Re: Office

To Whom It May Concern:

I am writing to you in reference to the correction file of the Office date March 13, 2011. Due to the limited amount of land available, we are unable to meet the required landscape requirements, for this reason, we are requesting the following:

1. Waive the 15' requirement of landscape to 5' along the front.
2. Waive the 8' requirement of landscape to 3' along sides.
3. Waive required of trees in landscape behind parking lot.

In addition, we are also noting that all landscaping is noted on the plans but is also include in the backyard. The required 5 parking lots have also been constructing from the available 1488'. A trashcan with wheel swill be stored in the garage and picked up on the specified days by the appropriate service provider. Thank you for your time in this matter.

Sincerely
