

BUSINESS IMPACT STATEMENT

BILL NO. 2013-34

[Updating the City's Alcohol Licensing Regulations to Provide for an Outdoor Entertainment Complex Tavern-Limited License; Specifying that the City Council Shall Determine Whether Minors may be Permitted to Congregate in Certain Establishments that Serve Alcohol and to Permit an LVMC 6.06 Temporary License to Be Forwarded to the City Council for Review at the Director's Discretion.]

This business impact statement was prepared pursuant to NRS 237.090 to address the impact of a proposed ordinance, Bill No. 2013-34, that would update the City's alcohol licensing regulations to provide for an outdoor entertainment complex tavern-limited license; specifying that the city council shall determine whether minors may be permitted to congregate in certain establishments that serve alcohol and to permit an LVMC 6.06 temporary license to be forwarded to the City Council for review at the director's discretion

1. The following constitutes a description of the number of the manner in which comment was solicited from affected businesses, a summary of their responses and an explanation of the manner in which other interested persons may obtain a copy of the summary.

No comments were solicited. The proposal is not anticipated to have a materially different impact on businesses than existing regulations.

2. The estimated economic effect of the proposed rule on businesses, including, without limitation, both adverse and beneficial effects, and both direct and indirect effects:

Adverse effects:

None identified

Beneficial effects:

This ordinance will permit the creation of another type of business that caters to people looking for ever-expanding entertainment options in the downtown core by allowing the creation of an outdoor entertainment complex that will combine retail, dining, an outdoor music venue and the availability of alcoholic beverages in one cohesive setting. In addition, the ordinance clarifies that it is the City Council that will determine whether minors may congregate in certain establishments with adults consuming alcohol. Lastly, this ordinance will permit the Director of Planning and Business Licensing to submit temporary liquor license directly to the City Council for review. None of these proposals will impact any business in any material way.

Direct effects:

None

Indirect effects:

None

3. The following constitutes a description of the methods the local government considered to reduce the impact of the proposed rule on businesses and a statement regarding whether any, and if so which, of these methods were used:

Not applicable

4. The governing body estimates the annual cost to the local government for enforcement of the proposed rule is:

Not applicable

5. If the proposed rule provides for a new fee or increases an existing fee, the total annual amount expected to be collected is:

Not applicable. This ordinance does not provide for a new fee or an increase in a fee, but merely expands the availability of a certain type of liquor license to a new use.

6. If the proposed rule provides for a new fee or increases an existing fee, the money generated by the new fee or increase in existing fee will be used by the local government to:

Any additional revenues from new fee categories will be used to offset enforcement costs and to replace potential revenues from existing categories.

7. If the proposed rule includes provisions that duplicate or are more stringent than federal, state or local standards regulating the same activity, the following explains when such duplicative or more stringent provisions are necessary:

Not applicable

...

...

...

...

...

...

8. The reasons for the conclusions regarding the impact of the proposed rule on businesses:

The proposal is not anticipated to have a materially different impact on businesses than existing regulations, thus no impact was solicited and the City believes no impact to businesses will occur.
