September 13, 2011

6:00 PM

ALL ITEMS ON THIS AGENDA ARE SCHEDULED FOR ACTION UNLESS SPECIFICALLY NOTED OTHERWISE. UNLESS OTHERWISE STATED, ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON. TWO OR MORE AGENDA ITEMS FOR CONSIDERATION MAY BE COMBINED; AND ANY ITEM ON THE AGENDA MAY BE REMOVED OR RELATED DISCUSSION MAY BE DELAYED AT ANY TIME.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Clerk's Bulletin Board, City Hall Plaza, 2nd Floor Skybridge
Clark County Government Center, 500 South Grand Central Parkway
Las Vegas Library, 833 Las Vegas Boulevard North
Grant Sawyer Building, 555 East Washington Avenue
Bulletin Board, City Hall Plaza (next to Metro Records)

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS AND PAYMENT OF THOSE COSTS SHALL BE MADE UPON FILING OF THE APPLICATION.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.
3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.
4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.
5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.
6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.
7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.
8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

**RE: SUP-38340 - SPECIAL USE PERMIT
PLANNING COMMISSION MEETING OF JULY 29, 2010**

Dear Ms. DiGiacomo:

Your request for a Special Use Permit FOR A 79 SQUARE-FOOT ACCESSORY PACKAGE LIQUOR OFF-SALE USE WITHIN AN EXISTING 15,120 SQUARE-FOOT RETAIL ESTABLISHMENT at 6001 West Cheyenne Avenue (APN 138-14-501-008), C-1 (Limited Commercial) Zone, Ward 5 (Barlow), was considered by the Planning Commission on July 29, 2010.

The Planning Commission voted to **APPROVE** your request, subject to the following:

Planning and Development

1. Conformance to all Minimum Requirements under LVMC Title 19.04.010 for a Retail Establishment with Accessory Package Liquor Off-Sale use.
2. This approval shall be void one year from the date of final approval unless a business license has been issued to conduct the activity. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. Approval of this Special Use Permit does not constitute approval of a liquor license.
4. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.

RE: *Application for Extension of Special Use Permit - SUP-38340*

To Whom It May Concern:

I am writing on behalf of Walgreen Co. to respectfully request an extension of time on the approval of a special use permit for the addition of accessory "off-sale" package beer, wine, and liquor at the premises of Walgreens at 6001 West Cheyenne Avenue (APN# 138-14-501-008). The special use permit was approved by the Las Vegas City Council on July 29, 2010, subject to a one-year expiration period unless a business license has been issued. The company is still in the process of completing and submitting its liquor license application. Therefore, the company respectfully requests an extension of the approval for at least one year to allow additional time to obtain the liquor license.

The location is currently operating and licensed as a drug store in a C-1, Limited Commercial, zoning district. The proposed sale of packaged liquor will not adversely affect surrounding properties, as the store is located along the commercial intersection of Cheyenne Avenue and Jones Drive. There are other businesses in the vicinity that sell alcohol, so the use would not be unique to the area.

As the City Council previously approved a special use permit for the sale of accessory "off-sale" packaged beer, wine, and liquor for consumption off-premises, an extension of time of one year to allow Walgreens to obtain its liquor license would be appropriate.

TO:

Doug Rankin, Planning Manager

FROM:

Andy Reed, Planning Supervisor

SUBJECT:

Use Variances south of Clark Avenue

COPIES TO:

Until 1996, the City strongly encouraged property owners in the vicinity of what was then Las Vegas High School to apply for use variances, instead of rezonings, for any proposed office development in the area. In 1997, Title 19 was revised, and use variances were specifically prohibited. All subsequent office development in the area has been done by rezoning.

Within the area generally located south of Clark Avenue and east of 6TH Street, a review of city records indicates that there are 35 properties which have Variance approvals that have allowed office uses on property zoned R-1 (Low Density Residential).

In an effort to bring the zoning designation of these properties into conformance with the existing Downtown Mixed Use General Plan designation, staff would like to proceed with a city-initiated zone change to P-R (Professional Offices and Parking). Additionally, because an office use in an R-1 zone would be considered as non-conforming by the Unified Development Code, the structures could not be rebuilt if they were destroyed until the zoning was changed. This would delay reconstruction a minimum of 90 days. Changing the zoning at this time benefits the property owners because the existing structures would be considered conforming and could be rebuilt more quickly if destroyed.

