Facilities are provided throughout City Hall for convenience of persons with disabilities. For meetings held in the Council Chambers, sound equipment is available for persons with hearing impairments. If you need an accommodation to attend and participate in this meeting, please call the DEPARTMENT DESIGNEE at (702) 229-6301 and advise of your need at least 48 hours in advance of the meeting. Dial 7-1-1 for Relay Nevada.

June 10, 2014

6:00 PM

ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON. TWO OR MORE AGENDA ITEMS FOR CONSIDERATION MAY BE COMBINED; AND ANY ITEM ON THE AGENDA MAY BE REMOVED OR RELATED DISCUSSION MAY BE DELAYED AT ANY TIME. BACKUP MATERIAL FOR THIS AGENDA MAY BE OBTAINED FROM CHRYSTAL JACOBS, DEPARTMENT OF PLANNING, 333 NORTH RANCHO DRIVE, 3RD FLOOR, (702)-229-6301 OR ON THE CITY'S WEBPAGE AT www.lasvegasnevada.gov.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Hall, 495 South Main Street, 1st Floor
Clark County Government Center, 500 South Grand Central Parkway
Grant Sawyer Building, 555 East Washington Avenue
City of Las Vegas Development Services Center, 333 North Rancho Drive

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS AND PAYMENT OF THOSE COSTS SHALL BE MADE UPON FILING OF THE APPLICATION.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.

2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.

3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.

4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.

5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.

6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.

7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.

8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

BUSINESS ITEMS:

1. CALL TO ORDER

2. ANNOUNCEMENT: COMPLIANCE WITH OPEN MEETING LAW

3. ROLL CALL

4. PUBLIC COMMENT DURING THIS PORTION OF THE AGENDA MUST BE LIMITED TO MATTERS ON THE AGENDA FOR ACTION. IF YOU WISH TO BE HEARD, COME TO THE PODIUM AND GIVE YOUR NAME FOR THE RECORD. THE AMOUNT OF DISCUSSION, AS WELL AS THE AMOUNT OF TIME ANY SINGLE SPEAKER IS ALLOWED, MAY BE LIMITED

5. FOR POSSIBLE ACTION TO APPROVE THE FINAL MINUTES FOR THE PLANNING COMMISSION MEETING OF MAY 13, 2 014

6. FOR POSSIBLE ACTION - Any Items from the Planning Commission, staff and/or the applicant wish to be stricken or held in abeyance to a future meeting may be brought forward and acted upon at this time.

CONSENT ITEMS:

CONSENT ITEMS ARE CONSIDERED ROUTINE BY THE PLANNING COMMISSION AND MAY BE ENACTED BY ONE MOTION. HOWEVER, ANY ITEM MAY BE DISCUSSED IF A COMMISSION MEMBER OR APPLICANT SO DESIRES.

Subject: **Pre-Application Justification Letter**
Skye Canyon Parcel 1.2 Tentative Map
APNs: 125-07-301-001 and 125-07-301-002

Slater Hanifan Group, on behalf of our client Olympia Companies (Ninety-Five Management, LLC), respectfully submits this justification letter for the proposed Tentative Map for the Skye Canyon Parcel 1.2 development (formerly known as Kyle Canyon Gateway).

The applicant proposes to develop a 173-lot single family residential community on the property containing approximately 37.99 net acres. The density of the proposed development will be 4.56 units per acre. This Tentative Map request will be in compliance with existing zoning of T-D.

This phase development adheres to the Land Use Plan that has been approved by the City of Las Vegas.

Please refer to the attached exhibit entitled "Kyle Canyon Development Standard Exhibit" identifying parcel 1.2 designating the northerly portion as Kyle R-1 and the southerly portion as Kyle R-CL. Parcel 1.2 has minimum lot sizes that supports the R-1 & R-CL standards in their respective areas.

Please contact me at (702) 284-5300 if you have any questions regarding this application.

Sincerely,

Slater Hanifan Group

Chelsea Peltier
Project Coordinator

Skye Canyon Parcel 1.1 Tentative Map
APNs: 125-07-301-001 and 125-07-301-002

Slater Hanifan Group, on behalf of our client Olympia Companies (Ninety-Five Management, LLC), respectfully submits this justification letter for the proposed Tentative Map for the Skye Canyon Parcel 1.1 development (formerly known as Kyle Canyon Gateway).

The applicant proposes to develop a 157-lot single family residential community on the property containing approximately 35.28 net acres. The density of the proposed development will be 4.37 units per acre. This Tentative Map request will be in compliance with existing zoning of T-D.

This phase development adheres to the Land Use Plan that has been approved by the City of Las Vegas.

Please refer to the attached exhibit entitled "Kyle Canyon Development Standard Exhibit" identifying parcel 1.1 designated as Kyle R-1. Parcel 1.1 has minimum lot sizes that supports the R-1 Standards.

Please contact me at (702) 284-5300 if you have any questions regarding this application.

Sincerely,

Slater Hanifan Group

Skye Canyon Parcel 1.3 Tentative Map
APNs: 125-07-301-001, 125-07-401-001 and 125-07-401-002

Slater Hanifan Group, on behalf of our client Olympia Companies (Ninety-Five Management, LLC), respectfully submits this justification letter for the proposed Tentative Map for the Skye Canyon Parcel 1.3 development (formerly known as Kyle Canyon Gateway).

The applicant proposes to develop a 209-lot single family residential community on the property containing approximately 40.90 net acres. The density of the proposed development will be 5.14 units per acre. This Tentative Map request will be in compliance with existing zoning of T-D.

This phase development adheres to the Land Use Plan that has been approved by the City of Las Vegas.

Please refer to the attached exhibit entitled "Kyle Canyon Development Standard Exhibit" identifying parcel 1.3 designating the northerly portion as Kyle R-1 and the southerly portion as Kyle R-CL. Parcel 1.3 has minimum lot sizes that supports the R-1 & R-CL standards in their respective areas.

Please contact me at (702) 284-5300 if you have any questions regarding this application.

Sincerely,

Slater Hanifan Group

Subject: **Pre-Application Justification Letter**
Skye Canyon Parcel 1.4 Tentative Map
APN: 125-07-401-002

Slater Hanifan Group, on behalf of our client Olympia Companies (Ninety-Five Management, LLC), respectfully submits this justification letter for the proposed Tentative Map for the Skye Canyon Parcel 1.4 development (formerly known as Kyle Canyon Gateway).

The applicant proposes to develop a 204-lot single family residential community on the property containing approximately 33.61 net acres. The density of the proposed development will be 6.08 units per acre. This Tentative Map request will be in compliance with existing zoning of T-D.

This phase development adheres to the Land Use Plan that has been approved by the City of Las Vegas.

Please refer to the attached exhibit entitled "Kyle Canyon Development Standard Exhibit" identifying parcel 1.4 designated as Kyle R-CL. Parcel 1.4 has minimum lot sizes that supports the R-CL Standards.

Please contact me at (702) 284-5300 if you have any questions regarding this application.

Sincerely,

Slater Hanifan Group

Chelsea Peltier

February 27, 2014

To who may concern:

NEW EL PORTAL LLC DBA CRAZY ELY is an existing retail/ gift convenience store. Would like to apply for package liquor license (Off Premises consumption). So that we will be able to have a broader selection of convenience goods. The addition of package liquor will help enhance our productivity and our bottom line. Hours of operation are from 10 am to 10 pm seven days a week. We have a total of 3 employees per shift.

Thank you

Re: Special Use Permit Application

Applicant:	**Walgreen Co. d/b/a Walgreens #07864**
Proposed Use:	**Retail Establishment with Accessory Package Liquor**
Project Name:	**Walgreens #07864**
Project Address:	**7755 N. Durango Dr., Las Vegas, NV 89131**
APN:	**125-17-611-002**

Dear Sir/Madam:

This firm represents Walgreen Co. (the "Applicant") at the above-referenced business location (the "Business") with respect to liquor licensing matters in Nevada. The Applicant currently operates a retail drug store and pharmacy at the Business which offers a variety of household items, food and beverage selections, and health and beauty products.

Like other drug and grocery stores, Walgreens now carries a small selection of alcoholic beverages at numerous locations throughout the valley. The Applicant desires to offer a similar variety of alcoholic beverage products as a convenience to its customers at the Business. It is anticipated that no more 175 square feet of the Business' 14,820 square feet of floor space would be designated to the display of alcoholic beverages.

The addition of package liquor sales at the Business would demonstrate a uniform presence for Walgreens in the community by providing similar goods that are currently offered at numerous Walgreens locations across the valley. Further, the Business will continue to provide a benefit to the community by offering a variety of household and pharmacy products to customers at competitive prices. As an anchor tenant and national retail brand, the Business draws vital customer traffic to the neighboring businesses in the community.

The Business is committed to ensuring compliance with all local and State laws regarding the sale of alcoholic beverage products for off-premises consumption. The Business has implemented and will adhere to strict internal policies to prevent the sale of alcoholic beverage products to minors and to ensure that alcoholic beverage products are not consumed on the

PRJ-53329
04/09/14

SUP-53624

premises or in the parking area. The Applicant has an outstanding track-record of alcohol compliance in Nevada and across the Country.

The introduction of package liquor sales to the Applicant's place of business will not affect the environment or character of the immediate community, nor will it have a detrimental impact on adjacent properties. As a national retail drug store and pharmacy, the proposed use is harmonious and compatible with adjacent development and with existing land uses in the immediate vicinity. No additional public services, utilities or parking accommodations will be necessary to accommodate the proposed use at the Business.

The Applicant has enclosed Floor and Site Plans which include an outline of the area dedicated for the display of alcohol beverages. There is adequate employee and customer parking available at the Business and the site provides adequate pedestrian and vehicle ingress/egress to and from Durango Drive and El Capitan Way. The Business operates every day between the hours of 7:00 a.m. and 10:00 p.m. and employs approximately 20-30 employees.

In the event you have any questions with regard to the foregoing, please do not hesitate to contact us. Thank you.

Very truly yours,

KOLESAR & LEATHAM

RE: 503 BONNEVILLE, LAS VEGAS, NEVADA PROPERTY

Dear Mr. Coffin:

The undersigned is the owner of the entire building located at the corner of Las Vegas Blvd. South and Bonneville and I am writing to you because I am very anxious to get Lamar Kruitosch and Rescue Bail Bonds back into my office space located at 503 Bonneville, Las Vegas, NV 89101 now that the rebuilding has been completed. Mr. Kruitosch has been here at the 503 Bonneville location for more than ten years and I have never had any problem with him or his business. Moreover, the only reason he moved was because of the fire which caused all my tenants to move out to rebuild from the ground up.

If you have any further questions or if I need to do anything else to expedite Mr. Kruitosch's move back into his old location please call my office. Thank you in advance for your consideration.

Sincerely,

Osvaldo E. Fumo
Attorney at Law

MIDDLE SCHOOL & HIGH SCHOOL

April 7, 2014

City of Las Vegas
Department of Planning
333 N. Rancho Dr.
Las Vegas, NV 89106

Department of Planning:

Faith Lutheran Thrift Store is applying for a City of Las Vegas Special Use Permit in order to relocate its business. For thirty years, the store has thrived within the Las Vegas city limits and served city residents by providing gently used, high quality goods for reasonable prices. Currently, and for the past twelve years, the store operates at 4530 Meadows Lane, Suite 140, Las Vegas, NV 89107 in the Loma Vista Shopping Center. While this location has served us and the community well, the 3,000 square foot space is no longer adequate. Therefore, we are requesting approval of a Special Use Permit to move to O'Bannon Plaza, 2211 S. Rainbow Blvd., Las Vegas, NV 89146. This location offers additional square footage needed to operate efficiently and effectively. Plus, increased donations can be accepted, thereby meeting more people's needs.

Faith Lutheran Thrift Store is part of Faith Lutheran Middle School and High School in Summerlin. All proceeds from the store support the school and its students in numerous ways, from software systems and vehicles for the school to tuition assistance for Faith families. There is one full time employee, Thrift Store Manager, and many volunteers who are relatives of current and past Faith Lutheran students and/or members of one of the thirteen associated Lutheran congregations in our valley.

Moving to a new location, store hours would remain Monday through Saturday 10am to 7pm and Sunday 11am to 6pm. Donations would be accepted at the store only during operating hours. The store is closed on Easter, Thanksgiving, and Christmas.

The proposed site, 2211 S. Rainbow Blvd., Las Vegas, NV 89146, is currently vacant and available. This space meets our growing needs and would allow us to better serve our community's needs. Due to the fact that the space is immediately available for lease, time is of the essence in granting a Special Use Permit for the Faith Lutheran Thrift Store. Efforts to speed this process are greatly appreciated.

Sincerely,

Rhea Delgado, Manager
Faith Lutheran Thrift Store

SUP-53827

To: City of Las Vegas

Dear Sir or Madam:

I Raquel Gonzalez, owner of Mariscos Playa Escondida located at 1203 E. Charleston Blvd my Business License number R09-01738-1-165944 and Health department permit number PR0107094.

I am requesting a special use permit for my restaurant so I may be allowed to sell beer, wine and coolers to my clients along with their meals.

The main reason I am requesting this permission is because most of my clients have been requesting to have a drink with their mariscos (seafood). Not being able to serve any beer or wine has been detrimental to my business, as I have lost many clients due to the fact that I've been unable to provide my clients their requested beer. In the Hispanic culture it's very common to have beer with your plate, thus in the last month I have noticed a great decrease of traffic flow coming in to our business. That is the reason why we are making this effort to go forward and pay the required fees for the special use permit using earnings from my restaurant. Please kindly take my request into consideration.

Anxiously waiting you reply,
Sincerely,
Raquel Gonzalez

Mariscos Playa Escondida

To Whom It May Concern:

My name is Marsha Grutman and I am general partner of Gardner Associates and authorized to sign all documents for the partnership. We own a property called Charland Square in Las Vegas and one of our tenants is applying for a beer license. The lease for Charland Square allows for the tenant to obtain a license.

I hope this will help in getting the tenant their license.

Thank you,

Marsha L. Grutman

RE: Application/Petition Form – Special Use Permit for Mariscos Playa Escondida, LLC

Dear Department of Planning/To Whom It May Concern,

I am the property manager for Gardner Associates for the property at **1203 E. Charleston Blvd, Las Vegas, NV 89104**. Our tenant at 1203 E. Charleston Blvd #140, **Mariscos Playa Escondida, LLC**, recently applied for a Special Use Permit (beer license) and asked that we have the landlord sign off on the form for them. This was signed by **Marsha L. Grutman**, who is an authorized representative for Gardner Associates. Gardner Associates has agreed to allow Mariscos Playa Escondida, LLC to apply for this license.

Please do not hesitate to contact me if you should have any questions. If there's anything else you need from us to help Mariscos Playa Escondida with this license, feel free to contact me and I'll be happy to help.

Thank you,

Ryan Yonemoto

Allan Silberstang
Gambler's Café

To Whom It May Concern:

I am seeking a Special Use Permit to add a beer and wine license to my proposed café at 800 South Main Street.

The Gamblers Café will occupy 750 sf at the north end of the Gambler's General Store. We are projecting hours of 7 a.m 4 p.m for breakfast and lunch, seven days a week, plus First Friday late hours (until 8 or 9 pm), with occasional late hours other nights as business warrants. Our breakfast will include bagels, donuts and eggs, while our lunch menu specializes in salads prepared to order (diners choose from three greens plus 20 salad items) and New York style heros featuring Boar's Head cold cuts. We will also grill some simple meals.

Let me know if you have any questions –

Allan Silberstang
Owner

516 S. 4th Street

Proposed 0.6 thousand square foot expansion of an existing office.

Traffic produced by proposed development:

Previous Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	1.962	11.01	22
AM Peak Hour			1.55	3
PM Peak Hour			1.49	3

Proposed Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	2.562	11.01	28
AM Peak Hour			1.55	4
PM Peak Hour			1.49	4

Net Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	0.6	11.01	6
AM Peak Hour			1.55	1
PM Peak Hour			1.49	1

Existing traffic on all nearby streets:

4th Street	
Average Daily Traffic (ADT)	4,575
PM Peak Hour (heaviest 60 minutes)	366

Clark Avenue	
Average Daily Traffic (ADT)	3,050
PM Peak Hour (heaviest 60 minutes)	244

Bonneville Avenue	
Average Daily Traffic (ADT)	3,838
PM Peak Hour (heaviest 60 minutes)	307

	Adjacent Street ADT Capacity
4th Street	31,080
Clark Avenue	31,080
Bonneville Avenue	31,080

This project is expected to add about 6 trips per day on 4th St., Clark Ave. & Bonneville Ave. Currently, 4th is at about 15% of capacity, Clark at about 10% of capacity and Bonneville at about 12% of capacity. With this project, these capacities are not expected to change.

Based on Peak Hour use, this project will add about 1 trip in the peak hour.

Note that this report assumes all traffic from this development uses all named streets.

Re: **Justification Letter Ed Bernstein Expansion**
516 4th St., Las Vegas, APN No. 139-34-311-115

To whom it may Concern:

The purpose this letter is to justify the expansion of the existing office for Ed Bernstein and Associates. We propose adding additional office space. There will be no change to the existing use and hours of operation are to remain 8:00 am to 5:00 pm Monday through Friday. The office expansion is relatively small at approximately 600 sq. ft. Per the Downtown Centennial Plan, there is no rear building setbacks in the office core district where the expansion is proposed. In addition to the building expansion, a proposed landscape area at the front yard of the building that consists of the following: accessible ramp, stair, planter box, rock landscape, various plants, palm tree and existing plants to remain.

Sincerely,

ENCOMPASS STUDIO

PLANTING NOTES

1. DECOMPOSED GRANITE (DG) - INSTALL THE MINIMUM LAYER OF DECOMPOSED GRANITE/ROCK IN ALL LANDSCAPE AREAS WITHIN LANDSCAPE LIMIT OF WORK EXCEPT WHERE NOTED OTHERWISE. CONTRACTOR TO PROVIDE SAMPLES OF DECOMPOSED GRANITE/ROCK FOR APPROVAL. BEFORE PLACING GRANITE, COMPACT SUB-GRADE TO 85% AND APPLY A PRE-EMERGENT HERBICIDE TO SOIL. AFTER PLACING GRANITE, RAKE SMOOTH, WET TO ENTIRE DEPTH, ALLOW TO DRY, THEN LIGHTLY SCARIFY SURFACE WITH A LEAF RAKE. APPLY A SECONDARY APPLICATION OF PRE-EMERGENT HERBICIDE TO TOP OF GRANITE. DO NOT ALLOW GRANITE TO TOUCH THE TRUNK OF ANY TREE. INSTALL AFTER INSTALLATION OF PLANT MATERIAL.
2. ALL MULTI-TRUNK TREES ARE TO HAVE 3 TO 4 TRUNKS.
3. ANY TREE PLANTED WITHIN 5 FEET OF A SIDEWALK OR WALL SHALL BE PLANTED WITH A ROOT GUARD DESIGNED TO DIRECT ROOT GROWTH DOWNWARD.
4. CONTRACTOR TO PRESERVE AND PROTECT EXISTING TREES IDENTIFIED ON PLAN BY AN EXITING TREE SYMBOL. CONTRACTOR TO PRESERVE AND PROTECT LANDSCAPE OUTSIDE LIMIT OF LANDSCAPE WORK.
5. PRIOR TO BEGINNING WORK, CONTRACTOR TO INVENTORY EXISTING PLANTS AND MARK THOSE TO REMAIN FOR APPROVAL BY OWNER. CONTRACTOR TO VERIFY THAT EXISTING TREES TO REMAIN WILL NOT BE DAMAGED BY DEMOLITION OR CONSTRUCTION. IF EXISTING TREES AND/OR LANDSCAPE TO REMAIN IS DAMAGED DURING DEMOLITION OR CONSTRUCTION, TREE(S)/SHRUB(S) TO BE REPLACED AT CONTRACTORS EXPENSE WITH PLANT(S) OF SAME GENUS, SPECIES, VARIETY, FORM AND SIZE.
6. CONTRACTOR TO PROTECT IN PLACE EXISTING UTILITIES. CONTRACTOR TO VERIFY ALL UTILITY LOCATIONS PRIOR TO CONSTRUCTION. CONTRACTOR TO USE CAUTION. CALL BEFORE YOU DIG AND CALL BEFORE YOU OVER HEAD.

