Minutes:

COUNCILMAN WOLFSON declared the Public Hearing open.

FLINN FAGG, Planning Manager of Planning and Development, explained that this bill adds a definition for mopeds and distinguishes them from motorcycles or motors scooters, as they have smaller engines, and adds the provision that mopeds are not considered to be motor scooters and can be sold under general retail. In terms of repair, the appropriate zoning designation will still be required. Adoption will make the Code consistent with the Department of Motor Vehicles and Nevada Revised Statutes.

COUNCILMAN WOLFSON declared the Public Hearing closed.
