.

Re: Justification Letter
Department of Planning applications
ZON, GPA, and SDR

Subject: Crystal Park Apartment Homes
3000 N Michael Way
APN 138-13-512-001

Dear Sir or Madame;

In conjunction with the above referenced applications, please let this letter serve as the required Justification Letter to the applications.

Issue, Information, and Findings. We are proposing to develop two-story apartment homes on the subject 9.92 vacant land parcel noted above consisting of 80 two-bedroom units and 56 three-bedroom units with two-car garages (136 total units).

The land is currently designated as O (office) and L1/R (light industrial/research) and would need to be re-designated for Medium Density Residential and Apartment (R-3). The subject land is mostly surrounded by residential areas (R-3 to the north, R-1 to the south, and R-1 to the west) and we feel apartment homes would be better suited for this parcel and more compatible with the surrounding properties than the business park we would otherwise propose. An apartment home project would generate substantially fewer people present on the property at a given time, which would mean far less traffic and therefore less noise, and other traffic related problems for the surrounding residents than a business park.

Tables noting the number of people present on a given day, the number of open and/or garaged parking spaces, and the amount of traffic (i.e., number of trips) the proposed apartment homes as differentiated from an otherwise proposed business park on the same parcel are stated below:

8090 S. Durango Drive, Suite 115 | Las Vegas, Nevada 89113 | *phone* 702.395.9244 | [illegible] | www.beksgroup.com

Residents/Employees/Service Personnel	*Proposed Apartment Homes*	*Current proposed Light Industrial/Office project ("Business Park")*
Estimated Number of Residents/Employees/Service Personnel on a given day	520	1,360

Parking Spaces	*Proposed Apartment Homes*	*Current proposed Light Industrial/Office project ("Business Park")*
Number of regular open parking spaces	135	*506
Number of parking spaces enclosed in garages	272	0

* based on current proposed twelve 2-story office buildings with 16 offices per building for a total of 192 offices

**Traffic: number of trips*	*Proposed Apartment Homes*	*Current proposed Light Industrial/Office project ("Business Park")*
Average Day, number of trips	948	2,145
AM Peak Hours, number of trips	71	185
PM Peak Hours, number of trips	93	193

*See Traffic Generation report attached

The ingress and egress at the north end of the apartment homes project and a second egress would be quite a distance away from the existing residential houses on the south side of the project. Our proposed apartment home plan would keep the majority of the parking away from those houses and there would be less traffic and less traffic noise than would occur from the allowed 192 offices.

These apartment home units will be an asset to the neighborhood and will provide large units with 2-car garages. Large units of this nature are lacking in this area. We estimate the rent to be in the approximate range from $975 to $1,200 per month. We anticipate this project will introduce a higher living environment much more compatible with the single family homes in the area than a business park.

The leasing/management office for the project would be located at the northwest area of the property far away from the residential homes along the south and west property line adjacent to Michael Way, 80' from a right-of-way and a 20' from a

RECEIVED

GPA-41777 ZON-41778 SDR-41779

dedicated alley. Office hours for the on-site office would be Monday through Friday 8:00 a.m. to 5:00 p.m. plus Saturdays 10:00 a.m. to 2:00 p.m.

Number of employees/residents. The number of residents would be 239.36 persons, based on the U. S Census Bureau 1990 results as provided by the City of Las Vegas Environmental Impact Assessment, 1.76 persons multiplied by 136 units.

Hours of operation. Office hours for the on-site office would be Monday through Friday 8:00 a.m. to 5:00 p.m. plus Saturdays 10:00 a.m. to 2:00 p.m.

Existing similar uses owned or operated. In addition to other residential and commercial properties in the Las Vegas area, we currently own and operate a similar apartment project with attached garages named the Hidden Canyon Village Apartments at 3940 Scott Robinson Boulevard in North Las Vegas Nevada.

Specific state licenses. No specific state licenses are required to operate an apartment home project.

Green Building Program. This project will not participate in the Las Vegas Green Building Program.

LEED construction. This project will not be constructed to LEED or other equivalent standards.

Alternative energy sources or water savings measures. Although this project will not utilize any alternative energy sources, we do plan the following energy saving/water saving measures:

Energy-saving light bulbs will be used, and we will look into and consider other feasible energy saving measures as we become aware of them.

Desert landscaping is planned in order to save water plus water saving fixtures and faucets.

Connectivity to adjacent parcels. This project will not be connected to any other parcel.

Walkable community. This project qualifies as a walkable community in that it is within ½ mile of more than one commercial property containing restaurants, grocery stores, and other amenities.

Sustainable construction. The other means of sustainable construction for this project include the positioning of the buildings, light color paint, and the use of energy-saving lights.

Urban Forestry Initiative. Currently there are no trees on the vacant land however some trees will be planted to provide shade.

Bicycle parking. We plan to provide some bicycle parking at the project.

Electric vehicle recharging stations. No charging stations are planned at this time

They have already approved a church at Michael Way and ~~Smoke Ranch~~ Madre Mesa that will increase traffic along Michael Way. another set of apartments would increase the traffic even more. This is supposed to be a residential area - the street has already become a short cut for many drivers + ~~to~~ drivers do not adhere to the 25mph speed zone.

MAY 12 2011

Revised 10/27/08

SDR 41779
Rancho Properties, LLC

3000 N. Michael Way

Proposed 136 unit apartment complex.

Traffic produced by proposed development:

Proposed Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	APARTMENT [DWELL]	136	6.72	914
AM Peak Hour			0.51	69
PM Peak Hour			0.62	84

(heaviest 60 minutes)

Existing traffic on all nearby streets:

Michael Way

Average Daily Traffic (ADT)	2,838
PM Peak Hour	227

(heaviest 60 minutes)

Cheyenne Avenue

Average Daily Traffic (ADT)	38,700
PM Peak Hour	3,096

(heaviest 60 minutes)

Traffic Capacity of adjacent streets:

	Existing Street Capacity
Michael Way	16,300
Cheyenne Avenue	51,800

This project will add approximately 914 trips per day on Michael Way and Cheyenne Ave. Michael is currently at about 17 percent of capacity and Cheyenne is at about 75 pecent of capacity. After this project is added, Michael is expected to be at about 23 perenct of capacity and Cheyenne to be at about 76 pecent of capacity.

Based on Peak Hour use, this development will add roughly 84 additional cars into the area, which works out to about three every two minutes.

Note that this report assumes all traffic from this development uses all named streets.

Application Information

SDR-41779 - SITE DEVELOPMENT PLAN REVIEW RELATED TO GPA-41777 AND ZON-41778 - PUBLIC HEARING - APPLICANT/OWNER: RANCHO PROPERTIES, LLC - For possible action on a request for a Site Development Plan Review FOR A 136-UNIT APARTMENT COMPLEX WITH A WAIVER TO ALLOW NO LANDSCAPE BUFFER ALONG PORTIONS OF THE NORTH PERIMETER WHERE SIX FEET IS REQUIRED on 9.92 acres at 3000 North Michael Way (APN 138-13-512-001), O (Office) and C-M (Commercial/Industrial) Zones [PROPOSED: R-3 (Medium Density Residential)], Ward 5 (Barlow).

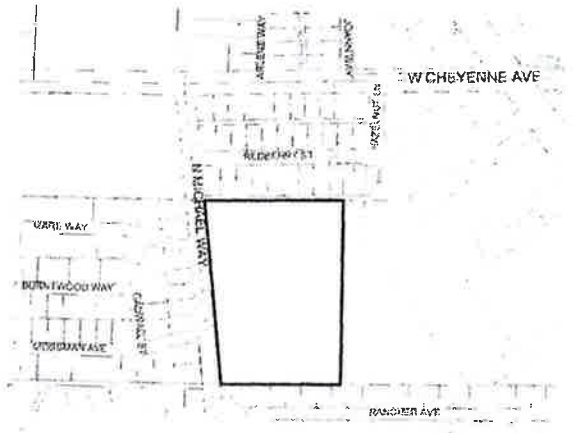

WE DO NOT NEED MORE APARTMENTS AROUND US. TOO MANY NOW. TWO QUESTIONS, "WHY BUILD MORE APARTMENTS WHEN WE HAVE EMPTY ONES ALL OVER TOWN? WHOSE DUMB, THOUGHTLESS IDEA WAS THIS? SHAME ON THEM!

IF THIS HAPPENS, I PRAY IT DOES NOT, CRIME WILL INCREASE WHICH IS BAD NOW.

PLEASE DO NOT APPROVE THIS PLAN. THANK YOU

P. Robinson

RE: Justification Letter for Fort Apache & Horse, NEC
Request: A GPA & ZON for Service Commercial and C-1
APN: 125-08-210-002

Dear Mr. Flagg:

Please accept this justification letter for a General Plan Amendment to the Centennial Hills Sector Plan and a companion item for a Zone Change. This application is located on a 1.54 +/- acre parcel located at the northeast corner of Fort Apache and Horse.

The request is to change the General Plan land use category to Service Commercial (SC) and the Zoning classification to the Limited Commercial District (C-1) to allow a neighborhood commercial center. These changes would be consistent with the zoning on site on the opposite corner to the west. Although the applicant clearly understands that this parcels proximity to residential will require greater consideration and sensitivity to the design and appropriate uses.

The purposes of the proposed GPA & ZON amendments are to enable convenient neighborhood commercial center with goods and services in a setting that is functionally and aesthetically compatible with the existing adjacent land uses and zoning. The intent is for one story buildings with intense landscape buffers abutting the residential.

The Centennial Hills Sector Plan currently depicts the property as Planned Community Development (PCD). The existing Zoning is Residential Estates (R-E). The parcel is part of the Spring Mountain Ranch Overall plan but no future details were provided as to it affects on this location.

RECEIVED
MAY 26 2011

Approval Criteria for a GPA LVMC 19.18.030.(I)

(1) *The density and intensity of the proposed General Plan Amendment is compatible with the existing adjacent land use designations;*

GCGARCIA

GPA-41934
ZON-41933

A Planning & Development Services Corporation
1711 Whitney Mesa Drive, Suite 110, Henderson, Nevada 89014-2158
Telephone: 702 435 9909 Facsimile: 702 435 0457 E-Mail: ggarcia@gcgarciainc.com

The proposed land use designation of SC is compatible with existing land use designations in light of the appropriateness for SC on the opposite corner; proximity to the interchange; busy signalized intersection; size, shape and configuration of the property; and the inconsistency of the existing R-E zoning with the surrounding land uses.

(2)*The zoning designations allowed by the proposed amendment will be compatible with the existing adjacent land uses or zoning districts;*

The current R-E zoning is completely inconsistent with the General Plan and surrounding land use designations. The proposed C-1 zoning is consistent with the proposed S-C land use designation. The SC and C-1 match the opposing corner that is C-1. The C-1 with permitted lower intensity uses and SUPs for more intense uses coupled with good design sensitive to the abutting residential will be more compatible, marketable and sustainable than the existing designations.

(3)*There are adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed General Plan designation; and*

This site has all necessary infrastructures to facilitate development under the SC land use. The abutting roadways are an arterial and a major collector. The streets as well as the street landscaping and corner entry feature are built. The surrounding developments have brought in the necessary utilities sufficient to serve the property.

(4)*The proposed amendment conforms to other applicable adopted plans and policies.*

The proposed SC does not conflict with other plans and policies. In fact, to develop the property as currently zoned would create an inconsistency. The proposed GPA will be in conformance to the City's and Centennial Hills goals, objectives and policies.

Centennial Hills Sector Plan Goal & Objectives 2.8
This site will help create a balance and appropriate mix of land uses that will be fully supported by the existing circulation, infrastructure and public and private services. It will help bring in essential goods and services that can conveniently serve the neighborhood. The development design will be done to assure compatibility with existing development and in particular the abutting residential.

Policy A1.1 – *Participate in Public Facilities*
The property has contributed with the land and improvements for Horse & Fort Apache as well as sidewalks, landscaping, and landscape entry feature.

RECEIVED
MAY 26 2011

Policy A2 – *Encourage the use of Vacant Land Adjacent to Develop Land*
The property is essentially an infill location that can help promote the efficient and orderly development of land. The current land use and zoning are preventing the appropriate and timely development of this site.

Objective B - *Achieve a compatible balance of land uses*
The addition of some convenient good and services for the neighborhood will help achieve a balance of uses and the nature of the commercial use as SC and C-1 will be compatible in use and design.

Program B3.3 - *Buffering adjacent single family*
The property will provide an intense buffer according to the City's wall and buffer guidelines.

Policy B4 – *Provide for balance of uses*
The commercial will help serve the immediate neighborhood and reduce VMT contributions to congestion and air quality. The proposed use will make the neighborhood more walkable.

Program B5.5 - *Provide for appropriate small scale neighborhood centers at major roadway intersections adjacent to residential areas.*
The site is at an intersection with major roadways and adjacent to residential.

SUMMARY JUSTIFICATION
In summary, we believe this overall development advances the overall objectives of the Centennial Hills Sector Plan and will be an attractive addition to this neighborhood and provide for a mix of land uses that work together in an appropriate and compatible manner.

We respectfully request you favorable consideration of this request. Please contact me if you have any questions or need additional information.

Sincerely,

George Garcia,
President

RE: MASTER PLAN OF STREETS & HIGHWAYS AMENDMENT – SHEEP MOUNTAIN PARKWAY

Dear Mr. Rankin:

Please accept this letter as justification to amend the City's Master Plan of Streets & Highways for the realignment of Sheep Mountain Parkway between Grand Teton Drive and Fort Apache Road as well as the removal of the prior roadway network in Kyle Canyon Gateway. The modification is needed to move the Sheep Mountain Parkway alignment back to the original southern alignment where right-of-way already exists. This change is due to the insolvency of the Kyle Canyon Gateway project which modified the alignment to the north. The current owner of the Kyle Canyon Development is not able to acquire the extra private property to provide for the North Alignment of Sheep Mountain Parkway. This amendment will also delete adopted Master Planned roadways that were within the previous Kyle Canyon Gateway project. This realignment of Sheep Mountain Parkway and the deletion of the prior roadway network has been coordinated with the owner of the Kyle Canyon Master Planned Community. Once the new development agreement has been approved, a new roadway network will be added to the Master Plan of Streets & Highways.

Please feel free to contact me at 229-6541 should you have any questions regarding our request.

Respectfully,

Randy L. Fultz, P.E., C.F.M.
Acting City Engineer

Application Information

GPA-41958 - MASTER PLAN OF STREETS AND HIGHWAYS - PUBLIC HEARING - APPLICANT/OWNER: CITY OF LAS VEGAS - For possible action on a request to Amend the Master Plan of Streets and Highways TO REALIGN SHEEP MOUNTAIN PARKWAY BETWEEN GRAND TETON DRIVE AND FORT APACHE ROAD AND DELETE MASTER PLANNED ROADWAYS WITHIN THE KYLE CANYON MASTER PLAN AREA, Ward 6 (Ross).

