Facilities are provided throughout City Hall for convenience of persons with disabilities. For meetings held in the Council Chambers, sound equipment is available for persons with hearing impairments. If you need an accommodation to attend and participate in this meeting, please call the DEPARTMENT DESIGNEE at (702) 229-6301 and advise of your need at least 48 hours in advance of the meeting. The City's TDD number is (702) 386-9108.

May 8, 2012

6:00 PM

ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON. TWO OR MORE AGENDA ITEMS FOR CONSIDERATION MAY BE COMBINED; AND ANY ITEM ON THE AGENDA MAY BE REMOVED OR RELATED DISCUSSION MAY BE DELAYED AT ANY TIME.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Hall, 495 South Main Street, 1st Floor
Clark County Government Center, 500 South Grand Central Parkway
Grant Sawyer Building, 555 East Washington Avenue
City of Las Vegas Development Services Center, 333 North Rancho Drive

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS AND PAYMENT OF THOSE COSTS SHALL BE MADE UPON FILING OF THE APPLICATION.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.

3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.

4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.

5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.

6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.

7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.

8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

BUSINESS ITEMS:

1. CALL TO ORDER

2. ANNOUNCEMENT: COMPLIANCE WITH OPEN MEETING LAW

3. ROLL CALL

4. PUBLIC COMMENT DURING THIS PORTION OF THE AGENDA MUST BE LIMITED TO MATTERS ON THE AGENDA FOR ACTION. IF YOU WISH TO BE HEARD, COME TO THE PODIUM AND GIVE YOUR NAME FOR THE RECORD. THE AMOUNT OF DISCUSSION, AS WELL AS THE AMOUNT OF TIME ANY SINGLE SPEAKER IS ALLOWED, MAY BE LIMITED

5. FOR POSSIBLE ACTION TO APPROVE THE FINAL MINUTES FOR THE PLANNING COMMISSION MEETING OF APRIL 10, 2012

6. FOR POSSIBLE ACTION - Any Items from the Planning Commission, staff and/or the applicant wish to be stricken or held in abeyance to a future meeting may be brought forward and acted upon at this time.

CONSENT ITEMS:

CONSENT ITEMS ARE CONSIDERED ROUTINE BY THE PLANNING COMMISSION AND MAY BE ENACTED BY ONE MOTION. HOWEVER, ANY ITEM MAY BE DISCUSSED IF A COMMISSION MEMBER OR APPLICANT SO DESIRES.

ONE MOTION - ONE VOTE

THE FOLLOWING ARE ITEMS THAT MAY BE CONSIDERED IN ONE MOTION/ONE VOTE. THEY ARE CONSIDERED ROUTINE NON-PUBLIC AND PUBLIC HEARING ITEMS. ALL PUBLIC HEARINGS AND NON-PUBLIC HEARINGS WILL BE OPENED AT ONE TIME. ANY PERSON REPRESENTING AN APPLICATION OR A MEMBER OF THE PUBLIC OR A MEMBER OF THE PLANNING COMMISSION NOT IN AGREEMENT WITH THE CONDITIONS AND ALL STANDARD CONDITIONS FOR THE APPLICATION RECOMMENDED BY STAFF, SHOULD REQUEST TO HAVE THAT ITEM REMOVED FROM THIS PART OF THE AGENDA.

LEGAL DESCRIPTION

PARCEL M AS SHOWN ON FILE IN BOOK 143, PAGE 47 OF PLATS IN THE CLARK COUNTY RECORDER'S OFFICE, NEVADA, LYING WITHIN SECTION 34, TOWNSHIP 20 SOUTH, RANGE 59 EAST M.D.M., CLARK COUNTY, NEVADA.

GENERAL NOTES

1. THERE ARE NO KNOWN FAULTS OR FISSURES LOCATED ADJACENT TO OR WITHIN THE BOUNDARIES OF THIS SUBDIVISION TO BE VERIFIED BY THE GEOTECHNICAL ENGINEER.
2. THERE ARE NO KNOWN GROUNDWATER DEPTHS WITHIN 20 FEET OF THE EXISTING GROUND SURFACE.
3. THERE WILL BE A HOA AND CC&R'S ESTABLISHED FOR THIS SUBDIVISION.
4. LANDSCAPE EASEMENTS AND COMMON LOTS WILL BE MAINTAINED BY HOA.
5. INTERIOR STREETS ARE PRIVATE.
6. TRAFFIC ACCESS SHALL BE VIA DESERT MOON RD.
7. EASEMENTS REQUIRED FOR STORM DRAIN, DRY UTILITIES, SANITARY SEWER, AND POTABLE WATER SHALL BE GRANTED ON THE FINAL MAP.
8. WATER TO SERVICE THIS PROJECT WILL BE SUPPLIED BY EXISTING WATER LINES IN SKY VISTA DRIVE, FOX HILL AVENUE, AND DESERT MOON ROAD.
9. SEWER SERVICE FOR THIS PROJECT WILL CONNECT TO AN EXISTING 8" MAIN LOCATED IN FOX HILL AVENUE.
10. THE SITE SLOPES ARE LESS THAN 12%. STREET GRADES WILL BE LESS THAN OR EQUAL TO 6%.
11. THIS PROJECT IS NOT WITHIN A 100 YEAR FEMA SPECIAL FLOOD HAZARD AREA.
12. THIS SUBDIVISION IS PART OF THE SUMMERLIN MASTER PLANNED COMMUNITY.
13. ALL COMMON ELEMENTS ARE TO BE PRIVATELY OWNED AND MAINTAINED UNLESS OTHERWISE NOTED ON THE PLAN.
14. ALL OFFSITE COMMON ELEMENTS ARE TO BE CONSTRUCTED AND MAINTAINED BY THE MASTER HOA.
15. ABOVE GROUND UTILITY BOXES SHALL NOT BE PLACED WITHIN TRAIL CORRIDORS.

DISCLAIMER NOTE

EXISTING UTILITY LOCATIONS SHOWN HEREON ARE APPROXIMATE ONLY. IT SHALL BE THE CONTRACTOR'S RESPONSIBILITY TO DETERMINE THE EXACT VERTICAL AND HORIZONTAL LOCATION OF ALL EXISTING UNDERGROUND UTILITIES PRIOR TO COMMENCING CONSTRUCTION. NO REPRESENTATION IS MADE THAT ALL EXISTING UTILITIES ARE SHOWN HEREON. THE ENGINEER ASSUMES NO RESPONSIBILITY FOR UTILITIES NOT SHOWN IN THEIR PROPER LOCATION.

- SHOWER ENCLOSURE W/NON-ABSORBENT SURFACE & TEMPERED GLASS DOOR. SEE GEN NOTES 17/ WINDOW BULLET #5. SEE PLUMB. DWGS. AND D.R. HORTON FOR SPECS. AND SIZE. SHOWER HEAD @ +6'-10".
- ULTRA TUB, SEE BUILDER FOR TYPE & MODEL. TOP OF TUB PLATFORM @ +20". VERIFY W/TUB MANUFACTURER SPECS.
- INDICATES POT-SHELF ABOVE,TOP OF SHEATING +8'-5" REFER TO PLANS & INTERIOR ELEVATIONS
- INDICATES LOWERED CEILING/ARCH. REFER TO PLANS AND INTERIOR ELEVATIONS.

WALL SCHEDULE

- = 2x6 PLUMBING WALL
- = 1 HR FIRE SEPARATION WALL, SEE DETAIL C/D-4 & D/D-4.

SHELVING OPTIONS:

- (A) (PANTRY) (4) 12" DEEP SHELVES EQUALLY SPACED.
- (D) (LINEN) (5) 16" DEEP SHELVES EQUALLY SPACED.
- (C) (CLOSET) (1) 12" DEEP SHELF AND POLE @ +66".
- (F) (CLOSET) (2) 12" DEEP SHELVES AND POLE @ +40" & +60"
- (G) (LAUNDRY) (1) 12" DEEP SHELF.

NOTE:
ALL SHELVES ARE WOOD OR WOOD W/LAMINATE FINISH, VERIFY W/D.R. HORTON, POLES ARE WOOD W/METAL ROSETTES

DOOR & WINDOW SCHEDULE

DOOR LEGEND:

HC =	HOLLOW CORE WOOD DOOR
SC =	SOLID CORE WOOD DOOR
FR =	FRENCH W/TEMPERED GLAZING
FA =	FRENCH ATRIUM W/TEMPERED GLAZING
BP =	BYPASS DOORS
SD =	TEMPERED SLIDING GLASS
FC =	FIBER GLASS

WINDOW LEGEND:

FX =	FIXED WINDOW
SL =	SLIDER
SH =	SINGLE HUNG
HR =	HALF ROUND
AR =	ARCHED
TEMP. =	TEMPERED GLAZING REQ'D IN HAZARDOUS LOC. INSTALL PER LB.C. CODE.

NOTE:
D.R. HORTON MAY SUBSTITUTE ANY DOOR MATERIAL ON ANY DOOR EXCEPT RATED DOORS AND DOORS REQUIRED BY CODE.

SQUARE FOOTAGE:

MAIN RESIDENCE:	2,875	SQUARE FEET
STANDARD COVERED PATIO:	177.00	SQUARE FEET
3 CAR GARAGE:	923	SQUARE FEET
STANDARD COVERED PATIO W/ EXT. PATIO OPT.:	334.5	SQUARE FEET
FULL WIDTH COVERED PATIO OPTION:	177.00	SQUARE FEET
COVERED ENTRY	34.0	SQUARE FEET
NOTE REMOVED		

KEYNOTES:

1. MIN. 36" WIDE X MIN. 36" DEEP X 4" THICK CONCRETE LANDING. STOOP WIDTH SHALL NOT BE LESS THAN THE DOOR SERVED.
2. THIS WALL RATED 1-HOUR LESS THAN 5'-0" OF THE PROPERTY LINE THAT IS BETWEEN BUILDINGS. USE 1-HOUR FIRE RATED WALL ASSEMBLY SEE 1/D-1.
3. CARPET STRIP.
4. CEILING LINE
5. TILE, SEE SPEC. SHEET.
6. DRYER EXHAUST VENT, SEE MECHANICAL DRAWINGS FOR VENT LENGTH.
7. RECESSED WATER VALVE BOX, VERIFY WITH PLUMBING DWGS.
8. NOT USED.
9. BOLLARD, SEE DETAIL 20 AD-1
10. SOFT WATER LOOP
11. BASE CABINETS, SEE D.R. HORTON FOR TYPE AND MODEL.
12. WALL MOUNTED UPPER CABINETS, SEE D.R. HORTON FOR TYPE AND MODEL.
13. NOT USED
14. LINDEN COUNTER DISHWASHER.
15. REFRIGERATOR/FREEZER LOCATION.
16. RECESSED ICE MAKER BOX WITH VALVE.
17. CENTER WINDOW ON EXTERIOR WALL
18. NOT USED
19. NOT USED
20. NOT USED
21. NOT USED
22. NOT USED
23. 2'-6" STONE W/6" WIDE FOAM TRIM RETURN. SEE EXTERIOR ELEVATION.
24. STONE VENEER. SEE EXTERIOR ELEVATION.
25. WATER HEATER PLATFORM TO BE A MINIMUM OF 18" A.F.F. 3/4" PLYWOOD AT WATER HEATER PLATFORM

GENERAL NOTES:

1. THE GARAGE WALLS & CEILING SHALL BE 5/8" TYPE 'X' GYPSUM BOARD, ALL OTHER CEILINGS SHALL BE 5/8" GYP.BD. D.R. HORTON CAN USE 1/2" MIN. GYP. BD. ON WALLS THAT ARE NOT RATED WALLS OR RESTL BY CODE.

2. THE DOOR BETWEEN THE GARAGE AND THE DWELLING UNITS SHALL BE EITHER SOLID WOOD OR METAL CLAD HONEYCOMB DOORS NOT LESS THAN 1 3/8" THICK OR A 20 MIN. DOOR. DOORS SHALL BE SELF-CLOSING & SELF-LATCHING W/A TIGHLY FRAME.

3. REFER TO BUILDER FOR QUANTITY AND LOCATION OF BULLNOSE DRYWALL CORNER'S.

4. ALL BASE SHALL BE REVERSIBLE GRADE.

5. WHEN CERAMIC TILE, CULTURED MARBLE OR LIKE FINISHES ARE INSTALLED A BACKER BOARD OF CEMENT, FIBER CEMENT, OR GLASS MAT GYPSUM BACKERS IN COMPLIANCE WITH ASTM C1288, C1325 OR C1178 ARE TO BE USED IN THE TUBS TO A HEIGHT OF THE TILE IN TUB/SHOWER OR IN SHOWER FROM FLOOR TO CEILING AND ON THE CEILING TO THE EDGE OF THE TILE OR EDGE OF TUB/SHOWER, WHICHEVER IS GREATEST.

6. PENETRATIONS WILL NOT BE ALLOWED THROUGH FIRE RESTRICTIVE WALLS, FLOOR/CEILING AND ROOF/CEILING ASSEMBLIES WITHOUT APPROVED DETAILS.

7. ALL APPLIANCES AND PLUMBING FIXTURES SHALL BE SELECTED BY D.R. HORTON.

8. SEE D.R. HORTON FOR ALL CABINETRY SPECIFICATIONS.

9. AT TUBS, SHOWERS, & TUB/SHOWER COMBOS THAT ARE ABUT RATED WALLS, 5/8" TYPE 'X' GYPSUM BOARD MUST BE INSTALLED BETWEEN THE TUB, OR SHOWER, OR TUB/SHOWER COMBO AND THE RATED WALL.

10. KITCHEN COUNTER TOP @ 36", TYP. U.N.O. SEE D.R. HORTON FOR TYPE & STYLE.

11. MIRROR ABOVE ALL LAV'S, TYP. U.N.O. SEE SPEC. SHEET.

ATTIC ACCESS CATWALK & WORKING PLATFORM:
* PROVIDE A 24" WIDE X 30" HIGH SOLID CATWALK.
* A WORKING PLATFORM AT CONTROL SIDE OF FAU 30" IN DEPTH, WIDTH & HEIGHT SHALL BE PROVIDED.
* WHERE THE HEIGHT OF THE PASSAGEWAY IS LESS THAN 6 FT. THE DISTANCE FROM THE ACCESS TO THE FAU SHALL NOT EXCEED 20 FT. MEASURED ALONG THE CENTERLINE OF THE PASSAGEWAY.

DOORS:
* FRONT ENTRY DOOR SHALL HAVE WEATHER-STRIPPING & THRESHOLD, A PEEP HOLE @ +60" AND BE PROVIDED W/A LOCKSET AND DEADBOLT.
* PROVIDE PRIVACY LOCKS AT MASTER BEDROOM & ALL BATHROOM DOORS U.N.O.
* ALL BY-PASS AND BI-FOLD DOORS SHALL BE WHITE ON WHITE U.N.O.
* ALL DOORS TO HAVE 3" JAMBS.

WINDOWS:
1. ALL WINDOWS TO BE THERMAL-PANE GLASS.
2. PROVIDE LOW 'E' WINDOW, VERIFY W/ECC CALCS. BY MECHANICAL ENGINEER.
3. ESCAPE AND RESCUE WINDOWS SHALL HAVE A MIN. SILL HEIGHT OF 44" & MIN. NET CLEAR OPENABLE AREA OF 5.7 S.F. THE MIN. NET CLEAR OPENABLE HEIGHT DIM. SHALL BE 24". THE MIN. NET CLEAR OPENABLE WIDTH DIM. SHALL BE 20". WHEN WINDOWS ARE PROVIDED AS A MEANS OF ESCAPE AND RESCUE THEY SHALL HAVE A FINISHED SILL.
* EXCEPTIONS:
A. MINIMUM NET CLEAR OPENING FOR A ESCAPE AND RESCUE GRADE FLOOR OPENING SHALL BE 5 S.F.

CONTRACTOR SHALL INSTALL TEMPERED GLAZING IN HAZARDOUS LOCATIONS.
1. GLAZING IN SWING DOORS, FIXED & SLIDING PANELS OF SLIDING DOORS & PANEL IN SLIDING & BI-FOLD CLOSET DOORS & IN STORM DOORS & UNFRAMED SWINGING DOORS.
2. GLAZING IN DOORS & ENCLOSURES FOR HOT TUBS, WHIRLPOOLS, SAUNAS, STEAM ROOMS, BATH TUBS & SHOWERS. GLAZING WHERE BOTTOM EXPOSED EDGE IS LESS THAN 60" ABOVE A STANDING SURFACE.
3. GLAZING IN AN INDIVIDUAL FIXED OR OPERABLE PANEL ADJACENT TO A DOOR WHERE THE NEAREST EXPOSED EDGE IS WITHIN A 24" ARC OF EITHER VERTICAL EDGE OF THE DOOR IN A CLOSED POSITION AND WHERE THE BOTTOM EDGE IS LESS THAN 60" ABOVE WALKING SURFACE.
* EXCEPTIONS:
A. PANELS WHERE THERE IS A WALL BARRIER BETWEEN THE DOOR & GLAZING.
B. WHERE DOOR IS TO A CLOSET 3'-0" DEEP OR LESS SHALL COMPLY WITH (SEE NOTE 7 BELOW).
C. GLAZING IN WALLS PERPENDICULAR TO THE PLANE OF THE DOOR IN A CLOSED POSITION.
OTHER THAN THE WALL THE DOOR SWINGS INTO.
7. GLAZING IN AN INDIVIDUAL FIXED OR OPERABLE PANEL, OTHER THAN THOSE DESCRIBED ABOVE THAT MEETS ALL OF THE FOLLOWING CONDITIONS:
A. EXPOSED AREA OF AN INDIVIDUAL PANE GREATER THAN 9 S.F.
B. EXPOSED BOTTOM EDGE IS LESS THAN 18" ABOVE THE FLOOR.
C. EXPOSED TOP EDGE IS GREATER THAN 36" ABOVE THE FLOOR.
D. ONE OR MORE WALKING SURFACES WITHIN 36" HORIZONTALLY OF THE GLAZING.

UPDATE:

A-4.7

(1) FLOOR PLAN
SCALE: 1/4" = 1'-0"

KEYNOTES:

1. MIN. 36" WIDE X MIN. 36" DEEP X 4" THICK CONCRETE LANDING. STOOP WIDTH SHALL NOT BE LESS THAN THE DOOR SERVED.
2. DECORATIVE COLUMNS
3. CARPET STRIP.
4. 2X FRAMING WALL BELOW
5. TILE, SEE SPEC. SHEET
6. DRYER EXHAUST VENT, SEE MECHANICAL DRAWINGS FOR VENT LENGTH.
7. RECESSED WATER VALVE BOX, VERIFY WITH PLUMBING DWGS.
8. SOFT WATER LOOP
9. WATER HEATER PLATFORM @ 18" AFF
10. TEMPERED GLASS SHOWER DOOR
11. BASE CABINETS, SEE D.R. HORTON FOR TYPE AND MODEL.
12. WALL MOUNTED UPPER CABINETS, SEE D.R. HORTON FOR TYPE AND MODEL.
13. MAKE-UP COUNTER @ +28".
14. UNDER COUNTER DISHWASHER.
15. 36 X30 REFRIGERATOR/FREEZER LOCATION, VERIFY W/ D.R.H.
16. RECESSED ICE MAKER BOX WITH VALVE.
17. SECOND WALL FOR A/C LINE
18. CENTER WINDOW ON INTERIOR WALL.
19. DRYER ALWAYS TO THE RIGHT OF WASHER
20. NOT USED
21. NOT USED
22. NOT USED
23. 6'-2" CEILING W/CABINETS ABOVE REFRIGERATOR
24. FOAM TRIM OR FOAM WAINSCOT OR FOAM TRIM W/STONE BELOW, SEE EXTERIOR ELEVATIONS FOR HEIGHTS & LOCATIONS.
25. NOT USED.
26. GLASS ENCLOSURE
27. CULTURED MARBLE SHOWER
28. 2" DEEP NICHE SIZE TO MATCH THE TUB WINDOW

GENERAL NOTES:

1. THE GARAGE WALLS & CEILING SHALL BE 5/8" TYPE 'X' GYPSUM BOARD, ALL OTHER CEILINGS SHALL BE 5/8" GYP. BD. D.R.H. CAN USE 1/2" MIN. GYP. BD. ON WALLS THAT ARE NOT RATED WALLS OR PER'D. BY CODE.

2. THE DOOR BETWEEN THE GARAGE AND THE DWELLING UNITS SHALL BE EITHER SOLID WOOD OR METAL CLAD HONEYCOMB DOORS NOT LESS THAN 1 3/8" THICK OR A 20 MIN. DOOR. DOORS SHALL BE SELF-CLOSING & SELF-LATCHING W/A TIGHLY FRAME.

3. REFER TO BUILDER FOR QUANTITY AND LOCATION OF BULLNOSE DRYWALL CORNER'S.

4. ALL BASE SHALL BE REVERSIBLE GRADE.

5. WHEN CERAMIC TILE, CULTURED MARBLE OR LIKE FINISHES ARE INSTALLED A BACKER BOARD OF CEMENT, FIBER CEMENT, OR GLASS MAT GYPSUM BACKERS IN COMPLIANCE WITH ASTM C1288, C1325 OR C1178 ARE TO BE USED IN THE TUBS TO A HEIGHT OF THE TILE IN TUB/SHOWER OR IN SHOWER FROM FLOOR TO CEILING AND ON THE CEILING TO THE EDGE OF THE TILE OR EDGE OF TUB/SHOWER, WHICHEVER IS GREATER.

6. PENETRATIONS WILL NOT BE ALLOWED THROUGH FIRE RESTRICTIVE WALLS, FLOOR/CEILING AND ROOF/CEILING ASSEMBLIES WITHOUT APPROVED DETAILS.

7. ALL APPLIANCES AND PLUMBING FIXTURES SHALL BE SELECTED BY D.R. HORTON.

8. SEE D.R. HORTON FOR ALL CABINETRY SPECIFICATIONS.

9. AT TUBS, SLOWERS, & TUB/SHOWER COMBOS THAT ABUT RATED WALLS, 5/8" TYPE 'X' GYPSUM BOARD MUST BE INSTALLED BETWEEN THE TUB, OR SHOWER, OR TUB/SHOWER COMBO AND THE RATED WALL.

10. KITCHEN COUNTER TOP @ +36", TYP. U.N.O. SEE D.R. HORTON FOR TYPE & STYLE.

11. MIRROR ABOVE ALL LAV'S. TYP. U.N.O. SEE SPEC. SHEET.

12. GARAGE AND PATIO SHOULD SLOPE ¼" PER FOOT.

ATTIC ACCESS, CATWALK & WORKING PLATFORM:
* PROVIDE A 22" X 30" MIN. FREE SQUARE OPENING.
* A WORKING PLATFORM AT CONTROL SIDE OF FAU, 30" IN DEPTH, WIDTH & HEIGHT SHALL BE PROVIDED.
* WHERE THE HEIGHT OF THE PASSAGEWAY IS LESS THAN 5 FT. THE DISTANCE FROM THE ACCESS TO THE FAU, SHALL NOT EXCEED 20 FT. MEASURED ALONG THE CENTERLINE OF THE PASSAGEWAY.

DOORS:
* FRONT ENTRY DOOR SHALL HAVE WEATHER-STRIPPING @ THRESHOLD, A PEEP HOLE @ +60" AND BE PROVIDED W/A LOCKSET AND DEADBOLT.
* PROVIDE PRIVACY LOCKS AT MASTER BEDROOM & ALL BATHROOM DOORS U.N.O.
* ALL BY-PASS AND BI-FOLD DOORS SHALL BE WHITE ON WHITE U.N.O.
* ALL DOORS TO HAVE 3" JAMBS.