PLANTING NOTES

1. DECOMPOSED GRANITE (DG) - INSTALL THE MINIMUM LAYER OF DECOMPOSED GRANITE/ROCK IN ALL LANDSCAPE AREAS WITHIN LANDSCAPE LIMIT OF WORK EXCEPT WHERE NOTED OTHERWISE. CONTRACTOR TO PROVIDE SAMPLES OF DECOMPOSED GRANITE/ROCK FOR APPROVAL. BEFORE PLACING GRANITE, COMPACT SUB-GRADE TO 85% AND APPLY A PRE-EMERGENT HERBICIDE TO SOIL. AFTER PLACING GRANITE: RAKE SMOOTH, WET TO ENTIRE DEPTH, ALLOW TO DRY, THEN LIGHTLY SCARIFY SURFACE WITH A LEAF RAKE. APPLY A SECONDARY APPLICATION OF PRE-EMERGENT HERBICIDE TO TOP OF GRANITE. DO NOT ALLOW GRANITE TO TOUCH THE TRUNK OF ANY TREE. INSTALL AFTER INSTALLATION OF PLANT MATERIAL.
2. ALL MULTI-TRUNK TREES ARE TO HAVE 3 TO 4 TRUNKS.
3. ANY TREE PLANTED WITHIN 5 FEET OF A SIDEWALK OR WALL SHALL BE PLANTED WITH A ROOT GUARD DESIGNED TO DIRECT ROOT GROWTH DOWNWARD.
4. CONTRACTOR TO PRESERVE AND PROTECT EXISTING TREES IDENTIFIED ON PLAN BY AN EXITING TREE SYMBOL. CONTRACTOR TO PRESERVE AND PROTECT LANDSCAPE OUTSIDE LIMIT OF LANDSCAPE WORK.
5. PRIOR TO BEGINNING WORK, CONTRACTOR TO INVENTORY EXISTING PLANTS AND MARK THOSE TO REMAIN FOR APPROVAL BY OWNER. CONTRACTOR TO VERIFY THAT EXISTING TREES TO REMAIN WILL NOT BE DAMAGED BY DEMOLITION OR CONSTRUCTION. IF EXISTING TREES AND/OR LANDSCAPE TO REMAIN IS DAMAGED DURING DEMOLITION OR CONSTRUCTION, TREE(S)/SHRUB(S) TO BE REPLACED AT CONTRACTORS EXPENSE WITH PLANT(S) OF SAME GENUS, SPECIES, VARIETY, FORM AND SIZE.
6. CONTRACTOR TO PROTECT IN PLACE EXISTING UTILITIES. CONTRACTOR TO VERIFY ALL UTILITY LOCATIONS PRIOR TO CONSTRUCTION. CONTRACTOR TO USE CAUTION. CALL BEFORE YOU DIG AND CALL BEFORE YOU OVER HEAD.

Introduction

The Omero™ family of luminaires blends a traditional round dyform with contemporary, low-profile styling to accent architectural elements in a variety of applications.

The MR2 LED combines the latest in LED technology with the designer aesthetic of the Omero™ family for stylish, high-performance illumination that lasts. The MR2 LED is ideal for replacing 250-400W metal halide in area lighting applications with typical energy savings of 65%and expected service life of over 100,000 hours.

Ernest May STC Formal Planning Justification

To: City of Las Vegas Planning Commission

Cox Communication Las Vegas Inc. is submitting an application for your consideration of approval to build a new 4796sqft building with a 3344sqft generator/utility yard. Future expansions have been shown on the plans but will only be needed for future growth of Phase II 3614sqft and Phase III at 3614sqft. This new building is considered by Cox to be a technical facility that supports Cox residential, commercial and hospitality customers with telephone, high-speed data, and video services. The facility houses equipment that also supports 911 emergency support services, Las Vegas Convention Center and hospitality services along the Las Vegas Strip. This new facility and its future expansions will provide the space required to support the equipment that provides services to Las Vegas growing customer requirements from Cox Communications Las Vegas.

The building consists of a small staging area for equipment receiving and unpacking, a large equipment room for service content and a power room to support the internal equipment. The traffic to and from the site is minimal once the site is active within the first year of construction completion and the staffing is minimal to support the facility. This will alleviate any concerns for added traffic to the city streets or increased noise from the site.

Thank you for your time and consideration of the Cox facility plan.

Thank you,

David Diers

To Whom It May Concern:

This letter is in regards to submitting a request to install (2) freestanding signs on the property located at 6415 N Decatur Blvd. Due to the unique design of this development, we feel that this signage is necessary to advertise businesses that may have a difficult time otherwise. We respectfully request an administrative review considering that the proposed signage is not visible from the public right-of-way. We feel that the design of the proposed signage will compliment the aesthetic theme of the existing signs and buildings. We hope you will agree that this signage is a great addition to this area of our city.

Sincerely,

Jesse Wetherill

Re: Justification Letter
Use Permit for a Financial Institution Specified

To Whom It May Concern:

Please be advised that this office represents Interstate Properties, Inc. the Applicant. The applicant is requesting a use permit to allow for a financial institution specified on property located near Ann Road and US 95 more particularly described at assessor's parcel number 125-34-515-004.

The property is zoned Planned Development (PD). When the PD zoning was first established, the Applicant was required to list some of the proposed uses. One of the uses he listed was "Financial Institution without drive through." It was his belief that the use of this designation would cover uses other than what is recognized as a more "traditional" lending institution. At that time there was no designation for "Financial Institution Specified". The Applicant has contracted with USA Money Today to establish an Auto Title Loan and Payday Loan business at his center. As there was not a designation for this type of use in 2000 and since then the City has now created a designation for Financial Institution Specified, which would cover the requested use, the Applicant is requesting the use permit.

The proposed hours of operations are Monday thru Friday 9:00am to 5:30pm and Saturday. 9:00am to 1:00pm.

KAEMPFER
CROWELL

Thank you for your consideration of this request. Please let Ann Pierce or me know if you have any questions, comments or concerns. The developer has worked very hard on securing the proposed tenant and as you can imagine, is anxious to bring this project to a successful conclusion. Thank you again.

Sincerely,

KAEMPFER CROWELL

SUBJECT: **Justification Letter for the vacation of a portion of the equestrian trail at the intersection of Grand Teton Dr. and Tee Pee Ln. for Grand Teton/Tee Pee (APN 125-07-817-157)**

Slater Hanifan Group, on behalf of the applicant, D.R. Horton, respectfully submits this justification letter in support of the vacation of a portion of the equestrian trail located at the intersection of Grand Teton Dr. and Tee Pee Lane. The affected Assessor's Parcel Number is 125-07-817-157 and contains approximately 80 linear feet of easement (~808 sq ft.) from the curb return long Grand Teton Dr.

This vacation is a result of the design of an NV energy switch gear being placed within the equestrian trail shown per the original final map. The location of the Switch gear is a requirement of NV Energy. Per their direction the switch gear has to be accessible from the right of way along Grand Teton Dr. and be placed adjacent to the right of way. This is required by NV Energy for the purpose of maintenance of their equipment. As a result of the placement of the switch gear, the equestrian trail was redesigned to meander around the switch gear requiring the vacation of the portion of the equestrian trail in question (see exhibit EX-1). As part of this vacation an amended final map will be filed and will grant a new access easement for the redesigned portion of the equestrian trail.

Thank you for considering this application. Please contact me at 284-5300 if you have any questions regarding these applications.

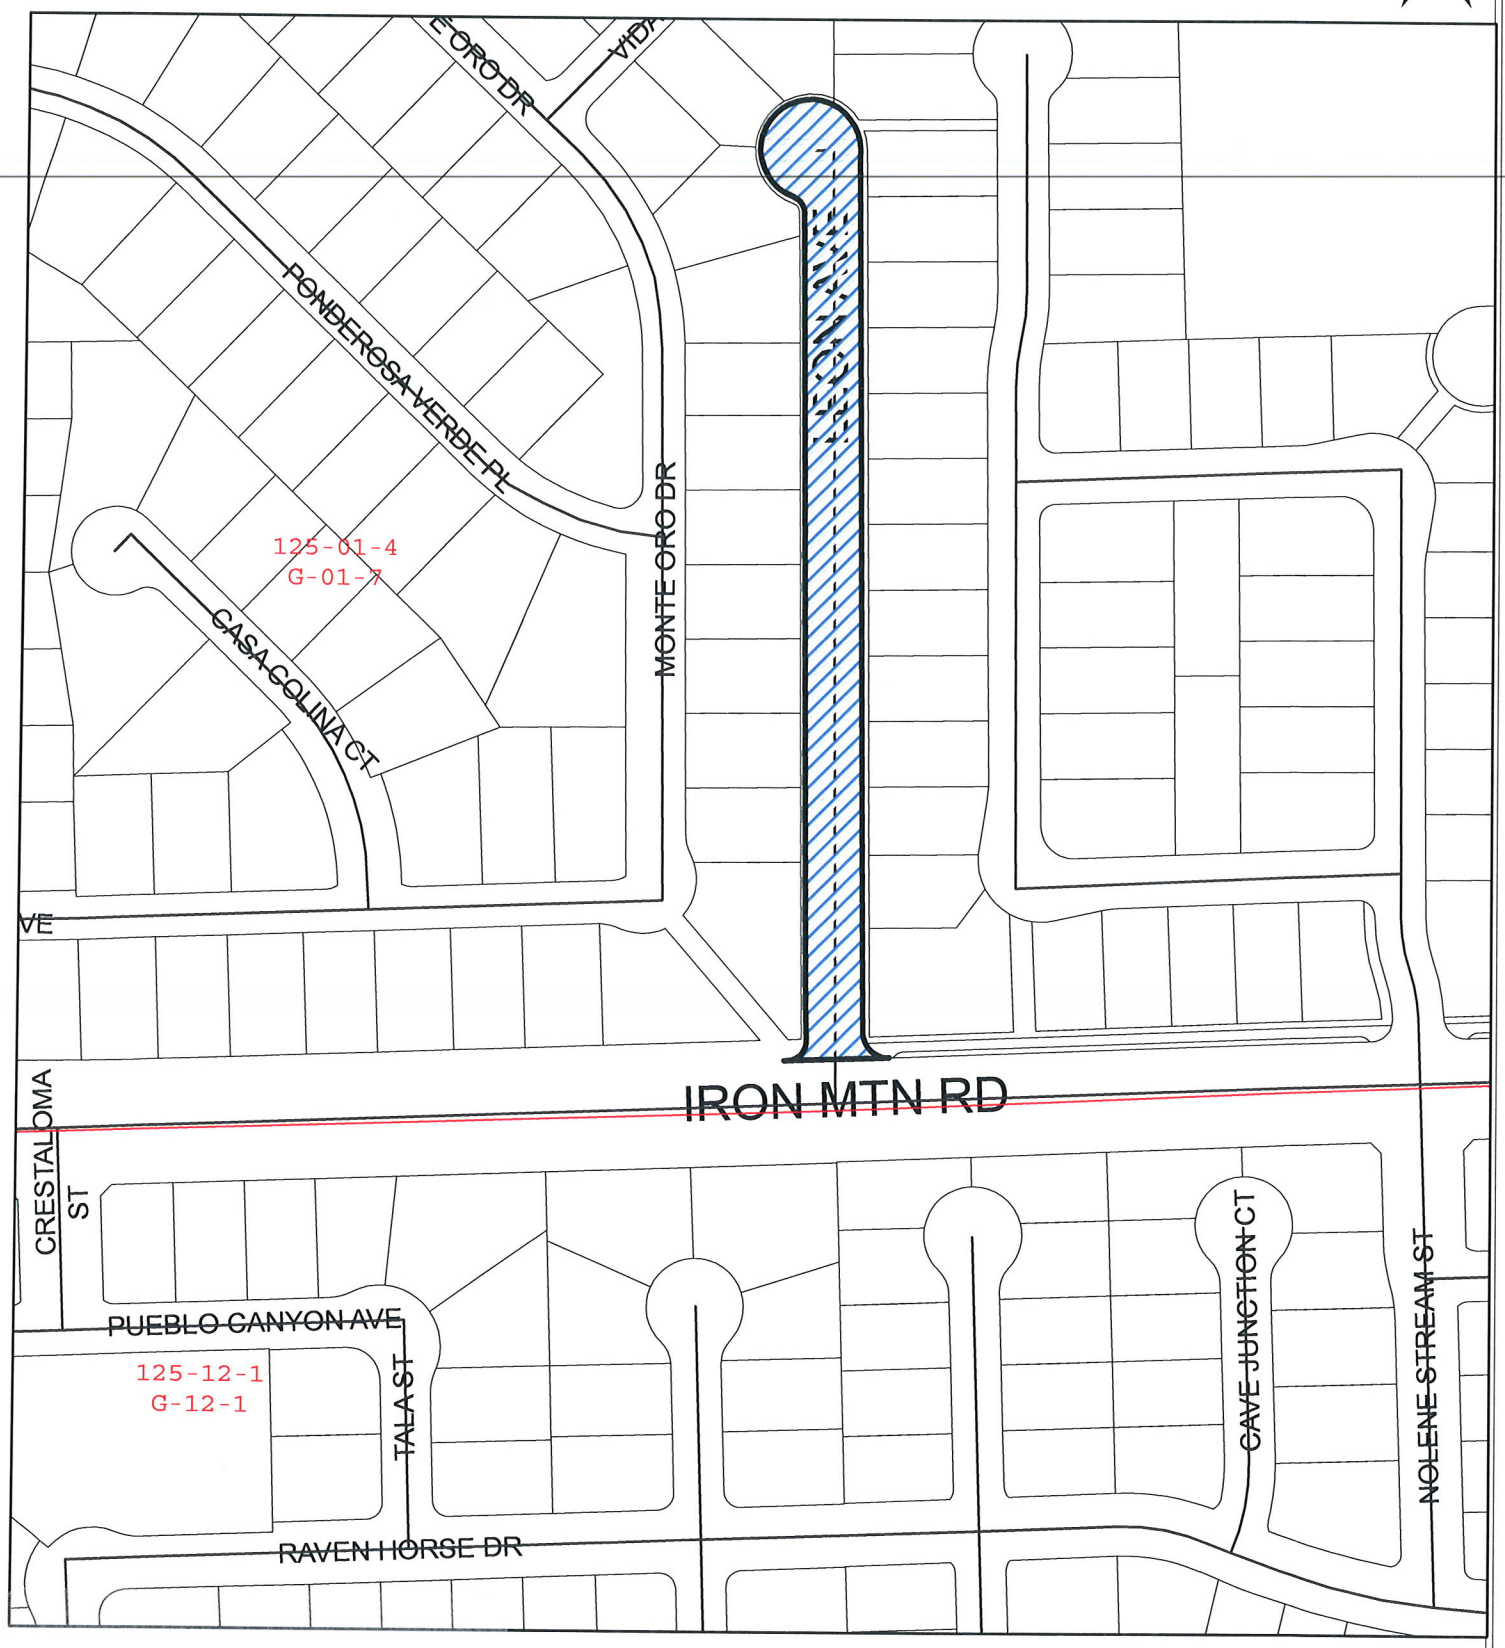
EXPLANATION

This land description describes a public street running generally north/south, lying east of Jones Boulevard and north of Iron Mountain Road, for vacation purposes.

LEGAL DESCRIPTION

The full width of that certain public street named Leon Avenue, located north of Iron Mountain Road, including the terminating cul-de-sac bulb and associated spandrel areas, bounded on the south by the extension of the north right-of-way line of Iron Mountain Road.

LEON AVENUE VACATION EXHIBIT



VAC-54050

VAC-54050 - VACATION - APPLICANT/OWNER: CITY OF LAS VEGAS
(LEON AVENUE) NORTH OF IRON MOUNTAIN ROAD

05/12/14

May 07, 2014

Peter Lowenstein
Planning Department
City of Las Vegas

Peter:

The Department of Public Works requests a Petition of Vacation to eliminate Leon Avenue north of Iron Mountain Road. The HOA of the subdivision to the west, Carmel Canyon, and the developer of the subdivision to the east, Richmond American Homes, are co-signers of the application and will be incorporating the vacated public right-of-way into their respective subdivisions, so as to not leave a "no-man's land" between them. The reason for the Vacation is to eliminate an orphan street that serves no homes and would likely become an attractive nuisance in the area.

Thank you,

Barton T. Anderson, P.E.
Engineering Project Manager, Development Coordination
City of Las Vegas Department of Public Works

LAVENDULA SPECIES	LAVENDER	GAZANIA SPECIES	GAZANIA
LEUCOPHYLLUM SPECIES	SAGE	MYOPORUM SPECIES	NCN
LIGUSTRUM JAPONICUM 'TEXANUM'	JAPANESE PRIVET	ROSMARINUS SPECIES	ROSEMARY
MYRTUS SPECIES	GREEK MYRTLE	TRACHELOSPERUM JASMINOIDES	STAR JASMINE

NOTE: THIS LIST IS TO DEMONSTRATE THE GENERAL DESIGN INTENT AND ADDITIONAL MATERIAL MAY BE USED BASED ON WATER NEEDS AND MICROCLIMATE TO ACHIEVE THE DESIRED DESIGN GOALS PLANT SIZING AND SPACING MAY VARY BASED ON FURTHER PROGRESSION OF THE FINAL LANDSCAPE DRAWINGS.

PLANTING NOTES

- ALL TREES PLANTED WITHIN 5' OF A HARDSCAPE SURFACE SHALL BE PLANTED WITH A ROOT GUARD TO DIRECT ROOT GROWTH DOWNWARD.
- PORTIONS OF THE PLANTING AREAS NOT LANDSCAPED (AS NOTED ON PLANS) SHALL BE COVERED WITH A DECORATIVE ROCK GROUNDCOVER. ALL PLANTING AREAS SHALL RECEIVE A 2" MINIMUM LAYER OF PLANTER MULCH.
- ALL LANDSCAPE AREAS SHALL CONFORM TO TITLE 30, SECTION 30.64 SITE LANDSCAPE AND SCREENING STANDARDS.

IRRIGATION NOTE

ALL LANDSCAPED AREAS WILL BE IRRIGATED WITH AN AUTOMATIC IRRIGATION SYSTEM USING STAND-ALONE CONTROLLERS. SHRUBS WILL BE CIRCUITED ON SEPARATE ZONES FROM TREES, THEREBY CREATING SEPARATE HYDROZONES. ALL IRRIGATED AREAS WILL BE SUPPLIED BY DOMESTIC WATER, ALL CONTROL VALVES, GATE VALVES, QUICK COUPLING VALVES, AND DRIP VALVE ASSEMBLIES WILL BE INSTALLED IN SEPARATE VALVE BOXES. WHERE TURF OR FLATTED GROUNDCOVER IS INTRODUCED INTO THE LANDSCAPE, STANDARD SPRAY HEADS WILL BE USED WITH INTEGRAL CHECK VALVES TO PREVENT LOW HEAD DRAINAGE. ALL TURF AREAS WILL BE DESIGNED USING STANDARD SPRAY HEADS ON 6" POP-UP BODIES WITH APPROPRIATE SPACING TO ACCOMMODATE THE SPECIFIC AREAS IN ORDER TO PREVENT OVERTHROW ONTO ADJACENT HARDSCAPE ELEMENTS. GROUNDCOVER AREAS WILL BE DESIGNED USING A DRIP IRRIGATION SYSTEM. THE CONTROLLERS WILL BE ELECTRIC, WALL MOUNTED INSIDE OF A STAINLESS STEEL, VANDAL RESISTANT ENCLOSURE. THE CONTROLLER ENCLOSURES WILL BE LOCATED IN STRATEGIC LOCATIONS THROUGHOUT THE LANDSCAPE WITH LINE OF SIGHT OF ALL CONTROLLED AREAS. ALL IRRIGATION DESIGN SHALL COMPLY WITH CLARK COUNTY UNIFIED DEVELOPMENT CODE (TITLE 30), SECTION 30.64 - SITE LANDSCAPE AND SCREENING STANDARDS.

PLEASE NOTE THAT THE PLANT MATERIALS INCLUDED IN THIS LIST ENCOMPASS THE PALETTE ANTICIPATED FOR THE ENTIRE PROJECT, AND ARE NOT RESTRICTED SOLELY TO THE PROJECT AREA COLORED ON THIS PLAN. CONSEQUENTLY, THE PALETTE INCLUDES MATERIALS THAT MAY NOT NECESSARILY BE USED NOR BE SUITABLE IN EVERY PROJECT AREA. THE MAIN PURPOSE OF THIS PALETTE IS TO SERVE AS AN INDICATION OF PLANT CHARACTERISTICS WITH RESPECT TO THE OVERALL LANDSCAPE, AND WILL BE FURTHER REFINED AND ENHANCED IN THE PREPARATION OF CONSTRUCTION DOCUMENTS.

THE FINAL PLANTING AND CONSTRUCTION DOCUMENTS, AS DESIGNED AND PREPARED BY THE LANDSCAPE ARCHITECT, WILL SELECT PLANT MATERIALS FOR SPECIFIC DESIGN EFFECTS.

RE: One Queensridge Place
Amended Queensridge Towers Development Standards

To whom it may concern:

One Queensridge Place is the premier condominium development in the area, and has become a highly sought after product in the market.

SDR-4206 was approved for this project with a total of four (4) residential towers and ancillary facilities with a separate single story office building. The initial portion of the project resulted in the construction of the initial two towers with all related facilities.

This letter will function as the Justification Letter for the proposed modifications to the Queensridge Towers Development Standards as required to coordinate with PRJ-51869, which is the Proposed Amendment to SDR-4206 for One Queensridge Place at the southwest corner of Rampart and Alta. In addition, the Development Standards are amended to more accurately reflect current parking requirements.

The attached Exhibit A shows the proposed modifications in marked document format to identify the specific terms of the Queensridge Towers Development Standards that are being amended.

We look forward to working with the City of Las Vegas to complete this project.

Sincerely,

Matthew R. Bunin

1. Overview

1.1 Purpose

The purpose of the Development Standards and Guidelines for this PD plan is to provide the parameters of development for the Queensridge Towers Condominium Project. The project is located on 21 gross acres located on the south side of Alta near the intersection of Alta and Rampart. The majority of the property is currently zoned PD.

