**PURPOSE/BACKGROUND:**

This Interlocal Agreement covers the RDA's intent to potentially pay a portion of the debt on the new city hall, if and when those funds are available. The RDA is permitted in the Nevada Revised Statutes to pay a portion of the construction costs of a publicly owned facility within the redevelopment area. This funding will be subject to the availability of excess funds in the RDA's budget. The RDA Board and the City Council will also have to approve the annual RDA budget to appropriate any excess funds to be used to pay the debt on the new city hall project.
