PURPOSE/BACKGROUND:

This bill will update the City's wastewater collection and treatment regulations regarding discharges. The bill makes minor changes regarding the assessment of costs for detrimental discharges, the monitoring of outfalls, and the use of interceptors. The update is part of a project designed to identify and update obsolete and duplicative Code provisions.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
