9 THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN
10 AS FOLLOWS:

11 SECTION 1: Title 9, Chapter 16, Section 30, of the Municipal Code of the City of
12 Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

13 **9.16.030:** The following acts, among others, are declared to be noise disturbances and noises in
14 violation of, and unlawful under, this Chapter, but this enumeration shall not be deemed to be
15 exclusive:

16 (A) The sounding of any horn or signal device on any automobile, motorcycle or
17 bus while it is in motion except as a danger signal if another vehicle is approaching apparently out of
18 control or, if in motion, only as a danger signal after the brakes have been or are being applied and the
19 deceleration of the vehicle is intended, the creation by means of any such horn or signal device of any
20 unreasonably loud or harsh sound or the sounding of such horn or device for an unnecessary and
21 unreasonable period of time.

22 (B) Operating or playing, or permitting the operation or playing of, any radio,
23 television, phonograph, stereo, drum, musical instrument, sound amplifier or similar device which
24 produces, reproduces or amplifies sound in such a manner as to create a noise disturbance:

25 (1) To any person who resides or works in the vicinity. The operation or
26 playing of such radio, television, phonograph, stereo, drum, musical instrument, sound amplifier or
27 similar device in such a manner or at such a volume as to be plainly audible to the human ear at a
28 distance of fifty feet from the source of the noise shall be prima facie evidence of a violation of this

Chapter; or

(2) At a distance of fifty feet from such radio, television, phonograph, stereo, drum, musical instrument, sound amplifier or similar device when it is played or operated in or on a motor vehicle that is on any public right-of-way or in any public space.

This subsection shall not apply to any noncommercial spoken language that is subject to Subsection (K) of this Section.

(C) Yelling, shouting, hooting, whistling or singing on the public streets, particularly between the hours of eleven p.m. and seven a.m., or at any time or place in such a manner or at such a volume as to annoy or disturb the quiet, comfort or repose of any person in any hospital, dwelling, hotel or any other type of residence or of any person in the vicinity.

(D) The keeping of any animal, bird or fowl which, by causing frequent or long-continued noise, disturbs the comfort or repose of any person in the vicinity.

(E) The use of any automobile or motorcycle so out of repair, so loaded or in such manner as to cause loud and unnecessary grating, grinding, rattling or other noises.

(F) The blowing of any steam whistle that is attached to any stationary boiler except to give notice of the time to begin or stop work, as a warning of fire or other danger or upon the request of the proper authorities of the City.

(G) The discharge into the open air of the exhaust of any steam engine, stationary internal combustion engine, motor vehicle or motor boat engine except through a muffler or other sound dissipation device which will effectively prevent loud or explosive noises therefrom.

(H) The erection, including the excavation, demolition, alteration or repair of any building in any new or existing residential district, [or section,] or the excavation, construction or repair of any [street or highway] right-of-way improvements in any new or existing residential district [or section] other than between the hours of seven a.m. and six p.m., except in the case of urgent necessity in the interest of public health and safety and then only with a permit from the [Director of the Department of Planning and Development, which permit may be granted for a period not to exceed thirty days while the emergency continues. If the Director of the Department of Planning and Development should determine] designated official. Such a permit may be granted for a period not

1 to exceed thirty days while the condition of urgent necessity continues. Such a permit may be granted
2 only upon a determination by the designated official that the public health and safety will not be
3 impaired by the [erection, demolition, alteration or repair of any building, or by the excavation of any
4 street or highway, in any new or existing residential district between the hours of six p.m. and seven
5 a.m., and if he further determines] performance of the work between the hours of six p.m and seven
6 a.m. and that loss or inconvenience would otherwise result to any party in interest [in such erection,
7 demolition, alteration or excavation, he may grant a permit for such work to be performed between
8 the hours of six p.m. and seven a.m. upon an application being made therefor] regarding the work.
9 Such a permit may be granted only if application therefor is made at the time that the permit for such
10 work is issued or at any time during the progress of such work. In connection with the permit process
11 described in this Subsection, the designated official may establish such forms, policies and procedures
12 as deemed necessary. For purposes of this Subsection, the "designated official" means:

13 (1) For work involving buildings, the Director of Building and Safety or
14 a designee.

15 (2) For work involving right-of-way improvements, the City Traffic
16 Engineer or a designee.

