JUANITA CLARK, Neighborhood Preservation, stated that it has been exciting to hear about the last items and pleased that the Tivoli project on Alta Drive and Rampart Boulevard is moving forward. She urged that residents be invited to groundbreakings of new projects because the residents are those who will frequent these new businesses. MEMBER WOLFSON agreed that the Tivoli project will be a wonderful project scheduled to open in the spring. He also indicated that at the last groundbreaking residents were present, but he will make sure that the citizens are made aware of future groundbreakings.

ANTHONY HODGES, Las Vegas resident, stated he has remained involved with the City for 20 years. He pointed out that no one can foresee the future but chances need to be taken.