WINDOWS:
1. ALL WINDOWS TO BE THERMAL-PANE GLASS.
2. PROVIDE LOW 'E' WINDOW, VERIFY W/ERS' CALCS. BY MECHANICAL ENGINEER.
3. ESCAPE AND RESCUE WINDOWS SHALL HAVE A MIN. SILL HEIGHT OF 44" & MIN. NET CLEAR OPENABLE AREA OF 5.7 S.F. THE MIN. NET CLEAR OPENABLE HEIGHT DIM. SHALL BE 24". THE MIN. NET CLEAR OPENABLE WIDTH DIM. SHALL BE 20". WHEN WINDOWS ARE PROVIDED AS A MEANS OF ESCAPE AND RESCUE THEY SHALL HAVE A FINISHED SILL.
* EXCEPTIONS:
4. MINIMUM NET CLEAR OPENING FOR A ESCAPE AND RESCUE GRADE FLOOR OPENING SHALL BE 5 S.F.
* CONTRACTOR SHALL INSTALL TEMPERED GLAZING IN HAZARDOUS LOCATIONS.
4. GLAZING IN SWING DOORS, FIXED & SLIDING PANELS OF SLIDING DOORS & PANEL IN SLIDING & BI-FOLD CLOSET DOORS & IN STORM DOORS & UNFRAMED SWINGING DOORS.
5. GLAZING IN DOORS & ENCLOSURES FOR HOT TUBS, WHIRLPOOLS, SAUNAS, STEAM ROOMS, BATH TUBS & SHOWERS. GLAZING WHERE BOTTOM EXPOSED EDGE IS LESS THAN 60" ABOVE A STANDING SURFACE.
6. GLAZING IN AN INDIVIDUAL FIXED OR OPERABLE PANEL, ADJACENT TO A DOOR WHERE THE NEAREST EXPOSED EDGE IS WITHIN A 24" ARC OF EITHER VERTICAL EDGE OF THE DOOR IN A CLOSED POSITION AND WHERE THE BOTTOM EDGE IS LESS THAN 60" ABOVE WALKING SURFACE.
* EXCEPTIONS:
A. PANELS WHERE THERE IS A WALL BARRIER BETWEEN THE DOOR & GLAZING.
B. WHERE DOOR IS TO A CLOSET 3'-0" DEEP OR LESS SHALL COMPLY WITH SEC. R308.4 (SEE NOTE 7 BELOW).
C. GLAZING IN WALLS PERPENDICULAR TO THE PLANE OF THE DOOR IN A CLOSED POSITION OTHER THAN WALL THE WALL THE DOOR SWINGS TOWARD.
7. GLAZING IN AN INDIVIDUAL FIXED OR OPERABLE PANEL OTHER THAN THOSE LOCATIONS DESCRIBED ABOVE THAT MEETS ALL OF THE FOLLOWING CONDITIONS:
A. EXPOSED AREA OF AN INDIVIDUAL PANE GREATER THAN 9 S.F.
B. EXPOSED BOTTOM EDGE IS LESS THAN 18" ABOVE THE FLOOR.
C. EXPOSED TOP EDGE IS GREATER THAN 36" ABOVE THE FLOOR.
D. ONE OR MORE WALKING SURFACES WITHIN 36" HORIZONTALLY OF THE PLANE OF THE GLAZING.

SQUARE FOOTAGE:

MAIN RESIDENCE:	3500	SQUARE FEET
COVERED PORCH:	279	SQUARE FEET
3 CAR GARAGE:	655	SQUARE FEET
PARTIAL COVERED PATIO OPTION:	373	SQUARE FEET
FULL WIDTH COVERED PATIO OPTION:	697	SQUARE FEET

Re: Park Ranch Estates
Variance for front yard setbacks on lots 4 and 7

To Whom It May Concern:

Taney Engineering is submitting this variance application on behalf of our client DR Horton. The project originally had an approved VAR-5227 to allow the reduced setbacks but the Variance expired. On the February 14th Planning Commission meeting VAR-44220 was heard to reinstate the previously approved variance excluding APN's: 125-09-511-004, & 125-09-511-007 because the owners did not provide consent to submit the application. DR Horton has now obtained the consent of the owners and is submitting this application to reinstate the previously approved setbacks on these two lots. The setbacks are being requested as follows.

1. *Reduce front setback to 25 feet where 30 feet is required (19.06.050 Table 1 (C).*

This setback is consistent with the previously approved variance. If this was not approved the homes which are currently occupied would have to be demolished and rebuilt to be in accordance with the current setback requirements.

A site plan has been provided with this submittal. We are hopeful that this letter clarifies our intent. If you have any questions or require additional information please call.

Sincerely,

Robert D. Cunningham, P.E.
Taney Engineering

RE: RQR-33734 - REQUIRED REVIEW
CITY COUNCIL MEETING OF JUNE 17, 2009

Dear Ms. Young:

The City Council at a regular meeting held June 17, 2009 APPROVED the request for Required Review of a previously approved Special Use Permit (U-0271-93) FOR A 50-FOOT TALL, 14-FOOT BY 48-FOOT OFF-PREMISE SIGN at 3101 West Sahara Avenue (APN 162-08-104-004), C-1 (Limited Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on June 18, 2009. This approval is subject to:

Planning & Development

1. Conformance to the conditions for Special Use Permit (U-0271-93).

2. This Special Use Permit shall be placed on an agenda closest to February 2, 2012 at which time the City Council may require the Off-Premise Sign (Billboard) be removed. The applicant shall be responsible for notification costs of the review. Failure to pay the City for these costs may result in a requirement that the Off-Premise Sign (Billboard) is removed.

3. The Off-Premise Sign (Billboard) and its supporting structure shall be properly maintained and kept free of graffiti at all times. Failure to perform the required maintenance may result in fines and/or removal of the Off-Premise Sign (Billboard).

4. If the existing off-premise sign is voluntarily demolished, this Special Use Permit (U-0271-93) shall be expunged and a new off-premise sign shall not be permitted in the same location unless a Special Use Permit is approved for the new structure by the City Council.

Las Vegas, NV 89106

SUBJECT: Justification Letter for Special Use Permit for Off-Premise Liquor Sales for Costco Business Center 222 South Martin Luther King Blvd., APN 139-33-102-013

ISSUE:

In August of 2008, the City received and accepted Administrative Site Development Plan Review SDR 29307 to convert the existing Costco Wholesale warehouse from our typical retail warehouse to our "Business Center" concept which included partial demolition of the Tire Center, additional shipping docks and other minor modification. Since that time the site has been operating as a successful business center serving the Las Vegas and surrounding area. The site had maintained a Package Liquor License L15-000-11-4-000-162 for Off-Site Consumption from the City of Las Vegas. At the time that license was issued, Special Use Permits were not required and the site operated with legal non-conforming status for many years. Unfortunately, when the warehouse transitioned to the Business Center the License became inactive in November 2008 and the legal non-conforming status lapsed. Costco still hold the Package Liquor License referenced above and wishes to reactivate it at this time. Therefore, Costco respectfully requests that the City Staff accept the attached application materials to issue a new Special Use Permit to allow the Business Center at the above referenced location to reinstitute the sale of packaged liquor to our members for off-site consumption.

INFORMATION:

- Number of Employees: *113*
- Hours of Operation:
  - *Monday –Friday = 7:00 am to 6:00 pm*
  - *Saturday= 7:00 am to 4:00 pm*
  - *Sunday= Closed*
- Similar Uses Owned or Operated by Applicant and their Location:
  - *The site previously maintained a license to sell packaged liquor and had operated successfully for several years. There are three Costco warehouses in the Las Vegas and a total of six operating in the state of Nevada that also sell packaged liquor to our members and have operated successfully for several years as well. It is our understanding that none of the Costco warehouses in Nevada have received any violations with regard to our liquor licenses.*
- Any Required State Licenses Specific to the Use Requested:
  - *Costco currently holds License L15-000-11-4-000-162 for Package Liquor Sales for Off-Site Consumption from the City of Las Vegas. It is our understanding that the City of Las Vegas is the appropriate jurisdiction and therefore no additional licenses from the State are necessary.*

- Sustainability:

	YES	NO or N/A
Will this project participate in the City of Las Vegas Green Building Program? *This project will not require any new construction and therefore is not eligible for such program.*		X
Will this project be constructed to LEED or other equivalent standards? *This project will not require any new construction.*		X
Will this project utilize alternative energy sources or water saving measures? *As previously mentioned, this project will not require any new construction; however, all Costco warehouses maintain high efficiency plumbing & electrical fixtures as well as an extremely efficient Energy Management System. This site's use of such features*		X

will not be impacted by this project.		
Is there connectivity to adjacent parcels? *The site access will not be impacted by this application.*		X
Will the project qualify as a walkable community (for Residential or Mixed Use only)? *This is a commercial site.*		X
Is the project using any means of sustainable construction? *The project requires no new construction.*		X
Will the project meet the intent of the Urban Forestry Initiative? *No landscaping will be removed or modified in connection with this project.*		X
Will the project provide any bicycle parking? *The amount of bicycle parking will not be impacted by this project.*		X
Will the project provide any electric vehicle recharging station?		X

FINDINGS: Special Use Permit Determinations

1. The proposed use can be conducted in a manner that is harmonious and compatible with the existing surrounding land uses, and with the future surrounding land uses as projected by the General Plan.

   The proposed use *will not have any adverse effects on the surrounding community as the use has been in practice for many years without causing negative effects. Furthermore, we believe that the Costco Business Center has operated responsibly and abided by all necessary conditions, restrictions and regulations required by the City of Las Vegas and will continue to do so. Although there are residences in close proximity to the site, the business has limited hours, closing very early Monday through Saturday and is closed all day on Sunday thereby limiting the potential noise and traffic effects on adjacent properties. Because this site caters primarily to businesses and is a members-only warehouse there is significantly reduced foot traffic, which will reduce any potential for loitering and other adverse impacts typically associated with alcohol sales.*

2. The subject site is physically suitable for the type and intensity of land use being proposed.

   The site has been operating as a business center since 2008 and will continue to do so. The addition of package liquor sales is ancillary and will not significantly alter or intensify the use significantly. The use will continue to operate in the same manner as it has for the past several years. No additional floor area is being added in conjunction with this application and the potential package liquor sales will take place within the existing retail storage/display area. The site maintains adequate parking, access and other facilities to support the current use and that will not be impacted by this application.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

   The site is currently adequately served by the existing streets, highways and other facilities in place and the proposed project will not increase traffic or intensify the use significantly.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety and welfare or the overall objective of the General Plan.

   For the reasons listed above: the site previously sold packaged liquor for off-site consumption; the package liquor sales will be an ancillary component of the Costco Business Center, there will be no necessary physical improvements including additional floor area; the proposed application will not have any significantly adverse impacts on the public health, safety or welfare. Costco goes to great lengths to operate responsibly and be a good neighbor in all the communities in which we are located and will continue to do so in this location.

Retail Establishments with Accessory Package Liquor (Chapter 19.12)

Minimum Special Use Requirements

1. Except as otherwise provided, no retail establishment with accessory packages liquor off-sale (hereinafter "establishment") shall be located within 400 feet of any church, synagogue, school, child care facility licensed for more than 12 children, or City Park.

   Per Pre-Application Conference Notes provided to Costco on March 6, 2012, there are no churches, synagogues, schools child care facilities licensed for more than 12 children or City Parks within 400 feet of the existing Costco Business Center and the application does therefore NOT require a waiver of the distance requirement.

2. Except as otherwise provided in Requirement 3 below, the distance referred to in Requirement 1 shall be determined with reference to the shortest distance between two property lines, on being the property line of the proposed establishment which is closest to the existing use to which the measurement pertain, and the other being the property line of that existing use which is closest to the proposed establishment. The distance shall be measured in a straight line without regard to intervening obstacles. For purposes of measurement the term "property line" refers to property lines of fee interest parcels and does not include the property line of:
   a. Any leasehold parcel; or
   b. Any Parcel which lacks access to a public street or has no area for onsite parking and which has been created so as to avoid the distance limitation described in Requirement 1

   This is not applicable as indicated in our Pre Application Conference on March 6, 2012.

3. In the case of an establishment proposed to be located on a parcel of at least 80 acres in size, the minimum distances referred to in Requirement 1 shall be measured in a straight-line:
   a. From the nearest property line of the existing use to the nearest portion of the structure in which the establishment will be located, without regard to intervening obstacles; or
   b. b. In the case of a proposed establishment which will be located within a shopping center or other multiple tenant structure, from the nearest property line of the existing use to the nearest property line of a leasehold or occupancy parcel in which the establishment will be located, without regard to intervening obstacles

   Not applicable. The size of the parcel is 10.99 acres; therefore this requirement does not apply.

4. When considering a Special Use Permit application for an establishment which also requires a waiver of the distance limitation in Requirement 1, the Planning Commission shall take into consideration the distance policy and shall, as part of its recommendation to the City Council, state whether the distance requirement should be waived and the reasons in support of the decision.

   Not applicable. This application does not require waiver of the distance requirements.

5. The minimum distance requirements in Requirement 1 do not apply to:
   a. An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992 or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992; or
   b. A proposed establishment having more than 50,000 square feet of retail floor space.

   The site is an existing retail establishment with over 100,000 square feet of retail floor spaces. Nonetheless, no waiver of the distance requirement is necessary for this application as stated in #1.

City of Las Vegas

6. All businesses which sell alcoholic beverages shall conform to the provisions of LVMC Chapter 6.50.

Costco will abide by all conditions, restrictions and provisions of LVMC Chapter 6.50 with regard to package liquor sales for off-site consumptions as we have in the past and as we currently do at our three other Las Vegas locations. The shall include all provisions relating to the sale, storage or handling of alcohol by employees, as well as requirements for maintenance of the license and notification of the City regarding changes to status as listed in Chapter 6.50.

7. The minimum distance requirements set forth in Requirement 1, which are otherwise non-waivable under the provisions of LVMC 19.12.050(C), may be waived:
   a. In accordance with the provisions of LVMC 19.12.050(C) for any establishment which is proposed to be located on a parcel within the Downtown Casino Overlay District;
   b. In accordance with the applicable provisions of the "Town Center Development Standards Manual" for any establishment which is proposed to be located within the T C (Town Center) Zoning District and which is designated MS TC (Main Street Mixed Use) in the Town Center Land Use Plan;
   c. In connection with a proposed establishment having between 20,000 square feet and 50,000 square feet of retail floor space; or
   d. In connection with a retail establishment having less than 20,000 square feet of retail floor space, if the area to be used for the sale, display or merchandising of alcoholic beverages and each use to be protected are separated by a highway or a right of way with a width of at least 100 feet.

Not applicable, this application does NOT require any waiver of the distance requirement.

Response to Pre-Application Meeting Notes

5. Specify what requirements prevent minors from gaining access to liquor area.

Costco Business Center is a members-only warehouse that caters primarily to businesses owners. It is not a location where anyone can stroll up and quickly or conveniently buy alcoholic beverages and consume them quickly in the adjacent area or onsite. All the features of this warehouse are designed to be conducive to the sale to designated members of legal age to purchase alcohol for their personal use (not resale) to be consumed at their residence at a later time. All members must be at least 18 years old to hold a membership. Any abuse of membership privileges such as lending out membership for inappropriate purposes can result in revocation of membership (although this has not been a problem for us).

The liquor sales area will be open sales floor with no fence or restricted access similar to most grocery or large retail stores. Costco cashiers will follow all City and State requirements regarding the identification and age verification of members who wish to purchase alcohol. We feel that the membership requirement adds an additional level of security as all customers who wish to purchase alcohol must present two forms of photo identification, their license and their membership card (which includes a photo as well). These measures, as well as the employees training, help prevents Costco from inadvertently selling alcohol to minors.

As for preventing minors from illegally obtaining alcohol or shoplifting it, the warehouse concept has two more ways to prevent this. First, the liquor is typically sold in large quantities or bulk rather than single serving containers and it is not chilled, as it is typically in convenience or liquor stores. This makes the liquor easy to spot and difficult to hide. Costco's policy of checking the receipt prior to exiting the warehouse is an added check point to assure that members do not leave with merchandise they have not paid for, including liquor.

RECEIVED
MAR 13 2012
City of Las Vegas

SUP-44831

These policies have worked very effectively in all our Costco warehouses in Las Vegas and throughout the United States. As mentioned previously, none of the Costco Warehouses in the State of Nevada have received any violations with regard to their liquor license.

7. Definition of Retail Establishment with Accessory Package liquor is defined in Chapter 19.12 of the LVMC as:

1. Whose license to sell alcoholic beverages authorizes their sale to consumers only and not for resale, in original sealed or corked containers, for consumption off the premises where the same are sold; and

It is the intent of this application to allow retail sale of package liquor only, not wholesale or distribution for resale. Although the site currently operates as a Business Center, which includes deliveries to local businesses, non-business members are allowed to shop there as well. Furthermore, business members may wish to purchase merchandise for their personal use. All merchandise will be originally sealed or corked and is kept at room temperature. There will be no sampling, tastings or onsite consumption allowed.

2. In which the sale of alcoholic beverages is ancillary to the retail use, and in which no more than 10 percent of the retail floor space is regularly devoted to the display or merchandising of alcoholic beverages.

The existing building maintains 134,890 square feet of floor area. If you subtract out all receiving, office, food preparation area you get approximately 90,000 square feet of merchandise display area. This would allow up to 9,000 square feet of package liquor display area to be classified as ancillary (under 10%). Our current proposal includes three rows of potential liquor display area with an exterior dimension of 41 feet by 45 feet or 1,845.

Total Floor Area =	*134, 890*
Minus Food Prep (52'x253.5')=	*- 13,182*
Minus Receiving/shipping (52'x358')	*- 18,616*
Office (52' x 107')	- 5,564
Behind Registers (127.75'x 52')	*-6,643*
Retail Display Area	*90,885 sq.* ft.

Proposed Liquor Sales area = 1,845 sq. ft/ Retail Display Area90,885 sq. ft. = 0.020 or 2% of retail sales area

Pursuant to Title 19.08 & 19.12, the following Parking Standards Apply:

Parking Requirement							
Use	Gross Floor Area or # Units	Required			Provided		Compliance
		Parking Ratio	Parking		Parking		
			Regular	Handicap	Regular	Handicap

PLATO'S CLOSET®

01-09-12

To Whom it may Concern,

I write to you today to ask your help in receiving a Special Use Permit, in regards to Resale Zoning. I am opening my own small business called Plato's Closet in Las Vegas. My store is a part of a large national franchisor, Winmark Corporation, which operates over 930 Play It Again Sports®, Plato's Closet®, Once Upon A Child® and Music Go Round® retail stores located in the United States and Canada.

My Business and Our Commitment to the Community

All of the Winmark franchised stores emphasize consumer value by offering quality used merchandise at substantial savings from the price of new merchandise and by purchasing customers' used goods that have been outgrown and are no longer used. This is especially important and essential given today's economy and all of the families in our community in need of stretching their family budget. In addition, we provide the community with a place to recycle the goods they no longer use or need, keeping these items out of the local landfill and making our community greener

Plato's Closet offers a truly unique retail franchise opportunity, as it is the only national teen retail store of its kind -- focusing on the buying and selling of gently used, brand-name apparel and accessories for girls and guys! Plato's Closet already has over 300 store locations throughout North America, and that number continues to grow.

Our stores fill a distinct niche in the retail marketplace. We are the only national resale business that specializes in the teen and twenty something market group. The wish list for trendy, brand-name apparel and the availability of it in virtually every teen's closet presents fantastic opportunities for both franchise owners and customers alike.

PLATO'S CLOSET®

Our Brand

Plato's Closet® is the only national teen retail store of its kind — focusing on the buying and selling of gently used, brand-name apparel and accessories! We already have over 300 store locations throughout North America, and that number continues to grow.

Making the decision to be your own boss and be in control of your future is an exciting adventure, and we appreciate being considered in your business search. Plato's Closet offers franchisees a unique opportunity, based on a sound business model and the support of the parent company, Winmark Corporation. With a history of retail franchising, we offer strong support services, a proprietary computer system, creative advertising and marketing materials, and a seasoned operations team to assist you in maximizing your individual store performance.

Plato's Closet offers gently used clothing, accessories and more that emphasize popular teen brands and current styles. Our merchandise and environment are cool and trendy, and present a mainstream retail image. Our product selection generally encompasses girls' size 12 to juniors' size 15; guys' size 12 to waist size 38. Our stores fill a distinct niche in the retail marketplace. We are the only national resale business that specializes in the teen and young adult market group. The wish list for trendy, brand-name apparel and the availability of it in virtually every teen's closet presents fantastic opportunities for both franchise owners and customers alike.

Our Stores

- Average Store Size: 2,500 to 3,600 square feet
- Core Customer Group: Females age 12 to 24
- Product Mix: 98% gently used; 2% new
- Key Demographics: Middle to upper

Business Planning

- Development of a comprehensive business plan with monthly financial data
- Ability to develop the "what if" scenario in the eight-step planning process
- The dos and don'ts of approaching a bank or lending institution

Site Selection

- Site evaluation, marketing analysis, nationwide local broker assistance
- Demographic studies and market area review
- Letter of intent assistance and lease review

Store Set-Up & Opening

- Store design, floor planning, merchandising strategies
- Preferred vendors involved with in-store set-up
- On-site store opening assistance for two days

Training

- Two comprehensive training programs with over 75 hours of classroom instruction and in-store training
- Instruction includes how to buy, sell, service, market, advertise, hire staff, control and turn inventory, source product, manage cash flow, and more

Merchandising Support

- Assistance with opening inventory and supplemental inventory thereafter
- New product sourcing and preferred vendor programs
- Guidance on product valuations and current market conditions

Inventory Control

- Proprietary inventory control system that tracks register transactions, customers and inventory
- Useful management reports for decision-making
- Toll-free computer help desk that provides software support seven days a week

Ongoing Support

- Field operations staff to relay new ideas and assist with business fine-tuning
- Annual national franchise conferences and trade shows
- Marketing resources for advertising and local marketing programs

Getting Started

Store Opening Timeline

12 Steps to Your Store Opening

1. Review initial information
2. Complete and return the attached franchise application
3. Discuss your application and the steps to gather additional information with the franchise developer assigned to assist you
4. Schedule and attend a Discovery Day in Minneapolis, Minnesota
5. Receive Franchise Disclosure Document (FDD) and Standard Franchise Agreement for review
6. Franchise awarded upon final approval
7. Secure franchise with the signing of Franchise Agreement and initial franchise fee payment
8. Attend five-day Franchisee Orientation Training – Week 1
9. Secure financing and store lease
10. Attend five-day Brand Operations Training – Week 2
11. Complete post-training assignments
12. Open your Plato's Closet® store!

It typically takes between six and nine months to complete the steps in the process. This period can be longer or shorter depending on the time of year, availability of financing, availability of real estate, how soon you can attend training or other factors.

SUP-44890

Pre-Opening Investments (All currency figures are in U.S. dollars)

	Low	High
Opening Inventory	$ 38,000	$ 78,000
Fixtures and Supplies	26,000	50,100
Signage	5,100	12,500
Security Cameras	1,800	8,000
Point of Sale System (POS)	16,700	21,500
Leasehold Improvements	30,000	65,000
Deposits and Business Licenses	1,000	12,500
Other Pre-Opening Expenses	34,100	53,700
Franchise Fee (Includes the following) • Use of Names and Trademarks • Site Selection Assistance, Lease Review • Financial Business Plan Development • Comprehensive Training Programs • Store Layout, Design & Build-Out • Preferred Vendor Recommendations • Marketing & Advertising Resources • Store Opening Assistance	25,000	25,000
Working Capital • These expenses include payroll and other costs for the first three months of operation. These costs will depend on factors such as how well you follow Winmark's systems and procedures, your management skills and experience, local economic conditions, the local market for Plato's Closet® products, the prevailing wage rate, competition and the sales level reached during the initial period.	20,000	50,000
TOTAL	**$ 197,700**	**$ 376,300**

This total is an estimate of your pre-opening initial investment and the expenses you will incur during the first three months of store operations. Winmark bases this total on its estimate of nationwide average costs, prevailing market conditions and Winmark's years of experience in the business. These figures are estimates only and Winmark cannot guarantee that you will not have additional expenses. Your exact investment depends on several factors including store size and condition of premises, inventory levels, transportation costs, financing costs and similar factors beyond Winmark's or your control. Costs will increase as the number of square feet increases. Many of our franchisees obtain financing for their business by providing 30% of the total capital ($59,310 - $112,890) in cash and arranging a business loan from a local bank for the balance. We also have franchise owners who have utilized business partners and/or personal financial relationships to meet the initial capital requirements.

Royalty Fee: 5% of gross sales

Mr. Steve Gebeke
Planning Supervisor
City of Las Vegas
Planning and Development Department
333 N. Rancho Drive
Las Vegas, NV 89106

Re: Pre-Application Conference Request
Special Use Permit Application
2221 North Rampart Boulevard
Justification Letter

Dear Mr. Gebeke:

Summerlin Enterprises, Inc., dba Summerlin Jewelers is a third-generation retail jewelry store established in October 1994. We sell and repair all types of jewelry including gold, platinum, silver and costume jewelry, along with precious and semi-precious gemstones. We also design custom jewelry. We are proud members of the Las Vegas Better Business Bureau, Las Vegas Chamber of Commerce, and IJO (Independent Jewelers Organization). We have enjoyed the issuance of Special Use Permit #36571 since January 2010, and Conditional License for Second-Hand Dealer Class III-A since July 2010. We have complied with all of the rules and regulations required in holding such permit and conditional license. We work closely with the Las Vegas Metropolitan Police Department are in good standing with the City of Las Vegas.

In May 2012, Summerlin Jewelers will be moving to a larger store in the same shopping center at the northwest corner of Lake Mead and Rampart Boulevards. Our new address will be 2221 North Rampart Boulevard. We will vacate our current store located at 2235 North Rampart Boulevard. We have been advised by the City that we must reapply for a Special Use Permit and Conditional License for this new location.

Request/Intended Use of the Property: In addition to selling and repairing jewelry, we respectfully request permission to accept jewelry on consignment from our customers, and to buy all types of used jewelry from the public. This requires a Special Use Permit/Second-Hand Dealer, Class IIIA Conditional License.

RECEIVED
MAR 20 2012
City of Las Vegas

SUP-44893

Number of Employees: We currently employ eight (9) employees.

