SECTION 2: The City Council hereby determines that the described territory
meets the requirements provided by law for annexation to the City for the following reasons:

A. The area to be annexed was contiguous to the City's boundaries at the time
the annexation proceedings were instituted;

1 B. More than one-eighth (1/8) of the aggregate external boundaries of the
2 area are contiguous to the City;

3 C. The territory proposed to be annexed is not included within the boundaries
4 of another incorporated city or within the boundaries of any unincorporated town as those
5 boundaries existed as of July 1, 1983;

6 D. The City is eligible to annex the described territory because the
7 landowners have signed a petition constituting one hundred percent (100%) of the owners of record
8 of individual lots or parcels of land within the annexation area.

9 SECTION 3: The City will provide police protection through the Las Vegas
10 Metropolitan Police Department, fire protection, street maintenance, and library services
11 immediately upon annexation. Garbage collection by the company franchised by the City will also
12 be provided immediately. The City sanitary sewer system will serve the proposed annexation area.
13 Any connection to or extension of this sewer line to serve the annexation area shall be at the
14 expense of the landowners. Other services, such as participation in the City's recreational
15 programs, special education classes and programs, public works planning, building inspections, and
16 other City services will also be available immediately. Utilities such as gas, electricity, telephone,
17 and water are provided by private utility companies and other services to the area will not be
18 affected by annexation. Street paving, curbs and gutters, sidewalks and street lights which are not
19 in place at the time of annexation will be installed in the presently developed areas upon the request
20 of the property owners and at their expense by means of special assessment districts. Such
21 improvements will be extended into the undeveloped areas as development takes place and the
22 need therefor arises, and will be located according to the needs of the area at that time. Such
23 installations will also be made at the expense of the property owners, either by means of special
24 assessment districts or as prerequisites to the approval of subdivision plats, building permits or
25 other land use or development applications.

1 SECTION 4: The annexation of the described territory shall become effective
2 on the 16th day of January, 2014, and on that date the City will have the funds appropriated in
3 sufficient amount to finance the extension into the described territory of police protection, fire
4 protection, street maintenance, street sweeping, and street lighting maintenance.

5 SECTION 5: The described territory, together with the inhabitants and property
6 thereof, shall, from and after the 16th day of January, 2014, be subject to all debts, laws, ordinances