We attended the last meeting. We are more concerned about the area of Durango + Maryasin, which we were told was in the future. The problems we found with that are:
① Economy ② People in the area that have horses will not be able to ride out that way.
③ Mammoth bones found ④ The airforce uses that area to pass the value of our homes even more. ⑤ It will depreciate ⑥ Noise

Application Location

The proposed project may not pertain to the entire highlighted project site.

Public Hearing Information

Meeting: Planning Commission
Date: July 12, 2011
Time: 6:00 P.M.
Location: City Council Chambers
400 Stewart Avenue
Las Vegas, Nevada

Any and all interested persons may appear before the City Planning Commission either in person or by representative and object to or express approval of this request; or may, prior to this meeting, file a written objection thereto or approval thereof with the Department of Planning. Case Planning Division, Development Services Center, 333 North Rancho Drive, 3rd Floor, Las Vegas, Nevada 89106. Final Action on General Plan Amendments and Rezonings will be determined by the City Council. Other public hearing items may be deemed Final Action by the Planning Commission or forwarded to the City Council. The date of the City Council meeting, if applicable, will be announced at the Planning Commission meeting after the discussion of the item. For further information, including the full staff report, please call (702) 229-6301 (TDD 386-9108) or go to http://www.lasvegasnevada.gov.

CARWIN
ADVISORS

May 26, 2011

Bart Anderson, PE
Engineering Project Manager, Development Coordination
City of Las Vegas Department of Public Works
333 N. Rancho Drive, 7th Floor
Las Vegas, NV 89106

Subject: KAG Properties review of the proposed revision to the Masterplan of Streets and Highways

Gentlemen,

Carwin Advisors, as agent for KAG Properties, LLC and Wachovia Bank, has reviewed the proposed revision to the City's Masterplan of Streets and Highways dated May 26, 2011. This revision shows the proposed Sheep Mountain Parkway transversing the KAG property in a southwest to northeast manner. This alignment is consistent with our discussions with the City concerning revisions to the Development Agreement for this property. It is our understanding that the streets, internal to the KAG Properties Kyle Canyon masterplan, have been omitted from this revision until such time as we have completed our Traffic studies and the streets exact geometry and widths are known.

We are in concurrence with the proposed changes and have no objections to this revision to the Master Plan of Streets and Highways. Thank you for your continued cooperation in the re-entitlement of the Kyle Canyon masterplan.

Sincerely,

Michael D. Ross PE
Senior Director

1.0 Overview

1.1 Purpose

The purpose of the Master Development Plan and Development Standards along with the Guidelines for this PD plan is to provide the parameters of development for the New Vista Community Project. The project is located on 15.05 net acres located at the Southwest Corner of Grand Teton and Rainbow Boulevard in the City of Las Vegas. In 2007, New Vista submitted a development plan that reflected its desire to develop the charities property. At the time, the property was zoned U (Undeveloped) with a General Plan designation of DR (Desert Rural). Based upon the proposed plan, the City of Las Vegas approved a General Plan Amendment, GPA-16578, a Zone Change ZON-16580, and a Site Development Review, SDR-16581 with the zoning approved to PD (Planned Development) and a General Plan Amendment to PCD.

2.0 PD District

2.1 Intent of PD District

The Intent of the Planned Development District (PD) is to permit and encourage comprehensively planned developments whose purpose is redevelopment, economic development, cultural enrichment, or to provide a single purpose or multi-use planned development. The rezoning of property to the PD District may be deemed appropriate if the development proposed for the District can accomplish one or more of the following goals:

1. Providing for an orderly and creative arrangement of land uses that are harmonious and beneficial to the community.

2. Providing for a variety of housing types, employment opportunities or commercial or industrial services, or any combination thereof, to achieve variety and integration of economic and redevelopment opportunities.

3. Providing for flexibility in the distribution of land uses, in the density of development, and in other matters typically regulated in zoning districts.

4. Providing for cultural, civic, educational, medical, religious or recreational facilities, or any combination thereof, in a planned or a unique setting and design.

5. Providing for the redevelopment of areas where depreciation of any type has occurred.

6. Providing for the revitalization of designated areas.

7. Promoting or allowing development to occur in accordance with a uniform set of standards, which reflect the specific circumstances of the site.

8. Avoiding premature or inappropriate development that would result in incompatible uses or would create traffic and public service demands that exceed the capacity of existing or planned facilities.

9. Encouraging area sensitive site planning and design.

10. Contributing to the health, safety and general welfare of the community and providing development, which is compatible with the City's goals and objectives.

2.2 Minimum Site Area

The minimum site area for Planned Development District is five acres, except that the City Council may waive this requirement when the proper planning justification is shown. The boundary of the New Vista Community Project is 15.05 net acres.

3.0 New Vista Community Planned Development (PD)

3.1 History and Background

The New Vista Community was started back in the mid-eighties to provide for the needs of the adult intellectually challenged. The concept was to provide facilities and residential opportunities for its beneficiaries (hereinafter referred to as residents) to live and work independently and be a part of the general community. In the late eighties, New Vista was - donated 15 acres by the Gilcrease family in what was then Clark County. To date, with volunteer work and donations, four "ranch houses" have been built on this property. Each "ranch house" provides six adult residents with room and board and the supervision -by a non-handicapped caretaker couple. New Vista Community has evolved over the past twenty years, to the point where the concept is now to also take care of the more senior segment of the intellectually challenged population by providing opportunities and support so they may experience life to the fullest..

3.2 Proposed Project Designation

Initially, the New Vista parcel was zoned RE with the proper use permits in unincorporated Clark County. Now that the land has been annexed into the City of Las Vegas, the property has been rezoned as a Planned Development with an approved Site Development Review. -. To achieve the goals and uses that are hereby proposed, a review of conditions for the approved SDR and Zoning Conditions is being requested.

3.3 Site Boundary

The boundaries of the New Vista Community, for which these guidelines are written, are described in Exhibit 8.A.

3.4 Permitted Uses and Standards

As defined in Chapter 19.06.050 Special Purpose and Overlay Districts PD Planned Development District. Any combination of residential, commercial, industrial or public uses may be permitted within a specific Planned Development Plan for that district. The uses to be permitted within the district must be specified in the adopted Master Development Plan for the district.

Planned Uses:

In the development of these facilities, New Vista Community's goal is to provide a portion of the adult intellectually challenged population a place to live and enjoy a positive lifestyle which to the fullest extent possible
" ...assure(s) equality of opportunity, full participation, independent living and economic self-sufficiency..."[1]. These facilities must provide an array of activities and services that will promote:

1. More independent functioning of the residents within a professionally supervised setting
2. More opportunity for the residents to enjoy interaction with other residents within the New Vista community.
3. "...cultural, civic, educational, medical....recreational..." fulfillment of the New Vista residents.

To achieve these goals, the following uses are proposed:

1. Allow existing residential facilities that provide living quarters for adult intellectually challenged residents and their supervising caregivers.
2. Allow new assisted living apartments for senior intellectually challenged residents
3. Allow offices for the administration of the New Vista community
4. Allow offices for professional medical care limited to:
    a. Monitoring of the health and welfare of the residents
    b. Minor medical care of the residents

c. Provide Occupational and Physical Therapy for the residents
d. Administration of the medical care facilities.

[1] Public Law 101-336, The Americans with Disabilities Act of 1990 (As Amended July 26, 1990), Section 2. Findings and Purposes, item 8.

5. Allow workshops to promote the training of the residents of New Vista in skills including, but not limited to:
   a. Arts and crafts
   b. Painting
   c. Woodworking
   d. Ceramics
   e. Sculpture
   f. Stained Glass
   g. Jewelry
6. Allow central dining/banquet facilities
7. Allow recreational facilities including, but not limited to:
   a. Community Center
   b. Gymnasium
   c. Pool and spa
   d. Fitness/aerobics

The new facilities are for the use of New Vista Community, its members [2] and its residents and are not open to the general public. The new facility shall not have retail sales and the intention of the ***"Education/Employment Center"*** is to encourage the development of the residents' skills so that they might start businesses in other office locations. Any products produced by such "businesses" would be offered for sale at an appropriate offsite commercial location (e.g., the New Vista thrift store at *5220 West Charleston Boulevard*).

3.5 Special Events

New Vista Community, pursuant to their fundraising and/or social activities for their non-profit organization, may, with appropriate city approvals, hold up to sixteen (16) special events on site per year. Examples of these events include, but are not limited to the following:

1. Bachelor and bachelorette celebrity auction
2. Wine tasting gala and auction/silent auction
3. Masquerade ball and auction/silent auction
4. Special Olympics competitions
5. Golf Tournament (held off-site)

[2] members are those intellectually challenged individuals living in southern Nevada and their immediate families and guardians

3.6 Future Expansions or Alterations

Any significant revision of the plans as initially approved shall be subject to a Site Plan Development Review by the City Council at a Public Hearing. This public hearing shall require notice to all property owners within a one half mile radius of the Property, except that written notice of such public hearing shall extend south to Elkhorn Avenue. All future expansions and/or alterations shall be harmonious and compatible with the approved design.

4.0 Site Design Criteria

4.1 Building Setbacks *and Height*

	Grand Teton	*Rainbow*	*Gilcrease Orchard*
Community/ Rec Building	*100 ft.min.*	*200 ft min..*	*150 ft. min.*
Education/Employment Ctr.	*20 ft.min.*	*600 ft. min*	*70 ft. min..*
Assisted Living Buildings	*300 ft.min.*	*50 ft. min.*	*70 ft. min.*
Medical Building	*300 ft.min.*	*50 ft. min.*	*70 ft. min.*

Minimum separation between buildings to be 15 feet

Existing Ranch House Buildings to remain as built

4.2 Building Setback Exceptions

1. Underground Utilities
2. Roof Overhangs
3. Steps and sidewalks
4. Landscaping and related irrigation

5. Planter and related irrigation
6. Driveways and curb cuts

4.3 Service and Loading Areas

Service and loading area yards shall be screened from adjacent streets pursuant to Title 19.

4.4 Parking, Driveways and Circulation

1. Parking required

There shall be 100 parking spaces as stated in the Conditions of Approval for ZON-16580.

2. Handicapped Parking

The appropriate handicapped spaces shall be provided in accordance with the requirements as outlined in the City of Las Vegas Zoning Code Title 19.

3. Driveways

The existing driveway on Rainbow Boulevard shall provide access to the site in Phases I and II. In Phase III, all public access shall be from the newly constructed driveway on Grand Teton. In Phase III, the Rainbow driveway shall be crash gated and limited to fire truck emergency access only.

4.5 Signage

1. Temporary Signage

Temporary construction signs naming Builder, architect, etc, are allowed subject to the time limits of constructions and shall not exceed 32 square feet.

2. Site Signage

Monument signage naming the Project shall be provided in accordance with the requirements as outlined in the City of Las Vegas Zoning Code Title 19. The monument signs [4] will be located at the two entrances and corner of property.

[3] Landscape gravel shall be as approved by the City of Las Vegas planning staff.

[4] Monument signs are to be one hundred twenty square feet in area maximum, 6 feet high maximum, and if illuminated shall not have exposed neon.

4.6 Landscaping

All landscaping shall be in accordance with the requirements of Title 19.

4.7 Fences and Walls

All fences and walls shall be in accordance with the Title 19 and the Landscape Wall Caps and Buffer Guidelines.

4.8 Streetscape

1. *Grand Teton street frontage to be as per Exhibit 6.j. "Multi-use Transportation Trail"*
2. *Rainbow Boulevard street frontage to be as per Exhibit 6.j. "Multi-use Transportation Trail"*

4.9 Transportation Plan and Traffic Impact Analysis

Pursuant to Title 19.06.050B.(1), the site plan depicts the transportation plan. The site is located on the southwest corner of the intersection between two major streets. See Exhibit 6h for the Traffic Impact Analysis. Due to the fact that the residents of the property do not own or drive vehicles, the conclusions of the traffic study that the development of the site will not generate a significant amount to traffic to the surrounding roadways are reasonable. New Vista has agreed that it will participate in future warranted offsite improvements if required by the City of Las Vegas Public Works.

4.10 Preliminary Drainage Analysis

With the assistance of New Vista, the City of Las Vegas and the Clark County Regional Flood Control District, these agencies have just completed the constructed a new drainage structure on the west side of the New Vista site. This structure collects and conveys floodwaters from Grand Teton and ties into a recently constructed storm water system for Rainbow Boulevard at its south

terminus. New Vista's Civil engineers are proposing to tie the on-site and offsite drainage into this storm water system subject to City of Las Vegas and the Clark County Regional Flood Control District approvals.

5.0 Architectural Design Criteria

5.1 Purpose

The design objective of the architectural criteria is to establish the parameters and theme for creating a uniform Architectural character comparable with the surrounding planned communities. To this end, all building elevations shall be residential in character.

5.2 Style

The architectural character of the New Vista Community project is intended to be "Western" in design with architectural detail reminiscent of the Colorado Rockies and appropriate to a planned community development.

5.3 Building Height

The building heights shall be:

1. The maximum height for any building on the site shall not exceed 42 feet
2. The maximum height for those buildings fronting Rainbow Boulevard shall not exceed 24 feet
3. The maximum height of the Education Employment Center shall not exceed 27 feet.
4. The maximum height of the Assisted Living Units not exceed 24 feet.
5. The maximum height of the Medical Building shall not exceed 24 feet.

5.4 Mechanical Equipment / Trash Area Screening

Exterior mechanical equipment, whether roof or ground mounted, shall be screened on all sides in a manner aesthetically compatible with the architectural design of the buildings. Trash enclosures shall be aesthetically compatible with the architectural design of the buildings.

5.5 Building Materials and Finishes

1.	Exterior Walls:	Stucco/*EIFS*, Stone veneer, Painted concrete tilt-up walls, Split face masonry
2.	Glazing:	*R*eflective (22% max. reflectivity) *or* tinted glass
3.	Roofing:	Existing sloped roof s are to remain as is New *low rise* sloped roofs to be concrete tile

EEC and Community/Rec Building sloped roofs are to be architectural grade standing seam metal. New flat roofs are to be built-up roofing

5.6 Exterior Lighting

1. The design objective for the lighting criteria is to provide safe, functional lighting in an aesthetically pleasing manner.
2. Area Illumination is to provide for entry areas and other people-gathering places. On-site lighting not permitted to shine offsite
3. Street lighting on Grand Teton only (if permitted by the City of Las Vegas)
4. Area illumination for the parking lot to be 20 feet maximum and shall be downcasting shoe box fixtures mounted on pole standards.
5. Service area lighting shall be contained within the service yard boundaries.
6. Landscape lighting shall be integrated into the overall project lighting design. Proper shrubs [5] shall be incorporated into the design so as to eliminate any light pollution that might reach on the north side of Grand Teton or on the east side of Rainbow Boulevard

5.7 Exterior Colors

The intent of the exterior colors is to create a desert responsive color palette, of warm earth tones with primary color accents which shall be considerate of the adjacent residential areas. See the color and materials board, Exhibit 8.G.