Officers/Owners of the Corporation:
Lawrence H. Minden, President
Diana L. Minden, Vice President
Goldsmith: Alejandro Meza
Bookkeeper: Amy Goodroad
Sales Manager: Steven Goodroad
Sales Associates: Nancy Jorgenson, Melissa Goodroad-Nabong, Lori Feis and Lyndsey Ritchie

Hours of Operation: Our regular hours of operation are Monday through Saturday, 9:00 a.m. to 5:30 p.m. During the Christmas holiday, we extend our hours as needed.

Existing Similar Uses Owned or Operated by the Application:

Summerlin Enterprises, Inc.
dba Summerlin Jewelers
2235 North Rampart Boulevard
Las Vegas, NV 89128

Any Required State Licenses Specific to the Use Requested: None

Findings: A Special Use Permit allowing Summerlin Jewelers to accept consignment jewelry from its customers, and permitting the purchase of used jewelry will not disturb the existing surrounding land uses or future surrounding land uses. Our store is physically suitable for this type of special use. Streets providing access to the property are adequate to meet the requirements of our proposed use. Approval of a Special Use Permit will not be inconsistent with or compromise the public health, safety, and welfare of the overall objective.

Respectfully submitted,

SUMMERLIN JEWELERS

Lawrence H. Minden, President

Re: Justification letter for GARCES and 10TH
APN# 139-34-810-107 & 108

Dear Staff:

On behalf of our client, Charles Sorrells, we are pleased to provide this justification letter to provide information on a Vacation and Abandonment being submitted for consideration on the above referenced project.

This request is to allow the vacation and abandonment of portions of the Garces Avenue and 10th Street rights of way. This request will allow the street rights of way to match the existing street improvements in place. Similar requests have been approved in this area.

We feel that this request is compatible with the surrounding area. With this in mind, we would respectfully request your consideration of this application. If you have any questions or concerns, please contact this office at your convenience.

Sincerely,
L. R. NELSON CONSULTING ENGINEERS, INC.

Re: SUP-43957, The Market LV

Dear Mr. Gebeke;

The above mentioned item was tabled from the January 10, 2012 Planning Commission meeting for the purpose of considering other uses listed in the Title 19 use table that may better describe the proposed "Market LV."

It is my understanding that upcoming modifications to Title 19 are proposed which may address the Planning Commission's concerns about the "Swap Meet" classification. In the interim, we would like to move forward with this item as currently documented in the staff report. Please include SUP-43957 in the next Planning Commission agenda.

If you have additional concerns please phone me at 598-1408.

With appreciation,

Lora Dreja

Re: Special Use Permit to allow a conglomerate of vendors to share a retail area (Swap Meet: Indoor) within Tivoli Village at Queensridge 420 Rampart Blvd, Suites 150, 240

Dear Sir/Madam;

Please consider this request to allow approximately 55 vendors to conduct business within two suites located in the Tivoli Village mixed use center. The operation is named "The Market LV." The operator will lease upwards of 22,000 SF space located on two levels in an existing building. A combination of carts, showrooms, kiosks, and display furnishings are form a layout designed to lead patrons past each establishment. Each kiosk/showroom is licensed to different vendors offering unique products. Examples of lessee's include artisans specializing in jewelry, stationary, candles, flowers, spices, pillows as well as fine food and wine specialists.

The proposed operation is categorized as a "Swap Meet" in the Title 19 use table. The description of a swap meet provides for a conglomerate of merchants to deal within an area obtained by a management company. This establishment is entirely indoors and uses signage previously approved in Tivoli Village's Master Sign Plan. The elevations indicate signage will read '*The Market LV*'; the operation will not hold itself out to be a Swap Meet. By definition, a Swap Meet allows for bartering, exchanging or trading new or used items. This operator limits transactions to retail sales. All vendors will sell new items with the exception of antique dealers that have used items in inventory.

This market is modeled after the operator's existing "the OC mart Mix" located in Costa Mesa California. Photos of the interior of the existing operation are enclosed.

If you have additional concerns please phone me at 598-1408.

Very truly yours,

L U Dreja

RE: JUSTIFICATION FOR REZONING AND GENERAL PLAN AMENDMENT APPLICATIONS
APN's: 139-28-301-020 & 029

DREA 357, LLC

Dear Planning Staff,

The owner of the parcels listed above, Drea 357, LLC, respectfully requests the City of Las Vegas to review SDP Site Development Plan application on approximately 2.67 gross (2.43 net) acres generally located at the northwest corner of Bonanza Road and Clarkway Drive within ward 5 of the City of Las Vegas. No habitable buildings are being added to the development at this time.

The General Plan Designation of subject property is MXU, Mixed Use; we're requesting a change to LIIR, Light Industry/Research. The existing Zoning is C-2; General Commercial; we are requesting a change to C-M, Commercial Industrial.

Most abutting and adjacent parcels are zoned for rural residential development, but only two of six abutting parcels are currently being used as inhabited residential dwellings. Properties on and near the Bonanza frontage in this area of town are transitioning from rural residential to commercial and industrial uses. Future plans of the owner are to assemble parcels from the subject area to Clarkway Drive in order to consolidate and combine a larger block that would be attractive for the redevelopment of this area. During the pursuit to assemble the larger land area, the owner would like to continue operating his business on the subject parcels with as little expense as possible improving the property in areas that will eventually be removed as a result of the consolidation. The applicant feels that this zone change is appropriate at this time and the proposed land use is consistent with current and planned development along this corridor.

Thus to minimize our expenditures at this time, we hereby request a waiver of (a) the perimeter landscape requirement on north, east and west sides of property. (b) the perimeter 8' block wall requirement as there is an existing 8' chain link on the west and north sides and most of the east side of property. Slats or fabric will be installed on chain link fence to screen view from adjacent properties. (c) Trash enclosure requirement as we will only be parking trucks on site. Existing 2 story building on back parcel, 139-28-301-020, will be removed.

RECEIVED
MAR 22 2012

GPA-44682
ZON-44683
SDR-44946

This portion of the City's Redevelopment Plan and the surrounding area, especially the Bonanza Road frontage is currently in a trend of development that is shifting from blighted, aging rural single-family residences to land uses of a more commercial and industrial nature. Due to the site's surroundings and the existing nature of this area of the City of Las Vegas, the applicant feels that the proposed Rezoning, General Plan Review is consistent and compatible with current and future development.

If you have any questions, comments, or concerns, please contact me.

Respectfully,

George T. Lopez
Managing Member

RE: ***Application for Special Use Permit, Waiver, & Variance***

To Whom It May Concern:

I am writing on behalf of NLV Pasta, LLC, doing business as Rosati's (the "Applicant"), at 8001 North Durango Drive, Suite 110 (APN # 125-08-813-008), in support of the application for a Special Use Permit with a waiver and parking variance to allow the Applicant to operate as a tavern liquor establishment once it expands its current restaurant operations into the adjacent suite, Suite 130.

This location is zoned C-1 and has been operating as Rosati's, a popular local pizza establishment, since May 1, 2008. The Applicant intends to expand its restaurant space and offer gaming devices. Therefore, it seeks a special use permit as a tavern to allow for incidental gaming and expanded restaurant seating with liquor service. The use is consistent with the commercial nature of surrounding properties.

The addition of a tavern to this location would generate additional revenue to the City through taxes and fees, offer additional employment opportunities since the Applicant intends to hire about 15-20 positions, and allow for the restaurant to provide much-needed additional seating for patrons. As a tavern, the Applicant will continue to maintain its high-level standard of operations, and the design, hours of operation, traffic generation, lighting, and noise at this location will be consistent with the surrounding area upon issuance of a special use permit and approval of a parking variance.

VAR-44934
SUP-44933

Moreover, granting a special use permit to allow for Rosati's to operate as a tavern would not adversely affect surrounding properties, as this store is located on the major thoroughfare of Durango Drive and there are numerous commercial properties just south of the location. Moreover, the location is currently licensed for on-premise consumption of beer and wine, so the addition of a tavern use would be compatible with the current operations.

Although there is a tavern within 1,500 feet of Rosati's, the location is separated by a right-of-way (Durango Drive) that is at least 100-feet wide. Therefore, the Applicant respectfully requests a waiver of the distance separation requirements, pursuant to Las Vegas Municipal Code ("LV Code") Section 19.12.050(C), in accordance with the provisions of 5(e) of the Liquor Establishment (Tavern) section of 19.12.070, which provides such a waiver may be permitted for an establishment that is separated from an existing tavern by a street of at least 100-feet in width. The proposed tavern use for Rosati's would be adequately buffered by the major thoroughfare of Durango Drive, a street that exceeds 100 feet in width.

The Applicant also seeks a variance of the require parking, pursuant to LV Code 19.16.140. There is adequate parking servicing the existing businesses. The expansion of the Applicant's restaurant will not unduly burden the current parking arrangement, as there is no expansion of existing square footage of the commercial complex. There are currently 101 parking spaces available, whereas the current configuration requires 105 spaces. This is less than a 5% variance of the current parking. At any given time of day, there is more than adequate parking available, so the variance would not interfere with access to any of the businesses within the commercial complex. The current configuration that previously met the parking standards for the complex is not adversely affected by a use that results in a slight adjustment of the parking requirements. Therefore, a parking variance is appropriate.

As the tavern use would be compatible with the existing restaurant with alcohol service and would be located in a commercial complex with adequate parking abutting a major thoroughfare, a special use permit with waiver and parking variance would not negatively impact the surrounding area. Accordingly, the Applicant respectfully requests a waiver of the distance separation requirements and approval for a special use permit and parking variance to authorize a tavern use.

Please call me if you have any questions or need additional information.

Sincerely,

Jennifer Roberts

NEVADA DEVELOPMENT & REALTY CO.

Letter of Justification

January 25th, 2012

The applicant of the building located at 2500 West Sahara Avenue is requesting a Variance of Development Standards for permanent signage to allow a four (4) foot set back from the side property line where a minimum of five (5) feet is required. We are requesting to increase the square footage of existing sign from eight (8) square feet to forty (40) square feet in the center of the median. The applicant is represented by Citrus Signs in this matter.

The intent of this sign is threefold in that it will identify the new tenants, show clients where the 2500 West Sahara building is located, and enhance the overall look of this building. The building is situated in the far north of the property and is very difficult to locate from Sahara Avenue. We are requesting a Special Use Permit for an off-premise sign, as the sign will be located on the property adjacent to the property that contains tenants for which the sign advertises. We would accept conditions that this sign, once approved, will not be altered and will only display tenants on the 2500 West Sahara Avenue Building

Respectfully yours,

Dennis W. Hanna, CPM
Property Manager

DBA, LUIS A. MARTINEZ-MENDOZA

SUBJET: REQUEST BEER AND WIND COOLER ON SALE ESTABLISHMENT

DATE: February 23, 2012

This letter is to request Liquor License at 7450 west Cheyenne Suite 108, Las Vegas, NV 89129.

I'm request a waiver from the church to the north and the city park to the South.

We have on business since August 2000, we have 4 location:

1- 3111 S. Valley View, Ste.105, Las Vegas, NV 89102 (702) 248-7776
2- 4750 S. Eastern Av., Las Vegas, NV 89119 (702)-341-7776
3- 955 W, Craig Rd., Ste. 100-A , North Las Vegas, 89032 (702)-648-6200
4- 641 N. Stephanie St., Henderson, NV 89014 (702)450-0600

We will star whit 8 employees and our hours operation is 9:00 A.M. to 9:30 P.M.

The restaurant capacity will be 30 people or more.

We serve beers only on the table to enjoy our food.

Sincerely,

LUIS A. MARTINEZ-MENDOZA

RE: ***Providence Master Plan Community***
Project Plan: Architectural Plans
POD: 122 – Providence Plaza
Plan Date: Received 3/23/11

Dear Hank:

The Providence Design Review Committee (DRC) is in receipt of your Architectural Plan and site plan for the City Stop at Providence Plaza.

The DRC approves your architectural plans and site plan for the above referenced POD.

Unless specifically waived, all elements within Providence must comply with the terms and conditions of the Design Guidelines and other governing documents. The approval granted herein applies only to the specific items as noted above, and does not constitute an approval of every specific element of the submittal, nor does it constitute a waiver of Providence's rights to enforce compliance with the Design Guidelines and other governing documents. Should an element of the submittal not comply with the Design Guidelines or other governing documents, and is not specifically approved, Providence reserves all of its rights with respect to enforcement of the terms and conditions of such documents as to the non-conforming element. All non-conforming elements must be specifically noted and a specific waiver must be submitted with respect thereto.

If you have any questions, please do not hesitate to contact our office.

Sincerely,
Providence Design Review Committee

Re: Justification Letter for City Stop
SWC Elkhorn Road & Hualapai Way

To Whom It May Concern:

Please accept this letter as justification for the above-referenced project. The applicant is requesting a major amendment of a previously approved site development plan review (SDR-18031) and special use permits to allow for gaming and the sale of packaged beer, wine and coolers in conjunction with a proposed convenience store at the southwest corner of Elkhorn Road and Hualapai Way more particularly described as assessors parcel number 126-24-517-003 and 004.

Site Plan Review

The Applicant is proposing an approximately 5,730 square foot convenience store and approximately 2, 360 square foot car wash with gas pumps. The convenience store will have a restaurant with dining area, sales area, office/storage area, alcohol sales and gaming.

Special Use Permits for Liquor Sales and Gaming

The Applicant is proposing to have a drive-thru, gaming and the sale of beer, wine and coolers in conjunction with the convenience store.

Approval of the applications is warranted for a number of reasons, including:

1. The project will provide needed services to the Providence community and the surrounding area.

RECEIVED
MAR 15 2012

SUP-44851
SUP-44852
SDR-44850

2. The project will help energize a mostly vacant commercial center by providing an anchor use. In doing so, it will create new jobs and tax revenues.

3. Great care was taken to ensure that the project meets or exceeds all of the Providence design standards. The project was also specifically designed to be consistent with and compatible to the existing center and the surrounding area.

4. The proposed uses are accessory and incidental to uses specifically permitted in the Providence design standards.

Thank you for your consideration. Please contact Ann Pierce or me if you have any questions or need anything further.

Sincerely,

KAEMPFER CROWELL RENSHAW
GRONAUER & FIORENTINO

SDR 44850
Providence Plaza, LLC

7161 N Hualapai Way

Proposed 12 fueling position gas station with convenience store and car wash.

Traffic produced by proposed development:

New Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GAS/SERVICE W/MARKET & CAR WASH [FUELING POSITIONS]	12	152.84	1,834
AM Peak Hour			11.93	143
PM Peak Hour			13.94	167

Existing traffic on all nearby streets:

Hualapai Way	
Average Daily Traffic (ADT)	6,175
PM Peak Hour (heaviest 60 minutes)	494

Elkhorn Road	
Average Daily Traffic (ADT)	550
PM Peak Hour (heaviest 60 minutes)	44

Traffic Capacity of adjacent streets:

	Adjacent Street ADT Capacity
Hualapai Way	34,500
Elkhorn Road	15,400

This project is expected to increase traffic by about 1,834 trips per day on Hualapai Way and Elkhorn Rd. Currently, Hualapai is at about 18 percent of capacity and Elkhorn is at about 4 percent of capacity. With this project, Hualapai is expected to be at about 23 percent of capacity and Elkhorn to be at about 15 percent of capacity.

Based on Peak Hour use, this development will add about 167 additional cars to the area in the peak hour, or about three every minute.

Note that this report assumes all traffic from this development uses all named streets.

Re: Justification Letter – Minor SDR, Minor SUP (Tavern drinking/drive thru uses), SUP (Tavern gaming use)
Tavern/ Restaurant with drive through service Pad Building
Tax Assessor's Parcel No.: 125-20-216-011

The plans we are submitting today for your review depict a proposed stand alone tavern/restaurant with drive thru service pad building. The structure is to be of stud/stucco construction with a color/material palette and decorative architectural detailing that will match the existing buildings (i.e., Walgreens, Firestone Tire and Carl's Jr.) in the shopping center. There are already use permits in place to allow the tavern and the drive thru service restaurant uses. An additional SUP is required to allow gaming in the tavern. The new tenants will be a Molly's Tavern and a Dunkin Donuts.

Dunkin' Donuts

16 new employees
Open from 6AM to 6PM
This a new location for a well known national franchise
No required State licenses

Molly's Tavern

12 new employees
Open 24 hours
This a new location for an established tavern
State gaming license is required for gaming

RECEIVED
MAR 15 2012

SUP-44865

Minor SDR

This site plan design is similar to the previously approved (SDR-27051). Furthermore:

1. The proposed development is compatible with adjacent development
2. The proposed development is consistent with the General Plan
3. Site access and circulation are greatly improved form the previously approved plan since there is less square footage and traffic
4. The building and landscape material are wholly consistent with the rest of the center
5. The building design and architectural detail are wholly consistent with the rest of the center
6. Appropriate measures will be taken to secure and protect the public health, safety and general welfare of the citizens of the City of Las Vegas.

Minor SUP

The tavern and drive thru uses have already been approved under SUP-1569 and SUP-27047

SUP (Tavern gaming use)

Unique to Town Center, the tavern gaming use is separate and in addition to the drinking establishment use. The property owner had been under the assumption that like all other locations in the Las Vegas valley, the tavern designation at this location granted him both the drinking and gaming special uses. This application is an attempt to get the approval for the gaming use.

Relevant to both applications:

a. The proposed use will be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan;
b. The subject site is physically suitable for the type and intensity of land use being proposed;
c. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use; and
d. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety and welfare or the overall objectives of the General Plan.

We respectfully request your consideration in this matter. If you have any questions or comments, please call.

Sincerely,

JOHN DAVID BURKE, Architect

LETTER of INTENT

March 20, 2012

To whomever it may concern,

Our company, 3 Lions Tattoo is set to establish a new art gallery and tattoo shop in the Stratosphere Hotel and Casino; which we already run an establishment (current shop in the Riviera Hotel).

Our goal is to focus on gallery style retail; selling local artist work promoting the entire spread of the artists ability; not just tattoo form.

We will be selling print form framed and unframed, as well as apparel and jewelry all within the themes of art and tattoos.

The name of our shop is Fox and Hounds Tattoo and continues the 3 Lions tradition of a local, comfortable, safe community that allows young artists of today an opportunity to learn and develop in business, helping the Las Vegas employment situation .The hours of operation will be 8:00 A.M. – 2:00 A.M. 7 days a week.

Thank you for your time, we look forward to working with you!

Best,

Nick Elliott
CEO / 3 Lions Tattoo. DBA/ Fox and Hounds Tattoo

Re: Justification Letter for a Special Use Permit (SUP)

RIPO 1 LLC respectfully request a special use permit for a home care facility located at 5025 Meadows Lilly Avenue, APN# 138-13-612-017. A home care facility previously co-existed at this location alongside other neighborhood facilities and regrettably due to the recent economic decline, was closed. Currently the new property owner - RIPO 1 is working closely with interested parties to secure and facilitate reopening this facility at this location.

The property is a single family residential conversion for home care, that is zoned R-1, and is located in a subdivision where two existing operational home care facilities operate. In order to reopen this facility based on Title 19, 19.12, pg. 318, Community Residence, *"a Community Residence may not be located closer than 660' to any other Community Residence (measured from property line to property line)";* at one time (during operation) distance requirements were met under city code. With recent code changes, the distance requirements have increased and at prior to an actual survey being completed, based on estimated distances (reviewed staff), there are three locations within close proximity, and they are as follows;

- 5220 Rancher Ave – APN 138-13-610-011 - 1200' feet from our site,
- 5305 Meadows Lilly Ave – APN 138-13-615-007 - 736' feet from our site,
- 5125 Meadows Lilly Ave – APN 138-13-614-034 - 390' feet from our site.

The closest facility to our location is at 5025 Meadows Lilly and is 390' whereas **660'** is now required, hence, the need to apply for a SUP based on distance.

The facility has undergone upgrades and remodeling while RIPO actively worked with a number of home care providers for this location, and at the time of the pre-application process, there has not been a chosen user. As we move through the entitlement process, we expect to have a provider and will provide to the City of Las Vegas any additional information as it comes available.

Please place this item on the March 1, 2012 cycle to be submitted on the March 22, 2012 application closing day. Thank you for your consideration in this matter.

Sincerely,
RIPO 1 LLC

Las Vegas, NV 89106

Re: Justification letter
APN: 138-14-101-007

To Whom It May Concern:

Please be advised, this office represents the applicant, SuperPawn. SuperPawn is seeking the following applications: (1) Major Amendment of a previously approved Plot Plan Review (Z-0065-87(4)) with waivers; and (2) Special Use Permit for a PawnShop. SuperPawn is interested in re-locating an existing store near Cheyenne and Rainbow to the vacant building located at 3110 North Rainbow Boulevard (the "Site"). The Site is zoned C-1.

Major Amendment & Waivers

SuperPawn is proposing to utilize the existing vacant building (4,963 sf) and add an additional 1,568 square feet which would include a sales area, merchandise area, office and a break-room. The floor plan for this store will be similar to other SuperPawn locations where merchandise is prominently displayed in the front portion of the store. SuperPawn would be utilizing the same look and design of the existing building and maintaining a similar color scheme on the exterior elevations. SuperPawn meets the required parking spaces for this type of use. The building is part of a larger commercial shopping center which has CC&Rs to allow for shared parking.

Waivers:

1. SuperPawn is seeking a waiver from two (2) financial institutions, specified within 1000 feet of our proposed location. One use is located inside Wal-Mart and the other use is located at 3051 Rainbow. Both uses are located across Rainbow from the Site. There are no pawnshops within 1000 feet of the Site.

RECEIVED
MAR

SUP-44932
SDR-44930

2. SuperPawn is seeking a waiver to allow zero feet from a residentially zoned area where 200 feet between a pawnshop and a residential zoned area is required. However, SuperPawn functions in much the same way as a bank and a retail location do and therefore, there would be no negative impact to the existing residential area. Additionally, the front door to the operation and all parking for this type of use is located on the north side of the building away from the residential area.

Special Use Permit

SuperPawn is seeking a special use permit to allow a pawnshop at this location. The pawnshop would be relocated from the existing site which is currently located near Cheyenne and US 95. Therefore, there will *not* be an increase of pawnshops within this immediate area. SuperPawn has an existing client base in this area and wishes to remain near their clients. SuperPawn takes pride in ensuring that their stores are clean, modern, well-lit and compatible with the surrounding area. Therefore, we believe this use is appropriate for the Site and will not have a negative impact on any nearby properties.

Please let me know if you have any questions.

Sincerely,

KAEMPFER CROWELL RENSHAW
GRONAUER & FIORENTINO

Revised 10/27/08

1104702.1

13493.20

SDR 44930
Cash America/Superpawn

3104 N Rainbow Blvd

Proposed 6.531 thousand square foot addition to a financial institution.

Traffic produced by proposed development:

Existing Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	DRIVE-IN BANK [1000 SF]	4.963	148.15	735
AM Peak Hour			12.35	61
PM Peak Hour			25.82	128

Proposed Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	6.531	11.01	72
AM Peak Hour			1.55	10
PM Peak Hour			1.49	10

Net Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	6.531	11.01	-663
AM Peak Hour			1.55	-51
PM Peak Hour			1.49	-118

Existing traffic on all nearby streets:

Rainbow Boulevard	
Average Daily Traffic (ADT)	18,550
PM Peak Hour (heaviest 60 minutes)	1484

Cheyenne Drive	
Average Daily Traffic (ADT)	36,663
PM Peak Hour (heaviest 60 minutes)	2,933

Traffic Capacity of adjacent streets:

	Adjacent Street ADT Capacity
Rainbow Boulevard	34,500
Cheyenne Drive	51,800

This addition and change in use is expected to reduce traffic by about 663 trips per day on Rainbow Blvd. and Cheyenne Ave. Currently, Rainbow is at about 54 percent of capacity and Cheyenne is at about 71 percent of capacity. With this project, Rainbow is expected to be at about 52 percent of capacity and Cheyenne to be at about 69 percent of capacity.

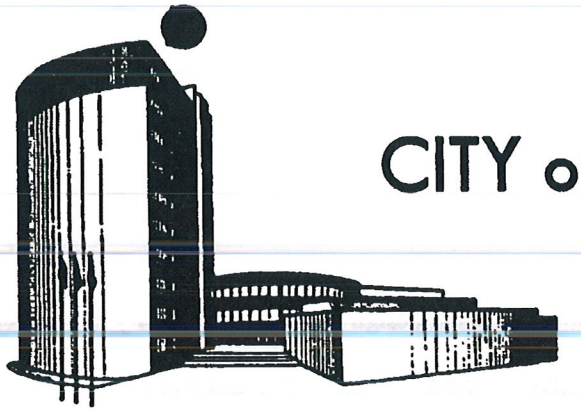

Based on Peak Hour use, this conversion will reduce traffic in the area by about 118 additional cars in the peak hour, or about two every minute.

Note that this report assumes all traffic from this development uses all named streets.

RE: Z-65-87 - PLOT PLAN AND BUILDING ELEVATION REVIEW

Gentlemen:

Your request for a Plot Plan and Building Elevation Review regarding a proposed bank on property located on the east side of Rainbow Boulevard, approximately 800 feet south of Cheyenne Avenue, C-1 Zone, was considered by the Planning Commission on January 14, 1993.

