PURPOSE/BACKGROUND:

As part of a recent ordinance updating the City's alcoholic beverage regulations, the City Council adopted a provision authorizing the owner of an establishment adjacent to a pedestrian mall that holds a license for nonrestricted gaming and a tavern license at the same location to operate a temporary or permanent bar upon the mall. This bill clarifies the intent of that provision: to allow one or more such bars to be established rather than establishing a limitation of one bar only.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