2. PD District

2.1 Intent of PD District

The intent of the Planned Development District (PD) is to permit and encourage comprehensively planned developments whose purpose is redevelopment, economic development, cultural enrichment, or to provide a single purpose or multi-use planned development. The rezoning of property to the PD District may be deemed appropriate if the development proposed for the District can accomplish one or more of the following goals: (Bolded goals relate to project site)

Deleted: on

1. **Providing for an orderly and creative arrangement of land uses that are harmonious and beneficial to the community.**
2. Providing for a variety of housing types, employment opportunities or commercial or industrial services, or any combination thereof, to achieve variety and integration of economic and redevelopment opportunities.
3. **Providing for flexibility in the distribution of land uses, in the density of development, and in other matters typically regulated in zoning districts.**
4. Providing for cultural, civic, educational, medical, religious or recreational facilities, or any combination thereof, in a planned or a unique setting and design.
5. Providing for the redevelopment of areas where depreciation of any type has occurred.
6. Providing for the revitalization of designated areas.
7. Promoting or allowing development to occur in accordance with a uniform set of standards, which reflect the specific circumstances of the site.
8. Avoiding premature or inappropriate development that would result in incompatible uses or would create traffic and public service demands that exceed the capacity of existing or planned facilities.
9. **Encouraging area-sensitive site planning and design.**

MOD-53701, VAR-53502 & SDR-53503 - REVISED
PRJ-51869
04/28/14

10. **Contribution to the health, safety and general welfare of the community, and providing development which is compatible with the City's goals and objectives.**

Deleted: ,

2.2 Minimum Site Area

Deleted: site

The minimum site area for Planned Development District is five acres, except that the City Council may waive this requirement when the proper planning justification is shown. The boundary of the Queensridge Towers Condo project is 20.1 gross acres.

3. Planned Development (PD) Designation

3.1 Existing Planned Development (PD)

The following description and guidelines are based on the Las Vegas GTC Land Use Designation (see Exhibits, land use map). The area is expanded from 16 to 21 gross acres.

3.2 Queensridge Towers Site Boundary

Deleted: ¶
Site Boundary¶
¶

Single-family residential lots bound the Queensridge Towers site, for which these guidelines are written, to the northwest, the Badlands Golf Course to the south and east, and north across Alta the Suncoast Hotel and Casino. It is described as follows:

"BEING A PORTION OF THE EAST HALF (E 1/2) OF SECTION 31 AND THE WEST HALF (W I/2) SECTION 32, TOWNSHIP 20 SOUTH, RANGE 60 EAST, M.D.M., CITY OF LAS VEGAS, CLARK COUNTY NEVADA, MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE SOUTHWEST CORNER OF SAID SECTION 32, THENCE NORTH 89°26'21" EAST A DISTANCE OF 387.35 FEET; THENCE NORTH 00°33' 39" WEST A DISTANCE OF 2,518.27 FEET; TO POINT BEING THE SOUTHWESTERLY CORNER OF LOT 4 OF PECCOLE WEST AS SHOWN IN BOOK 77, PAGE 23 OF PLATS SAID POINT ALSO BEING THE **POINT OF BEGINNING:** THENCE NORTH 75°09' 11" WEST A DISTANCE OF 409.15 FEET; THENCE NORTH 09°40'24" WEST A DISTANCE OF 275.89 FEET; THENCE NORTH 39°33'23" EAST A DISTANCE OF 220.56 FEET; THENCE EAST 127.77 FEET; THENCE NORTH 39°33'23" EAST A DISTANCE OF 245.97 FEET; THENCE ALONG THE ARC OF A CURVE TO THE LEFT HAVING A RADIUS OF 25.00 FEET, CONCAVE WESTERLY THROUGH A CENTRAL ANGLE OF 87°19'36", AN ARC DISTANCE OF 38.I 0 FEET; THENCE NORTH 42°13 '47" EAST A DISTANCE OF 5,000 FEET TO A POINT OF CURVATURE WITH A RADIUS BEARING NORTH 42°13'47" EAST; THENCE ALONG THE ARC OF A CURVE TO THE LEFT HAVING A RADIUS OF 1,035.00 FEET, CONCAVE NORTHEASTERLY THROUGH A CENTRAL ANGLE OF 46°03'54", AN ARC DISTANCE OF 832.13 FEET; THENCE NORTH 86°09'53" EAST A DISTANCE OF 565.75 FEET; THENCE ALONG THE ARC OF A CURVE TO

THE RIGHT HAVING A RADIUS OF 765.00 FEET, CONCAVE SOUTHERLY THROUGH A CENTRAL ANGLE OF 10°00'36", AN ARC DISTANCE OF 133.65 FEET: THENCE SOUTH 06°10'29" WEST 5.00 FEET; THENCE SOUTH 55°19'16" WEST A DISTANCE OF 845.91 FEET; THENCE SOUTH 65°09'52" WEST A DISTANCE 354.20 FEET; THENCE NORTH 88°08'01" WEST A DISTANCE OF 211.78 FEET; THENCE NORTH 68°42'48" WEST 233.33 FEET TO THE **POINT OF BEGINNING**.

CONTAINS 846,174.89 SF, 19.42 ACRES

THE ABOVE DESCRIBED PARCEL INCLUDES ALL OF LOT 4, PECCOLE WEST, BOOK 77, PAGE 23 OR PLATS AND A PORTION OF LOT 5, AMENDED PECCOLE WEST, BOOK 83, PAGE 57 OF PLATS.

3.3 Permitted Uses and Standards

As defined in Chapter 19A.06 Special Purpose and Overlay Districts PD Planned Development District. Any combination of residential, commercial, industrial or public uses may be permitted within a specific Planned Development District to the extent they are consistent with the Master Development Plan for that District. The uses to be permitted within the District must be specified in the adopted Master Development Plan for the district.

Planned Use:

1. **Condominium Towers**
2. **Golf Club (Existing)**
3. **Office Building**

Deleted: <#>Condo Club House¶

4.0 Site Design Criteria

4.1 Building Setbacks

The City of Las Vegas Zoning Code defines required building setbacks from adjacent single family lots east of site are defined by City of Las Vegas Zoning Code to be not higher than a line formed by a 3 to 1 slope measured from the nearest single family property line to the top of the proposed building construction.

The City of Las Vegas Zoning Code defines required building heights Along Alta (Collector or Larger) are defined as follows as required by City of Las Vegas Zoning: "Buildings may be constructed up to 35 feet in height at the front yard setback line. Any portion of a building over 35 feet in height shall be set back an additional 1 foot for each foot of height in excess of 35 feet.

4.2 Building Setback Exceptions

1. The height of the nearest proposed building extends 67'-0" ft. (worst case) above the 3 to 1 slope measured from the nearest single family

Deleted: 77'-8

PRJ-51869
04/28/14

property line.

2. Minimum Building set back line for the Queensridge Towers project has been established as 20' along Alta Drive. Planned Towers extend 146'-6" ft. (worst case, now existing, does not apply) above the allowed '1 to 1' slope line. (See Exhibits, Site Plan & Site Section.)
3. Underground utilities
4. Roof Overhangs
5. Steps and sidewalks
6. Landscaping and related irrigation
7. Planter and related irrigation.
8. Driveways and curb cuts

4.3 Service and Loading Areas

Where practical, service and loading areas' yards shall be screened from adjacent residential lots. Service access to condominium towers and restaurants will be via parking garage access.

4.4 Parking, Driveways and Circulation

1. **Parking required for the High-rise Condominium:**
   One and three-quarter spaces for each two-bedroom unit, plus one guest space for every five units. Two spaces for each three-bedroom and above unit, plus one guest space for every five units.

   42 (2 bedroom) units x 1.75 spaces = 74
   343 (3 bedroom or more) units x 2 spaces = 686 spaces
   385 (total) units / 5 (for guests) = 77 spaces

   Total required parking for condominium (all phases) = 837 spaces

2. **Parking required for the Golf Club (Existing):**
   One space for every 200 square feet of ground floor area of Country Club.
   14,600 square feet Golf Club / 200 = 73 spaces (Existing)

3. **Parking required for Office Building:**
   Four spaces for each 1,000 square feet.
   17,400 square feet Office / 1000 x 4 = 70 spaces

4. **Parking Total Required**
   The parking total required is 981 spaces for Phases 1 and 2. Parking provided is 1438 spaces total therefore we are providing approximately 457 additional spaces.

5. **Handicapped Parking**
   The appropriate handicapped spaces will be provided in accordance with the requirements as outlined in the City of Las Vegas Zoning Code Title 19.

PRJ-51869
04/28/14

1. **Temporary Signage**
   Temporary construction signs naming Builder, architect, etc., are allowed subject to the time limits of constructions and shall not exceed 32 square feet.

2. **Site Signage**
   Monument signage naming the Project, shall be a maximum of 10' high. Monument sign will be located at main entrance to property.

3. **Master Sign Plan**
   All signage shall be in compliance with The Queensridge Towers Development Master Sign Plan, as approved by the City of Las Vegas.

4.6 Landscaping
All landscaping shall be in accordance with the requirements of Title 19A

4.7 Fences and Walls
All fences and walls shall be in accordance with Title 19A and the Landscape Wall Caps and Buffer Guidelines.

4.8 Streetscape

1. Sidewalks are to be provided, repaired or replaced along all street frontages.
2. Site benches may be provided within easy access of pedestrian pathways and gathering areas.
3. Existing streetlight, located on Alta at the main project entrance (at Suncoast Entrance) to remain.
4. Second entrance to Alta is to be provided. It will be equipped with a turn around and gated two-way entrance and exit.

5.0 Architectural Design Criteria

5.1 Purpose
The design objective of the architectural criteria is to establish the parameters and theme for creating a uniform Architectural character comparable with the surrounding planned communities.

5.2 Style
The architectural character of the Queensridge Towers is intended to be classical "old world" in design with a triparte elevation and architectural detail and appropriate to a luxury condominium development.

5.3 Building Height
The building height shall be:

Formatted: Font: Bold

5.4 Mechanical Equipment Trash Area Screening

Exterior components, whether roof or ground mounted, shall be screened on all sides by a screen wall or parapet wall that shall be aesthetically compatible with the architectural design of the building. Monolithic screens are required versus several small individual screens. Trash and mechanical enclosures shall be horizontally screened from elevated sight lines. On low rise buildings mechanical equipment will be screened from side views and views from above.

5.5 Building Materials and Finishes

1. Exterior Walls: Exterior walls shall be of EIFS finish over proper backing on metal studs. The finish of the exterior walls of the first three floors of the residential towers will be a minimum of 75% stone finish.
2. Glazing: Glazing is to be insulated tinted and in painted aluminum frames and coated glass.
3. Roofing: Roofing for the new construction is to be a single ply membrane on horizontal surface. Vertical sloped vaulted and domed roofs will be finished in a standing seam (zinc or similar). Low buildings will utilize sloped or paved roofing to avoid unsightly view lines.
4. Balcony floors will be finished in stone with decorative metal railings.

5.6 Exterior Lighting

1. The design objective for the lighting criteria is to provide safe, functional lighting in an aesthetically pleasing manner.
2. Area illumination is to provide for entry areas and other people-gathering places.
3. Area illumination will be provided for podium pool, guard and tennis court areas.
4. Service area lighting shall be contained within the service yard boundaries.
5. Landscape lighting shall be integrated into the overall project lighting design.

5.7 Exterior Colors

The intent of the exterior colors is to create a desert responsive color palette, which is considerate of the adjacent residential areas. (See material color

board.)

1. Overview

1.1 Purpose

The purpose of the Development Standards and Guidelines for this PD plan is to provide the parameters of development for the Queensridge Towers Condominium Project. The project is located on 21 gross acres located on the south side of Alta near the intersection of Alta and Rampart. The majority of the property is currently zoned PD.

2. PD District

2.1 Intent of PD District

The intent of the Planned Development District (PD) is to permit and encourage comprehensively planned developments whose purpose is redevelopment, economic development, cultural enrichment, or to provide a single purpose or multi-use planned development. The rezoning of property to the PD District may be deemed appropriate if the development proposed for the District can accomplish one or more of the following goals: (Bolded goals relate to project site)

1. **Providing for an orderly and creative arrangement of land uses that are harmonious and beneficial to the community.**

2. Providing for a variety of housing types, employment opportunities or commercial or industrial services, or any combination thereof, to achieve variety and integration of economic and redevelopment opportunities.

3. **Providing for flexibility in the distribution of land uses, in the density of development, and in other matters typically regulated in zoning districts.**

4. Providing for cultural, civic, educational, medical, religious or recreational facilities, or any combination thereof, in a planned or a unique setting and design.

5. Providing for the redevelopment of areas where depreciation of any type has occurred.

6. Providing for the revitalization of designated areas.

7. Promoting or allowing development to occur in accordance with a uniform set of standards, which reflect the specific circumstances of the site.

8. Avoiding premature or inappropriate development that would result in incompatible uses or would create traffic and public service demands that exceed the capacity of existing or planned facilities.

9. **Encouraging area-sensitive site planning and design.**

PRJ-51869
04/24/14

10. **Contribution to the health, safety and general welfare of the community, and providing development which is compatible with the City's goals and objectives.**

2.2 Minimum Site Area

The minimum site area for Planned Development District is five acres, except that the City Council may waive this requirement when the proper planning justification is shown. The boundary of the Queensridge Towers Condo project is 20.1 gross acres.

3. Planned Development (PD) Designation

3.1 Existing Planned Development (PD)

The following description and guidelines are based on the Las Vegas GTC Land Use Designation (see Exhibits, land use map). The area is expanded from 16 to 21 gross acres.

3.2 Queensridge Towers Site Boundary

Single-family residential lots bound the Queensridge Towers site, for which these guidelines are written, to the northwest, the Badlands Golf Course to the south and east, and north across Alta the Suncoast Hotel and Casino. It is described as follows:

"BEING A PORTION OF THE EAST HALF (E 1/2) OF SECTION 31 AND THE WEST HALF (W l/2) SECTION 32, TOWNSHIP 20 SOUTH, RANGE 60 EAST, M.D.M., CITY OF LAS VEGAS, CLARK COUNTY NEVADA, MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE SOUTHWEST CORNER OF SAID SECTION 32, THENCE NORTH 89°26'21" EAST A DISTANCE OF 387.35 FEET; THENCE NORTH 00°33' 39" WEST A DISTANCE OF 2,518.27 FEET; TO POINT BEING THE SOUTHWESTERLY CORNER OF LOT 4 OF PECCOLE WEST AS SHOWN IN BOOK 77, PAGE 23 OF PLATS SAID POINT ALSO BEING THE **POINT OF BEGINNING:** THENCE NORTH 75°09' 11" WEST A DISTANCE OF 409.15 FEET; THENCE NORTH 09°40'24" WEST A DISTANCE OF 275.89 FEET; THENCE NORTH 39°33'23" EAST A DISTANCE OF 220.56 FEET; THENCE EAST 127.77 FEET; THENCE NORTH 39°33'23" EAST A DISTANCE OF 245.97 FEET; THENCE ALONG THE ARC OF A CURVE TO THE LEFT HAVING A RADIUS OF 25.00 FEET, CONCAVE WESTERLY THROUGH A CENTRAL ANGLE OF 87°19'36", AN ARC DISTANCE OF 38.l 0 FEET; THENCE NORTH 42°13 '47" EAST A DISTANCE OF 5,000 FEET TO A POINT OF CURVATURE WITH A RADIUS BEARING NORTH 42°13'47" EAST; THENCE ALONG THE ARC OF A CURVE TO THE LEFT HAVING A RADIUS OF 1,035.00 FEET, CONCAVE NORTHEASTERLY THROUGH A CENTRAL ANGLE OF 46°03'54", AN ARC DISTANCE OF 832.13 FEET; THENCE NORTH 86°09'53" EAST A DISTANCE OF 565.75 FEET; THENCE ALONG THE ARC OF A CURVE TO

PRJ-51869
04/24/14

THE RIGHT HAVING A RADIUS OF 765.00 FEET, CONCAVE SOUTHERLY THROUGH A CENTRAL ANGLE OF 10°00'36", AN ARC DISTANCE OF 133.65 FEET: THENCE SOUTH 06°10'29" WEST 5.00 FEET; THENCE SOUTH 55°19'16" WEST A DISTANCE OF 845.91 FEET; THENCE SOUTH 65°09'52" WEST A DISTANCE 354.20 FEET; THENCE NORTH 88°08'01" WEST A DISTANCE OF 211.78 FEET; THENCE NORTH 68°42'48" WEST 233.33 FEET TO THE **POINT OF BEGINNING**.

CONTAINS 846,174.89 SF, 19.42 ACRES

THE ABOVE DESCRIBED PARCEL INCLUDES ALL OF LOT 4, PECCOLE WEST, BOOK 77, PAGE 23 OR PLATS AND A PORTION OF LOT 5, AMENDED PECCOLE WEST, BOOK 83, PAGE 57 OF PLATS.

3.3 Permitted Uses and Standards

As defined in Chapter 19A.06 Special Purpose and Overlay Districts PD Planned Development District. Any combination of residential, commercial, industrial or public uses may be permitted within a specific Planned Development District to the extent they are consistent with the Master Development Plan for that District. The uses to be permitted within the District must be specified in the adopted Master Development Plan for the district.

Planned Use:

1. **Condominium Towers**
2. **Golf Club (Existing)**
3. **Office Building**

4.0 Site Design Criteria

4.1 Building Setbacks

The City of Las Vegas Zoning Code defines required building setbacks from adjacent single family lots east of site are defined by City of Las Vegas Zoning Code to be not higher than a line formed by a 3 to 1 slope measured from the nearest single family property line to the top of the proposed building construction.

The City of Las Vegas Zoning Code defines required building heights Along Alta (Collector or Larger) are defined as follows as required by City of Las Vegas Zoning: "Buildings may be constructed up to 35 feet in height at the front yard setback line. Any portion of a building over 35 feet in height shall be set back an additional 1 foot for each foot of height in excess of 35 feet.

4.2 Building Setback Exceptions

1. The height of the nearest proposed building extends 67'-0" ft. (worst case) above the 3 to 1 slope measured from the nearest single family

PRJ-51869
04/24/14

property line.
2. Minimum Building set back line for the Queensridge Towers project has been established as 20' along Alta Drive. Planned Towers extend 146'-6" ft. (worst case, now existing, does not apply) above the allowed '1 to 1' slope line. (See Exhibits, Site Plan & Site Section.)
3. Underground utilities
4. Roof Overhangs
5. Steps and sidewalks
6. Landscaping and related irrigation
7. Planter and related irrigation.
8. Driveways and curb cuts

4.3 Service and Loading Areas

Where practical, service and loading areas' yards shall be screened from adjacent residential lots. Service access to condominium towers and restaurants will be via parking garage access.

4.4 Parking, Driveways and Circulation

1. **Parking required for the High-rise Condominium:**
   One and three-quarter spaces for each two-bedroom unit, plus one guest space for every five units. Two spaces for each three-bedroom and above unit, plus one guest space for every five units.

   42 (2 bedroom) units x 1.75 spaces = 74
   343 (3 bedroom or more) units x 2 spaces = 686 spaces
   385 (total) units / 5 (for guests) = 77 spaces

   Total required parking for condominium (all phases) = 837 spaces

2. **Parking required for the Golf Club (Existing):**
   One space for every 200 square feet of ground floor area of Country Club.
   14,600 square feet Golf Club / 200 = 73 spaces (Existing)

3. **Parking required for Office Building:**
   Four spaces for each 1,000 square feet.
   17,400 square feet Office / 1000 x 4 = 70 spaces

4. **Parking Total Required**
   The parking total required is 981 spaces for Phases 1 and 2. Parking provided is 1438 spaces total therefore we are providing approximately 457 additional spaces.

5. **Handicapped Parking**
   The appropriate handicapped spaces will be provided in accordance with the requirements as outlined in the City of Las Vegas Zoning Code Title 19.

4.5 Signage

PRJ-51869
04/24/14

1. **Temporary Signage**
   Temporary construction signs naming Builder, architect, etc., are allowed subject to the time limits of constructions and shall not exceed 32 square feet.

2. **Site Signage**
   Monument signage naming the Project, shall be a maximum of 10' high. Monument sign will be located at main entrance to property.

3. **Master Sign Plan**
   All signage shall be in compliance with The Queensridge Towers Development Master Sign Plan, as approved by the City of Las Vegas.

4.6 Landscaping

All landscaping shall be in accordance with the requirements of Title 19A

4.7 Fences and Walls

All fences and walls shall be in accordance with Title 19A and the Landscape Wall Caps and Buffer Guidelines.

4.8 Streetscape

1. Sidewalks are to be provided, repaired or replaced along all street frontages.
2. Site benches may be provided within easy access of pedestrian pathways and gathering areas.
3. Existing streetlight, located on Alta at the main project entrance (at Suncoast Entrance) to remain.
4. Second entrance to Alta is to be provided. It will be equipped with a turn around and gated two-way entrance and exit.

5.0 Architectural Design Criteria

5.1 Purpose

The design objective of the architectural criteria is to establish the parameters and theme for creating a uniform Architectural character comparable with the surrounding planned communities.

5.2 Style

The architectural character of the Queensridge Towers is intended to be classical "old world" in design with a triparte elevation and architectural detail and appropriate to a luxury condominium development.