Under authority granted by the Unified Development Code, the City Council may change the Zoning designation of property within the City.

**Re: Justification Letter for City Stop
SWC Elkhorn Road & Hualapai Way**

To Whom It May Concern:

Please accept this letter as justification for the above-referenced project. The applicant is requesting a major amendment of a previously approved site development plan review (SDR-18031) and special use permits to allow for gaming and the sale of packaged beer, wine and coolers in conjunction with a proposed convenience store at the southwest corner of Elkhorn Road and Hualapai Way more particularly described as assessors parcel number 126-24-517-003 and 004.

Site Plan Review

The Applicant is proposing an approximately 5,730 square foot convenience store and approximately 2,360 square foot car wash with gas pumps. The convenience store will have a restaurant with dining area, sales area, office/storage area, alcohol sales and gaming.

Special Use Permits for Liquor Sales and Gaming

The Applicant is proposing to have a drive-thru, gaming and the sale of beer, wine and coolers in conjunction with the convenience store.

Approval of the applications is warranted for a number of reasons, including:

1. The project will provide needed services to the Providence community and the surrounding area.

RECEIVED

2. The project will help energize a mostly vacant commercial center by providing an anchor use. In doing so, it will create new jobs and tax revenues.
3. Great care was taken to ensure that the project meets or exceeds all of the Providence design standards. The project was also specifically designed to be consistent with and compatible to the existing center and the surrounding area.
4. The proposed uses are accessory and incidental to uses specifically permitted in the Providence design standards.

Thank you for your consideration. Please contact Ann Pierce or me if you have any questions or need anything further.

RE: Providence Master Plan Community
Project Plan: Architectural Plans
POD: 122 – Providence Plaza
Plan Date: Received 3/23/11

Dear Hank:

The Providence Design Review Committee (DRC) is in receipt of your Architectural Plan and site plan for the City Stop at Providence Plaza.

The DRC approves your architectural plans and site plan for the above referenced POD.

Unless specifically waived, all elements within Providence must comply with the terms and conditions of the Design Guidelines and other governing documents. The approval granted herein applies only to the specific items as noted above, and does not constitute an approval of every specific element of the submittal, nor does it constitute a waiver of Providence's rights to enforce compliance with the Design Guidelines and other governing documents. Should an element of the submittal not comply with the Design Guidelines or other governing documents, and is not specifically approved, Providence reserves all of its rights with respect to enforcement of the terms and conditions of such documents as to the non-conforming element. All non-conforming elements must be specifically noted and a specific waiver must be submitted with respect thereto.

If you have any questions, please do not hesitate to contact our office.

Sincerely,
Providence Design Review Committee

SUP-42604

To: Department of Planning

From: Brian Hammes, DVM – Buffalo Alta Animal Hospital

Subject: Justification Letter for Special Use Permit

Buffalo Alta Animal Hospital has been operating at 450 S Buffalo Drive, Suite 118, Las Vegas, NV 89145 for the past 13 plus years. It has been under the present ownership and management for the past six years. We are a small (one veterinarian), family-owned practice. Our practice is small animal, consisting largely of cats and dogs, although we will see the occasional pocket or exotic pet. No large animals are seen.

From the beginning, we have been a good neighbor to the other businesses in the Buffalo Center as well as the residents of the community. We have had no complaints of any fashion from the other businesses or residents. We take pride in the fact that clients comment that our hospital smells so clean and fresh. Likewise, noise is at a minimum.

We now plan to move across the parking lot to the stand-alone building with the address of 490 S Buffalo Drive. We will still be in the same shopping center (Buffalo Center). Site and floor plans have been prepared and are part of this submitted package. Photos of the four sides of the building are also included. A general contractor, SGI Builders (Bryan Sears, Owner), has been retained.

The focus of our practice will remain unchanged. We will continue to be a small, family-owned practice emphasizing pet care for dogs and cats. No large animals will be seen. Our hours of operation are expected to remain unchanged. We will be open 7:30A.M. – 6:00P.M. Monday thru Friday. On Saturday, we will be open 8:00A.M. – 4:00P.M. We plan to be closed on Sundays. At this time, we do not expect any changes in staffing levels. Initially, we will have 3 full-time employees and 1 part-time employee. Our desire is to add staff as needed as our client base increases.