5.8 Landscape Plan

All landscaping shall be installed in accordance with a landscape plan as submitted to and approved by the City of Las Vegas planning staff prior to the issuance of building permits.

6.0 Transfer Not To Relieve New Vista of its Obligations/Rights of Assignees and Transferees

Except as expressly provided herein, no assignment or transfer of all or any portion of the Property shall relieve New Vista of its obligation hereunder and such assignment or transfer shall be subject to all the terms and conditions of this document provided further that no such assignee or transferee shall be entitled to any rights or privileges under this document or otherwise with regard to the Property or the use thereof unless such assignee or transferee assumes in writing and in full all obligations and duties of New Vista under this document and as required by the conditions of zoning approval related to and imposed with regard to GPA-16578, SDR-40980, ROC-40981 and MOD-41437.

7.0 Modification of Master Development Plan and Standards

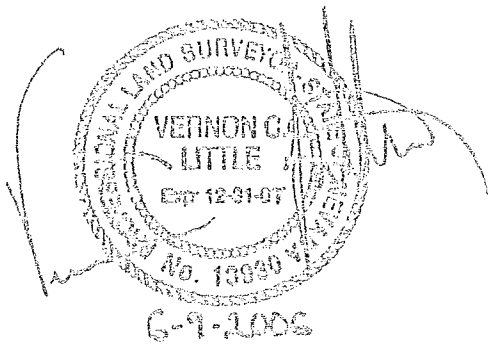

This document may be modified only in accordance with the provisions of the Las Vegas Municipal Code 19.060.050(G) and Title 19 shall govern any matter not specifically provided for in this Master Development Plan.

1 Phasing Plan
scale: 1" = 60'-0"

New Vista Ranch Phasing Plan:

I

1. Phase One - Build One New Residential Home and Onsite Medical Office
   a. Utilize existing access to Rainbow Boulevard. No offsite improvements to Rainbow Blvd. or Grand Teton except as noted in detail 2/A1a
   b. Construct underground utility connections to adjacent public utilities in Rainbow Boulevard.
   c. Construct non-standard multi-use trail on Rainbowl street frontage consisting of:
      -rough graded frontage for a depth of 25'
      -desert landscaping for a depth of 25' except as noted
      -construct 10' wide decomposed granite pathway per detail 2/A1a

II

2. Phase Two - Build Four (4) More Residential Homes
   a. Construct non-standard multi-use trail on Grand Tetonl street frontage

III

3. Phase Three - Build Two (2) Additional Residential Homes
   a. Construct Grand Teton improvements as indicated on the Phasing Plan.
   b. Construct onsite roadways to direct onsite vehicle circulation to the Grand Teton access point.
   c. Construct fire truck crash gate on Rainbow to restrict access

IV

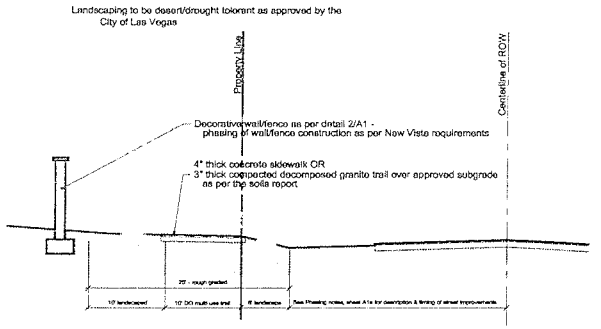

4. Phase Four - Build Two (2) Remaining Residential Homes

V

5. Phase Five - Construction of the Education & Employment Center Building
   a. Construct full offsites on Rainbow Boulevard as per approvals obtained at that point in time.

VI

6. Phase Six - Construction of the Recreation Center

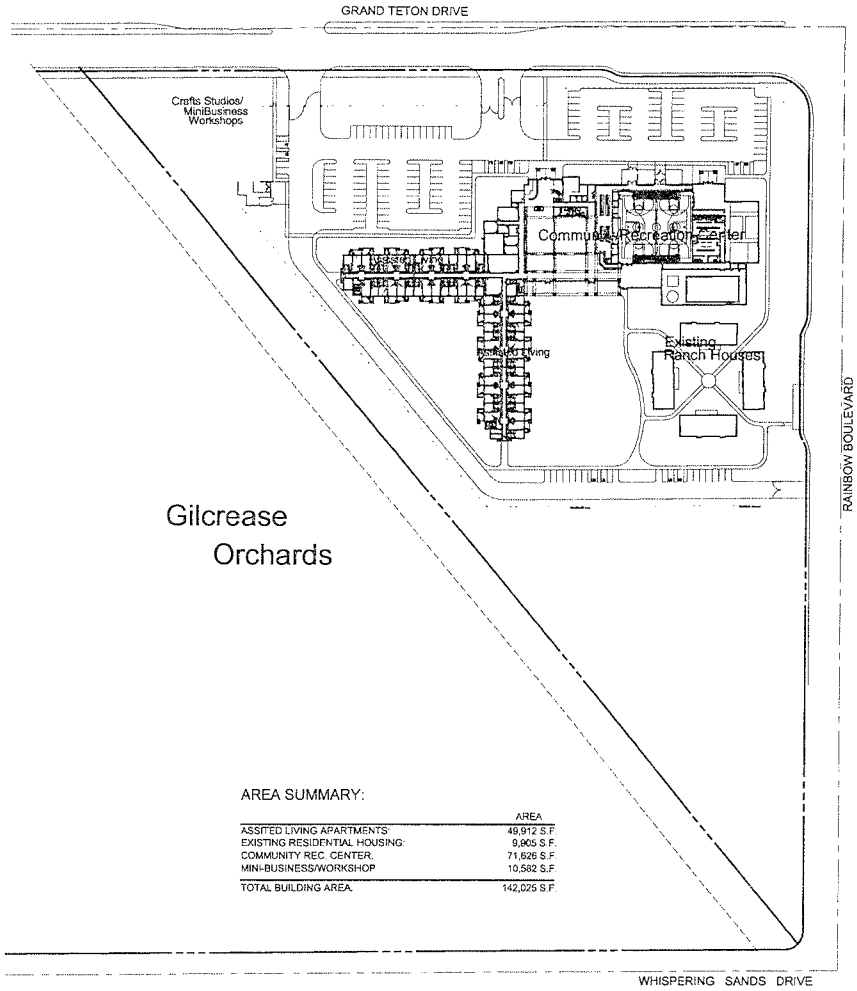

2 Non-standard rural multi-use trail
no scale

EXHIBIT D

2 Non-standard rural multi-use trail

no scale

PERMANENT TRAIL

REFER TO MULTI-USE TRANSPORTATION TRAIL
ADOPTED JANUARY 16, 2002

EXHIBIT E

New Vista Ranch Traffic Summary

- The 56 additional units are anticipated to generate approximately 557 trips per day of which 10 trips are during the AM peak hour and 16 are during the PM peak hour based on the trip rates provided in the Institute of Transportation Engineers (ITE) Trip Generation Manual

- The Community Center/Recreation Center is anticipated to generate a maximum of 813 trips per day of which 17 trips are during the AM peak hour and 52 are during the PM peak hour based on the trip rates provided in the Institute of Transportation Engineers (ITE) Trip Generation Manual

- The site is not expected to generate a significant amount of traffic to the surrounding roadways

- The site is served by two arterials which should have adequate capacity to handle the low volume of traffic generated by this development

- The two driveways are located away from the Rainbow/Grand Teton intersection and should provide adequate access and circulation for the development

- The City may require a traffic impact study to analyze the traffic impacts from this development

- The City may impose a traffic signal impact fee Based on the number of units and square footage proposed this could be on the order of $25 000

The preliminary traffic analysis provides an evaluation of the of the traffic conditions and impacts for a proposed expansion to the New Vista Ranch located on the southwest corner of Rainbow Boulevard and Grand Teton Drive. The proposed expansion includes 56 additional assisted living housing units and a 140,000± square foot Community/Recreation Center.

The average daily traffic volume and the AM and PM peak hour volumes generated by the additional assisted living units and community/recreation center have been estimated based on the trip rates for "Assisted Living Units (ITE Code 254) and Multi-Purpose Recreation Facility (ITE Code 435) provided in the Institute of Transportation Engineers (ITE) Trip Generation, 7th Edition. The proposed expansion is estimated to generate 27 morning peak hour trips and 68 evening peak hour trips as summarized in the following table.

TRIP GENERATION

Land Use	Size	24 Hour Volume	AM		PM	
			Enter	Exit	Enter	Exit
Assisted Living (ITE Code 254)	56 Occupied Beds	153	7	3	8	8
Multi-Purpose Recreation Facility (ITE Code 435)	9 Acres	813	0	3	26	26

As shown in the above table, this expansion is expected to generate very little traffic. The residents of the assisted living units do not drive and many of the community/recreation center users are on-site. The following conclusions and recommendations are provided based on this preliminary analysis.

- The expansion is not expected to generate a significant amount of traffic to the surrounding roadways.
- The site is served by two arterials which should have adequate capacity to handle the low volume of traffic generated by this development.
- Two driveways are proposed to be located on Grand Teton Drive and should provide adequate access and circulation for the development.
- The City may require a traffic impact study to analyze the traffic impacts from this development.
- The City may impose a traffic signal impact fee. Based on the number of units and square footage proposed, this could be on the order of $25,000.

RE NEW VISTA RANCH (GRAND TETON / RAINBOW) DRAINAGE

Mr Burke

On December 12, 2006 I met with the City of Las Vegas Flood Control Current Planning and Development Coordination staff to discuss this project The purpose of the meeting was to discuss the existing drainage conditions for this site and adjacent properties and the impact this proposed project would have on the existing conditions

The City of Las Vegas staff emphasized that the development of this site would need to be done in such a manner that downstream properties would not be negatively impacted by this project The following discussion summarizes those existing conditions and develops the concept of the design which achieves that objective It outlines how this site can be developed at this time and return flows to historic conditions downstream of this site

Sincerely,

VTN Nevada

James L Fitzpatrick P E
Senior Associate

cc Jim Thomas / VTN Nevada

NEW VISTA RANCH DRAINAGE ANALYSIS

EXISTING CONDITIONS

The City of Las Vegas Northwest Neighborhood Study Phase 2 determines the existing and future 100 year flows which impact this site Figures E-13 and F-13 from that report are attached They show that 1316 cfs and 669 cfs will be carried by Grand Teton and Rainbow in the existing condition This will necessitate that all buildings or floodwalls adjacent to Grand Teton be constructed approximately 3 6 (1 5' freeboard plus 2 1' depth of flow) above the flow line Similarly, all buildings or flood walls adjacent to Rainbow will need to be constructed 3 1 (1 5' freeboard plus 1 6 depth flow) above the flow line This is the standard required by the City of Las Vegas

There is an existing channel / flow path along the westerly property line of this site which routes 3070 cfs in the existing condition from Grand Teton to the Whispering Sands / Rainbow intersection In the future a CCRFCD facility will be constructed at this location to carry 3891 cfs

For analysis purposes, the existing condition 3070 cfs will be utilized to determine the existing limits of this flow path The existing condition peak flow was utilized since the City of Las Vegas Northwest Neighborhood Study uses developed condition flow rates for this case The future flow rate will only occur once all upstream CCRFCD improvements are in place which routes additional flows to this channel Those improvements can t be constructed until the CCRFCD facilities are constructed adjacent to and extended downstream from this site Therefore, the 3020 cfs flow was utilized to determine the width of the current flow path along the west property line of this site

The results of the existing condition analysis are shown on the attached Exhibit ECFP The width of the flow path varies from 200 to 1200' It is noted that the flow path crosses into the Whispering Sands R O W approximately 1350 west of the center line at Rainbow and into the Rainbow R O W approximately 200 north of the centerline at Whispering Sands

As Exhibit ECFP demonstrates this flow path has a width of over 1000' at the downstream end of this project. The existing properties south of Whispering Sands and along Rainbow Boulevard currently are significantly impacted by this approximately 3000 cfs of flow prior to the construction of this site

PROPOSED CONDITIONS

As previously discussed, the proposed structures adjacent to Grand Teton and Rainbow will need to be elevated or protected by floodwalls up to 1 5' above the calculated water surface in those streets

The design of conveyance facilities along the west property line of this project will need to maintain the existing conditions outlined above This will be accomplished by widening the bottom width of the existing earthen channel adjacent to the northwestern portion of this site and spreading out the flow adjacent to the southwestern portion to match existing conditions as it crosses into Whispering Sands and Rainbow R O W

One issue needs to be understood upfront it is not possible to construct the adjacent future CCRFCD facility at this time since it would have no downstream discharge In addition these interim facilities will have to return the flow to existing ground elevation at the perimeter of this site

This project is being divided into phases for the purpose of this analysis The northern 2/3 of the site will be developed at this time The southern 1/3rd of the site will be utilized for "overflow event" parking and to distribute the flow to maintain historic conditions After construction of CCRFCD facilities the southern 1/3 of the site can be completely developed

In order to maintain historic conditions it will be necessary to widen the bottom width of the existing channel in the existing 100' easement for the future CCRFCD facility This widening of the bottom of the channel will compensate for the filling of the portion of the existing flow path located within this site A typical section of this interim channel facility, Exhibit ICF is attached This channel section was added to the existing cross section to determine the width of the flow path after construction of this project shown on Exhibit FCFP

It should be noted that the interim channel will remain earthen except for the armoring of the east bank to prevent potential damage to the proposed buildings It was decided to leave the rest of the channel / flow path as existing or earthen condition If it were to be improved, that would result in potentially increasing the velocity of discharge on the existing downstream residences It should be noted that the discharge velocity in both the existing and proposed condition analysis is less than 5 fps which is considered nonerosive

An interim berm will be utilized in the southern portion to provide an eastern limit in the proposed condition to expand the flow back to historic discharge locations and conditions In addition this berm will provide protection for the interim "event overflow" parking area in the southern portion of this site If the interim berm is damaged during any storm event, the property owner will need to restore it to maintain protection for this interim parking area

ONSITE DETENTION

At previous public meetings for this project it was suggested that some form of a detention basin be constructed in the southern portion of this site As discussed at recent meetings with the City of Las Vegas staff members, due to the size of land available and

since no downstream underground drainage system exists, this onsite detention would probably result in no effective reduction of the existing flow impacting downstream property

It is acknowledged that an onsite basin could be incorporated into the "event overflow parking lot However, this basin would have an `at grade outlet structure These type of small "at grade" detention facilities have a potential of becoming a public nuisance It would be similar to in design to the detention basin which was constructed in the Los Prados subdivision just west of Decatur The City of Las Vegas received numerous complaints about that facility for years It is suggested to allow the City of Las Vegas Flood Control staff to determine if an onsite detention facility is necessary at the time a technical drainage study is prepared that determination to be based on impact of development of this site has on the entire basin drainage system

NEW VISTA COMMUNITY

GPA-16578 ZON-16580
SDR-16581 REVISED
10/19/06 PC

Revisions to the PD Document:

Section 3.4 Revise the title of the "Micro Business Center" to read "Education Employment Center". Though the uses are the same – the name changes is more explanatory of the purpose of the building.