The Planning Commission unanimously voted to APPROVE your request, subject to the following:

1. Conformance to the submitted landscaping plan as required by the Department of Community Planning and Development.

2. All new driveways and modifications to existing driveways shall be designed and constructed in accordance with Standard Drawing #222a or to a design approved by the Traffic Engineer as required by the Department of Public Works.

3. All exterior lighting shall be directed away from the residential properties to the south with no ray of light shining directly onto any residential lot.

4. Conformance to the plot plan as amended by the above conditions.

5. Conformance to the building elevations.

6. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be cause for revocation of a business license.

7. Submittal of a landscaping plan prior to or at the same time application is made for a building permit or license, or prior to occupancy, whichever occurs first.

8. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets.

400 E. STEWART AVENUE • LAS VEGAS, NEVADA 89101 • (702) 229-6011 (VOICE) • (702) 386-9108 (TDD)

9. Satisfaction of City Code requirements and design standards of all City departments.

10. Approval of the parking and driveway plans by the Traffic Engineer.

11. Repair any damage to the existing street improvements resulting from this development as required by the Department of Public Works.

12. Remove all unused driveway cuts and replace with "L" curb and new sidewalk as required by the Department of Public Works.

13. Provision of fire hydrants and water flow as required by the Department of Fire Services.

The action by the Planning Commission is final.

Sincerely,

DEPARTMENT OF COMMUNITY PLANNING
AND DEVELOPMENT

SITE PLAN KEY NOTES

(KEY) ALL LANDSCAPING AT BUILDING CORNERS AND BUILDING ENTRANCES ARE TO BE A MINIMUM OF 3 FEET IN WIDTH.

(KEY) VEHICULAR TRAFFIC AREA SHALL BE PAVED WITH NOT LESS THAN 3-1/2" OF PORTLAND CEMENT CONCRETE OR NOT LESS THAN 2" OF ASPHALTIC CONCRETE OVER 4" OF CRUSHED ROCK BASE.

(KEY) ALL PARKING STALLS TO BE A MINIMUM OF 9 FT. WIDE BY 19 FT. DEEP.

(4) PAVED APRON WITH EMBEDDED "SPACE PEELLS"

(KEY) ALL PAVED SURFACES SHALL BE GRADED SO THAT SURFACE WATER WILL DRAIN TO A STREET OR TO A PUBLIC STORM DRAIN.

(KEY) ACCESSIBLE PARKING SPACE WITH 3 FT. SQ. INTERNATIONAL SYMBOL OF HANDICAPPED ACCESSIBILITY IN BLUE PAINT AND A ONE-FOOT SIGN

(KEY) CONT. 6" HIGH CONC. PARKING CURB LOCATED AT THE FORWARD END OF ALL PARKING SPACES TO SERVE AS A WHEEL STOP.

(9) REFUSE ENCLOSURE - ALL ENCLOSURES SHALL BE: A MINIMUM OF 30 SQ.FT. WITH A MINIMUM INTERNAL DIMENSION OF 6 FT., WITH A TOTAL MINIMUM OF 240 SQ.FT. CONSTRUCTED OF MASONRY BLOCK WITH A MINIMUM HT. OF 5 FT. AND A TRUE HT. OF 6 FT. HAVE AN ACCESS OPENING OF 6 FT. IN WIDTH W/ 4H GRADE PANEL GATE THE SAME HT. AS THE ENCLOSURE WALL. ALL REFUSE OR RECYCLING BINS OR CONTAINERS SHALL HAVE EASY-TO-HANDLE LIDS. HAVE A WATER FAUCET FOR HOSE ATTACHMENT WITHIN OR ADJACENT TO THE ENCLOSURE. CONSTRUCTED WITH A CONC. FLOOR SLOPED TO DRAIN TO A STREET OR PUBLIC STORM DRAIN. LOCATED UPON THE SITE SO AS TO BE READILY ACCESSIBLE TO THE COLLECTION VEHICLE AT ALL TIMES. PROVIDED A ONE-FOOT SQUARE SIGN SPECIFYING "RECYCLABLE AREA" LOCATED ON THE ENCLOSURE NEAREST THE OPEN(S) OR CONTAINER(S) USED TO STORE RECYCLABLE MATERIALS

(10) MECHANICAL UNIT

(KEY) LANDSCAPE BUFFER W/ DROUGHT RESISTANT PLANT MATERIALS - SEE LANDSCAPING SHTS.

(KEY) SPACE COVER PARKING SPACES

GENERAL NOTES

1. CONTRACTOR IS RESPONSIBLE TO VERIFY ALL PLANT QUANTITIES. THE PLANT LIST IS INTENDED AS REFERENCE ONLY.
2. CONTRACTOR IS TO APPROVE ALL PLANT MATERIAL PRIOR TO INSTALLATION WITH PRIOR NOTICE OF 48 HOURS.
3. PLANT MATERIAL IS TO HAVE IDENTIFICATION TAGS ON 60% OF TOTAL QUANTITY OF EACH SPECIES, SHOWING GENUS, SPECIES AND VARIETY, ETC.
4. PROVIDE MATCHING SIZE AND FORM OF LIKE SHRUB SPECIES AS SHOWN ON DRAWINGS
5. IT IS THE INTENT OF THIS DRAWING TO CREATE AN IMMEDIATE AESTHETIC APPEARANCE. THIS PROJECT MAY REQUIRED VEGETATION REMOVAL AND /OR THINNING OUT AT A FUTURE DATE
6. CONTRACTOR TO DESIGN BUILD IRRIGATION SYSTEM IN ACCORDANCE TO CODE AND STANDARDS.
7. DECOMPOSED GRANITE 50' NDOT, COLOR "HOHAVE GOLD" 2" DEPTH TYP. IN ALL PLANTING BEDS. DECOMPOSED GRANITE TO CONTAIN 40% FINES AND 60% AGGREGATE. CONTRACTOR RECEIVE VERIFICATION OF THIS FROM THE SUPPLIER AND PRESENT VERIFICATION TO THE OWNER PRIOR TO ANY CONSTRUCTION.
8. LANDSCAPE BOULDERS: COLOR TO MATCH OR COMPLIMENT ROCK GROUND COVER. BOULDERS TO BE GRANITE, ROUND IN SHAPE 2' TO 4' DIAMETER SIZED ACCORDING TO THE FOLLOWING PERCENTAGES= 20% 4' LARGEST DIAMETER, 40% 3' LARGEST DIAMETER, 40% 2' DIAMETER. CONTRACTOR TO BURY ½ OF ROCK DIAMETER INTO FINISHED GRADE

Subject: Justification Letter
Vegas 1 Senior Apts.
Decatur Blvd @ Vegas Drive
Las Vegas, Nevada

Ref: SDR 36434 & SUP 36436
APN: 138-25-504-001, 138-25-504-002 & 138-25-518-002
Submit – Application to Supersede Approved Site Development Plan & SDR #29651 & SDR #27965

To Whom It May Concern

This is an application to "supersede" the existing Site Development Plan and SDR's as listed above for the previously approved "Residences @ Village Square" project, now renamed Vegas 1 Decatur Senior Apartments. The amended project is reduced from the previously approved 11 stories, 416 unit apartment building & fire station down to a less intense group of single story and 4 story apartment buildings with 2 clubhouses. The total number of apartment units is reduced from the previously approved 416 units down to a total of 196 units of senior apartments.

The project is divided into three phases:

- **Phase 1** consists of 10 single story 6-plex buildings and a single story clubhouse building, all of which conform to Title 19 standards.
  - **Phase 1, Lot #2:** Per Pre-Application Meeting Notes: *"Off-Site Parking Agreement" to be provided as a Condition of Approval Between Phase 1 and with Phases 2 & 3 as required to reserve and fulfill Phase 1 parking CLV Title 19.18 parking requirements as follows*
    - *Parking req'd: 60 spaces; Parking provided 48 spaces = 12 spaces short*
      - *Phase 1, Lot #1 is 4 spaces over req'd, parking*
      - *Phases 2 & 3 are 30+ spaces over req'd parking*

- **Phase 2** consists of a proposed 72 unit, 4 story apartment building and single story clubhouse.

  - We request a waiver from the requirement to include commercial space on first floor of project. This waiver addresses Item #2 from 03/21/12 Pre-Application Checklist: *The use shall be developed and operated only in connection with ground-level nonresidential development. In the case of a multi-floor structure, the apartments themselves must be located above the ground floor, but access ways, entryways and community rooms may be located on the ground floor. (C-1 only)*

RECEIVED
MAR 26 2012
City of Las Vegas
SUP-44964
SDR-44962

- We request a waiver for Item #3 from 03/21/12 Pre-Application Checklist: *The primary resident or guest entryway to the apartments must be independent of ground floor commercial uses, and must be directly accessible from and oriented to a street. (C-1 only)*

- **Phase 3** consists of a proposed 64 unit, 4 story apartment building.

  - Waiver for Item #2 from 03/21/12 Pre-Application Checklist: *The use shall be developed and operated only in connection with ground-level nonresidential development. In the case of a multi-floor structure, the apartments themselves must be located above the ground floor, but access ways, entryways and community rooms may be located on the ground floor. (C-1 only)*

  - Waiver for Item #3 from 03/21/12 Pre-Application Checklist: *The primary resident or guest entryway to the apartments must be independent of ground floor commercial uses, and must be directly accessible from and oriented to a street. (C-1 only)*

Revised 10/27/08

SDR 44962
Vegas 1 Decatur Apts, LLC

W side of Decatur Blvd., 150' S of Vegas Dr.

Proposed 196 unit senior housing project.

Traffic produced by proposed development:

Proposed Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	SENIOR ADULT HOUSING-ATTACHED [OCC.DWELL]	196	3.48	682
AM Peak Hour			0.13	25
PM Peak Hour			0.16	31

Existing traffic on all nearby streets:

Decatur Boulevard	
Average Daily Traffic (ADT)	37,075
PM Peak Hour (heaviest 60 minutes)	2966

Vegas Drive	
Average Daily Traffic (ADT)	11,950
PM Peak Hour (heaviest 60 minutes)	956

Traffic Capacity of adjacent streets:

	Adjacent Street ADT Capacity
Decatur Boulevard	51,800
Vegas Drive	34,500

This project is expected to add 682 additional trips per day on Decatur Blvd. and Vegas Dr. Currently, Decatur is at about 72 percent of capacity and Vegas is at about 35 percent of capacity. With this project, Decatur is expected to be at about 73 percent of capacity and Vegas at about 37 percent of capacity.

Based on Peak Hour use, this project will add about 31 trips to the traffic in the area in the peak hour, or about one every two minutes.

Note that this report assumes all traffic from this development uses all named streets.

RE: 231 S. 3rd St. Ste. 110, LV NV 89101

Dear Planning Commission,

We are requesting a special use permit to sell beer & wine at our restaurant; El Gaucho Luca's Café, located on 231 W. 3rd street, suite #110, LV. NV 89101. This location complies with the general plan. In the past there was a full liquor license in place at this same location. With this economy we need to expand our business hours of operation. Our current hours are: Monday thru Thursday from 7:30am to 3:00pm Friday 7:30-5:00pm, Saturday 9:00am-3:00pm, Sunday Closed. Our customers have requested beer and or wine with their meal, and we lose out on sales because we cannot provide the beer or wine. We serve a lot of pasta dishes and red meats. There are currently 6 of us working at the restaurant; we have parking spaces available on both side of the restaurant. We would like to open for Dinner, but only if the SUP is approved. We are also requesting a waiver to allow a 300 ft distance separation from a church where a minimum of 400ft requirement is needed. We are two very responsible people that will comply with the City of Las Vegas rules and regulation, thank you for your time.

Sincerely,

Pablo C. Silva Lercari

RE: Request for a Site Development Plan Review application to allow improvements to the site and a Special Use Permit application to allow a previously approved cemetery in a C-V zone on 17.0 +/- acres.
APN: 139-27-504-012, 139-27-504-006 & 139-27-603-028

On behalf of the applicant Palm Mortuary, Inc., VTN Nevada respectfully submits this letter to request a Special Use Permit to allow a previously approved cemetery in a C-V zone and a Site Development Plan Review for an expansion to an existing cemetery on 17.0 +/- acres in a C-V zone.

The proposed expansion would create a landscaping berm along Las Vegas Boulevard, a 20' tall memorial tower and to complete an internal roadway loop. SDR-29648 was previously approved on November 6, 2008 and has since expired. The applicant is requesting a new Site Development Plan Review to allow the above mentioned improvements. The proposed landscape berm will be 4 feet above existing grade of Las Vegas Boulevard and will buffer the site from Las Vegas Boulevard. The proposed memorial tower will be 20' tall by 6' wide and constructed out of colored granite. The torch element of the memorial tower will be constructed out of Morning Rose colored granite, the base of the tower will be constructed out of Sierra White colored granite and the paving around the tower will be constructed out of Dakota Mahogany granite. Visitors of the memorial will access it by a 6' wide sidewalk and the tower will be illuminated by a ground light at night. The internal private road will be a 30' roadway section and will complete the roadway network for this development. The applicant is proposing no buildings and no other structural improvements.
The site has an existing cemetery use on the west side of the property. The east side (2 parcels) of the property were previously approved but were not developed and the entitlements have since expired. The applicant is proposing to complete the development at this time. A special use permit is required for a cemetery in a C-V zone. The cemetery use already exists on parcel 139-27-504-012 and has since been "grandfathered" in; the applicant would like to make the entire site use consistent and is requesting a Special Use Permit for the remaining portion of the site. The applicant believes the current use and the previously approved use as a cemetery are harmonious with the area and no surrounding residents will be adversely affected.

Should you have any questions or comments please feel free to contact me directly at 702-525-6166.
Sincerely,

Jason Kepple

INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to that document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/~~they,~~ is /~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date.

INSTRUCTIONS FOR COMPLETING THIS FORM

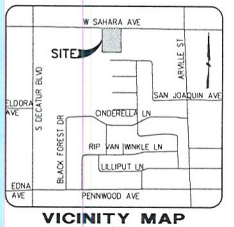

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to that document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he/she/they,~~ is /~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date.
  - Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document

Re: Use Permit to allow retail use with Off-sale Accessory Packaged Liquor

Dear Madam/Sir:

Please consider this request for an 2,400 square foot grocery store within an existing commercial center on a 2.39 acre parcel located at 4601 Sahara Avenue. The store is proposed to locate within the three north easternmost suites. The property is currently zoned C-1 which allows the sale of accessory packaged liquor with a use permit. This will require a Use Permit per 19.04 Retail and Personal Services (*see Retail Establishment with Accessory Package Liquor off-sale*.)

The area designated for the packaged liquor is approximately 30 X 1 shelves located behind the employee counter. . As such, only employees of the store can access the packaged liquor products. Please note that the applicant wishes to sell beer and wine elsewhere in the store. The area for beer and wine will not exceed 200 SF.

This business is intended to support the Nevada Health Center that is also located in this commercial center. Much of the inventory carried will qualify for the WIC voucher program. The WIC clients are issued food vouchers that are redeemable only on fresh foods, staple foods, frozen foods, baby food, diapers and deli items. Less floor area is designated to soft drinks, candy, processed foods and as compared to a convenience stores of similar size.

At this time there have been no protected uses identified within a 400 foot radius.

Please call me at (702) 384-5563 if you have additional concerns.

Very truly yours,

Lora Dreja

PROJECT NARRATIVE:

THE PROJECT CONSISTS OF A 28,870 S.F. SINGLE STORY STRUCTURE, ASPHALT PARKING LOT, LANDSCAPING, AND SITE IMPROVEMENTS. THE BUILDING WILL FUNCTION AS A SKILLED NURSING FACILITY SPECIALIZING IN SHORT TERM REHABILITATION. THE BUILDING MASSING IS DETERMINED BY THE BUILDING FUNCTION WITH THE PATIENT WINGS FLANKING A CENTRALIZED ADMINISTRATION, PATIENT THERAPY, AND PATIENT DINING FACILITIES. THE PRIMARY BUILDING MATERIALS CONSIST OF STUCCO, STONE VENEER, AND CEMENT TILE ROOFING. THE BUILDINGS STRUCTURAL SYSTEM CONSISTS OF EXTERIOR WOOD BEARING WALLS THAT SUPPORT WOOD TRUSSES. STEEL COLUMNS ARE INCLUDED AT THE HIGH CLERESTORY SPACE IN THE MIDDLE OF THE BUILDING. THE MECHANICAL SYSTEM FOR THE BUILDING CONSISTS OF FURNACE AND CONDENSER UNITS FOR THE SHARED SPACES WHILE INDIVIDUAL LOCALIZED MECHANICAL UNITS PROVIDE CONDITIONED AIR FOR EACH OF THE PATIENT ROOMS. THE BUILDING WILL BE FULLY SPRINKLERED AND MEDICAL GAS (LIQUID OXYGEN) WILL BE PLUMBED TO EACH OF THE PATIENT ROOMS. ALL PATIENT BEDROOMS AND TOILETS, AND ALL PUBLIC USE AND COMMON USE AREAS ARE TO BE DESIGNED AND CONSTRUCTED TO BE ACCESSIBLE (RE: ADAAG CHAPTER 6.1-(2)).

MEDICARE AND MEDICAID CERTIFICATION IS BEING REQUESTED

PROJECT NARRATIVE:

THE PROJECT CONSISTS OF A 28,870 S.F. SINGLE STORY STRUCTURE, ASPHALT PARKING LOT, LANDSCAPING, AND SITE IMPROVEMENTS. THE BUILDING WILL FUNCTION AS A SKILLED NURSING FACILITY SPECIALIZING IN SHORT TERM REHABILITATION. THE BUILDING MASSING IS DETERMINED BY THE BUILDING FUNCTION WITH THE PATIENT WINGS FLANKING A CENTRALIZED ADMINISTRATION, PATIENT THERAPY, AND PATIENT DINING FACILITIES. THE PRIMARY BUILDING MATERIALS CONSIST OF STUCCO, STONE VENEER, AND CEMENT TILE ROOFING. THE BUILDINGS STRUCTURAL SYSTEM CONSISTS OF EXTERIOR WOOD BEARING WALLS THAT SUPPORT WOOD TRUSSES. STEEL COLUMNS ARE INCLUDED AT THE HIGH CLERESTORY SPACE IN THE MIDDLE OF THE BUILDING. THE MECHANICAL SYSTEM FOR THE BUILDING CONSISTS OF FURNACE AND CONDENSER UNITS FOR THE SHARED SPACES WHILE INDIVIDUAL LOCALIZED MECHANICAL UNITS PROVIDE CONDITIONED AIR FOR EACH OF THE PATIENT ROOMS. THE BUILDING WILL BE FULLY SPRINKLERED AND MEDICAL GAS (LIQUID OXYGEN) WILL BE PLUMBED TO EACH OF THE PATIENT ROOMS. ALL PATIENT BEDROOMS AND TOILETS, AND ALL PUBLIC USE AND COMMON USE AREAS ARE TO BE DESIGNED AND CONSTRUCTED TO BE ACCESSIBLE (RE: ADAAG CHAPTER 6.1-(2)).

MEDICARE AND MEDICAID CERTIFICATION IS BEING REQUESTED

Attn: Shani Coleman

Re: 8.49 Acre Parcel # 138-15-612-012, Las Vegas Nevada

Dear Shani,

Attached hereto is a Letter of Intent for the purchase of a portion of parcel #138-15-612-012 owned by the city of Las Vegas. This parcel is generally located on the East side of Tenaya Way and directly South of the Mountain View Hospital. In addition to the economic terms outlined in the Letter of Intent, we would like to enumerate a few benefits to the community that will result from the development of this parcel.

The subject property would be purchased by the Boyer Company to accommodate the development of a transitional care and rehabilitation facility. This facility will specialize in the short term care and rehabilitation of individuals recovering from major joint replacement surgery. The operator of this facility has facilities in five other states providing a premium service in their field of operation. This facility will offer the following services:

- 24/7 nursing care overseen by a contract physician. Services provided include wound care, IV therapy, medication administration, and assistance with bathing, dressing, walking, and dining.
- Physical, occupational, and speech therapy in a state of the art, in house, therapy facility.
- Restaurant style, or in room, dining service. Special dietary needs are ordered by a physician and supervised by a registered dietician.
- Private patient suites.
- Outpatient therapy and home health services

This facility will directly employ between 90 and 110 individuals. In addition to this employment, the facility will generate a sizeable amount of employment opportunity through third party service providers. These service providers will include:

- Construction
- Landscaping
- Janitorial
- Pharmaceutical supply

RECEIVED
MAR 21 2012
SDR-44908

- Medical supply
- Hospital
- Independent physician
- Facility maintenance

It is the intent of the Boyer Company to begin construction of this facility as soon absolutely possible. We have initiated discussions with Las Vegas City's planning department to commence the entitlement process. This project will generate significant economic activity for this community as soon as the summer of 2012. Please take these factors into account when considering the attached LOI. We would be happy to answer any questions resulting from a review of the attached document. Please feel free to contact Stephen Richards or Nate Swain at 801-521-4781.

Best regards

Nathan L Swain

Simon/Chelsea Las Vegas Development, LLC

SWC Bonneville Ave. & Grand Central Pkwy.

Proposed 159.257 thousand square foot addition to an existing outlet mall.

Traffic produced by proposed development:

Existing Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	FACTORY OUTLET CENTER [1000 SF]	578.285	26.59	15,377
AM Peak Hour			0.67	387
PM Peak Hour			2.29	1,324

Proposed Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	FACTORY OUTLET CENTER [1000 SF]	159.257	26.59	4,235
AM Peak Hour			0.67	107
PM Peak Hour			2.29	365

Total After Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	737.542	11.01	19,611
AM Peak Hour			1.55	494
PM Peak Hour			1.49	1,689

Existing traffic on all nearby streets:

Bonneville Avenue	
Average Daily Traffic (ADT)	13,488
PM Peak Hour (heaviest 60 minutes)	1079

Grand Central Parkway	
Average Daily Traffic (ADT)	7,938
PM Peak Hour (heaviest 60 minutes)	635

Traffic Capacity of adjacent streets:

	Adjacent Street ADT Capacity
Bonneville Avenue	34,500
Grand Central Parkway	34,500

This addition is expected to add 4,235 additional trips per day on Bonneville Ave. and Grand Central Pkwy. Currently, Bonneville is at about 39 percent of capacity and Grand Central is at about 23 percent of capacity. With this project, Bonneville is expected to be at about 96 percent of capacity and Grand Central at about 80 percent of capacity.

Based on Peak Hour use, this conversion will add about 365 trips to the traffic in the area in the peak hour, or about eight every minute.

Note that this report assumes all traffic from this development uses all named streets.

RE: SDR-10131 -- SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF FEBRUARY 15, 2006
RELATED TO VAR-10409, SUP-10134 AND MSP-10136

Dear Mr. Silvestri:

The City Council at a regular meeting held February 15, 2006 APPROVED the request for a Site Development Plan Review FOR A FIVE-STORY PARKING GARAGE WITH 500 PARKING SPACES, A FOUR-STORY PARKING GARAGE WITH 1,115 PARKING SPACES, AND FOUR ONE-STORY RETAIL BUILDINGS WITH 109,370 SQUARE FEET OF COMMERCIAL FLOOR SPACE ADDED TO AN EXISTING COMMERCIAL CENTER on 34.53 acres adjacent to the west side of Grand Central Parkway, approximately 600 feet south of Bonneville Avenue (APN 139-33-710-003), PD (Planned Development) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on February 16, 2006. This approval is subject to:

Planning and Development

1. This Site Development Plan Review shall expire two years from date of final approval unless it is exercised or an Extension of Time is granted by the City of Las Vegas

2. All development shall be in conformance with the site plan and building elevations, date stamped 12/21/05, except as amended by conditions herein.

3. The development shall address the concerns of the Regional Transportation Commission and the site plan shall be revised accordingly prior to the issuance of a building permit.

4. The developrnent shall incorporate those conditions of approval stipulated by the Parkway Center - Architecture Review Committee (PC-ARC)

5. A permanent underground sprinkler system shall be installed in all landscape areas as required by the City of Las Vegas and shall be permanently maintained in a satisfactory manner.

RECEIVED
MAR

SDR-44929

CITY OF LAS VEGAS
400 STEWART AVENUE
AS VEGAS, NEVADA 89101

VOICE 702.229.6011
TTY 702.386.9108
www.lasvegasnevada.gov

6. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. The landscape plan shall include irrigation specifications.

7. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance of 22% (as defined by the National Institute of Standards and Technology).

8. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

9. All utility boxes exceeding 27 cubic feet in size shall meet the standards of Municipal Code Section 19.12.050.

10. Any property line wall shall be a decorative block wall, with at least 20 percent contrasting materials, and shall conform to the requirements listed in Title 19.08.

11. Parking lot lighting standards shall be no more than 20 feet in height and shall utilize downward-directed lights. Lighting on the exterior of buildings shall be shielded and shall be downward-directed.

12. Prior to the submittal of a building permit, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.

13. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

14. All City code requirements and design standards of all City departments must be satisfied.

Public Works

15. Meet with the Nevada Department of Transportation (NDOT) to determine additional right-of-way requirements for the future Bonneville/Alta bridge structure, if any. Provide written proof that NDOT is satisfied prior to or concurrent with submittal of construction drawings for this site.

