RE: Public Hearing VAR 52560 and MSP-52861 Master Sign

I am opposed to the size and heights of the signs. What is the world are you thinking? How will our howling winds affect the larger sign size and the smaller width poles? Would you all put one of these in your front yard next to a busy thoroughfare?
PLEASE use some common sense here - you are turning this city into DISNEYLAND. Where does it end??