Section 4.1 The Building Setback section has been revised to match the newly submitted plans. Note that the Community Center/Recreation Building has been pushed farther to the west away from Rainbow Boulevard.

Section 4.4 This section has been revised to show the driveway requirements to match the new phasing plan.

Section 4.8 This section has been revised to match the new phasing plan.

Section 4.9 This section has been updated to match current site conditions.

Section 4.10 This section has been revised to match current site conditions.

Section 5.3 This section has been revised to increase the height limits of the Community Center/Recreation Building and the Education/Employment Center. Regarding the added height of the Community/Recreation Center, this height is needed for the sports function (basketball clear height of 28') and to allow the sloped residential style rooflines. The Community Center/Recreation Building has been pushed farther to the west away from Rainbow Boulevard to reduce it's impact on the Rainbow frontage and the neighbors to the east. Similarly, the height of the Education/ Employment Center has been increased to accommodate the sloped residential style roof lines. Note that the Assisted Living Units and the Medical Building have been drastically reduced in height as these buildings are those sited adjacent to Rainbow Boulevard.

Section 5.4 This section has been revised to match the newly submitted plans.

Section 8.0 The exhibits have been updated to match the newly submitted plans and incorporate the previous approvals

Overview

This revision to the New Vista Master Development Plan and Development Standards Document we are submitting today is a revision to previously approved MDPDS document approved in conjunction with GPA-16578, ZON-16580 and SPR-16581. The project involves a 15.05 net acre, 17.81 gross acre site on the southwest corner of Rainbow Boulevard and Grand Teton Drive in the City of Las Vegas. This revision is a companion item to the newly submitted plans for SDR-40980 and ROC-40981. The new revised plans depict essentially the same uses as previously approved but in a different configuration. The MDPDS document revisions bring this document in line with the new submittals.The uses proposed were previously housed in two large buildings. The new plan proposes to separate these uses into smaller buildings to reduce the scale and appearance of the project. Also, the overall building area of the project is being reduced by approximately 20,000 s.f. – a 14% reduction. While the goal of this redesign is provide a more residential scale and character for the project in a campus like setting, it is also making the project more affordable and easier to finance from a construction and fundraising viewpoint. Central to this concept is to allow the project to be built in phases with each phase giving the appearance of a residential neighborhood growing over time.

MOD-41437 ROC-40981
SDR-40980 REVISED

Otherwise, this Major Modification is consistent with the master plan and with the requirements of City of Las Vegas Zoning Code.

We respectfully request your consideration in this matter. If you have any questions or comments, please call.

Sincerely,

JOHN DAVID BURKE, ARCHITECT

AGENDA SUMMARY PAGE - PLANNING
PLANNING COMMISSION MEETING OF: AUGUST 9, 2011

DEPARTMENT: PLANNING
DIRECTOR: FLINN FAGG ☐ **Consent** ☒ **Discussion**

SUBJECT:
ABEYANCE - ROC-40981 - REVIEW OF CONDITION RELATED TO MOD-41437 - PUBLIC HEARING - APPLICANT/OWNER: NEW VISTA RANCH, INC. - For possible action on a request for a Review of Condition of a previously approved Rezoning (ZON-16580) TO ELIMINATE CONDITIONS 5, 7 and 9 on 15.05 acres at 7875 North Rainbow Boulevard (APN 125-15-501-002), PD (Planned Development) Zone, Ward 6 (Ross). Staff recommends APPROVAL.

C.C. 09/07/2011

PROTESTS RECEIVED BEFORE:		**APPROVALS RECEIVED BEFORE:**	
Planning Commission Mtg.	**8**	**Planning Commission Mtg.**	**9**
City Council Meeting	**0**	**City Council Meeting**	**0**

RECOMMENDATION:
Staff recommends APPROVAL, subject to conditions:

BACKUP DOCUMENTATION:
1. Consolidated Backup
2. Supporting Documentation
3. Photos – ROC-40981 and SDR-40982
4. City Council Approval Letter for ZON-16580
5. City Council Approval Letter for SDR-16581
6. Protest/Support Postcards - ROC-40981 and SDR-40982

Consistent with the City's sustainability efforts to reduce paper use, backup documentation pertaining to related items will appear as backup under the first item. This item includes such consolidated backup documentation. Please refer to the first related application in the subject line of the Agenda Summary Page.

PLANNING & DEVELOPMENT DEPARTMENT

STATEMENT OF FINANCIAL INTEREST

Case Number: **ROC-40981** APN: 125-15-501-002

Name of Property Owner: NEW VISTA RANCH INC

Name of Applicant: " " "

Name of Representative: CHRIS KAEMPFER

To the best of your knowledge, does the Mayor or any member of the City Council or Planning Commission have any financial interest in this or any other property with the property owner, applicant, the property owner or applicant's general or limited partners, or an officer of their corporation or limited liability company?

☐ Yes ☒ No

If yes, please indicate the member of the City Council or Planning Commission who is involved and list the name(s) of the person or persons with whom the City Official holds an interest. Also list the Assessor's Parcel Number if the property in which the interest is held is different from the case parcel.

1 Phasing Plan
scale: 1" = 60'-0"

New Vista Ranch Phasing Plan:

I
1. Phase One - Build One New Residential Home and Onsite Medical Office
   a. Utilize existing access to Rainbow Boulevard. No offsite improvements to Rainbow Blvd. or Grand Teton except as noted in detail 2/A1a
   b. Construct underground utility connections to adjacent public utilities in Rainbow Boulevard.
   c. Construct non-standard multi-use trail on full street frontages consisting of:
      -rough graded frontage for a depth of 25'
      -desert landscaping for a depth of 25' except as noted
      -construct 10' wide decomposed granite pathway per detail 2/A1a
   d. Apply for GPA to amend Master Plan of Streets and Highways to revise designation of Rainbow Boulevard from Grand Teton south to 215 as a rural street

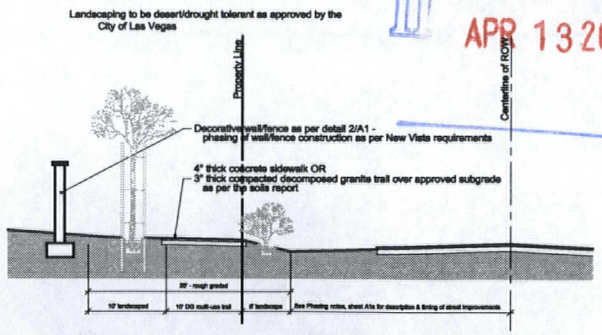

II
2. Phase Two - Build Four (4) More Residential Homes

III
3. Phase Three - Build Two (2) Additional Residential Homes
   a. Construct Grand Teton improvements as indicated on the Phasing Plan.
   b. Construct onsite roadways to direct onsite vehicle circulation to the Grand Teton access point.
   c. Construct fire truck crash gate on Rainbow to restrict access

IV
4. Phase Four - Build Two (2) Remaining Residential Homes

V
5. Phase Five - Construction of the Education & Employment Center Building
   a. Construct full offsites on Rainbow Boulevard as per approvals obtained at that point in time.

VI
6. Phase Six - Construction of the Recreation Center

Grand Teton - Phases I and II*
Rainbow - Phases I, II, III and IV**
2 Non-standard rural multi-use trail
no scale

* Install CLV Std. Multi-Use Transportation Trail in Phase III on Grand Teton
** Install CLV Std. (except for no streetlights) Multi-Use Transportation Trail in Phase V on Rainbow

1 phasing plan
scale: 1" = 60'-0"

New Vista Ranch Phasing Plan:

1. Phase One - Build One New Residential Home and Onsite Medical Office
   a. Utilize existing access to Rainbow Boulevard. No offsite improvements to Rainbow Blvd. or Grand Teton.
   b. Construct underground utility connections to adjacent public utilities in Rainbow Boulevard.

2. Phase Two - Build Four (4) More Residential Homes
   a. Build only onsite infrastructure to support four more homes.

3. Phase Three - Build Two (2) Additional Residential Homes
   a. Construct offsite improvements to Grand Teton by developing a median opening within the existing half constructed median to allow both in and out circulation from the property to the north.
   b. Construct onsite roadways to direct onsite vehicle circulation to the Grand Teton access point.

4. Phase Four - Build Two (2) Remaining Residential Homes
   a. During this phase of development, and prior to receiving the occupancy permit for the first building in this Phase, commence construction of the offsite improvements to Rainbow Boulevard. The improvements to Rainbow Boulevard must commence and be completed within 180 days.
   b. Full offsite improvements to Grand Teton once 1) the construction of the either the mini business workshop building or the recreation center is commenced; 2) adjacent properties have constructed Grand Teton to the New Vista's property or 3) when requested by the City of Las Vegas Public Works Department based upon need for improved traffic circulation.

5. Phase Five - Construction of the Mini Business Workshop Building

6. Phase Six - Construction of the Recreation Center

RE: ZON-16580 - REZONING
CITY COUNCIL MEETING OF FEBRUARY 7, 2007
RELATED TO GPA-16578 AND SDR-16581

Dear Ms. Deguzman:

The City Council at a regular meeting held February 7, 2007 APPROVED the request for a Rezoning FROM: U (UNDEVELOPED) [DR (DESERT RURAL DENSITY RESIDENTIAL) GENERAL PLAN DESIGNATION] TO: PD (PLANNED DEVELOPMENT) on 15.05 acres at 7875 North Rainbow Boulevard (APN 125-15-501-002). NOTE: NEW VISTA RANCH, INC. IS THE APPLICANT/OWNER. The Notice of Final Action was filed with the Las Vegas City Clerk on February 8, 2007. This approval is subject to:

Added Conditions:

A. The approved Master Development Plan and Development Standard shall be recorded with the County Recorder and a filed-stamped copy provided to the City of Las Vegas Planning and Development Department.

B. Amending Section 4.3 of the Master Development Plan to state that Service and Loading Area yard shall be screened from adjacent streets pursuant to Title 19.

C. Amending Section 7.0 of the Master Development Plan to add the language that Title 19 shall govern any subject matter not specifically addressed by this Master Development Plan.

Planning and Development

1. A General Plan Amendment (GPA-16578) to PCD (Planned Community Development) land use designation approved by the City Council.

2. A Site Development Plan Review (SDR-16581) application approved by the City of Las Vegas is required prior to issuance of any permits, any site grading, and all development activity for the site.

ROC-40981
SDR-40980

3. The parking that is specified for the site be restricted to 100 spaces for daily use and the applicant must submit a design of the site plan that incorporates that.

4. The height of the parking lot lighting shall be restricted to 20 feet and that proper shrubs be incorporated into the design so as to eliminate any light pollution that might reach on the north side of Grand Teton Drive or on the east side of Rainbow Boulevard.

5. A revised landscape plan shall be submitted prior to the time application is made for a building permit depicting a 20-foot multi-use transportation trail consisting of a five foot landscaped corridor, a 10-foot sidewalk, and a 5-foot transition strip along Rainbow Boulevard and Grand Teton Drive.

6. There will be no retail uses on this site.

7. The project shall be in compliance with the Master Development Plan submitted 2/7/2007, except as amended herein.

Public Works

8. Dedicate an additional 10 feet of right-of-way for a total half-street width of 60 feet on Grand Teton Drive and the additional right-of-way necessary to maintain a 54-foot radius at the southwest corner of Grand Teton Drive and Rainbow Boulevard adjacent to this site prior to the issuance of any permits. In addition, dedicate all additional rights-of-way required for a bus turnout on Rainbow Boulevard prior to the issuance of any permits unless otherwise allowed by the City Traffic Engineer.

9. Construct all incomplete half-street improvements, including appropriate transition paving and overpaving (if legally able), on Grand Teton Drive and Rainbow Boulevard adjacent to this site concurrent with development of this site. Sidewalk improvements may be deferred at this time on Rainbow Boulevard, provided a Covenant Running with Land Agreement is recorded for all such improvements deferred. Streetlights on Rainbow Boulevard may also be deferred, provided the applicant provides such streetlights to the City for future installation, and constructs all needed underground infrastructure necessary for such future installation. Alternatively, monies in lieu of such streetlights may be contributed to the City if allowed by the City Engineer. Install all appurtenant underground facilities, if any, adjacent to this site needed for the future traffic signal system concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site. Extend all required underground utilities, such as electrical, telephone, etc., located within public rights-of-way, past the boundaries of this site prior to construction of hard surfacing (asphalt or concrete).

RECEIVED
FEB 16 2011

ROC-40981
SDR-40980

10. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings or the submittal of a Map subdividing this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site. In lieu of constructing improvements, in whole or in part, the developer may agree to contribute monies for the construction of neighborhood or local drainage improvements, the amount of such monies shall be determined by the approved Drainage Plan/Study and shall be contributed prior to the issuance of any building or grading permits, or the recordation of a Map subdividing this site, whichever may occur first, if allowed by the City Engineer.

11. All discussion regarding Summerlin style lighting refers to internal lighting only; not exterior street lighting. Lighting on Grand Teton Drive would match the City's current plan.

Sincerely,

Lean Coleman

RE: SDR-16581 – SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF FEBRUARY 7, 2007
RELATED TO GPA-16578 AND ZON-16580

Dear Ms. Deguzman:

The City Council at a regular meeting held February 7, 2007 APPROVED the request for a Site Development Review FOR A PROPOSED TWO-STORY, 56-UNIT ASSISTED LIVING APARTMENT DEVELOPMENT WITH A 43,283 SQUARE-FOOT COMMERCIAL AMUSEMENT/RECREATION (INDOOR) FACILITY, 3,024 SQUARE FEET OF MEDICAL OFFICE SPACE, AND 1,382 SQUARE FEET OF RETAIL SPACE on 15.05 acres at 7875 North Rainbow Boulevard (APN 125-15-501-002), U (Undeveloped) Zone [DR (Desert Rural Density Residential) Master Plan Designation] [PROPOSED: PCD (Planned Community Development) General Plan Designation] [PROPOSED: PD (Planned Development) Zone]. NOTE: NEW VISTA RANCH, INC. IS THE APPLICANT/OWNER. The Notice of Final Action was filed with the Las Vegas City Clerk on February 8, 2007. This approval is subject to:

Planning and Development

1. Approval of and conformance to the Conditions of Approval for General Plan Amendment (GPA-16578) and Rezoning (ZON-16580) shall be required.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 10/30/06, except as amended by conditions herein.

4. The Site Plan must incorporate the amended design standards set forth in the zoning

5. The site plan shall be revised in accordance with the master development and standards agreement as approved.

ROC-40981
SDR-40980

6. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. The technical landscape plan shall include the following changes from the conceptual landscape plan: The applicant shall provide an additional 47 trees in the parking lot area; an additional 50 trees in the perimeter landscape buffer along the right-of-way; and an additional 54 trees in an eight-foot wide landscape buffer along the eastern edge of the flood control channel.

7. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.

8. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

9. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

10. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

11. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

12. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

13. Prior to the submittal of a building permit application, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.

14. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

ROC-40981
SDR-40980

RECEIVED
FEB 16 2011

Public Works

15. Gated access driveways shall be designed, located and constructed in accordance with Standard Drawing #222a.

16. Landscape and maintain all unimproved rights-of-way, if any, on Grand Teton Drive and Rainbow Boulevard adjacent to this site.

17. Submit an Encroachment Agreement for all landscaping, if any, located in the Grand Teton Drive and Rainbow Boulevard public rights-of-way adjacent to this site prior to occupancy of this site.

18. All private improvements and landscaping installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

19. Unless otherwise allowed by the City Engineer, construct sidewalk on at least one side of all access drives connecting this site to the adjacent public streets concurrent with development of this site. The connecting sidewalk shall extend from the sidewalk on the public street to the first intersection of the on-site roadway network and shall be terminated on-site with a handicap ramp.

20. Site development to comply with all applicable conditions of approval for ZON-16580 and all other applicable site-related actions.

21. The approval of all Public Works related improvements shown on this Site Development Plan Review is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to submittal of a Tentative Map or construction drawings, whichever may occur first. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the submittal of a Tentative Map or construction drawings, whichever may occur first.

Sincerely,

Lean Coleman

The City of Las Vegas
Planning and Building Safety

Re: 5312 Elkhorn Road, Las Vegas, NV 89131

Dear Sirs:

I am writing this letter to provide you with information regarding a Citation I received from the Code Enforcement with regard to the above-referenced address. I have addressed your concerns as follows:

1. **Height of Shade Structure (on west side of house)**. The camping trailer I purchased is almost the same height as our house. With such a financial investment of that size, we wanted only to protect it from the elements as we all know how damaging the sun can be here in the Valley. In order to provide the shade we needed and still have the ability to park. The shade structure is slightly higher than the house but lower than the swamp cooler (which technically is the highest point of the house).

2. **Shade Structure; Off-set from House**. I was not aware of the set-back requirements. Attached are pictures showing the shade structure. It was our intent to be able to also park my personal truck for the protection as well. From the side of the house I have gone 4'0" (City requires 6'0") and then 20'0", allowing for access for hay delivery for the horses as well as being able to allow access to our well and other miscellaneous items.

3. **Material of Shade Structure**. The shade structure is composed of steel posts with an enhanced aluminum cover. This was the most economical way to protect our trailer from the elements, although still costly. We personally feel that the structure is aesthetically pleasing and adds significant value to our property. As with many of our neighbors, we bought this house for the land/acreage it provided for us to maintain our horses and keep our trailer on-site (our property) with us.

4. **Patio Cover Set-Back**. As you can see from both the hand sketch and pictures, I built the patio cover 5'0" past the edge of the house to provide as much shade as possible and covering the walk to the front door. My family and I enjoy spending time outside and the front patio provides a great gathering place for us. We are also able to see what is happening in our area as well as spend time together as a family.

RECEIVED
MAY 24 2011
VAR-41882

Please note that I have provided pictures of the house just east of us as well as a couple of others within walking distance on Elkhorn Road, only to show that we feel as though we have been singled out due to the other various violations.

We are asking the City to reconsider it's position. My wife and I want only to provide a house that our family and friends can enjoy as much as we do. We look forward to working with the City to resolve this Citation and be in compliance.

Please contact me should you need any further documentation or pictures.

Sincerely,

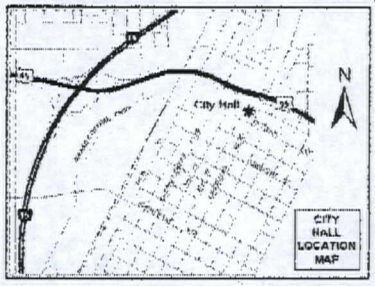

Don Newby

REF: VAR-41882

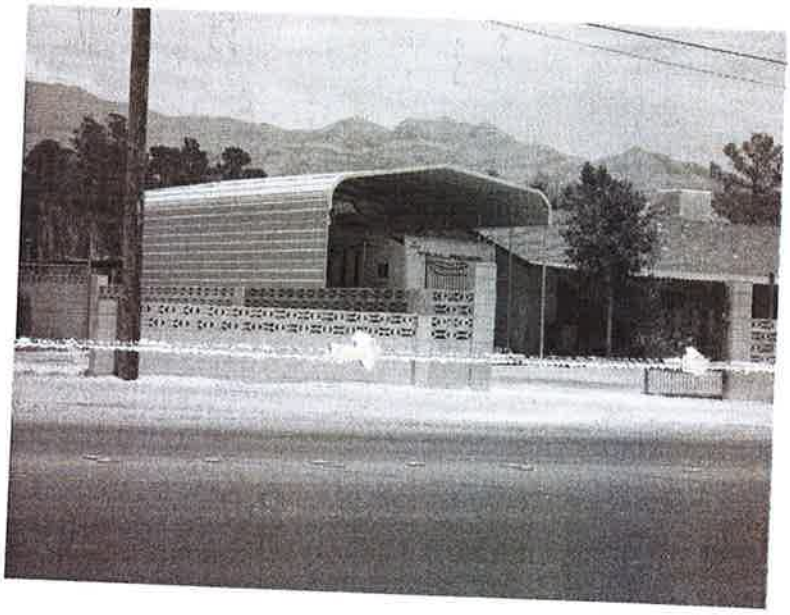

Gentlemen:

I am unable to attend the planning commission meeting of 7/12/2011. I would like to voice my **strong opposition to VAR-41882**.

Unfortunately, our Home Owners Association has it annual meeting scheduled at the same time and as a director of Paradise Meadows Home Owners Association I am required to attend. This conflict affects the ability of all of the home owners in our HOA to attend this hearing.

The request to allow the huge metal structure should be denied!

The structure is way too large. It is too close to the street. It is constructed using non conforming design and materials. All of these combine to make the structure aesthetically unacceptable.

In addition to the unacceptable visual impact the structure has on the entire block, it does not conform to several code requirements. It is too large, too high, too close to the house, too close to the street, constructed with inappropriate materials. The structure was installed without the required permits and violates existing setbacks.

This structure is very close to the entrance to our development and granting the several variances that are required to keep this huge illegal structure would lower the value of my home and each of the 138 homes located in the Paradise Meadows Home Owners Association.

Please require the removal of this structure.

Yours truly,
James L. Kosbie

Re: Variance Request Response
VAR41882

Dear Planning Division Board:

This letter comes to you on behalf of the Paradise Meadows Homeowners Association Board of Directors. Please consider this letter and the reasons contained within it while making your decision on this proposed zone variance. While the Board as well as some homeowners would like to be in attendance on the night of the meeting, we have our annual and regular HOA meetings scheduled for the same date and time so we are unable to attend.

As you already are aware, we are an HOA, and like any other HOA, we have guidelines in place that govern the overall appearance and maintenance obligations of the community. One of the main reasons HOA's have these kinds of rules is to maintain and enhance the appearance of the properties as well as those properties' values. These aesthetic features that we value on the inside of the property extend to the perimeter of our property as well. The exterior landscape of our community looks just as clean and attractive as any front lawn in the community if not better. This helps keep our values up and also brings curb appeal to the entire area that we share with other homes and communities.

There are many HOA's along the streets we share that are in close proximity to the address requesting the zone variance for the metal shed that you are reviewing. Together, all of the HOAs work to keep the outsides of their communities attractive, upkeep the bridal paths, and work together as a team to accomplish a common goal of making the neighborhood in general as attractive and desirable as possible.

While it is understood that the home asking for the zone variance is not in an HOA and, thus, is not governed by those same rules, it is our hope that you will take into consideration that regardless how many HOAs and proud homeowners that aren't in HOAs take care of their property well, it only takes one area not being held to that same standard to really detract from the entire neighborhood in general.

In reviewing the zone variance request, it is clear that the square footage of this structure is not even close to what the current maximum is. The sheer massive size of this structure and the materials in which it is constructed can turn what is zoned a residential area into what appears to be a U-Haul or storage lot for lack of a better term.

Again, it is our request that this variance be denied for all of the reasons listed above. As neighbors, a community has to stick together and take care of each other, and sometimes that requires tough decisions such as this. We ask that you please take these thoughts into consideration in your decision.

Thank you for your time,

Paradise Meadows Homeowners Association
Board of Directors

FROM: CNP
DATE: 7/12/2011
RE: Selected Agenda Items

#11. Please remove this item from this portion of the agenda.
SUP-41908-in 3 ways defies the law which protects constituents from harm: In another tavern- 0'
In a religious facility-500' and
In a school-160'.

Adamantly, we as public representatives of resident constituents of all ages to those yet unborn who will be grievously affected by the 3 irresponsible, greedy, lustful zoning waivers here recommended for approval, to be denied.

These 3 requested waivers deny each of the 3 businesses the opportunity offered in the original standards to flourish and provide a living for the investors.

We expect our elected representatives and their chosen planning commissioners to protect practices which are here in item SUP-41908, displayed as irrelevant trash, with an approval recommendation.

Approving 0 ft/1,500, 500 ft/1,500, and 160 ft/1,500 is dishonorable and malicious.

Approving any one of these 3 in the waivered space requests, destroys residential standards of protection and choice.

Only denial of all 3 requested waivers can make whole an honest livelihood for the entrepreneurs as well as t the current established freedom of choice of varied services within an area.

15. 16. 17. We suggest approval.

#18. Constituents cannot afford the number of staff needed to monitor these businesses, etc!

#19. Will ground contaminants be cleaned prior to plants, etc.?

#37. Var-41303-CNP requests Approval of this sign at this location.

#39., 40., 41., We request Approval of these 3, understanding that such private concerns are not government business.

#45. a pro business decision is to allow the display.

#49. CNP agrees w/ denial.

#51. CNP requests APPROVAL of this place of worship expansion. The beauty of what happens here precludes petunias—at least at least until (what is that date when taxes are going to be cut 30%) ? ?

We do SO appreciate your diligence. Everything you do in this position has reverberating effects!

Flinn Fagg, Director
Department of Planning
333 N. Rancho Drive, 3rd Floor
Las Vegas, NV 89106

June 22, 2011

Dear Mr. Fagg:

Per Title 19.10.040.G Modification of Master Development Plan and Development Standards, a Planned Development may be modified by the City of Las Vegas. This request is to modify the Rio Vista Planned Development to add the following uses; General Personal Service and Accessory Massage (150 sf. or less) as permitted uses and to add Massage Establishment as a use permitted with the approval of a Special Use Permit. Past approvals have been made at this location which allowed for a Massage Use that was accessory to other principal uses, in this case a Health Club. Adoption of a specific land use for Accessory Massage no longer permitted this use to be a customary accessory use. As such the Rio Vista Planned Development needs to be amended to permit the previously approved Health Club with massage. Staff has also found that past and current approvals at this location permitted General Personal Service uses. The General Personal Service is comparable in intensity to those permitted in the Rio Vista Planned Development.

The Uses stated above are defined by Title 19.18 as follows:

General Personal Service. A facility for the sale of personal services. Typical personal services include barber/ beauty shop, tanning salon, nail salon, shoe repair, tailor, instructional arts studio, photography studio, hand-crafted art studio, safe deposit boxes, house cleaning service, weight reduction center, day spa, florist (excluding greenhouses) and permanent makeup establishment.

Massage, Accessory. The performing of massage therapy or therapeutic massage that:

1. Is accessory to a principal permitted use that is one of the following:
   a. A medical office or physical rehabilitation clinic;
   b. A fitness and health center;
   c. A country club or golf course clubhouse;
   d. A hotel with more than one hundred rooms; or
   e. A facility similar in nature to any of the facilities listed above

-continued-

RECEIVED
JUN 23 2011

MOD-42261

2. Does not occupy more than 150 square feet of space; and

3. Is not advertised on any exterior signage.

Massage Establishment. A facility which is occupied and used for the purpose of practicing massage therapy as defined in LVMC Chapter 6.52.. The term does not include the use "accessory massage," as defined in this Title.

Sincerely,

Doug Rankin, AICP
Planning Manager

JUSTIFICATION LETTER

Massage use over 150 square feet as an incidental use is requested as the additional space needed to have 2 massage therapists working within the proposed day spa which is a total of approximately 1,500 square feet. Total massage space within the day spa would be approximately 260 square feet.

The day spa will have approximately employees/independent contractors of which one or two will be massage therapists.

The hours of operation are proposed to be:

Monday-Thursday	8:00 am to 7:00 pm
Friday-Saturday	8:00 am to 9:00 pm
Sunday	8:00 am to 3:00 pm

The business model will consist of providing professional spa services including massage therapy. Retail sales of green products will support healthy living along with affordable pricing. There will be monthly essential oil education classes for small groups. Discounts will be given to Clark County School District employees.

Licenses required within the day spa include Cosmetology State License, Massage Administration License and Massage Establishment License.

Answers to "Sustainability" are all NO.

The location of the proposed massage use is suitable for the use proposed. There is adequate street access and parking. The proposed use will not be inconsistent with or compromise the public health, safety and welfare of the overall objective of the General Plan.

Re:

a. Site Development Review
b. Special Use Permit

Architecture
Engineering
Planning
Interiors
Landscape

To Whom It May Concern:

We respectfully submit this application for a Site Development Review and Special Use Permit for the project "The Royale at Casino Center" at Coolidge and Casino Center. This is a mixed use project containing ground floor commercial and "for-rent" residences above the ground floor. These parcels are currently zoned C-2 and are in the Downtown Centennial Plan, as well as the Arts District

This project proposes to have 330 apartments and 16,000 sf of commercial and an automated parking structure which has 336 parking spaces.

Access to the automated parking structure will be off of the alley from Coolidge to Hoover. All commercial tenants will be serviced from the front doors. There is no rear service access for the commercial tenants.

Downtown Centennial Plan standards are being met by way of landscaping and required amenity zone and wide pedestrian sidewalks, as well as alley and street corner paving and upgrades. However, the owner will defer the underground installation of the power poles until the remainder of the block is developed.

We are also requesting a waiver to allow the use of Mediterranean Fan Palms where Date Palms are required. The height of the palm trees will be per code at 25' and spaced at 30'-0" o.c.

With this application we are requesting an encroachment permit to allow for the awnings and trellises which compliment the façade and shelter storefront entrances to project out over the Right of way line.

Illuminated wall mounted signage is shown on the elevations, along with corresponding sizes and square footages.

The owners of this project will encourage all of its tenants to utilize and incorporate Green building strategies. For this project we will attempt to incorporate water and energy saving measures such as the utilization of occupancy sensors, drought tolerant landscaping, insulated windows, light colored paint and appropriately sized mechanical units. Also, the downtown location of this project encourages pedestrian usage which is enhanced by the proximity of the bus routes.

