Re: SPECIAL CITY COUNCIL MEET (Citizens Participation)

Placing the Vision Statement in a prominent place in City Hall is a "point with pride" professional declaration. Charleston Neighborhood Preservation always points this out to people we bring and mention the comparison of some other cities and businesses where their statement needs to be found in a file drawer. We thank you for the quality!

We pulled our minor improvement ideas from our file just in case it might be a 'fit' for Citizens Participation.

Here are the CNP Board's suggested improvements IN CAPITAL LETTERS:

"a world class city" WHERE "in which" "residents" CONSTITUENTS
"feel safe and" KNOW THEY "are heard."

Thank you, Vickie, for handling this for us.
