WHEREAS, the City of Las Vegas Redevelopment Agency ("Agency") administers and funds and is funded by the Agency for the purposes of improving the physical appearance of, and encouraging reinvestment in existing commercial structures; and

WHEREAS, in furtherance of the Redevelopment Plan (the "Redevelopment Plan") for the City of Las Vegas Redevelopment Area (the "Redevelopment Area"), the Agency approved a Commercial Visual Improvement Program (the "Commercial VIP") for the purpose of assisting property owners and their tenants in the rehabilitation of their buildings in order to revitalize and promote the economic stability of the Redevelopment Area; and

WHEREAS, in consideration for the acquisition of the Façade Easement, the Agency shall reimburse the Tenant for any Pre-approved Qualified Exterior Improvements to a maximum of **\$39,790.00**, and the Tenant has provided a 100% matching cash contribution to the Agency's participation to ensure that the Tenant has a vested interest in the completion of its site improvements and to ensure a high leveraging of public resources and such improvements are significant in character, as determined by the Agency; and

WHEREAS, the PARTICIPANT desires to participate in the Commercial VIP pursuant to the terms and provisions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreement contained herein, the AGENCY and PARTICIPANT do hereby agree as follows:

SECTION 1: SCOPE OF AGREEMENT. The purpose of this agreement is to effectuate the Redevelopment Plan by contributing funds to that certain property, as more particularly described in the "Legal Description of the Site," attached hereto as Attachment " 1 " and incorporated herein by reference (the "Property" or "Site"). Implementation of this Agreement will further the goals and objectives of the Redevelopment Plan. This Agreement is subject to the provisions of the Redevelopment Plan which the City Council of the City of Las Vegas adopted on March 5, 1986, by Ordinance No. 3218, as amended. Said Redevelopment Plan, as it now exists and as it may be subsequently amended, is incorporated herein by reference and made a part hereof as though fully set forth herein.

SECTION 2: PARTIES TO THE AGREEMENT. The Agency is a public body, corporate and politic, exercising governmental functions and powers, and organized and existing under the Community Redevelopment Law of the State of Nevada (NRS 279.382, et seq.). The principal office of the Agency is located at 400 Stewart Avenue, Las Vegas, Nevada, 89101. "Agency", as used in this Agreement, includes the City of Las Vegas Redevelopment Agency and any assignee of or successor to its rights, powers and

responsibilities. The PARTICIPANT warrants it has a valid and binding leasehold interest in (as defined hereinafter), the Site and as demonstrated by Attachment " 2 ", "Proof of Ownership or Leasehold Interest", which is attached hereto and is incorporated herein by reference. "PARTICIPANT", as used in this Agreement, includes not only the PARTICIPANT as identified in the opening paragraph of this Agreement, but also any assignee of, or successor to, its rights, powers and responsibilities. The Agency and the PARTICIPANT individually may be referred to as "party" or collectively as "parties" hereinafter.

SECTION 3: IMPROVEMENTS TO THE SITE AND PROJECT BUDGET. The PARTICIPANT shall make improvements to the Site, or to the buildings, fixtures or appurtenances thereon, according to the Scope of Work and Tentative Schedule of Improvements, which is attached hereto as Attachment " 3 " and by this reference is made a part hereof. The Scope of Work and Tentative Schedule of Improvements shall provide a line item budget, acceptable to the Agency, for all work to be performed. Within 30 days of execution of this Agreement by the Agency, PARTICIPANT agrees to commence, or cause the commencement of, rehabilitation and improvement of the Site, pursuant to the plans and other documents submitted by PARTICIPANT and approved by Agency in accordance with the CVIP Guidelines. PARTICIPANT shall complete the improvements within 120 days of commencement of work. Additional time may be given upon approval of the Agency, which approval shall not be unreasonably withheld. The improvements to the Site also shall be referred to as the "Project" or "Improvements" hereinafter. The Agency shall maintain a right of access to the Site, provided that the Agency gives the PARTICIPANT a minimum of twenty-four (24) hours written, advance notice prior to entering the Site.

SECTION 4: CONTRACTOR SELECTION REQUIREMENTS. If the Project exceeds \$10,000, then the PARTICIPANT in compliance with NRS 279.478 must obtain three (3) or more competitive bids from properly licensed contractors. If the PARTICIPANT is unable to obtain (3) or more competitive bids, the PARTICIPANT shall provide the Agency, upon request, with documentation detailing when and which licensed contractor(s) were contacted.

SECTION 5: DESIGN REVIEW COMMITTEE. For reviewing the architectural and engineering design of the Project, the Agency has appointed a Design Review Committee comprised of one or more staff members from the following City of Las Vegas municipal departments: Office of Business Development; Planning and Development Department; Land Development, Public Works; Development Coordination, Public Works; and City of Las Vegas Department of Building & Safety. At its discretion, the Agency may solicit input from additional City staff depending on the individual needs of the Project. The Design Review Committee shall meet on an ad hoc basis. The Design Review Committee shall recommend approval or disapproval of the Project Scope of Work. If the Project is disapproved, the Agency shall retain the right to ask the PARTICIPANT to make changes to the proposed Scope of Work.

SECTION 6: COMPLIANCE WITH APPLICABLE DEVELOPMENT STANDARDS. The PARTICIPANT must comply with all development standards applicable to the Scope of Work, including but not limited to, the Zoning Code of the City of Las Vegas, the Building Code of the City of Las Vegas, and the Fire Code of the City of Las Vegas. Additional development standards may apply depending on the specific location of the Site.

SECTION 7: FAILURE TO COMPLETE WORK. If the contractor selected by the PARTICIPANT fails to complete all of the work specified in the Scope of Work, then the Agency may pursue any and all legal and equitable remedies available under this Agreement, as more specifically described in Section 13 hereinafter.

SECTION 8: UNRELATED IMPROVEMENTS. Nothing herein is intended to limit, restrict or prohibit the PARTICIPANT from undertaking any other work in or about the subject premises which is unrelated to Commercial VIP provided for in this Agreement.

SECTION 9: COMPLIANCE WITH THE REDEVELOPMENT PLAN AND EMPLOYMENT PLAN. The Agency finds that the Project as contemplated by this Agreement complies with the Commercial VIP Guidelines and therefore would be deemed a substantial benefit to the Redevelopment Area. The Agency finds that the Project, upon completion, would achieve one or more of the following:

1. Encourage new commercial development;
2. Create or retain jobs for nearby residents;
3. Increase local revenues from private revenue sources;
4. Increase levels of human activity in the Redevelopment Area;
5. Possess attributes that are unique, either as to type of use or level of quality and design;
6. Require for their construction, installation or operation the use of qualified and trained labor; or
7. Demonstrate greater social or financial benefits to the community that would a similar set of buildings, facilities, structures or other improvements not paid for by the Agency.

The Agency has also considered the opinions of persons who reside in the Redevelopment Area or the immediate vicinity of the Redevelopment Area. In addition, the Agency has compared the level of spending proposed by the Agency and the projections of future revenue made on the buildings, facilities, structures or other improvements.

The PARTICIPANT has declared that no other reasonable means of financing are available to undertake the improvements to the Property because the return on investment is not reasonable and the improvements are being financed through cash on hand and/or debt financing through a private lender. Furthermore, the PARTICIPANT would not undertake the full set of improvements contemplated in the Agreement through resources reasonably available to the PARTICIPANT pursuant to the Participant Affidavit and Employment Plan, attached hereto as Attachment " 5 " and by this reference made a part hereof.

The PARTICIPANT has also declared and provided the Agency with an Employment Plan, which is attached hereto as Attachment "5 " and by this reference is made a part hereof. The PARTICIPANT, for itself and its successors and assigns, represents that in the construction of improvements on the Site provided for in this Agreement, the PARTICIPANT shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, marital status, ancestry or national origin.

