The provisions were adopted several decades ago and have been made obsolete by changes in technology, the passage of time, and the assumption of regulatory jurisdiction by other levels of government.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

Staff received calls from the public questioning the two chapters' existence, and after discussions with the Las Vegas Metropolitan Police Department, Fire Services and Building and Safety, there were no objections to the repeal.