5.3 Building Height

The building height shall be:

PRJ-51869
04/24/14

- **201'-6" ft. for the eighteen story residential towers (Existing)**
- **310'-0" ft. for the twenty-two story residential tower**
- **26'-0" ft. - Phase I for the parking podium at South Façade (Existing)**
- **26'-0" ft. - Phase II for the parking podium at South Façade**
- **25'-0" ft. for gazebo and trellis structures on podium**
- **44'-0" ft. for the golf club house**
- **33'-0" ft. for the single story office building**
- **41-0" ft. for the porte cochere and lobby buildings**

5.4 Mechanical Equipment Trash Area Screening

Exterior components, whether roof or ground mounted, shall be screened on all sides by a screen wall or parapet wall that shall be aesthetically compatible with the architectural design of the building. Monolithic screens are required versus several small individual screens. Trash and mechanical enclosures shall be horizontally screened from elevated sight lines. On low rise buildings mechanical equipment will be screened from side views and views from above.

5.5 Building Materials and Finishes

1. Exterior Walls: Exterior walls shall be of EIFS finish over proper backing on metal studs. The finish of the exterior walls of the first three floors of the residential towers will be a minimum of 75% stone finish.
2. Glazing: Glazing is to be insulated tinted and in painted aluminum frames and coated glass.
3. Roofing: Roofing for the new construction is to be a single ply membrane on horizontal surface. Vertical sloped vaulted and domed roofs will be finished in a standing seam (zinc or similar). Low buildings will utilize sloped or paved roofing to avoid unsightly view lines.
4. Balcony floors will be finished in stone with decorative metal railings.

5.6 Exterior Lighting

1. The design objective for the lighting criteria is to provide safe, functional lighting in an aesthetically pleasing manner.
2. Area illumination is to provide for entry areas and other people-gathering places.
3. Area illumination will be provided for podium pool, guard and tennis court areas.
4. Service area lighting shall be contained within the service yard boundaries.
5. Landscape lighting shall be integrated into the overall project lighting design.

5.7 Exterior Colors

The intent of the exterior colors is to create a desert responsive color palette, which is considerate of the adjacent residential areas. (See material color

MOD-53701 [PRJ-51869]
Planning Commission Meeting of 5/13/2014

63 DRDFN11 89148

Myself and everyone I have spoken with is adamantly against this variance/proposed development. 106 has announced publicly that they are "getting out" of Las Vegas. Hence, this doesn't make sense to give approvals to 106. The chances of a bank funding development is near zero "0". Lets be reasonable and request that 106 propose a development that has type.

MOD-53701 [PRJ-51869]
Planning Commission Meeting of 5/13/2014

I strongly oppose the reduced setback in VAR-53502, the height of the building in SDR-53503, and the parking variances and office building, all of which diminish current property values.

VAR-53502
SDR-53503

Gentlemen/Madams:

As a homeowner at the address located above, I am **STRONGLY OPPOSSED** to all of the above referenced Modifications and Variances. The developer was dishonest to us at the time we purchased our homes saying that the new tower maximum height would be 18 stories and two matching buildings rather than one (which would not restrict our views as much as the current building being planned). We do not need a 22 story tower in this area and we certainly do not need the standard set-back altered by over 200 ft. These variances/changes would be a detriment to our neighborhood.

Thank you.

Very truly yours,

Margaret M. Carnell

To Las Vegas City Council,

We are homeowners at One Queensridge Towers. We want to go on record as

OPPOSED to the Major Modification #53701.

We are OPPOSED to Var53502 and Var 53503

NO to 22 story building 310 ft high!

We are strongly opposed to any height variations from the original entitlement when we purchased our property.

Name Stephen Bell

Address 9103 Alta Drive #301

City Las Vegas

State Nevada

Zip 89135

Comment I oppose the application and request developer build at already approved height on original approved footprint.

1. Increase from 18 and 14 story towers to a 22 story tower height violates code and an already increased height variance.

2. The positioning of the western edge of the tower has a significant negative visual and financial impact on my property and adjacent residential properties in the existing towers.

3. Increased tower height poses a concern for privacy for adjacent residential properties.

Comment We are concerned about the negative impact on Tudor Park of reducing the setback to 582 feet. We are also concerned that this new building is planned to be significantly taller than the two existing towers.

Planning Commission Meeting of 5/13/2014

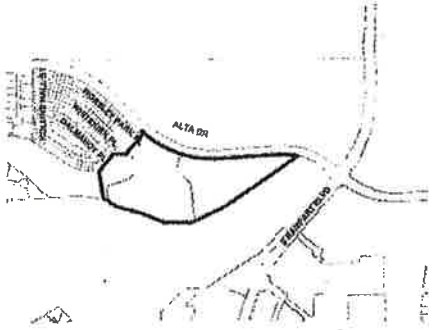
Application Information

VAR-53502 - VARIANCE RELATED TO MOD-53701 - PUBLIC HEARING - APPLICANT/OWNER: QUEENSRIDGE TOWERS, LLC - For possible action on a request for a Variance TO ALLOW A 582-FOOT BUILDING SETBACK WHERE RESIDENTIAL ADJACENCY STANDARDS REQUIRE AN 810-FOOT SETBACK FOR A PROPOSED 22-STORY RESIDENTIAL TOWER on a 7.87-acre portion of a 10.53-acre parcel at 9119 Alta Drive (APN 138-32-210-005), PD (Planned Development) Zone, Ward 2 (Beers) [PRJ-51869].

SDR-53503 - SITE DEVELOPMENT PLAN REVIEW RELATED TO MOD-53701 AND VAR-53502 - PUBLIC HEARING - APPLICANT/OWNER: QUEENSRIDGE TOWERS, LLC - For possible action on a request for a Major Amendment of an approved Site Development Plan Review (SDR-4206) FOR A PROPOSED 22-STORY, 310-FOOT TALL, 166-UNIT MULTI-FAMILY BUILDING AND A SINGLE-STORY, 33-FOOT TALL, 17,400 SQUARE-FOOT OFFICE BUILDING on a 7.87-acre portion of a 10.53-acre parcel at 9119 Alta Drive (APN 138-32-210-005), PD (Planned Development) Zone, Ward 2 (Beers) [PRJ-51869].

Application Location



The proposed project may not pertain to the entire highlighted project site.

Public Hearing Information

Meeting:	Planning Commission
Date:	*May 13, 2014*
Time:	6:00 P.M.
Location:	City Council Chambers 495 South Main Street, 2nd Floor Las Vegas, Nevada 89101

Any and all interested persons may appear before the City Planning Commission either in person or by representative and object to or express approval of this request; or may, prior to this meeting, file written objection thereto or approval thereof with the Department of Planning, Development Services Center, 333 North Rancho Drive, 3rd Floor, Las Vegas, Nevada 89106. Final Action on General Plan Amendments and Rezonings will be determined by the City Council. Other public hearing items may be deemed Final Action by the Planning Commission or forwarded to the City Council. The date of the City Council meeting, if applicable, will be announced at the Planning Commission meeting after the discussion of the item. For further information, including the full staff report, please call (702) 229-6301 (TDD 386-9108) or go to http://www.lasvegasnevada.gov.

Dear Sir/Madam,

My preference would be to have no further high-rise buildings in Summerlin at all. Since that is not possible in this situation, I strongly object to having one very tall building and would prefer two smaller ones.
May I say that I love living in Summerlin and I love Las Vegas. I moved here from London almost eight years ago. Summerlin is an oasis of calm, serenity and beauty. It allows one to enjoy unobstructed views of the sky and the mountains. It is not bogged down by too many cars and too many people. Please have the foresight to preserve this landscape. And please protect it!

Sincerely,

(Alexandra Dwek)

Subject: MOD-53701
VAR-53502
SDR-53503

Gentlemen/Madams:

As a homeowner at the address located above, I am **STRONGLY OPPOSSED** to all of the above referenced Modifications and Variances. The developer was dishonest to us at the time we purchased our homes saying that the new tower maximum height would be 18 stories and two matching buildings rather than one (which would not restrict our views as much as the current building being planned). We do not need a 22 story tower in this area and we certainly do not need the standard set-back altered by over 200 ft. These variances/changes would be a detriment to our neighborhood.

Thank you.

Very truly yours,

Margaret M. Carnell

To Las Vegas City Council,

We are homeowners at One Queensridge Towers. We want to go on record as

OPPOSED to the Major Modification #53701.

We are OPPOSED to Var53502 and Var 53503

NO to 22 story building 310 ft high!

We are strongly opposed to any height variations from the original entitlement when we purchased our property.

Comment I oppose the application and request developer build at already approved height on original approved footprint.

1. Increase from 18 and 14 story towers to a 22 story tower height violates code and an already increased height variance.

2. The positioning of the western edge of the tower has a significant negative visual and financial impact on my property and adjacent residential properties in the existing towers.

3. Increased tower height poses a concern for privacy for adjacent residential properties.

Comment I oppose the application and request developer build at already approved height on original approved footprint.

1. Increase from 18 and 14 story towers to a 22 story tower height violates code and an already increased height variance.

2. The positioning of the western edge of the tower has a significant negative visual and financial impact on my property and adjacent residential properties in the existing towers.

3. Increased tower height poses a concern for privacy for adjacent residential properties.

February 19, 2014

Ted Olivas
Chief of Staff
City of Las Vegas
495 South Main
Las Vegas, NV 89101

Dear Mr. Olivas,

Our former Mayor, Oscar B Goodman, played a leading role in revitalizing the downtown area of Las Vegas. One such project that benefitted from his focus is the new City Hall.

I would like to formally request that the City of Las Vegas rename the current street in front of City Hall, from Main to Casino Center, Oscar B. Goodman Boulevard. It is an honor I believe he deserves.

I appreciate your consideration to this request.

Sincerely,

Richard H. Bryan

SDR-53435 CONDITIONS

Planning

1. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.16. An Extension of Time may be filed for consideration by the City of Las Vegas.

2. All development shall be in conformance with the site plan date stamped 03/25/14, and landscape plan and building elevations, date stamped 04/14/14, except as amended by conditions herein.

3. Miller Avenue is hereby designated as the lot front. All development standards will be orientated with Miller Avenue as the front property line and the primary structure will be addressed off of said street.

4. Waivers from Table 4 of LVMC Title 19.08.40 are hereby approved, to allow perimeter landscape buffer widths adjacent to public rights-of-way of six feet along the northern property line, zero feet along a portion of the east property line and eight feet along the south property line where 15 feet is required.

5. Waivers from Table 4 of LVMC Title 19.08.40 are hereby approved, to allow perimeter landscape buffer widths adjacent to interior property lines of two feet along the northwest property line, three feet along the north property line and three feet along the portions of southwest where eight feet is required.

6. An Exception from Title 19.08.110 is hereby approved, to allow five parking lot islands and five 24-inch box trees where nine parking lot islands and nine 24-inch box trees are required.

7. The applicant shall coordinate with the City Surveyor and other city staff to determine the most appropriate mapping action necessary to consolidate the existing lots. The mapping action shall be completed and recorded prior to the issuance of any building permits.

8. All necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

9. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

10. The trash enclosure on-site shall be constructed with solid metal gates and a roof or trellis structure.

11. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.

12. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

13. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

14. Dedicate a 15-foot radius on the northwest corner of Miller Avenue and Lexington Street and an additional 5-foot for a total radius of 25 feet on the southwest corner of Carey Avenue and Lexington Street prior to the issuance of any permits; coordinate with the Right-of-Way Section of the Department of Public Works for assistance in the preparation of appropriate documents.

15. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.

16. Meet with the Fire Protection Engineering Section of the Department of Fire Services to discuss fire requirements for the proposed use of this facility.

17. Landscape and maintain all unimproved rights-of-way, if any, adjacent to this site. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

18. Submit an Encroachment Agreement for landscaping and private improvements, if any, in the Carey Avenue and Miller Avenue public rights-of-way prior to the issuance of permits for these improvements. The applicant must carry an insurance policy for the term of the Encroachment Agreement and add the City of Las Vegas as an additionally insured entity on this insurance policy. If requested by the City, the applicant shall remove property encroaching in the public right-of-way at the applicant's expense pursuant to the terms of the City's Encroachment Agreement. The installation and maintenance of all private improvements in the public right of way shall be the responsibility of the adjacent property owner(s) and shall be transferred with the sale of the property for the entire term of the Encroachment Agreement. Coordinate all requirements for the Encroachment Agreement with the Land Development Section of the Department of Building and Safety (229-4836).

19. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing finished floor elevations and drainage patterns for this site prior to submittal of construction plans or the issuance of any building or grading permits, whichever may occur first. Provide and improve all drainage ways as recommended.

** STAFF REPORT **

PROJECT DESCRIPTION

The applicant is requesting Site Development Plan Review for a proposed 7,378 square-foot Church/House of Worship located on the west side of Lexington Avenue between Miller Avenue and Carey Avenue. There are three lots containing an existing 1,673 square-foot Church/House of Worship, an undeveloped lot, and a vacant building at 1316 Miller Avenue and 1329 West Carey Avenue. The subject site is zoned C-V (Civic). This application will allow the site to be cleared and new construction to occur. Five perimeter landscape buffer Waivers and two Exceptions to allow the reduction in parking lot landscape islands and parking lot vegetation are required. The requested Waiver and Exceptions are minor in nature and the Church/House of Warship is compatible with the surrounding development; therefore, staff recommends approval of this Site Development Plan Review.

ISSUES

- The applicant is requesting Waivers to allow perimeter landscape buffer widths adjacent to public rights-of-way to be six feet along the northern property line, zero feet along portions of the east property line and eight feet along the south property line where 15 feet is required.
- The applicant is requesting Waivers to allow interior property line landscape buffer widths of two feet wide along the northwest, three feet wide along the north and three feet wide along portions of the southwest where eight feet is required.
- The applicant is requesting Exceptions to allow five parking lot landscape fingers where nine are required and to reduce the amount of parking lot vegetation to five shrubs and nine trees.
- The site currently consists of six subdivision lots over three separate parcels, and must be remapped to combine these lots prior to issuance of building permits.

BACKGROUND INFORMATION

Related Relevant City Actions by P&D, Fire, Bldg., etc	
11/15/06	The City Council approved a General Plan Amendment (GPA-17129) request to amend the Southeast Sector Plan from MLA (Medium Low Attached Density Residential) to PF (Public Facilities), a Rezoning (ZON-16632) request from C-1 (Limited Commercial) and C-2 (General Commercial) to C-V (Civic) and a Site Development Plan Review (SDR-15034) request for a 5,750 square-foot expansion to an existing 1,673 square-foot church at 1316 and 1352 Miller Avenue and 1329 West Carey Avenue. The Planning Commission and staff recommended approval. Theses entitlements expired on 11/15/08.

Related Relevant City Actions by P&D, Fire, Bldg., etc	
07/01/09	The City Council approved Ordinance #6046 and successfully changed the zoning of the property from C-1 (Limited Commercial) and C-2 (General Commercial) to C-V (Civic).
10/22/09	The Planning Commission approved a Site Development Plan Review (SDR-35912) request for a proposed 5,750 square-foot expansion to an existing 1,673 square-foot church with Waivers of the perimeter landscape buffer requirements to allow one, eight and zero feet along the north, south, and east perimeters, respectively, where 15 feet is required adjacent to right-of-way and two feet along the north and west perimeters where eight feet is required along interior lot lines. Staff recommended approval. This entitlement expired on 11/06/09.
12/17/12	A Final Map (FMP-47786) request to revert the APNs 139-21-510-007,073, & 074 to acreage was submitted; the mylar set was submitted for review on 03/13/14.

Most Recent Change of Ownership	
09/20/01	A deed was recorded for a change in ownership.

Related Building Permits/Business Licenses	
07/27/09	A building permit (#144228) was submitted; however, no permit was issued. The building permit application expired on 05/01/12.
10/02/13	A building permit (#244252) for HVAC change out was issued. The permit was not finalized.
08/05/09	Civil Improvement Plans (#24921 L-CIVIL) were submitted; however, they were not approved.

Pre-Application Meeting	
03/10/14	A pre-application meeting was held with the applicant to discuss the following: 1. The submittal requirement for a Site Development Plan Review and the possibility of a parking Variance. 2. The building permit process for construction of the new building should it be approved.

Neighborhood Meeting
A neighborhood meeting was not required, nor was one held.

Field Check	
04/03/14	A field check was conducted of the subject property, which revealed there are two structure on the site.

Waivers		
Requirement	***Request***	***Staff Recommendation***
15-foot landscape buffer adjacent to right-of-way.	A six-foot landscape buffer along the north property line adjacent to right-of-way.	Approval
15-foot landscape buffer adjacent to right-of-way.	A zero-foot landscape buffer along a portion of the east property line adjacent to right-of-way.	Approval
15-foot landscape buffer adjacent to right-of-way.	An eight-foot landscape buffer along the south property line adjacent to right-of-way.	Approval

Waivers		
Requirement	***Request***	***Staff Recommendation***
Eight-foot landscape buffer adjacent to the interior property line.	A three-foot landscape buffer along a portion of the southwest property line, adjacent to interior lot lines.	Approval
Eight-foot landscape buffer adjacent to the interior property line.	A three-foot landscape buffer along the north property line, adjacent to interior lot lines.	Approval
Eight-foot landscape buffer adjacent to the interior property line.	A two-foot landscape buffer along the northwest property line, adjacent to interior lot lines.	Approval

Exceptions		
Requirement	***Request***	***Staff Recommendation***
Provide one landscape island and one 24-inch box tree and four 5-gallon shrubs per six parking space and one landscape island, one 24-inch box tree and four 5-gallon shrubs on the end of parking space rows.	The applicant is requesting an Exception to allow five parking lot landscape fingers where nine are required and to a reduction in four 24-inch box trees and 16-five gallon shrubs where nine 24-inch box trees and 36 five-gallon shrubs are required.	Approval

ANALYSIS

This proposal is for a Site Development Plan Review (SDR-53435) for a proposed 7,378 square-foot Church/House of Worship located on parcels within the C-V (Civic) zoning district. This site previously received land use entitlements [Site Development Plan Review (SDR-15034) and Rezoning (ZON-16631)] for a 5,750 square-foot expansion to an existing 1,673 square-foot house of worship and a Rezoning from C-1 (Limited Commercial) and C-2 (General Commercial) to C-V (Civic); however, these entitlements expired. On 07/01/09, the City Council approved Ordinance #6046, successfully Rezoning the property from C-1 (Limited Commercial) and C-2 (General Commercial) to C-V (Civic).

This infill project will construct a new church on the west side of Lexington Street between Miller Avenue and Carey Avenue. This development will remove two existing structures, combine and repurpose three underutilized parcels to construct a new development in West Las Vegas.

Public Works has noted that the redevelopment of the site will require some type of mapping and therefore, the Planning Department has imposed a condition that "The applicant shall coordinate with the City Surveyor and other city staff to determine the most appropriate mapping action necessary to consolidate the existing lots. The mapping action shall be completed and recorded prior to the issuance of any building permits." Final Map (FMP-47786) has been submitted to meet this requirement; however, as of 04/28/14, the mylar release is pending the payment of a City processing fee ($110).

Per Title 19.18, "Lot Frontage" is defined as "the side of the lot which fronts on a street or drive. In the case of a corner lot, the "front" of the lot shall be considered to be the side which has the lesser dimension in width, unless the Director authorizes another side to be designated as the "front" and attaches whatever conditions are deemed necessary to ensure that such alternative designation does not result in land use incompatibility with the surrounding area."

Once the three lots are mapped into a single lot, the Director of the Department of Planning has determined that Miller Avenue will be the front lot line and that all setbacks, development standards and building addresses shall be adjusted to reflect said determination.

With Miller Avenue designated as the front of the property, this project complies with Title 19.10.020, Building and Plaza requirement, as the building is placed at the front setback line and front entry and plaza of the church have a strong visual tie to Miller Avenue and Lexington Street. Parking is at the rear of the building and the lot is consistent with the development standards for the C-V (Civic) zoning district when adjacent to residential uses.

The primary structure is a metal building that will be veneered with stucco and painted in tans and brown. The wall plans are broken up with two rows of windows on the south and north elevations and a single row of square windows on the west elevation. The east elevation is the main entrance consisting of a covered entry with double doors that open to the east. This elevation will visually read as the main entrance. The proposed site circulation and parking lot layout is consistent with a house of worship similar in size throughout the valley.

The application does not meet the minimum landscape buffering code requirements. Per Title 19.08, a perimeter landscape buffer of 15 feet must be provided adjacent to all street rights-of-way. The site and landscape plans depict landscape buffers ranging from five feet to 11 feet along the north perimeter adjacent to Carey Avenue; a zero-foot to 12-foot landscape buffer along the west perimeter adjacent to Lexington Street; and an eight-foot landscape buffer along the perimeter adjacent to Miller Avenue. The reduction in landscape buffering requirements ranges between 53 and 100 percent along the public rights-of-way.

Per Title 19.08, a perimeter landscape buffer of eight feet must be provided adjacent to interior lot lines. The site and landscape plans depicts an interior landscape buffers that range from two feet to 20 feet along the northwest property line, three feet to four feet along the north property line and three feet to 11 feet along southwest property line. The reduction in landscape buffering requirements ranges between zero to 75 percent along interior property lines.

Additionally, an Exception is required to allow the reduction in the number of parking lot islands and landscaping requirements. Specifically, one parking lot island, one 24-inch box tree and four, five-gallon shrubs for the parking lot adjacent to the house of worship are proposed where three landscape islands, three 36-inch box trees and 12 five-gallon shrubs are required. Additional Exceptions are required to allow four landscape islands, four 24-inch box trees and 16 five-gallon shrubs within the northern parking lot, where six parking lot islands, six 24-inch box trees and 24 five-gallon shrubs are required.