16. All buildings, bays and pad sites within this overall commercial site shall have perpetual common access to all driveways connecting this site to the abutting public streets.

17. An update to the previously approved Traffic Impact Analysis must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits or submittal of any construction drawings beyond the initial parking structure (shown as "Deck A"). Comply with the recommendations of the approved Traffic Impact Analysis prior to occupancy of the site. The City shall determine area traffic mitigation contribution requirements based upon information provided in the approved Traffic Impact Analysis; such monies shall be contributed prior to the issuance of any permits or the recordation of a Final Map for this site. The Traffic Impact Analysis shall also include a section addressing Standard Drawings #234.1 #234.2 and #234.3 to determine additional right-of-way requirements for bus turnouts adjacent to this site, if any; dedicate all areas recommended by the approved Traffic Impact Analysis. All additional rights-of-way required by Standard Drawing #201.1 for exclusive right turn lanes and dual left turn lanes shall be dedicated prior to or concurrent with the commencement of on-site development activities unless specifically noted as not required in the approved Traffic Impact Analysis. Phased compliance will be allowed if recommended by the approved Traffic Impact Analysis. No recommendation of the approved Traffic Impact Analysis, nor compliance therewith, shall be deemed to modify or eliminate any condition of approval imposed by the Planning Commission or the City Council on the development of this site.

18. An update to the previously approved Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any grading or building permits, submittal of any construction drawings or the submittal of a Final Map for this site, whichever may occur first. Provide and improve all drainageways as recommended in the approved drainage plan/study.

19. Site development to comply with all applicable conditions of approval for Zoning Reclassification Z-100-97 and all other subsequent site-related actions.

Sincerely,

Angela Crolli

RE: Z-0100-97(6) - SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF NOVEMBER 7, 2001
Related to Z-0100-97(5)

Dear Applicant:

The City Council at a regular meeting held November 7, 2001 APPROVED the request for a Site Development Plan Review FOR A PROPOSED 478,028 SQUARE FOOT RETAIL MALL on 39.20 acres on the southwest corner of Bonneville Avenue and Grand Central Parkway (APN: 139-33-710-001), PD (Planned Development). The Notice of Final Action was filed with the Las Vegas City Clerk on November 8, 2001. This approval is subject to:

Planning and Development

1. Existing off-premise advertising structures (billboards) shall be removed or enhanced within six (6) months of the final Certificate of Occupancy for the retail project, and if the use is to continue shall be replaced or enhanced by structures aesthetically compatible with the development, subject to the approval of Planning and Development Department staff.

2. Final elevation drawings shall be provided to staff by September 12, 2001 so that staff has adequate time to report on the elevations at the September 19, 2001 City Council meeting. If the final elevation drawings are not provided by that date, then the drawings must be reviewed by the Planning Commission prior to consideration by the City Council.

3. The City Council shall approve the Major Modification [Z-0100-97(5)] to the PD (Planned Development) Zoning District.

4. This Site Development Plan Review shall expire two years from date of final approval unless it is exercised or an Extension of Time is granted by the City Council.

5. All development shall be in conformance with the revised site plan and building elevations submitted October 31 2001, except as amended by conditions herein.

MAYOR
OSCAR B. GOODMAN

CITY COUNCIL
GARY REESE
(MAYOR PRO-TEM)
MICHAEL J. McDONALD
LARRY BROWN
LYNETTE B. McDONALD
LAWRENCE WEEKLY

SDR-44929

6. The site plan shall be revised to include seating areas and appropriate landscaping, including at a minimum the three areas adjacent to the northeast, east, and southeast pedestrian entrances into the mall.

7. All development shall conform to the landscape plan submitted September 11, 2001. The landscape planter along Interstate 15 shall include 36-inch box trees planted a maximum of 25 feet on-center.

8. The landscape plan shall be revised prior to or at the same time application is made for a building permit to reflect landscaped earth and rock berms of a minimum three (3) feet in height within provided planters along all public street parking lot frontages. The landscape plan revisions shall be subject to the approval of the Planning and Development Department prior to the issuance of any building permits for the site.

9. The landscape plan shall be revised prior to or at the same time application is made for a building permit to reflect compliance with all of the adopted Landscape Architecture Design Criteria of the Parkway Center Lot 1 Master Plan as modified by the approved Major Modification Z-0100-97(5). Landscape areas within the parking lots shall be in conformance with the revised plans dated October 31, 2001.

10. The applicant shall install a major trail as depicted on the revised plans dated October 31, 2001.

11. The elevations of the building shall depict service court design incorporating an effective solid screen integrated into the facade structural design, along the perimeter of the service court areas except for maximum 40-foot-wide openings. Screen walls shall provide complete visual screening of any freight trucks providing regular service to the mall tenants.

12. A landscaping plan must be submitted prior to or at the same time application is made for a building permit.

13. If not covered by the Parkway Center Lot 1 Development Standards, the Site Plan, Landscape, and Architectural design shall conform to the Downtown Centennial Plan.

14. All mechanical equipment, air conditioners and trash enclosures shall be screened in views from the abutting streets in a manner approved by the Planning and Development staff per plans submitted October 31, 2001.

15. Parking lot lighting shall be in conformance with the plans dated September 11, 2001. Lighting standards shall be no more than 34 feet in height.

16. A Master Sign Plan shall be submitted for approval of Planning Commission prior to the issuance of a Certificate of Occupancy for any building on the site.

17. All utility boxes exceeding 27 cubic feet in size shall meet the standards of Municipal Code Section 19A.12.050.

18. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

19. All City Code requirements and design standards of all City departments must be satisfied.

Public Works

20. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site.

21. Meet with the Traffic Engineering Representative in Land Development for assistance in the possible redesign of the proposed driveway access, on site circulation and parking lot layout prior to the submittal of any construction plans or the issuance of any permits, whichever may occur first. Driveways shall be designed, located and constructed in accordance with Standard Drawing #222a. Coordinate with the Traffic Engineering Division and Nevada Department of Transportation for information regarding the future I-15 access ramps planned for Bonneville Avenue adjacent to this site. Site development shall be designed to accommodate the future acquisition of any such right-of-way.

22. A Traffic Impact Analysis must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings, or the recordation of a Final Map for this site, whichever may occur first. Comply with the recommendations of the approved Traffic Impact Analysis prior to occupancy of the site. The City shall determine area traffic mitigation contribution requirements based upon information provided in the approved Traffic Impact Analysis; such monies shall be contributed prior to the issuance of any permits or the recordation of a Final Map for this site. The Traffic Impact Analysis shall also include a section addressing Standard Drawings #234.1 #234.2 and #234.3 to determine additional right-of-way requirements for bus turnouts adjacent to this site, if any; dedicate all areas recommended by the approved Traffic Impact Analysis. All additional rights-of-way required by Standard Drawing #201.1 for exclusive right turn lanes and dual left turn lanes shall be dedicated prior to or concurrent with the commencement of

on-site development activities unless specifically noted as not required in the approved Traffic Impact Analysis. Phased compliance will be allowed if recommended by the approved Traffic Impact Analysis. No recommendation of the approved Traffic Impact Analysis, nor compliance therewith, shall be deemed to modify or eliminate any condition of approval imposed by the Planning Commission or the City Council on the development of this site.

23. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings, or the recordation of a Final Map for this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the approved Drainage Plan/Study concurrent with development of this site. In lieu of constructing improvements, in whole or in part, the developer may agree to contribute monies for the construction of neighborhood or local drainage improvements, the amount of such monies shall be determined by the approved Drainage Plan/Study and shall be contributed prior to the issuance of any building or grading permits, or recordation of a Final Map whichever may occur first, if allowed by the Planning Engineer.

24. Site development to comply with all applicable conditions of approval for Zoning Reclassification Z-100-97 and all other subsequent site-related actions.

Sincerely,

Doreen Araujo

Exit and Egress General Notes

1. Maximum Travel Distance to an Exit from the Mall is 200'
2. Maximum Travel Distance within a Tenant Space an Exit from the Space is 200'
3. Occupant load as noted each space includes Tenant Toilet occupants at 2 per toilet
4. Interior Corridors within Building 34 to be 1 hour rated.
5. Construction Type II N be Type 2B not rated.
6. The project is fully sprinklered.
7. Dashed lines indicate Covered, non enclosing roof areas.

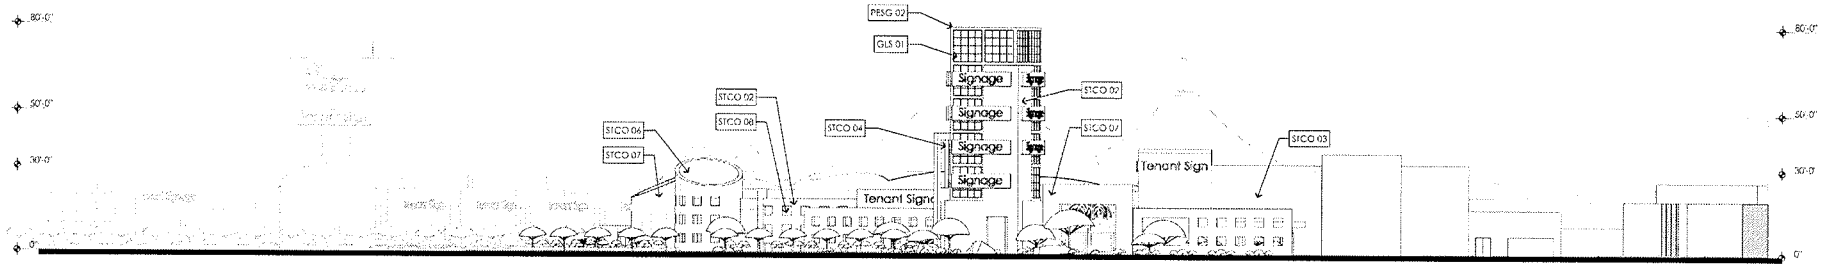

Building Plan Legend

Re: ***Justification Letter – Phase III Expansion of Las Vegas Premium Outlets (APN: 139-33-710-004)***

To Whom It May Concern:

Please be advised, this office represents the owner of the Las Vegas Premium Outlets (the "Applicant"). On behalf of the Applicant, we are requesting a major amendment to two previously approved Site Development Plan Reviews (Z-100-97(6) & SDR-10131) (the "Major Amendment").

The Applicant is proposing to expand the Las Vegas Premium Outlets on the undeveloped property (approximately 5 acres) located on the southwest corner of Grand Central Parkway and Bonneville Avenue. The Applicant is also proposing to expand the Deck "A" parking garage located at the south end of the property (collectively, "Phase III"). Phase III is located in the Parkway Center District of the Downtown Centennial Plan and is zoned P-D. Phase III will consist of additional retail areas for a total square footage of approximately 159,257.

Parking & Loading

Since the Las Vegas Premium Outlets is located within Parkway Center District within the Downtown Centennial Plan, there are no minimum parking requirements. Therefore, we established our own parking standards with development of Phase I & Phase II. In both of these phases, we parked the site at 2 spaces per 1000 square feet. Currently, there are 2,048 parking spaces on site. We are adding 513 net parking spaces for a total of 2,561 spaces. If the same standard is applied to Phase III using 2 spaces per 1000 square feet, the parking required for Phase III would be 319 spaces. However, the Applicant has a vested interest to ensure that we have sufficient parking for our shoppers so we are providing 513 spaces with Phase III. The Applicant feels comfortable with the amount of parking spaces to be provided with Phase III. A significant portion of our shoppers arrive by bus or taxi and therefore, do not use on site parking spaces.

The loading areas to service the new retail areas within Phase III will be provided between the end of the existing buildings and Phase III on the north end of the site. The site plan is marked with a description of "service" to indicate these areas.

RECEIVED
MAR

SDR-44929

Design

The architecture of Phase III will be compatible to the existing design and theme of the Las Vegas Premium Outlets. Similarly the architecture of the Deck "A" expansion will be similar to the existing parking garages on site.

Waivers

The Applicant is seeking the following waivers with this Major Amendment:

1. Along Grand Central Parkway and Bonneville Avenue, the Applicant is seeking a waiver from the requirement to build 70% of the project adjacent to property line along each of these streets. The design of Phase III must be cohesive with the design of Phase I and Phase II. Therefore, we need to maintain the same street treatment with our buildings in terms of setbacks.

2. The Applicant is seeking a waiver to not allow an architectural element of a cornice of the corner of Phase III. Again, since Phase III needs to be compatible with Phase I & Phase II, we are asking to waive this requirement for Phase III. The Applicant will be providing architectural enhancements but these enhancements do not satisfy the requirements for a cornice.

3. The Applicant is seeking a waiver to plant trees at a ratio of 1 tree per 500 square feet of landscaped area and not less than 36 inch box trees. The landscaping in Phase III will be consistent with Phase I & Phase II. Overall, the Applicant will meet the number of trees required for the site; however, some trees may be clustered in certain areas and not spaced out lineally along the street frontages at a maximum of 30 feet apart.

The Las Vegas Premium Outlets has been an exciting draw for people to visit downtown. Expansion of the Las Vegas Premium Outlets will enhance the overall area and will complete development of the entire site.

Sincerely,

KAEMPFER CROWELL RENSHAW GRONAUER & FIORENTINO

RE: SDR-10131 -- SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF FEBRUARY 15, 2006
RELATED TO VAR-10409, SUP-10134 AND MSP-10136

Dear Mr. Silvestri:

The City Council at a regular meeting held February 15, 2006 APPROVED the request for a Site Development Plan Review FOR A FIVE-STORY PARKING GARAGE WITH 500 PARKING SPACES, A FOUR-STORY PARKING GARAGE WITH 1,115 PARKING SPACES, AND FOUR ONE-STORY RETAIL BUILDINGS WITH 109,370 SQUARE FEET OF COMMERCIAL FLOOR SPACE ADDED TO AN EXISTING COMMERCIAL CENTER on 34.53 acres adjacent to the west side of Grand Central Parkway, approximately 600 feet south of Bonneville Avenue (APN 139-33-710-003), PD (Planned Development) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on February 16, 2006. This approval is subject to:

Planning and Development

1. This Site Development Plan Review shall expire two years from date of final approval unless it is exercised or an Extension of Time is granted by the City of Las Vegas

2. All development shall be in conformance with the site plan and building elevations, date stamped 12/21/05, except as amended by conditions herein.

3. The development shall address the concerns of the Regional Transportation Commission and the site plan shall be revised accordingly prior to the issuance of a building permit.

4. The developrnent shall incorporate those conditions of approval stipulated by the Parkway Center - Architecture Review Committee (PC-ARC)

5. A permanent underground sprinkler system shall be installed in all landscape areas as required by the City of Las Vegas and shall be permanently maintained in a satisfactory manner.

6. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. The landscape plan shall include irrigation specifications.

7. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance of 22% (as defined by the National Institute of Standards and Technology).

8. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.

9. All utility boxes exceeding 27 cubic feet in size shall meet the standards of Municipal Code Section 19.12.050.

10. Any property line wall shall be a decorative block wall, with at least 20 percent contrasting materials, and shall conform to the requirements listed in Title 19.08.

11. Parking lot lighting standards shall be no more than 20 feet in height and shall utilize downward-directed lights. Lighting on the exterior of buildings shall be shielded and shall be downward-directed.

12. Prior to the submittal of a building permit, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.

13. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

14. All City code requirements and design standards of all City departments must be satisfied.

Public Works

15. Meet with the Nevada Department of Transportation (NDOT) to determine additional right-of-way requirements for the future Bonneville/Alta bridge structure, if any. Provide written proof that NDOT is satisfied prior to or concurrent with submittal of construction drawings for this site.

16. All buildings, bays and pad sites within this overall commercial site shall have perpetual common access to all driveways connecting this site to the abutting public streets.

17. An update to the previously approved Traffic Impact Analysis must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits or submittal of any construction drawings beyond the initial parking structure (shown as "Deck A"). Comply with the recommendations of the approved Traffic Impact Analysis prior to occupancy of the site. The City shall determine area traffic mitigation contribution requirements based upon information provided in the approved Traffic Impact Analysis; such monies shall be contributed prior to the issuance of any permits or the recordation of a Final Map for this site. The Traffic Impact Analysis shall also include a section addressing Standard Drawings #234.1 #234.2 and #234.3 to determine additional right-of-way requirements for bus turnouts adjacent to this site, if any; dedicate all areas recommended by the approved Traffic Impact Analysis. All additional rights-of-way required by Standard Drawing #201.1 for exclusive right turn lanes and dual left turn lanes shall be dedicated prior to or concurrent with the commencement of on-site development activities unless specifically noted as not required in the approved Traffic Impact Analysis. Phased compliance will be allowed if recommended by the approved Traffic Impact Analysis. No recommendation of the approved Traffic Impact Analysis, nor compliance therewith, shall be deemed to modify or eliminate any condition of approval imposed by the Planning Commission or the City Council on the development of this site.

18. An update to the previously approved Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any grading or building permits, submittal of any construction drawings or the submittal of a Final Map for this site, whichever may occur first. Provide and improve all drainageways as recommended in the approved drainage plan/study.

19. Site development to comply with all applicable conditions of approval for Zoning Reclassification Z-100-97 and all other subsequent site-related actions.

Sincerely,

Angela Crolli

RE: Z-0100-97(6) - SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF NOVEMBER 7, 2001
Related to Z-0100-97(5)

Dear Applicant:

The City Council at a regular meeting held November 7, 2001 APPROVED the request for a Site Development Plan Review FOR A PROPOSED 478,028 SQUARE FOOT RETAIL MALL on 39.20 acres on the southwest corner of Bonneville Avenue and Grand Central Parkway (APN: 139-33-710-001), PD (Planned Development). The Notice of Final Action was filed with the Las Vegas City Clerk on November 8, 2001. This approval is subject to:

Planning and Development

1. Existing off-premise advertising structures (billboards) shall be removed or enhanced within six (6) months of the final Certificate of Occupancy for the retail project, and if the use is to continue shall be replaced or enhanced by structures aesthetically compatible with the development, subject to the approval of Planning and Development Department staff.

2. Final elevation drawings shall be provided to staff by September 12, 2001 so that staff has adequate time to report on the elevations at the September 19, 2001 City Council meeting. If the final elevation drawings are not provided by that date, then the drawings must be reviewed by the Planning Commission prior to consideration by the City Council.

3. The City Council shall approve the Major Modification [Z-0100-97(5)] to the PD (Planned Development) Zoning District.

4. This Site Development Plan Review shall expire two years from date of final approval unless it is exercised or an Extension of Time is granted by the City Council.

5. All development shall be in conformance with the revised site plan and building elevations submitted October 31 2001, except as amended by conditions herein.

MAYOR
OSCAR B. GOODMAN

SDR-44929

6. The site plan shall be revised to include seating areas and appropriate landscaping, including at a minimum the three areas adjacent to the northeast, east, and southeast pedestrian entrances into the mall.

7. All development shall conform to the landscape plan submitted September 11, 2001. The landscape planter along Interstate 15 shall include 36-inch box trees planted a maximum of 25 feet on-center.

8. The landscape plan shall be revised prior to or at the same time application is made for a building permit to reflect landscaped earth and rock berms of a minimum three (3) feet in height within provided planters along all public street parking lot frontages. The landscape plan revisions shall be subject to the approval of the Planning and Development Department prior to the issuance of any building permits for the site.

9. The landscape plan shall be revised prior to or at the same time application is made for a building permit to reflect compliance with all of the adopted Landscape Architecture Design Criteria of the Parkway Center Lot 1 Master Plan as modified by the approved Major Modification Z-0100-97(5). Landscape areas within the parking lots shall be in conformance with the revised plans dated October 31, 2001.

10. The applicant shall install a major trail as depicted on the revised plans dated October 31, 2001.

11. The elevations of the building shall depict service court design incorporating an effective solid screen integrated into the facade structural design, along the perimeter of the service court areas except for maximum 40-foot-wide openings. Screen walls shall provide complete visual screening of any freight trucks providing regular service to the mall tenants.

12. A landscaping plan must be submitted prior to or at the same time application is made for a building permit.

13. If not covered by the Parkway Center Lot 1 Development Standards, the Site Plan, Landscape, and Architectural design shall conform to the Downtown Centennial Plan.

14. All mechanical equipment, air conditioners and trash enclosures shall be screened in views from the abutting streets in a manner approved by the Planning and Development staff per plans submitted October 31, 2001.

15. Parking lot lighting shall be in conformance with the plans dated September 11, 2001. Lighting standards shall be no more than 34 feet in height.

16. A Master Sign Plan shall be submitted for approval of Planning Commission prior to the issuance of a Certificate of Occupancy for any building on the site.

17. All utility boxes exceeding 27 cubic feet in size shall meet the standards of Municipal Code Section 19A.12.050.

18. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

19. All City Code requirements and design standards of all City departments must be satisfied.

Public Works

20. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site.

21. Meet with the Traffic Engineering Representative in Land Development for assistance in the possible redesign of the proposed driveway access, on site circulation and parking lot layout prior to the submittal of any construction plans or the issuance of any permits, whichever may occur first. Driveways shall be designed, located and constructed in accordance with Standard Drawing #222a. Coordinate with the Traffic Engineering Division and Nevada Department of Transportation for information regarding the future I-15 access ramps planned for Bonneville Avenue adjacent to this site. Site development shall be designed to accommodate the future acquisition of any such right-of-way.

22. A Traffic Impact Analysis must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings, or the recordation of a Final Map for this site, whichever may occur first. Comply with the recommendations of the approved Traffic Impact Analysis prior to occupancy of the site. The City shall determine area traffic mitigation contribution requirements based upon information provided in the approved Traffic Impact Analysis; such monies shall be contributed prior to the issuance of any permits or the recordation of a Final Map for this site. The Traffic Impact Analysis shall also include a section addressing Standard Drawings #234.1 #234.2 and #234.3 to determine additional right-of-way requirements for bus turnouts adjacent to this site, if any; dedicate all areas recommended by the approved Traffic Impact Analysis. All additional rights-of-way required by Standard Drawing #201.1 for exclusive right turn lanes and dual left turn lanes shall be dedicated prior to or concurrent with the commencement of

on-site development activities unless specifically noted as not required in the approved Traffic Impact Analysis. Phased compliance will be allowed if recommended by the approved Traffic Impact Analysis. No recommendation of the approved Traffic Impact Analysis, nor compliance therewith, shall be deemed to modify or eliminate any condition of approval imposed by the Planning Commission or the City Council on the development of this site.

23. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings, or the recordation of a Final Map for this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the approved Drainage Plan/Study concurrent with development of this site. In lieu of constructing improvements, in whole or in part, the developer may agree to contribute monies for the construction of neighborhood or local drainage improvements, the amount of such monies shall be determined by the approved Drainage Plan/Study and shall be contributed prior to the issuance of any building or grading permits, or recordation of a Final Map whichever may occur first, if allowed by the Planning Engineer.

24. Site development to comply with all applicable conditions of approval for Zoning Reclassification Z-100-97 and all other subsequent site-related actions.

Sincerely,

Doreen Araujo

503 E Bonneville Ave.

Proposed 1.918 thousand square foot addition to an existing office building.

Traffic produced by proposed development:

Existing Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	3.198	11.01	35
AM Peak Hour			1.55	5
PM Peak Hour			1.49	5

Proposed Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	1.918	11.01	21
AM Peak Hour			1.55	3
PM Peak Hour			1.49	3

Total After Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	5.116	11.01	56
AM Peak Hour			1.55	8
PM Peak Hour			1.49	8

Existing traffic on all nearby streets:

Bonneville Avenue	
Average Daily Traffic (ADT)	6,188
PM Peak Hour (heaviest 60 minutes)	495

Las Vegas Boulevard	
Average Daily Traffic (ADT)	18,200
PM Peak Hour (heaviest 60 minutes)	1,456

Traffic Capacity of adjacent streets:

	Adjacent Street ADT Capacity
Bonneville Avenue	31,080
Las Vegas Boulevard	32,700

This expansion is expected to add 21 additional trips per day on Bonneville Ave. and Las Vegas Blvd. Currently, Bonneville is at about 20 percent of capacity and Las Vegas is at about 56 percent of capacity. With this project, these capacities are expected to remain unchanged.

Based on Peak Hour use, this expansion will add about 3 trips to the traffic in the area in the peak hour, or about one every twenty minutes.

Note that this report assumes all traffic from this development uses all named streets.

RE: Justification Letter-Fire Restoration & Addition
503 E. Bonneville Ave. (Las Vegas Downtown Centennial Plan-Office Core District)

The purpose of this letter is to request a Site Development Review as required per the Downtown Centennial Plan.

The site is located on the Southeast corner of Las Vegas Blvd. and Bonneville Ave. Currently, the existing single story structure has suffered fire damage. The current zoning district is C-2. The current approved use for the site is a sandwich shop, 841 SF (without drive through) and Law office, 2,357 SF.

We are requesting approval to add a second story, 1,918 SF over the existing single story structure for an additional law office space. The second floor will be at approximately 65% of the first floor layout. The first floor existing layout will remain the same. The hours of operation for the law offices will be approximately 9:00 AM to 5:00 PM. The hours of operation for the sandwich shop to be determined. The proposed use complies with current approved and adjacent property uses, which are commercial, C-2.

