PURPOSE/BACKGROUND:

This bill will amend the Unified Development Code to clarify that the remedies available to the City for sign violations under LVMC 19.16.200 apply to sign violations under Chapters 19.06 and 19.08 as well. Before the adoption of the UDC, the remedies were available for all sign-related violations under the previous Title 19, and the intent was to have them carry over into the UDC. Because of the way the UDC was drafted, that carryover was not achieved. This bill provides the necessary clarification.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
