PURPOSE/BACKGROUND:

Given the economic downturn and budget constraints, the city was not going to be able to fund the 2013 Corporate Challenge sporting event. Because the event has made significant impacts to the community and successful opportunities for participating companies, the Zappos Family is graciously donating \$70,000 to the city of Las Vegas, specifically earmarked to fund the Corporate Challenge in 2013. They do not want to be a sponsorship of the event, but rather a donation for the purpose of helping our community.

RECOMMENDATION:

Staff recommends City Council approval of the donation.