The gross total area of the proposed building is 5,116 SF. The parking requirement for the deli (1/200 SF) and for the law office (1/300 SF) totals 18 spaces. Currently the site provides 4 parking spaces. The property is located on bus path and has easy access for mass transit. The bus transit station, Bonneville Transit Center, is located on Casino Center & Bonneville. There are multiple parking structures around the property. A private parking is located on Casino Center and Lewis Ave. The Nenopolis garage is located on Carson & Las Vegas Blvd. There are ample metered parking spaces available within walking distance from the property on 6th street and Bonneville Ave. Most of the business for the deli is foot traffic.

Waiver of Standards:

- A waiver of standards is being requested to allow the front property line to remain as is. Currently the existing building is on property line on the Las Vegas Blvd. side. The property line is 10 ft away from curb.

INTRODUCTION

I. INTRODUCTION

This is the Redevelopment Plan (the "Amended Plan") for Redevelopment Area 2 (the "Redevelopment Area"), which is located in the territorial jurisdiction of the City of Las Vegas (the "City"), State of Nevada. This Plan consists of text, a Map of Redevelopment Area 2 (Exhibit "A"), and Legal Descriptions of Redevelopment Area 2 (Exhibit "B")

This Plan has been prepared pursuant to Nevada Revised Statutes (NRS) 279.382 through 279.685 which provide for the exercise of redevelopment authority by a redevelopment agency.

Implementation of this Plan by the City and the Redevelopment Agency of Las Vegas is governed by the provisions contained in this Plan as it may be amended from time to time. Hereinafter the term "Agency" refers to the Redevelopment Agency of the City of Las Vegas. The term "Legislative Body" refers to the City Council of the City of Las Vegas.

The definitions of general terms which are contained in Nevada Revised Statutes govern the construction of this Plan, unless more specific terms and definitions are otherwise provided in this Plan. All statutory references hereinafter shall be to the Nevada Revised Statutes.

Many of the requirements contained in this Plan are necessitated by and in accord with statutory provisions in effect at the time of adoption of this Plan. Such statutory provisions may be changed from time to time. In the event that any such changes affect this Plan's requirements, and would be applicable to the Agency, the Redevelopment Area 2, or this Plan, whether or not this Plan were formally amended to reflect such changes, then the requirements of this Plan that are so affected shall be superseded by such changes, to the extent necessary to be in conformity with such changes.

The Redevelopment Area 2 includes all properties within the boundary shown on the Redevelopment Area 2 Map and described in the Legal Description of the Redevelopment Area 2.

The proposed redevelopment of the Redevelopment Area 2 as described in this Plan conforms to the Master Plan for the City of Las Vegas as applicable and as applied in accord with local codes and ordinances.

This Redevelopment Plan is generally based upon the Preliminary Plan formulated and adopted by the Las Vegas Planning Commission (the "City Planning Commission") on March 13, 2012.

This Plan provides the Agency with powers, duties and obligations to implement and further the program generally formulated in this Plan for the redevelopment, rehabilitation, and revitalization of Redevelopment Area 2. This Plan does not present a specific plan or establish priorities for specific projects for the redevelopment, rehabilitation, and revitalization of any particular area within Redevelopment Area 2. Instead, this Plan presents a series of ideas and recommendations for revitalization which are designed to reduce and eliminate decline and deterioration, stimulate new investment, stabilize the tax base and maintain the viability of existing businesses. This Plan will also provide a basic framework within which specific development plans will be presented, priorities for specific projects will be established, and tools to fashion, develop, and proceed with such specific plans, projects and solutions will be provided to the Agency.

In general, the goals and objectives of the redevelopment program in Redevelopment Area 2 are as follows:

1. To eliminate and prevent the spread of blight and deterioration and the conservation, rehabilitation and redevelopment of Redevelopment Area 2 in accordance with the Master Plan, the Redevelopment Plan, local codes and ordinances.

2. To achieve an environment reflecting a high level of concern for architectural, landscape, and urban design and land use principles appropriate for attainment of the objectives of the Redevelopment Plan.

3. To minimize unplanned growth by guiding revitalization activities and new development in such fashion as to meet the needs of Redevelopment Area 2, the City and its citizens.

4. To retain existing businesses by means of redevelopment and rehabilitation activities and by encouraging cooperation and participation of owners, businesses and public agencies in the revitalization of Redevelopment Area 2.

5. To encourage investment by the private sector in the development and redevelopment of Redevelopment Area 2 by eliminating impediments to such development and redevelopment.

6. To encourage maximum participation of residents, businesspersons, property owners, and community organizations in the redevelopment of Redevelopment Area 2.

7. To replan, redesign and develop areas which are stagnant or improperly used.

8. To insure adequate utility capacity to accommodate redevelopment and new development.

Redevelopment of Redevelopment Area 2 pursuant to this Redevelopment Plan and the above goals and objectives will attain the purposes of the Nevada Revised Statutes Chapter 279 by:

(1) elimination of areas suffering from economic dislocation, and disuse in affected areas;

(2) replanning, redesign and/or redevelopment of areas which are stagnant or improperly utilized, in ways which could not be accomplished solely by private enterprise without public participation and assistance;

(3) protection and promotion of sound development and redevelopment of blighted areas and the general welfare of the citizens of the City by remedying such injurious conditions through the employment of appropriate means;

(4) installation of new, or replacement of existing public improvements, facilities and utilities in areas which are currently inadequately served with regard to such improvement, facilities and utilities; and

(5) other means as determined appropriate.

GENERAL DEFINITIONS & REDEVELOPMENT AREA 2

BOUNDARY AND LEGAL DESCRIPTION

II. GENERAL DEFINITIONS AND REDEVELOPMENT AREA 2 BOUNDARY AND LEGAL DESCRIPTION

A. General Definitions

The following definitions are used in this Plan unless otherwise indicated by the text:

1. "Agency" means the Redevelopment Agency of the City of Las Vegas, Nevada.

2. "City" means the City of Las Vegas, Nevada.

3. "City Council" means the City Council of the City of Las Vegas.

4. "Community Redevelopment Law" means the Community Redevelopment Law of the State of Nevada (Nevada Revised Statutes 279.382 to 279.685).

5. "Redevelopment Area 2" means the area, as established by this Plan and as depicted and described in the Exhibits attached hereto.

6. "Legislative Body" means the City Council of the City of Las Vegas.

7. NRS" means the Nevada Revised Statutes for the State of Nevada.

8. "State" means the State of Nevada.

9. "County" means Clark County, Nevada.

10. "Plan" means this Redevelopment Plan for the Las Vegas Redevelopment Area 2.

B. Redevelopment Area Boundary And Legal Description

The boundaries of Redevelopment Area 2 are shown on the Redevelopment Area 2 Map attached as Exhibit "A" and are described in the Redevelopment Area 2 Legal Description attached as Exhibit "B". This Plan establishes Redevelopment Area 2.

PROPOSED

REDEVELOPMENT ACTIVITIES

III. PROPOSED REDEVELOPMENT ACTIVITIES

A. General

The Agency proposes to eliminate and prevent the spread of blight and blighting influences, and strengthen the economic base of Redevelopment Area 2 and the City, by some or all of the following:

1. Permitting participation in the redevelopment process by owners and occupants of properties located in the Redevelopment Area, consistent with this Plan and rules adopted by the Agency;

2. Acquisition of real property;

3. Management of property under the ownership and control of the Agency;

4. Relocation assistance to displaced occupants of property acquired by the Agency in Redevelopment Area 2;

5. Demolition of property for uses in accordance with this Plan;

6. Redevelopment of land by private enterprise and public agencies for uses in accordance with this Plan;

7. Rehabilitation of structures and improvements by present owners, their successors, and the Agency;

8. Provision of utilities, roads, streets, landscaping, parking facilities and other public improvements;

9. Consideration of the implementation of land use controls or regulations.

In the accomplishment of these activities, and in the implementation and furtherance of this Plan, the Agency is authorized to use all the powers provided in this Plan and all the powers to the extent now or hereafter permitted by law, which powers are not expressly limited by this Plan.

B. Owner Participation and Business Reentry Preferences

1. Owner Participation

Owners of real property within Redevelopment Area 2 shall be extended reasonable opportunities to participate in the redevelopment of property in Redevelopment Area 2 if such

owners agree to participate in the redevelopment in conformity with this Redevelopment Plan and the owner participation implementation rules adopted by the Agency. These owner participation opportunities are explained in more detail in the Rules Governing Participation by Property Owners and the Extension of Reasonable Preferences for Property Owners, in the City of Las Vegas Redevelopment Area 2.

In appropriate circumstances where such action would foster the goals and objectives contemplated by the Redevelopment Plan, an owner may participate in substantially the same location either by retaining all or portions of his property; retaining all or portions of his property and purchasing adjacent property if needed and available for development; rehabilitating or demolishing all or part of his existing buildings; initiating new development; or selling property to the Agency.

Participation opportunities shall necessarily by subject to and limited by factors including but not limited to the following:

(1) the elimination and/or modification, if any, of existing land uses;

(2) the construction, vacation, realignment and/or alteration, if any, of existing streets;

(3) the ability of participants to finance and complete proposed developments and rehabilitations;

(4) the capability and/or experience of the owner participant, as determined by the Agency, to implement the proposed development;

(5) the proposed land uses for redevelopment of Redevelopment Area 2;

(6) intensification of certain land uses; and

(7) the construction or expansion of public facilities.

2. Participation by Tenants

Non-property owners who are tenants engaged in business or residing in Redevelopment Area 2 shall be extended

reasonable preferences if they wish to purchase property at their present location for the purpose of rehabilitating and/or expanding existing improvements or to build new improvements in conformance with the designated land uses and other requirements of this Plan. However, the preference provided to such business or residential tenants will be subordinate to, or follow, the preference provided to the existing property owners.

Businesses and residential tenants may also submit proposals for rehabilitation and/or new development at locations other than their existing location, as long as said property conforms to the Plan. However, no preference shall be provided to business and/or tenants for this type of proposal.

3. Participation Agreements

The Agency may require that, as a condition of participating in redevelopment, each participant shall enter into a binding written participation agreement with the Agency by which the participant agrees to rehabilitate, develop or use the property in conformance with this Plan and to be subject to the provisions hereof and such other provisions and conditions to which the parties may agree. In such agreements, participants who retain real property may be required to make the provisions of this Plan and such participation agreement applicable to their properties.

If an owner fails to participate in the redevelopment under a participation agreement, the Agency shall have the right to acquire the subject property for redevelopment by any legal means permitted under the law and the provisions of this Plan. If so provided in the participation agreement, the price of such acquisition will be the property's fair market value at the time of execution of the participation agreement. Whether or not a participant enters into a participation agreement with the Agency, the provisions of this Plan are applicable to all public and private property in Redevelopment Area 2.

4. Implementing Rules

The Owner Participation provisions shall be implemented according to the rules adopted by the Agency simultaneous with the adoption of this Plan, and as the same may be from

time to time amended by the Agency. Where there is a conflict between the participation provisions in this Plan and such rules adopted by the Agency, the Plan shall prevail.

C. PROPERTY ACQUISITION

1. Acquisition of Real Property

The Agency may acquire, but is not required to acquire, any real property located in Redevelopment Area 2 by purchase, lease, option, gift, grant, bequest, devise, or eminent domain as authorized by law.

The Agency may exercise the power of eminent domain to acquire property for a redevelopment project if: (a) The property sought to be acquired is necessary to carry out this Plan; (b) The Agency has made every reasonable effort to negotiate the purchase of the property. The method the Agency would use to acquire property through eminent domain is further explained within its Rules Governing Participation by Property Owners and the Extension of Reasonable Preferences To Property Owners, in the City of Las Vegas Redevelopment Area 2.

The Agency is authorized to acquire structures without acquiring the land upon which those structures are located. The Agency is also authorized to acquire any other interest in real property less than a fee.

Without the consent of the owner, the Agency shall not acquire property retained by an owner participant pursuant to a participation agreement if the owner fully performs under the agreement. The Agency shall not, without the consent of an owner, acquire real property on which an existing building is to be continued on its present site and in its present form and use unless such building requires structural alteration, improvement, modernization, or rehabilitation, or the site or lot on which the building is situated requires modification in size, shape or use, or it is necessary to impose upon such property any of the standards, restrictions, and controls of this Plan and the owner fails or refuses to participate in the Plan by execution or fulfilling the obligations of a participation agreement.

2. Acquisition of Personal Property

Generally, personal property may not be acquired by the Agency. However, where necessary in the execution of this Plan, the Agency is authorized to acquire personal property in Redevelopment Area 2 by any lawful means. The Agency may also acquire by gift, purchase, lease or eminent domain any personal property in connection with real property acquired by the Agency.

D. Property Management

The Agency is authorized to manage and control all real property owned, acquired or leased by it. Such property may be rented or leased by the Agency pending its disposition for redevelopment, and such rental or lease shall be pursuant to such policies as the Agency may adopt.

E. Relocation of Persons (Including Individuals and Families), Business Concerns and Others Displaced by the Project

1. Assistance in Finding Other Locations

The Agency shall assist all persons, business concerns, and others displaced by Agency action in Redevelopment Area 2 in finding other locations and facilities. In order to carry out the Redevelopment Plan with a minimum of hardship to persons, business concerns, and others, if any, displaced from their respective places of residence or businesses, the Agency shall assist such persons, business concerns and others in finding new locations that are decent, safe, sanitary, within their respective financial means, in reasonably convenient locations, and otherwise suitable to their respective needs.

2. Relocation Payments

The Agency shall make relocation payments for moving expenses and direct losses of personal property to persons, business concerns, and others displaced by Agency action in Redevelopment Area 2 and shall make additional relocation payments as may be required by law. Such relocation payments shall be made pursuant to Chapter 342 of Nevada Revised Statutes and the Rules and Regulations for Implementation of the Uniform Relocation & Real Property Acquisition Policies Act of 1970, as Amended, and

Nevada Revised Statutes Chapter 342 regulations previously adopted by the Agency and the City of Las Vegas. The Agency, at its option, may make such other payments as may be appropriate and for which funds are available.

F. Demolition, Clearance, Public Improvements, Building and Site Preparation

1. Demolition and Clearance

The Agency is authorized to demolish and clear buildings, structures, and other improvements from any real property acquired in Redevelopment Area 2 as necessary to carry out the purpose of this Plan.

2. Public Improvements

The Agency is authorized to install and construct, or to cause to be installed and constructed, the public improvements, facilities and utilities necessary to carry out this Plan. Such public improvements, facilities and utilities include, but are not limited to the following:

(1) sewers;

(2) storm drains;

(3) electrical, natural gas, telephone and water distribution systems;

(4) parks and plazas;

(5) playgrounds;

(6) parking and transportation facilities;

(7) landscaped areas;

(8) street and circulation improvements;

(9) flood control improvements and facilities;

(10) entryway features;

(11) recreational improvements; and

(12) other public facilities serving the needs of Redevelopment Area 2 occupants.

3. Preparation of Building Sites

The Agency is authorized to prepare, or cause to be prepared, as building sites, any real property in Redevelopment Area 2 owned or acquired by the Agency.

G. Property Disposition and Development

1. Real Property Disposition and Development

a. General

For the purposes of this Plan, the Agency is authorized to sell, lease, exchange, subdivide, transfer, assign, pledge, encumber by mortgage or deed of trust, or otherwise dispose of any interest in real property. The Agency is authorized to dispose of real property by negotiated lease, sale, or transfer without public bidding but only after a public hearing, notice of which shall be given by publication for not less than once a week for two weeks in a newspaper of general circulation published in Clark County.

A lease or sale by the Agency of real property acquired by it in Redevelopment Area 2 shall be conditioned on the redevelopment and use of the property in conformity with this Plan.

All real property acquired by the Agency in Redevelopment Area 2 shall be sold or leased to public or private persons or entities for development for the uses permitted in this Plan, and any such sale or lease may be for an amount at less than fair market value if necessary to effectuate the purposes of this Plan. Real property may also be conveyed by the Agency to the City, and, where beneficial to the Redevelopment Area 2, to any other public body without charge or for an amount at less than fair market value.

All purchasers or lessees of property from the Agency shall be made obligated to use the property for the

purposes designated in this Plan, to begin and complete development of the property within a period of time which the Agency fixes as reasonable, and to comply with other conditions which the Agency deems necessary to carry out the purposes of this Plan, including the provisions of the Agency's existing Employment Plan.

b. Employment Plan

The Agency shall require that a proposal for a redevelopment project include an employment plan in accordance with the Agency's Employment Plan Policy initially adopted on April 6, 2011 which includes:

(a) A description of the existing opportunities for employment within Redevelopment Area 2;

(b) A projection of the effect that the redevelopment project will have on opportunities for employment within Redevelopment Area 2; and

(c) A description of the manner in which an employer relocating his business into the Redevelopment Area 2 plans to employ persons living within the area of operation who are:

(1) Economically disadvantaged;

(2) Physically disabled;

(3) Members of racial minorities;

(4) Veterans; or

(5) Women.

During the period of development in Redevelopment Area 2, the Agency shall ensure that the provisions of this Plan and of other documents formulated pursuant to this Plan are being observed, and that development in Redevelopment Area 2 is proceeding in

accordance with development documents and time schedules.

c. Disposition and Development Documents

The Agency shall reserve powers and controls in disposition and development documents as may be necessary to prevent transfer, retention, or use of property for speculative purposes and to ensure that development is expeditiously carried out pursuant to this Plan.

To provide adequate safeguards to ensure that the provisions of this Plan will be carried out and to prevent the recurrence of blight, all real property sold, leased, or conveyed by the Agency, as well as all property subject to participation agreements, shall be made subject to the provisions of this Plan and any adopted Design Guidelines and other conditions imposed by the Agency by leases, deeds, contracts, agreements, declarations of restrictions, provisions of the zoning ordinance, conditional use permits, or other means. Where appropriate as determined by the Agency, such documents or portions thereof shall be recorded in the Office of the Recorder of Clark County.

The leases, deeds, contracts, agreements, and declarations of restrictions may contain restrictions, covenants, covenants running with the land, rights of reverter, conditions subsequent, or any other provision necessary to carry out this Plan.

d. Development Financing by the Agency or Other Public Bodies or Entities

The Agency may, with the consent of the Legislative Body, pay all or part of the value of the land for, and the cost of the construction of, any building, facility, structure or other improvement and the installation of any improvement which is publicly or privately owned and located within or without the redevelopment area. Before the Legislative Body may give its consent, it shall determine that:

(1) The buildings, facilities, structures or other improvements are of benefit to Redevelopment Area 2 or the immediate neighborhood in which Redevelopment Area 2 is located; and

(2) No other reasonable means of financing those buildings, facilities, structures or other improvements are available.

Those determinations by the Agency and the Legislative Body are final and conclusive.

In reaching its determination that the buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located, the legislative body shall consider:

(a) Whether the buildings, facilities, structures or other improvements are likely to:

(1) Encourage the creation of new business or other appropriate development;

(2) Create jobs or other business opportunities for nearby residents;

(3) Increase local revenues from desirable sources;

(4) Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located;

(5) Possess attributes that are unique, either as to type of use or level of quality and design;

(6) Require for their construction, installation or operation the use of qualified and trained labor; and

(7) Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency.

(b) The opinions of persons who reside in the redevelopment area or the immediate neighborhood in which the redevelopment area is located.

(c) Comparisons between the level of spending proposed by the agency and projections, made on a pro forma basis by the agency, of future revenues

attributable to the buildings, facilities, structures or other improvements.

If the value of the land or the cost of the construction of that building, facility, structure or other improvement, or the installation of any improvement has been, or will be, paid or provided for initially by the community or other governmental entity, the Agency may enter into a contract with that community or governmental entity under which it agrees to reimburse the community or governmental entity for all or part of the value of that land or the cost of the building, facility, structure or other improvement, or both, by periodic payments over a period of years. The obligation of the Agency under that contract constitutes an indebtedness of the Agency which may be payable out of taxes levied and allocated to the Agency under paragraph (b) of subsection 1 of Nevada Revised Statutes 279.676, or out of any other available money.

e. Development Plans

All development plans (whether public or private) shall be processed in the manner provided by applicable City codes, as they are, or as they may be, amended from time to time. All development in Redevelopment Area 2 must conform to City (as appropriate) and Agency design review procedures, including any Design Guidelines adopted by the Agency or the City.

2. Personal Property Disposition

For the purposes of this Plan, the Agency is authorized to lease, sell, exchange, transfer, assign, pledge, encumber, or otherwise dispose of personal property which is acquired by the Agency.

H. Cooperation with Public Bodies

For the purpose of aiding and cooperating in the planning, undertaking, construction or operation of redevelopment projects located within the area in which it is authorized to act, any public body, upon the terms and with or without consideration as it determines, may:

1. Dedicate, sell, convey or lease any of its property to the Agency.

2. Cause parks, playgrounds, recreational, community, educational, water, sewer or drainage facilities, or any other works which it is otherwise empowered to undertake, to be furnished adjacent to or in connection with a redevelopment plan.

3. Furnish, dedicate, close, pave, install, grade, regrade, plan or replan streets, roads, roadways, alleys, sidewalks or other places which it is otherwise empowered to undertake.

4. Plan or replan, zone or rezone any part of such area and make any legal exceptions from building regulations and ordinance.

5. Enter into agreements with the federal government respecting action to be taken by such public body pursuant to any of the powers granted by Nevada Revised Statutes 279.382 to 279.685, inclusive. Such agreements may extend over any period, notwithstanding any law to the contrary.

6. Purchase or legally invest in any of the bonds of the Agency and exercise all of the rights of any handler of such bonds.

The Agency, by law, is not authorized to acquire real property owned by public bodies without the consent of such public bodies. The Agency, however, will seek the cooperation of all public bodies which own or intend to acquire property in Redevelopment Area 2. Any public body which owns or leases property in Redevelopment Area 2 will be afforded all the privileges of owner participation if such public body is willing to enter into a participation agreement with the Agency. All plans for development of property in Redevelopment Area 2 by a public body shall be subject to Agency approval.

LAND USES AND DEVELOPMENT REQUIREMENTS

IV. LAND USES AND DEVELOPMENT REQUIREMENTS

A. Redevelopment Area 2 Map and Major Redevelopment Area 2 Land Uses

The Redevelopment Area 2 Map attached hereto as Exhibit “A” illustrates the location of Redevelopment Area 2 boundaries, identifies the major streets within Redevelopment Area 2, and designates the major land uses authorized within Redevelopment Area 2 by the City’s current Master Plan. The City will from time to time update and revise its Master Plan. It is the intention of this Redevelopment Plan that the City’s Master Plan, as it currently exists, or as it may from time to time be amended, and as implemented and applied by City ordinances, resolutions and other laws be used as a guide to long range planning. The major land uses authorized within Redevelopment Area 2 by the Master Plan are described below:

B. Major Land Uses

Major land uses permitted within Redevelopment Area 2 include:

Residential
Industrial
Commercial
Public/Semipublic
Park/Open Space

The preceding uses may be used for any of the various kinds of uses specified for or permitted within such areas by the Master Plan, as it currently exists or as it may be amended from time to time.

C. Other Land Uses

1. Public Rights-of-Way

Major public streets within Redevelopment Area 2 are detailed on the Redevelopment Area 2 Map as Exhibit "A" and are listed as follows:

(1) West Sahara Avenue

(2) West Charleston Boulevard

(3) South Decatur Boulevard

Additional public streets, alleys and easements may be created in Redevelopment Area 2 as needed for proper use and/or development. Existing streets and alleys may be abandoned, closed or modified as necessary for proper use and/or development.

Any changes in the existing street layout shall be in accord with the City's Master Plan.

2. Conforming Properties

Without the consent of the owner, the Agency shall not acquire any real property on which an existing building is to be continued on its present site and in its present form and use unless an existing building requires structural alteration, improvement, modernization or rehabilitation, or the site or lot on which the building is situated requires modification in size, shape or use, or it is necessary to impose upon such property any of the standards, restrictions and controls of this Plan. The Agency may acquire such property if the owner refuses to enter into a participation agreement or Disposition and Development Agreement or fails to redevelop the property or otherwise carry out the provisions of such agreement.

D. Interim Uses

Pending the ultimate development of land by developers and participants, the Agency is authorized to use or permit the use of any land in Redevelopment Area 2 for interim uses not in conformity with the uses permitted in this Plan. Such interim use shall conform to all applicable City codes.

E. Nonconforming Uses

The Agency is authorized to permit an existing use to remain in an existing building in good condition, which use does not conform to the provisions of this Plan, provided that such use is generally compatible with existing and proposed developments and uses in Redevelopment Area 2, and abatement of such uses is not required by applicable City codes.

The Agency may authorize additions, alterations, repairs or other improvements in Redevelopment Area 2 for uses which do not conform to the provisions of this Plan where such improvements are within a portion of Redevelopment Area 2 where, in the determination of the Agency, such improvements would be compatible with surrounding Redevelopment Area 2 uses and development and are permitted under applicable City codes.