Moving to the stand-alone building will allow us to better serve the community since the building is somewhat larger than our existing space. As noted above, we have had no complaints from other tenants or residences. I anticipate this to continue to be the case, particularly since we will no longer have any walls in common with other tenants.

RECEIVED
JUL 21 2011
SUP-42604

In regards to the Minimum Special Use Permit Requirements for an Animal Hospital, Clinic, or Shelter (with no outside pens):

1. The use shall have access to a collector street or larger.
 - a. There will be easy access from two streets, Buffalo and Alta.
2. Animals shall be confined within an enclosed building at all times.
 - a. This will be no change from our current practice at 450 S. Buffalo Dr, Suite 118.
3. The building shall be designed to provide complete sound barriers and odor protection for adjacent properties.
 - a. As noted above, we have had no complaints of noise or odor in our current practice which has common walls with adjacent tenants. Since we will be the only tenant in the stand-alone building, this policy of being a good neighbor will continue. In addition, a general contractor has been retained to help insure full compliance.
4. Rooms containing cages or pens are not permitted to have windows, doors or other penetrations on exterior walls adjacent to residences.
 - a. There are no adjacent residences. In addition, for security reasons, all rooms containing cages or pens will have **no** windows, doors, or other penetrations on exterior walls.
5. Noise levels must comply with the applicable provisions of LVMC Title 7.
 - a. Various measures such as separating dogs from cats; minimizing direct contact and sight of each other, providing toys and other mental stimulants are taken. Noise has been a non-issue in the past and should remain a non-issue at the new location.
6. No more than 25% of the floor area may be used for the boarding of animals.
 - a. Per the plans, the boarding area will be less than 15% of the floor area.

In reviewing the "Special Use Permit Determinations":

- a. The proposed use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.
- i. We have been operating an animal hospital in the Buffalo Center in a harmonious and compatible manner. Moving across the parking lot to the stand-alone building will not change this.
- b. The subject site is physically suitable for the type and intensity of land use being proposed.

- d. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety and welfare or the overall objectives of the General Plan.
 - i. Buffalo Alta Animal Hospital has been operating in its present location for 13 years. Moving across the parking lot to the stand-alone building will have no negative impact.

In summary, Buffalo Alta Animal Hospital has a 13 year track record in its present location. We now wish to move the hospital 50 yards across the parking lot to the stand-alone building. We have been a good neighbor to the other tenants as well as residents of the neighborhood. Moving to the larger building will allow us to better serve the community. In reviewing the "Minimum Special Use Permit Requirements" and well as the "Special Use Permit Determinations", it appears that we meet all criteria.

Thank you for your time and attention to this matter. Sincerely,

RE: SUP-30239 – SPECIAL USE PERMIT
CITY COUNCIL MEETING OF DECEMBER 3, 2008

Dear Mr. Allen:

The City Council at a regular meeting held December 3, 2008 APPROVED the request for a Special Use Permit FOR AN EXISTING 640 SQUARE-FOOT ACCESSORY STRUCTURE (CLASS I) WITH KITCHEN at 1125 Cahlan Drive (APN 162-05-512-019), R-E (Residence Estates) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on December 4, 2008. This approval is subject to:

Planning & Development

1. Conformance to all minimum requirements under LVMC Title 19.04.050 for Accessory Structure (Class I) use, if approved.
2. This approval shall be void one year from the date of final approval, unless a business license has been issued to conduct the activity, if required, or upon approval of a final inspection. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. The approval is pursuant to the revised plan date stamped 11/26/2008.
4. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

Sincerely,

Lean Coleman

Letter of Justification:

Re: A proposed Request for Special Use Permit to retrofit existing non-habitable accessory structure to habitable accessory class 1 structure.

Parcel Number: 16205512019
Zoning: R-E Residence Estate
Use: R1 Single Family residence

Description of existing conditions:

The existing non-habitable accessory structure was originally permitted and constructed in 1966 according to information obtained from Clark County Assessor building survey. Permit number 35459 dated 11-9-66 and designated as storage +Shop. The building is constructed from concrete masonry units to a plate height of 8'-0" with a wood framed roof to a peak height of approx 11'-9". The building outside perimeter dimensions is 16'-0" X 40'-0" for a total exterior foot print of 640 square feet.