SECTION 10: CONFLICTS OF INTEREST AND DISCLOSURE REQUIREMENTS. No member, official or employee of the Agency shall have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official or employee participate in any decision relating to this Agreement which affects his personal interests or the interests of any corporation, partnership or association in which he is directly or indirectly interested. The PARTICIPANT warrants that it has not paid or given, and will not pay or give, any third party any money or other consideration for obtaining this Agreement. No member, official or employee of the Agency shall be personally liable to the PARTICIPANT in the event of any default or breach by the Agency or for any amount which may become due to the PARTICIPANT or on any obligations under the terms of this Agreement. Pursuant to Resolution RA-4-99 adopted by the governing board of the Agency effective October 1, 1999, PARTICIPANT warrants that it has disclosed, on the Disclosure of Principals form attached hereto as Attachment " 4 " and incorporated herein by reference, all persons and entities holding more than 1% (one percent) interest in PARTICIPANT or any principal member of PARTICIPANT.

Throughout the term hereof, PARTICIPANT shall notify City in writing of any material change in the above disclosure within 15 (fifteen) days of any such change.

SECTION 11: DEFAULTS AND REMEDIES. Failure or delay by either party to perform any term or provision of this Agreement constitutes a default under this Agreement. The nondefaulting party shall notify the defaulting party that a default exists and that the defaulting party must cure same within thirty (30) days of receipt of the notice of default. The party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay, and shall complete such cure, correction or remedy with reasonable diligence and during any period of curing shall not be in default. In addition to any other rights or remedies, either party may institute legal action to cure, correct or remedy any default, to recover damages for any default or to obtain any other remedy consistent with the purpose of this Agreement. Such legal actions must be instituted in the District Court, County of Clark State of Nevada, in any other appropriate court in that county, or in the Federal District Court in the appropriate district of Nevada. The nondefaulting party may also, at its option, cure the breach and sue in any court of proper jurisdiction to collect the reasonable costs incurred by virtue of curing or correcting the defaulting party's breach. Further, the nondefaulting party may file legal action to require the defaulting party to specifically perform the terms and conditions of this Agreement. Upon occurrence of an Event of Default by either the PARTICIPANT or the Agency during the existence of this Agreement, the non-defaulting party, at its option, may institute an action for specific performance of the terms and obligations (including the payment of any monetary obligation) of this Agreement. During the existence of this Agreement and upon the occurrence of a PARTICIPANT Event of Default, the Agency shall have the right to terminate, and this Agreement shall so terminate, the date that the written notice of termination is received by the PARTICIPANT or such other date as may be specified in the written notice. In the event of termination of this Agreement by the Agency, the PARTICIPANT agrees to return any and all Agency Funds heretofore paid to the PARTICIPANT pursuant to the provisions of this Agreement within ten (10) calendar days after the termination date. Failure to return any and all Agency Funds paid to the PARTICIPANT shall entitle the Agency to sue the PARTICIPANT for specific performance as provided in this Section and to pursue the Agency's remedies, legal and equitable, for such damages as permitted by law.

SECTION 12: SUBSEQUENT AGENCY APPROVALS. Any approvals of the Agency required and permitted by the terms of this Agreement may be given by the Executive Director of the Agency or such other person that the Agency designates in writing.

SECTION 13: TERM. The term of this Agreement shall end upon the completion of all duties and obligations to be performed by each of the parties hereto.

SECTION 14: SEVERABILITY. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be valid under applicable law, but if any provision shall be invalidated, it shall be deemed to be severed from this Agreement and the remaining provisions shall remain in full force and effect.

SECTION 15: GOVERNING LAW. The interpretation and enforcement of this Agreement shall be governed in all respects by the laws of the State of Nevada.

SECTION 16: NOTICES. Notices shall be in writing and shall be given by personal delivery, by deposit in the United States mail, certified mail, return receipt requested, postage prepaid, or by express delivery service, freight prepaid, in each case by delivery to the PARTICIPANT and the Agency at the addresses set forth in this Agreement or at such other address as a party may designate in writing. The date notice given shall be the date on which the notice is delivered, if notice is given by personal deliver, or five (5) calendar

days after the date of deposit in the mail or with an express delivery service, if the notice is sent through the United States mail.

This includes Attachment " 1 " through Attachment " 5 " inclusive, attached hereto and incorporated herein by reference, all of which constitute the entire understanding and agreement of the parties. This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the subject matter hereof. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of Agency and the PARTICIPANT and no waiver of one provision shall be construed as a waiver of that provision in the future or as a waiver of any other provision. I, Marilyn Gillespie, being first duly sworn, depose and state under penalty of perjury as follows: Las Vegas Natural History Museum

1. I am a corporate officer, managing member, or sole proprietor of the Las Vegas Natural History Museum, a company duly organized in the State of Nevada as a Nonprofit Corporation, (Corporation/LLC/Sole Proprietorship).

The Participant is seeking the assistance of the city of Las Vegas Redevelopment Agency ("Agency") for making improvements to the property at 900 Las Vegas Blvd N. ("Site"), as more particularly described by the VIP agreement ("Agreement") being contemplated by the city of Las Vegas Redevelopment Agency at its public hearing to be held on _____.

2. I hereby warrant that I either own the site, or have a leasehold interest in the site for a minimum of five years subsequent to the effective date of this agreement.

Assistance from the Agency will allow me to make improvements to the site which I could not otherwise do. This will result in substantial benefit to the Redevelopment Plan Area and the neighborhood adjacent to the Site because of one or more of the following reasons (check one or more):

- a. Encourage the creation of new business or other appropriate development; ☒
- b. Create jobs or other business opportunities for nearby residents; ☐
- c. Increase local revenues from desirable sources; ☒
- d. Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located; ☒
- e. Possess attributes that are unique, either as to type of use or level of quality and design; ☒
- f. Require for their construction, installation or operation the use of qualified and trained labor; ☐ and
- g. Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency. ☒

3. No other reasonable means of financing those buildings, facilities, structures or other improvements are available, because of one or more of the following reason(s) as checked by the Participant:

- a. An inducement for new businesses to locate or existing businesses to remain within the redevelopment area in which the business would ordinarily choose to locate outside the redevelopment area if the grant were not provided. Evidenced by a "but for" letter or statement from the business owner.; ☐ or
- b. There is a public objective and/or requirement that is more stringent and/or costly to undertake than a business would ordinarily embark upon. Evidenced by state or city ordinance. ☐ or
- c. There has been a lack of rehabilitation in the area and it is deemed unreasonable for the business to invest in improving the area unless the grant is provided. Evidenced by photographs of the immediate surrounding area displaying the slum and blight. ☒ or
- d. The exterior improvements to the property or business do not have a direct affect on revenues therefore making such an investment is not deemed acceptable by a customary financial institution. Evidenced by a denial letter from a financial institution. ☐ or

"Other" - See attachment

CITY OF LAS VEGAS REDEVELOPMENT AGENCY

- e. The visual improvement of the property or addition of the business to the area is so dramatic that it is a catalyst for economic development in the area. Evidenced by a positive economic impact analysis. ☐

Participant agrees to submit to the Agency its documentation which evidences that no reasonable means of financing are available to the Participant.

4. Participant hereby warrants the following:

- a. The property on which the project is situated is free of all Mechanic's Liens at the time of application. MG (initial)
- b. The applicant has no current bankruptcy proceedings, or past bankruptcy proceedings, whether corporate or personal, within the past five years. MG (initial)
- c. The applicant has no past-due federal, state, county or city of Las Vegas tax bills at the time of application. MG (initial)
- d. The applicant has no past-due bills or debts payable to the city of Las Vegas or the Redevelopment Agency. MG (initial)

5. Participant hereby acknowledges that existing opportunities for employment within the surrounding neighborhood of the redevelopment project are limited for neighborhood residents. Most residents must travel outside the neighborhood to find employment opportunities outside the redevelopment area, via public transportation or personal vehicles. Of the existing businesses within the neighborhood, many are family owned and have been in business for a long time. These existing businesses are not in an expansion mode and are not likely to employee neighborhood residents.

Furthermore, the project will help facilitate the continued expansion of employment opportunities by setting an example to other property/business owners to renovate their property/business and help create more employment opportunities through an expansion of business and renovation of vacant storefronts. The Project will allow neighborhood residents to apply for those positions (when available) for which they are qualified for as an employment opportunity. Appropriate measures will be taken to ensure that the neighborhood is aware of any job opportunities available from the business.