17 (I) The creation of any excessive noise on any street that is adjacent to any school,
18 institution of learning, church or court while the same is in session, or is adjacent to any hospital,
19 which unreasonably interferes with the working or sessions thereof or the persons therein.

20 (J) The loading, unloading, opening, closing or other handling of boxes, crates,
21 containers, building materials, garbage cans or similar objects between the hours of eleven p.m. and
22 seven a.m. in such a manner as to project a noise disturbance across the boundary of any residential
23 real property.

24 (K) The use or operation for any purpose of a loudspeaker, public address system,
25 or sound amplification device in connection with any radio, phonograph, tape recorder, microphone
26 or similar device:

27 (1) In such a manner or at such a volume that it is plainly audible to the
28 human ear at a distance of fifty feet or more from the source of the sound;

1 (2) Between the hours of eleven p.m. and seven a.m. on any public
2 right-of-way or in any public space; or

3 (3) On a truck or other vehicle, either moving or standing, for advertising
4 or any other purpose.

5 (L) The offering for sale or selling of anything by shouting or outcry within any
6 residential or commercial area of the City.

7 (M) The repairing, rebuilding, modifying or testing of any motor vehicle, motorcycle
8 or motorboat in such a manner as to project a noise disturbance across the boundary of any residential
9 real property.

10 (N) The intentional sounding or permitting the sounding outdoors of any fire,
11 burglar or civil defense alarm, siren, whistle or similar stationary emergency signaling device except
12 for emergency purposes or for the testing, between the hours of eight a.m. and six p.m., of:

13 (1) A stationary emergency signaling device; provided, however, that each
14 such test shall be performed at the same time of day, and any such testing shall use only the minimum
15 cycle test time, which, in no event, shall exceed sixty seconds.

16 (2) The complete emergency signaling system, including the functioning
17 of the signaling device and the personnel response to the signaling device; provided, however, that
18 such testing shall not be performed more than once in each calendar month.

19 (O) The sounding or permitting the sounding of any exterior burglar alarm or any
20 motor vehicle burglar alarm unless such alarm is automatically terminated within fifteen minutes after
21 its activation.

22 SECTION 2: If any section, subsection, subdivision, paragraph, sentence, clause or
23 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or
24 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
25 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
26 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
27 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
28 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,

1 invalid or ineffective.

2 SECTION 3: Whenever in this ordinance any act is prohibited or is made or declared
3 to be unlawful or an offense or a misdemeanor, or whenever in this ordinance the doing of any act is
4 required or the failure to do any act is made or declared to be unlawful or an offense or a
5 misdemeanor, the doing of such prohibited act or the failure to do any such required act shall
6 constitute a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than
7 \$1,000.00 or by imprisonment for a term of not more than six months, or by any combination of such
8 fine and imprisonment. Any day of any violation of this ordinance shall constitute a separate offense.

9 SECTION 4: All ordinances or parts of ordinances or sections, subsections, phrases,
10 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,
11 1983 Edition, in conflict herewith are hereby repealed.

Re: certain Agenda items from the 8/16/11 LV City Council AGENDA

46. Please identify 4 different Civil Service Trustee topics which may be administered from this City Charter Article 10.

50. We appreciate, but are disappointed in the persistence to maintain 1 individual in a specific position by removing Term Limits from the law. Such a proposal in its self provides the strongest evidence that such a fight is usurping the representation which our elected peers are to provide.

CNP suggests that the Planning Commission positions be eliminated and those current duties be directly fulfilled by our elected City Council persons.

>NEW BILLS definition as stated does NOT define what excepts "*Emergency Bills*" OR whether a single person OR what group determines that status. Are they exempted from being read? From being recorded? From not being referred to the current Planning Commission? From public testimony? Or??????????????!

CNP is aghast at the inclusion of *EMERGENCY* bills with those bills stricken or tabled. Please provide the definition of *EMERGENCY* in CLV Council terms.

CNP suggests Council Emergency terms & Mission Statement grace the "intentionally blank" page.

53. Bill No. 2011-34 - No, they "may" not. Neighborhood meetings must be mandatory with convincing reasons (not threats) presented, with those persons most directly affected being the determiners of exemptions. This does concern people being SAFE in their domiciles.

