Comment This location already has two business that sell beer/wine. This C-store is surrounded by residential, a park and a school. The current operator allows for the homeless to get drunk and pass out in the landscaping each and everyday. Also the barber shop in this center is already open till late in the night very unusaul. The addition of hard liquor to this neighborhood will add to easier access to alcohol for a location that already allows for its patrons to drink in the parking lot.