Las Vegas Natural History Museum – VIP Project Financing Statement

The Las Vegas Natural History Museum is a non-profit, with limited funding and as such the Museum must leverage the VIP grant with another grant to undertake the exterior improvements to the facility. Without the VIP grant, the Museum would only be able to complete a portion of the project. The Museum is unable to fund the remaining portion out of the organization's operating/capital budget due to the current economic situation.

Public Purpose/Impact Analysis

City Council/Redevelopment Agency Meeting September 1, 2010

Title of Project: Commercial Visual Improvement Agreement (CVIP) between the LV Redevelopment Agency and Museum of Natural History dba Las Vegas Natural History Museum (CVIP Participant – 900 North Las Vegas Boulevard)

Project Description: Installation of new slate tile on two areas of the exterior; new slate tile stamped with a fossil design will be installed in the entryway porch, new effie off the entryway will be built; and new landscaping will be installed south of the entryway.

Sponsor/Developer: Museum of Natural History dba Las Vegas Natural History Museum (CVIP Participant)

Assistance Provided by: Redevelopment Agency. Total project cost is approximately \$79,580.00. Agency will reimburse the CVIP applicant on a 1:1 basis for pre-approved qualified exterior improvements. The Agency will reimburse the CVIP applicant \$39,790.00.

Number of Direct Jobs Created: N/A

Number of Indirect Jobs Created: N/A

Number of Direct Jobs Retained: N/A

Pertinent Statutes Used for Public Purpose:

In accordance with NRS 279.486, the CVIP applicant has submitted a signed and notarized Participant Affidavit and Employment Plan which states that without the Redevelopment Agency's assistance, the proposed project would not be completed to a level that would be beneficial to the redevelopment area and the surrounding neighborhood. Any potential job creation opportunities will be advertised within the surrounding neighborhoods for qualified applicants.

How Does the Project Benefit the Public:

The Las Vegas Natural History Museum has been at the present location since 1995. The building has a 1960's architectural style and looks dated. The landscape is overgrown and conceals the building from northbound and south bound traffic. The improvements to the building will compliment the new Neon Boneyard Museum which is currently being constructed; the Cultural Corridor Overpass and the installation of the three historic neon signs that were recently completed. The cost for these exterior renovations is approximately \$79,580.00 and will employ local businesses and residents.

The City and Redevelopment Agency are focusing financial and staff resources to

the continued development of this area as a destination for local residents and visitors to downtown Las Vegas.

This project will help stabilize and increase positive economic activity within the surrounding neighborhood and will be a catalyst for additional businesses to participate in the CVIP Program.

Quantitative Economic Benefits:

Approximately \$79,580.00 is being spent to renovate the exterior of the property. Local contractors will be employed to complete those renovations.

Private Investment:

Applicant will be funding this project cost of approximately \$79,580.00 through a grant from the E. L. Wiegand Foundation.

Public Investment:

The CVIP program requires a 1:1 match from the applicant for all pre-approved exterior improvements.

SECTION 7: DESIGN REVIEW COMMITTEE. For reviewing the architectural and engineering design of the Project, the Agency has appointed a Design Review Committee comprised of one or more staff members from the following City of Las Vegas municipal departments: Office of Business Development; Planning and Development Department; Land Development, Public Works; Development Coordination, Public Works; and City of Las Vegas Department of Building & Safety. At its discretion, the Agency may solicit input from additional City staff depending on the individual needs of the Project. The Design Review Committee shall meet on an ad hoc basis. The Design Review Committee shall recommend approval or disapproval of the Project Scope of Work. If the Project is disapproved, the Agency shall retain the right to ask the Owner and/or Tenant to make changes to the proposed Scope of Work.

SECTION 10: UNRELATED IMPROVEMENTS. Nothing herein is intended to limit, restrict or prohibit the Owner and/or Tenant from undertaking any other work in or about the subject premises which is unrelated to Commercial VIP provided for in this Agreement.

SECTION 11: COMPLIANCE WITH THE REDEVELOPMENT PLAN AND EMPLOYMENT PLAN. The Agency finds that the Project as contemplated by this Agreement complies with the Commercial VIP Guidelines and therefore would be deemed a substantial benefit to the Redevelopment Area. The Agency finds that the Project, upon completion, would achieve one or more of the following:

1. Encourage new commercial development;
2. Create or retain jobs for nearby residents;
3. Increase local revenues from private revenue sources;
4. Increase levels of human activity in the Redevelopment Area;
5. Possess attributes that are unique, either as to type of use or level of quality and design;
6. Require for their construction, installation or operation the use of qualified and trained labor; or
7. Demonstrate greater social or financial benefits to the community that would a similar set of buildings, facilities, structures or other improvements not paid for by the Agency.

The Agency has also considered the opinions of persons who reside in the Redevelopment Area or the immediate vicinity of the Redevelopment Area. In addition, the Agency has compared the level of spending proposed by the Agency and the projections of future revenue made on the buildings, facilities, structures or other improvements.

The Tenant has declared that no other reasonable means of financing are available to undertake the improvements to the Property because the return on investment is not reasonable and the improvements are being financed through cash on hand and/or debt financing through a private lender. Furthermore, the Owner and/or Tenant would not undertake the full set of improvements contemplated in the Agreement through resources reasonably available to the Owner and/or Tenant pursuant to the Participant Affidavit and Employment Plan, attached hereto as Attachment " 7 " and by this reference made a part hereof.

The Tenant has also declared and provided the Agency with an Employment Plan, which is attached hereto as Attachment " 7 " and by this reference is made a part hereof. The Owner and/or Tenant warrants that it has not paid or given, and will not pay or give, any third party any money or other consideration for obtaining this Agreement. No member, official or employee of the Agency shall be personally liable to the Owner and/or Tenant in the event of any default or breach by the Agency or for any amount which may become due to the Participant or on any obligations under the terms of this Agreement. Pursuant to Resolution RA-4-99 adopted by the governing board of the Agency effective October 1, 1999, Owner and/or Tenant warrants that it has disclosed, on the Disclosure of Principals form attached hereto as Attachment " 6-A " and Attachment "6-B" and incorporated herein by reference, all persons and entities holding more than 1% (one percent) interest in Owner and/or Tenant or any principal member of Owner and/or Tenant. Throughout the term hereof, Owner and/or Tenant shall notify City in writing of any material change in the above disclosure within 15 (fifteen) days of any such change.

SECTION 13: DEFAULTS AND REMEDIES. Failure or delay by either party to perform any term or provision of this Agreement constitutes a default under this Agreement. The nondefaulting party shall notify the defaulting party that a default exists and that the defaulting party must cure same within thirty (30) days of receipt of the notice of default. The party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay, and shall complete such cure, correction or remedy with reasonable diligence and during any period of curing shall not be in default. In addition to any other rights or remedies, either party may institute legal action to cure, correct or remedy any default, to recover damages for any default or to obtain any other remedy consistent with the purpose of this Agreement. Such legal actions must be instituted in the District Court, County of Clark State of Nevada, in any other appropriate court in that county, or in the Federal District Court in the appropriate district of Nevada. The nondefaulting party may also, at its option, cure the breach and sue in any court of proper jurisdiction to collect the reasonable costs incurred by virtue of curing or correcting the defaulting party's breach. Further, the nondefaulting party may file legal action to require the defaulting party to specifically perform the terms and conditions of this Agreement. Upon occurrence of an Event of Default by either the Participant or the Agency during the existence of this Agreement, the non-defaulting party, at its option, may institute an action for specific performance of the terms and obligations (including the payment of any monetary obligation) of this Agreement. During the existence of this Agreement and upon the occurrence of a Owner and/or Tenant Event of Default, the Agency shall have the right to terminate, and this Agreement shall so terminate, the date that the written notice of termination is received by the Owner and/or Tenant or such other date as may be specified in the written notice. In the event of termination of this Agreement by the Agency, the Owner and/or Tenant agrees to return any and all Agency Funds heretofore paid to the Owner and/or Tenant

pursuant to the provisions of this Agreement within ten (10) calendar days after the termination date. Failure to return any and all Agency Funds paid to the Owner and/or Tenant shall entitle the Agency to sue the Owner and/or Tenant for specific performance as provided in this Section and to pursue the Agency's remedies, legal and equitable, for such damages as permitted by law.

