Re: ***Justification Letter – Zone Change***
APN: 162-08-418-002

To Whom It May Concern:

Please be advised, this office represents the property owner (the “Applicant”) of the above referenced parcel (the “Site”). The Site is generally located west of the I-15 between Sahara Avenue and Desert Inn Road. On behalf of the Applicant, we are seeking a zone change from C-1 to M.

Currently, the Site is zoned C-1 and being used for an outdoor recreation activity known as *Dig This* which specializes in the rental of large equipment for personal enjoyment. The Site is surrounded by property that is currently zoned Industrial. Additionally, the Applicant has filed a General Plan Amendment to change the designation of the Site from Commercial to Light Industrial/Research. The zone change to M will be consistent with other M zonings in the immediate vicinity as the Site is surrounded by property that is zoned M to the north and west. Therefore, a zone change to M will be more consistent with the zoning in the surrounding area.

Thank you for your consideration of this request.

Sincerely,