The applicant has provided a mix of desert trees (Sweet Acacias, African Sumac, Foot Hills Palo Verde and Honey Mesquites) throughout the site that will have light green foliage with dashes of yellow blooms through the year. Red Push Pistachio have been incorporated for a splashes of orange and yellow fall color. Rosemary is the predominate shrub utilized on this site. This plant should provide a deep green foundation with lavender color blooms in winter and early spring. A majority of the trees species selected are consistent with the tree palette of the West Las Vegas Walkable Community Plan. In summation, the applicant has mitigated the reduction in landscape buffer widths and number of landscape islands by providing more trees and shrubs overall than is required by code and varying the type, quantity and spacing throughout the site.

The applicant has proposed a project that will enhance and beatify the community. The requested Waivers and Exceptions are minor in nature and design solutions have been presented to reduce their impacts. For these reasons, staff recommends approval of this application.

FINDINGS (SDR-53435)

In order to approve a Site Development Plan application, per Title 19.16.100(E) the Planning Commission and/or City Council must affirm the following:

1. **The proposed development is compatible with adjacent development and development in the area;**

   The proposed development is compatible with adjacent developments and development within the area.

2. **The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

The proposed development is consistent with the proposed General Plan designation of PF (Public Facilities) and a majority of Title 19 requirements with exceptions for the landscape buffer widths on all property lines and the reduction in parking lot landscape islands and parking lot trees. Staff supports the requested Waivers and Exceptions, as they are minor in nature.

3. **Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

   The site is accessed from Lexington Street, which is a 60-foot Right-of-Way and will provide adequate access to the site. Site access and circulation will not negatively impact adjacent roadways and neighborhood traffic.

4. **Building and landscape materials are appropriate for the area and for the City;**

   The building materials are appropriate for the area and the city. Landscape materials are also appropriate and a majority of the tree selection is consistent with the plant palette of the West Las Vegas Walkable Community Plan.

5. **Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

   The building elevations are not unsightly or obnoxious, and will be compatible with development in the area.

6. **Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

   The proposed development is subject to permit review and inspection; therefore, appropriate measures will be taken to protect the health, safety and general welfare.

Las Vegas, NV 89106

To whom it May Concern :

Mr. Michael Hatch Pastor of Prayer Center Revival Ministries is requesting a change from their previously approved SDR 35912 on November 6 2009 . The church will be demolishing their existing 1,673 structure and replacing it with a new 7400 square foot Metal Steel Building. The new building will comply with previous approval with setbacks and Landscape buffer.

Sincerely

Earnest Patton P.E.

RE: SDR-53435 [PRJ-53239], Site Plan Review, Earnest Patton

Dear Sirs,

I am in receipt of your Notice for Public hearing on the referenced proposed development. I am a property owner, owning the property at the corner of Martin Luther King Blvd. and Carey (Parcels 139-21-510-001, 002, 003, 004).

I consider this a gateway site for the entrance into Las Vegas. As such, it will set the impression for anyone entering the city by this portal. Any development or redevelopment that adds to setting a good impression for this area is a benefit.

It would appear that the intention of the Owner, Pastor Earnest Patton, is to do just that. As such, I would like to express my support for the approval of these plans to build a new church on this location.

There are current plans to build a retail project on my corner property in process. Let us hope that these two developments are the beginning of new life for this strategic area.

Sincerely,

T. E. Lalonde
Managing Partner

PROJECT: ELKHORN & JONES MEMORY CARE FACILITY
(Congregate Care Facility)

A.P.N. 125-23-502-008

The proposed Memory Care Facility is located on the southwest corner of Elkhorn Road and Jones Blvd. which complies with Title 19 with regards to being located on a collector street. The site is 36,154 s.f. in area which exceeds the minimum site (size) requirement of 20,000 s.f. The proposed building is one story in height, which is less than the maximum two stories permitted under Title 19. We are proposing a total of 24 beds which is in compliance with the 25 bed per acre requirement of Title 19. The proposed building complies with the setback requirements for RE zoning. The proposed project also complies with the parking requirements which includes: 1 space per six beds, 3 spaces for medical professionals and one space per employee (per shift).

SITE DEVELOPMENT PLAN JUSTIFICATION

The proposed project is compatible with the adjacent residential neighborhood and we believe that it will provide the adjacent neighborhood with a buffer from the traffic noise at this major intersection. In addition to this, the proposed project will produce less traffic and noise than most other uses that could be constructed on this site. The project will have only one site access off of Elkhorn Road and therefor, not impact traffic in the adjacent neighborhoods. The exterior design if this facility is “Tuscan”, incorporating stone, stucco and concrete roof tile materials which will complement the adjacent neighborhood. In addition to this, the building has been designed to incorporate these materials on all four sides of the building so that side and rear exterior elevations are aesthetically pleasing. The proposed facility will comply with all local and federal regulations assuring protection of the public health, safety and general welfare.

SPECIAL USE PERMIT JUSTIFICATION

The proposed Memory Care Facility will be constructed in a manner that is both harmonious and compatible with the adjacent residential land uses. It first of all will be constructed on a site that is only 0.83 acres in size, which will limit the building size to more of a residential scale. It will also only be one story in height, which will preserve the privacy of the adjacent properties. The nature of these type of facilities ensures that any traffic or noise generated by this facility will be minimal. This facility also, will

PRJ-53350
04/15/14

VAR-53671, SUP-53496 & SDR-53497

not increase any impact to existing neighborhood schools. The subject site is physically suitable for the memory care facility proposed. There is adequate space for parking and secured open courtyard and outdoor recreation space for the proposed patients. Again, the proposed site is located on two major collector streets (that being Elkhorn Road and Jones Blvd.) with driveway access from Elkhorn Road. There is also a bus turn-out lane directly adjacent to the site on Jones Blvd. with access directly off of Elkhorn Road, there should be no concern for any traffic affecting adjacent neighborhoods. Approval of this project will in no way compromise the public health, safety and welfare of the neighborhood. We believe that this project is needed and will be an asset to the community.

VARIENCE JUSTIFICATION

We hereby request a variance to allow a 10 ft. separation where a 60 ft. separation is required to meet the residential adjacency standards of section 19.08.040 H.
We believe that this variance is appropriate in that the proposed Memory Care facility is used to house and care for people with memory problems and is therefore both institutional and residential in nature as opposed to other commercial uses. The proposed project is also in an RE zone and was required to comply with the setback requirements for the RE zone. The proposed Memory Care facility will also generate minimal traffic and noise compared to other commercial uses. In addition to this, section 19.08.040 H requires a separation of 3:1 based upon the height of the commercial building. The west façade of the proposed memory Care building varies in height from 10'-6" to 20'-0", with the majority of the façade being the lower height. This would mean that the separation requirement should be between 31'-6" to 60'-0" based upon the referenced section. We therefore respectfully request this varience.

P. K. Thistle
Architect

SDR 53497
Victor Heckler, et al

SWC Elkhorn & Jones

Proposed 24 thousand square foot nursing home.

Traffic produced by proposed development:

Proposed Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	NURSING HOME [BEDS]	24	2.37	57
AM Peak Hour			0.17	4
PM Peak Hour			0.22	5

Existing traffic on all nearby streets:

Elkhorn Road	
Average Daily Traffic (ADT)	5,775
PM Peak Hour (heaviest 60 minutes)	462

Jones Boulevard	
Average Daily Traffic (ADT)	9,076
PM Peak Hour (heaviest 60 minutes)	726

	Adjacent Street ADT Capacity
Elkhorn Road	16,300
Jones Boulevard	34,500

This project is expected to add about 57 trips per day on Elkhorn Rd. & Jones Blvd. Currently, Elkhorn is at about 35 percent of capacity and Jones is at about 26 percent of capacity. With this project, Elkhorn is expected to be at about 36 percent of capacity and Jones to remain at about 26 percent of capacity.

Based on Peak Hour use, this project will add about 5 trips in the peak hour, or about one every twelve minutes.

Note that this report assumes all traffic from this development uses all named streets.

RE: Justification Letter for Variances for Granite Falls 2 South (PRJ-53698)

Slater Hanifan Group, on behalf of the applicant, Richmond American Homes, respectfully submits this justification letter in support of a Variance (VAR) for the subject project.

The subject project has been approved for a 40 lot single family residential subdivision with R-1 zoning. The approved entitlement applications are GPA-52122, ZON-52123, TMP-52127, VAC-52125, and WVR-52171.

The subject site is located at the northwest corner of Iron Mountain Road and Bradley Road. The Assessor's Parcel Numbers are 125-01-402-009 thru 016. The parcels are approximately 9.18 gross acres combined.

The purpose of the Variance request is to allow 10-foot corner side setbacks instead of 15-foot corner side setbacks as per the UDC for R-1 developments. This request is for Lots 10, 14, 24, 28, 29, 33, 36, and 40.

The requested corner side setback reductions are for internal roadways only. The reduced setback would position the house 15 feet away from the back of curb. There would be a 5-ft sidewalk, a 5-ft landscape strip, a split face decorative masonry wall and a typical 5-ft side yard behind the wall. Aesthetically, the proposed reduced corner setback would look evenly spaced as compared to the typical non-corner lots. Additionally, the reduced setback would have no impact on Fire Code since they are not adjacent to another structure.

We feel that the requested reduction in the corner side setback will have neither adverse impact to public safety, nor any significant impact on the aesthetics of the community or surrounding properties.

Thank you for considering this variance request. Please contact me at (702) 284-5300 if you have any questions regarding this application.

Sincerely,

Slater Hanifan Group, Inc.

Re: Special-Use Permit--Crossroads Christian Academy

The applicant is requesting a special-use permit to allow for a private school with a primary use--to be located at 124 N. Tenaya Way, LV, NV 89145. In addition, we are respectfully asking for a parking variance to allow 12 spaces where 21 are required.

This location has operated as a daycare and/or school since 1988. In order to offer additional learning opportunities to parents and children, Crossroad Christian Academy is looking to expand into the primary education use. Currently we serve 77 children ranging from pre-k to first-grade. Our intention is to not expand beyond our current licensing that allows for up to 102 children. Keeping in mind that we will also adhere to all building and fire codes.

Our facility has 7 classrooms, and at this time the maximum number of students we have in one room is 20. Our hours of operation are from 6:30 am - 6:00 pm Monday - Friday. We have instituted a one-way drop off system through our parking lot--occurring between 8:00 am - 8:30 am, 12:00 pm - 12:30 pm, and finally at 3:00 pm - 3:30 pm. This has worked very well for us, and keeps traffic flowing smoothly while also creating a safe environment.

It is our position that in no way does our project compromise the public health, safety, and welfare of the objectives of the General Plan. The similar use of a daycare was established over 25 years ago.

In keeping with the goals of Title 19, our project meets/supports the Cities regulations as it pertains to development compatibility. We respectfully request that City Staff and Planning Commission approve our request for this special-use permit and parking variance.

Sincerely,

Nathaniel Taylor

Re: Special-Use Permit--Crossroads Christian Academy

The applicant is requesting a special-use permit to allow for a private school with a primary use--to be located at 124 N. Tenaya Way, LV, NV 89145. In addition, we are respectfully asking for a parking variance to allow 12 spaces where 21 are required.

This location has operated as a daycare and/or school since 1988. In order to offer additional learning opportunities to parents and children, Crossroad Christian Academy is looking to expand into the primary education use. Currently we serve 77 children ranging from pre-k to first-grade. Our intention is to not expand beyond our current licensing that allows for up to 102 children. Keeping in mind that we will also adhere to all building and fire codes.

Our facility has 7 classrooms, and at this time the maximum number of students we have in one room is 20. Our hours of operation are from 6:30 am - 6:00 pm Monday - Friday. We have instituted a one-way drop off system through our parking lot--occurring between 8:00 am - 8:30 am, 12:00 pm - 12:30 pm, and finally at 3:00 pm - 3:30 pm. This has worked very well for us, and keeps traffic flowing smoothly while also creating a safe environment.

It is our position that in no way does our project compromise the public health, safety, and welfare of the objectives of the General Plan. The similar use of a daycare was established over 25 years ago.

In keeping with the goals of Title 19, our project meets/supports the Cities regulations as it pertains to development compatibility. We respectfully request that City Staff and Planning Commission approve our request for this special-use permit and parking variance.

Sincerely,

Nathaniel Taylor
President
Taylor Consulting Group, LLC

JUSTIFICATION LETTER

April 6 , 2014

I, William Ensign, am applying for a special use permit so that I may keep 240 Racing Homing Pigeons on my property located at 6500 W. Ann Road, Las Vegas, NV 89130. The regulation 7.38.050 in the case of pigeons, this distance shall be 200 feet from any dwelling owned by another person. Unless such other person has filed with the Animal Control Officer a written, unrevoked consent authorizing the keeping of pigeons within 200 feet of the dwelling.

My distance from one neighbor is 99 feet and the other neighbor is 120 feet.

I am wanting the Special Use Permit so that I can continue with my Hobby of 45 years to be able to breed and race homing pigeons on my property. My neighbors have signed an unrevokable consent letter and have not had a problem with pigeons being on the property since 2005.

I am also requesting a variance for the required setback of the pigeon Avery. The required setback is ten feet and I am requesting two feet. The property is zoned Desert Rural Density Residential (DR), Residence Estates (R-E).

Respectfully,

William Ensign

CITY OF LAS VEGAS
PLANNING COMMISSION AND CITY COUNCIL
RECOMMENDATIONS / COMMENTS

FROM:	**CLARK COUNTY DEPARTMENT OF AVIATION**
APPLICATION NUMBERS:	**SUP-53867**
PROJECT:	**240 PIGEONS**
LOCATION:	**125-26-403-016**
MEETING DATES:	**06/10/14 PLANNING COMMISSION AND 07/16/14 CITY COUNCIL**

COMMENTS:

The Clark County Department of Aviation (CCDOA) is concerned about the proposed 240 racing homing pigeon application. The project is located less than four (4) miles from, and directly adjacent to preferred flight patterns for the North Las Vegas Airport (VGT).

The FAA (Federal Aviation Administration) Advisory Circular 150/5200-33B, title Hazardous Wildlife Attractants On or Near Airports, states that pigeons have caused major damage and have affected flight operations at airports, and therefore can be a hazard to air navigation. For airports like VGT, the advisory circular recommends that hazardous wildlife attractants be five miles from the nearest air operations area.

Clark County has a public hearing on May 7, 2014, which would amend the Title 30 Development Code to prohibit such uses if the birds do not remain confined.

PRJ-53540

U.S. Department
of Transportation

Federal Aviation Administration

Advisory Circular

Subject: HAZARDOUS WILDLIFE ATTRACTANTS ON OR NEAR AIRPORTS	**Date:** 8/28/2007	**AC No:** 150/5200-33B
	Initiated by: AAS-300	**Change:**

1. PURPOSE. This Advisory Circular (AC) provides guidance on certain land uses that have the potential to attract hazardous wildlife on or near public-use airports. It also discusses airport development projects (including airport construction, expansion, and renovation) affecting aircraft movement near hazardous wildlife attractants. Appendix 1 provides definitions of terms used in this AC.

2. APPLICABILITY. The Federal Aviation Administration (FAA) recommends that public-use airport operators implement the standards and practices contained in this AC. The holders of Airport Operating Certificates issued under Title 14, Code of Federal Regulations (CFR), Part 139, Certification of Airports, Subpart D (Part 139), may use the standards, practices, and recommendations contained in this AC to comply with the wildlife hazard management requirements of Part 139. Airports that have received Federal grant-in-aid assistance must use these standards. The FAA also recommends the guidance in this AC for land-use planners, operators of non-certificated airports, and developers of projects, facilities, and activities on or near airports.

3. CANCELLATION. This AC cancels AC 150/5200-33A, *Hazardous Wildlife Attractants on or near Airports*, dated July 27, 2004.

4. PRINCIPAL CHANGES. This AC contains the following major changes, which are marked with vertical bars in the margin:

a. Technical changes to paragraph references.

b. Wording on storm water detention ponds.

c. Deleted paragraph 4-3.b, *Additional Coordination.*

5. BACKGROUND. Information about the risks posed to aircraft by certain wildlife species has increased a great deal in recent years. Improved reporting, studies, documentation, and statistics clearly show that aircraft collisions with birds and other wildlife are a serious economic and public safety problem. While many species of wildlife can pose a threat to aircraft safety, they are not equally hazardous. Table 1

PRJ-53540
05/05/14

VAR-53865 & SUP-53867

ranks the wildlife groups commonly involved in damaging strikes in the United States according to their relative hazard to aircraft. The ranking is based on the 47,212 records in the FAA National Wildlife Strike Database for the years 1990 through 2003. These hazard rankings, in conjunction with site-specific Wildlife Hazards Assessments (WHA), will help airport operators determine the relative abundance and use patterns of wildlife species and help focus hazardous wildlife management efforts on those species most likely to cause problems at an airport.

Most public-use airports have large tracts of open, undeveloped land that provide added margins of safety and noise mitigation. These areas can also present potential hazards to aviation if they encourage wildlife to enter an airport's approach or departure airspace or air operations area (AOA). Constructed or natural areas—such as poorly drained locations, detention/retention ponds, roosting habitats on buildings, landscaping, odor-causing rotting organic matter (putrescible waste) disposal operations, wastewater treatment plants, agricultural or aquaculture activities, surface mining, or wetlands—can provide wildlife with ideal locations for feeding, loafing, reproduction, and escape. Even small facilities, such as fast food restaurants, taxicab staging areas, rental car facilities, aircraft viewing areas, and public parks, can produce substantial attractions for hazardous wildlife.

During the past century, wildlife-aircraft strikes have resulted in the loss of hundreds of lives worldwide, as well as billions of dollars in aircraft damage. Hazardous wildlife attractants on and near airports can jeopardize future airport expansion, making proper community land-use planning essential. This AC provides airport operators and those parties with whom they cooperate with the guidance they need to assess and address potentially hazardous wildlife attractants when locating new facilities and implementing certain land-use practices on or near public-use airports.

6. MEMORANDUM OF AGREEMENT BETWEEN FEDERAL RESOURCE AGENCIES. The FAA, the U.S. Air Force, the U.S. Army Corps of Engineers, the U.S. Environmental Protection Agency, the U.S. Fish and Wildlife Service, and the U.S. Department of Agriculture - Wildlife Services signed a Memorandum of Agreement (MOA) in July 2003 to acknowledge their respective missions in protecting aviation from wildlife hazards. Through the MOA, the agencies established procedures necessary to coordinate their missions to address more effectively existing and future environmental conditions contributing to collisions between wildlife and aircraft (wildlife strikes) throughout the United States. These efforts are intended to minimize wildlife risks to aviation and human safety while protecting the Nation's valuable environmental resources.

DAVID L. BENNETT
Director, Office of Airport Safety
and Standards

Shorebirds	19	21	18	19	10
Blackbirds/starling	20	22	19	20	10
American kestrel	21	18	21	21	9
Meadowlarks	22	20	22	22	7
Swallows	24	23	24	23	4
Sparrows	25	24	23	24	4
Nighthawks	23	25	25	25	1

[1] Excerpted from the *Special Report for the FAA, "Ranking the Hazard Level of Wildlife Species to Civil Aviation in the USA: Update #1, July 2, 2003"*. Refer to this report for additional explanations of criteria and method of ranking.

[2] Relative rank of each species group was compared with every other group for the three variables, placing the species group with the greatest hazard rank for ≥ 2 of the 3 variables above the next highest ranked group, then proceeding down the list.

[3] Percentage values, from Tables 3 and 4 in Footnote 1 of the *Special Report*, for the three criteria were summed and scaled down from 100, with 100 as the score for the species group with the maximum summed values and the greatest potential hazard to aircraft.

[4] Aircraft incurred at least some damage (destroyed, substantial, minor, or unknown) from strike.

[5] Aircraft incurred damage or structural failure, which adversely affected the structure strength, performance, or flight characteristics, and which would normally require major repair or replacement of the affected component, or the damage sustained makes it inadvisable to restore aircraft to airworthy condition.

[6] Aborted takeoff, engine shutdown, precautionary landing, or other.

PRJ-53540
05/05/14

VAR-53865 & SUP-53867

SECTION 1.

GENERAL SEPARATION CRITERIA FOR HAZARDOUS WILDLIFE ATTRACTANTS ON OR NEAR AIRPORTS.

1-1. INTRODUCTION. When considering proposed land uses, airport operators, local planners, and developers must take into account whether the proposed land uses, including new development projects, will increase wildlife hazards. Land-use practices that attract or sustain hazardous wildlife populations on or near airports can significantly increase the potential for wildlife strikes.

The FAA recommends the minimum separation criteria outlined below for land-use practices that attract hazardous wildlife to the vicinity of airports. Please note that FAA criteria include land uses that cause movement of hazardous wildlife onto, into, or across the airport's approach or departure airspace or air operations area (AOA). (See the discussion of the synergistic effects of surrounding land uses in Section 2-8 of this AC.)

The basis for the separation criteria contained in this section can be found in existing FAA regulations. The separation distances are based on (1) flight patterns of piston-powered aircraft and turbine-powered aircraft, (2) the altitude at which most strikes happen (78 percent occur under 1,000 feet and 90 percent occur under 3,000 feet above ground level), and (3) National Transportation Safety Board (NTSB) recommendations.