SECTION 16: SEVERABILITY. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be valid under applicable law, but if any provision shall be invalidated, it shall be deemed to be severed from this Agreement and the remaining provisions shall remain in full force and effect.

SECTION 17: GOVERNING LAW. The interpretation and enforcement of this Agreement shall be governed in all respects by the laws of the State of Nevada.

FACADE EASEMENT DEED

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, SCHIFF ENTERPRISES ("Grantor"), does hereby grant to the CITY OF LAS VEGAS REDEVELOPMENT AGENCY, a public body, corporate and politic ("Grantee"), a nonexclusive facade easement (the "Facade Easement") in gross on and upon a portion of the real property described in Exhibit A, attached hereto and incorporated herein by this reference (the "Property"). The precise description of the area of the facade easement is described in Exhibit B attached hereto and incorporated hereby by reference (the "Facade Easement Area").

1. Grantee is responsible for carrying out the Redevelopment Plan for the City of Las Vegas Redevelopment Area (the "Redevelopment Area"). In furtherance of the Redevelopment Plan, Grantor and Grantee entered into a Commercial Visual Improvement Agreement and Grant of Facade Easement dated _____ (the "CVIP Agreement") which required the Grantor to improve the facades(s) of the building(s) on the Property in accordance with the CVIP Agreement and Grantee's Commercial Visual Improvement Guidelines.

2. Grantor shall maintain the Property and the Facade Easement Area in accordance with the Facade Easement Agreement, including without limitation, the provisions set forth in the Building Façade Maintenance Agreement, recorded against the Property by separate instrument. Grantor agrees that all material future changes to the exterior surface of the facades of the building that has been improved on the Property shall be subject to the approval of the Grantee, which approval shall not be unreasonably withheld. This covenant shall run with the land until five (5) years from the date this Facade Easement Deed is recorded against the Property.

3. Grantee may use the Facade Easement for the purpose of ensuring the repair and maintenance of the Facade Easement Area, including the Facade Improvements to be constructed thereon, in accordance with the Facade Easement Agreement.

4. The Facade Easement shall include ancillary rights of ingress and egress over any portion of the Property that is necessary in order to repair and maintain the Facade Improvements located on and within the Facade Easement Area.

5. Grantor covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin, ancestry, age, sexual preference, physical handicap or medical condition in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall Grantor or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.

6. The Grantee shall not use or exercise any right granted by the Facade Easement or do anything in a manner that will damage or impair the Facade Easement Area or the structural integrity of the building.

7. In the event of a violation of this Agreement by Grantor, the Grantee may, following reasonable notice to Grantor and after allowing thirty (30) days to correct said violation, institute a suit to enjoin such violation and to require the restoration of the Facade Improvements to their prior condition. In the alternative, the Grantee may enter upon the Property, correct any such violation and hold the Grantor and, his or her heirs, successors and assigns, responsible for the costs thereof in accordance with the Facade Easement Agreement and Building Facade Maintenance Agreement.

8. The Facade Easement granted herein shall terminate on the date which is five (5) years from the date of recordation of this Facade Easement Deed.

9. Grantor shall have the option to repurchase the Facade Easement granted herein (the "Option") from the Grantee pursuant to the terms and conditions set forth hereunder.

- a. Option Term. The term of the Option (the "Option Term") shall commence thirty (30) days after recordation of the Facade Easement Deed and shall continue until five (5) years from the date of the recordation of this Facade Easement Deed. In order to exercise the Option, the Grantor must give sixty (60) days written notice to the Grantee that it wishes to exercise the Option.
- b. Repurchase Price. If the Grantor exercises the Option, the Grantee agrees to sell and the Grantor agrees to repurchase the Facade Easement in an amount equal to the unamortized portion of the Purchase Price amortized on a straight-line basis

over five (5) years. The Amortization Schedule is set out in Exhibit C, attached hereto and incorporated herein (the "Amortization Schedule").

- c. Title, Escrow and Closing Costs. The Owner shall pay for all title, escrow and closing costs and fees associated with the repurchase of the Facade Easement. The Owner and Agency shall cooperate in good faith and execute such documents and take such actions as may be necessary to effectuate such repurchase.

10. The obligations and benefits imposed and granted in this Facade Easement Deed shall be binding on Grantor and all successor owners of the Property and inure to the benefit of the Grantee, its successors and assigns and are intended to run with the land.

11. The provisions of this Facade Easement Deed may be amended or terminated in full only by a written agreement between the Grantor and Grantee.

12. Nothing contained in this Facade Easement Deed shall be deemed to be a gift or dedication of any portion of Property to the general public or for the general public for any public purpose whatsoever, it being the intention of the parties to this Facade Easement Deed that the Facade Easement shall be strictly limited to and for the purposes expressed in this Facade Easement Deed.

13. This declaration shall be governed by and construed in accordance with the laws of the State of Nevada.

14. The Facade Easement granted herein shall be binding on and inure to the benefit of the successors and assigns of the parties and are intended to bind and burden the Property described in Exhibit A.

BUILDING FACADE MAINTENANCE AGREEMENT

THIS AGREEMENT is made this ____ day of _____, 20____, between SCHIFF ENTERPRISES hereinafter referred to as "Owner" and the CITY of LAS VEGAS REDEVELOPMENT AGENCY, a public body, corporate and politic, hereinafter referred to as "Agency" with reference to the following facts:

WHEREAS, Owner is the owner of that real property ("the Property") in the City of Las Vegas, County of Clark, State of Nevada, legally described in Exhibit "A" attached hereto by this reference, commonly known as 23 FREMONT STREET, Las Vegas, Nevada and currently designated as Assessor's Parcel Nos. 139-34-111-036; and

WHEREAS, the Property is located within the City of Las Vegas Redevelopment Area (the "Redevelopment Area"), and in furtherance of the Redevelopment Plan for the Redevelopment Area, the Agency approved a Commercial Visual Improvement Program (the "Commercial VIP") for the purpose of revitalization and elimination of blighting influences in the Redevelopment Area; and

WHEREAS, Owner has rehabilitated the property facing the Facade Easement Area: Facade Easement Area: The area consisting of the building face adjoining the south Fremont Street right-of-way and the westerly and other public areas, including all exterior wall planes, window, doors, fascias, awnings, parking area, and other architectural projections.

Agency purchased a Facade Easement for the Property (hereinafter "the Facade Easement") which ensures that the building facades on the Property will be preserved in a manner consistent with the Commercial Visual Improvement Agreement and Grant of Facade Easement dated _____ (the "CVIP Agreement"); and

WHEREAS, by the terms of said Façade Easement, Owner is required to enter into an agreement for a period of five (5) years giving the Agency authority to lien the Property to ensure

Viva Vegas - CVIP AGREEMENT
(23 Fremont Street)

that the façade(s) covered by the Façade Easement, legally described in Exhibit " B " attached hereto (the "Façade Easement Area"), will be diligently maintained and that violations will be corrected promptly; and

WHEREAS, this agreement is entered into to ensure that the Property is maintained because both parties recognize that diligent maintenance is an integral part of preservation of the Property and one of the considerations for Agency's purchase of the Façade Easement;

NOW, THEREFORE, IT IS AGREED BETWEEN THE PARTIES AS FOLLOWS:

1. Purpose. The purpose of this agreement is to ensure diligent maintenance of the building facades on the Property facing public streets and/or alleys, the Façade Easement Area, in accordance with the plans approved by the City of Las Vegas Office of Redevelopment Agency and any other City of Las Vegas department that may have issued approvals and/or permits as of the date of this agreement, or as may be otherwise approved by City during the term of this agreement. Copies of the plans for the Façade Easement Area required to be maintained under this agreement and which are incorporated herein by this reference, are on file with the City of Redevelopment Agency, c/o Office of Business Development, 400 Stewart Avenue, Las Vegas, NV 89101.
2. Duty to Maintain Property. Owner covenants and agrees, for itself, its lessees, successors and assigns during the term of this agreement to diligently maintain and care for the Façade Easement Area in accordance with the plans approved by Agency. "Diligent maintenance" is persistent upkeep which employs the standard of care necessary to meet all requirements of applicable local ordinances and regulations and standards of workmanship in accordance with the generally accepted standards for maintenance observed by comparable uses located within the City of Las Vegas. In particular, Owner covenants that:
 - a) All exterior building facades shall be maintained, repaired, or used in accordance with the City of Las Vegas Building Code and the plans approved by, any and all, appropriate City of Las Vegas department(s) as of the date of this agreement, or as may be otherwise approved by Agency during the term of this agreement.
 - b) The exterior of the buildings and structures shall have effective weatherproofing and waterproofing, including non-deteriorated paint, uncracked or unbroken plaster, sound siding, sealing of doors and windows and adequate and approved roof covering.
 - c) All exterior doors, door hardware, handles, locksets and latchsets shall be in safe and operable condition, free of cracks, splits, holes, inadequate fastening and warpage.
 - d) All windows shall be secure, well sealed, unbroken, and with undamaged frames. No window bars, grills or grates of any kind shall be installed without the express approval of the City of Las Vegas Department of Building and Safety.
 - e) All exterior lighting, including but not limited to security, carport, stairway or balcony, and building lighting, must be operable at all times as required by the City of Las Vegas Building Code.

