Re: Justification Letter for Special Use Permit

To whom it may concern:

Pancit Adobo Filipino Restaurant seeks a special use permit in efforts of attaining a beer and wine license through the City. Pancit Adobo is an established full service restaurant located on 2131 Rock Springs Dr that has been open since the last week of October, 2010. Currently the hours of operation are from 10:30 am to 9 pm daily serving breakfast, lunch, dinner, desserts and party trays. Patrons have the option of taking out food or dining in with seating approximately amounting to 170 which include additional seating in a private banquet room.

The purpose of on-site sale of beer and wine is to increase daily revenue as well as foot traffic to keep the restaurant afloat during these economic times. There will be some entertainment at night such as singing and karaoke on selected nights and live music on other nights which start at 9:00 pm. All beer and wine /wine coolers will be sold with meals/food. No additional development to the facility is required since the business is already functioning. The anticipated schedule of operation will be daily from 11 am to 3 am. To facilitate the later hours, additional staff will be hired. There are two on-site managers, one of which will always be on the premises at any given time.

Hopefully, you will grant us the required Special Use Permit soon. Should you need more information, please don't hesitate to contact me at (702) 452-3626 or (702) 372-3585.

Sincerely,

Gloria Rosell-Ensler

Manager