1-2. AIRPORTS SERVING PISTON-POWERED AIRCRAFT. Airports that do not sell Jet-A fuel normally serve piston-powered aircraft. Notwithstanding more stringent requirements for specific land uses, the FAA recommends a separation distance of 5,000 feet at these airports for any of the hazardous wildlife attractants mentioned in Section 2 or for new airport development projects meant to accommodate aircraft movement. This distance is to be maintained between an airport's AOA and the hazardous wildlife attractant. Figure 1 depicts this separation distance measured from the nearest aircraft operations areas.

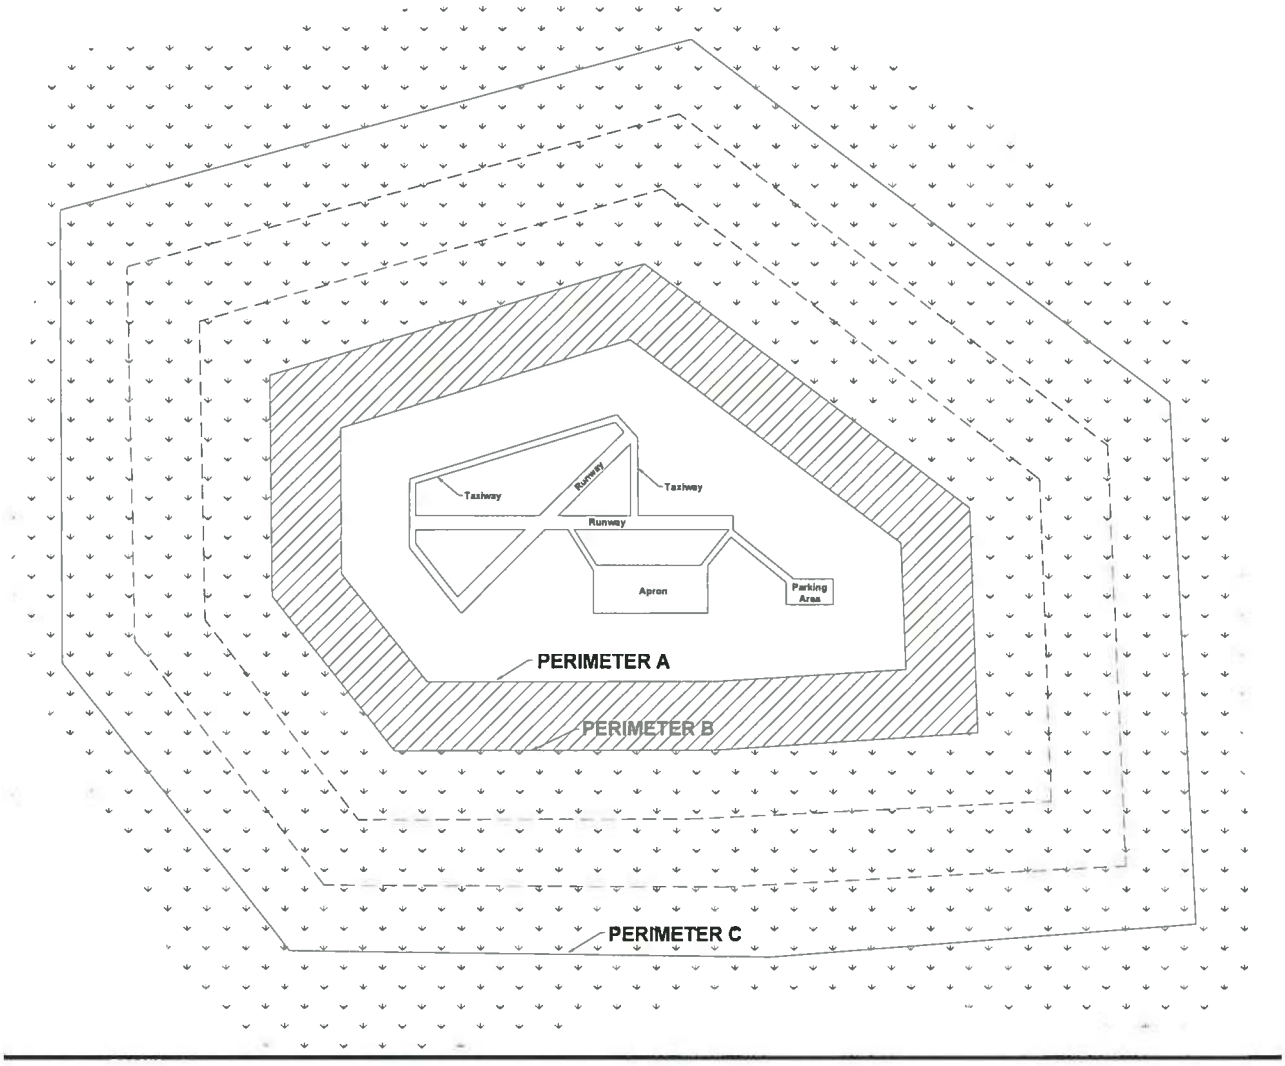
1-3. AIRPORTS SERVING TURBINE-POWERED AIRCRAFT. Airports selling Jet-A fuel normally serve turbine-powered aircraft. Notwithstanding more stringent requirements for specific land uses, the FAA recommends a separation distance of 10,000 feet at these airports for any of the hazardous wildlife attractants mentioned in Section 2 or for new airport development projects meant to accommodate aircraft movement. This distance is to be maintained between an airport's AOA and the hazardous wildlife attractant. Figure 1 depicts this separation distance from the nearest aircraft movement areas.

1-4. PROTECTION OF APPROACH, DEPARTURE, AND CIRCLING AIRSPACE. For all airports, the FAA recommends a distance of 5 statute miles between the farthest edge of the airport's AOA and the hazardous wildlife attractant if the attractant could cause hazardous wildlife movement into or across the approach or departure airspace.

PRJ-53540
05/05/14

VAR-53865 & SUP-53867

Figure 1. Separation distances within which hazardous wildlife attractants should be avoided, eliminated, or mitigated.



PERIMETER A: For airports serving piston-powered aircraft, hazardous wildlife attractants must be 5,000 feet from the nearest air operations area.

PERIMETER B: For airports serving turbine-powered aircraft, hazardous wildlife attractants must be 10,000 feet from the nearest air operations area.

PERIMETER C: 5-mile range to protect approach, departure and circling airspace.

Justification Letter

Issue-

After starting the construction company in 2006, F.E.I. Construction was looking for a new office. The owners Jana and Tim Forsythe, initially had an office space, but soon were affected by the recession. For several years they worked out of their home, and were now ready to separate home from office. Jana met Bonnie Shoning of Bill B. Shoning Contractors, a general building, painting, drywall and carpentry contractor in Las Vegas since 1984, at a BOWD (Business Opportunity Workforce Development) class in the fall of 2012. Bonnie told Jana about their construction company's converted residential to office building on 5252 Ricky Road, Las Vegas, NV 89130. Bonnie said they needed to sell immediately.

Jana and Tim drove by the office. The location was enticing (it was less than a 10 minute drive from their home). They contacted their Commercial Real Estate Broker, MDL, to reach out to the Shoning's Commercial Real Estate Broker, Albright Callister & Associates. After an initial walk through, including an assessment of clean-up and before operation move-in needs, it was apparent that all the office would need was new flooring, new paint, and new blinds.

The office building had built in plan desks in four offices. The greens and pinks were reminiscent of the popular interior design palette of the late 80s/early 90s.

BEFORE PICTURES:

PRJ-53875
04/28/14

With the previous owner being a contractor (Bill B. Shoning Contractors) and the new tenant being a contractor (F.E.I. Construction) the intended use of the property has not changed. The building at 5252 Ricky Road, Las Vegas, NV 89130 will continue to be used as office space, as it has previously been used for the past eighteen (18) plus years.

Information-

F.E.I. Construction currently has five (5) full-time employees at this location and the hours of operation are Monday-Friday 7:00AM- 4:00PM.

This is an existing building that has previously been used as an office and will continue to be used, in the same manner, as an office. In updating the interior paint, a low VOC paint was purchased from a locally owned WBE. Also in updating the flooring, a VCT was purchased from a local WBE and the carpet tiles were recycled from a nearby office remodel project.

Sincerely,

Jana Forsythe
WBE, WOSB, BOWD, DBE, and ESB Certified

Revised 11-14-06

SDR 53925
E S M I Properties, LLC

5252 Ricky Road

Proposed conversion of an existing single family house into a 2.45 thousand square foot office.

Traffic produced by proposed development:

Previous Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	SINGLE FAMILY DETACHED [DWELL]	1	9.57	10
AM Peak Hour			0.75	1
PM Peak Hour			1.01	1

Proposed Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	2.45	11.01	27
AM Peak Hour			1.55	4
PM Peak Hour			1.49	4

Net Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	GENERAL OFFICE BUILDING [1000 SF]	2.45	11.01	17
AM Peak Hour			1.55	3
PM Peak Hour			1.49	3

Existing traffic on all nearby streets:

Rancho Drive	
Average Daily Traffic (ADT)	31,675
PM Peak Hour (heaviest 60 minutes)	2,534

Adjacent Street	ADT Capacity
Rancho Drive	51,800

This project is expected to add about 17 trips per day on Rancho Dr., Ricky Rd. & Thom Blvd.. Currently, Rancho is at about 61 percent of capacity; this is not expected to change with this project. Counts are not available for Ricky or Thom, but they are believed to be under capacity.

Based on Peak Hour use, this project will add about 3 trips in the peak hour, or about one every twenty minutes.

Note that this report assumes all traffic from this development uses all named streets.

Monday, March 17, 2014

To: Department of Building and Safety
Attention: Doug Rankin

On February 9, 2014 we were informed by a city inspector that our backyard playground equipment did not meet a city code.

I would like to provide additional information concerning this matter. We have been in our home for 'twenty-seven' years, and have provided a backyard for our family entertainment and lifestyle. After raising six children we now have grandchildren. We wanted to provide some playground equipment so began checking into various stores that offered these. Sam's Club, Lowe's, Home Depot, Costco all offered play equipment with slides, climbing walls, little play area houses with windows, doors, etc.They were offered as kits to be put together, along with several other pieces, such as swings, pull handles, & all sizes of bars for added enjoyment, or bought as is and have put together in packages. These do not need footings and that is exactly what we followed. So this is what we purchased, and there is no footings on playground equipment areas.

Four years ago we took out all of our grass and prepared it for the play area. At the time the property behind us had been under construction for many years. The house being built directly behind us was a 10,000 square foot two story home, with two balcony's with towering heights that looked down into our yard and our personal spaces. Our home, being a two story home has a balcony at the eight foot level which made for our balcony's facing each other in close proximity.

We felt we could build the playground equipment that would be attractive and help provide a barrier or visual buffer to improve our privacy as well as helping them with their privacy. Our intentions were and still are to keep our grandchildren from having any access that would invade their privacy.

As you may be aware more recently the need for a barrier or buffer has increased because of criminal activity from that home. Metro has been involved with several investigations and warrants. Swat has been directly involved with this house. For further information you may contact Officer Anthony Packe at 702-828-2219 for the added information. We have agreed to not disclose any facts pertaining to this situation.

After four years of it not being a problem why is it now being considered one. We were not aware that any playground equipment with a playhouse bottom area, and slides, as sold in the stores would need any permits, or have any code restrictions.

Thank you for your consideration and help in resolving this matter.

Re: Objection letter for variance #53482 at 2010 Homeview Ct., Las Vegas NV 89117

To Whom It May Concern:

I would like to request that VAR-53482 would be denied.

I work for Plasim Homes LLC, the owner of the homes in Yonie Ct. and I live in Yonie Ct. with my wife and 4 kids.
I have witnessed firsthand how the construction of the playhouse located in 2010 Homeview Ct. causes a great concern to the homeowners and tenants at 7518 Yonie Ct. While every home in the community has been leased within a couple of weeks, the home at 7518 Yonie Ct. was on the market for several months. Every person who came to see the home expressed his concern about how the playhouse is such an eye soar view and that it invades the privacy. Eventually, I leased the home to a respectable family with 3 months old triplet babies. Unfortunately, I had to reduce the rent significantly compared to the rent of the adjacent homes leased at the same time period.

The family who lives in 7518 Yonie Ct. wants to have privacy and a nice view in its backyard, and they keep expressing their concern about this large playhouse. As a father too, I am well familiar with the playhouses available in retail stores, and none of these playhouses are as large as the one built in Homeview Ct. The owner of the playhouse states in his letter that the primary reason for building it was for privacy. I believe that there are better balanced privacy solutions for both neighbors, such as curtains and evergreen trees, especially in this case, in which his lot is significantly taller higher than the neighboring backyards, and therefore, simpler to landscape.

Moreover, due to the size of the playhouse it should be subjected to building and planning regulations:

1. The owner did not obtain neither a building permit nor construction plans, in violation of the following regulation:

The ***"RESIDENTIAL DETACHED STORAGE SHEDS, TOOLS SHEDS, PLAYHOUSES, AND SIMILAR USES"*** states as follows:

> ***LOCATION REQUIREMENTS: Must comply with IBC setback or Zoning setback, whichever is more restrictive.***
>
> ***CONSTRUCTION REQUIREMENTS: If your structure has a floor area of 200 square feet or less and the walls do not exceed 8 feet in height, construction plans are not required; however, PERMITS ARE REQUIRED. In addition, a dimensioned site plan must always be***

submitted to show location from property lines and other structures on the sites.

See:
http://www.lasvegasnevada.gov/files/permits_licenses/Residential_Detached_Sheds.pdf

This regulation requires permits for every structure, including playhouses. In addition, in our case the playhouse exceeds 8 feet in height (the owner admits it in his letter), and alternatively exceeds a floor area of 200 square feet. Therefore, construction plans are required too.
Also, according to this regulation, all playhouses must comply with IBC setback or Zoning setback, whichever is more restrictive.

2. SECTION R105.2 to the 2012 International Residential Code also requires obtaining a permit for a playhouse:

   RI05.2 Work exempt from permit. Permits shall not be required for the following. Exemption from permit requirements of this code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction.

   RI05.2.1. One-story detached accessory structures used as tool and storage sheds, playhouses and similar uses, provided the floor area does not exceed 200 square feet (18.58 m2).

   In this case, the playhouse is a two-story. Therefore it is not exempt from obtaining a permit. Alternatively, the playhouse exceeds 200 square feet, and therefore it is not exempt.

3. I believe that the floor area of the playhouse is significantly larger than 200 square feet - The width of the playground is 8 feet, not including the attached slide. The attached slide is a part of the structure, and therefore the width is more than 8 feet. We agree that the height is 15 ft, and the length is 38 ft.

4. In addition to my mentioned arguments, I argue that the playhouse structure should be considered as an accessory structure (Class II), and should comply with the required setbacks. Title 19.12.070 defines accessory structure (Class II) as:

   "Description: An accessory structure which is located on the same lot as a principal structure, is detached therefrom, is incidental or subordinate thereto, and does not qualify as an "Accessory Structure (Class I)."

5. The setbacks for an accessory structure do not meet the minimum requirements of title 19.06.060, considering a zoning of RP-D2 which has the same setback requirements as R-E zoning:

	Required	Actual
Minimum Separation from Main Building	6 ft	2 ft
Minimum Side Yard Setback	10 ft	2 ft

6. In the next few days I will send you a document with neighbors' objections to the playhouse due to its size, and the infringement of the neighbors' privacy.

7. The playhouse owner has a large backyard. He could have placed the playhouse in any other location, which would not violate the zoning laws and not cause any damages to the owners and tenants in 7518 Yonie Ct and in the adjacent homes. If the purpose of the playhouse was screening, as the owner of 2010 Homeview Ct. claims, then he could have chosen a more balanced solution, such as an additional landscaping.

8. I ask the planning commission dismiss the application for a variance.

Thank you for your help,

Roy Zalman

Plasim Homes LLC

R104.11 Alternative materials, design and methods of construction and equipment. The provisions of this code are not intended to prevent the installation of any material or to prohibit any design or method of construction not specifically prescribed by this code, provided that any such alternative has been *approved*. An alternative material, design or method of construction shall be *approved* where the *building official* finds that the proposed design is satisfactory and complies with the intent of the provisions of this code, and that the material, method or work offered is, for the purpose intended, at least the equivalent of that prescribed in this code. Compliance with the specific performance-based provisions of the International Codes in lieu of specific requirements of this code shall also be permitted as an alternate.

R104.11.1 Tests. Whenever there is insufficient evidence of compliance with the provisions of this code, or evidence that a material or method does not conform to the requirements of this code, or in order to substantiate claims for alternative materials or methods, the *building official* shall have the authority to require tests as evidence of compliance to be made at no expense to the *jurisdiction*. Test methods shall be as specified in this code or by other recognized test standards. In the absence of recognized and accepted test methods, the *building official* shall approve the testing procedures. Tests shall be performed by an *approved* agency. Reports of such tests shall be retained by the *building official* for the period required for retention of public records.

SECTION R105
PERMITS

R105.1 Required. Any owner or authorized agent who intends to construct, enlarge, alter, repair, move, demolish or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical or plumbing system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the *building official* and obtain the required *permit*.

R105.2 Work exempt from permit. *Permits* shall not be required for the following. Exemption from *permit* requirements of this code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this *jurisdiction*.

Building:

1. One-story detached *accessory structures* used as tool and storage sheds, playhouses and similar uses, provided the floor area does not exceed 200 square feet (18.58 m^2).
2. Fences not over 7 feet (2134 mm) high.
3. Retaining walls that are not over 4 feet (1219 mm) in height measured from the bottom of the footing to the top of the wall, unless supporting a surcharge.
4. Water tanks supported directly upon *grade* if the capacity does not exceed 5,000 gallons (18 927 L) and the ratio of height to diameter or width does not exceed 2 to 1.
5. Sidewalks and driveways.
6. Painting, papering, tiling, carpeting, cabinets, counter tops and similar finish work.
7. Prefabricated swimming pools that are less than 24 inches (610 mm) deep.
8. Swings and other playground equipment.
9. Window awnings supported by an exterior wall which do not project more than 54 inches (1372 mm) from the exterior wall and do not require additional support.
10. Decks not exceeding 200 square feet (18.58 m^2) in area, that are not more than 30 inches (762 mm) above *grade* at any point, are not attached to a *dwelling* and do not serve the exit door required by Section R311.4.

Electrical:

1. *Listed* cord-and-plug connected temporary decorative lighting.
2. Reinstallation of attachment plug receptacles but not the outlets therefor.
3. Replacement of branch circuit overcurrent devices of the required capacity in the same location.
4. Electrical wiring, devices, *appliances*, apparatus or *equipment* operating at less than 25 volts and not capable of supplying more than 50 watts of energy.
5. Minor repair work, including the replacement of lamps or the connection of *approved* portable electrical *equipment* to *approved* permanently installed receptacles.

Gas:

1. Portable heating, cooking or clothes drying *appliances*.
2. Replacement of any minor part that does not alter approval of *equipment* or make such *equipment* unsafe.
3. Portable-fuel-cell *appliances* that are not connected to a fixed piping system and are not interconnected to a power grid.

Mechanical:

1. Portable heating *appliances*.
2. Portable ventilation *appliances*.
3. Portable cooling units.
4. Steam, hot- or chilled-water piping within any heating or cooling *equipment* regulated by this code.
5. Replacement of any minor part that does not alter approval of *equipment* or make such *equipment* unsafe.
6. Portable evaporative coolers.

BUILDING & SAFETY
CITY OF LAS VEGAS
DEVELOPMENT SERVICES CENTER

RESIDENTIAL DETACHED STORAGE SHEDS, TOOLS SHEDS, PLAYHOUSES, AND SIMILAR USES

LOCATION REQUIREMENTS: Must comply with IBC setback or Zoning setback, whichever is more restrictive.

CONSTRUCTION REQUIREMENTS: If your structure has a floor area of 200 square feet or less and the walls do not exceed 8 feet in height, construction plans are not required; however, PERMITS ARE REQUIRED. In addition, a dimensioned site plan must always be submitted to show location from property lines and other structures on the sites.

NOTES:

Whenever electrical work is being done on a structure, an electrical plan and permit are always required.

Whenever the structure contains plumbing or mechanical units, a full set of plans will be required regardless of the size of the structure.

Attention: **Planning Commission**
Subject: **Attached Garage**
PAC #: **7055 Del Rey Avenue**

Dear Planning Commission:

As the home owner (engineer of record) to the above address, I would like to build an attached garage to the side of the existing residence. for my wife. No bathroom or bedroom use shall be utilized. I will not have any plumbing fixtures such as toilets or shower tub to impose a multi family dwelling. The new water drainage shall slope around and towards the front entrance of my property. Currently, I am encroaching into the 10 foot side setback distance. Thus, I am applying for a **waiver**. I need the attached structure to set in this location due to my very large family vehicle to park in such garage. This new structure will allow me to use this open space in the side yard.

Should you have any further questions regarding this matter, please do not hesitate to contact me at (702) 596-5821.

Sincerely,

Larry J. Sanchez, PE

January 2, 2014

Las Vegas City

To Whom it May Concern,

We would like to apply for a Variance to allow a 16-foot and 37-foot tall accessory structure where Title 19.06.060 limits the height to that of the main dwelling unit.

The purpose of our variance 'Backyard Toys'. We use our 37' apparatus for training purposes with our horses. This allows us to safely train for the trick riding we do. This is intended for personal use and there will be no public event taking place at this property where we invite people to watch at any time.

