City of Las Vegas – HOME Request

Dear Tim,

We are requesting additional HOME Funds in the amount of \$400,000 for Westcliff Heights Senior Apartments. Westcliff Heights Senior Apartments is a HUD 202 mixed finance affordable senior housing project that includes 50 units of Project Based Rental Assistance.

HOME funds for Westcliff Heights Senior Apartments were originally awarded from the 2009 HOME application. Project costs have increased 30% due to delays in receiving the HUD 202 Capital Advance Funds. The original budget for Westcliff Heights Senior Apartments was \$10,086,947. The new budget for Westcliff Heights Senior Apartments is now \$13,615,716. In order to fill the gap in financing HUD has increased the amount of HUD 202 Capital Advance Funds by \$2,168,169, the tax credit investor (National Equity Fund) has increased the amount of equity funding by \$897,565 and Nevada HAND has increased deferred developer fee by \$63,035.

Please find the attached revised budget for your review.

If you have any questions, or need additional back-up material, please feel free to contact me at 410-2705. Thank you.

Sincerely,

Michael Mullin
President