3. Agency's Right to Cure Owner's Default. Owner shall be in default of this agreement if Owner breaches any of the Owner's obligations under Paragraph 2 above, and the breach is not cured within thirty (30) days (or such longer period as may be specified in the Notice of Breach) after the Agency gives notice ("Notice of Breach") to the Owner of the failure to perform, which Notice of Breach shall specify in reasonable detail the conditions constituting the breach. The Agency's Executive Director ("Director") (or, if that position no longer exists, an Agency official with comparable duties) or the Director's designee may impose conditions on any extension of time to cure the breach, which conditions may include but are not limited to (i) requiring Owner to post a cash deposit or surety bond in the amount of the estimated cost of curing the breach or default, and (ii) requiring that Owner commence curing the breach or default by a specified date and thereafter diligently and in good faith continue to cure the breach until completion of the cure.

In the event of default, in addition to any other remedies available to Agency at law or in equity, Agency in its sole and absolute discretion may enter the Property and cure the default at Owner's cost at any time after giving not less than thirty (30) days' notice ("Notice of Default") to Owner, which Notice of Default shall state the Agency's intent to enter the Property and shall specify in reasonable detail the work or correction the Agency intends to perform.

4. Hold Harmless. Owner shall waive any and all claims for damage or loss as a result of Agency's entry onto the Property. Owner shall defend, indemnify and hold harmless Agency, its employees, officers, agents and contractors from and against any and all liability, loss, expense, including reasonable attorney's fees or claims for injury or damage caused by or as a result of the Agency, its employees, officers, agents or contractors entry onto the Property. Notwithstanding the foregoing, the above waiver and indemnity shall not apply with respect to any negligent acts or omissions or willful misconduct by the Agency, its employees, officers, agents and/or contractors.
5. Agency's Cost of Cure. If Agency, acting through its own employees or through its contractors, enters the Property and cures the breach or default, Agency shall perform the work in a reasonably efficient, cost effective and competitively priced manner. The cost of curing the default shall be due and payable within ten (10) days after delivery of an invoice to Owner, and if paid at a later date shall bear interest at the rate of 10% per annum from the date of the invoice until Agency is reimbursed by Owner. Any warranties provided by Agency's contractors shall be assigned to Owner upon Owner's payment in full of the amounts due hereunder.
6. Additional Remedies. The Agency, in addition to the collection procedure set forth above in paragraph 4, may make the cost incurred in maintaining the Property a lien upon the Property by recording a notice with the Clark County Recorder. The lien may also include any and all costs incurred in recording the lien. The notice shall state that the Agency has incurred maintenance costs under the terms of this agreement and shall state the amount, together with a statement that it is unpaid. Such lien shall be immediately released upon Owner's payment of said costs.
7. Notices. Notices required or permitted to be given under the terms of this agreement shall be served personally, or by certified mail, return receipt requested, or by overnight courier, addressed as follows:

and, in the event that Owner hereafter conveys Property, to each successive Owner as shown on the tax rolls for Clark County.

8. Property Owner. If Owner conveys, grants or transfers the Property or a portion thereof to another, such grantee or transferee shall be responsible for complying with the terms and conditions of this agreement as to the Property or as to that portion thereof so conveyed and Owner shall have no further obligation hereunder as to said Property or that portion thereof. If Owner leases the Property or any portion thereof to another, the lease shall provide for Owner's right of entry to perform Owner's obligations under this agreement. The lease also shall provide for Agency's right of entry to inspect the Property for compliance with this agreement and in the event of breach to perform required maintenance in accordance with the procedure set forth in Paragraph 3. Owner shall advise the Executive Director of the Agency in writing of any changes in address of Owner and of the names and addresses of any subsequent owners of the property or any portion thereof.
9. Miscellaneous Terms and Provisions.
- a) If any provision of this agreement is adjudged invalid, the remaining provisions of it are not affected.
 - b) Notice to Agency or Owner shall be considered to have been given when sent in the manner and to the addresses stated in Paragraph 6 above.
 - c) This writing contains a full, final and exclusive statement of the agreement of the parties.
 - d) By executing this agreement Owner, on its behalf and on behalf of any successor in interest, authorizes and grants to Agency or to Agency's agent, permission with 48 hours advance notice to enter upon the Property subject to this agreement to perform inspections of the façade improvements or to perform any work authorized by this agreement in the event of breach by Owner of any covenant set forth in Paragraphs 2 above. However, the Agency shall coordinate the time of such inspections with the Owner in order to minimize the disruption of business or inconvenience to the Owner's customers.

10. Recordation: Covenant Running With the Land for Five Years. Upon recordation of the Façade Easement Deed and execution of this agreement by both parties, the Agency shall record this agreement with the Clark County Recorder's Office. Agency shall provide Owner a copy of the agreement showing the Recorder's stamp.

This agreement pertains to that area of the Property covered by the Façade Easement, and shall run with the land for a period of five (5) years from the date of recordation, including a period of time after the expiration of the Façade Easement. This agreement binds the successors in interest of each of the parties to it.

11. Priority of Mortgage Lien. No breach of the covenants, conditions or restrictions of this agreement shall defeat or render invalid the lien or charge or any first mortgage or deed of trust made in good faith and for value encumbering the Property, but all of said covenants, conditions and restrictions shall be binding upon and effective against any successor to the Owner whose title is derived through foreclosure or trustee's sale, or otherwise, with respect to the Property.
12. Attorneys' Fees. If any party to this agreement resorts to a legal action to enforce any provision of this agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to any other relief to which it may be entitled. This provision applies to the entire agreement.
13. Estoppel Certificate. Upon written request by Owner or a subsequent owner, Agency shall promptly execute and deliver an estoppel certificate, in a form reasonably approved by the Agency, addressed as indicated in the request, stating that the property is in compliance with this agreement, or not, and stating the amount of any outstanding fees or charges.

IN WITNESS WHEREOF, the parties have executed this agreement on the day and year set forth above.

STATE OF NEVADA }

I, Ariel Akerman, being first duly sworn, depose and state under penalty of perjury as follows:

1. I am a corporate officer, managing member, or sole proprietor of the ARSLNI, LLC, a company duly organized in the State of Nevada as a LLC, (Corporation LLC Sole Proprietorship). The Participant is seeking the assistance of the city of Las Vegas Redevelopment Agency ("Agency") for making improvements to the property at 21 Fremont Street ("Site"), as more particularly described by the VIP agreement ("Agreement") being contemplated by the city of Las Vegas Redevelopment Agency at its public hearing to be held on _____.

2. I hereby warrant that I either own the site, or have a leasehold interest in the site for a minimum of five years subsequent to the effective date of this agreement.

