RE: Agenda Item 56/SUP-48849

Dear Mr. Fagg:

Please accept this letter as our request to hold this item for one month. We are still working with staff regarding the drop off for the students and need additional time.

In addition, the traffic patterns will impact the residents and this would give us an opportunity to meet with them and review our request with them. Thank you for your consideration in this matter; please do not hesitate to contact me with any questions.

Yours truly,

Lucy Stewart