Description of proposed Special Use: Intended use

The owner wishes apply for a special use permit in order to retrofit this building as a "Habitable Accessory Structure" in accordance to the City of Las Vegas ordinance#5825 and Title 19.08. The primary use of this structure shall serve as a pool house for entertainment and leisure and occasionally as a guest retreat on his existing residential estate.

Information:

This project shall not participate in the City of Las Vegas Green Building program. This project is already constructed and does not follow the LEED or equivalent standards. This project does not utilize alternative energy sources or water savings measures. There is no connectivity to adjacent parcels.

General Plan amendments:

The density and intensity of the proposed general plan amendment is compatible with the existing adjacent land use designations.

The zoning designations allowed by the proposed amendments will be compatible with the existing adjacent land use or zoning districts.

There are adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed general plan designation; and the proposed amendment conforms to other applicable adopted plans and policies.

Summery of Justification:

The owner can demonstrate that the proposed use of this accessory structure can be conducted in a manner that is harmonious and compatible with the existing surrounding land uses, and with future surrounding land uses as projected by the general plan. The subject site is physically suitable for the type and intensity of land use being proposed. Street facilities providing access to the property are adequate in size to meet the requirements of the proposed use; and approval of the Special Use Permit at the site in question will not be inconsistent with or compromise public health, safety and welfare or the overall objectives of the General Plan.

Sincerely
On Behalf of the Owner

Re: **JUSTIFICATION LETTER -SUP Application re APN 162-03-311-017**

To whom it may concern:

Please accept this as a justification letter for an SUP application for a pawn shop located at 519 E. St. Louis Ave, Las Vegas, NV. The Application is FOR A SPECIAL USE PERMIT FOR A PAWN SHOP AND WAIVERS TO ALLOW A 50 FOOT SEPERATION FROM A RESIDENTIAL WHERE A 200 FOOT DISTANCE SEPERATION IS REQUIRED AND TO ALLOW A 20 FOOT SEPERATION FROM AN EXISTING FINANCIAL INSTITUTION WHERE A 1,000 FOOT DISTANCE SEPERATION IS REQUIRED on 0.16 acres at 519 E. St. Louis Ave. zoned C-1 (Limited Commercial).

The pawn shop, which operates under a state pawn license, intends to have approximately 3 employees and will be open Monday to Saturday from 8:30 AM to 4:30 PM. The business is currently located at 215 N. 3rd St., Las Vegas, NV 89101 and intends to move into a building they have owned since 2002. The owners also operate John's Loan & Jewelry Company located at 2290 Paradise Road, Las Vegas, NV.

We strongly believe our waivers are appropriate as the proposed use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, the subject site is physically suitable for this type of use, the access streets to the property are adequate in size to meet the requirements of this use and the approval of this Special Use Permit at this site is not inconsistent with nor compromises the public, health, safety and welfare of the overall objectives of the General Plan.

If you have any questions and/or concerns, please do not hesitate to contact me.

Sincerely,

Todd Kessler

**Re: Application for Special Use Permit to Allow
Check Cashing/Deferred Deposit/High Interest/Title Loans Applications**

Dear Sir/Madame:

Please be advised that the Goodman Law Group has been retained to represent MHD Nevada Holdings, LLC, d/b/a Fast Cash Title Loans ("Fast Cash Title Loans") in connection with its request for a Special Use Permit to service auto title loans.

Fast Cash Title Loans entered into a Lease Agreement regarding property located at 6433 W. Charleston Boulevard, Las Vegas, Nevada commencing August 1, 2011. It is our understanding that the property is zoned C-1 and the previous tenant, Payday Loans & Checks Cashed, was already approved for a Special Use Permit to conduct business as a Financial Institution, Specified; however, Fast Cash Title Loans will also be servicing auto title loans requiring a separate Special Use Permit before it can obtain its business license.