Assistance from the Agency will allow me to make improvements to the site which I could not otherwise do. This will result in substantial benefit to the Redevelopment Plan Area and the neighborhood adjacent to the Site because of one or more of the following reasons (check one or more):

- a. Encourage the creation of new business or other appropriate development; ☐
- b. Create jobs or other business opportunities for nearby residents; ☒
- c. Increase local revenues from desirable sources; ☒
- d. Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located; ☒
- e. Possess attributes that are unique, either as to type of use or level of quality and design; ☐
- f. Require for their construction, installation or operation the use of qualified and trained labor; ☐ and
- g. Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency. ☐

3. No other reasonable means of financing those buildings, facilities, structures or other improvements are available, because of one or more of the following reason(s) as checked by the Participant:

- a. An inducement for new businesses to locate or existing businesses to remain within the redevelopment area in which the business would ordinarily choose to locate outside the redevelopment area if the grant were not provided. Evidenced by a "but for" letter or statement from the business owner; ☐ or
- b. There is a public objective and/or requirement that is more stringent and/or costly to undertake than a business would ordinarily embark upon. Evidenced by state or city ordinance. ☐ or
- c. There has been a lack of rehabilitation in the area and it is deemed unreasonable for the business to invest in improving the area unless the grant is provided. Evidenced by photographs of the immediate surrounding area displaying the slum and blight. ☒ or
- d. The exterior improvements to the property or business do not have a direct affect on revenues therefore making such an investment is not deemed acceptable by a customary financial institution. Evidenced by a denial letter from a financial institution. ☐ or

- e. The visual improvement of the property or addition of the business to the area is so dramatic that it is a catalyst for economic development in the area. Evidenced by a positive economic impact analysis. ☐

Participant agrees to submit to the Agency its documentation which evidences that no reasonable means of financing are available to the Participant.

4. Participant hereby warrants the following:

- a. The property on which the project is situated is free of all Mechanic's Liens at the time of application. _____ (initial)
- b. The applicant has no current bankruptcy proceedings, or past bankruptcy proceedings, whether corporate or personal, within the past five years. _____ (initial)
- c. The applicant has no past-due federal, state, county or city of Las Vegas tax bills at the time of application. _____ (initial)

5. Participant hereby acknowledges that existing opportunities for employment within the surrounding neighborhood of the redevelopment project are limited for neighborhood residents. Most residents must travel outside the neighborhood to find employment opportunities outside the redevelopment area, via public transportation or personal vehicles. Of the existing businesses within the neighborhood, many are family owned and have been in business for a long time. These existing businesses are not in an expansion mode and are not likely to employ neighborhood residents.

Furthermore, the project will help facilitate the continued expansion of employment opportunities by setting an example to other property/business owners to renovate their property/business and help create more employment opportunities through an expansion of business and renovation of vacant storefronts. The Project will allow neighborhood residents to apply for those positions (when available) for which they are qualified for as an employment opportunity. Appropriate measures will be taken to ensure that the neighborhood is aware of any job opportunities available from the business.

For reviewing the architectural and engineering design of the Project, the Agency has appointed a Design Review Committee comprised of one or more staff members from the following City of Las Vegas municipal departments: Office of Business Development; Planning and Development Department; Land Development, Public Works; Development Coordination, Public Works; and City of Las Vegas Department of Building & Safety. At its discretion, the Agency may solicit input from additional City staff depending on the individual needs of the Project. The Design Review Committee shall meet on an ad hoc basis. The Design Review Committee shall recommend approval or disapproval of the Project Scope of Work. The Agency has also considered the opinions of persons who reside in the Redevelopment Area or the immediate vicinity of the Redevelopment Area. In addition, the Agency has compared the level of spending proposed by the Agency and the projections of future revenue made on the buildings, facilities, structures or other improvements.

The Tenant has declared that no other reasonable means of financing are available to undertake the improvements to the Property because the return on investment is not reasonable and the improvements are being financed through cash on hand and/or debt financing through a private lender. Furthermore, the Owner and/or Tenant would not undertake the full set of improvements contemplated in the Agreement through resources reasonably available to the Owner and/or Tenant pursuant to the Participant Affidavit and Employment Plan, attached hereto as Attachment " 7 " and by this reference made a part hereof.

The Tenant has also declared and provided the Agency with an Employment Plan, which is attached hereto as Attachment " 7 " and by this reference is made a part hereof. The Owner and/or Tenant warrants that it has not paid or given, and will not pay or give, any third party any money or other consideration for obtaining this Agreement. No member, official or employee of the Agency shall be personally liable to the Owner and/or Tenant in the event of any default or breach by the Agency or for any amount which may become due to the Participant or on any obligations under the terms of this Agreement. The nondefaulting party shall notify the defaulting party that a default exists and that the defaulting party must cure same within thirty (30) days of receipt of the notice of default. The party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay, and shall complete such cure, correction or remedy with reasonable diligence and during any period of curing shall not be in default. In addition to any other rights or remedies, either party may institute legal action to cure, correct or remedy any default, to recover damages for any default or to obtain any other remedy consistent with the purpose of this Agreement. Such legal actions must be instituted in the District Court, County of Clark State of Nevada, in any other appropriate court in that county, or in the Federal District Court in the appropriate district of Nevada. Further, the nondefaulting party may file legal action to require the defaulting party to specifically perform the terms and conditions of this Agreement. Upon occurrence of an Event of Default by either the Participant or the Agency during the existence of this Agreement, the non-defaulting party, at its option, may institute an action for specific performance of the terms and obligations (including the payment of any monetary obligation) of this Agreement. During the existence of this Agreement and upon the occurrence of a Owner and/or Tenant Event of Default, the Agency shall have the right to terminate, and this Agreement shall so terminate, the date that the written notice of termination is received by the Owner and/or Tenant or such other date as may be specified in the written notice. In the event of termination of this Agreement by the Agency, the Owner and/or Tenant agrees to return any and all Agency Funds heretofore paid to the Owner and/or Tenant

pursuant to the provisions of this Agreement within ten (10) calendar days after the termination date. Failure to return any and all Agency Funds paid to the Owner and/or Tenant shall entitle the Agency to sue the Owner and/or Tenant for specific performance as provided in this Section and to pursue the Agency's remedies, legal and equitable, for such damages as permitted by law.

FACADE EASEMENT DEED

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, ROBERT SCHIFF ("Grantor"), does hereby grant to the CITY OF LAS VEGAS REDEVELOPMENT AGENCY, a public body, corporate and politic ("Grantee"), a nonexclusive facade easement (the "Facade Easement") in gross on and upon a portion of the real property described in Exhibit A, attached hereto and incorporated herein by this reference (the "Property"). The precise description of the area of the facade easement is described in Exhibit B attached hereto and incorporated hereby by reference (the "Facade Easement Area").

1. Grantee is responsible for carrying out the Redevelopment Plan for the City of Las Vegas Redevelopment Area (the "Redevelopment Area"). In furtherance of the Redevelopment Plan, Grantor and Grantee entered into a Commercial Visual Improvement Agreement and Grant of Facade Easement dated _____ (the "CVIP Agreement") which required the Grantor to improve the facades(s) of the building(s) on the Property in accordance with the CVIP Agreement and Grantee's Commercial Visual Improvement Guidelines.

2. Grantor shall maintain the Property and the Facade Easement Area in accordance with the Facade Easement Agreement, including without limitation, the provisions set forth in the Building Façade Maintenance Agreement, recorded against the Property by separate instrument. Grantor agrees that all material future changes to the exterior surface of the facades of the building that has been improved on the Property shall be subject to the approval of the Grantee, which approval shall not be unreasonably withheld. This covenant shall run with the land until five (5) years from the date this Facade Easement Deed is recorded against the Property.

3. Grantee may use the Facade Easement for the purpose of ensuring the repair and maintenance of the Facade Easement Area, including the Facade Improvements to be constructed thereon, in accordance with the Facade Easement Agreement.

4. The Facade Easement shall include ancillary rights of ingress and egress over any portion of the Property that is necessary in order to repair and maintain the Facade Improvements located on and within the Facade Easement Area.

5. Grantor covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin, ancestry, age, sexual preference, physical handicap or medical condition in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall Grantor or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.

6. The Grantee shall not use or exercise any right granted by the Facade Easement or do anything in a manner that will damage or impair the Facade Easement Area or the structural integrity of the building.

7. In the event of a violation of this Agreement by Grantor, the Grantee may, following reasonable notice to Grantor and after allowing thirty (30) days to correct said violation, institute a suit to enjoin such violation and to require the restoration of the Facade Improvements to their prior condition. In the alternative, the Grantee may enter upon the Property, correct any such violation and hold the Grantor and, his or her heirs, successors and assigns, responsible for the costs thereof in accordance with the Facade Easement Agreement and Building Facade Maintenance Agreement.