F. General Controls and Limitation

All real property in Redevelopment Area 2 is hereby made subject to the controls and requirements of this Plan. No real property shall be developed, rehabilitated, or otherwise changed after the latest effective date of the ordinances adopting this Plan, except in conformance with the provisions of this Plan.

1. Construction

All construction within Redevelopment Area 2 shall be reviewed by the Redevelopment Agency and shall comply with all applicable State and local laws in effect at the time.

2. Limitation on the Number of Buildings

The number of buildings in Redevelopment Area 2 shall not exceed the number of buildings permitted under the Master Pan.

3. Number of Dwelling Units

The number of dwelling units in Redevelopment Area 2 shall not exceed the maximum number allowed under the densities permitted under the City's Master Plan, as implemented and applied by local codes and ordinances.

4. Limitations on Type, Size and Height of Buildings

The type, size, and height of buildings shall be as limited by the City's Master Plan and applicable federal, state and local statutes and ordinances.

5. Open Spaces, Landscaping, Light, Air and Privacy

The approximate amount of open space to be provided in Redevelopment Area 2 is the total of all area which will be in the public rights-of-way, the public grounds, spaces around

buildings, and all other outdoor areas not permitted to be covered by buildings. Landscaping shall be developed in Redevelopment Area 2 to ensure optimum use of living plant material.

In all areas, sufficient space shall be maintained between buildings to provide adequate light, air and privacy.

6. Signs

All signs shall conform to City requirements as appropriate. Design of all new signs shall be submitted to the City for review and approval prior to installation.

7. Utilities

The Agency shall require that all utility placement be governed according to the prevailing Las Vegas Municipal Code.

8. Incompatible Uses

No use or structure which, in the Agency's opinion would, by reason of appearance, traffic, smoke, glare, noise, odor, or similar factors, be incompatible with the surrounding areas or structures shall be permitted in any part of Redevelopment Area 2.

9. Public Uses

The intent of this Redevelopment Plan is to maintain the amount of property currently being used for public purposes. However, in any area the Agency is authorized to permit the maintenance, establishment or enlargement of public, semi-public, institutional or non-profit uses, including park and recreational facilities, libraries, educational, fraternal, employee, philanthropic, religious and charitable institutions, utilities, railroad rights-of-way, and facilities of other similar associations or organizations. All such uses shall conform so far as possible to the provisions of this Plan applicable to the uses in the specific area involved and is permitted under the Master Pan. The Agency may impose such other reasonable restrictions as are necessary to protect the development and uses in Redevelopment Area 2.

10. Other Covenants, Conditions and Restrictions

The Agency is authorized to permit minor variations from the limits, restrictions and controls established by this Plan. In order to permit any such variation, the Agency must determine that:

a. The application of certain provisions of the Plan would result in practical difficulties or unnecessary hardships inconsistent with the general purpose and intent of the Plan;

b. There are exceptional circumstances or conditions applicable to the property or to the intended development of the property which do not apply generally to other properties having the same standards, restrictions, and control;

c. Permitting a variation will not be materially detrimental to the public welfare or injurious to property or improvements in the area;

d. Permitting a variation will not be contrary to the objectives of the Plan; and

e. The Agency will ensure that any deviation will not impair the purpose of this Plan, the Zoning district or any applicable zoning regulations.

G. Design Guidelines

Within the limits, restrictions, and controls established in this Plan, the Agency is authorized to establish heights of buildings, land coverage, set back requirements, design and sign criteria, traffic circulation, traffic access, parking, and other development and design controls necessary for proper development and use of both private and public areas within Redevelopment Area 2. These may be established by the approval of specific developments, by the adoption of general restrictions and controls, by resolution of the Agency, or by the adoption of one or more Design Guidelines pursuant to this Section.

H. Building Permits

No permit shall be issued for the construction of any new building or any addition, construction, moving, conversion or alteration to an

existing building in Redevelopment Area 2 from the date of effectiveness of the ordinance approving this Plan until the application for such permit has been reviewed by the Agency. Any permit that is issued hereunder must be in conformance with the provisions of this Plan, any Design Guidelines adopted by the Agency, any restrictions for controls established by resolution of the Agency, and any applicable participation or other agreement.

The City may request that the Agency comment on an application for a building permit in order to determine whether the application conforms to the requirements of this Plan. Agency review will be advisory only and will not control the City's approval or disapproval of an applicant.

I. Nondiscrimination and Nonsegregation

There shall be no discrimination or segregation based on race, color, sex, age, creed, religion, national origin or ancestry permitted in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of property in the Redevelopment Area.

METHOD OF

FINANCING THE AREA

V. METHOD OF FINANCING THE AREA

A. General Description of the Proposed Financing Method

The Agency is authorized to finance activities in Redevelopment Area 2 with tax increment funds; interest income; Agency bonds, donations; loans from private financial institutions; the lease or sale of Agency owned property; owner participant or developer loans; participation in development; or with financial assistance from Clark County, the City, State of Nevada, the federal government, or any other available source, public or private.

The Agency is also authorized to obtain advances, borrow funds, issue bonds, and create indebtedness in carrying out this Plan. The principal and interest on such indebtedness may be paid from tax increments or any other funds available to the Agency. Advances and loans for surveys and planning, and for the operating capital for administration of Redevelopment Area 2, may be provided by the City or any other available source, public or private, until adequate tax increment or other funds are available or sufficiently assured to repay the advances and loans and to permit borrowing adequate working capital from other sources. The City, as it is able, may also supply additional assistance through issuance of bonds, loans and grants and in-kind assistance.

Tax increment financing, as authorized by this Plan, is intended as the primary source of financing (in combination with other sources of financing that may be available) for specific activities in Redevelopment Area 2.

The Agency is authorized to finance this Plan by all means permitted by law. The analysis and description of the proposed method of financing the Redevelopment Plan is contained in the Agency's Report to the City Council. The analysis provides sufficient detail to determine the economic feasibility of this Plan.

B. Tax Increment Funds

All taxes levied upon taxable property within Redevelopment Area 2 each year, by or for the benefit of the State of Nevada, Clark County, the City of Las Vegas, any district or any other public corporation (hereinafter sometimes called "taxing agencies") after the effective date of the ordinance approving this Plan, shall be divided as follows:

1. That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in Redevelopment Area 2 as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in Redevelopment Area 2 on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the County last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in Redevelopment Area 2 on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the state and becomes exempt from taxation, the assessed valuation of the exempt property as shown on that assessment roll must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

2. Except as otherwise provided in paragraphs 3 and 4, that portion of the levied taxes each year in excess of the amount set forth in paragraph 2 must be allocated to and when collected must be paid into a special fund of the Redevelopment Agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the Redevelopment Agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in Redevelopment Area 2 exceeds the total assessed valuation of the taxable property in Redevelopment Area 2 shown on the last equalized assessment roll referred to in paragraph 1, all of the taxes levied and collected upon the taxable property in Redevelopment Area 2 must be paid into the funds of the respective taxing agencies. When the Redevelopment Plan is terminated and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in Redevelopment Area 2 must be paid into

the funds of the respective taxing agencies as taxes on all other property are paid.

3. That portion of the taxes in excess of the amount set forth in paragraph (1) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to, and when collected must be paid into the appropriate fund of the taxing agency.

4. That portion of the taxes in excess of the amount set forth in paragraph (1) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996 must be allocated to, and when collected must be paid into the appropriate fund of the taxing agency.

Except as otherwise provided, in any fiscal year, the total revenue paid to the Redevelopment Agency must not exceed an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent (10%) of the total assessed valuation of the City.

For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the Redevelopment Plan is the assessment roll in existence on March 15th immediately preceding the effective date of the ordinance.

This section shall be construed to fully implement the provisions of the Community Redevelopment Law Section 279.676.

C. Agency Bonds

The Agency is authorized to issue bonds from time to time, if it deems it appropriate to do so, in order to finance all or any part of activities in Redevelopment Area 2.

Neither the members of the Agency, Agency staff, nor any persons executing the bonds are liable personally on the bonds by reason of their issuance.

The bonds and other obligations of the Agency are not a debt of the City, the state or any of its political subdivisions and neither the City, the state nor any of its political subdivisions is liable on them,

nor in any event shall the bonds or obligations shall so state on their face. The bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

D. Time Limit on Issuing Securities or Establishment of Indebtedness

Securities must not be issued and no indebtedness may be incurred in any other manner, by or on behalf of the Agency to finance, in whole or in part, the Redevelopment Plan beyond 30 years after the date on which the Redevelopment Plan is adopted, except that the Agency may incur enter into leases or indebtedness at any time before the termination of the Redevelopment Plan if the leases are terminated or if the indebtedness is fully repaid no later than the termination of the Redevelopment Plan. The maturity date of any securities which are refunded must not extend beyond the date of termination of the Redevelopment Plan.

Any securities issued by or on behalf of the Agency to finance, in whole or in part, redevelopment pursuant to NRS 279.620 to 279.626, inclusive, and 279.634 to 279.672, inclusive, must mature and be fully paid, including any interest thereon, before the termination of the Redevelopment Plan.

E. Other Loans and Grants

Any other loans, grants, guarantees, or financial assistance from the United States, the State of Nevada, or any other public or private source will be utilized if available as appropriate in carrying out activities in Redevelopment Area 2.

VI. ACTIONS BY THE CITY

The City may aid and cooperate with the Agency in carrying out this Plan and may take all actions necessary to ensure the continued fulfillment of the purposes of this Plan and to prevent the recurrence or spread in the area of conditions causing blight. Actions by the City may include, but are not limited to, the following:

1. Institution and completion of proceedings for opening, closing, vacating, widening, or changing the grades of streets, alleys, and other public rights-of-way, in Redevelopment Area 2. Such action by the City shall include the requirement of abandonment, removal, and relocation by the public utility companies of their operations in public rights-of-way as appropriate to carry out this Plan, provided that nothing in this Plan shall be construed to require the cost of such abandonment, removal, and relocation be borne by others than those legally required to bear such costs;

2. Institution and completion of proceedings necessary for changes and improvements in private and publicly-owned utilities within or affecting Redevelopment Area 2;

3. Revision or adoption of the City zoning ordinance(s), specific plan(s), or the Master Plan as appropriate within Redevelopment Area 2 to permit the land uses and development authorized by or necessary or desired to carry out this Plan;

4. Imposition wherever necessary (by covenants or restrictions, conditional use permits or other means) of appropriate controls within the limits of this Plan upon parcels in Redevelopment Area 2 to ensure their proper development and use;

5. Execution of statutory development agreements where necessary and appropriate to facilitate developments approved by the Agency;

6. Provisions for administrative enforcement of this Plan by the City, as appropriate, after development;

7. Performance of the above actions, and of all other functions and services relating to public health, safety, and physical development normally rendered in accordance with a schedule which will permit the redevelopment of Redevelopment Area 2 to be commenced and carried to completion without unnecessary delays;

8. Provisions of services and facilities by the various officials, offices and departments of the City for the Agency's purposes under this Plan;

9. Provision of financial assistance in accordance with this Plan or as authorized by law; and/or

10. The undertaking and completing of any other proceedings necessary to carry out activities in Redevelopment Area 2.

The foregoing actions to be taken by the City may involve financial outlays by the City, but do not constitute a commitment to make such outlays.

VII. ENFORCEMENT

The administration and enforcement of this Plan, including the preparation and execution of any documents implementing this Plan, shall be performed by the Agency and/or the City.

Without limitation on the powers conferred on the City or Agency by statute or law, the provisions of this Plan or other documents entered into pursuant to this Plan may also be enforced by court litigation instituted by either the Agency or the City. Such remedies may include, but are not limited to, specific performance, damages, re-entry, injunctions, or any other remedies appropriate to the purposes of this Plan. In addition, any recorded provisions which are expressly for the benefit of owners of property in Redevelopment Area 2 may be enforced by such owners.

VIII. DURATION OF THIS REDEVELOPMENT PLAN

The provision of this Plan and any amendments hereto shall be effective, and the provisions of other documents formulated pursuant to this Plan may be made effective, for thirty (30) years after the date on which the original Plan was initially adopted, or date to be inserted in the Final Plan. This Plan and any amendments hereto will terminate thirty (30) years after the date on which this Plan is adopted.

IX. PROCEDURE FOR AMENDMENT

This Plan may be amended by means of the procedure established in the Community Redevelopment Law, or by any other procedure established by law.

X. IMPLEMENTATION AGREEMENTS

The Agency and City may enter into any agreement(s) between them which they deem necessary to implement the provisions of this Plan. Such agreements shall relate only to the implementation of this Plan and shall not revise, change or modify any of the provisions, requirements or limitations of this Plan.

XI. SEVERABILITY

If any provision, section, subsection, subdivision, sentence, clause or phrase of this Plan is for any reason held to be invalid, unenforceable, or unconstitutional, such decision shall not affect the validity and effectiveness of the remaining portion or portions of the Plan. In the event that any portion of Redevelopment Area 2 shall be determined to have been invalidly or incorrectly included in Redevelopment Area 2 that is the subject of this Plan, such portion of Redevelopment Area 2 shall be deemed severable from the remainder of Redevelopment Area 2 and the remainder of Redevelopment Area 2 shall remain fully subject to the provisions of this Plan.

DEFINITION OF BLIGHT

The rationale behind the State of Nevada enabling laws to create redevelopment agencies resides in NRS 279.416-420. These statutes describe conditions of blight and deterioration that, if prevalent, constitute a menace to the health, safety and welfare of communities. Conditions of blight as delineated in NRS 279.388 are reprinted, verbatim in the box below.

1. Except as otherwise provided in subsection 2, "blighted area" means an area which is characterized by at least four of the following factors:
   (a) The existence of buildings and structures, used or intended to be used for residential, commercial, industrial or other purposes, or any combination thereof, which are unfit or unsafe for those purposes and are conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime because of one or more of the following factors:
      1) Defective design and character of physical construction.
      2) Faulty arrangement of the interior and spacing of buildings.
      3) Inadequate provision for ventilation, light, sanitation, open spaces and recreation facilities.
      4) Age, obsolescence, deterioration, dilapidation, mixed character or shifting of uses.
   (b) An economic dislocation, deterioration or disuse.
   (c) The subdividing and sale of lots of irregular form and shape and inadequate size for proper usefulness and development.
   (d) The laying out of lots in disregard of the contours and other physical characteristics of the ground and surrounding conditions.
   (e) The existence of inadequate streets, open spaces and utilities.
   (f) The existence of lots or other areas which may be submerged.
   (g) Prevalence of depreciated values, impaired investments and social and economic maladjustment to such an extent that the capacity to pay taxes is substantially reduced and tax receipts are inadequate for the cost of public services rendered.
   (h) A growing or total lack of proper utilization of some parts of the area, resulting in a stagnant and unproductive condition of land which is potentially useful and valuable for contributing to the public health, safety and welfare.
   (i) A loss of population and a reduction of proper use of some parts of the area, resulting in its further deterioration and added costs to the taxpayer for the creation of new public facilities and services elsewhere.
   (j) The environmental contamination of buildings or property.
   (k) The existence of an abandoned mine.

Finally, NRS 279.519 states that a redevelopment area need not be restricted to only those building improvements or lands which are detrimental or inimical to the public health, safety or welfare, but may consist of an area in which such conditions predominate and injuriously affect the entire area. Furthermore, a redevelopment area may include, in addition to blighted areas, lands, buildings or improvements which are not detrimental to the public health, safety or welfare, but whose inclusion is found necessary for the effective redevelopment of the area of which they are a part. These criteria are critical for the City of Las Vegas Redevelopment Agency as the redevelopment area contains a few parcels which do not appear to have significant decline or deterioration. However, these parcels are threatened by other parcels which exhibit a variety of conditions of blight including deterioration, safety hazards, economic maladjustment, depreciating property values, stagnant population and the unproductive use of land.

This Blight Study is a component of the documentation required to establish a new redevelopment area within the City of Las Vegas.

APPROACH AND METHODOLOGY

With the legal definition of blight clearly described, it is necessary to demonstrate how, and where, these conditions exist. To accomplish this, a common sense interpretation of the individual blight statutes has been provided. In turn, specific examples of blight located within the City of Las Vegas Redevelopment Area were identified and compared to the interpretations, thereby clearly documenting the extent of blight. For ease of understanding, the format used is to:

1. List the legal blight factor as defined by NRS;
2. List the common sense interpretation;
3. Provide the specific examples which demonstrate these characteristics.

Both primary and secondary data sources were used to quantify existing conditions in the proposed redevelopment area. The primary method for evaluating the existence and prevalence of conditions that characterize blight were extensive field surveys of existing physical conditions. These field surveys were conducted in March 2010 through November, 2010.

Parcels within the proposed Redevelopment Area were analyzed individually and collectively and both physical and economic blight indicators were observed in the field surveys. These blight indicators include inadequate streets, flood prone conditions, deterioration and dilapidation of structures, age and obsolescence, population stagnation, and economic maladjustment. Secondary data sources include U.S. Census Bureau records, and interviews with City of Las Vegas staff and public officials. Finally, numerous pictures of blighted parcels were taken in order to provide a permanent, visual record of the extent of decline and deterioration.

GENERAL DESCRIPTION OF THE PROPOSED REDEVELOPMENT AREA

The proposed new Redevelopment Area ("Redevelopment Area 2") can be divided into three (3) distinct corridors:

- Sahara Avenue
- West Charleston Boulevard
- South Decatur Boulevard

The **Sahara Avenue Corridor** can be generally described as the following area:

> *East Boundary is the west side of the South I-15 ramp to West Sahara Avenue; North and South Boundary is West Sahara Avenue; and the West Boundary is the east side of South Rainbow Boulevard.*
>
> *Additionally there are two residential areas within the Sahara Avenue Corridor:*
>
> 1) *Richfield Village (Richfield Neighborhood Association) Beginning at Sahara Avenue, to Rye St., (Tract Block Group Boundary, then to the Precinct Boundary), then to Wyandotte Street, then to the intersection of Wilmington Way & Kings Way, then to Teddy Drive and then to Sahara Avenue, and,*
> 2) *Las Verdes Heights (Keen Neighborhood Coalition) Beginning at Sahara Avenue at Valley View, then proceeding west to Arville Street, then south to Tara Avenue, and then east to Valley View.*

The Sahara Corridor is considered a major transportation corridor within the city of Las Vegas. While the eastern boundary is characterized by newer buildings that contain office, retail and service oriented businesses, as you proceed west, the buildings are older and have a dated architectural style and reveal significant aging.

This corridor consists of **625 parcels**. Thirty-two percent (32%) are zoned as commercial parcels and sixty-seven percent (68%) are zoned low-density residential and three (3) and four (4) plex residential buildings. These 592 parcels equate to 418 acres – seventy-nine percent (79%) commercial and twenty-one percent (21%) low-density residential (R-1, R-3, and R-4).

The **West Charleston Boulevard Corridor** can be generally described as the following area:

> *East Boundary is the west side of South Rancho Drive; North and South Boundary is West Charleston Boulevard; and the West Boundary is the east side of South Rainbow Boulevard.*

Additionally there is a residential area within the West Charleston Boulevard Corridor:

1) *Hyde Park Subdivision (Meadows Neighborhood Preservation Neighborhood Association)*
   Bounded by Charleston Blvd. on the south, west to Decatur Blvd., north to Alta Drive, and then east to Bedford Road.

The Charleston Corridor is also a significant commercial corridor within the city of Las Vegas. It also is one of the older commercial corridors located in the city limits. Many parcels have businesses located on them with plot lines running through the property, making it challenging for property owners to develop their property for a changing economic and population demographic. Architectural style of these buildings is dated and not aesthetically pleasing for positive progress within the community.

This corridor consists of **1,008 parcels**. Thirty-six percent (36%) are zoned as commercial parcels and sixty-four percent (64%) are zoned as low-density residential. These 983 parcels equate to 447 acres – seventy percent (70%) commercial and thirty percent (30%) low-density residential.

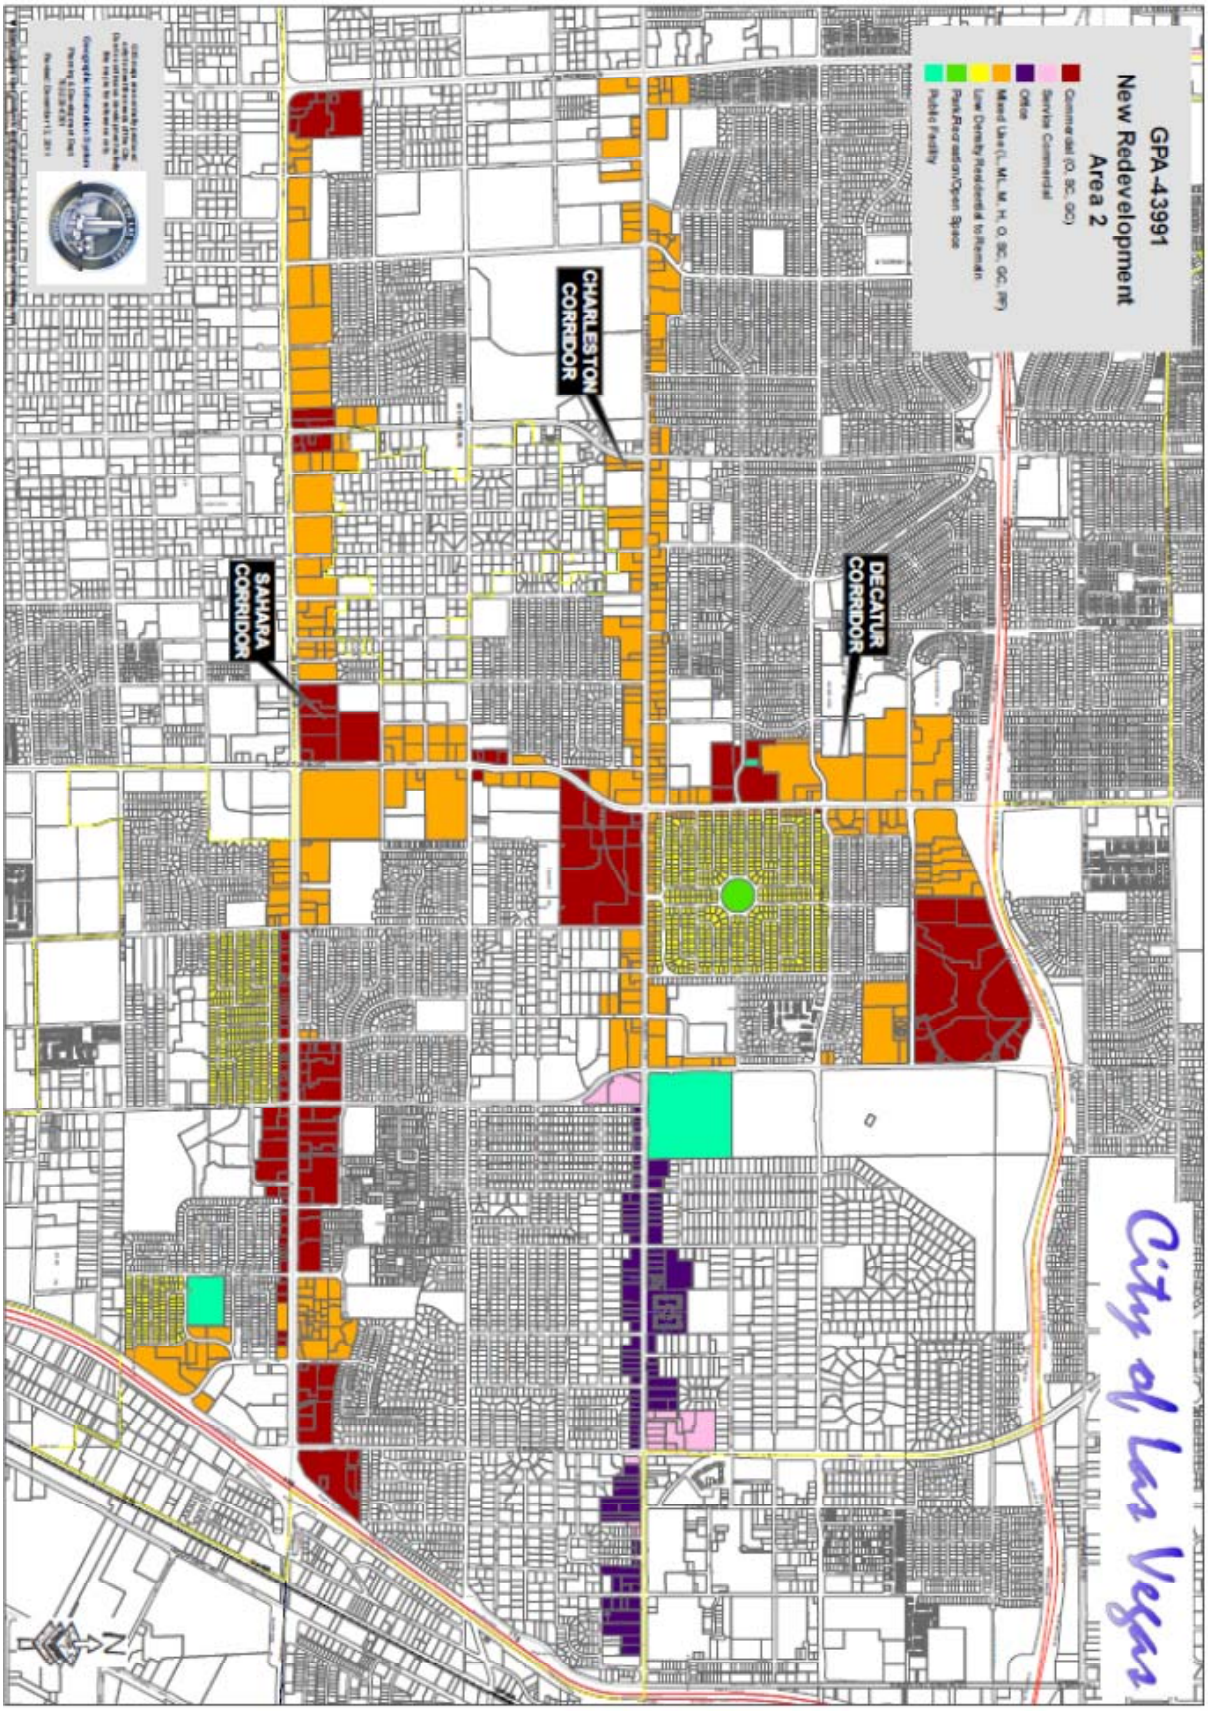

The **South Decatur Boulevard Corridor** can be generally described as the following area:

South Boundary is the north side of West Sahara Avenue; East and West Boundary is South Decatur Boulevard; and North Boundary is generally the south side of the US 95.