MAY 20 2011
City of Las Vegas

SUP-41599
SDR-41829

The owner desires to provide much needed attainable rental housing within the downtown area of the city. To compliment the residential units will be ground floor commercial space. This residential and commercial development will be an asset to the city by helping to spur additional revitalization and reinforcing redevelopment in an area which has already begun a transformation.

We have made every attempt to try and follow City of Las Vegas Title 19 as well as the Centennial Plan as closely as possible in the design and layout of this site. Please join us in our attempt to bring much-needed high caliber product into downtown and to Las Vegas residents.

Respectfully Submitted,

Kristen G. Neuman, AIA

Re:

a. Special Use Permit

To Whom It May Concern:

We respectfully submit this application for a Special Use Permit for the project "Aquarius Residences" at 4th Street and Charleston. This is a mixed use project containing ground floor commercial and "for-rent" residences above the ground floor. These parcels are currently zoned C-2 and are in the Downtown Centennial Plan, as well as the Arts District

This project proposes to have 1,150 apartments and 33,000 sf of commercial and an automated parking structure which has 1232 parking spaces with 3 on grades spaces.

Access to the automated parking structure will be off of the driveway that crosses the site from 4th Street to 3rd Street. All commercial tenants will be serviced from the front doors. There is no rear service access for the commercial tenants.

Downtown Centennial Plan standards are being met by way of landscaping and required amenity zone and wide pedestrian sidewalks, as well as alley and street corner paving and upgrades.

We are also requesting a waiver to allow the use of Mediterranean Fan Palms where Date Palms are required. The height of the palm trees will be per code at 25' and spaced at 30'-0" o.c.

With this application we are requesting an encroachment permit to allow for the awnings and trellises which compliment the façade and shelter storefront entrances to project out over the Right of way line.

The owners of this project will encourage all of its tenants to utilize and incorporate Green building strategies. For this project we will attempt to incorporate water and energy saving measures such as the utilization of occupancy sensors, drought tolerant landscaping, insulated windows, light colored paint and appropriately sized mechanical units. Also, the downtown location of this project encourages pedestrian usage which is enhanced by the proximity of the bus routes.

The owner desires to provide much needed attainable rental housing within the downtown area of the city. To compliment the residential units will be ground floor commercial space. This residential and commercial development will be an asset to the city by helping to spur additional revitalization and reinforcing redevelopment in an area which has already begun a transformation.

We have made every attempt to try and follow City of Las Vegas Title 19 as well as the Centennial Plan as closely as possible in the design and layout of this site. Please join us in our attempt to bring much-needed high caliber product into downtown and to Las Vegas residents.

Respectfully Submitted,

RE: SDR-20502 – SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF MAY 16, 2007
RELATED TO ZON-20507, SUP-20519, VAC-20522 AND SDR-20492

Dear Mr. Mitchell:

The City Council at a regular meeting held May 16, 2007 APPROVED the request for a Site Development Plan Review FOR A 12-STORY MIXED-USE DEVELOPMENT INCLUDING 58,000 SQUARE FEET OF COMMERCIAL SPACE AND 1,100 RESIDENTIAL CONDOMINIUM UNITS on 2.67 acres at the southwest corner of Charleston Boulevard and Fourth Street (APNs 162-03-115-001 and 002), P-R (Professional Office And Parking), C-1 (Limited Commercial) and C-2 (General Commercial) Zones [PROPOSED: C-1 (Limited Commercial)]. The Notice of Final Action was filed with the Las Vegas City Clerk on May 17, 2007. This approval is subject to:

Planning & Development

1. Approval of and conformance to the Conditions of Approval for Rezoning (ZON-20507), Special Use Permit (SUP-20519), and Vacation (VAC-20522) shall be required.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site plan, date stamped 04/06/07, and the landscape plan and building elevations, date stamped 03/13/07, except as amended by conditions herein.

4. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. The technical landscape plan shall include

SDR-41600

the following changes from the conceptual landscape plan: add two palm trees to the south of the South 4th Street entry drive to bring the number and maximum distance into compliance with the Downtown Centennial plan. Further, tabulate all tree heights along with the quantities and sizes.

5. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.

6. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

7. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

8. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

9. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

10. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

11. A Comprehensive Construction Staging Plan shall be submitted to the Planning and Development Department for review and approval prior to the issuance of any building permits. The Construction Staging Plan shall include the following information: Design and location of construction trailer(s); design and location of construction fencing; all proposed temporary construction signage; location of materials staging area; and the location and design of parking for all construction workers.

12. Written approval by the Clark County Department of Aviation with no change in flight patterns shall be submitted to the City of Las Vegas prior to the issuance of building permits.

RECEIVED
APR 28 2011

13. Prior to the submittal of a building permit application, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.

14. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

15. Contact the City Engineer's Office at 229-6272 to coordinate the development of this project with the Casino Center/3rd Street Realignment Project, Casino Center Bus Rapid Transit Project and any other public improvement projects adjacent to this site. Comply with the recommendations of the City Engineer.

16. Submit a Petition of Vacation for all right-of-way and public access and/or utility easements in conflict with this site plan. The Order of Vacation must record prior to recordation of a Final Map for this site.

17. Prior to the submittal of a Tentative Map or civil construction drawings for this site, whichever occurs first, a sewer relocation and abandonment plan for all public sewers in conflict with this site shall be submitted and approved by the Collection Systems Section of the Department of Public Works. All existing public sewer easements in conflict with this site shall be vacated prior to the recordation of a Final Map for this site and new public sewer easements granted as necessary. Sewer service to existing downstream parcels shall be maintained during relocation.

18. Landscape and maintain all unimproved rights-of-way, if any, on 3rd Street, 4th Street and Charleston Boulevard adjacent to this site. All private improvements and landscaping installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

19. Submit an Encroachment Agreement for all landscaping, if any, located in the 3rd Street, 4th Street and Charleston Boulevard public right-of-way adjacent to this site prior to occupancy of this site.

20. Obtain an Occupancy Permit from the Nevada Department of Transportation for all landscaping and private improvements in the Charleston Boulevard public right-of-way adjacent to this site.

21. Submit an application for a deviation from Standard Drawing #222a for the driveways accessing this site from 3rd and 4th Streets.

22. Meet with the Clark County School District to discuss the impact this site plan has on the District's schools, and to identify possible methods to mitigate the impacts.

RECEIVED
APR 28 2011

SDR-41600

23. Site development to comply with all applicable conditions of approval for Zoning Reclassification ZON-20507 and all other applicable site-related actions.

Sincerely,

Angela Crolli

RE: SUP-20519 – SPECIAL USE PERMIT
CITY COUNCIL MEETING OF MAY 16, 2007
RELATED TO ZON-20507, VAC-20522, SDR-20502 AND SDR-20492

Dear Mr. Mitchell:

The City Council at a regular meeting held May 16, 2007 APPROVED the request for a Special Use Permit FOR A 12-STORY MIXED-USE DEVELOPMENT INCLUDING 58,000 SQUARE FEET OF COMMERCIAL SPACE AND 1,100 RESIDENTIAL CONDOMINIUM UNITS at the southwest corner of Charleston Boulevard and Fourth Street (APNs 162-03-115-001 and 002), P-R (Professional Office and Parking), C-1 (Limited Commercial), and C-2 (General Commercial) Zones [PROPOSED: C-1 (Limited Commercial)]. The Notice of Final Action was filed with the Las Vegas City Clerk on May 17, 2007. This approval is subject to:

Planning & Development

1. Approval of and conformance to the Conditions of Approval for Rezoning (ZON-20507), Vacation (VAC-20522) and Site Development Plan Review (SDR-20502) shall be required.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

Sincerely,

Angela Crolli
Deputy City Clerk II for

RE: SDR-20492 – SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF MAY 16, 2007
RELATED TO ZON-20507, SUP-20519, VAC-20522 AND SDR-20502

Dear Mr. Mitchell:

The City Council at a regular meeting held May 16, 2007 APPROVED the request for a Site Development Plan Review FOR A 120-FOOT HIGH 1,500 SPACE PARKING STRUCTURE WITH 12,000 SQUARE FEET OF GROUND FLOOR COMMERCIAL on 0.63 acres at the northeast corner of Casino Center Boulevard and Coolidge Avenue (APNs 139-34-410-056, 057, 058 and 059), C-2 (General Commercial) Zone and R-4 (High Density Residential) Zone under Resolution of Intent to C-2 (General Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on May 17, 2007. This approval is subject to:

Planning & Development

1. Conformance to the Conditions of Approval for Rezoning (Z-0100-64) shall be required, if approved.

2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.

3. All development shall be in conformance with the site plan, date stamped 04/06/07, and the landscape plan and building elevations, date stamped 03/13/07, except as amended by conditions herein.

4. Recordation of a reversionary parcel map or administrative joining consolidating the parcels on the site prior to issuance of any building or grading permits.

5. All proposed signage locations as depicted on the building elevations, date stamped 03/13/07, must be for on-premise advertising only. Off-premise advertising signs will require separate approval through the Special Use Permit application process. All signage must meet the applicable requirements of the Downtown Centennial Plan and Title 19. All signage requires the issuance of a building permit.

SDR-41600

6. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. The technical landscape plan shall include the following changes from the conceptual landscape plan: all tree heights are to be included in the landscape legend to ensure compliance with the Downtown Centennial Plan's minimum streetscape standards.

7. No turf shall be permitted in the non-recreational common areas, such as medians and amenity zones in this development.

8. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.

9. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).

10. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

11. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.

12. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.

13. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

14. A Comprehensive Construction Staging Plan shall be submitted to the Planning and Development Department for review and approval prior to the issuance of any building permits. The Construction Staging Plan shall include the following information: Design and location of construction trailer(s); design and location of construction fencing; all proposed temporary construction signage; location of materials staging area; and the location and design of parking for all construction workers.

15. Prior to the submittal of a building permit application, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.

16. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

17. Contact the City Engineer's Office at 229-6272 to coordinate the development of this project with the Casino Center/3rd Street Realignment Project, Casino Center Bus Rapid Transit Project and any other public improvement projects adjacent to this site. Comply with the recommendations of the City Engineer.

18. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current Las Vegas Downtown Centennial Plan Standards concurrent with development of this site, except as amended by Conditions of Approval herein.

19. Submit a Reversionary Map for this site or coordinate with the City Surveyor to determine an acceptable mapping method; comply with the recommendations of the City Surveyor.

20. Landscape and maintain all unimproved rights-of-way, if any, on Casino Center Boulevard and Coolidge Avenue adjacent to this site. All private improvements and landscaping installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

21. Submit an Encroachment Agreement for all landscaping, if any, located in the Casino Center Boulevard and Coolidge Avenue public right-of-way adjacent to this site prior to occupancy of this site.

22. Submit an application for a deviation from Standard Drawing #222a for the driveways accessing this site from Coolidge Avenue. Revise the on-site circulation pattern to ingress from the alley and egress onto Coolidge Avenue.

RECEIVED
APR 28 2011

23. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing finished floor elevations and drainage paths for this site prior to submittal of construction plans, the issuance of any building or grading permits or the submittal of a map for this site, whichever may occur first. Provide and improve all drainage ways as recommended.

Sincerely,

Angela Crolli

Re:

a. Special Use Permit

Architecture
Engineering
Planning
Interiors
Landscape

To Whom It May Concern:

We respectfully submit this application for a Special Use Permit for the project "Aquarius Residences" at 4th Street and Charleston. This is a mixed use project containing ground floor commercial and "for-rent" residences above the ground floor. These parcels are currently zoned C-2 and are in the Downtown Centennial Plan, as well as the Arts District

This project proposes to have 1,150 apartments and 33,000 sf of commercial and an automated parking structure which has 1232 parking spaces with 3 on grades spaces.

Access to the automated parking structure will be off of the driveway that crosses the site from 4th Street to 3rd Street. All commercial tenants will be serviced from the front doors. There is no rear service access for the commercial tenants.

Downtown Centennial Plan standards are being met by way of landscaping and required amenity zone and wide pedestrian sidewalks, as well as alley and street corner paving and upgrades.

We are also requesting a waiver to allow the use of Mediterranean Fan Palms where Date Palms are required. The height of the palm trees will be per code at 25' and spaced at 30'-0" o.c.

With this application we are requesting an encroachment permit to allow for the awnings and trellises which compliment the façade and shelter storefront entrances to project out over the Right of way line.

The owners of this project will encourage all of its tenants to utilize and incorporate Green building strategies. For this project we will attempt to incorporate water and energy saving measures such as the utilization of occupancy sensors, drought tolerant landscaping, insulated windows, light colored paint and appropriately sized mechanical units. Also, the downtown location of this project encourages pedestrian usage which is enhanced by the proximity of the bus routes.

REVISED

The owner desires to provide much needed attainable rental housing within the downtown area of the city. To compliment the residential units will be ground floor commercial space. This residential and commercial development will be an asset to the city by helping to spur additional revitalization and reinforcing redevelopment in an area which has already begun a transformation.

We have made every attempt to try and follow City of Las Vegas Title 19 as well as the Centennial Plan as closely as possible in the design and layout of this site. Please join us in our attempt to bring much-needed high caliber product into downtown and to Las Vegas residents.

Respectfully Submitted,

Kristen G. Neuman, AIA

Re: REVISED -- Justification Letter for Variance at 2222 Ash Street
APN # 139-35-713-035

To Whom It May Concern:

Please be advised our office represents the applicant on the above-referenced matter. The property is located at 2222 Ash Avenue, more specifically known as assessor's parcel number 139-35-713-035 ("Property"). The applicant is requesting a variance 1) to allow a 7 foot wall (3 foot, 6 inches of CMU block wall with 3 foot, 6 inches of rod iron on top) around the Property; 2) to allow a 4 foot rear yard setback where 15 feet is required and 3) to allow a shed in front of a primary residence.

The applicant was recently cited by Code Enforcement for not having permits for the block wall that was erected around the Property and for the laundry room addition to the house. The property owner hired a contractor to erect the 7 foot wall around the Property to prevent recurrent break-ins and vandalism that was occurring on the Property. The wall consists of 3 feet, 6 inches of CMU block wall with 3 feet, 6 inches of rod iron on top. The property owner was not aware that a variance was needed to exceed 5 feet in height and did not know that a permit was not pulled for the construction of the wall. The property owner relied on the contractor's expertise and paid the contractor for the construction of the wall. The wall is aesthetically pleasing and the rod iron on top allows for site visibility. Moreover, the wall has served it purpose by prevented further break-ins and vandalism on the Property.

The property owner believes the laundry room addition was constructed decades ago. According to the Clark County Assessor's records, the home was built back in 1948. There is a building permit number 27942 that was issued in 1964 for a remodel of the front of the home. This may have been the permit for the laundry room addition. Attached for your reference are all of the permits that were available from the City's Building Department. The construction of the laundry room should be grandfathered in considering it occurred decades ago. However, if needed, the property owner respectfully requests that the setback variance be granted to bring the Property into compliance.