The location meets all of the conditional use regulations and minimum Special Use Permit requirements except that the facility is not within 200 feet from a parcel used or zoned for residential use and there is another financial institution within 1000 feet. The hours of operation will be between 9 a.m. to approximately 5:00 p.m. Monday through Saturday and closed on Sunday. The leased area is approximately 2,159 square feet. There will be two employees working at a time. There will be no banners, inflated devices, streamers, portable signs, etc. The exterior of the property will not be altered but for the sign reflecting the name of the business. Although there will be no flashing lights, a small neon "Open" sign may be placed in the window.

A waiver is requested to allow a zero foot separation from residential zoned property, the Lantana Apartment Homes. Although Fast Cash Title Loans will be located within a commercial subdivision bordered by residential property on the west and south sides, its suite is on the north end of the subdivision and surrounded by other buildings separating it from the residential property. On the west, there is a car wash and a café between the residential property and the suite where Fast Cash Title Loans will be doing business. Additionally, from the south, there is a nursing home separating Fast Cash Title Loans from the residential property. The suite is approximately 315 feet away from the Lantana Apartment Homes when measured from the southern parcel line and approximately 290 feet away from the residential property when measured from the western parcel line. Furthermore, the anticipated hours of operation are not extreme and will not generate more traffic than what already exists in the area.

SUP-42657

City of Las Vegas
Department of Planning

A waiver of separation is also requested to allow approximately 680 feet between Fast Cash Title Loans and the financial services offered within the Walmart Neighborhood Market Store ("Walmart") located at 6310 West Charleston Boulevard. Walmart's primary source of business is retail services; however, it also accommodates its customers by offering money gram/check cashing services. Walmart does not offer auto title loan or deferred deposit services. Furthermore, the previous tenant, Payday Loans & Checks Cashed, was granted check cashing privileges despite being located closer than 1000 feet from another specified financial institution. Granting this request for a waiver will not adversely affect Walmart's business or result in an appearance of a proliferation of lending institutions.

A waiver of the parking condition is also requested given that the on-site parking requirements were different than the current codes when the commercial subdivision was originally built. Fast Cash Title Loans will be leasing a suite that is 2,159 square feet requiring it to have access to approximately 9 parking spaces. The building next store to Fast Cash Title Loans, 6431 West Charleston Boulevard, houses Metro PC and a vacant suite, both classified as retail use requiring an additional 27 parking spaces classifying this property as a parking impaired development. However, again the previous tenant was granted a special use permit allowing them to conduct business as a financial institution which carries the same on-site parking requirement of 1 space for each 250 square feet of gross floor area. Allowing Fast Cash Title Loans permission to service auto title loans will not significantly increase the volume of customers resulting in ongoing parking issues. Furthermore, one of the suites located at 6431 West Charleston is currently vacant and it is unknown what type of business, if any, will take possession of the property. Although the current code suggests thirty-six (36) parking spaces and there are only thirty-four (34), the parking needs for this site have never been excessive and the parking lots within this commercial subdivision were designed to accommodate intense commercial uses.

Fast Cash Title Loans will be located near an established and well populated intersection around other businesses including a thrift shop, restaurants (Internet Café, Jack-in-the-Box, McDonald's), car wash, pharmacy, gas stations and a large college campus. The request for the Special Use Permit allowing the service of auto title loans will not increase the concentration of people in the area or impact the residential property. Accordingly, we request that the above-referenced waivers be granted and the Special Use Permit be approved allowing Fast Cash Title Loans to proceed in obtaining its business license.

Thank you for your consideration and please do not hesitate to contact my office should you have any questions regarding the foregoing matter.

Very truly yours,

GOODMAN LAW GROUP

Re: zoning application for Beer/Wine

To Whom It May Concern:

This letter is to request approval of a beer/wine zoning for above location.
We are planning to open a Chinese Restaurant with Dine in /take out service with a total 2100 SQ Ft. inside. (Dining area: 957 SQ Ft., Kitchen area: 745 SQ Ft., plus Restrooms, storage & Hallway 398 SQ Ft.). This restaurant is located at corner of Charleston Blvd / Town Center Dr. Occasionally, our customer will request beer/wine to eat with their food. We will provide the Beer/wine with the food by our servers. There is no alcohol service bar inside the restaurant. Hours operation is 10:30 am to 10 pm. *8 employees in site.*
We had a city liquor Business license (L16-00233) issued on 01/27/1994 under Bowin Associates LLC and never had any problems.
Please kindly approve our zoning request so we can better serve our customers.