We believe the variance should be approved because it is not affecting anyone in a negative way. It is not obstructing any view, as most of the surrounding properties are vacant lots. There are already 6 telephone poles of similar hight existing on the property that were put up by NV Energy. Several of our neighbors also have light poles that exceed the height of their homes as well. There is no reason we should be treated differently. The apparatus is over 100' from the house and over 50' from the closest property line. This ensures it has no way of causing any damage to any structure on the property. We have collected 44 signatures from our closest neighbors stating that they are not effected by these apparatuses in any negative way. In addition to that, we speak to many of them on a daily basis and they enjoy walking by and seeing us train our horses.

Sincerely,

Erik Martonovich

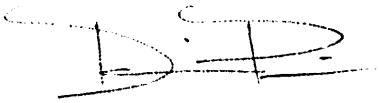
City of Las Vegas
Department of Planning

To whom it may concern:

We are asking for a variance on the ordinance of the 10' clearance from block wall to structure. On the rear we have a 9' clearance, and on the east side we have a 5' clearance per plans. Many homes in our neighborhood benefit from the additional useable square footage by having existing structures closer to the walls then the current ordinance allows. We would like to keep our property value as comparable to surrounding homes in our neighborhood as possible, and we think that the addition of the casita would help maintain our property value. We do not for-see any negative impact to our neighbors, and we have attached a neighbor awareness sign-off form as evidence to that fact. Thank you for your time, and consideration.

Sincerely,



Dennis Pritchard
9109 Ghost Mountain Ave

NEIGHBOR AWARENESS SIGN-OFF FORM

To expedite the processing of your application, please show and explain your plans to all those neighbors who may be affected and have them sign in the appropriate place on the reverse side of this form. The Architectural and/or Landscape Committee may also contact them directly if the scope of the project warrants such action.

NEIGHBOR AWARENESS: The neighbor's approval is not necessarily a condition to your improvement/modification being approved by the Committee. The intent is to advise your neighbors who own property within close proximity of your lot and may be affected by your proposed improvement(s). This requires their signatures below. This means that the signatures below indicate your neighbor's awareness of this application. No application will be considered complete until there is evidence that any neighbors who may be affected have been made aware of this application.

NEIGHBORS: I have reviewed the plans of Dennis Pritchard
(Please Print)
and I am aware of their proposed alterations/improvements shown on the attached plans.

RE: Architectural Submittal for 9109 Ghost Mountain Avenue
Account#: 22598

Dear Homeowner,

The Architectural Review Committee for Lone Mountain Classics Homeowners Association has reviewed and **APPROVED** your architectural submittal for the installation of Detached Addition - Casita per the plans submitted based on the following condition: The new structure cannot be used for the storage of vehicles..

If the conditions require additional information, paperwork or permits, they must be re-submitted within ten (10) days from the date of this correspondence or you will have to resubmit a new Architectural Request.

All construction must commence within 120 days of this approval letter, if construction has not been commenced within the 120 days such approval shall be deemed withdrawn. Once construction is commenced, all work shall be completed within 180 days of commencement.

ARC approval of plans shall not constitute a representation, warranty, or guarantee that such plans and specifications comply with engineering design practices or zoning and building ordinances, or other governmental agency regulations or restrictions. The ARC shall not be responsible for reviewing, nor shall its approval of any plans or design, be deemed approved from the standpoint of structural safety or conformance with building or other codes. By approving such plans and specifications, neither the ARC, the Members thereof, the Association, any Member thereof, their Board of Directors, any Members thereof, or the Declarant assumes any liability or responsibility therefore or for any defect in the construction or improvement from such plans or specifications. As provided in the CC&R's neither the ARC, the Association, the Board of Directors or the Association or any Members thereof, not the Declarant or Developer shall be liable to any Member, Owner, Occupant, or other person or entity for any damage, loss or prejudice suffered or claimed on account of (1) the approval or disapproval of any plans, drawings, or specifications, whether or not defective, or (2) the construction or performance of any work whether or not pursuant to the approved plans, drawings, or specifications.

Your patience and cooperation with the architectural review process is appreciated. If you have any questions, please contact the association at 702-750-0530.

Best regards,

Lone Mountain Classics Homeowners Association

RE:

Justification Letter – Special Use Permit & Site Development Plan Review
Somerset Academy Rainbow – Charter School
4491 North Rainbow / 4532 Balsam Street
APN: 138-03-602-010 & 138-03-602-009

We are requesting Special Use Permit and Site Development Plan Review to allow a K-8 Public Charter School campus to be developed on this site. The sites Land Use is C-PB and they are zoned Planned Business Park District.

The student capacity for the school is approximately 1,000 students and includes grades Kindergarten through 8th.

The location is ideal for a school. It has close proximity to substantial existing residential developments to the north, south and east. To the west across Balsam there exists both residential and industrial use (planned for professional office). The school will act as a buffer between the existing residential to the east and potentially more intense future uses to the west.

Pick up and drop off traffic will enter the site from Balsam, circulate around the perimeter of the site, and exit the site back on Balsam north. This circulation pattern provides ample automobile stacking space on site.

The school will operate between approximately 8am and 3pm. There will be as many as 2 bell times. Occasionally, there will be after school events.

The project will implement sustainable strategies. Some of these strategies include energy-efficient mechanical systems, low- flow water fixtures, occupancy lighting sensors, and the use of local materials. The buildings have also been designed to maximize the use of natural daylighting in most classrooms.

This proposed project is appropriate for this site, because there are nearby residential properties that could take advantage of this use.

Sincerely,

John Lopeman, AIA

Revised 10/27/08

f:\depot\Application Packet\Application Form.pdf

SDR 53910
LVCSD Saddle, LLC

W side of Rainbow Blvd., N of Craig Rd.

Proposed 1000 student school.

Traffic produced by proposed development:

Previous Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	PRIVATE SCHOOL, K-12 [STUDENTS]	1000	2.48	2,480
AM Peak Hour			0.81	810
PM Peak Hour of generator			0.58	580

Existing traffic on all nearby streets:

Rainbow Boulevard	
Average Daily Traffic (ADT)	8,438
PM Peak Hour (heaviest 60 minutes)	675

Craig Road	
Average Daily Traffic (ADT)	32,788
PM Peak Hour (heaviest 60 minutes)	2,623

	Adjacent Street ADT Capacity
Rainbow Boulevard	16,400
Craig Road	51,800

This project is expected to add about 2,480 trips per day on Rainbow Blvd. & Craig Rd. Currently, Rainbow is at 51% of capacity and Craig is at 63% of capacity. With this project, Rainbow is expected to be at about 67% of capacity and Craig is expected to be at about 68% of capacity.

Based on Peak Hour use, this project will add about 810 trips in the peak hour, or about 27 cars every two minutes.

Note that this report assumes all traffic from this development uses all named streets.

Re: Special Use Permit Application

Applicant:	**Walgreen Co. d/b/a Walgreens #07864**
Proposed Use:	**Retail Establishment with Accessory Package Liquor**
Project Name:	**Walgreens #07864**
Project Address:	**7755 N. Durango Dr., Las Vegas, NV 89131**
APN:	**125-17-611-002**

Dear Sir/Madam:

This firm represents Walgreen Co. (the "Applicant") at the above-referenced business location (the "Business") with respect to liquor licensing matters in Nevada. The Applicant currently operates a retail drug store and pharmacy at the Business which offers a variety of household items, food and beverage selections, and health and beauty products.

Like other drug and grocery stores, Walgreens now carries a small selection of alcoholic beverages at numerous locations throughout the valley. The Applicant desires to offer a similar variety of alcoholic beverage products as a convenience to its customers at the Business. It is anticipated that no more 175 square feet of the Business' 14,820 square feet of floor space would be designated to the display of alcoholic beverages.

The addition of package liquor sales at the Business would demonstrate a uniform presence for Walgreens in the community by providing similar goods that are currently offered at numerous Walgreens locations across the valley. Further, the Business will continue to provide a benefit to the community by offering a variety of household and pharmacy products to customers at competitive prices. As an anchor tenant and national retail brand, the Business draws vital customer traffic to the neighboring businesses in the community.

The Business is committed to ensuring compliance with all local and State laws regarding the sale of alcoholic beverage products for off-premises consumption. The Business has implemented and will adhere to strict internal policies to prevent the sale of alcoholic beverage products to minors and to ensure that alcoholic beverage products are not consumed on the

PRJ-53329
04/09/14

SUP-53624

premises or in the parking area. The Applicant has an outstanding track-record of alcohol compliance in Nevada and across the Country.

The introduction of package liquor sales to the Applicant's place of business will not affect the environment or character of the immediate community, nor will it have a detrimental impact on adjacent properties. As a national retail drug store and pharmacy, the proposed use is harmonious and compatible with adjacent development and with existing land uses in the immediate vicinity. No additional public services, utilities or parking accommodations will be necessary to accommodate the proposed use at the Business.

The Applicant has enclosed Floor and Site Plans which include an outline of the area dedicated for the display of alcohol beverages. There is adequate employee and customer parking available at the Business and the site provides adequate pedestrian and vehicle ingress/egress to and from Durango Drive and El Capitan Way. The Business operates every day between the hours of 7:00 a.m. and 10:00 p.m. and employs approximately 20-30 employees.

In the event you have any questions with regard to the foregoing, please do not hesitate to contact us. Thank you.

Very truly yours,

KOLESAR & LEATHAM

Re: Justification Letter
Use Permit for a Financial Institution Specified

To Whom It May Concern:

Please be advised that this office represents Interstate Properties, Inc. the Applicant. The applicant is requesting a use permit to allow for a financial institution specified on property located near Ann Road and US 95 more particularly described at assessor's parcel number 125-34-515-004.

The property is zoned Planned Development (PD). When the PD zoning was first established, the Applicant was required to list some of the proposed uses. One of the uses he listed was "Financial Institution without drive through." It was his belief that the use of this designation would cover uses other than what is recognized as a more "traditional" lending institution. At that time there was no designation for "Financial Institution Specified". The Applicant has contracted with USA Money Today to establish an Auto Title Loan and Payday Loan business at his center. As there was not a designation for this type of use in 2000 and since then the City has now created a designation for Financial Institution Specified, which would cover the requested use, the Applicant is requesting the use permit.

The proposed hours of operations are Monday thru Friday 9:00am to 5:30pm and Saturday. 9:00am to 1:00pm.

KAEMPFER
CROWELL

Thank you for your consideration of this request. Please let Ann Pierce or me know if you have any questions, comments or concerns. The developer has worked very hard on securing the proposed tenant and as you can imagine, is anxious to bring this project to a successful conclusion. Thank you again.

Sincerely,

KAEMPFER CROWELL

LIMITED LIABILITY COMPANY AGREEMENT
OF
WRI CHARLESTON COMMONS, LLC

This Limited Liability Company Agreement (together with the schedules attached hereto, the "***Agreement***") of WRI Charleston Commons, LLC (the "***Company***"), is entered into by WRI Charleston Commons Holdings, LLC, a Delaware limited liability company, as the sole equity member (the "***Member***"), and Carrie L. Tillman, as Independent Director (as defined on **Schedule A** hereto). Capitalized terms used and not otherwise defined herein have the meanings set forth on **Schedule A** hereto.

The Member, by execution of this Agreement, hereby forms the Company as a limited liability company pursuant to and in accordance with the Delaware Limited Liability Company Act (6 Del. C. § 18-101 *et seq.*), as amended from time to time (the "***Act***"), and this Agreement, and the Member and Carrie L. Tillman hereby agree as follows:

Section 1. ***Name***. The name of the limited liability company formed hereby is WRI Charleston Commons, LLC.

Section 2. ***Principal Business Office***. The principal business office of the Company shall be located at 2600 Citadel Plaza Drive, Suite 300, Houston, Texas 77008 or such other location as may hereafter be determined by the Member.

Section 3. ***Registered Office***. The address of the registered office of the Company in the State of Delaware is % Capitol Services, Inc., 615 South DuPont Highway, in the City of Dover, County of Kent, Delaware 19901.

Section 4. ***Registered Agent***. The name and address of the registered agent of the Company for service of process on the Company in the State of Delaware is Capitol Services, Inc., 615 South DuPont Highway, in the City of Dover, County of Kent, Delaware 19901.

Section 5. ***Members***.

(a) The mailing address of the Member is set forth on **Schedule B** attached hereto. The Member was admitted to the Company as a member of the Company upon its execution of a counterpart signature page to this Agreement.

(b) Subject to Section 9(j), the Member may act by written consent.

(c) Upon the occurrence of any event that causes the Member to cease to be a member of the Company (other than upon continuation of the Company without dissolution upon (i) an assignment by the Member of all of its limited liability company interest in the Company and the admission of the transferee pursuant to Section 21 and Section 23, or (ii) the resignation of the Member and the admission of an additional member of the Company pursuant to Section 22 and Section 23), each Person acting as an Independent Director pursuant to Section 10 shall, without any action of any Person and simultaneously with the Member ceasing to be a member of the Company, automatically be admitted to the Company as a Special Member and shall continue the Company without dissolution. No Special Member may resign from the Company

Re: Application for Special Use Permit for Beer/Wine/Cooler On-Sale Establishment

Applicant:	**Chipotle Mexican Grill, Inc.**
APN:	**140-32-802-007**
Business/Address:	**111 N. Nellis Boulevard, Ste. 150** **Las Vegas, NV 89110**

Dear Sir/Madam:

This firm represents Chipotle Mexican Grill, Inc. (the "Applicant") with respect to liquor licensing matters in Nevada. Enclosed, please find a Special Use Permit Application (the "Application") to allow for the operation of a Restaurant and Beer/Wine/Cooler On-Sale Establishment at the above-referenced business location (the "Premises").

The Applicant proposes to open a new Chipotle Mexican Grill business (the "Business") at the Premises within the Charleston Commons Shopping Center (the "Shopping Center") located on North Nellis Boulevard, between E. Charleston Boulevard and Stewart Avenue. The Premises contains a total lease area of approximately 2,400 square feet with an additional 324 square feet of patio area for outside dining. The Premises provides seating for approximately 78 customers, which includes 60 dine-in seats and 18 patio seats.

The service of beer and wine will be limited to the inside portion of the Premises and alcohol service and consumption will not be permitted in the outdoor patio area. The Business will post signage indicating that alcohol shall not be permitted in the outdoor patio area. Please note that beer and wine service will be provided to customers by employees of the Business and

PRJ-53735
05/12/14

SUP-53829 - REVISED

only in conjunction with meals. The Applicant is committed to ensuring compliance with all local and State laws regarding the sale of alcoholic beverages for on-premises consumption.

The sale of alcoholic beverages at the Business is compatible with other uses in the immediate community and will not have a detrimental impact on adjacent properties or other tenants located within the Shopping Center. No additional public services, utilities or parking accommodations will be necessary to accommodate the proposed use at the Business. There is adequate employee and customer parking available and the site provides adequate pedestrian and vehicle ingress/egress to and from the Shopping Center from N. Nellis Boulevard, E. Charleston Boulevard and Stewart Avenue. The Business currently anticipates operating 7 days a week from 11:00 AM until 10:00 PM, and will employ approximately 25 employees.

In the event you have any questions with regard to the foregoing, please do not hesitate to contact us. Thank you.

Very truly yours,

KOLESAR & LEATHAM

RE: Justification Letter for Dollar Loan Center to conduct business at 4700 Meadows Ln. # 110 Las Vegas, NV 89107. APN 139-31-111-001

Dear City of Las Vegas Department of Planning Representative,

Dollar Loan Center seeks to lease the 2,649 square feet of space in suite 110 for the building located at 4700 Meadows Ln. in order to move an existing Dollar Loan Center within the Las Vegas C-1 district. This location will serve as a replacement for the location at 280 S. Decatur Blvd. Las Vegas, NV 89107. Recently the complex at 280 S. Decatur Blvd. was foreclosed on. At this time the center is 90% empty and the major tenant, Target, is closing their doors effective 05-03-2014. This will be detrimental to the customer traffic entering the complex and few remaining businesses. We will continue as a Non-depository lender providing Auto Title loans and High Interest loans only. At no time will any vehicles be stored on our property.

The new location we seek to lease does not meet the distance requirement of 200' from a residential property. We will be asking for a waiver of this distance separation to 100'. Our current SUP at 280 S. Decatur Blvd. has a waiver of 0' to residential.

The new location does not meet distance requirements from a similar business. Currently Cardenas market is licensed for Check Cashing. Although our business falls under the same classification, Dollar Loan Center only provides Non-Collateral loans and Auto Title Loans. There will also need to be a waiver reducing the distance requirement of 1000' to 130' from our current location at 280 S. Decatur Blvd. We do feel this should have no impact on the restrictions of our business type since we are moving across the street.

We want to make sure it is absolutely clear we will close the location at 280 S. Decatur Blvd. if 4700 Meadows Ln. is approved. Once the SUP is approved we will pull all applicable permits and begin construction at 4700 Meadows Ln. We estimate a 90 day turn around for full move in and shut down from the existing 280 S. Decatur Blvd. location.

We are proud of our long standing history of doing business in the City of Las Vegas along with helping to bring jobs and revenue to the City and its residents. Dollar Loan Center also has a proven track record as an excellent community partner throughout Southern Nevada. We routinely provide financial support to several community charities with notable emphasis on the annual support of local efforts by Opportunity Village and the Henderson Little League.

In addition to being a strong community partner, Dollar Loan Center has taken great pride in being a first-rate employer for over 13 years in the Las Vegas area. We were most recently acknowledged by Vegas, Inc. in their 2012 edition of Southern Nevada's "Best Places to Work" as one of the top 3 "Best Places to Work" in Southern Nevada. More important than being acknowledged, we believe being a good employer is just the right thing to do and you can be assured that Dollar Loan Center will provide City of Las Vegas residents a great place to work.

Property Specifics

- Property Address: 4700 Meadows Ln. Suite 110.
- Current Zoning of property falls under C-1 zoning code.
- Square Footage is 2,649 square feet.
- Basic Description: The current suite has not been occupied since Cardenas bought and remodeled the old Mervyns' location.
- This property does not meet distance requirements for Residential separation and will need a waiver.
- This property does not meet distance requirements for like company separation and will need a waiver.
- This location will start with 3 to 4 employees with the potential to grow up to 6 or 7 employees.
- Hours of operation are Mon – Fri 9am to 7pm, Sat 9am to 4pm and closed Sundays.
- Dollar Loan Center currently has 5 locations licensed by the City of Las Vegas.
    - 6122 W. Sahara Ave. Lic# N02-00003
    - 280 S. Decatur Blvd. Lic# N02-00004
    - 625 N. Lamb Blvd. Lic# N02-00020
    - 3051 N. Rainbow Blvd. Lic# N02-00028
    - 6401 N. Durango Dr. Lic# N02-99540
- Dollar Loan Center will require a state license for the proposed location.

Justification for waiver of residential distance requirements

The proposed location is in an established commercial shopping center zoned as C-1. Directly to the West of the location at 100' is a housing complex and does not meet the 200' distance requirement. The closest pedestrian access to the proposed entrance for Dollar Loan Center from the residential plot is approximately 875'. Although distance is determined by parcel property line, there would be no access to the entrance without crossing Decatur Blvd illegally and proceeding through the landscaping of the commercial complex.

All existing built residential properties are approximately 100' away from Parcel to Parcel. We do not feel the proposed move of our current location will have a negative impact to the surrounding area.

Justification for waiver of similar business distance requirements

The proposed location is in an established commercial shopping center zoned as C-1. The new landlord for this location is Cardenas. Cardenas currently holds a Non-Depository Lender license for Check Cashing only. As we do not offer Check Cashing services we do not feel this should be an issue.

We will also need a waiver from 1000' to 130' from our current location at 280 S. Decatur Blvd. Although the property is over 1200' away and we are closing the existing location, the waiver will be required for approval of the SUP.

Anticipated Impact on Traffic Conditions, Surrounding Neighborhood, and General Public

Our customers will park, enter our store, make their transaction and depart. The impact on traffic will not cause a significant change to the current daily activity.

Our stores are clean and professional in appearance and great emphasis is placed on customer service and staff professionalism. Dollar Loan Centers are similar in product to a CitiFinancial and are often described by our customers as a "mini Wells Fargo." The hours of operation will stay within the city regulated times. Based on our hours, clientele, and the services and consumer choice we provide, we anticipate only positive benefits to the surrounding neighborhood. Dollar Loan Center is also looking to provide Auto Title loans in this location to better serve our customers. As a matter of providing additional clarity into our product we find it important to communicate that Dollar Loan Center does not engage in check cashing, payday lending, pawn services, or Western Union money transfers. Our rates are well below that of a payday lender and most often less than half. Dollar Loan Center offers an important consumer value and choice in the financial services sector.

Anticipated time table for all construction and improvements

Once Dollar Loan Center completes the anticipated approval of our SUP; we anticipate moving to our new location in 90 days. Since the new suite has never been occupied it will require a full build out.

Once our signs can be approved by the city we will have a two week completion date for install.

Thank you in advance for taking time to review our request and we look forward to working with the City. Dollar Loan Center looks forward to our continued service to Las Vegas residents.

Sincerely,

Dave Galyen
National Director of Facilities Technology, and Security

Re: Justification Letter for Special Use Permit
Sahara Center - Commercial Development- Northeast Corner of Sahara Avenue and Hualapai Way, APN 163-06-416 / Approved SDR 48469

To Whom It May Concern:

Please accept this as the required justification letter for a Special Use Permit to allow a tavern at 10000 W. Sahara Avenue, Ste. #100.

