**PURPOSE/BACKGROUND:**

Ordinance No. 6288, adopted on November 20, 2013, contained a number of ordinance changes regarding ice cream trucks, including a change regarding the inspection of trucks. One of the objectives of the change was to give the Director of Planning discretion whether or not to require an inspection in connection with initial licensing or renewal, but the adopted language did not reflect that discretion. This bill will amend the inspection-related language accordingly.

**RECOMMENDATION:**

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.

**BACKUP DOCUMENTATION:**

Minutes:

COUNCILMAN BARLOW declared the Public Hearing open.

DOUG RANKIN, Planning, stated that this changes the time that the annual inspection of ice cream trucks will occur. Currently it is done on an annual basis in January but most ice cream trucks come in March to establish themselves again. This change will allow the Director to change the schedule instead of being tied to the license renewal with an inspection.