Thanks.

Sincerely,

EnHua Chen - Member

Subject: Justification Letter on Behalf of Golden Gate Hotel & Casino

To Whom It May Concern:

Golden Gate Hotel and Casino has a desire to upgrade their current property located at 1 Fremont, Las Vegas NV 89101. It is important for the ownership to maintain an enjoyable gaming establishment while acknowledging and highlighting the historical aspect of the building. With the state of Las Vegas' economy the owners feel it is important to improve the facility to attract more people; tourist and locals alike which will in turn create more opportunity and jobs. By renovating the property it will work alongside with the plans to beautify the downtown area.

The scope of the proposed renovation includes an expansion of their south façade, into the north parking lot area, as well as the development and improvement of their south parking lot. Within this expansion there will be an addition to the gaming areas, a new café and hotel lobby area. There will be an addition of 16 hotel suites to the property's existing 106 room hotel, as well as expanded back of house area as a part of the overall improvement for a total of 28,902 square feet.

As a part of this improvement the property owner is requesting waivers relating to right of way improvements required by the Downtown Centennial Plan, and for an awning/media screen encroachment. All of the on-site improvements align with the Downtown Centennial Plan. With regards to the off-site improvements, the sidewalk along Main Street will be brought up to the new required standards under the city's "Main Street Improvement Plan." With respect to the frontage along Carson, the owner is proposing to do improvements on site only, because Carson is not a through street and ends at an adjacent property.

Currently, we believe the existing building's awning encroaches into the public right-of-way by 5'-0" along Main Street and Fremont Street. The use of awnings is a City requirement under the Downtown Centennial Plan architectural design standards. As a part of this renovation, the owner is proposing that the new awning on the corner of Main Street, would only encroach 2'-0".

To whom it may concern,

This letter is to outline our reasons for our application for a special use permit for an existing outdoor storage use at 7150 W Sahara Ave.

The two containers are located in an optimal position at this time. They are use to store auto parts so proximity to the parts department is crucial for production. Other planed locations lead to further complications.

Where they are now located only takes up 2.5 parking spaces.

Other locations would take up 4-6 spaces.

They blend into the surrounding walls so they are not obtrusive.

Moving them would take up valuable space used for staging cars for repair, thus decreasing productivity.

The blind spots created by moving them would create a hazardous situation.

In summary, the location that they are currently in has proved to be both a safe and nondescript location.

Thank you for your consideration,

Henry Van Antwerp

RE: Request for a "Special Use Permit" for 1401 E. Charleston Blvd.

To Whom It May Concern,

I am requesting for the City Of Las Vegas to kindly grant me a "Special Use Permit" and allow me to open and conduct business as a bail bonds company at 1401 E. Charleston Blvd.

I am an established bail agent that owns & operates two other respected bail bonds companies here in the Las Vegas area (8-Ball Bail Bonds for 2.5 years & Escape Bail Bonds in NLV for the past 4 years). We have established a reputation at both existing offices as a company that prides itself on customer service & changing the stereotype of what the public thinks when they think of "Bail Bonds."

I have decided to open a third office due to the community need for more reputable bail bonds & a personal interest of wanting to spread my standard of service. At each of my offices that are currently in existence, my staff and I always go above and beyond to help people exercise their right to post bail and get back to their family, work & "normal" life till they have their day in court. I also feel that this particular location offers me as a local entrepreneur & striving business person in Las Vegas a unique opportunity based off of the fact that I am renting an "Executive Office" within a larger building that will also offer insurance & tax service to the public. This will give me the opportunity to establish a client base & serve the people that learn of our whereabouts due to the fact they frequent the location to conduct alternate forms of business.

I believe that I am able to assist and help the public with the need of honorable and reliable established bail bonds assistance in this sector of town. It is central enough to the local jails & courts (CCDC on Casino Center, City Jail on Stewart / Pecos, NLV Jail on LV Blvd & Karrie, & Henderson Jail on Water Street) that the public can come to my office with ease, and I can deliver the bonds for the release of the defendant in a reasonable amount of time. Please let it be known that there is another Bail Bonds directly across the street at 1440 E. Charleston Blvd., so I feel this gives reasonable proof to the fact that there is a need for bail bonds in the area & that this location is still within close to the proximity to the jails & courts to conduct business. There are also multiple attorney offices within close proximity to the desired location, and attorney's & bail bonds work hand in hand on a referral based business in order to help one another's clients with the type service each of our business can provide.