8. The Facade Easement granted herein shall terminate on the date which is five (5) years from the date of recordation of this Facade Easement Deed.

9. Grantor shall have the option to repurchase the Facade Easement granted herein (the "Option") from the Grantee pursuant to the terms and conditions set forth hereunder.

a. Option Term. The term of the Option (the "Option Term") shall commence thirty (30) days after recordation of the Facade Easement Deed and shall continue until five (5) years from the date of the recordation of this Facade Easement Deed. In order to exercise the Option, the Grantor must give sixty (60) days written notice to the Grantee that it wishes to exercise the Option.

b. Repurchase Price. If the Grantor exercises the Option, the Grantee agrees to sell and the Grantor agrees to repurchase the Facade Easement in an amount equal to the unamortized portion of the Purchase Price amortized on a straight-line basis

over five (5) years. The Amortization Schedule is set out in Exhibit C, attached hereto and incorporated herein (the "Amortization Schedule").

- c. Title, Escrow and Closing Costs. The Owner shall pay for all title, escrow and closing costs and fees associated with the repurchase of the Facade Easement. The Owner and Agency shall cooperate in good faith and execute such documents and take such actions as may be necessary to effectuate such repurchase.

10. The obligations and benefits imposed and granted in this Facade Easement Deed shall be binding on Grantor and all successor owners of the Property and inure to the benefit of the Grantee, its successors and assigns and are intended to run with the land.

11. The provisions of this Facade Easement Deed may be amended or terminated in full only by a written agreement between the Grantor and Grantee.

12. Nothing contained in this Facade Easement Deed shall be deemed to be a gift or dedication of any portion of Property to the general public or for the general public for any public purpose whatsoever, it being the intention of the parties to this Facade Easement Deed that the Facade Easement shall be strictly limited to and for the purposes expressed in this Facade Easement Deed.

13. This declaration shall be governed by and construed in accordance with the laws of the State of Nevada.

14. The Facade Easement granted herein shall be binding on and inure to the benefit of the successors and assigns of the parties and are intended to bind and burden the Property described in Exhibit A.

BUILDING FACADE MAINTENANCE AGREEMENT

THIS AGREEMENT is made this ____ day of _____, 20____, between ROBERT SCHIFF hereinafter referred to as "Owner" and the CITY of LAS VEGAS REDEVELOPMENT AGENCY, a public body, corporate and politic, hereinafter referred to as "Agency" with reference to the following facts:

WHEREAS, Owner is the owner of that real property ("the Property") in the City of Las Vegas, County of Clark, State of Nevada, legally described in Exhibit "A" attached hereto by this reference, commonly known as 319 FREMONT STREET, Las Vegas, Nevada and currently designated as Assessor's Parcel Nos. 139-34-610-009; and

WHEREAS, the Property is located within the City of Las Vegas Redevelopment Area (the "Redevelopment Area"), and in furtherance of the Redevelopment Plan for the Redevelopment Area, the Agency approved a Commercial Visual Improvement Program (the "Commercial VIP") for the purpose of revitalization and elimination of blighting influences in the Redevelopment Area; and

WHEREAS, Owner has rehabilitated the property facing the Facade Easement Area: Facade Easement Area: The area consisting of the building face adjoining the south Fremont Street right-of-way and the westerly and other public areas, including all exterior wall planes, window, doors, fascias, awnings, parking area, and other architectural projections.

Agency purchased a Facade Easement for the Property (hereinafter "the Facade Easement") which ensures that the building facades on the Property will be preserved in a manner consistent with the Commercial Visual Improvement Agreement and Grant of Facade Easement dated _____ (the "CVIP Agreement"); and

WHEREAS, by the terms of said Façade Easement, Owner is required to enter into an agreement for a period of five (5) years giving the Agency authority to lien the Property to ensure

Viva Vegas - CVIP AGREEMENT
(319 Fremont Street)

that the façade(s) covered by the Façade Easement, legally described in Exhibit " B " attached hereto (the "Façade Easement Area"), will be diligently maintained and that violations will be corrected promptly; and

WHEREAS, this agreement is entered into to ensure that the Property is maintained because both parties recognize that diligent maintenance is an integral part of preservation of the Property and one of the considerations for Agency's purchase of the Façade Easement;

NOW, THEREFORE, IT IS AGREED BETWEEN THE PARTIES AS FOLLOWS:

1. Purpose. The purpose of this agreement is to ensure diligent maintenance of the building facades on the Property facing public streets and/or alleys, the Façade Easement Area, in accordance with the plans approved by the City of Las Vegas Office of Redevelopment Agency and any other City of Las Vegas department that may have issued approvals and/or permits as of the date of this agreement, or as may be otherwise approved by City during the term of this agreement. Copies of the plans for the Façade Easement Area required to be maintained under this agreement and which are incorporated herein by this reference, are on file with the City of Redevelopment Agency, c/o Office of Business Development, 400 Stewart Avenue, Las Vegas, NV 89101.
2. Duty to Maintain Property. Owner covenants and agrees, for itself, its lessees, successors and assigns during the term of this agreement to diligently maintain and care for the Façade Easement Area in accordance with the plans approved by Agency. "Diligent maintenance" is persistent upkeep which employs the standard of care necessary to meet all requirements of applicable local ordinances and regulations and standards of workmanship in accordance with the generally accepted standards for maintenance observed by comparable uses located within the City of Las Vegas. In particular, Owner covenants that:
 - a) All exterior building facades shall be maintained, repaired, or used in accordance with the City of Las Vegas Building Code and the plans approved by, any and all, appropriate City of Las Vegas department(s) as of the date of this agreement, or as may be otherwise approved by Agency during the term of this agreement.
 - b) The exterior of the buildings and structures shall have effective weatherproofing and waterproofing, including non-deteriorated paint, uncracked or unbroken plaster, sound siding, sealing of doors and windows and adequate and approved roof covering.
 - c) All exterior doors, door hardware, handles, locksets and latchsets shall be in safe and operable condition, free of cracks, splits, holes, inadequate fastening and warpage.
 - d) All windows shall be secure, well sealed, unbroken, and with undamaged frames. No window bars, grills or grates of any kind shall be installed without the express approval of the City of Las Vegas Department of Building and Safety.
 - e) All exterior lighting, including but not limited to security, carport, stairway or balcony, and building lighting, must be operable at all times as required by the City of Las Vegas Building Code.

3. Agency's Right to Cure Owner's Default. Owner shall be in default of this agreement if Owner breaches any of the Owner's obligations under Paragraph 2 above, and the breach is not cured within thirty (30) days (or such longer period as may be specified in the Notice of Breach) after the Agency gives notice ("Notice of Breach") to the Owner of the failure to perform, which Notice of Breach shall specify in reasonable detail the conditions constituting the breach. The Agency's Executive Director ("Director") (or, if that position no longer exists, an Agency official with comparable duties) or the Director's designee may impose conditions on any extension of time to cure the breach, which conditions may include but are not limited to (i) requiring Owner to post a cash deposit or surety bond in the amount of the estimated cost of curing the breach or default, and (ii) requiring that Owner commence curing the breach or default by a specified date and thereafter diligently and in good faith continue to cure the breach until completion of the cure.

In the event of default, in addition to any other remedies available to Agency at law or in equity, Agency in its sole and absolute discretion may enter the Property and cure the default at Owner's cost at any time after giving not less than thirty (30) days' notice ("Notice of Default") to Owner, which Notice of Default shall state the Agency's intent to enter the Property and shall specify in reasonable detail the work or correction the Agency intends to perform.

