Subject: RE: FR request to abolish eligibility lists

We would like to abolish the current Fire Engineer list which will be two years old May 11, 2013. We have verified with LVFR that they will not be selecting candidates from the current list. The department would like to move forward with establishing a new eligible list from our recent testing.

If this request is approved, please give me your approval and I will add it to the April 10, 2013 agenda.

For approval:

Sr Communications Specialist due to expire in July (1 ½ years old) – original 3 on the list; no one selected. This can be abolished without CSB approval as there are less than 5 on the list.

Fire Investigator I – Due to expire in July (2 years old) – original 10 on the list, 3 selected, 7 remaining.

Subject: FR request to abolish eligibility lists

Martha:

Fire would like to request that the following lists be abolished:

- Promotional Senior Communication Specialist* effective until July 2013 – lack of candidates (3);
- Promotional Fire Investigator I effective until May 2013 – new eligible list anticipated to go to CSB April 2013; list almost 2 years old and top 3 selected (leaving 7 candidates).

*Fire submitted a job description update for Sr Comm Specialist to HR 3/26. With the list abolished and the updated job description certified, Fire will request a recruitment to fill an unexpected vacancy.

Thank you,

Kehrin