RECEIVED

JUL 28 2011

SUP-42683 City of Las Vegas

My hope is in the City of Las Vegas and the approval of my "Special Use Permit" so I can open my Bail Bonds office which will be of a positive service to the community and a new reputable business opening that will contribute in the City of Las Vegas & local the economy. I am a hand's on owner/operator that takes pride in how my business is conducted and the reputation I establish within the community. Please feel free to contact for references at your convenience.

My bail Bonds office will be open and operating 24 hours 7 days a week in order to insure optimum service whenever we are needed.

Your consideration is greatly appreciated, and I hope the City Council can see the value and service, along with revenue this could bring to the local City of Las Vegas & the community.

Respectfully,

Justification Letter

This application is for a Site Development Review of 2400 West Charleston Blvd. (APN # 139-32-802-026) based on the demolition of the existing 5,864 sf. office building and building a new 4,939 sf medical office building. The original structure built in the late 1950's was residential with a first crawl space below and then changed to commercial with a slab on grade addition on the south side of the building. Due to the 12" difference in floor elevation between the original structure and the addition, any new interior build out would be nearly impossible to construct and meet the current ANSI requirement for accessibility. The existing structure is old, and does not blend in with the new surrounding buildings without major exterior renovations. The existing building had been for sale for a long time and has been completely vacant since March of 2011.

The new medical office will have +/- 7 employees and the hours of operation will be from 9:00am to 6:00pm Monday through Saturday. San Carlos Medical currently leases a space for their existing office at 1815 E. Lake Mead Blvd., suite 200 North Las Vegas, Nevada. The only licensing required is a Nevada State Medical License which they currently hold at their current facility.

The proposed building will not be participating in the Green Building Program, will not be built to LEED standards, nor utilize any alternative energy sources. The site currently has connectivity for automobiles and pedestrians by means of the access easements along the West and North property lines. This project is not anticipating using any sustainable construction, will not provide for any bicycle parking or electric vehicle recharging facilities.

Emerald RE, LLC has been attempting to purchase the property and build the proposed new building for +/- 6 months, however, due to ever changing requirements from the original lender, the buyer had to finally switch lenders to get funded. San Carlos Medical will be the occupant of the building once complete and currently leases an office space in North Las Vegas, the lease is set to expire in February of 2012 which is imposing very tight time constraints to get this project approved and built.

The budget and time for this project is very limited, therefore, we are asking for the ability to use as much of the existing site improvements as allowed. The existing "curb cuts" when originally constructed met the standards at the time, however, they do not meet the latest standards, but appear to meet the needs of the site. The existing West curb cut is 32' wide and is shared between this property and the west adjacent property and can accommodate two-way traffic with a 24' drive isle to be maintained. The existing East curb cut is 23'6" wide and marked with an entrance only sign, once on the property there will be a 24' drive isle to the rear parking. We plan to eliminate all of the existing angled parking along the East property line from the South up to the existing trash enclosure, which will allow us to provide the 24' drive isle and increase the landscaping along that property line to 12' instead of the required 8'. There is currently one section of double row parking that is only marked with lot striping, we propose to add an additional parking landscape island in this location to match the existing parking islands to the North and meet the parking/landscaping requirements as close as possible. All of the new parking areas will meet the size requirements as required and the existing parking spaces along the south side of the south existing parking island will be increased to meet the latest size

RECEIVED

City of Las Vegas

SDR-42682

requirements. The north side of that same landscape island and all spaces at the existing islands to the north currently do not meet the depth requirement and can not be increased as required because that would decrease the existing 24' drive isles to +/- 20'.

Due to the existing access easements along the West and North property line, it is not possible to meet the minimum 8' property line landscaping requirement, however, since we are adding the parking landscape island, have increased a portion of the East property line landscaping to 12' and the front landscaping is 25', we feel the site will satisfy the intent of the requirements adequately.

Sincerely,

James E. Ash