The Decatur Corridor is a newer commercial corridor populated with commercial centers that are larger in scale than the other two corridors. While these properties may be considered "young", there has been a growing deterioration of the properties and a dated architectural look. This area also is host to a regional mall that was built in 1979-1980 and has shown an increasing vacancy rate.

This corridor consists of **125 parcels**. Ninety-nine percent (99%) is zoned commercial and equates to 321 acres.

These three corridors are included in the City of Las Vegas Master Plan 2020 and incorporated in the Neighborhood Revitalization Area. The Neighborhood Revitalization Area foresees a strategy to address the decline of older, mature areas that are affected by a shift in land use base, has a significant decline in the economic base, and an increase in property crime, vandalism and graffiti.

IDENTIFICATION OF BLIGHT WITHIN THE PROPOSED LAS VEGAS REDEVELOPMENT AREA

As previously mentioned, this Study describes, in **bold face headings**, each of the specific blight factors defined in state statutes. The interpretation of the statute appears in italics. Blighting factors in NRS 279.388 that are not addressed in this Blight Report, due to the fact that they do not exist, nor avail themselves to evaluation, are (j) Environmental contamination of buildings or property and (k) Existence of an abandoned mine. Finally, the applicable data that demonstrates the existence of blight and meets the specific factor under consideration is provided.

Unfit or Unsafe Buildings or Structures

A. The existence of buildings and structures, used or intended to be used for residential, commercial, industrial or other purposes, or any combination thereof, which are unfit or unsafe for those purposes and are conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime because of one or more of the following factors (1-4).

This category of the law deals with the physical condition of buildings in a redevelopment area. It includes subcategories that describe specific indicators of blight: defective design and physical construction; faulty arrangement of interiors and spacing of buildings; overcrowding; inadequate provisions for ventilation, light, sanitation, open spaces and recreational facilities and age and obsolescence of structures.

Each of these categories is discussed separately, and in detail below.

Defective Design and Physical Construction

1) *Defective design and character of physical construction.*

Buildings of any type may suffer deterioration or disuse, or may contribute to such problems in other buildings, because of inherent defects in their design. Such buildings can present safety hazards, be functionally inefficient or facilitate their own deterioration. Defects may exist from the moment a given building is completed or they may evolve as occupants attempt to accommodate change in uses within the building or within surrounding buildings over time.

Conditions of defective design can occur in a variety of ways, and can include inappropriate exterior building materials, or a building that is of inadequate size for the intended use, or exterior retrofit of utilities, such as electrical and water systems. A faulty addition to a building can also be considered defective design.

To document the degree of dilapidation and where deterioration originates of the properties surveyed, field staff surveyed the conditions of only the exteriors of structures from the public right-of-way. Two points must be considered: 1) field staff can only examine and evaluate the most durable portions of the structure and property, i.e. the roof, exterior walls and windows and 2) the structure may be concealing any number of structural deficiencies, which may have a negative impact on the integrity or safety of the structure, but may not be visible from the public right-of-way. The presence of negative conditions that may be hidden by a more durable exterior means that conditions of deterioration may be more prevalent than indicated in this Blight Report.

Since the deterioration couldn't be directly traced to defective design the structures/parcels are listed in category 4 which covers dilapidation and deterioration. Regardless of the reason for deterioration, it is always a serious problem and has a profound impact on the likelihood of new investment and further deterioration.

Faulty Arrangement of Interiors and Spacing of Buildings

2) *Faulty arrangement of the interior and spacing of buildings*

Indicators of faulty interior arrangement and spacing of buildings include inadequate setbacks and side yards resulting in fire hazards, inadequate loading, inadequate on-site parking areas, excessive lot coverage, and exposed outdoor storage and/or production.

Field surveys were conducted from public rights-of-way, and did not include an assessment of interior spaces. There were no available secondary data sources for this information.

The city of Las Vegas can be considered a relatively young municipality. For the most part, recent commercial developments are more likely to meet the required set backs for development purposes. Older commercial developments or structures that were once designated as residential units and are now a professional office or service business are an indicator of blight due to inadequate on-site parking, excessive lot coverage and problems with ingress and egress for customers and safety vehicles.

Instances of this issue were found in all three corridors. Twelve (12) parcels in Sahara, twenty-one (21) properties in Decatur, and 103 parcels in Charleston are zoned as Professional-Residential (P-R). These are former residential homes that have been converted into business/commercial property. In total these parcels account for 7.60 percent of the parcels and 4 percent of the acreage in the proposed new redevelopment area.

Some examples of outdoor storage, which weren't screened from view, were observed. These are identified by the existence of an outdoor storage unit or a fenced in area designated for storage. Exposed outdoor storage is a blight factor in itself, but it can also lead to additional health and safety problems and poses a potential fire hazard to nearby residents and property owners.

3) *Inadequate provision for ventilation, light, sanitation, open spaces and recreational facilities*.

A typical indicator of inadequate ventilation and light includes building walls with windows placed too close together so that air and light cannot reach the windows. Open space and recreational facilities refers to parks and playgrounds which are inadequately maintained.

There were only a few examples of blight due to inadequate sanitation observed. It could not be determined if the condition was due to the business owner or a random act by a citizen(s). Often times, citizens will place debris or refuse in unlocked sanitation areas. This is a minor problem in all three corridors of the proposed new redevelopment area. Increased attention by business and property owners would minimize this blighting factor.

Age, Obsolescence and Deterioration and Dilapidation Mixed Character, Shifting of Uses

4) *Age, obsolescence, deterioration, dilapidation, mixed character or shifting of uses.*

Age refers to buildings and structures of older construction that have not been renovated or upgraded to: eliminate deterioration; modernize heating, ventilation, plumbing or electrical systems; or remedy code or other legal violations or inadequacies. Obsolescence refers to an outdated building design and layout, or site plan that is no longer useful or economically viable given present-day standards or market needs. Such buildings may encourage marginal uses or become neglected and pose safety hazards.

Dilapidation and deterioration are characteristics of buildings or structures.

The terms "Mixed Character" and "Shifting of Uses" refer to a use in a building that was not intended for that building and, consequently, the building is usually poorly adapted and inefficient. This is considered a blighting characteristic because it can lead to incompatible uses, and increased deterioration if buildings are put to more rigorous use than originally intended.

Dilapidation and Deterioration

Ratings in this blight category are the product of first hand field observations. These observations occurred on various dates from March 2010 to October 2010.

The rating categories used in the field survey to assess conditions are generally defined as follows:

- Buildings or land rated as excellent or in good condition (**"0" or "1")** are in need of little or no maintenance; vacant parcels are well cared for and not overgrown with weeds or other debris.

- Buildings or land rated as deferred maintenance (**"2" or "3"**) need minor improvements such as paint or other exterior cosmetic repairs; vacant parcels need minor landscaping improvements.

- Buildings or land rated as needing moderate rehabilitation ("**4**") require a substantial amount of improvement such as a new roof, exterior siding, foundation repairs, etc.; vacant parcels are extensively overgrown and may exhibit topographical problems; and

- Buildings or land rated as needing extensive rehabilitation ("**5**") are abandoned or boarded up, very poorly maintained, have significant structural damage or need several major repairs. Vacant parcels are thoroughly overgrown with weeds, have substantial debris, have been used as a common dumping ground, exhibit foundations of demolished buildings, have severe topographical problems, etc.

Structures that were assigned a rating of "2", "3", "4" or "5" are considered to be in a state of dilapidation or deterioration. While a property may have been assessed a relatively low blight rating, such as a rating of "2", the conditions of the surrounding properties are also a factor in determining the level of blight within an area. Deteriorated buildings which have not been properly maintained by property owners and tenants are a hindrance to attracting new development to the area. Existing property owners and prospective developers are often discouraged from investing in an area where deterioration is prevalent, because security in their investment is uncertain. The presence of properties which exhibit signs of deterioration may also deter owners of neighboring properties from improving or even maintaining their properties. This occurs if it appears that any benefits which might accrue to their properties will be diminished or negated due to the condition of surrounding properties. This presents a risk of decreases in property values if deteriorated conditions are permitted to persist.

Dilapidated and Deteriorated

The overriding blight factor in all three corridors is evidence of dilapidation and deterioration. Of the total of 704 commercial parcels, staff evaluations rated 123 parcels/building as "4" or requiring moderate rehabilitation or substantial improvement, and 35 parcels/buildings as "5" requiring extensive rehabilitation. More importantly, staff evaluated 311 parcels/buildings as "2 or 3" requiring deferred maintenance/minor improvements. In short, 469 of the 638 parcels in the proposed new Redevelopment Area, or 66 percent, are judged to be deteriorated or dilapidated under this blight factor.

While a parcel/building that has what may be considered a lower blight rating, such as a "2 or 3", it is important to note that once a building or parcel becomes deteriorated and/or dilapidated, it is incumbent upon the property owner to address and undertake the necessary maintenance and improvements to keep the property from further decay. Given the current economic environment, many property owners are financially impacted and cannot make those continued investments in the property.

Table 1
Summary Condition of Buildings & Parcels in the Proposed New Redevelopment Area 2 (Commercial Parcels)

	Condition	No. of Parcels	Percent of all Parcels
0 or 1	Buildings or vacant land in excellent or good condition, minor landscape improvements needed.	235	33%
2 or 3	Deferred maintenance/minor improvements needed, vacant land slightly overgrown	311	44%
4	Moderate rehabilitation/substantial improvements needed, vacant land severely overgrown	123	17%
5	Extensive rehabilitation/structural damage/major repairs/abandoned, vacant land thoroughly overgrown, demolished foundations, debris	35	5%
	TOTAL	**704**	**100%**

Total Dilapidated & Deteriorated (2 – 5) 66%

B. **Economic Dislocation, Deterioration or Disuse**

An economic dislocation, deterioration, or disuse resulting from faulty planning. Evidence of faulty planning results from buildings containing uses, which are incompatible with adjacent uses.

Incompatible uses observed in the three corridors could be characterized by the mix of businesses which are near residential parcels. Some parcels located in the proposed new redevelopment area back up to single-family homes and multi-family apartments. The majority of those parcels were located in mature areas of the business/commercial center. This blighting characteristic is not a major factor in the proposed new redevelopment area.

C. Lots of Irregular or Inadequate Shape or Size

The subdivision and sale of lots of irregular form and shape and inadequate size for proper usefulness and development.

The economic viability of an area is reduced when it contains a number of lots of inadequate size for usefulness and development. This situation is commonly the result of historical subdivision and development patterns, as well as shifting economic trends in commercial sectors (e.g. shifts in the demand for goods and services). Adequate parcel size and dimension are necessary if land is to be effectively utilized. Certain minimum lot sizes are required not only for code compliance, but also to make development and redevelopment attractive to investors. Parcels must be large enough to accommodate the primary structure, setback area, circulation, and parking space. Parcels not able to meet these conditions may require that potential investors acquire adjacent properties (which may not be for sale) or forego rehabilitation or development of a property in lieu of an attractive site of adequate size and dimensions. Section 279.388 of the NRS considers the "subdividing and sale of lots of irregular form and shape and inadequate size for proper usefulness and development" a characteristic of a blighted area.

New and recently built commercial development tends to be designed in an appropriate manner which does not impact potential investment in the surrounding properties. It is only when you look at the older, more mature commercial development that this blighting characteristic has a role in impacting future investment in a property. For example, the parcels in the Charleston corridor that are zoned as Professional-Residential (P-R) may have a typical single-family lot shape, but when you have multiple parcels designated as P-R along a commercial corridor, then investment in the area will be negatively impacted. The Charleston corridor has 103 parcels designated as P-R. The Sahara corridor has 12 and Decatur corridor has 21 parcels designated as P-R.

D. Disregard to Contours or Physical Conditions

The laying out of lots in disregard of the contours and other physical characteristics of the ground and surrounding conditions. This blighting characteristic refers to the presence of parcels that, because of their layout, create problems with, or do not take advantage of, opportunities presented by the topography of an area.

No examples of parcels with contour or physical condition problems in the proposed new Redevelopment Area were found.

E. Inadequate Streets or Physical Conditions

The existence of inadequate, deteriorating, rutted streets, open space and utilities. Section 279.388 of the NRS states a blighted area may also be characterized by the existence of inadequate public streets, open space or utilities. Inadequate streets are defined as those that lack the capacity to carry the existing or anticipated vehicular traffic, or provide inadequate access to an area. Inadequate open space refers to a lack of sufficient parks and recreation areas. Inadequate utilities means that an area lacks or is poorly served with electricity, gas, telephone or other services necessary for successful development.

The majority of the commercial parcels in the proposed new Redevelopment Area are mostly along the major commercial corridors of Sahara, Charleston and Decatur. There was some deterioration of curbs, sidewalks, gutters and streets in all three corridors, but most of the parcels are the responsibility of the city and are on a regular schedule for maintenance and repair.

Field observations throughout the three commercial corridors showed that this blighting condition has no impact for the proposed new Redevelopment Area.

F. Possible submerging

The existence of lots or other areas which may be submerged. Areas which are flood prone or in a flood plain can be considered as possible submerging candidates.

The Clark County Regional Flood Control District's interactive website for determining if an area is within a 100 Year Flood Zone shows that the proposed new Redevelopment Area will not be impacted. No parcels were found to be a blighting influence due to potential flood problems.

G. Depreciated or Deteriorating Values

Prevalence of depreciated values, impaired investments and social and economic maladjustment to such an extent that the capacity to pay taxes is reduced and tax receipts are inadequate for the cost of public services rendered. Conditions where assessed values have been declining or failing to keep pace with those in other comparable locations indicates a lack of investment by existing property owners and outside investors.

To assess the depreciated or deteriorating values of the parcels in the three corridors, staff examined whether or not an area's housing stock is keeping pace with the overall performance of the City. Information was obtained from the 2000 Census and the 2005-2009 American Community Survey (ACS). When these figures are compared with the housing figures for the zip codes of the new Redevelopment Area (89102, 89106 and 89107) a determination whether housing figures are maintaining pace can be evaluated.

Apartment contract rent figures provide us with the overall monthly contract rent for the City of Las Vegas and the zip codes of the proposed new Redevelopment Area. From the 2000 Census to the 2005-2009 ACS, we find that the city's contract rent increased from $632 to $841, a 33percent increase. The contract rent for 89102 was $564 to $701, a 24 percent increase. Contract rent for 89106 was $496 to $642, a 29 percent increase. Contract rent for 89107 was $618 to $781, a 26 percent increase. Additionally we can compare the respective zip code's contract rent with the city's contract rent and see that from 2000 Census to the 2005-2009 ACS that each zip code represented a decline of the city's average contract rent. In 2000, 89102's contract rent represented 89 percent, and fell to 83 percent; 89106's contract rent represented 78 percent and fell to 76 percent; and 89107 represented 98 percent and fell to 93 percent.

The decline clearly demonstrates deterioration in the value of the multi-family housing stock in the proposed new Redevelopment Area. A failure to keep pace with the market is an indication of impaired investment and economic maladjustment throughout the study area.

As for economic maladjustment, median household (HH) income is used. Data from the 2009 through 2011 Las Vegas Perspective was used to make a determination of the level of economic maladjustment. The Perspective provides statistical information on 121 zip codes in Clark County. Median HH incomes in areas 89102, 89106, and 89107 in 2009 were $36,116, $33,305, and $46,535; for 2010 - $35,882, $33,357, and $46,398; and for 2011 - $36,715, $35,028, and $47,142. The city's median HH income in 2009 was $58,148 and for 2010 $58,432.

When you look at the 2000 Census data and the 2005-2009 ACS data for the median HH income, you will find that the 89102, 89106, and 89107 zip codes had a decrease in the percentage of the citywide median HH income. In 2000, 89102, 89106, and 89107 represented 73 percent, 63 percent, and 92 percent respectively. In the 2005-2009 ACS data, these three zip codes represented just 68 percent, 56 percent, and 88 percent of the citywide median HH income. This shows that there has been significant economic maladjustment in the proposed new Redevelopment Area.

To assess social maladjustment, we will look at crime statistics and educational levels for the three zip codes that encompass the proposed new Redevelopment Area. From an educational perspective, the national percentage of the population having attained a Bachelor's degree is 17.4 percent (ACS Summary – Census). The percentage for 89102, 89106, and 89107 are 8 percent, 6 percent, and 7.5 percent respectively.

When comparing crime statistics to the national median violent crime index of 4.5, obtained from NeighborhoodScout.com, you will see that 89102, 89106 & 89107 are much higher than the national median, the state's median (7.52) and the Las Vegas MSA (23.85). For violent crimes, the rate ranged from 13.94 to 42.86 in those three zip codes. For property crimes, the national median was 32.1, state median was 35.77, Las Vegas MSA median was 95.49, and the range for the three zip codes was 37.96 to 145.79.

Together, these two indicators demonstrate a significant economic maladjustment from the national levels of crime and education. This results in an area which exhibits the type of social maladjustment which is characteristic of a blighted community.

The proposed new Redevelopment Area suffers from depreciated property values, social and economic maladjustment. Every parcel being considered within the proposed new Redevelopment Area is blighted due to depreciating/deteriorating property values and social and economic maladjustment.

H. Growing, or Total Lack of, Proper Utilization

Growing or total lack of proper utilization of some parts of the area, resulting in a stagnant and unproductive condition of land which is potentially useful and valuable for contributing to the public health, safety and welfare.

This factor refers to the existence of one or more conditions (such as declining or slowly growing property values, or vacant land dispersed among developing properties) that indicate the economic health of an area is declining or stagnating, and that by themselves, or in combination with other physical and social conditions, prevent the private marketplace from economically using, maintaining, upgrading, developing or redeveloping the area.

This blighting characteristic was evaluated in relation to other blighting characteristics, such as the age, obsolescence, deterioration and dilapidation, mixed character; faulty arrangement of the interior and spacing of buildings; lots of irregular form, shape and inadequate size for proper usefulness and development; and economic and social maladjustment. Vacant properties, property zoned as Professional-Residence (P-R) and the overall economic viability of a property/parcel contribute to meeting blighting conditions and preventing private development to make an investment in the proposed new Redevelopment Area.

It is important to emphasize that while the numbers of parcels appear nominal, they have a major impact on the entire neighborhood. More importantly, they provide a dramatic indicator to the private sector that the risk of investing in these areas is likely to be much greater than others. In fact, since Las Vegas was one of the fastest growing cities in the country and the opportunities for the developer were so numerous, the likelihood of them investing in neighborhoods with the risk associated with underutilized property is extremely tenuous.

I. Loss of Population or Use

Loss of population and a reduction of proper use of some parts of the area, resulting in further deterioration and added costs to the taxpayer for the creation of new public facilities and services elsewhere.

The 2000 Census and the 2010 Census Summary provided statistics on population. The three zip codes included within the proposed new Redevelopment Area are 89102, 89106 and 89107. These zip codes were compared to the entire City of Las Vegas to provide perspective on population loss or stagnation.

This comparison proved extremely revealing demonstrating an overall stagnation within the proposed new Redevelopment Area. Between 2000 and 2010 the City of Las Vegas' population increased by 102,900 or 21% or 1.96% on an Annual Rate. In contrast, 89102 showed a **decrease** of **4%,** or a **-.46%** Annual Rate. 89106 showed a small **increase** of **.5%**, or a **.05%** Annual Rate. 89107 also had a minimal **increase** of **1%**, or a **.13%** Annual Rate. These anemic numbers, when contrasted to a City whose population increases make it one of the fastest growing cities in the country during this period, definitely indicates stagnation and decline. Couple these population figures with the other measures of deterioration previously reported verifies that the proposed new Redevelopment Area demonstrate a profound reduction in proper use of the Area and added costs to the taxpayer.

Summary

Of the 12 blight categories profiled, blight was identified in seven of them. Naturally the extent of this blight is more pervasive in some categories than others. Also, the magnitude of blight varies from Corridor to Corridor depending on the category. It is important to recognize that blight, even in minor numbers, has a substantial impact on deterioration of the entire area and a reluctance on the part of the private sector to contemplate new investment.

CONCLUSION

TABLE 2 provides a summary of the blight observed in the proposed Redevelopment Area. It is apparent that 100 percent of the parcels in the proposed Redevelopment Area are blighted in two categories. Similarly, a majority of all **704** parcels are considered dilapidated or deteriorated. This blight category is especially critical because deterioration of this nature has a tendency to spread to solidly maintained parcels quickly in challenging economic conditions.

In the last analysis, it has been clearly demonstrated that all parcels are blighted in some aspect and are further threatened by other parcels which are severely blighted. In short, it is apparent that the classic characteristics of blight delineated in NRS 279 are readily evident to the extent that they are detrimental to the public health, safety and welfare. These conditions exist in all three corridors of the proposed new Redevelopment Area to an extent where they predominate and may have injuriously affect to the entire proposed new Redevelopment Area.

TABLE 2

SUMMARY OF BLIGHT CONDITIONS
(704 Total Commercial Parcels)

Blight Factor	Blighted Parcels	Percent Blighted
A-1) Defective design* INCORPORATED IN A-4 BELOW	0	0%
A-2) Faulty arrangement & spacing of buildings	136	19%
A-3) Inadequate ventilation, light, sanitation, open spaces, and recreations facilities	0	0%
A-4) Age, obsolescence, deterioration, dilapidation, mixed character or shifting of uses	375	53%
B) Economic dislocation, deterioration or disuse	42	6%
C) Lots of irregular form, shape or size	45	6%
D) Lots in disregard to contours or other physical characteristics	0	0%
E) Inadequate streets, open spaces and utilities	0	0%
F) Lots which may be submerged	0	0%
G) Depreciated values, impaired investments, and social & economic maladjustment	704	100%
H) Stagnant and unproductive condition of land	61	8%
I) Loss of population resulting in further deterioration and added costs to the taxpayer	704	100%

RESIDENTIAL AREAS – Observations and Evaluation

There are three neighborhoods that are proposed for the new Redevelopment Area – Richfield Village; Las Verdes Heights; and Hyde Park Subdivision. Staff walked each neighborhood and noted the blighting conditions. Below is a summary of the findings.

There is obviously some ongoing reinvestment by some property owners. There is a visible on-going standard of maintenance and clear indications of pride of ownership on each block. The well manicured traditional lawns and landscaping, decorative fencing and patios are well planned, arranged and furnished as attractive outdoor rooms for entertaining, family and friends.

In contrast to those homeowners there are a substantial number of homes that exhibit deferred maintenance such as:

- Housing façades with bare wood components, gables ends, fascias, and trim that have years of peeling paint
- Buildings in general need of painting
- Variety of expedient, temporary patches on buildings
- Damaged roofs missing substantial shingles or other roofing material
- Roofs in need of major repair and or replacement
- Fascias and cornices deteriorated and separating from wall and /or roof systems
- Masonry repairs performed by non-qualified tradesmen, on walls, steps, porches, property fencing
- Dangerous masonry repairs that are not stable for the original purpose designed
- Wooden fences sagging, falling and fallen
- Old construction materials stored in yards or against the building
- Dead landscaping, dead trees, falling limbs left where they fell
- High weeds as fire hazard
- Front yards filled with concrete
- Front yards, side lots and ROW used for storage for vehicles, working and non-working- stored cars, trucks, boats, trailers, RV's and other debris
- Windows and doors with taped glass paned, or missing windows
- Hanging doors, not hung, appear to be non-functional
- Burned-out structures, partial and not occupied, left open to trespass; not posted or any indications of insurance repair or building permits, others having evidence of "intermittent owner repair"

Given the number of homes that exhibit the blighting conditions above, it can be determined that the neighborhoods have deteriorated to a point where private investment is no longer looking to invest in these neighborhoods. Programs and financial resources will need to be developed to address blight and disinvestment in the neighborhoods.