KAEMPFER
CROWELL

Additionally, the property owner is requesting a variance to allow a shed on the property. The shed is set back approximately 52' from the Ash Avenue right of way. The primary and practical entrance to the existing house is off of N. 23rd Street. However, technically the address of the property is 2222 Ash Avenue. As a result, the practical use of the property and the primary front entrance of the property is off of N 23rd Street.

If you have any questions, please do not hesitate to contact me at (702) 792-7045. Thank you for your consideration.

Sincerely,

KAEMPFER CROWELL RENSHAW GRONAUER & FIORENTINO

Stephanie H. Allen

CITY of LAS VEGAS

September 28, 1993

Sterling Limited Partnership II
2300 Paseo Del Prado, B-310
Las Vegas, Nevada 89102

RE: Z-50-90 - PLOT PLAN AND BUILDING ELEVATION REVIEW

Gentlemen:

Your request for a Plot Plan and Building Elevation Review on property located on the north side of Sahara Avenue, approximately 660 feet west of Tenaya Way, N-U Zone (under Resolution of Intent to P-R), was considered by the Planning Commission on September 23, 1993.

The Planning Commission unanimously voted to APPROVE your request, subject to the following:

1. Conformance to all applicable original Conditions of Approval and all applicable subsequent Conditions of Approval for this project.

2. Submit a Master Sign Plan to the Department of Community Planning and Development for review and approval prior to the issuance of building permits for any individual on-premise signs.

3. Record a Joint Access Agreement across the parcels to ensure vehicular access is provided to the north portion of the Phase II site concurrent with the construction of Building No. 2 unless a Commercial Subdivision Map is recorded for the Building No. 2 site as required by the Department of Community Planning and Development. The agreement shall remain in force until such time as direct access is provided to Sahara Avenue for the remainder of the Phase II site.

4. The full width of the driveway on the east edge of this property shall be constructed concurrent with Phase I of this site as required by the Department of Public Works.

5. Driveways shall be designed and constructed in accordance with Standard Drawing #222a as required by the Department of Public Works.

6. Conformance to the plot plan and building elevations.

- Continued -

Review of Conditions
Justification Letter

As the representative for the Sterling Park Owners Association and the Sterling Park West Owners Association, we would like to have the Removal of Conditions considered for Item #2 on Z-50-90-Plot Plan and Building Elevation Review.

The request is for the removal of the Master Sign Plan submittal. There was never a Master Sign Plan submittal executed for the project, even though signs have been permitted for the site. Any future signage will have to conform to Chapter 19.14 Sign Standards. The property today would not require a Master Sign Plan.

Please consider our request to remove this condition.

Sincerely,

Rich Hinshaw

Rich Hinshaw

YESCO

Las Vegas Division

5119 South Cameron Street
Las Vegas, Nevada 89118

702-876-8080 Telephone
702-944-4500 Fax

Justification Letter

As the representative for the owner, Benson, Bertoldo, Baker and Carter, the following variance would like to be considered:

Code Section 19.14.060 (F)(5)(d) – 5'-0" set back from property line.

Variance Request: Zero foot set back from property line.

Please consider the requested variance based on Code Section 19.18.070 (L)(2).

Determinations

Where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of the enactment of the regulation, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of the piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties, to, or exceptional and undue hardships upon, the owner of the property, a variance from that strict application may be granted so as to relieve the difficulties or hardship, if the relief may be granted without substantial detriment to the public good, without substantial impairment of affected natural resources and without substantially impairing the intent and purpose of any ordinance or resolution.

The parcel related to this application would be considered narrow and shallow for the purposes of a moderate size freestanding sign that would have visibility from both eastbound and westbound Sahara Avenue based on the following conditions (refer to YESCO drawing #416705 Sheet 03 and 04):

1. Restrictive property lines to the east and west will only allow a sign to be placed in the landscaped area between the property line/right of way and the building structure.

2. There is a Nevada Power easement that encroaches 8'-6" behind the back of the sidewalk into the landscaped area where the sign can only be placed. If you refer to the YESCO drawings, you can see the impact that this has on the property and the sign.

   A. If granted the variance for the zero foot set back, the measurements would be:
      i. Back of sidewalk to the leading edge of the sign will be 5'-0".
      ii. Back of sidewalk to property line/right of way would be 8'-6". Sign will be located 3'-6" into the easement.
      iii Back a sidewalk to back edge of sign would be 15'-0".
      iv Clearance from the back edge of sign to roof pop-out would be 2'-6".

   B. If not granted the variance for the zero foot set back, the measurements would be:
      i. Back of sidewalk to property line/right of way is 8'-6" plus the required 5'-0" set back would place the leading edge of the sign 13'-6" from the back of the sidewalk.

VAR-42234
www.yesco.com
ROC-42233

ii. The distance from the 13'-6" set back to the roof pop-out would be 4'-0". If you allow a clearance of 2'-6" to the pop-out, the sign could only be 1'-6" wide and would be useless.

Please consider the requested variance based on Code Section 19.18.070 (H).

Precedents

The fact that a Variance for the same or similar use has been granted previously for the subject property or nearby property is a factor to be considered, but is not determinative.

In the Planning Commission meeting held on January 22, 2004, item #18, MSP-3493 for Coronado Bay Sahara LLC., located at 7936 W. Sahara Avenue, I represented the client with similar circumstances. The property was zoned C-1 and at the time we requested a Special Conditions Request with the Master Sign Plan application for a zero foot set back, along with an encroachment agreement and we were granted the request. That particular sign was 40'-0" tall and 16'-0" wide. Though this does not make our request determinative, I feel it is worth noting a request for a zero foot set back has been granted in the past.

Other additional points to consider would be:

1. Since the sign will be set back 5'-0" from the back of sidewalk, it will still have the appearance of meeting the set back. In most cases, the property line starts at the back of the sidewalk in the City.

2. If the variance is granted along with an encroachment agreement executed, the current, or any future property owner has the understanding that if Sahara Avenue is widened in the future, then the sign will have to be removed at the owner's expense.

3. There are some landscape issues as you can see when reviewing YESCO drawings #416705 sheet 03. Once the existing sign and footing are removed, the plan is for YESCO to dig the footing for the new sign, set the pipe and have the area back filled back to the original grade.

   A. If granted the variance for the zero foot set back, and the executed encroachment agreement, there may be a couple palm trees that might block some visibility of the sign. The degree of impact will not be able to be determined until the sign is installed and a vehicular drive by survey eastbound and westbound is done. There is a good possibility that none of the mature trees will need to be relocated. If one or two of the palm trees needed to be removed and relocated, the property owner agrees to do that within the same planter area.

   B. Due to the conditions of this parcel, there is a hardship that basically makes it impossible to install a freestanding sign without the granted variance and executed encroachment agreement.

Please consider our request for the variance with the information that has been provided.

Sincerely,

Rich Hinshaw

Project Overview

The property owner, Benson, Bertoldo, Baker and Carter, has purchased a sign from Signs West, who has since gone out of business. The sign was approximately 50% completed and currently remains in that status.

I went down to the City to verify the status of Signs West permit #165908 and found out no inspections have been performed under that permit number. The property owner has gone through the expense of removing landscaping and providing a 50% deposit for the existing sign.

There are three things that I noticed as I surveyed this project. First, the leading edge of the sign is located in the right of way and research showed no variance or encroachment agreement was ever executed. Secondly, the sign is too small to adequately serve its purpose for westbound and eastbound visibility on Sahara Ave. Lastly, the sign company left the landscaping in very poor condition. Photos of the current conditions are attached for your review.

The property owner's resolution to the current conditions would be to remove the existing non-conforming sign, request a variance for a zero foot back from the property line/right of way, enter an encroachment agreement with the City, manufacture and install a new sign that will provide the adequate visibility and bring the existing landscape back to its original grade.

Sincerely,

Rich Hinshaw

JUSTIFICTION LETTER

This request is for the approval of a Special Use Permit for the designation & operation of a "Loan Center & Pawn Shop" in a C-1 Zone area as allowed under City of Las Vegas Title 19 / UDC 19.12.010 in an existing building formally operated as a Bank under the use of "Financial Institution w/o a Drive Thru", also per UDC 19.12.010. The building will also contain a secondary business of the same nature.

We are requesting a waiver to allow distance separation of approximately 657 feet from a Financial Institution specified where 1000 Feet is required.

Per City of Las Vegas Planning Staff, the existing legal Non-Conforming parking designation shall remain in place.

The pawn shop proposes to upgrade the exterior appearance of the building with new paint, signage and non-structural fascia repairs. The existing landscape and parking lot will remain unchanged.

RE: Special Use Permit for Retail establishment with Accessory Off-sale packaged liquor, beer and wine.

Dear Sir/Madam;

Please consider this request to allow off-sale packaged liquor, and beer and wine from the existing Sienna Deli and Restaurant business. Currently a single building located at 9500 West Sahara Avenue operates as a supperclub and a 1428 SF ethnic specialty merchandise store.

The ethnic market sells deli and bakery items as well as dry goods. The applicant wishes to offer Italian wines, beers and liquors within the retail store for consumption off premises. The beer and wine will be located on the shelves facing the breakfast tables within the deli. The total area on this shelf devoted to beer and wine is 10'wide X 4'deep X 6 shelves high. Up to six square feet will be within the deli coolers for items that need a chilled storage environment. With reference to Liquor, up to 32 SF is of shelf space is proposed. The liquor shelving is located behind the bakery such that it is accessible only to employees.

The subject building is located on a parcel within the Village Square commercial subdivision. Technically, 27 parcels are located on one property within this commercial subdivision. As a result a waiver of distance separation is required from the nearest religious institution. While there is approximately 435 feet between the parcel boundary of the subject lot and the parcel line of the religious institution, the two uses are technically on the same property. A library is located approximately 600 feet to the west of the property. As such, this use meets the minimum distance separation required by Title 19.

Very truly yours,

Lora Dreja

June 20, 2011

Planning & Development Department,
City of Las Vegas,

Justification Letter.

I am happy to inform you that I, Sudarshini Wijekularatne, am currently having a state licensed family home day care at 6201, West Oakey Blvd., Las Vegas, Nevada - 89146.

Since I am successfully operating my day care for family home(for six children) for five years, I wish to apply for a special use permit for group home day care (for 7-12 children) and will be opened all the seven days of the week and 24 hours.

Further more, there will be two people working at the day care including me. Only my family is living in this home.

With reference to the Pre Application Conference on June 15, 2011 at the meeting committee agreed to give access to the facility from Verde Jardin way.

Since I have a two-car driveway and a garage, I can park my vehicle in the garage while the parents can drop-off the children at the front driveway or the back parking area according to their convenience.

I request for a waiver for the driveway fronting Oakey Boulevard.

Thank You,
Yours Faithfully,

.....
Sudarshini Wijekularatne.

Revised: SUP-42262 and SUP-42264Special Use Permit Auto Repair (major) and Motor Vehicle Sales (used) on site located at 1735 and 1715 Fremont Street

Dear Sir/Madam;

Please consider concurrent requests for use permits for on parcels 139-35-315-006 and 007. The combined parcels total 1.87 acres located at the north west corner of Fremont Street at Bruce Street. These two parcels with three buildings functioned as a singled destination for auto related businesses. Currently one of the three on-site buildings operates as a minor auto repair facility. Approval of this request will enable the revival of a cohesive site with shared parking and shared entrances. Following approval of these permits the parcels will be merged. The internal fencing that bifurcates the site will be removed to facilitate internal circulation.

Since the previous businesses began operations on the site, the adoption of the Downtown Centennial Plan has implemented new design standards on the site. The applicant has redesigned the on-site parking to accommodate parking lot landscaping, reserved room for large trees within the site and will replace chain link perimeter fencing with fencing allowable by Title 19. Decorative shrubs and trash bins will be placed along the street-side fencing. Internally, an iron fence separating the parking area to a sub-grade ramp will replace the existing chain link fence. This renovation will mitigate the appearance of the service bays that face Fremont Street. Trash bins will also be screened from public streets.

The applicant wishes to defer any major changes to landscaping and fencing along Fremont Street until the roadway expansion and any needed RTC dedications are underway. Also, the applicant wishes to have one year to from the time of occupancy to install the internal landscaping.

Minor changes will be made to the buildings and site to update the appearance and conform to the Centennial Plan. At this time, the proposed changes include, removing weathered canopies, replacing perimeter fencing with block wall and gate, replacing internal chain link fence with three foot wrought iron fencing adjacent to the downward ramp and replacing worn step rails. Tenants will submit designs for canopies over the bay doors as part of a subsequent master sign submittal. If possible, these canopies will screen the HVAC equipment. All temporary structures not in compliance with code will be removed.

LAW OFFICE
Brown, Brown & Premsrirut
AN ASSOCIATION OF PROFESSIONAL CORPORATIONS

The anticipated uses include auto repair (major), auto repair (minor) and motor vehicle sales (used). Standard title 19 guidelines require 92 on-site spaces for the combined uses in addition to those needed to accommodate car sales. As this site is in the East Village District, Title 19 standards do not apply. Once landscaping is designed into this site, 57 spaces are available for parking. 12 additional spaces located in the rear portion of the site will be allocated to storage of disabled vehicles. This parking aisle will be screened by 6' gabions painted blue to match the auto sales building. The motor vehicle sales will have priority for the 19 streetside spaces.

At this time the following use permits are requested:

Motor Vehicle Sales (used): This use is requested 1715 Fremont Street. The building meets the Special Use requirements listed in Title 19 in that 1) a minimum 25,000 square feet is designated to this use (11,740 indoor). 2) No outside address system is proposed 3) While outdoor lighting is shared with the companion parcel it does not affect neighboring property owners 4) The property has sufficient indoor area to house automotive parts. 5) The automobile service bay doors are setback from the show-room building restricting visibility from Fremont Street. The service bays are not visible from Bruce Street due to the placement of a building on the companion parcel.

Auto Repair Garage, Major: The northernmost building (1735 Fremont suite 100) is proposed for major auto repair. This building was chosen because it is set back furthest from the right of way and has service bays that are oriented away from residential, schools or third party businesses. Any noise generated by this use is cushioned by the companion buildings. Major auto repair on this site can meet minimum special use requirements with the exception of:

1) **Waiver:** The opening of the service bays face public right-of-way. This building was constructed prior to this provision in code. The visual impact of these bays is somewhat alleviated by the 180 setback from the curb and the location of the entry which is approximately five feet below grade. The ramp leading to the entry mandates a safety fence which will be decorated with plant material.
2) **Waiver:** Vehicles parked on premises for the purpose of sale. As previously mentioned this building was designed as a companion to two other buildings. With the concurrent proposal for used auto sales in a separate on-site building, the two buildings will have shared access and shared parking. Following a parcel merger all three businesses will be located on the same property. Thus, this requirement cannot be met. The land lord will allocate streetside parking spaces to the auto sales business per a rental agreement. It is important to note that the auto-sales operation is a different business entity than the auto repair. The auto repair business will not park cars on this lot for the purposes of auto sales.