1. The property has been approved for a shopping center by SDR 48469 in the C-1 district which allows a tavern subject to a Special Use Permit.
2. The proposed tavern is relatively small (patron use area of 2,691SF) and thus will not impose any unusual parking demand within the Center.
3. No outdoor uses are contemplated in conjunction with the tavern which might disturb nearby residential.
4. Eating and drinking establishments are a normal expected group of uses in a shopping center of this size and are needed to serve local demand and attract sufficient patronage to ensure economic success for the facility. Such uses also generate significant employment and tax revenue for the City.

Respectfully,

Sahara Center LLC

PRJ-53983
05/01/14

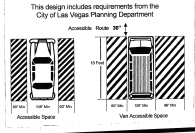
This design includes requirements from the City of Las Vegas Planning Department



Van Accessible Parking Spaces
One van accessible parking space shall be provided for every eight accessible parking spaces, or fraction thereof, **starting with the first.** Accessible parking spaces shall be located on the shortest possible accessible route from adjacent parking to an accessible building entrance. In facilities with multiple accessible building entrances with adjacent parking, accessible parking spaces shall be dispersed and located near the accessible entrances.

303 Changes in Level

303.1 General. Changes in level in floor or ground surfaces shall comply with Section 303.

303.2 Vertical. Changes in level of 1/4 inch (6 mm) high maximum shall be permitted to be vertical.

Fig. 303.2
Vertical Changes in Level

303.3 Beveled. Changes in level between 1/4 inch (6 mm) high minimum and 1/2 inch (13 mm) high maximum shall be beveled with a slope not steeper than 1:2.

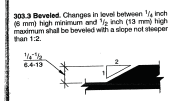


Fig. 303.3
Beveled Changes in Level

303.4 Ramped. Changes in level greater than 1/2 inch (13 mm) shall be ramped and shall comply with Section 405 or 406.

Accessible Parking Stall Dimensions and Requirements ICC/ANSI A 117.1-1998 with CLV Planning Department Modifications

Grade of Parking Stall and Access Aisle:
Accessible parking space shall be located on a surface with a slope not exceeding 1:48 (2%) in all directions.

Dimensions of parking spaces:
Standard Accessible Parking Space: 108" wide (min.) by 18' long (min.) plus a 60" access aisle adjacent to each side.
Van Accessible Space: 108" wide by 18' long plus one adjacent 96" wide access aisle and one adjacent 60" wide access aisle at sides.
Note: Two accessible parking spaces may share a common access aisle. Curb ramps are not allowed in access aisles.

Signage:
Nevada State law requires signs for all handicap spaces. Accessible parking spaces shall have a sign showing the international symbol of accessibility per ANSI Sec. 703.7. Van accessible signs shall not be obscured by a vehicle parked in the space and shall be marked VAN ACCESSIBLE. Signs shall be centered in the width of the space and shall be 60" min. from the bottom of the sign to the ground surface of the space.

ACCESSIBILITY REQUIREMENTS
Comply with all requirements of 2003 IBC and 1998 ICC/ANSI 117.1 for accessibility for the disabled. Also meet all state and federal requirements. The following are some, but not all, requirements. It is the responsibility of the permit holder to understand and comply with all adopted codes and ordinances.

Inaccessible building entrances, public toilets, and bathing facilities and elevators not on an accessible route shall be provided with directional signage indicating the route to the nearest similar accessible element. (Per IBC Sec. 1110.2)

When more than one building or facility is located on site, accessible routes shall be provided connecting accessible buildings and accessible site facilities. (Sec. 1007.1)

When more than 1 exit is required from any accessible space, each accessible portion of the space shall be served by not less tan two accessible means of egress. Handicap exit signage shall clearly indicate the path of exit travel to these accessible exits in not all exits are accessible in the space (Section 1110.2)

Wheelstops at handicap parking shall be placed such that vehicle overhang will not impede pedestrian traffic within the handicap access routes.

Accessible parking spaces shall be located on the shortest possible accessible route from adjacent parking to an accessible building entrance. In facilities with multiple accessible building entrances with adjacent parking, accessible parking spaces shall be dispersed and located near the accessible entrances. In multiple parking structures, accessible van parking spaces may be located on one level.

Handicap route slopes are not to exceed 5% running slope, and 2% cross slope.

BUILDING INSPECTION NOTES
Condition of approval CLV Project # C-216-05 on date of
Building inspector must verify the existence and compliance for:
A) Handicap accessible parking, access aisles and signage
B) Accessible path(s) with complying slopes to the public way
C) Accessible restrooms
If not present, revisions to plans are required.

STANDARD:	341 SPACES
ACCESSIBLE SPACES:	9 SPACES
COVERED SPACES:	112 SPACES
TOTAL:	462 SPACES

ACCESSEBILITY NOTES:

1. ACCESSIBLE ENTRANCES TO THE BUILDING SHALL BE IDENTIFIED BY THE INTERNATIONAL SYMBOL OF ACCESSIBILITY.

2. EXTERIOR EXITS WHICH ARE LOCATED ADJACENT TO ACCESSIBLE AREAS & WITHIN 6'-0" OF ADJACENT GROUND LEVEL SHALL BE ACCESSIBLE.

3. ACCESSIBLE RAMPS REQ. BY ADAAG SHALL NOT HAVE SLOPES WHICH EXCEED 1 FT. IN 12'.

4. THE SURFACES OF RAMPS & GROUND SURFACES SHALL BE ROUGHENED OR SHALL BE OF SLIP RESISTANT MATERIALS.

5. AN ACCESSIBLE ROUTE OF TRAVEL 3 FT. WIDE MIN. MUST BE PROVIDED TO ALL PORTIONS OF THE BUILDING & BETWEEN THE BUILDING & THE PUBLIC WAY. ACCESS. ROUTES SHALL HAVE A MAX. SLOPE OF 1:20, & A MAX. CROSS SLOPE OF 1:50.

6. THRESHOLD MUST BE 1/2" IN HEIGHT OR LESS.

7. PRIMARY ENTRANCE TO THE BLDG. MUST BE ACCESSIBLE. ALL REQUIRED EXITS MUST BE ACCESSIBLE.

8. ACCESSIBLE PARKING SPACES SHALL HAVE A SLOPE NOT EXCEEDING 2%.

9. ACCESSIBLE PARKING SPACES HAVE THE INTERNATIONAL WHEELCHAIR SYMBOL ON THE GROUND WITHIN THE SPACE.

10. ACCESSIBLE PARKING SPACES SHALL HAVE A SIGN (MIN. 5 FT. A.F.G.) IN FRONT OF THE SPACE WHICH INCLUDES THE INTERNATIONAL SYMBOL OF ACCESSIBILITY.

11. ALARMS SHALL BE AUDIBLE AND VISUAL AND MEET ACCESSIBILITY REQUIREMENTS.

12. ACCESSIBLE ROUTE SHALL BE WITHOUT STEPS OR CHANGES IN LEVEL GREATER THAN 1/2" WITHOUT AN APPROVED RAMP.

GENERAL NOTES:

1. PREMISES IDENTIFICATION REQUIRED AND TO BE LEGIBLE FROM THE STREET PER CITY OF LAS VEGAS.

2. PLANS APPROVED BY THE LOCAL FIRE DEPARTMENT MUST BE ON JOB SITE AT ALL TIMES.

3. PROVIDE ALL WEATHER ACCESS ROAD TO ALL BUILDINGS AND HYDRANTS FROM PUBLIC WAY DURING CONSTRUCTION AS REQUIRED BY LOCAL JURISDICTION.

4. SIGNAGE TO BE OBTAINED BY SEPARATE APPROVAL AND PERMITS AS REQUIRED BY TITLE 30.

5. REFUSE ENCLOSURE SHALL BE SCREENED BY MATERIAL COMPATIBLE WITH THE BUILDING MATERIALS, COLORS AND TEXTURES TO MATCH THE BUILDING.

6. BUILDINGS TO BE LOCATED SUCH THAT THE OUTERMOST ARCHITECTURAL INTRUSION IS A MAXIMUM OF 3'-0" INSIDE BUILDING SETBACK.

7. ALL TENANT IMPROVEMENT OWNERS AND CONTRACTORS WILL BE RESPONSIBLE FOR MAINTAINING THE INTEGRITY OF THE STRUCTURAL CONCRETE BUILDING SLAB AND VAPOR BARRIER.

* CONCRETE SLABS ARE TO BE POURED FOR ALL BUILDINGS IN THIS CONTRACT. CONCRETE SLABS ARE TO BE INCLUDED FOR T.I. CONTRACTORS WHO SAWCUT THE SLAB MUST TURN DOWN NEW SLABS TO A DEPTH OF 8" – 12" AWAY FROM THE SAWCUT. T.I. CONTRACTOR MUST ALSO PROVIDE #4 18" DOWELS @ 24 inches O.C. WITH EPOXY GROUT IN 5/8" DRILLED HOLES. 6" OF THE DOWEL WILL BE DRILLED INTO THE EXISTING SLAB.

* VAPOR BARRIER SHALL BE INSTALLED BENEATH ALL CONCRETE SLABS. T.I. CONTRACTOR WHO CUT THE VAPOR BARRIER MUST DO SO AND REINSTALL THE BARRIER IN COMPLIANCE WITH THE FOLLOWING REQUIREMENTS:
ASTM E1643–98
ASTM E1745–97
ACI 302.1R.99

B. IT IS THE CONTRACTORS RESPONSIBILITY TO COORDINATE ALL DOCUMENTS IN THIS CONSTRUCTION DOCUMENT SET WITH SUBCONTRACTORS. IT WILL BE THE RESPONSIBILITY OF ALL SUBCONTRACTORS TO REVIEW ALL PERTINENT DOCUMENTS IN THE CONSTRUCTION DOCUMENT SET PRIOR TO PERFORMING ANY WORK. THE SUBCONTRACTOR SHALL NOTIFY THE CONTRACTOR AND THE CONTRACTOR SHALL NOTIFY THE ARCHITECT OF ANY DISCREPANCIES PRIOR TO PERFORMING THE WORK.

9. ALL TRANSFORMER BOXES, METER / ELECTRICAL EQUIPMENT, BACK-FLOW DEVICES, AND ANY OTHER UTILITY EQUIPMENT SHALL BE PAINTED TO MATCH BUILDING COLOR.

37. CONC. SCUPPER (SEE 4/A103)
38. CONC. SIDEWALK SCUPPER (SEE DETAIL 4/A103)
39. SWALE REFER TO C3.1
40. DIRECTIONAL ARROWS (SEE DETAIL 16/A103)
41. WATER METER (SEE CIVIL C4.1)
42. 1: 20 SLOPE TYPICAL
43. SERVICE ENTRANCE SECTION
44. TRAFFIC CONTROL SIGNAGE "STOP" (SEE CIVIL)
45. PROVIDE SEALED CONCRETE AMENITY ZONE TO MATCH EXISTING ADJACENT PATTERN AND THE TOWN CENTER DEVELOPMENT GUIDELINES
46. NOT USED
47. CAST IN PLACE CONCRETE STEPS
48. EXISTING HIKING TRAIL
49. 10' WIDE HIKING TRAIL
50. NEW SIDEWALK (PER C.O.L.V. STDS)
51. RETAINING WALL
52. EXISTING CONCRETE CURB
53. EXISTING DECORATIVE CONC. PAVING TO REMAIN

LEGAL DESCRIPTION

THE FOLLOWING LEGAL DESCRIPTION IS FOR REFERENCE ONLY. THIS DESCRIPTION WAS PROVIDED BY HORIZON SURVEYING, PROFESSIONAL SURVEYOR OF RECORD FOR THIS PROJECT.

DFD CORNOYER HEDRICK ASSUMES NO LIABILITY FOR THE ACCURACY OF THIS DESCRIPTION. SEE THE ALTA SURVEY AND/OR THE CIVIL ENGINEERING DRAWINGS FOR DETAILED LEGAL PROPERTY DESCRIPTIONS.

A PORTION OF LOT TWO (2) AND ALL OF LOTS THREE (3) AND FOUR (4) OF MERGER AND RESUBDIVISION OF MOTECITO EAST, A COMMERCIAL SUBDIVISION AS SHOWN BY MAP THEREOF ON FILE IN BOOK 113 OF PLATS, PAGE 26 IN THE OFFICE OF THE COUNTY RECORDER, CLARK COUNTY, NEVADA.

TOGETHER WITH A PORTION OF LOT 2 OF MERGER AND RESUBDIVISION OF MONTECITO EAST, A COMMERCIAL SUBDIVISION AS SHOWN BY MAP THEREOF ON FILE IN BOOK 113 OF PLATS, PAGE 26 IN THE OFFICE OF THE COUNTY RECORDER, CLARK COUNTY, NEVADA, DESCRIBED AS FOLLOWS:

BEGINNING AT THE NORTHEAST CORNER OF SAID LOT 3, SAID POINT ALSO BEING A POINT ON THE SOUTHERLY RIGHT-OF-WAY OF AZURE DRIVE, SAID POINT ALSO BEING A POINT ON A CURVE, HAVING A RADIUS OF 745.00 FEET, CONCAVE TO THE NORTH, A RADIAL BEARING TO SAID POINT BEARS NORTH 08°10'14" EAST; THENCE EASTERLY ALONG SAID CURVE AND RIGHT-OF-WAY, THROUGH A CENTRAL ANGLE OF 02°00'35", AN ARC LENGTH OF 26.13 FEET; THENCE CONTINUING ALONG SAID RIGHT-OF-WAY, SOUTH 85°16'00" WEST, A DISTANCE OF 243.85 FEET; THENCE DEPARTING SAID RIGHT-OF-WAY, SOUTH 85°20'21" EAST, A DISTANCE OF 243.85 FEET; THENCE NORTH 86°16'16" WEST , A DISTANCE OF 14.87 FEET; THENCE SOUTH 03°03'16" WEST, A DISTANCE OF 25.40 FEET; THENCE NORTH 84°52'51" WEST, A DISTANCE OF 51.50 FEET; THENCE NORTH 08°02'11" EAST, A DISTANCE OF 269.07 FEET TO THE POINT OF BEGINNING.

KEYED NOTES:

** NOT ALL KEYED NOTED MAY BE USED ON THIS SHEET. CONTRACTOR TO VERY.

1. REFUSE ENCLOSURE (SEE DETAIL 17/A102)
2. TRANSFORMER LOCATION – INCLUDE CONCRETE PAD PER C.O.L.V.
3. NEW FIRE HYDRANT
4. ACCESSIBLE PARKING SPACE, CURB RAMP AND ACCESS AISLE (SEE DETAIL 01/A102)
5. ACCESSIBLE PARKING SIGN (SEE DETAIL 03/A102)
6. LANDSCAPE AREA (SEE L-1)
7. LIGHT POLE (SEE E102 & S106)
8. PROPERTY LINE
9. FIRELANE, CURBS SHALL BE PAINTED RED WITH WHITE LETTERS (FIRE LANE) EVERY 50 FT. LETTERS SHALL BE 3" WITH 3/4" STROKE.
10. FUTURE SIGNAGE – (N.I.C.)
11. CONCRETE SIDEWALK & CURB (SEE DETAILS 1B, 1D & 2D/A103)
12. TOOLED CONTROL JOINTS @ 5'–0" O.C. MAX. (SEE DETAIL 01/A103)
13. EXPANSION JOINTS @ 20'–0" O.C. MAX. (SEE 3/A103)
14. MAIL BOXES – POUR 3'–0" X 6'–0" X 6" DEEP CONCRETE PAD FOR EACH
15. BUILDING SETBACK
16. PAINTED ACCESSIBLE SYMBOL (SEE DETAIL 02/A102)
17. MONUMENT SIGN (N.I.C.) SUBMITTED UNDER SEPARATE PERMIT, PROVIDE POWER TO THIS LOCATION
18. EXISTING CONCRETE SIDEWALK
19. CONC. PAVING AT ACCESSIBLE PARKING STALL AND ACCESSIBLE AISLE
20. PROVIDE 2'–6" X 2'–6" LIGHT GRAY CONCRETE SCORING TO MATCH EXISTING ADJACENT SIDEWALK
21. CONCRETE CURB (SEE DETAIL 5/A103)
22. N.I.C. (NOT IN CONTRACT)
23. LIMIT OF CONSTRUCTION
24. ASPHALT CONCRETE PAVING
25. 55' FIRE TRUCK TURNING RADIUS
26. BACK FLOW PREVENTER
27. FIRE DEPARTMENT CONNECTION
28. 4" PAINTED PARKING STRIPE
29. CAR SHELTER (SEE DETAILS 12 & 20/A102)
30. EXISTING LIGHT POLE
31. ROOF DRAIN DAYLIGHT LOCATION
32. EXISTING TO BE REMOVED
33. EXISTING UTILITIES TO REMAIN
34. PROVIDE WHEEL STOPS AT EVERY PARKING SPACE THAT FRONTS A PEDESTRIAN WALKWAY OR LANDSCAPED AREA, PER LAS VEGAS ZONING CODES 19.08.045 E–6 & 19.10.010 J–9
35. LIGHTED STEEL BOLLARD (SEE E102)
36. 1'X1' RED CONCRETE PAVER AT 45° FOR PEDESTRIAN CROSS WALK

IBC 1104. Accessible Exterior Routes.
Accessible exterior routes shall be provided from public transportation stops, accessible parking and accessible passenger loading zones and public sidewalks to the accessible building entrance they serve.
When more than one building or facility is located on a site, at least one accessible route shall connect accessible elements, facilities and buildings that are on the same site. The accessible route between accessible parking and accessible building entrances shall be the most practical direct route.

Justification Letter

Project: Quest Academy Tenant Improvement

Address: 7485 W. Azure Dr. Las Vegas, NV 89130

April 30, 2014

City of Las Vegas

Planning Department
333 N. Rancho Dr.
Las Vegas, NV 89106

A detailed letter that explains the request: For tenant improvement of a public charter school.

Intended use of the property: A public charter school.

How the project meets/supports existing City policies and regulations:

1. Town Center Development Standards page 24 paragraph 27 public or private school, primary and secondary:

   a. May not locate adjacent to, nor have direct access/egress to, Main Street, Parkway, or Primary Arterial in the Town Center.

   The existing site plan and location meet all conditions per Town Center Development Standards.

2. Location meets and exceeds parking requirements at a 4.52 per 1000SF ratio.

3. Our traffic control cue line for drop off and pickup is 2,200 LF which would support approximately 122 vehicles (see site plan).

4. The five traffic control personnel will efficiently, timely and in a safe manner direct traffic to avoid impediment of any kind on W. Azure Dr. as well as accommodate existing tenants (see site plan).

5. The school hours of operation are between 6:30 am to 7:25 am for drop off time. The pickup time will be between 2:25 pm to 3:00 pm.
   The existing complex hours of operation are from 8:30 am to 5:30 pm. Because there is no overlap during commuting time we feel that this will not increase any congestion within the existing site plan.

SDR-53752

SDR 53752
Dotty's #108

1690 N Decatur Blvd.

Proposed 0.928 thousand square foot expansion of an existing liquor establishment (tavern).

Traffic produced by proposed development:

Previous Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	HIGH-TURNOVER (SIT-DWN) RESTAURANT [1000 SF]	3.87	127.15	492
AM Peak Hour			11.52	45
PM Peak Hour			11.15	43

Proposed Use	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	HIGH-TURNOVER (SIT-DWN) RESTAURANT [1000 SF]	4.798	127.15	610
AM Peak Hour			11.52	55
PM Peak Hour			11.15	53

Net Change	DESCRIPTION	#UNIT	RATE/# UNIT	TOTAL
Average Daily Traffic (ADT)	HIGH-TURNOVER (SIT-DWN) RESTAURANT [1000 SF]	0.928	127.15	118
AM Peak Hour			11.52	11
PM Peak Hour			11.15	10

Existing traffic on all nearby streets:

Decatur Avenue	
Average Daily Traffic (ADT)	37,075
PM Peak Hour (heaviest 60 minutes)	2,966

Vegas Drive	
Average Daily Traffic (ADT)	11,950
PM Peak Hour (heaviest 60 minutes)	956

	Adjacent Street ADT Capacity
Decatur Avenue	51,800
Vegas Drive	34,500

This project is expected to add about 118 trips per day on Decatur Ave. & Vegas Dr. Currently, Decatur is at about 72 percent of capacity and Vegas is at about 35 percent of capacity. With this project, these capacites are not expected to change.

Based on Peak Hour use, this project will add about 11 trips in the peak hour, or about one every six minutes.

Note that this report assumes all traffic from this development uses all named streets.

April 10, 2014

City of Las Vegas
Department of Planning

RE: Case: PRJ-53647
Justification Letter for Dotty's #108 Alibi
Located at: 1690 N. Decatur Blvd, Las Vegas, NV 89108

To Whom It May Concern;

Kalb Industries proposes the following changes to the above referenced property.

1) Parking Variance
2) Addition and elevation change
3) Adding 22'.8" x 43'x4" (928sf) to the existing tenant improvement for additional back of house and larger restrooms.
4) Exterior façade facelift
5) Addition of an arch with a total height of 19'6".
6) All stucco will be painted and existing columns will have faux stone installed.

If you should have any questions, please feel free to contact me at 702-768-8272.

Sincerely,

Darin Pipkins
Project manager

SDR-53752

PRJ-53647