4. Hold Harmless. Owner shall waive any and all claims for damage or loss as a result of Agency's entry onto the Property. Owner shall defend, indemnify and hold harmless Agency, its employees, officers, agents and contractors from and against any and all liability, loss, expense, including reasonable attorney's fees or claims for injury or damage caused by or as a result of the Agency, its employees, officers, agents or contractors entry onto the Property. Notwithstanding the foregoing, the above waiver and indemnity shall not apply with respect to any negligent acts or omissions or willful misconduct by the Agency, its employees, officers, agents and/or contractors.
5. Agency's Cost of Cure. If Agency, acting through its own employees or through its contractors, enters the Property and cures the breach or default, Agency shall perform the work in a reasonably efficient, cost effective and competitively priced manner. The cost of curing the default shall be due and payable within ten (10) days after delivery of an invoice to Owner, and if paid at a later date shall bear interest at the rate of 10% per annum from the date of the invoice until Agency is reimbursed by Owner. Any warranties provided by Agency's contractors shall be assigned to Owner upon Owner's payment in full of the amounts due hereunder.
6. Additional Remedies. The Agency, in addition to the collection procedure set forth above in paragraph 4, may make the cost incurred in maintaining the Property a lien upon the Property by recording a notice with the Clark County Recorder. The lien may also include any and all costs incurred in recording the lien. The notice shall state that the Agency has incurred maintenance costs under the terms of this agreement and shall state the amount, together with a statement that it is unpaid. Such lien shall be immediately released upon Owner's payment of said costs.
7. Notices. Notices required or permitted to be given under the terms of this agreement shall be served personally, or by certified mail, return receipt requested, or by overnight courier, addressed as follows:

and, in the event that Owner hereafter conveys Property, to each successive Owner as shown on the tax rolls for Clark County.

8. Property Owner. If Owner conveys, grants or transfers the Property or a portion thereof to another, such grantee or transferee shall be responsible for complying with the terms and conditions of this agreement as to the Property or as to that portion thereof so conveyed and Owner shall have no further obligation hereunder as to said Property or that portion thereof. If Owner leases the Property or any portion thereof to another, the lease shall provide for Owner's right of entry to perform Owner's obligations under this agreement. The lease also shall provide for Agency's right of entry to inspect the Property for compliance with this agreement and in the event of breach to perform required maintenance in accordance with the procedure set forth in Paragraph 3. Owner shall advise the Executive Director of the Agency in writing of any changes in address of Owner and of the names and addresses of any subsequent owners of the property or any portion thereof.

9. Miscellaneous Terms and Provisions.

- a) If any provision of this agreement is adjudged invalid, the remaining provisions of it are not affected.
- b) Notice to Agency or Owner shall be considered to have been given when sent in the manner and to the addresses stated in Paragraph 6 above.
- c) This writing contains a full, final and exclusive statement of the agreement of the parties.
- d) By executing this agreement Owner, on its behalf and on behalf of any successor in interest, authorizes and grants to Agency or to Agency's agent, permission with 48 hours advance notice to enter upon the Property subject to this agreement to perform inspections of the façade improvements or to perform any work authorized by this agreement in the event of breach by Owner of any covenant set forth in Paragraphs 2 above. However, the Agency shall coordinate the time of such inspections with the Owner in order to minimize the disruption of business or inconvenience to the Owner's customers.

10. Recordation: Covenant Running With the Land for Five Years. Upon recordation of the Façade Easement Deed and execution of this agreement by both parties, the Agency shall record this agreement with the Clark County Recorder's Office. Agency shall provide Owner a copy of the agreement showing the Recorder's stamp.

This agreement pertains to that area of the Property covered by the Façade Easement, and shall run with the land for a period of five (5) years from the date of recordation, including a period of time after the expiration of the Façade Easement. This agreement binds the successors in interest of each of the parties to it.

11. Priority of Mortgage Lien. No breach of the covenants, conditions or restrictions of this agreement shall defeat or render invalid the lien or charge or any first mortgage or deed of trust made in good faith and for value encumbering the Property, but all of said covenants, conditions and restrictions shall be binding upon and effective against any successor to the Owner whose title is derived through foreclosure or trustee's sale, or otherwise, with respect to the Property.
12. Attorneys' Fees. If any party to this agreement resorts to a legal action to enforce any provision of this agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to any other relief to which it may be entitled. This provision applies to the entire agreement.
13. Estoppel Certificate. Upon written request by Owner or a subsequent owner, Agency shall promptly execute and deliver an estoppel certificate, in a form reasonably approved by the Agency, addressed as indicated in the request, stating that the property is in compliance with this agreement, or not, and stating the amount of any outstanding fees or charges.

IN WITNESS WHEREOF, the parties have executed this agreement on the day and year set forth above.

VIP Participant Affidavit and Employment Plan

Page 1 of 2

STATE OF NEVADA }

 COUNTY OF CLARK }

I, Ariel Akerman, being first duly sworn, depose and state under penalty of perjury as follows:

1. I am a corporate officer, managing member, or sole proprietor of the ARELVI LLC, a company duly organized in the State of Nevada as a LLC, (Corporation/LLC/Sole Proprietorship). The Participant is seeking the assistance of the city of Las Vegas Redevelopment Agency ("Agency") for making improvements to the property at 319 Fremont St. ("Site"), as more particularly described by the VIP agreement ("Agreement") being contemplated by the city of Las Vegas Redevelopment Agency at its public hearing to be held on _____.

2. I hereby warrant that I either own the site, or have a leasehold interest in the site for a minimum of five years subsequent to the effective date of this agreement.

Assistance from the Agency will allow me to make improvements to the site which I could not otherwise do. This will result in substantial benefit to the Redevelopment Plan Area and the neighborhood adjacent to the Site because of one or more of the following reasons (check one or more):

- a. Encourage the creation of new business or other appropriate development; ☒
- b. Create jobs or other business opportunities for nearby residents; ☐
- c. Increase local revenues from desirable sources; ☒
- d. Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located; ☒
- e. Possess attributes that are unique, either as to type of use or level of quality and design; ☐
- f. Require for their construction, installation or operation the use of qualified and trained labor; ☐ and
- g. Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency. ☐

3. No other reasonable means of financing those buildings, facilities, structures or other improvements are available, because of one or more of the following reason(s) as checked by the Participant:

- a. An inducement for new businesses to locate or existing businesses to remain within the redevelopment area in which the business would ordinarily choose to locate outside the redevelopment area if the grant were not provided. Evidenced by a "but for" letter or statement from the business owner; ☐ or
- b. There is a public objective and/or requirement that is more stringent and/or costly to undertake than a business would ordinarily embark upon. Evidenced by state or city ordinance. ☐ or
- c. There has been a lack of rehabilitation in the area and it is deemed unreasonable for the business to invest in improving the area unless the grant is provided. Evidenced by photographs of the immediate surrounding area displaying the slum and blight. ☒ or
- d. The exterior improvements to the property or business do not have a direct affect on revenues therefore making such an investment is not deemed acceptable by a customary financial institution. Evidenced by a denial letter from a financial institution. ☐ or

- e. The visual improvement of the property or addition of the business to the area is so dramatic that it is a catalyst for economic development in the area. Evidenced by a positive economic impact analysis. ☐

Participant agrees to submit to the Agency its documentation which evidences that no reasonable means of financing are available to the Participant.

4. Participant hereby warrants the following:

- a. The property on which the project is situated is free of all Mechanic's Liens at the time of application. _____ (initial)
- b. The applicant has no current bankruptcy proceedings, or past bankruptcy proceedings, whether corporate or personal, within the past five years. _____ (initial)
- c. The applicant has no past-due federal, state, county or city of Las Vegas tax bills at the time of application. _____ (initial)
- d. The applicant has no past-due bills or debts payable to the city of Las Vegas or the Redevelopment Agency. _____ (initial)

5. Participant hereby acknowledges that existing opportunities for employment within the surrounding neighborhood of the redevelopment project are limited for neighborhood residents. Most residents must travel outside the neighborhood to find employment opportunities outside the redevelopment area, via public transportation or personal vehicles. Of the existing businesses within the neighborhood, many are family owned and have been in business for a long time. These existing businesses are not in an expansion mode and are not likely to employee neighborhood residents.

Furthermore, the project will help facilitate the continued expansion of employment opportunities by setting an example to other property/business owners to renovate their property/business and help create more employment opportunities through an expansion of business and renovation of vacant storefronts. The Project will allow neighborhood residents to apply for those positions (when available) for which they are qualified for as an employment opportunity. Appropriate measures will be taken to ensure that the neighborhood is aware of any job opportunities available from the business.