344 S. Jones Boulevard

Proposed 1.488 square foot conversion of an existing house to an office.

Traffic produced by proposed development:

Existing Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	SINGLE FAMILY DETACHED [DWELL]	1	9.57	10
AM Peak Hour			0.75	1
PM Peak Hour			1.01	1

Proposed Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	1.488	11.01	16
AM Peak Hour			1.55	2
PM Peak Hour			1.49	2

Net Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	1.488	11.01	6
AM Peak Hour			1.55	1
PM Peak Hour			1.49	1

Existing traffic on all nearby streets:

Jones Boulevard	
Average Daily Traffic (ADT)	31,500
PM Peak Hour (heaviest 60 minutes)	2520

Alta Drive	
Average Daily Traffic (ADT)	10,413
PM Peak Hour (heaviest 60 minutes)	833

Traffic Capacity of adjacent streets:

	Adjacent Street ADT Capacity
Jones Boulevard	34,500
Alta Drive	16,300

This conversion is expected to add 6 additional trips per day on Jones Blvd. and Alta Dr. Currently, Jones is at about 91 percent of capacity and Alta is at about 64 percent of capacity. This project is not expected to significantly change these capacities.

Based on Peak Hour use, this conversion will add 1 additonal car into the area in the peak hour, or about one every sixty minutes.

Note that this report assumes all traffic from this development uses all named streets.

Re: Office

To Whom It May Concern:

I am writing to you in reference to the correction file of the Office date March 13, 2011. Due to the limited amount of land available, we are unable to meet the required landscape requirements, for this reason, we are requesting the following:

1. Waive the 15' requirement of landscape to 5' along the front.
2. Waive the 8' requirement of landscape to 3' along sides.
3. Waive required of trees in landscape behind parking lot.

In addition, we are also noting that all landscaping is noted on the plans but is also include in the backyard. The required 5 parking lots have also been constructing from the available 1488'. A trashcan with wheel swill be stored in the garage and picked up on the specified days by the appropriate service provider. Thank you for your time in this matter.

Sincerely

Signature

404 S. Jones Boulevard

Proposed 1.648 square foot conversion of an existing house to an office.

Traffic produced by proposed development:

Existing Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	SINGLE FAMILY DETACHED [DWELL]	1	9.57	10
AM Peak Hour			0.75	1
PM Peak Hour			1.01	1

Proposed Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	1.648	11.01	18
AM Peak Hour			1.55	3
PM Peak Hour			1.49	2

Net Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	1.648	11.01	9
AM Peak Hour			1.55	2
PM Peak Hour			1.49	1

Existing traffic on all nearby streets:

Jones Boulevard	
Average Daily Traffic (ADT)	31,500
PM Peak Hour (heaviest 60 minutes)	2520

Alta Drive	
Average Daily Traffic (ADT)	10,413
PM Peak Hour (heaviest 60 minutes)	833

Traffic Capacity of adjacent streets:

	Adjacent Street ADT Capacity
Jones Boulevard	34,500
Alta Drive	16,300

This conversion is expected to add 9 additional trips per day on Jones Blvd. and Alta Dr. Currently, Jones is at about 91 percent of capacity and Alta is at about 64 percent of capacity. This project is not expected to significantly change these capacities.

Based on Peak Hour use, this conversion will add 2 additonal cars into the area in the peak hour, or about one every thirty minutes.

Note that this report assumes all traffic from this development uses all named streets.

Re: JWB School

To Whom It May Concern:

I am writing to you in reference to the correction file for the JWB Office dated March 13, 2011. This school is going to be for students in high school or college who are having trouble with their English. Since it is primarily going to only be for this purpose, there is not going to be any levels or difference in classes taught. For this reason, there will be no need to have more than one room that is handicap accessible. In addition, there is currently landscape planned on all sides of the building as well as the parking lot. Unfortunately, there is not enough room to meet the required measurements. Due to the before mentioned reasons, we are requesting the following:

1. Require only one room to be handicap accessible.
2. Waive the 8' requirement of landscape to 6' along rear.
3. Waive the 15' requirement of landscape to 9' along the front.
4. Waive the 8' requirement of landscape to 0' along sides.
5. Require only 3 trees in the parking lot landscape instead of 4.

In addition, we are addressing that a trashcan with wheels will be stored in the garage. It will be put on the sidewalk two times a week to be picked up by the appropriate service provider. We have also decided to acknowledge regulation number 3 under Table 2 in the Land Use Table stating that there should be a 2:1 student to teacher ratio; therefore there will not be more than 10 students at one time. Thank you for your time in this matter.

Sincerely,

Principal
JWB Language School

PLANTING NOTES

1. ALL DIOECIOUS PLANT MATERIAL TO BE FEMALE IN ORDER TO REDUCE AIR-BORN ALLERGENS AND POLLEN COUNT ON THE SITE. A REGISTERED HORTICULTURIST AND/OR ARBORIST SHALL BE CONSULTED TO VERIFY SEX OF PLANT MATERIAL THAT IS TO BE SECURED FOR INSTALL.
2. ALL MONOECIOUS PLANT MATERIAL HAS BEEN CAREFULLY SELECTED FOR ITS LOW ALLERGY QUALITIES. ANY PLANT SUBSTITUTIONS SUGGESTED BY THE CONTRACTOR MUST HAVE A LOW RATING ON THE OGREN PLANT ALLERGY SCALE (OPALS CHART).
3. DECOMPOSED GRANITE (DG) - INSTALL THE MINIMUM LAYER OF DECOMPOSED GRANITE/ROCK ALL LANDSCAPE AREAS WITHIN LANDSCAPE LIMIT OF WORK EXCEPT WHERE NOTED OTHERWISE. CONTRACTOR TO PROVIDE SAMPLES OF DECOMPOSED GRANITE/ROCK FOR APPROVAL. BEFORE PLACING GRANITE, COMPACT SUB-GRADE TO 85% AND APPLY A PRE-EMERGENT HERBICIDE TO SOIL. AFTER PLACING GRANITE, RAKE SMOOTH, WET TO ENTIRE DEPTH, ALLOW TO DRY, THEN LIGHTLY SCARIFY SURFACE WITH A LEAF RAKE. APPLY A SECONDARY APPLICATION OF PRE-EMERGENT HERBICIDE TO TOP OF GRANITE. KEEP TOP OF GRANITE 2" BELOW TREE GRATE. DO NOT ALLOW GRANITE TO TOUCH THE TRUNK OF ANY TREE. INSTALL AFTER INSTALLATION OF PLANT MATERIAL.
4. ALL MULTI-TRUNK TREES ARE TO HAVE 3 TO 4 TRUNKS.
5. ANY TREE PLANTED WITHIN 5 FEET OF A SIDEWALK OR WALL SHALL BE PLANTED WITH A ROOT GUARD DESIGNED TO DIRECT ROOT GROWTH DOWNWARD.

RE: Site Development Plan Review - Variety School Justification Letter
2800 Stewart Avenue (APN# 139-36-303-001)

Dear Mr. Gebeke:

Please consider this letter a request by the Clark County School District (District) for approval of a Site Development Plan Review (SDPR) for the above referenced property located at 2800 Stewart Avenue, Las Vegas, Nevada, also known as APN# 139-36-303-001. Currently located at 2601 Sunrise Avenue, the Variety School (Variety) was constructed in 1952 and is a special education school for students in grades K-12.

The District is in the process of a rehabilitation and modernization program, which allows for both on-site and off-site improvements and modernization of various schools and facilities. Variety School was chosen as a school in high need of replacement. Modernization of Variety will consist of constructing a new campus, north of the existing Martin Middle School site, at the southeast corner of Stewart Avenue and North 28th Street. The old Martin Middle School will be demolished to make room for the new school.

The subject parcel for the new school is currently zoned Civic District (C-V). Construction of the school is planned to provide a more functional and modern campus to better serve the needs of the students attending Variety. The campus will consist of approximately 58,000 +- square feet of building areas, with two ingress/egress points, one off of Stewart Avenue and the other off of 28th Street. Parking for staff and visitors will be along the east and south sides of the site. Busses will enter the campus from Stewart Avenue and drop off students at the south side of the building. The busses have a separate loading area as to not conflict with the vehicular traffic.

Landscaping has been provided in and around the site. There is an existing chain link fence along the east and south property lines. The building will serve as the fencing along Stewart Avenue with partial chain link fencing along 28th Street. The District is requesting that the chain link fencing along 28th Street be considered as part of this SDPR as it is a requirement of the type of school being placed on the site.

We believe this plan will meet those needs while providing a much needed replacement school in the vicinity of the existing campus, and thank you for your consideration. Please do not hesitate to contact Tracy Murphy at (702) 799-5214 ext. 5417 with any questions.

Kind Regards,

Linda Perri

Re: First Amendment and Restatement to the Development Agreement Justification letter

Dear Peter:

This letter is intended to be a justification letter for the first amendment and restatement to the development agreement ("Agreement"). The City of Las Vegas ("City") and Kyle Acquisition Group, LLC entered into a development agreement which became effective on August 8, 2007 ("Original Agreement"). Wachovia Bank, acting as a managing creditor of 41 total creditors, foreclosed on the property on September 23, 2008. A new entity was formed called KAG Property, LLC ("Master Developer"). The Master Developer and City desire to amend, incorporate, restate and supersede the Original Agreement. The property consists of approximately 1,661.8 gross acres of unimproved real property ("Property").

I. PLANNING & DEVELOPMENT OF THE COMMUNITY

One of the primary objectives of the Master Developer is that development of the Property be undertaken in an organized fashion so as to ensure a well-integrated, quality community within appropriate harmonious mix of residential, commercial, open space, recreational and public uses. To further that end, the Property is planned and Master Developer will develop the Property under a single master plan, thoughtfully incorporating residential, commercial and public uses, and market it as a "Master Planned Community". The Master Planned Community will provide desirable housing, employment, commercial centers, public and recreational opportunities for the residents. The Agreement sets forth the terms and conditions of development. Subject to the terms of this Agreement and development rules, Master Developer has the discretion as to the time of commencement, construction, phasing and completion of any and all development of the Master Planned Community. The maximum density for this Property will be 9,000 dwelling units. This is a significant reduction in the density that was originally approved for 16,000 dwelling units. Additionally, a gaming enterprise district and an establishment offering non-restricted gaming is already approved.

A master homeowner's association will be organized to manage and maintain sidewalks, common landscape areas, any landscaping within the street rights-of-way including median islands, certain parks and private drainage facilities located within common elements.

II. PUBLIC FACILITIES

a) Schools

The Master Developer has agreed to dedicate up to 74.34 acres of property for school sites at no cost to the City or the Clark County School District. Master Developer will construct standard improvements adjacent to the school parcels. The schools will be developed subject to the design guidelines for the Master Planned Community.

b) Fire Protection

The Master Developer has agreed to contribute $4,100,000 to the City for the sole purpose of construction of a fire station. The Master Developer has further agreed to provide all wet and dry utilities services to the fire station site prior to the date of the fire contribution. The fire station will be constructed and operating within 24 months of this contribution.

c) Regional Transportation Center

The Master Developer has agreed to dedicate up to 2.5 gross acres of land to serve as a transit hub and transfer points for various bus routes at no cost to the City or the Regional Transportation Commission. Master Developer will construct standard improvements adjacent to this parcel.

d) Police Services

Residential developers are required to pay the City $218 per residential unit for the construction of a Metro substation to serve the Property and the surrounding area. This Metro substation is required to be no more than 1 mile from the Property and must be constructed and in operation within 1 year from the completion of the master planned community.

III. PROJECT INFRASTRUCTURE IMPROVEMENTS

a) Sheep Mountain Parkway

The Property is encumbered by an irrevocable BLM Right-Of-Way grant in favor of the City for the proposed Sheep Mountain Parkway. The City and Master Developer have agreed to reduce the future Sheep Mountain Parkway. In exchange for this reduction in right-of-way, the

Master Developer has agreed to build the permanent detention basin in the Master Planned Community. The Master Developer will remove interim detention basins located within the Sheep Mountain Parkway right-of-way and to locate the permanent detention basin along the Puli Road alignment. The City will receive a cost benefit of approximately $7,000,000 of future construction costs through the construction of a permanent detention basin.

b) Kyle Canyon Interchange

The Master Developer has agreed to contribute $2,000,000 to the City for the design, construction or reimbursement to the City (if the interchange is constructed] of the Kyle Canyon Road – US 95 Interchange. Furthermore, the City may use all or some of this contribution for the design of Kyle Canyon Road – US 95 Interchange or design, right-of-way acquisition for construction of several road projects to benefit the Master Planned Community that are outlined in the Agreement.

IV. PARKS

The Master Developer will construct the parks and other recreational amenities within the Master Planned Community. The homeowner's association will maintain certain parks and recreational amenities as defined in the parks agreement.

a) Indian Hills Park

Master Developer will construct Indian Hills Park upon the issuance of the 500th residential permit on the east side of US 95 (located within the Property) or prior to the issuance of the 2000th residential permit for the Master Planned Community. The City will manage and maintain this park.

b) Iron Mountain Park

Master Developer will commence the design and construction of Iron Mountain Park when the City notifies the Master Developer that 4,000 residential permits have been issued and the flood control facilities are in place to protect the park. The City will manage and maintain this park.

The above-mentioned sections do not reflect the entire Agreement, however; these above-mentioned sections represent pertinent parts of the Agreement that have been negotiated. This Agreement is consistent with the goals and policies of the City and is in line with the expectations of development for future master planned communities. Please contact me if you have any questions.

Sincerely,

KAEMPFER CROWELL RENSHAW GRONAUER & FIORENTINO

Las Vegas, NV 89106

RE: Town Center Permissible Uses – Pet Boarding

Dear Flinn,

Centennial Gateway is currently in discussions with a prospective tenant for Centennial Gateway, our shopping center at Ann Rd. and Centennial Center Blvd. As you know, this property falls within the Town Center Specially Planned Area and has a zoning designation of SC-TC. The proposed use is a pet boarding facility to include daycare and overnight boarding as well as grooming services. The use will be restricted to indoor care of animals with no outside pens. The tenant intends to occupy 6400 square feet at the Centennial Gateway shopping Center.

The Pet Boarding use is defined under UDC 19.12.010 and is a Conditional Use within a C-1 zoning, however, the use is not contemplated by Section B of the Town Center Development Standards. Town Center does contemplate Animal Hospital/Shelter as a Special Use which mirrors the same in the C-1 zoning.

As long as the same conditions as under the C-1 zoning are followed, Centennial Gateway does not believe that the proposed use represents and danger or nuisance to public health and safety. The use is not inconsistent with other uses within Town Center (including Animal Hospital) and furthermore should be considered an amenity by the local residents.

Centennial Gateway requests that Planning Staff propose a Text Amendment to add Pet Boarding as a Conditional Use within the SC-TC zoning to mirror the current C-1 zoning. If outdoor pens are not desirable in Town Center, we would propose that the use be restricted to indoor only with adequate noise and odor controls.