54. Bill No. 2011-35- Please list and number each "certain *circumstance*".

67. Please REMOVE Bill SUP-41908 from this One Motion-One Vote.

CNP did not understand what the "foot distance" separation of liquor stores is, BUT clearly this Liquor Establishment is wall to wall with another Liquor Establishment, 300 ft. too close to a Religious Facility and 160 ft. too close to a School. Is skid-row zoning the intent in such 'approvals'?

68. Please REMOVE Bill SUP-41932 from this One Motion-One Vote.

Have any examples of the INTERNATIONAL CULTURE CONNECTION (APPAREL) been seen by our council or planning? CNP is reminded of a clothing store on W. Charleston some years ago and the money, time and effort required to undo that approval.

77. through 80. Of course the ZON-41798 is a given. CNP enthusiastically endorses the Planning Commission's APPROVAL of VAR-41800, VAR-41801, and SDR-41799 because this business provides a product that is a winner for success and not undesirable or offensive to neighborhoods.
81. VAR-41303-CNP agrees with the CLV Planning Commission for approval of these improvements at this location and consider them an asset to this area of our Las Vegas.
85. VAR-41903-CNP wholeheartedly agree with the Planning Commission.
86. SUP-41542-Applicants, we understand why you might imagine that being 1,000 ft too close to another massage establishment, 380 ft. too close to residential and even 24 rather than 13 hours might be approved. CNP endorses the Denial recommended by Staff as well as The Planning Commission.
87. SUP-41880—At Planning Commission, CNP heard no conditions or reasons for government to deny this business man the right to display his product. Scooters are compact, colorful, and even essential in this economy.
Having new motors on our streets and byways compared to those held together by bailing wire is a splendid addition to our traffic flow.
Our tragic L.V. economy is eager (desperate may be more realistic) for a business to display their scooter merchandise. CNP requests that this Special use permit be allowed.

Note that jack-o-lanterns are now available—more choices in August!

PURPOSE/BACKGROUND:

Existing ordinance provisions do not specifically authorize metered public parking to be used without meter activation. It has been determined that additional flexibility regarding the use of such parking would be helpful. This bill will authorize the City Manager or a designee to establish policies under which such parking may be used without the need for meter activation. Examples include making such parking available by agreement or in connection with special events whereby appropriate payment can be made without the need for meter activation.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

53. Bill No. 2011-34 - No, they "may" not. Neighborhood meetings must be mandatory with convincing reasons (not threats) presented, with those persons most directly affected being the determiners of exemptions. This does concern people being SAFE in their domiciles.

54. Bill No. 2011-35- Please list and number each "certain *circumstance*".

67. Please REMOVE Bill SUP-41908 from this One Motion-One Vote.

CNP did not understand what the "foot distance" separation of liquor stores is, BUT clearly this Liquor Establishment is wall to wall with another Liquor Establishment, 300 ft. too close to a Religious Facility and 160 ft. too close to a School. Is skid-row zoning the intent in such 'approvals'?

68. Please REMOVE Bill SUP-41932 from this One Motion-One Vote.

Have any examples of the INTERNATIONAL CULTURE CONNECTION (APPAREL) been seen by our council or planning? CNP is reminded of a clothing store on W. Charleston some years ago and the money, time and effort required to undo that approval.

77. through 80. Of course the ZON-41798 is a given. CNP enthusiastically endorses the Planning Commission's APPROVAL of VAR-41800, VAR-41801, and SDR-41799 because this business provides a product that is a winner for success and not undesirable or offensive to neighborhoods.
81. VAR-41303-CNP agrees with the CLV Planning Commission for approval of these improvements at this location and consider them an asset to this area of our Las Vegas.
85. VAR-41903-CNP wholeheartedly agree with the Planning Commission.
86. SUP-41542-Applicants, we understand why you might imagine that being 1,000 ft too close to another massage establishment, 380 ft. too close to residential and even 24 rather than 13 hours might be approved. CNP endorses the Denial recommended by Staff as well as The Planning Commission.
87. SUP-41880—At Planning Commission, CNP heard no conditions or reasons for government to deny this business man the right to display his product. Scooters are compact, colorful, and even essential in this economy.
Having new motors on our streets and byways compared to those held together by bailing wire is a splendid addition to our traffic flow.
Our tragic L.V. economy is eager (desperate may be more realistic) for a business to display their scooter merchandise. CNP requests that this Special use permit be allowed.

Note that jack-o-lanterns are now available—more choices in August!
Our Mayor and Council are the most spiffy in the county! ☺ (maybe the State!)
