PURPOSE/BACKGROUND:

This request is for a sewer connection to connect a single family dwelling. The owner proposes to connect to the 8-inch sewer in Cimarron Road adjacent to the property to a depth and location acceptable to the City of Las Vegas Collection System Planning. The Planning Department has determined the project does conform to the City's general plan for the area. The applicant has signed a Sewer Connection Agreement. This property is located within the Clark County Interlocal Annexation Exceptions area. Per the Interlocal Agreement city sewer service must be provided without the applicant signing a Petition for Annexation therefore annexation would not be possible should the parcel attain annexation requirements.

RECOMMENDATION:

Building & Safety in conjunction with Public Works recommends approval subject to conformance with all City codes and departmental standards and off-site improvements.
