PURPOSE/BACKGROUND:

The Municipal Code presently provides that regular meetings of the Traffic and Parking Commission will be held on the fourth Thursday of each month at the hour of 2:00 pm. In order to avoid scheduling conflicts and provide more flexibility regarding the scheduling of meetings, it is proposed to allow the Commission to establish a meeting schedule as part of its rules and regulations, a procedure that is in place for other similar City boards. This bill will accomplish that change.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

Minutes:

JORGE CERVANTES, Director of Public Works, explained that this would modify the Municipal Code that addresses the Traffic and Parking Commissions meeting time. The meeting time would be changed from 2 o'clock to 1 o'clock. This time change will allow adequate time for the City Clerks Office to set up for the Planning Commission meeting.
