Dear Beverly,

I wish to appeal the determination made by the Planning and Development Department regarding Tom Peters Gaming Bar at 465 South Decatur Boulevard. While this bar is non-conforming today based on new zoning ordinances, it has been in continuous operation since the mid 1960's.

In 2001, the shopping center that this bar is located in, was redeveloped and relocated to a vacant 7-11 store on the same property. This relocation took the adoption of a new City ordinance allowing for the redevelopment of centers with non-conforming uses. This bar was temporarily closed as it is being sold to a new operator, and the new operator's license applications are pending.

We are following the procedures outlined to us by the City of Las Vegas Licensing Department and Planning Department.

Yours truly,

RE: Tom Peters Gaming Bar, 465 South Decatur Boulevard

To Whom It May Concern:

The Liquor Establishment (Tavern) use at 465 South Decatur Boulevard (Tom Peters Gaming Bar, previously The Heights Tavern) is a legal nonconforming use due to Title 19 distance separation requirements and the lack of a Special Use Permit for the Liquor Establishment (Tavern). This use was discontinued in June 2006. In conformance with Title 19.16 regarding the discontinued use of nonconforming uses, staff has determined that after six months of discontinued use any future use of the building shall be in conformance with the provisions of Title 19.

As such, 465 South Decatur Boulevard would require a Special Use Permit for a Liquor Establishment (Tavern); however, per Title 19.04 no Liquor Establishment (Tavern) may be located within 1,500 feet of any other Liquor Establishment (Tavern), church, synagogue, school, child care facility licensed for more than 12 children, or City park as a minimum requirement for eligibility. The subject site, 465 South Decatur Boulevard, is located approximately 1,100 feet from a school (Griffith Elementary, 324 Essex Drive), approximately 1,490 feet from a City park (West Charleston Lions Park, 725 Essex Circle) and less than 1,500 feet from the parcels containing the following businesses with tavern licenses: approximately 275 feet from Aces and Eights, 310 South Decatur Boulevard; approximately 1,120 feet from Red Lobster, 200 South Decatur Boulevard; approximately 575 feet from Decatur Liquor, 546 South Decatur Boulevard; and approximately 790 feet from Arizona Charlie's, 740 South Decatur Boulevard. Title 19.04 allows a waiver of the distance separation requirement if the protected uses are separated from the tavern use by a right-of-way of at least 100 feet. Griffith Elementary School and West Charleston Lions Park are not separated from the subject tavern by a 100-foot right-of-way. A waiver from the distance separation requirement is therefore not possible.

It is the interpretation of the Planning Department that the nonconforming Liquor Establishment (Tavern) use at 465 South Decatur Boulevard was discontinued on or before June 12, 2006, has not reopened within 180 days and cannot conform to current Title 19 requirements; therefore, the use cannot be reestablished, nor can it be entitled with a Special Use Permit for a Liquor Establishment (Tavern).

Should you wish to appeal the interpretation of the above section of Title 19 by the Planning Department, refer to Title 19.00.070 (F):
